WINS GOOD FAST GAME FROM MORRIS-HARVEY

Aerial Attack Wins For Glenville
Glenville, October 4. Before a rather small group of spectators at the Fair Grounds Glenville scored two touchdowns and a field goal against the Southern Methodists who failed to tally. This first defeat that Glenville has given Morris-Harvey in many years brought many thrills and much pleasure to the Glenville followers.

The Game
Glenville chose the west goal and Morris-Harvey elected to receive. After several fumbles by both teams Morris-Harvey took the ball on Glenville's 15 yard line. In four plays Morris-Harvey failed to make first down, and Lorentz, standing on his goal line, punted out of danger. The rest of the half was slow and lacked fight; the ball was in midfield most of the time.

The second half opened with Glenville fighting hard. Two forward passes, Lorentz to McCartney, advanced the ball from Glenville's 35 yard line to Morris-Harvey's 30 yard line. From here McCartney and Treacy, through off tackle plays, carried the ball to the 10 yard line. Morris-Harvey's line stiffened and in two line plays gained a yard or two. On the third down T. Rogers drop-kicked the ball neatly between the uprights. Both teams failed to gain much during the rest of the third period.

Soon after the beginning of the fourth period Lorentz made a 25 yard pass to Miller who ran the remaining 10 yards to Morris-Harvey's goal, but the touchdown failed to count because time had been taken out and the play began before the referee had blown his whistle. But on the next play Treacy received a short pass and with good interference carried the pigskin across the goal line. T. Rogers drop-kicked goal. In the last five minutes of play Hardman intercepted a pass, and Glenville with an attack Morris-Harvey could not stop, advanced the ball to the 7 yard line from where McCartney carried it over. Rogers kicked goal. Holsberry and T. Rogers played a good defensive game, while McCartney was the outstanding ground-gainer for Glenville.

Corn Roast at "The Beeches"
On Saturday evening, September 27, a corn roast was given by a number of the dormitory girls at the spot commonly called "The Beeches." Many stories and anecdotes were told about the fire, while the half-cooked corn was eaten with relish. Misses Holman, Gould, Cokeley, and Fries accompanied the party.

Miss Cokeley Has Guests
Mr. Lawrence Cokeley of Cincinnati, Ohio, and Mr. and Mrs. John Wagner were the guests of Miss Addie Cokeley at dinner, Sunday, October 5.

Informal Tea
Miss Brand was hostess to the dormitory girls at a delightful tea, Saturday afternoon, September 27. The day was rainy and dreary, and the tea, mingled with the tea-table chatter greatly relieved the homesickness which was prevalent. Nearly all of

the dormitory girls attended the tea.

Dinner Guests
Miss Gould entertained guests on Sunday, October 5, at dinner. The guests were Mr. and Mrs. Russell Bell of Charleston. Mr. Bell attended Glenville Normal School several years ago, and is a member of the alumni. Mrs. Bell is the niece of Miss Gould.

Friday Night Party
On the first Friday night after school opened the girls who live in the dormitory were given an informal party for the purpose of getting acquainted. There are but few girls in the dormitory this year who have been there before, and this opportunity to get acquainted was appreciated by new and old girls. After a delightful hour spent in learning each other's names and life histories, the girls paraded through the campus grounds and played games.

Hazel Gerwig, Senior,

DEMONSTRATES IN NEW ENGLAND.

Hazel Gerwig, a senior in Glenville Normal School, has returned to school, after spending a week in Springfield, Massachusetts, demonstrating various phases of 4-H Club work.

Miss Gerwig has been doing 4-H work for five years. Last year she went to the state fair at Wheeling, where she gave a demonstration of jelly-making. Miss Gerwig, together with Miss Engle of Braxton County, competed with all the demonstration teams in the state, and won first place in West Virginia.

Because of the outstanding club work of Miss Gerwig, and because of her winning first place in the state, she was given a trip to Camp Vail, Eastern States' Exposition, Springfield, Massachusetts.

While at Camp Vail, Miss Gerwig and Miss Engle gave a blackberry jam-making demonstration which was one of the features of the exposition. The blackberry jam which they made is now being used in the dining cars on the Baltimore and Ohio Railroad, and is listed on the menu as Mountain State Blackberry Jam.

On the return trip to West Virginia, Miss Gerwig stopped in Boston, where she remained several days visiting many historical spots. In Baltimore, the president and secretary of the Federal Land Bank gave a banquet in honor of the West Virginia 4-H boys and girls. It was at this banquet that Miss Gerwig gave an after dinner speech. In Washington, D. C., the West Virginia group was given another banquet.

Since Miss Gerwig had never been in New York City, the party remained there a few days, seeing all they could during the short time they were there.

Miss Gerwig arrived in Clarksburg on Friday, September 26, and on the next day she addressed the 4-H Club of that city.

During this summer Miss Gerwig was 4-H Club Agent of Gilmer County, and she did splendid work. It will not be long, it is expected, until Miss Gerwig will become one of the foremost 4-H Club leaders in West Virginia.

in Boston, and at the First Unitarian Church in West Newton, Massachusetts. Although she has been here but a short time, she declares that she likes West Virginia, and is delighted with her work.

Senior Class Officers "Skeebo" Wins Bout!

ELECTED FOR THE PRESENT SCHOOL YEAR EASILY OUTPOINTS KNOCKOUT O'CONNOR

The Seniors held their first class meeting on Wednesday, October 1, and elected officers for the year. The results were the election of Porter Dobbins, president; Orlan Jones, vice-president; Hazel Gerwig, secretary; Mary Holbert, treasurer; and Ryll Spaur, cheer-leader.

On Friday, the president called another meeting for the purpose of electing the class sponsor, and choosing the motto, colors, and flower of the class. After some eloquent discussion, the class was named the George Firestone Class. The colors that were selected were orange and black. The flower and motto are still to be selected.

H. Rogers	R. E.	McNeer

Substitutions: Glenville-Miller for H. Rogers; A. Jones for Miller; Hardman for Ellyson; O. Jones for Reip. Morris-Harvey—Kuhl for Ball; Riblet for McNeer; King for Havard.

Referee—Cooper, Ohio State.

Umpire—Gainer, Glenville.

Head Linesman—Beall, Glenville.

Mildred Smith spent a few days in Clarksburg recently.

During the Gilmer County Fair, William Lorentz, called "Skeebo," outpointed O'Connor in a ten-round match. Though no official decision was given, it was agreed that "Skeebo" won.

"Skeebo" did not seem to have the punch that O'Connor had, but he overwhelmed him by his skill. The first four rounds went to O'Connor while the other six went to "Skeebo."

"Skeebo" Lorentz is one of the best athletes of whom Glenville Normal School can boast. He excels in basket ball, football, and baseball, while he is certainly winning a name for himself in the ring. If his skill increases as the years pass, Glenville Normal may have the opportunity to boast of a second Jack Dempsey.

NEW MEMBER OF THE FACULTY.

Miss Bert Holman, who is head of the music department, is the only new member of the faculty this year. Miss Holman is a graduate of Meredith College, Raleigh, North Carolina, and of the New England Conservatory in Boston. She has taught in summer school at the State Normal School, Cuslowhee, North Carolina, and has toured Canada in Chautauqua work. Miss Holman was soprano soloist at St. Luke's Episcopal Church

MR. GORDON WILSON SPEAKS TO Y. M. C. A.

The Y. M. C. A. members, and all the boys of the school were invited to a ten-minute talk given in chapel Thursday morning, October 2. The speaker was Mr. Gordon Wilson, a recent graduate of Glenville Normal School, and now a state representative of the Y. M. C. A.

PUBLIC SCHOOL ENLARGED

The public school is now comprised of nine rooms, an addition of four rooms being made this year. The corps of teachers is as follows: Mrs. Sample, first grade; Mary Wolfe, second grade; Lucy Ewing, third grade; Doris Chenoweth, fourth grade; Ruth Jones, fifth grade; Mavic Wolfe, sixth grade; Charles Holt, seventh grade; Ruddell Reed, eighth grade; Bryan McQuain, ninth grade.

Approximately two hundred children are in attendance, making an average of twenty-two children to a room. This means that the rooms are not over-crowded as they were last year, and the prospects are bright for a very excellent school year. Some new seats and blackboards have been installed, and the school has already settled down to good work under the principalship of Mr. McQuain.

CANTERBURY CLUB ORGANIZES

On the evening of September 24, 1924, at eight o'clock, the Canterbury Club met in the student's parlor of the dormitory, and reorganized for the coming year. Many new members were elected to the club at this time.

Ryll Spaur was chosen to fill the office of president. Miss Spaur was a member of the club during the year of 1923, and is fully aware of her responsibility.

Eunice McQuain was selected to be vice-president. Miss McQuain is familiar with the work she has to do, since she was a member two years ago.

For the office of secretary, Mary Brown, a newly elected member was chosen. Although Miss Brown is a new member, she has already shown enthusiasm for her work.

With these officers, and with the assistance of the critic, Miss Brand, the Canterbury Club bids fair to have a most successful year.

Y. W. C. A. HAS MEETING

The members of the Y. W. C. A. presented their first program on Friday evening, October 3, 1924. Much preparation had been made for each number, and the program was enjoyed by all who attended the meeting.

Eunice Gerwig, president of the Y. W. C. A., gave an interesting talk about the trip which she took to Eagles Mere this summer in behalf of the local organization. Association with the many officers and leaders from the various cities in the United States served as a stimulant, and Miss Gerwig came home with many new ideas for the Glenville Normal Association.

The Y. W. C. A. did splendid work throughout the year of 1924, and every effort is being made to make it still better this year, and worthy of a large place in school activities.

BOYS' AND GIRLS' GLEE CLUBS ORGANIZE

Last week the boys' and girls' glee clubs were organized by Miss Holman, instructor of music. The clubs have started working with enthusiasm, and good work is expected of them.

Plans are being made for several programs of interest. Of these the boys' minstrel show, the Christmas program, the spring recital, and the operetta are most important. There are several splendid voices among the members of the two glee clubs, and we hope that many more will be developed during the year.

Grid "Iron"
 Don't be alarmed if the "Iron" gets hot sometimes; even your best girl does.
 Westfall will probably not play in the Wesleyan game Saturday because of a broken bone in his hand.
 Perhaps the jinx that strays around school in the fall and that has kept our team from scoring a touchdown in the last three years against a school team was scared by the half of school that did not attend the game Saturday and ran away.
 You who did not go to the game Saturday had better go to the Wesleyan game this week, or George might leave too.
 The Wesleyan Freshmen come here Saturday. Fairmont Normal defeated them 14-3; if our rooters and team work hard we will do better than Fairmont.

PERSONALS
 Friends of Miss Georgia Trotter, former teacher in Glenville Normal School, will be pleased to know that she has returned to West Virginia, and is now an instructor in the Morgantown High School. During the past year Miss Trotter has been studying at the University of Washington.

MISS KUNDERT RETURNS
 Miss Beatrice Kundert, director of expression, dramatics, and physical education, returned to Glenville, Tuesday, October 7. Miss Kundert spent her vacation after summer school at her home in South Dakota. She spent several days in Chicago on her trip back to school, and attended the Intercollegiate Forensic Association of West Virginia at Clarksburg, October 6.

WISE AND OTHERWISE
 "A woman's tongue is the only edged tool that grows keener from constant use." How about a man's snore?
 "Pat, what's that piece of blank paper you have in your hand?" asked one Irishman of another.
 "Oh, that's a letter from my wife."

 "Why is it," queried the fair widow, "that they always say a man pines for a woman?"
 "I suppose," growled the fussy bachelor, "that it's because pine is about the softest wood there is."

 "Horse or egg?" asked the sweet young thing pertly.
 Angry wife: Do you think your judgment is as good as mine?
 Cynical Husband: Oh no, my dear, our choice of partners for life shows that my judgment is not to be compared with yours.
