MANY ENROLLED IN TRAINING SCHOOL; ELEVEN TEACHERS

Busses Bring Pupils from Troy, Normantown, Gilmer and Sand Fork

215 STUDENT TEACHERS

Work is Under Supervision of Miss Esther Rader and Earl Boggs

The College training school under the supervision of Earl Boggs and Miss Esther Rader, "is progressing nicely, and the attendance is unusually good," says Mr. Boggs. The enrollment is 149, about the same as that of the past summer. There are eleven critic teachers, and about 215 student teachers. Three busses transport about 100 pupils daily from Normantown, Troy, Gilmer and Sand Fork.

According to Mr. Boggs, the work is entirely supplementary to the work of the regular school year, and is all being done in the elementary school from the first grade to the eighth inclusive, with an additional class in preparatory work for high school entrance.

The following courses are being offered: Science, mathematics, geography, spelling, English, reading history, water, nature study, and first aid.

The training school opened June 11, and will close July 22.

NEW DORMITORY WORK SPEEDED

Supervising Architect Expects Building to Be Ready For Roof in Ten Days

Three-fourths of the brick and steel work on the new College dormitory has been completed, including the upper wing where the brick work is finished to the cornice.

A. H. Wilkins, resident supervising architect, said the building would be ready for the roof in less than ten days.

The dormitory will contain seventy-five student bedrooms, three apartments of four rooms each, and an assembly room twenty-seven by fifty-seven feet. The bedrooms will be divided into five units as follows: Three units of five rooms and a bath on each of three floors; one unit of seven rooms and bath on each of three floors; and one unit of three rooms and bath on each of three floors. Each unit will have an outside entrance to the court where flagstone walks will connect with the campus walks.

The new boilers for the heating plant have arrived and the work of installing them will begin immediately.

Miss Singleton Visiting Here

Miss Arrah Wanna Singleton, A. B. '33, student in the School of Nursing, Mercy Hospital, Baltimore, is spending a month's vacation with her parents, Mr. and Mrs. E. I. Singleton, of College Street. Miss Singleton entered the nurses training school last year.

Bessie Hanna, Naoma Catlett, Amy Smith, Oakford Deitz, Roy Matheny, James Young, "Jigs" McKenzie and "Si" Fitzwater spent the Fourth in Richwood.

DEAN H. L. WHITE TALKS AT WESTON

Addresses First Presbyterian Congregation in Absence of Pastor

"One of the chief values of religion is that it sets up ideals toward which to strive. It is a recognized fact that a person tends to become like that which he admires and worships."

So stated Dean H. Laban White Sunday in an address at the First Presbyterian Church in Weston, where he occupied the pulpit in the absence of the minister, the Rev. M. O. Magnuson.

"The person without ideals is like a ship without a compass," Dean White continued. "He does not know where he is going, and such a situation is bound to be unsatisfying. Whether a person is in quest of a vocation, economic security, social satisfaction or a happy marriage, his salvation is to be found in a more effective attack on life inspired by a truer set of ideals."

"What the outcome of this situation will be, no one can say at present. However, one can use the method employed by Patrick Henry who said, 'I have no way of judging except by the past. In spite of the fanaticism that has grown up in connection with the practice of religion, there is evidence that it still remains a necessity. Sad indeed would be the plight of that person who recognizes no personality greater than himself....'"

Countryside Yields Story of Confederate Soldiers Murdered During Civil War Days

By Gladys Platt White

Thirty-six miles is a long way to walk. And men can't go as fast as horses. Even if the horses are at their heels, and on the horses are enemies with muskets, prodding them on, they can't keep up with horses for thirty-six miles. Even if hearts, congealed with dread, goad their tortured muscles, they can't.

And if they don't—they might be shot. They might be lashed to a tree and shot to death. They might hang there all night, and then be thrown into a two-foot hole in the ground and covered with brush and dirt.

That could happen. It did happen—only a few miles from Glenville! Mr. John W. Kellar, 69 years old, of near Troy, tells the story, which he has heard many times directly from the lips of three different men who played important roles in the tragedy.

ENROLLMENT FOR SUMMER SCHOOL HAS REACHED 493

Registrar Says Number Listed Is Eighteen Fewer Than in 1935

34 COUNTIES INCLUDED

Braxton Leads List With 68 Students; Gilmer Follows, Calhoun Third

Enrollment for the summer term in Glenville State Teachers College is 493, according to Carey Woolfer, registrar. This is a decrease of eighteen over the corresponding term last year.

Of the thirty-four counties represented in the enrollment, Braxton County leads the list with 68. Gilmer is second with 61, Calhoun third with 58, Nicholas fourth with 46, and Roane fifth with 44.

Other counties represented are: Barbour 3, Boone 2, Cabell 1, Clay 36, Doddridge 11, Fayette 6, Greenbrier 3, Hampshire 1, Hancock 1, Harrison 4, Jackson 6, Kanawha 25, Lewis 26.

McDowell 1, Pennington 1, Pleasants 2, Pocahontas 4, Preston 1, Putnam 2, Raleigh 1, Randolph 7, Ritchie 22.

Taylor 2, Tucker 2, Upshur 7, Webster 20, Wetzel 1, Wirt 12, Wood 6.

Mr. Baxter Will Go to Marshall

Mr. Curtis Baxter, instructor in English in the College for the past six years, will become a member of the faculty of Marshall College this year. It was learned here today. Mr. Baxter is an alumnus of Marshall College and has attended Washington and Jefferson College, Columbia University, and Cambridge University. This summer, he is attending Washington and Jefferson College. Mr. Baxter is a son of the Rev. and Mrs. J. F. Baxter, of South Glenville.

State Provides Funds for Furniture

An appropriation of \$8500 was made at the special session of the State Legislature for furniture and equipment for the dormitory now under construction on the campus. The dormitory will probably be used for boys; however, Dean H. Laban White said the demand for rooms will determine whether it be used for girls or boys.

DR. C. P. HARPER TO TEACH HERE

Will Replace Dr. A. E. Harris in Department of Social Science

Dr. Charles P. Harper, of Upper Tract, Pendleton County, will head the department of social science in the College the coming year, replacing Dr. A. E. Harris, who resigned to accept a similar position at Marshall College.

Dr. Harris, of Birch River, Braxton County, came to Glenville in 1928. In 1934 he was given a two-year leave of absence to study at the University of Iowa, where he received his Ph. D. degree this year.

Dr. Harper, who comes here from Parkersburg where he has been in charge of W. P. A. educational work, was recently graduated from Johns Hopkins University with the degree of Doctor of Philosophy. His undergraduate work was done at Shepherd's State Teachers College, and he received his Masters degree from West Virginia University. He is married and has one child, a 7-year-old daughter.

Don't Boil 'Em!

Don't Burn 'Em!

Wear 'Em, Pal

Ocelus Fitzwater, a student rooming in Kanawha Hall, recently learned how long not to boil his trousers.

About 2 o'clock Friday morning, Coach A. F. Rohrbough, who lives in the hall, awoke to find the corridors filled with smoke. After giving the alarm, he hurried to investigate. Upon reaching the basement, he found that a pair of trousers, which had been put to boil and forgotten, had caught fire.

Four students, Robert Hall, Arch Westfall, Matthew Gay, and Thomas Cain, were enjoying the "sleep of the just," and the commotion failed to disturb their slumber. All other residents of the hall enjoyed the fire.

ATTENDS N. E. A. MEETING

President and Mrs. Rohrbough to Return From West This Week

President and Mrs. E. G. Rohrbough are expected to return to Glenville this week, following an extensive trip to the West Coast. They left Glenville on June 22, en route to Portland, Ore., there to attend a meeting of the National Educational Association.

Mr. and Mrs. Rohrbough went by way of Chicago, through Canada to Vancouver, and then to Portland.

On their return trip, they traveled down the West Coast and across the southern states to Austin, where they visited the Texas Centennial.

Miss Edna Elliott attended the funeral of her cousin, Miss Mildred Stevens, at St. Paul's Church, near Mt. Zion, Tuesday. Miss Stevens was killed in an automobile accident July 4, when returning home from a carnival.

LABAN WHITE, JR. TOPS HONOR ROLL FOR YEAR 1935-36

Hogue, Betts, Ward, Meadows and White Are High in Three Classes

REGISTRAR COMPILES LIST

Roll Includes 27 Freshmen, 18 Sophomores, 9 Juniors and 15 Seniors

H. Laban White, Jr., son of Dean and Mrs. H. Laban White, headed the honor roll for the past school year, according to Carey Woolfer, College registrar. Mr. Woolfer's report shows that of the seventy students listed fifteen are seniors, nine are juniors, eighteen are sophomores and twenty-seven are freshmen. One special student is listed on the honor roll.

Russell Hogue, of Harrisville, and Velda Betts, of Grantsville, tied for first place among the freshmen; Max Ward of Grantsville was high in the sophomore class; H. Laban White, Jr. led the juniors; and Jason Meadows of Elkins was first among the seniors.

The honor roll includes only those students who carried twenty-eight or more hours of work. A list of the honor students and their ratings will be found on page 4.

G. S. DOWELL IS CHAPEL SPEAKER

Texas Professor Describes Dust Storms and Methods of Controlling Them

"Today, Texas is a land of opportunity; tomorrow, when wind erosion is controlled, Texas will be a land of paradise," declared G. S. Dowell of Lorenzo, Texas, in an assembly talk Wednesday, July 1. Mr. Dowell, city superintendent of schools in Lorenzo, is a visiting education instructor at Salem College this summer. He was introduced by H. Laban White, dean and director of the summer school.

Mr. Dowell gave a vivid description of the dust storms in Texas and the southwest. Dust storms are caused, he said, by wind erosion, and the only way wind erosion can be prevented is by vegetation, which is always limited by lack of rainfall. Through the conservation of water, he continued, Texas has begun to overcome her big handicap—wind erosion. Last year she produced 245 pounds of cotton per acre, an average which excels that of any other place in the United States.

Mr. Dowell was a guest of the Education 334 Class during the afternoon and spoke on "The Reorganization of the Curriculum."

Miss Bell Home From Texas

Miss Bessie Boyd Bell, instructor in history in the College returned Tuesday from Austin, Tex., where she has been attending the University of Texas.

Classes Meet in Basement

Art classes and one class in library science are meeting in the basement of the Robert F. Kidd Library because of the crowded class room conditions in the College this summer. One hundred and seventy-two students are enrolled in the art classes.

AFTER 160 YEARS

Antiquity does not shade the significance of memorable events. When hope is spurred toward making possibilities realities, memory inscribes indelibly the occasion and perpetuates the glory of the achievement.

A short span of one hundred and sixty years has elapsed since that old, cracked Liberty Bell pealed forth the glad tidings to the inhabitants of this country that the Monarchical heel of tyranny had been lifted from the neck of the oppressed of this land; that the dark shadow of Monarchical greed had been forever lifted from the shores of this country.

American manhood had won the day, and conquered Kings and Monarchs and planted the banner of hope in the new world where every land might flee and reap the results of their honest efforts.

That noble heritage permeates this grand panorama of loyal sons and daughters of America; a stimulus to a lofty faith.

We are proud of that heritage; ever to increase its purity should be our ultimate aim. With each temptation resisted, our self-confidence is increased. With each failing overcome our strength is augmented. With each fear dispelled, faith grows stronger and we go forward, on and on.

PRESENT PARKING CONDITIONS

With the coming of the hundreds of summer term students, there comes the horde of automobiles that are hurriedly parked in the immediate vicinity of the campus. With the coming of these cars, traffic is often tied up in the streets and in the inadequate parking lots.

There are ways of disposing of the problem. One might prohibit entirely all parking, but that is going too far. One might have the hour limit, but many have classes running solid through the morning and couldn't be moving their property.

One solution might be the issuing of a campus license tag or sticker to out-of-town students. There are students living or boarding in town who drive a block or two to their classes. They take up space needed by commuters living in the adjoining communities and counties who drive in each morning and must hurriedly find parking space.

Why not issue these permits for parking. Why not walk to school if you live close to the campus?

THE LOCKED DOOR

"Of what benefit is a rest room if it is kept locked?" So complained the coed. So complain many girls in the summer school.

Last year the college officials spent a certain sum of money in furnishing a room in the girls' basement of Administration Hall. The room is attractive and comfortable. But the door is always locked.

Students who bring their lunch would find it convenient to eat in the rest room. Girls must powder their noses. The rest room would be the proper place to attend to such details. But we cannot use the rest room because it is kept locked.

Why is the room locked? Perhaps it is because some girl put her foot on the rounds of a chair. Girls do that occasionally. Granted that is true, we believe that if the rest room were opened, the girls would be sufficiently appreciative that they would treat the furniture with due respect.

Final Rites for Mrs. Bobbett

Private funeral services were held at the home this afternoon at 4 o'clock for Mrs. O. I. Bobbett, of Huntington, who died Tuesday morning following a brief illness. Miss Laura Ann Miles, of the College faculty, who is a close friend of Mrs. Bobbett, attended the services.

Art Students Will Exhibit Work

Plans for an art exhibit to be held in Administration Hall, probably this week, were announced yesterday by Miss Margaret Christie, art instructor in the College. The exhibit will include thirty-two original surface patterns created by the art students.

BETWEEN THE COLUMNS

School, Or Endurance Test?

By GLADYS PLATT WHITE

We were astonished the other day when we learned that the word 'school' was derived from a Greek term meaning 'leisure'—time to consider, to meditate, to digest, to appreciate.

The Greeks would have had another name for our current session sessions.

We checked a day's assignment for a nine-hour schedule. Counting at random through our books we arrived at a conservative estimate of thirty-seven line to the page, and ten words to the line. The books represented four different departments in the College. Over a period of nearly a week our aggregate daily assignment was more than twenty-six thousand words a day! Now consider how long it would take, at a normal reading rate, to give that much material even the most cursory reading! Then consider the length of time necessary to study and organize it sufficiently well to feel adequately prepared for class. Consider further—those twenty-six thousand words include no reports, no laboratory work, and no outside reading, no library work, no written work!

Should we wonder, then, that the instructors complain that students' responses are vague and indefinite? Is there cause for surprise when a student, upon being asked what a chapter contains, replies, 'I don't remember exactly, but some man went somewhere some time and did something'?

We recognize that the instructors are not greatly responsible for this condition. When a course calls for a view of the whole world and all that therein is, we realize that they

cannot flout orders and take us peeping through keyholes. But we wonder if it would not be better for the student to understand clearly even one significant trend in history, one major issue in government, one fundamental process in science, or one masterpiece in literature, than to amass a formidable quantity of heterogeneous and undigested information.

Personally, we would rather relish one savory, toothsome steak than be compelled to swallow the whole steer. In fact, we are quite sure that we would imbibe from the former a more wholesome feeling toward the entire animal.

A prevalent campus lament is that each teacher seems to consider his assignment the only one the student has to prepare. We appreciate that no instructor could be expected to know the amount of difficulty of the student's work outside his own department. Therefore, we suggest that the instructor, when making assignments, consider the student as taking the entire nine hours in his courses. Then, in a number of the assignor's classes sufficient to cover nine-hours work, let him assign no more in the aggregate including textbook reading, laboratory work, outside reports, research, notebooks, et cetera and et cetera, than he can reasonably expect one student to prepare according to the instructor's standard, and still have time to sleep eight hours, eat three meals, and brush his teeth. We ask no more than that. We will wait until school is out to sew on the buttons, do our pressing, read the newspaper, go to church, write a letter, and see a movie.

Glenville's Own News Reel

By S. M. F.

Here's ye olde news-reeler folks, bringing you the news, gossip and what-have-you of the College and vicinity. "College Inn," a musical comedy in three-acts, will be presented tonight and tomorrow night in the College auditorium under auspices of the Glenville Woman's Club. H. Y. Clark and Linn B. Hickman, of the College faculty, are in the cast. Several College students and alumni also have parts in the comedy and in the choruses. . . . Coach A. F. Rohrbough says Glenville is like a bee hive—students swarm out just before a holiday and buzz back in time for classes.

Louise Cain, '31, is in St. Mary's Hospital, Clarksburg, where she is being treated for injuries received in an automobile accident Thursday. . . . Bantz W. Craddock, president of the Student Council for the ensuing year, is employed by the State Road Commission this summer. . . . Toy Lee Long, former

student, was in Glenville Saturday. . . . Louise Preysz, author of several books of poetry, will have another book of American verse ready for publication in September. Miss Preysz, who is a student here this summer, plans to tour Europe next year.

Archie Morris, '32, will coach at Burnsville High School this year. . . . Mary Lucille Young is one of the greatest baseball fans in the College. . . . Isadore Nachman, '36, and Woodrow Wolfe, '36, are visiting friends and relatives in Baltimore. . . . Sally Young, who has been ill at her home in Clendenin the past week, has returned to school. . . . Raymond E. Freed, instructor in social sciences, was recently made a member of the Glenville Rotary Club. . . . Virginia Keener, '34, was in Glenville Friday. . . . A parting thought: Every Day will soon be Golf Day in Glenville. . . . Until next time, it's "30."

Funeral services were held Friday, July 3, at Harrisville for Victor Zink Cooper, 22, yacht radio operator, of Clarksburg, who was killed recently at Chester, N. Y. Mr. Cooper was the son of the late Victor Cooper, an alumnus of the College, and Phranis Zink Cooper, a teacher in the College.

LIBRARY HOURS

Reading Room Closes at 12:15 P. M. on Saturday—Many New Books Received

During the summer term, the Robert F. Kidd Library is closing at 12:15 p. m. on Saturday. Books may be reserved for week-end use at 11 a. m. Aside from these changes, the regular schedule of hours is followed.

Miss Alma Arbuckle and Miss Laura Ann Miles are managing the library unassisted this summer. No student help is employed.

A number of new books have been added, but owing to the great amount of work involved in cataloging them, they will not be available to students at the opening of school this fall. Miss Arbuckle says there haven't been many calls for leisure-time reading material this summer. Most students seem to prefer fiction, rather than books of travel.

GETS \$3000 FOR JINGLE

Wife of College Alumnus Is Winner of National Contest

"Complete this and win a prize," repeated the radio announcer. Mrs. Antoinette Gainer, wife of Dr. Patrick W. Gainer, '24, professor of English in St. Louis University, finished the jingle and received \$3000 dollars. Miss Mary Louise Lewis, '24, wrote a sentence and won \$10.

On June 26 Mrs. Gainer received a check for \$3000 dollars representing first prize in a nation-wide advertising contest conducted by the manufacturers of Camay soap. The contest required the completion of a jingle, which Mrs. Gainer, who is spending the summer with her mother-in-law, Mrs. Katherine Gainer of Tanner, wrote while preparing a family meal.

Miss Lewis, '24, won fourth prize in a soap flakes contest which required the completion of a sentence. Miss Lewis, a daughter of Mr. and Mrs. Fred Lewis, is county music teacher.

Fairmont Artists Play Brilliantly For Large Audience Monday Night

By E. S.)

More than 300 persons heard Nan Johnson, petite coloratura soprano, and Oscar Davis, brilliant violinist, both of Fairmont, in a concert Monday night in the College auditorium. The two young artists came here upon the invitation of Miss Katharine Moore, head of the music department in the summer session, who played the piano accompaniment.

Singing Verdi's "Care Nome" as her first number, Miss Johnson captivated her audience with remarkable volume and pure, rich vocal tones. The pleasing quality of her singing was augmented by her appealing personality.

In a second group of selections, Miss Johnson sang "The Answer" by Woodman, "Eridu Slumber Song," Ware, "Ah, Love But a Day," Protheroe, and "The Blue Danube," Strauss. When Miss Johnson sang at the White House last year, "The Blue Danube" won special favor with President Roosevelt.

Mr. Davis opened the program with "Chaconne" by Vitali. This number was a fine introduction to the program and the audience gave such extended applause that Mr. Davis responded with an encore, "Serenade Espagnole" by Chaminade-Kreisler.

The second group of violin solos consisted of "Dance Espagnole" by De Falla, "Claire De Lune," Debussy, and "Tambourin Chinois," Kreisler. Another encore followed which was Kreisler's "Caprice Viennois."

The final number, an encore by Miss Johnson and Mr. Davis, was the popular "Ah, Sweet Mystery of Life" by Victor Herbert.

Lynwood Zinn Visiting Parents

Lynwood D. Zinn, A. B. '33, a student at Harvard Medical School, Boston, returned to Glenville Saturday to spend the summer with his parents, Mr. and Mrs. L. D. Zinn, of South Glenville. COLLEGE CATALOG RECEIVED

1700 Copies Mailed—Others to be Distributed This Week

Three thousand copies of the Glenville State Teachers College catalog with announcements for 1936-37 were received the past week and are being distributed from the office of President E. G. Rohrbough, says Loyd M. Jones, financial secretary.

Approximately 1700 copies have been mailed to high school students, former College students and others throughout the state. Several hundred other copies will be mailed this week.

The catalog is considerably larger than the issue of the past year. A copy of Teacher Training Bulletin No. 7 is included in this year's catalog. Several other new features are included. Persons desiring copies of the catalog are asked to contact Dean H. Laban White.

Mrs. J. Hoyt Reel, S. N. '16, is visiting her parents, Mr. and Mrs. N. L. Wells. Mrs. Reed, the former Miss Eva Wells, lives at Quantico, Va.

Music Feature Assembly Programs

Folks songs, speaking, and instrumental music were featured in the first three College assemblies of the summer school.

On June 10, Dr. Patrick W. Gainer, professor of English in St. Louis University, discussed "West Virginia Folk Lore" and sang several folk songs. Referring to Mrs. John E. Arbuckle, the piano accompanist, Mr. Gainer said, "She was my first and best music teacher."

H. Y. Clark, education instructor, gave his impressions of English schools in the program of June 17. "The English school system is inferior to the American in organization, professional spirit, and salaries," declared Mr. Clark. "The English system is based upon an aristocracy of brains, which deprives 70 per cent of the children of the chance for higher education," he added. Mr. Clark's study revealed a wide diversity of teaching methods and curricula, which he said are largely determined by each individual school.

Excellence in oral reading was shown, but little emphasis was placed upon silent reading. Commendable features that characterize the English school, Mr. Clark said, are a friendly rivalry among the schools, a close contact between teacher and pupil, and the advancement in health education.

The assembly of June 24 was in charge of the music department. A string trio consisting of Miss Eleanor White, violinist; Mrs. Phyllis Rohrbough, cellist; and Miss Katherine Moore, pianist, played three movements from Mendelssohn's "Trio in D Minor." Miss White, daughter of Dean and Mrs. H. L. White, and a student of West Virginia University the past year, played three numbers; "La Media Noche" by Aviles-Stoessel, "Spanish Dance" by Granados, and "From the Canebrake" by Gardner.

Miss White is a student in the College this summer.

No Mid-Term Grades This Summer

No mid-term grades or reports of students' work in the College will be made this summer, says H. Laban White, dean and director of the summer school. Tests will be determined by the individual teacher.

Mrs. Richard Marshall spent the Fourth of July at her home in Grantsville.

Five Members of the Regular Faculty Attending School This Summer

Seven visiting instructors are teaching in the College this summer in the absence of regular faculty members who are attending various educational institutions.

The new instructors are: Miss Esther Rader, of Summersville, education; Miss Katharine Moore, of Fairmont, music; Miss Kathleen Scott, of St. Louis, speech; Mrs. Earl R. Boggs, of Glenville, physical education; B. A. Hall, of Buckhannon, history; W. O. Stalnaker, of Clarksburg, social sciences. Earl R. Boggs, of Glenville, is principal of the training school in which twelve critic teachers are employed.

Members of the regular faculty who are attending school are: Miss Ivy Lee Myers, education, William and Mary College; Miss Bertha E. Olsen, music, New England Conservatory of Music; Miss Margaret Dobson, speech, Northwestern University, School of Speech; Miss Bessie Boyd Bell, history, University of Texas; E. B. Grose, biological science, Miller School of Biology, Mountain Park, Va.

Dean H. Laban White is director of the summer school. Other members of the faculty are: Miss Willa Brand, English and preceptress of Verona Mapel Hall; Hunter Whiting, English and foreign languages; Linn B. Hickman, English and journalism; John R. Wagner, science; Robert T. Crawford, education; H. Y. Clark, education; Carey Woofter, English; Miss Goldie C. James, biological science; Miss Laura Ann Miles, library science; Dr. John C. Shreve, education; Clarence W. Post, geography; Miss Margaret Christie, art; Raymond E. Freed, social sciences and Miss Alma Arbuckle, librarian.

Catharine Wilson, '36, of Cowen, is visiting in Glenville.

Be Continued During Coming Year

Plans for N. Y. A. work here the coming year are in the making and will likely be completed in time for application blanks to be filed by the latter part of July, states H. Laban White, dean and director of the summer school. Last year the College had forty-five N. Y. A. students enrolled.

In a special dispatch to the Mercury, Aubrey W. Williams, executive director with offices in Washington, says an allotment of \$71,250, 000 has been made for carrying on

the program the coming year.

While there will be no increase in the year-round average of 500,000 young people directly aided by the program, expansion of several functions—notably the vocational guidance and placement service—will spread the benefits of the N. Y. A.

Special consideration for unemployed girls and women is to be given through the establishment of some fifty resident camps which will operate in a manner similar to C. C. C.

Students and Faculty Members Honor Miss Willa Brand With Surprise Party

Students of Verona Mapel Hall and several members of the College faculty recently honored Miss Willa Brand with a surprise birthday party.

Miss Kathleen Scott, speech instructor in the College, entertained with a playlet, "Ashes of Roses" by Constance Darcy Mackay. Miss Katherine Moore, music instructor, played one of her own recent compositions, after which she and Miss Scott entertained with readings and instrumental solos. Miss Ruth Sutton presented Miss Brand with a gift from the girls in the hall. Refreshments were served as a concluding feature.

Faculty members present were: Miss Esther Rader, Miss Alma Arbuckle, Miss Margaret Christie, Miss Laura Ann Miles, Miss Scott, Miss Moore, and Miss Brand.

NEW DORMITORY

In answer to many inquiries about the Boys' Dormitory, the Mercury has been authorized to insert the following material as a paid advertisement:

The West Virginia Board of Control employed Edward J. Wood & Son, architects, to prepare plans and specifications for the dormitory. Mr. Wood has designed a building with the effect of the best early colonial brickwork on the exterior and modern conveniences in the interior.

There will be seventy-five bed rooms, fifteen bath rooms, a meeting room and small kitchen, and a boiler room.

The General contractor is Baker and Coombs, and the job is now under the management of S. S. Lynch, whose ability is clearly shown by the manner in which he handles the material, and the following brick masons: Walter Hucman, Howard Hiner, Herman Hagertz, Walter St. Clair, Herbert Edwards, W. W. Brown, Guy Provenza, Clifford Pool,

D. G. Johnson, Russell St. Clair, Bert Johnson, Ralph St. Clair, David Coombs, George Peterson and Julius Fitchow.

The carpenters are Roy Phillips, T. B. McQuain. The Steel erector is H. N. Rosier, who is aided by the various types of laborers.

F. K. Everst, sub-contractor for electrical work, is on the job in person and is showing the thorough methods used in the U. S. Navy Yards. The William M. Clark Company is sub-contractor for the heating and plumbing.

The genial Mr. Walter Cole is foreman of the steam fitters, and L. C. Davis is the man "to tell it to the plumbers."

This is a W. P. A. project and as resident engineer George Dieringer is the man who checks up on labor and wages, approves work, etc., for the P. W. A.

A. H. Wilkins, himself a registered architect, is acting as M. Woods' representative on the project, to see that the Board of Control gets the quality of materials and labor they pay for.—Paid Advertisement.

Countryside Yields Story Of Civil War Days

Continued from page 1
watched for Union troops, while the other two hastily scooped out a shallow grave on the slope above the road. They removed the soldiers' coats and laid the bodies side by side in the dirt. Over their faces they placed the gray jackets, and then shielded the corpses with a covering of green leaves and brush before filling the grave.

And there they lie now, about eight miles from Glenville, in the same grave on the hillside, just a few

yards west of State Route 5. Through the years other people have buried their kin near the soldiers, and now the spot is called the Pickersell Cemetery.

Monument Set 50 Years Ago

About fifty years ago, Mr. Peregrine Hays, a friend of the slain Rebels, erected a monument over their joint grave. It is a thin slab about twenty-four inches high and ten inches broad. In a circle at the top are carved the names of the two soldiers—Joseph Parsons and Wiley Greathouse. Encompassed by their names are two crossed swords, bordered by seven stars.

In the center of the stone are these words:

CONFEDERATE SOLDIERS
TAKEN PRISONERS AND
MURDERED BY UNION
FORCE

And below is inscribed the tribute:
SLEEP, NOBLE WARRIORS,
SLEEP

THE TOMB IS NOW THY BED,
COLD ON ITS BOSOM THOU
DOST REST

IN SILENCE WITH THE DEAD.
Near the bottom of the monument is another small circle enclosing two crossed muskets.

Mr. Kellar for whom the tragedy lives so vividly, is a cousin of Sam Kellar, one of the men who dared to bury their neighbors at imminent risk of their own capture or death.

The small cemetery plot was first set aside as such in a deed given by Sam Hays, the son of Peregrine Hays. According to Mr. Kellar, he said, "This spot is sacred to me," and in the deed one-fourth acre was "herein forever reserved."

Despite the three quarters of a century the two soldiers have been buried, their grave shows no sign of neglect. It testifies to the care that Mr. Kellar and his neighbors have given it. Every summer, on the second Sunday in June, they meet at the little cemetery for memorial services. And there are always flowers for the two Rebel soldiers.

Morris to Coach at Burnsville

Archie Morris, '32, has accepted a position as coach at Burnsville High School to replace Rex Pyles, '34, who recently resigned. Mr. Morris has been employed by the Standard Oil Company at Shinnston for the past year. Morris was captain of the Pioneer football team during his senior year in the College, and during his four years in Glenville was active in all other sports.

Hamills Are Visiting Here

Mr. and Mrs. Richard F. Hamill, of Deerfield, Ill., are spending the summer with Mrs. Hamill's parents, Mr. and Mrs. N. L. Wells, of Glenville, and Mrs. Hamill's mother, Mrs. C. H. Hamill, of Elkins. Mrs. Hamill, S. N. '18, the former Miss Theora Wells, is principal of Banockburn School at Highland Park, North Shore suburb. Mr. Hamill,

Pioneers Will Meet Fairmont
in First Game — Coach
Sees Good Record

Although the season is two months distant, College students have begun to talk football already. Coach Nate Rohrbough says, "I expect a better football season this year than last and I have several new players coming." Captain Paul Fulks, of Weston, will lead the Pioneers this season. Fulks will be the only senior on the team. All of last year's team will be back except three. The schedule for the season of 1936 follows:

October 10, Fairmont State Teachers College, at Glenville; October 17, West Liberty State Teachers College, at Glenville; October 31, Morris-Harvey College, at Charleston; November 7, Rio Grande College, at Glenville; November 14, Shepherds State Teachers College, at Shepherdstown; November 20, West Virginia Wesleyan College, at Buckhannon.

former coach and instructor of English in the College, is director of athletics at Highland Park High School. He recently completed his residence work on the degree of Doctor of Philosophy at the University of Chicago.

Elizabeth Wooddell, former student, is visiting Jessie Brown.

Miss Hazel Gerwig and Mrs. Ava Older motored to Charleston Friday.

Oma Ellyson spent the week-end visiting her father on Sinking Creek.

"White House Teas Are No Different From Other Teas," Says Miss Nan Johnson

By Dolly Lorentz

Naturalness and enthusiasm would aptly describe Nan Johnson, petite and brilliant soprano of Fairmont, who willingly submitted to a brief interview backstage Monday night following her concert here.

"My impressions of President Roosevelt for whom I sang last summer? Oh, he was wonderful. He was grand. Why, a tea party at the White House isn't different from teas elsewhere except, of course, in the number of notables present. But I didn't mind that."

"Do I intend to continue my music career? I suppose I shall. That is all I can do, except knit. I have made several dresses this year, but I prefer my music."

Miss Johnson revealed that her first music teacher was Mrs. C. W. Waddell, of Fairmont. Following her training with Mrs. Waddell, Miss Johnson studied at the Boston Conservatory of Music, where she often sang over station W. G. A. R.

"But let's skip Boston," Miss Johnson continued, after which her mother, who was here for the concert explained: "Nan did not like Boston because she did not like her instructor."

Miss Johnson said she had also studied under Cloggy Monroe in Cleveland, where she frequently sang over station W. T. A. M. Other radio appearances have been made in Tampa, Radio City, Montreal and Chicago. Last summer in Chicago, Miss Johnson sang for Mary Garden and also won a scholarship to the Chicago School of Music. Because of illness, she has been unable to continue her music. "I plan to con-

tinue my studies as soon as my health will permit," Miss Johnson concluded.

Golf Course Is Planned

College students and members of the faculty will have an opportunity to play golf this summer. A six-hole course is being built at the Gilmer County fair grounds, one mile east of the campus. Approximately thirty memberships, making up the Gilmer Golf Club, have been granted. Earl R. Boggs, '32, principal of Glenville High School, is president of the organization. Anyone wishing to join, may do so by paying a fee of five dollars.

APPLICATIONS RECEIVED

Prospective Students Asking For Dormitory Reservations
