New Business

- Discussion on Faculty/Staff playing softball with the RA's as a fundraiser. Sheri said the last time we did this we did not make much money. The consensus of the group was to not do it as a fundraiser but if we did it to do it just for fun.
- Ann said she had received several e-mails and phone calls concerning the fact that Faculty and students had a 2 hr delay because of bad weather and the classified staff were required to come to work. When it also states for essential personnel to be there just what is essential personnel? There was discussion on this. Ann will draft a letter on behalf of Classified Staff about these concerns to Dr. Peek.
- David asked who decided we would be paid every two (2) weeks? Krystal told him the governor did. She said it was being done to make everyone the same across the board.

- There was a concern about classified employees attending the Staff Council meetings. Some felt people are being discouraged from attending. Ann and Mary will check to see if this is being done.

Next meeting will be April 17th.
