All communications should be addressed to The Editors, The Glenville Mercury

WELCOME

The Mercury welcomes you 226 freshmen who have enrolled and you 226 former students who have returned. It hopes that you have come to pleasant surroundings and that you may leave with a raised horizon. It could say that students "get out of college exactly what they put into it," that "the students of today are the leaders of tomorrow." Trusting that you have heard these statements countless times in high school and that you once sat amazed listening to point-less comparisons of oxcart and airplane speed, it is our responsibility to call attention to your greater responsibility.

No longer do we believe that a vast majority of students can specialize in some phase of ceramic engineering, corporation law, or eighteenth century English poetry and, in the absorption of their work, forget about the national and international consequences of politics and economics. They can no longer be fairly certain of a comfortable living upon graduation. Money and invention have made certain functions of our government as obsolete as the oxcart; they have replaced government individualism by government subsidy. But they have many other parts yet to replace. Like the merchant trying to sell one a suit of half cotton by focusing attention on the newness of its cut, our political parties are turning their spotlights upon their own little passing stunts in the

hope of obscuring the future. It seems to us reasonable to believe that we must become passionately interested in this yet darkened future, for it means not the difference between earning \$5 and \$10 a day, but between eating and starving.

To read widely in newspapers and periodicals will be to your practical advantage.

A CHARGE REFUTED

One of the charges often made against the new state teachers colleges is that they are purely local institutions and as a result do not serve the interests of counties other than in which they are situated. In another part of this week's paper we are publishing a map showing the distribution of the students enrolled in Glenville State Teachers College for the past year. This map clearly shows that the institution is drawing students from the greater part of the state, including students from thirty-seven counties.

Particularly interesting is the comparatively large numbers of students coming from the territory which Glenville is expected to serve, including the counties bordering it, these being Lewis, Braxton, Calhoun, Ritchie, and Doddridge. Each of these had large numbers registered in proportion to its population.

Still more surprising is the showing made by counties further away, such as Upshur, Barbour, Harrison, Ritchie, Wirt, Roane, Webster, Nicholas, Clay, Randolph, Kanawha, and Wood. Even Mingo, in the extreme southern end of the state, sent twelve students.

The facts show that Glenville Teachers College is an institution which serves the whole state and that it can not in any sense be considered a local college.

"All should use their vote carefully to keep us from repeal and the women in particular."—Glenville W. C. T. U. letter in the Democrat.

Dat Ol' Debbil, the English Language; or, the face at the bedroom door.

CANTERBURY CLUB INITIATES

Frank Vass Is Elected President of Story-Telling Group

Five students became members of the Canterbury Club at a meeting last night held under the direction of the club's new president, Frank Vass. They are the Misses Marguerite Allman, Marie Hall, and Helen McGee, and James Hatfield and Ken-ton Berry.

An election of officers was held at the preceding meeting with the following persons chosen: President, Frank Vass, Clirtsville; vice-president Miss Sara Rollyson, Serbia; secretary-treasurer, Miss Virginia Brannon, Spencer.

The following program was given last evening: "Schools and Schools" by O'Henry, told by Miss Virginia Chidister; "No Story" by O'Henry, told by Miss Marjorie Lindell; "The Three Strangers" by Thomas Hardy, told by Miss Mildred Snodgrass.

Although the club does not have its full membership quota of twenty-nine, others will not be elected until the second semester, Miss Wills Brand, sponsor of the club, says.

TWO STUDENTS MARRY

Ceremony for Miss Chafin and Mr. Eakle Read Here

The first student marriage of the year, that of Miss Edna Mae Chafin of Logan to Dana Cletus Eakle of Clay, took place at the Glenville Baptist parsonage on Sept. 24. The Rev. J. C. Musser read the ceremony.

Mrs. Eakle, a sophomore, is the daughter of Mr. and Mrs. George Chafin and comes from a prominent Logan family. She was a student in Marshall College the past year. Mr. Eakle, son of Attorney and Mrs. B. C. Eakle, is a senior in the four-year course. He was a student in Shenandoah College before coming here. Next year Mr. Eakle plans to enter the law school of West Virginia University.

Mr. and Mrs. Eakle will reside in the Griffith Apartments on Main Street.

CAPTAINCY GOES BY TURNS

Coach Rohrbough Names Different Senior Leader for Each Game

Glenville Teachers College will have no appointed captain for the whole of the present football season.

Coach Natus Rohrbough has decided to appoint a different senior to act as captain for each game. Gordon Eismen, right tackle, of Spencer, was appointed to act as captain for the Grove City game. Lionel Heron, Spencer, halfback, held the position during the game with Salem College.

The seniors yet to have a turn are Kahle Vincent, Ed Harris, Stanley Jeranko, and Anthony Leebor.

Previously Coach Rohrbough and President E. G. Rohrbough have appointed a captain for the season.

Miss Olsen Forms Special Chorus

Miss Bertha Olsen believes that the student body of G. S. T. C. contains more vocal ability than of previous years. In addition to large men's and women's glee clubs, Miss Olsen has organized an advanced group of singers into a special chorus. This chorus has held one rehearsal and in the future will meet on Tugssday and Wednesday evenings.

New Biology Equipment Bought

Some new lantern slides and numerous illustrated charts have been recently received by the biology department. Miss Goldie James and Mr. E. R. Grose, instructors, explain that the slides will be used in entomology, botany, and nature study, and the colored charts by the class in physiology.

4-H DELEGATES TO ATTEND MEETING

I. B. Boggs Tells of Plans for Country Life Conference at Wheeling

The College 4-H Club is planning to send a delegation to the American Country Life Conference at Wheeling next week-end, according to Miss Helen Bode, president of the club. This is the first time that the conference has ever been held in West Virginia. Last year it met at Cornell University.

Guests of the College 4-H Club at its meeting Monday night were I. B. ("Tubby") Boggs, of the West Virginia University Agriculture Extension Division, and Miss Mary Nedin and Neil Bolton, of the university 4-H Club. They told of the plans for the conference at Wheeling, and Mr. Boggs read a copy of the program. E. G. Rohrbough, president of Glenville College, and A. E. Harris, instructor in social science, were present.

The college club, according to Miss Bode, was organized Sept. 15, so that it might aid the local high school club to get started in its year's work. A committee from the college organization aided the other club to organize Sept. 23, and plans to meet with them once each week.

Officers for the new year are: President, Miss Helen Bode; vice-president, Ivan Bush; secretary-treasurer, Miss Nellie Cottrill.

FRESHMAN TESTS GIVEN 226

Education Department Conducts Examinations

O. G. Wilson and H. Y. Clark of the department of education have been giving a series of tests to the 226 freshmen who are enrolled in Glenville State Teachers College this semester. The four phases covered are reading, arithmetic, spelling, and intelligence.

The purpose of these tests is to place the students in sections on the basis of their ability to work. According to Mr. Wilson, this will provide for better teaching and will make better learning possible.

Free Violin Instruction Offered

Two violin classes for students preparing to play in the orchestra are being taught by Miss Bertha Olsen. Several students have enrolled for these classes which are being given without charge to regularly enrolled students. Schedules for two classes are being worked out, and instruction will begin this week.

President and Mrs. E. G. Rohrbough motored to Charleston Saturday, returning to Glenville the same day.

Miss Besie Boyd Bell, instructor in history, will attend the forest festival at Elkins this week-end.

Two Glenville representatives were at the state meeting of journalists which was held at Morgantown last week end. Everett Withers, of the English department, and Edward Rohrbough, son of President Rohrbough, attended the dinner given for Dean Carl W. Akerman, of the Pulitzer School of Journalism, on Friday evening, and saw the West Virginia-Pitt football game on Saturday.

Among those who attended the West Virginia and Pitt football game at Morgantown on Saturday afternoon were Mr. and Mrs. Natus Rohrbough, Carey Wooster, and A. E. Harris, all members of the Glenville faculty, and the following students, Dale McPeck, Foster Hedges, and Robert Lee Jack.

Hunter Whiting will make a business trip to Clarksburg Saturday.

Carlton Spices returned to classes today after an absence caused by the illness and death of his mother.

PIONEERS DEFEAT SALEM 20-9 IN FOURTH QUARTER

(Continued from page 1)

down with the game only five minutes old. He then added the extra point on a pretty placement kick held by Morford.

Jeranko kicked to Bowers on the 5. Bowers, however, ran the ball back to 33 where Mensel was forced to punt. Glenville after three plays punted. Porterfield then made a pretty tackle behind the Salem line and Salem kicked. The kick was blocked by Harris, and Glenville recovered on the 47. Here an end run by Ratliff and a beautiful pass—Heron to Jeranko—placed the ball on the Salem 38. Clem and Heron then picked up 2 yards, and blocked passes by Heron and Ratliff, gave the ball to Salem on the 40. Mensel made 6 yards through center as the first quarter ended with the ball on the Salem 46 in Salem's possession.

Tiberi Enlivens Tigers

Neidecker on two plays through the line made a first down for Salem. Salem unable to advance the ball kicked to Heron on the 9. After taking time out, Clem made a yard at Center on a faked punt. Heron then punted to Fagler who made a fair catch on the Salem 47. Salem lost the ball to Glenville on the Glenville 43 when Mensel received a bad pass from center as he was about to kick. Clem then lost 5 on a bad pass from center. A flat pass, Heron to Morford made a first down. Ratliff then picked up 12, but the play was called back as Porterfield was caught holding. Glenville was penalized 15 yards to their own 46. Neidecker then intercepted a pass from Ratliff and ran to the Glenville 38. Here Tiberi, Salem's star back, was injected into the game, and he promptly picked up 8 yards through right guard. After a penalty, he again made 2

through center and then 5 at left tackle for a first down on Glenville's 28. Fagler then made 5 at right guard. A fumble by Neidecker and a recovery by Vincent were all that saved Glenville at this point, as Tiberi certainly made Salem look like a new team. Heron soon made 12 yards on a beautiful reverse. Ratliff lost 5 on a bad pass, but Porterfield soon caught a pass and Heron made 6 at right end as the half ended the Glenville rally.

Salem opened the second half with a kick-off to Clem on the 10 who ran to the 25, with Salem recovering. Two plays through center and right guard made a first down. An end run and two line plays netted 7 yards, but Neidecker failed by a foot for a first down as the Glenville team held on the 6. Heron went to kick, but the line weakened and Salem blocked the punt. Then Kelly, Salem end, recovered the ball when it rolled over the end zone, giving Salem a safety and 2 points. Score, Glenville 7, Salem 2.

Salem Scores Through Guard

On the ensuing kick-off, Tiberi received the ball on his 48. Three line plays failed, and Salem kicked to Heron on the 40. After three unsuccessful plays, Heron kicked; and Salem, through the efforts of Tiberi and Neidecker, made two first downs through the center of the line. The quarter ended with Salem's ball on Glenville's 9-yard line.

Neidecker on the second play of the last quarter went through right guard and center for a touchdown. Fagler then went through left guard for the extra point. Score: Glenville 7, Salem 9.

Salem kicked off to Clem who ran to the 30. Heron picked up a yard and then threw a bad pass to Ratliff who was open. He then kicked out of bounds on the 19. Leebor went in for Harris, and the Glenville line held. Heron took Tiberi's kick on his 45. He and Ratliff soon made a first down. At this point, despite frequent Salem substitutions, the Glenville backfield hammered away

at the Salem line for four and five yards at a clip. A pretty pass, Ratliff to Heron, placed the ball on the 20 where Clem soon made a touchdown through the line with six minutes left to go. Heron kicked the extra point. Score: Glenville 14, Salem 9.

Jeranko Intercepts Pass

Jeranko kicked off and in two plays intercepted a Salem pass and ran twenty yards to the Salem 28. Three line plays netted but three yards, but a pass, Heron to Jeranko, placed the ball on the 7. Ratliff then went through right tackle for a touchdown. Heron missed the extra point. Score: G. T. C. 20, Salem 9.

Jeranko kicked off, and Neidecker ran to the 30. The game ended with Coach Rohrbough running in a string of substitutes.

The line-up:

Glenville	Salem
Porterfield	L. E. Kelly
Vincent	L. T. Hogue
Harris	L. G. Bitzer
Creasy	C. C. Zimokaski
Moore	R. G. Pearey
Eismen	R. T. Clifton
Jeranko	R. E. Bowen
Morford	Q. B. Neidecker
Heron	L. H. Fagler
Ratliff	R. H. Bowers
Clem	F. B. Mensel

Substitutions: Salem, Tiberi, Ulbrich, Simington, Schoolcraft, Mazza; Glenville: Leebor, Pyles, Thorn, Graham, Coombs, Baker, Pierce.

Touchdowns: Salem, f Neidecker; Glenville, Heron, Clem, Ratliff. Safety—Kelly, Salem.

Extra points: Salem, Neidecker (line plunge); Glenville, Heron (2), placements).

By quarters:
Salem 0 0 2 7 9
Glenville 7 0 0 13 20

Referee—Ward, (Marietta)
Umpire—Fike, (Wesleyan)
Head Linesman—Carr, (W. V. U.)

Stanley Jeranko, Pioneer end, was visiting Mrs. Jeranko and his son, Stanley Murray, at Richwood over the week-end. Mrs. Jeranko was Miss Mildred Murray, a former student.

APPALACHIAN TILT ON 8TH CANCELLED

Contest Postponed Until 1933 Because Carolinians Had Conflicting Schedule

A conflict in Appalachian State Teachers College's football schedule will give the Glenville Pioneers a rest this week-end. According to Coach Natus Rohrbough the North Carolina team had two games on schedule for the same date and it was left for him to make the trip and take the forfeit or to move the game up to a later date. The game is to be played in 1933.

After a two weeks' rest (ask the players if its a rest) the Glenville team will enter a nocturnal contest in Charleston on Friday the 14th, with the Golden Eagles from Morris Harvey. The team from Barboursville will be out to avenge a number of defeats suffered from the hands of the Pioneers, and from reports they are well prepared to turn the trick.

Having rushed through the first part of the season, the Pioneers received only a general working knowledge of football and now, according to the coach, the team is to be drilled in the more detailed parts of the game which will give the team greater strength.

Roster of Football Squad

Of the thirty-five men who comprise the Pioneer football squad this year, nine are seniors, and fourteen are candidates for the first time. Five men are competing for their third season, and the remaining seven are sophomores.

Clifford Clem, Pioneer 178-pound fullback, is among the seniors, having rendered much valuable service during the past three years. Clem is a hard tackler, and carries great power in his line smashes. He came here from Weston High School.

James Creasy, of Summersville, will also be graduated in June. He is now playing center as a regular, having alternated between that position and tackle for the past three seasons.

Gordon Eismon, Pioneer tackle for the past two years, guard during his first, will complete his college career this fall. He is from Spencer High School, and weighs 191 pounds. Floyd Graham, who played his high school football at Union High of Turtle Creek, Pa., is also a senior and will probably alternate at quarterback with Morford for his last season.

Ed Harris, 180 pounder from Hinton High School, is among the list of four-year men, and will fill a guard position for the first time, having been a tackle previously.

Lionel Heron, senior, has been at a halfback post for the past three years, and is known as a shifty ball-carrier and an excellent blocker. He is from Spencer High School.

Stanley Jeranko of Victory High, Clarksburg, finishes in the spring. He is an excellent end and his play is equalled by that of his teammate, Harold Porterfield of Richwood High School. These men make up the best pair of wingmen who have played under Coach Natus Rohrbough, and have gained wide recognition for their ability. Porterfield is a junior.

Anthony Leeber, previously attended Mark Twain High School of Stotesbury, which did not support football, and he came to Glenville unexperienced, but during the past three years, he has developed so that he has been of much use at guard position.

Kahle Vincent, 180-pounder tackle from East Side High School of Fairmont, has teamed with Eismon at the keystone posts for the past two years, and both are noted for their consistent play. Vincent is the

eighth senior of the squad.

Rowley Baker, of Ruston, La., is a veteran halfback, having played many games for the Pioneers during the past two years. He is a triple threat man, kicking and passing well, in addition to being a good ball-carrier.

Homer Blackhurst, of Greenbank High, is an aspirant for a tackle position. This is his second year on the squad.

Robert Combs, of Clarksburg is a halfback candidate, weighing 153 pounds. He formerly attended Washington Irving High School, and participated in several games last year, his first season.

John Hush, 155-pound guard from Richwood High, is here for his second year, as is Carlos Ratliff, of Hinton. Ratliff, however, attended Glenville in 1929, but has spent a year each at West Virginia and Duke universities. He is a halfback who was close the top in the individual scoring column of the West Virginia Conference.

Allen Smythe was a backfield man at Sutton High, but when he came here at the beginning of last year, Coach Rohrbough found more use for him as a utility linesman, and he is being developed as a center and guard.

Billy Moore, of Tanner High School, has started as a guard in the two first games, and is expected to continue as a regular. Moore is a junior.

Allen Morford of Spencer High School, is another junior, and he has played consistently at quarterback during the past two seasons. His work as a field general and his hard tackling have received much notice.

Maurice Miller of Tanner, is on the squad for his second year. He is one of the scrappiest of the reserves, and with seasoning, he may prove very valuable to the Pioneers.

Rex Pyles of Shinnston High, is also a sophomore who played in several games last year as an end. This year he is being tried at both tackle and end. Pyles weighs 178 pounds.

Frederick Thorne of Elizabeth High School, is a junior, and an end who has with Pyles, seen service already this year, at Salem.

Lester Anderson, who is a brother of Newt Anderson, Pioneer end of '26 and '27, is also an end. Anderson played under his brother who is now coach at Upshur County High. This is his first year.

Charles Creasy, a brother of the first string center, Jim Creasy, is also a center, and may follow in the footsteps of his brother. He is also from Summersville High School.

Thomas Pierce, fullback, from Chester, W. Va., went to high school at East Liverpool, O., and he is one of the most promising prospects of the freshmen. He has appeared in both the Grove City and the Salem games to good advantage.

Although from West Milford, James Douglass, 168-pound guard comes here from Bellfonte Academy where he played last year. He is of a short powerful build, and has appeared in the Salem game. Douglass is a freshman.

Another of the first year linemen is Donovan Yoke of Clendenin High School. Yoke weighs 166 pounds and is a guard of promising ability.

Ernie Hackney, of Barborton, O., may claim the distinction of being the biggest man on the squad, for he weighs 194 pounds and is well over six feet in height. Hackney is one of the most promising of the first-year linemen, and although hurt in the first rough work of the year, he is now with the squad again, and should be ready to bolster the forward wall in the Morris Harvey game. He is a freshman.

Hillary Bickel and Paul Bean are two freshman guards from Webster Springs who each weighs 165 pounds. These men are developing rapidly, as are William Armstrong and Cly Reger, two candidates for halfback posts. Reger and Armstrong are from Walkersville High.

PIONEERS HELD ON G. C.'S. 10-YD. LINE

Pennsylvanians Convert Two Fumbles to Touchdowns, Winning Opener 13-0

In traditional fashion, the Glenville Pioneers lost their opening game of the season, but this time to the strong Grove City team, 13-0. The Pioneers were by no means the setup they were supposed to have been. They fought a game up-hill battle all through the contest.

The Pioneers entered the fray as the underdog, but before ten minutes of the game had elapsed they were knocking at the Grove City goal line. The whole first half was played in Grove City territory. The Pioneers were in position to score at least three times during the first half, but loose handling of the ball resulted in their failure to score. The first half ended in a deadlock 0-0.

Grove City Scores After Fumble

Grove City scored in each of the two remaining periods of play, ragged play on the part of the Pioneers giving the Pennsylvania team both their opportunities. The first score came as a result of a fumbled punt on the Pioneer 12-yard line which Grove City recovered. A spinner and two reverses thrust at the left side of the Pioneer line gave Grove City their first six-pointer. The try for goal was missed.

Grove City kicked in the final period. The kick was bad and a Pioneer lineman, in a vain effort to pick the ball up, kicked it down to his own 8-yard line where a Grove City ball fell on it. Two off-tackle plays and a reverse resulted in the second and final score of the game. The try for point was good.

Pioneers Held on 10-Yard Line

Glenville came back strong in the closing minutes of play to march the spheroid 60 yards before being stopped on the 10-yard line. The game ended two plays after they lost the ball.

Clem, Heron, Ratliff, and Porterfield were outstanding in the Pioneer lineup while Critchfield, Beres, and Smith carried the brunt of the enemy attack.

The lineup:

Grove City	Glenville
Beres	L. E. Porterfield
Plance	L. T. Vincent
Critchfield	L. G. Harris

Reger attended school here last year, but is on the squad for the first time.

Edwin Starcher of Grantsville High, is a first year end who shows promise, and Meadows, 165-pound fullback, from Elkins High, has been out only a few days.

THOMPSON'S

VERONA MAPEL TO HAVE NEW PLAN

Students Accept Proposal to Adopt a Form of Self-Government

A plan for student government in Verona Mapel Hall was proposed by Miss Willa Brand at the first house-meeting this year. After the plan was voted upon and accepted by the students, Miss Brand, Miss Margaret Dobson, and Miss Bertha Olsen chose fifteen girls to be "honor residents." From the honor residents, three councillors—one for each floor—were elected. These councillors, together with Miss Brand and Miss Dobson, make up the house council. The councillors have power over all their actions.

To become an honor resident one must live in Verona Mapel Hall one semester and must meet other qualifications which are to be decided upon later.

Miss Dobson is assistant preceptress at Verona Mapel Hall, taking the place of Miss Olsen, who was assistant preceptress last year.

LIBRARY TO GET 1000 NEW BOOKS

Addition Will Make Total of 10,000 Volumes—Many for Three Departments

From eight hundred to a thousand volumes will be added to the college library this year, President E. G. Rohrbough announces.

The new books will include works for every department of the College although a majority of them are for the departments of education, social science, and English.

This addition will bring the total number of volumes in the library to nearly 10,000.

Many volumes were purchased in the summer, but because they have not been catalogued completely a list of them is not available.

ABEL BOGGS CUT IN WRECK

Former Student, Injured Sunday, Is Being Treated Here

Abel Boggs of Clay, a former student in Glenville Teachers College, was severely injured on Glenville Hill early Sunday morning when a car driven by O. F. Waldeck of Spencer left the road and struck a large rock.

Boggs, who is now being treated at the Whiting House by a local physician, was cut on the face. Waldeck received only minor scratches.

A heavy fog is said to have been the cause of the accident.

G. T. C. CAMPUS LANDSCAPED

Ravine Behind Kanawha Hall Graded and Filled

The campus of Glenville Teachers College fronting Verona Mapel Hall and the library has been landscaped during the summer months. The work was supervised by R. A. Schwartz, state landscape architect. Mr. Schwartz was assisted by ten workmen.

Directly in front of the hall and library, seven feet of dirt has been removed. The grading began at the base of the two buildings and sloped off with a drop of one foot to every twenty feet graded. The former hollow between Kanawha and Verona Mapel halls has been filled with dirt and a new walk laid across this section of the campus, replacing the old "Vincent Trail." All the old walks leading to and from Verona Mapel Hall and the library, have been replaced by new ones. Wheat has been planted on the campus to hold the dirt during the winter months. Grass seed will be sown in the spring.

Because of insufficient funds the work was left incomplete.

MISS LINDELL IS 'Y. W.' HEAD

Other Officers Elected—Next Meeting to Be Wednesday

Miss Marjorie Lindell, of East Liverpool, O., was elected president of the Y. W. C. A. at the meeting for organization held Tuesday night. Other officers chosen are: Vice-president, Miss Jessie Williams, of Rainelle; secretary, Miss Nellie Cottrill, Glenville; treasurer, Miss Elizabeth Murray, Richwood.

It was decided that the selection of an adviser be left until the next meeting. Several plans were suggested for consideration until the meeting next Wednesday night.

CHEMISTRY CLUB PLANS RESEARCH

Work to Be Done Individually and Collectively—Einstein Program Planned

A plan calling for individual and group research work on some phase of chemistry yet to be decided upon was adopted by the Chemistry Club as an important part of its work for this year, Reginald Lawson, president of the organization, announces.

Explaining that lack of equipment and funds will not permit intricate experimental research, Lawson says that the club will do its work by considerable library research as well as laboratory work.

Einstein has been selected as the subject for study at the next meeting of the club. Lawrence Keith will review the life of the scientist, Frank Bailey will discuss the relativity theory, and Miss Novena Maple will present a resume of the general work of Einstein. A report on the scientific literature available in the library will be made by Byron Turner.

Officers for this year, elected last June, are: President, Reginald Lawson; vice-president, Lawrence Keith; recording secretary, Miss Novena Maple; corresponding secretary, Byron Turner; treasurer, Ivan Bush.

KANAWHA HALL REPLUMBED

Walls of Administration Building Are Painted

Many improvements have been made in the buildings of Glenville State Teachers College in the summer months. The continual leaking of water pipes in Kanawha Hall during cold weather has made it necessary to place the plumbing system on the inside of the rooms instead of between the walls as it was before. The hallways are now covered with new rubber carpets which replace the old worn out ones.

Administration Hall's well-marked walls are a thing of the past. The hallways have been newly painted, and some of the classrooms redecorated.

HARMER SPEAKS IN CHAPEL

Calls Washington "the First American Farmer"

"Agriculture is the basis of all achievements of life," said Harvey Harmer, attorney of Clarksburg, in an address on 'Washington as a Farmer,' in chapel yesterday morning.

Mr. Harmer is well known throughout central West Virginia. He has been a member of the State Board of Regents, the State Senate, and recently the House of Delegates.

Mr. Harmer showed in his talk that Washington was a very able farmer, owning at his death 60,000 acres of land. He was the first to practice rotation of crops and was made a honorary member of the board of agriculture in England.

To a familiar description Mr. Harmer added a new characteristic, "Washington was first in farming, first in peace, first in war, and first in the hearts of his countrymen. He is the greatest of the best men, and best of the great men and deserves to be the father of his country."

STUNT NIGHT ON OCT. 26, PLANNED

Is First Step in Revival of Onimogohow Players by Miss Dobson

Efforts to revive the Onimogohow Players, a dramatic organization, will begin with a stunt night to be held in the auditorium on Oct. 26, under the direction of Miss Margaret Dobson, founder of the organization and instructor in dramatics.

Any student who wishes is eligible to compete for the \$5 prize offered for the best stunt, outlines of which must be deposited in a box, prepared for that purpose, in the library before 2 o'clock on Oct. 15.

Organization Founded in 1926

Although plans have not been drafted, a student who desires membership in the organization must have a total of 100 points, ten of which may be earned by participation in the announced stunt night. Points may be given to students who had roles in "Robin Hood" last year or who may have parts in plays to be produced.

Miss Dobson in 1926 founded the organization, some charter members being the Misses Lucy Wolfe, Mabel Chrisman, and Lucille Minor, and Bayard Young and William Smith. Then for a few years while Miss Dobson was away from Glenville the group did not function.

Contest Rules Announced

The rules for the stunt contest as announced follow:

1. A prize of \$5 will be presented to the individual student, groups of students, or student organization presenting the best stunt on the night of Oct. 26 in the college auditorium.
2. Every student, groups of students, or student organization is eligible to submit plans for stunts.
3. A copy of each plan must be left in the Library by 2:30, Saturday Oct. 15.
4. Each plan must be in a sealed envelope.
5. The name of the individual, group of individuals, or organization shall not appear on the copy of plans or envelope.
6. On the outside of each envelope and on the first page of the copy of the plan shall appear a symbol composed of two letters and two figures in any desired order, as: 4 X 5 M or 16-19-KB
7. Each plan must be detailed in description.
8. Each stunt shall be not more than ten minutes in length.
9. A stunt may consist of as many parts as the authors desire.
10. A student committee will choose from the plans submitted those stunts which seem most promising.
11. Each individual or group of individuals shall provide his or her own properties, costumes, or settings required.

12. Any student participating in any stunts shall earn ten or more points toward the 100 points necessary for earning membership in the dramatic club.

13. A committee of townspeople shall decide the winner of the \$5 prize. Stunts will be judged on originality, ingenuity, skill, and artistic merit.

Any further information concerning stunt night may be obtained from the following people: Paul Bramlett, James Hatfield, and Miss Nellie Cottrill.
