SWIMMING LESSONS

at the GSU Pool

Glenville State University offers a variety of swimming lessons, from Group Sessions to Private Packages for children or adults. We've also started a **Youth Stroke Club!**

Lessons and Stroke Club last a half-hour and are designed to improve performance of swim skills, in addition to simply increasing comfort and endurance in the water.

At the end of each Session, participants are given a Checklist showing what the student learned and what skills need to be mastered before moving to the next Level.

The Stroke Club receives a Coach's Assessment.

All swimmers review safety in and around water.
