

The Glenville State University Criminal Justice High School Program is designed for high school students across the state of West Virginia who are eager to get a jump start on a college degree at Glenville State University.

- Field Forensics
- Criminal Justice

Students who choose to participate in the GSU Criminal Justice High School Program will earn a total of 24 college credits during the duration of their enrollment in the program. Enrollment in the program will help students become better prepared for a successful transition into their chosen degree path.
