## A. L. COTTRILL TELLS STUDENTS OF TRIP TO WEST

Former Mayor of Glenville Is Guest of College Wednesday

PRAISES WEST VIRGINIA

Address Is in Form of Travelogue Covering More Than 8,000 Miles by Automobile

See America first, believes A. L. Cottrill, former mayor of Glenville and father of two college alumnae, who gave a travelogue—a motor trip to the West Coast—in assembly Wednesday at the request of President E. G. Rohrbough, who introduced him.

Principal points of interest which Mr. Cottrill mentioned were the zoo at Cincinnati, the courthouse in Indianapolis, University of Iowa, Bad Lands in South Dakota, lumber mills in Lewiston, Idaho, Yellowstone National Park, Coulee Dam, Seattle, San Francisco and California's Redwood Empire.

Having traveled to the West Coast and back—and this is not his first trip there—Mr. Cottrill observed in his assembly address, "West Virginia is, after all, not a bad place in which to live."

**Travels Over Northern Route**  
Mr. Cottrill took a northern route going west and a southern route home. Because of a lack of time, he was unable to describe his return journey. With him on the trip the past summer were Mrs. Cottrill, Mrs. Mary Helme, a sister, and Mr. and Mrs. C. M. Engelke, his son-in-law and daughter.

Mr. Cottrill was impressed particularly with the zoo at Cincinnati. At Ames, he showed great interest in the University of Iowa with its 1750-acre farm, used largely for experimental purposes, especially in the crossing of plants. In Lewiston, Idaho, he visited his son and daughter-in-law, Mr. and Mrs. D. O. Moss, and saw one of the largest lumber mills in the world—a mill which uses hand saws fifty-seven feet long and cuts 100,000 feet of lumber every hour. He thought Seattle was (Continued on page 4)

## DR. UNDERWOOD IS ROTARY SPEAKER

Says Strong Army, Well Trained and Equipped, Is Best Means of Defense

A strong army, well trained by an efficient officer personnel and adequately equipped, is the best means of national defense. That is the opinion of Dr. C. L. Underwood, instructor in chemistry and education, who gave an illustrated lecture Thursday at the weekly luncheon of the Rotary Club.

Dr. Underwood, who has had army experience and who is a commissioned reserve officer, described graphically the various army units—the infantry division in particular. He listed the units as the squad—the smallest—the section, the platoon, the company, the battalion, regiment, brigade and the division. Also he explained the three types of enlisted men, including the privates, corporals and sergeants, and the various rankings in the officer personnel.

By use of maps he showed the territorial divisions of the nine United States Army Corps, each of which represents about 60,000 men. Although not captious of present military strength, Dr. Underwood expressed the opinion that America is not adequately prepared, despite recent national appropriations earmarked for the Army.

## MISS G. C. JAMES TO STUDY IN N. Y.

Instructor Gets Leave of Absence to Do Semester's Work at Columbia

Miss Goldie Clare James, instructor in the biology department, is taking a leave of absence from the College next semester to attend Columbia University. She expects to go to New York about February 1.

No additional instructors will be employed to fill this vacancy. Ten hours of biological work will be distributed among the following faculty members: Dr. F. C. L. Underwood, John R. Wagner and A. F. Rohrbough.

Miss James announces that her studies will be divided among four fields—atomy, bacteriology, health and zoology. In the field of bacteriology, she will work under Dr. Gean Broadhurst, who recently discovered the filtrable virus, which causes measles.

While in New York Miss James will stay at the International House, which is one of four of its kind in the world. There are three in the United States and one in Paris. Miss James stayed at the International House the first semester of last year when she was a student in Columbia University.

She expects to resume her work here again next June.

## MONOXIDE GAS ESCAPES

Church Congregation at Troy Almost Overcome by Fumes

Carbon monoxide gas almost cost the lives of several persons, including the Rev. J. C. Musser, at the Troy Baptist Church, the past Sunday. A small child fainted and other persons in the congregation were temporarily unconscious before the fumes from faulty stoves were discovered.

Mrs. Ralph Farnsworth, mother of Beulah Farnsworth, student in the College, was among those to suffer most from the poisoning. Her condition is not serious, however. At least six persons were hospitalized sufficiently to cause them to stagger and fall in the road after they had left the church.

## SPEECH FESTIVAL PLANNED

Annual Intercollegiate Contests to Be Held at Fairmont

The fourth annual West Virginia Intercollegiate Speech Festival will be held at Fairmont State Teachers College March 31, April 1 and 2. Representatives of colleges throughout the state will attend and may enter the contests in debating, extemporaneous speaking and one-act play production.

"The College will be entered in debating and one-act play production and may have contestants in the extemporaneous speaking contest," says Miss Kathleen Robinson.

Last year the festival was held at Concord State Teachers College, April 8-10. The College was represented in the debate contest by George Miller, Giff Giboney, Millard Cunningham and Labin White, Jr., and in the one-act play contest by Marjorie Craddock, Otis Rexroad and Velda Betts.

## R. T. Crawford Is Visitor Here

Robert T. Crawford, superintendent of schools in Lewis County, was a visitor at the College Thursday afternoon.

## JITNEY PLAYERS WILL BE HERE ON WEDNESDAY, FEB. 2

Ethel Barrymore Colt to Appear in Auditorium For Second Time

MR. WHITING IN CHARGE

Company to Give Performances Both in Afternoon and Evening

Ethel Barrymore Colt, princess of the theater's royal family, and Douglass Rowland will appear Wednesday, Feb. 2, in the College auditorium, when the Jitney Players of New York City, who gave Sheridan's "The Rivals" here last year, will return to give matinee and evening performances.

The Players have cut Boucicault's Victorian comedy of manners "London Assurance," to forty-five minutes and will use it for a curtain raiser to the matinee performance of C. H. Hazelwood's "Lady Audley's Secret"—an old-fashioned thriller which the Players are using as a successor to their melodrama, "Murder in the Old Red Barn." In the evening, the Players will present Sardou's exciting and dramatic play, "Diplomacy."

Miss Colt and Mr. Rowland, who were well received last year as "Lucy" and "Bob Acres" in "The Rivals," will be supported by Ellen Love, Charles Atkin, Gretchen Dorch, Pendleton Harrison, Thomas Cooley and Harry Gresham.

## BISHOP WELCH TO BE HERE JAN. 24

Revival Services in Progress at Methodist Episcopal Church

A union revival is in progress at the Methodist Episcopal Church, where services are held each evening at 7:30 o'clock. The revival was started Sunday, Jan. 9, and will be continued through Sunday, Jan. 30.

Cottage prayer services were conducted last week and will probably be continued until the end of this week. The town has been divided into four sections and services are held in homes that desire them. The sections are: Northview, Main Street, Brooklyn, and Camden Flats. Afternoon services beginning at 2 o'clock were started Sunday and will continue regularly until the close of the meeting. The program for the afternoon meetings will consist of songs, prayer, and a short discussion of the scripture.

Bishop Herbert Welch, of New York City, is expected to arrive here Monday to assist. He will preach daily from January 24, to Jan. 30.

## Glenville Will Celebrate Birthday Ball in College Gymnasium, Saturday

Gilmer County's drive to raise funds in the "Fight Infantile Paralysis" campaign will be waged with more fervor than ever this year, announces H. Labin White, chairman, who has received reports from leaders in Glenville and from directors in neighboring communities.

Committee Plans Dance  
Already plans for entertainments have been completed at Cedarville, Sand Fork, Normantown, Tanner and Gilmer, and here in Glenville the first of the two major celebrations will be held Saturday night.

Headliners here will be the President's Ball on January 22, and the President's Birthday dinner at the Whiting House on January 29.

Under the direction of Miss Bessie Boyd Bell and a committee of three other members the dance will begin at 8:30 p. m. in the College gymnasium. Frank M. Beall, Jr., and his nine-piece swing band will furnish the rhythm. Making up the nine-piece unit will be Mr. Beall, director, Fred Madison Whiting, Jr., Frank Earl and Clark Wolfe, Russell Hugh McQuinn, Newsom McFerrin and Dick Beall. Instruments will include drums, three trumpets, two trombones, one bass horn, one clarinet and one saxophone. The organization is unique, says Mr. Beall, in that there is no pianist. Tickets, which will admit two to

## SECOND SEMESTER TO BEGIN JAN. 31

Four New Courses Will Be Offered; Advance Enrollment in Progress

Dean E. Labin White announces this semester will close Wednesday, Jan. 26, at 1 o'clock and the second semester will begin Monday, Jan. 31, with registration. Regular classes will commence Tuesday, Feb. 1.

Eighty-two subjects will be offered here the second semester, four of which have not been offered previously. The new subjects are: Art 305, plastic design, two hours; English 324, the high school newspaper, two hours; French 308, spoken French, two hours, and Sociology 304, problems of the family, three hours.

Advance registration for the second semester will be made today and tomorrow, Jan. 18 and 19, in Room 101, or in the office of the registrar. All students now enrolled are asked to register before leaving. Fees need not be paid until Monday, Jan. 31, which will be registration day for new students.

## COLLEGE FRESHMAN SETS RECORD FOR TRAVELING WHILE IN HIGH SCHOOL

By traveling twice the distance around the world, Wayne Williams of Doddridge County, a student in the College, set a potential record during his four years of high school. Mr. Williams traveled 70 miles a day, five days a week, thirty-six weeks a year, for four years. This is 50,400 miles which is more than twice the distance around the world. In his four years of high school, Mr. Williams only missed four days.

## EXAMINATIONS BEGIN JAN. 20

Tests This Year Will Be Given on Regular Recitation Periods

Final examinations will begin Thursday, Jan. 20, and continue until Wednesday, Jan. 26, announces Dean H. Labin White.

The schedule is as follows: One hour courses, January 20 or 21; two-hour courses meeting Tuesday and Thursday, January 20 and 25; two-hour courses meeting Monday and Wednesday or Monday and Friday, January 21 and 24; three-hour courses, January 21, 24, and 26; four-hour courses, January 20, 21, 24, and 25.

Examinations are to be on the regular hours for recitation. Fewer hours than those assigned may be used if in the judgment of the instructor the work can be adequately covered, and final grades should be turned in to the registrar on or before the evening of January 28.

Last recitations for the semester will be held January 19.

Angela Stark visited her parents at Alum Bridge this week-end.

## Best Looking

Miss Josephine Riffe, above, of Weston, recently was voted the best looking girl in the senior class. Pictures of other winners in the student senior-faculty election will appear in future issues of this paper.

## COUNCIL AGREES ON PIONEER WEEK

Plans For College's First Program of This Kind Outlined Last Night

Glenville's Student Council last night outlined plans for the College's first Pioneer Week—a program designed to carry the aims and purposes of the institution into all central West Virginia high schools and thereby to acquaint students with the facilities here for offering four years of higher education.

Having submitted the plan to Pres. E. G. Rohrbough and having secured his approval, the Council went forward with preliminary arrangements for setting the necessary machinery in motion.

First, the Council, by secret ballot, elected six seniors who will be asked to visit the various schools during the week which is yet to be designated. Also the Council recommended that Pres. Rohrbough name a committee of three faculty members to advise as to best means and procedures.

Seniors elected by the Council are Denzel Garrett of Fletcher, Vorley Rexroad of Camden-on-Gauley, Lee Summers of Summersville, Hills Cottle of Spencer, John W. Mowrey, Jr., of Clarksburg, and John Barnett of Wheeling.

Regarding the yearbook, the Council voted it would not be advisable to publish one this year under present circumstances.

## CHURCH WORKERS COMPLETE SURVEY

Figures Reveal Glenville Has 47 Per Cent Church Membership

Workers of all Glenville churches recently completed a city-wide religious survey, results of which follow:

In Brooklyn addition, Glenville, there are 77 people, of which 55 are church members, which is 72.3 per cent church membership. College Hill—population 201, church members 138, per cent membership, 68.7; Main street—population 244, members 154, per cent, 63; Northview—population 151, members 83, per cent, 55; West Glenville—population 177, members 77, per cent, 43.5; Camden Flats—population 222, members 81, per cent, 36.5; Hays City—population 87, members 30, per cent, 34.5; Riverview—population 165, members 83, 32.5; South Glenville—population 96, members 25, per cent, 26. Total population 1418, members 666, per cent, 47. Average church membership in the United States is 43 per cent.

The report includes classification of members according to church denominations as follows: Baptist 228, Methodist Episcopal 190, Methodist Protestant 81, Methodist Episcopal South 71, Presbyterian 66, United Brethren 25, Catholic 12, Christian and Church of Christ 6, Episcopal 4, Lutheran 3, Jews 3, Latter Day Saints 2, Congregational, Pentecostal, Seventh Day Baptist, Holiness and Dunkard, 1 each.

You had better check your own to-bacco because some one else might not know where you want to spit. Go West, young man, go West. If you go far enough you'll get back home again.

## COLLEGE TO GIVE RADIO PROGRAM FRIDAY, FEB. 11

Special Feature Will Be Heard Over Radio Station WBLK

PRES. ROHRBOUGH SPEAKS

Dean H. L. White, Miss Robertson and Miss Olsen in Charge of Arrangements

Glenville State Teachers College will broadcast over the West Virginia network from WBLK, Clarksburg, February 11, for thirty minutes beginning at 3 p. m., announces Dean H. L. White, who has been appointed chairman of a committee to arrange a program. Pres. E. G. Rohrbough, at a faculty meeting the past Tuesday, named the committee, which in addition to Dean White, includes Miss Bertha E. Olsen, instructor in music, and Miss Kathleen Robertson, instructor in speech.

Tentative plans of the committee call for a five minute speech by Pres. Rohrbough on "The Purpose and Character of the College," a program of music directed by Miss Olsen, and a short period for dramatics supervised by Miss Robertson. Dean White will do the announcing. This is one of a series of twenty-one programs presented each Friday at 3 p. m. by the colleges of the state.

Broadcasts scheduled are: Marshall College, January 21, WCHS; Morris Harvey College, January 28, WCHS; Davis and Elkins College, February 18, WBLK; West Virginia University, February 25, WBLK; Alderson Broadus College, March 4, WBLK; West Virginia Wesleyan College, March 11, WBLK; New River State College, March 18, WCHS; Fairmont State Teachers College, March 25, WBLK; Salem College, April 1, WBLK; Kanawha College, April 8, WCHS; Greenbrier College for Women, April 22, WCHS; and West Virginia State College, April 29, WCHS.

The broadcast series started on October 22 and since then Shepherd, Storer College, Concord, Bluefield, Potomac State, West Liberty, Bethany, and Beckley College have been on the air.

The West Virginia network includes Station WBLK at Clarksburg; WCHS at Charleston and WPAR at Parkersburg.

## SPEECH CLASS TO GIVE PLAYS

Student Directors Are Haumann, Brown, Harman and Walker. Members of the Speech Class 201 will present one-act plays as class productions in the College auditorium tonight at 6:45 o'clock, announces Miss Kathleen Robinson.

Miss Barbara Haumann will direct "Little Prison"; Lucy Brown, "Wisdom Teeth"; Maurice Harman, "Moonshine"; and Pauline Walker, "Hearts." Students will be permitted to see the plays. There will be no admission charge.

Lucille Spray visited her parents at Hurst Sunday.

## Campus Weather

Having enjoyed semi-pleasant weather the past week, Glenville will shiver at this week's predictions, which are: Storm period, 17 to 20; cold wave, 20 to 24.

**Day-by-Day Forecasts**  
Tomorrow, stormy; Thursday, snow or rain; Friday, snow or rain; Saturday, cold; Sunday, clear and cold; Monday, clear and cold; Tuesday, high winds.  
Tomorrow the sun rises at 7:15 and sets at 5:07.

## "FOR THE SAKE OF US ALL"

In the lecture on venereal diseases and the picture, "For the Sake of Us All," presented in the auditorium the other night, the thing that was emphasized most was the need of education in the fight against syphilis. In a fight against any disease, it has always been necessary, first of all, to overcome prejudices and to educate people in the importance of control measures.

We read with wonder and a little disdain of the persecutions and discouragements met by the early pioneers in the fight against disease. Today people everywhere are invited to help stamp out venereal disease, and especially syphilis. The campaign is in the nature of a national drive. Leaders say that it can be stamped out. The speed with which it is done depends upon the co-operation of everybody.

The motto of the campaign is "Syphilis is a disease, not a disgrace." It is necessary first of all, to view the problem in a matter of fact way, to get rid of pre-conceived notions, and to join in the preventive measures. Considering the prevalence of the disease, it is estimated that there are 6,500,000 cases in the United States, it is a matter which concerns everybody. And without the greatest co-operation on the part of all, the disease cannot be stamped out.—May Beal.

## "BETTER BOYS AT BARGAIN PRICES"

The problem of juvenile delinquency can be solved successfully in many localities. B. A. Schapper, in his article, **BETTER BOYS AT BARGAIN PRICES**, in the January issue of The Rotarian, tells how this has been accomplished in Wilkinsburg, Pa., and he suggests that what has been done there can be duplicated in scores of other communities.

The turn for the better of Wilkinsburg's delinquency problem came with the organization of the Wilkinsburg Boy's Club. This club, which takes in boys between the ages of nine and twelve, furnishes recreation for its members from 6 to 10 p. m. daily. During this time instruction is given in woodwork, metal work, airplane modeling and painting.

In answer to the query, "Can our town afford such a program?", Mr. Schapper explained that it costs \$500 a year per person to keep boys in a reformatory, but it costs only five dollars a year to keep them occupied in a club. Here, alone, is a saving of \$495 on every unruly boy. And, besides this, there is also the incalculable saving in human misery and lives turned from anti-social activities toward socially useful occupations.

This example of what has been done in Wilkinsburg is only a beginning, and this beginning shows that it works. Any city or town which contains a few people with initiative can start such a program of its own. The cost is small, but the results are enormous.—Newton Cooper.

## ACCIDENTS TAKE THEIR TOLL

It's startling but true, that we are safer, statistically speaking, dodging highway traffic than we are in our homes, observes R. E. Vernar in the January issue of The Rotarian. The traffic massacre, he says, took 37,800 lives in 1936, while 38,500 died as a result of accidents in the homes. It is estimated that non-fatal accidents in the home in 1936 injured 5,620,000 persons.

One who was not seriously injured was a lineman for a power company. With the hazards of his job behind him for the day, he arrived home to find his wife trying to open a window. After he gave the window one mighty pull, the window flew up and the lineman flew out, diving three stories into a snowbank.

Another story concerns the Los Angeles youth who tried to commit suicide. He sealed the room, turned on the gas, and as his final gesture, lit a cigaret. He was blown to safety!

But 38,500 persons in 1936 were not so lucky. There was a man who set about to fix a frozen water pipe. He put a gasoline blowtorch to the "water pipe"—really a gas line—and was killed instantly.

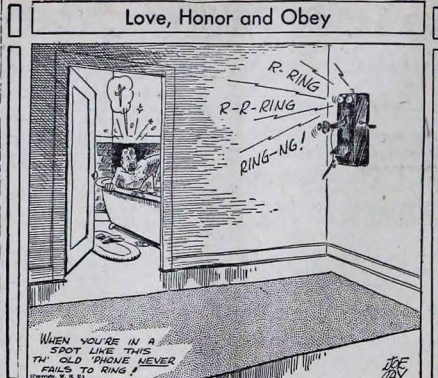

More accidents occur on steps than anywhere else in the home. Of the cases studied from Cook County Hospital records, it was found that one in four, injured in the home, fell down stairs inside or outside the house. Many serious falls occur from the bottom step, the descender believing he has reached his destination. The moral: It pays to be careful.—Leah Stalnaker.

Merry Maidens' Movie Moments  
ON  
SCREEN SHOWINGS, CURRENT AND COMING

By L. Mason and E. Harrison

Coming to the local screen: Tuesday and Wednesday—"Love Under Fire," with Don Ameche and Loretta Young. Thursday, Friday and Saturday, a double feature, "Wild and Woolly," with Jane Withers; "San Quentin," with George O'Brien and Humphrey Bogart; Sunday and Monday, "The Life of Emile Zola," with Paul Muni.

War-time Spain is still the land of love and lovers to captivating Loretta Young, who plays with Don Ameche in "Love Under Fire." Features of the picture are Borrah Minevitch with his harmonica players, and the song hit, "Language of Love." . . . Pauline Moore and Robert Wilcox don't even know they're in love until Jane Withers ropes them into romance in "Wild and Woolly," featuring Walter Brennan. Those of you who saw "Banjo on My Knee" will remember him as the one man band, "San Quentin" is an exciting investigation of the problems of prisons and their keepers. Love is furnished by Pat O'Brien, San Quentin's tough yard captain, and Ann Sheridan. . . . The best picture of the year 1937, "The Life of Emile Zola," is coming to Pictureland Theatre and will

feature Paul Muni, who gave the best male performance of the year. It is not with Zola the French novelist that the story concerns itself, but with Zola the man who blew the lid off the greatest political scandal of its time.

Do you know? That Loretta Young has one of the few camera-proof faces in Hollywood. . . . That the

man who taught Will Rogers to twirl a rope, Shorty Miller, gave Jane Withers lessons in the art for her role in "Wild and Woolly"? . . . That it takes three hours arrangement for his impersonation of Emile Zola.

We wonder: If John and Sibyl will enjoy "Love Under Fire"? Does Bob Butcher's girl possess a camera-proof face? We mean the one whose picture he received a few days ago. Did our outstanding students go see the Ritz Brothers in "Life Begins at College," and did they find out what outstanding means? . . . ## PIONEERS SWAMP WESLEYAN HERE SATURDAY, 60-38

Bobcats Get Temporary Lead  
But Weaken Before  
Champions

### LILLEY IS HIGH SCORER

Victory Was Sixth Straight For  
Glenville and Fourth  
Conference Honor

West Virginia Wesleyan's down-trodden Bobcats put up a valiant first half battle here Saturday night but finally were submerged, 60-38, by Glenville's conference-leading cagers. This was Wesleyan's fourth loss of the week and fifth straight setback. For Glenville, the victory was the sixth straight.

During the first period the visitors played smart, heads-up basketball, and it looked as though Glenville would be in for a busy evening, but as the contest progressed, the Methodists steadily weakened under the Pioneer's driving attack.

### Cottle and Davies Score First

At the outset, Cottle and Davies cashed in on two fouls to give Glenville a 2-0 lead, but Herndon, visiting forward, caged two goals

and a pair of charity tosses to put the 'Cats out in front, 6-2. This lead was short-lived, however, and the Pioneers rallied and were leading, 31-21, at the half.

In the second period, Glenville increased its margin to 33-23, but Lay, Naylor, Andrick and Cain caged buckets in rapid succession to bring the 'Cats within eight points of tying the count. This spurge compelled the Pioneers to call for time, and hold a pow-wow which proved beneficial.

### Lilley Is High Point Man

Albert Lilley, with seventeen points, topped all scorers. Davies placed second with thirteen. Herndon, midjet Bobcat forward, was high for Wesleyan with nine. Glenville's entire starting combine gave an excellent floor performance, while Andrick, Herndon and Naylor were sparkplugs for the visitors.

Clark and Underwood Hold Confab  
Fulks Lauds Guy Bennett  
Fritzi White in the Stands

At the start of the present basketball campaign, sport moguls throughout the state asserted that any college team claiming state conference cage supremacy would have to halt the victory campaigns of D-E, Marshall and Glenville. To date this formidable trio has lived up to all advance notices, but as the season is only in its infancy, it is no time to pick a champion. Such teams as Fairmont, Bethany, Salem, Wesleyan and West Liberty all have potentially strong outfits, and are capable of making it tough for the present leaders, despite their poor early season showings.

Had a reconciliation with Jim Ellis, sports publicity writer of Wesleyan College, Saturday night, following verbal debate in our respective school publications. Apparently by-gones are by-gones, and why not? Despite the fact that Wesleyan's athletic performances are far below par this year, Ellis has been doing some splendid work for the Bobcats, and deserves a lot of credit.

Enjoyed the Clark-Underwood confab during the Wesleyan game here Saturday night. Being an alumnus of the Bobcat institution Mr. Clark evidently got "that old feeling" when the Ross-men trotted out on the court, but his summary of Wesleyan's past attainments did not register with Underwood, and the wily Tennis maestro was the recipient of a lot of good-natured ribbing. However, the discourse did not come to fustiffs, and the two Profs. parted, smiling.

During a brief interlude at Weston Wednesday evening, the Pioneers, nestled comfortably within the walls of the "crate," played host to Paul Fulks, ex-Pioneer football captain, now mentoring at Weston High School. Upon learning that Bennett, his former roomie, had scored all of two points during the present campaign, Fulks remarked, "You've had a big season already, haven't you, Tarz?"

The scene is all set for the invasion of Morris Harvey's Golden Eagles tomorrow night. Glenville soundly drubbed M-H twice last year, and the southerners should be in a mood, smarting enough to make things interesting for the Pioneers. Friday night the locals will entertain West Liberty in the first of a two-game series.

An unexpected bench-warmer at the Fairmont tussle was none other than Miss Winifred ("Fritzi") White, former Glenville cheerleader, who is now teaching in Bridgeport and attending Fairmont State at night. Miss White was impressed with the performance of the '38 edition of the Pioneers, and expressed regret that she could not be with us again to lead the rah rahs.

Mill Throw-Outs: Grover ("Bullwheel") Brannon is a conspicuous absentee at the home contests. . . . Hank Luisetti, Stanford's phenomenal cage ace, is again bewildering the Indians' opponents with his uncanny ability in sinking the leather sphere. . . . He scored 826 points the last two years, and this season has been averaging better than sixteen points per game. . . . Who was the local wisecrack that said Luisetti could probably make the Pioneers' traveling squad if he were hitting? . . . After witnessing the locals demolish Fairmont last week, George Byerer, former maroon forward, said, "I would be tickled to be the mascot of that club." . . . Come on, Collins, throw out your chest! . . . Don't say you weren't informed.

## GLENVILLE TAKES ROUGH BALL GAME

Locals Win Over Fairmont to  
Keep Slate Clean; Score  
Is 61-42

The Pioneers, undefeated in the current season, came through a rough-and-tumble court skirmish Wednesday night with a 61-42 victory over the Fairmont Teachers, there. The victory was the sixth straight.

Co-captain Frank Martino headed Glenville's attack and scored fourteen points to top Pioneer honors in the game. Robert ("Red") Davies, Louie Romano, Albert Lilley, Captain Hillis Cottle, Harold Noroski and Harold Scott also featured prominently in the triumph.

Getting away to a furious start, Cottle and Davies registered two "snowbirds" each to give Glenville an eight-point lead. From then on it was a case of too much Pioneer. The score at the half was 32-18, Glenville.

Glenville scored at random throughout the second half and finished with a nineteen-point margin. From start to finish the game was of the football variety. Referee F. P. ("Chick") Wehl called thirty-five fouls, twenty on Fairmont and fifteen against Glenville. Thompson, of Fairmont, was high scorer for the evening with fifteen points.

The line-ups:

Normantown and Sand Fork communities will combine their activities and on January 19, at 7 p. m., they will sponsor two basketball games at Normantown, one between the girls of the two high schools; the other between the boys of the two junior high schools. The junior high game will be a preliminary attraction. Floy Allman and Oneta Arnold are coaching the girls' teams and Shirley Westfall and William McGinnis will be in charge of the boys' game. James M. Bramlett is chairman of the Normantown program and Roland Butcher heads the Sand Fork activities committee.

Tanner community, with Asa V. Cooper as the leader, has arranged a variety program to attract every citizen in the community. On Saturday, Jan. 29, the Tanner Rod and Gun Club will sponsor a shooting match and the Woman's Club will assist and offer the prizes. Also tentative plans call for a basketball game there between the Tanner and Glenville Independents.

J. E. Hays of the Gilmer section announces he has arranged for an entertainment which will feature well-known radio entertainers in a program at the Hyer's Run Church, near Gilmer, probably on January 20.

### Dr. Underwood to Speak Tomorrow

Dr. C. L. Underwood, instructor in chemistry and education, will speak in assembly tomorrow on "Organization of An Infantry Division of the United States Army." He announces that he will ask students who are residents of Gilmer County whether or not they will be interested in attending Citizens Military Training Camps next summer.

The word January comes from the Roman God Janus and means two faced, or looking into the future and into the past. People born in January do not act on impulse, nor are they very demonstrative, being generally cool-headed and deliberate. As a rule they are of a very peaceable nature, disliking quarrels intensely. Happy birthdays this week to: James Woolter, January 17; Madelyn Vineyard, January 24; Alda Enlow, January 15; Ralph Goff, January 24; Joseph G. Jarvis, January 21; Eleanor C. White, January 18.

## ROUNDTABLE WILL MEET APRIL 1-2

Glenville to Be Host to More Than 1000 Visiting Teachers

Approximately 1000 teachers and school officials will be entertained in Glenville when the Central West Virginia Roundtable meets here on April 1 and 2. This educational organization includes teachers and school officials from the six central West Virginia counties of Gilmer, Braxton, Clay, Nicholas, Webster, and Calhoun. Many of those expected to attend are alumni and former students of the College.

A survey of rooming and eating facilities made last year showed that the town was capable of entertaining this delegation during the meeting.

The program for the meeting has not been announced but will be soon. Virgil B. Harris, A. B. '34, president of the organization, has appointed an executive and program committee to prepare for the meeting. The executive committee includes C. E. Remage, principal of Gasaway High School; Paul Lowe, principal of Clay County High School; Marvin Cooper, assistant superintendent of Gilmer County schools; Harold Proudfoot, assistant superintendent of Calhoun County schools; Ocelus Fitzwater; and C. H. Conway, principal of Sutton High School; Parker C. Black, principal of Widen High School; Ray Harris, principal of Calhoun County High School; Hazel Hoover, assistant superintendent of Webster County schools; and James L. Creasy, assistant superintendent

of Nicholas County schools. Officials of the Roundtable are: President, Virgil B. Harris; vice president, Gilbert Reed; secretary, Earl R. Boggs.
