COLLEGE WILL BE HOST TO ANNUAL SPEECH CONTEST

Judges for Nineteenth Annual Event to be Named During Next Few Days

LUNCHEON IS PLANNED

Thirty Six Students From Ten High Schools Were Represented Here Last Year

Plans for the nineteenth annual high school literary contest to be held here on Saturday, March 19, went forward the past week under the direction of Miss Kathleen Robertson, assisted by Mrs. E. G. Rohrbough.

This year, as has been customary in the past, contestants, their coaches, judges and other visitors will be guests at a luncheon to be served in the Kanawha Hall dining room. Also brief program of entertainment will be arranged in connection with the luncheon. Students in the College speech classes will be asked to assist in entertaining the contestants.

Judges for the event, which will include debate, extemporaneous speaking, poetry interpretation and oration, will be named soon.

The past year thirty-six students from ten high schools participated in the festival here. This year more schools are expected to send contestants.

First-place honors the past year in each of the four events went to Russell Beall, of Harrisville, oration; Herman Gueto, of Victory, extemporaneous speaking; Virginia Weaver, of Parkersburg, poetry interpretation; and William Lockhart, of Victory, debate.

Schools represented were Parkersburg, Victory, Roosevelt-Wilson, Harrisville, Unids of West Milford, Burnsville, Elizabeth, Sand Fork, Troy and Glenville.

Miss Pearl Pickens, principal of Troy High School, is chairman of the district contest, which is held in order to pick contestants who will compete in the state festival at Morgantown on Saturday, April 9.

DEBATING TRIP PLANNED

College Team May Meet Morris-Harvey, Concord Students

Trips to Charleston and Athens are planned for the College debating team.

If present arrangements materialize, Denzel Garrett, Vorley Rexroad and Helen Heater, accompanied by Miss Kathleen Robertson, instructor, will go to Charleston, Thursday, and at 8 p. m., the College team will oppose the Morris-Harvey opponents. The following day, the speakers representing the affirmative will continue to Athens for a meet with the Concord College debaters.

Mr. Clark's Home Nearly Completed

Contractors expect to complete work on Mr. H. Y. Clark's home this week. Work yet to be completed includes the installing of electric lights and the varnishing of floors.

R. E. Freed Urges Preservation of Ideals of Washington and Other Great Americans

By John W. Mowrey, Jr.
"Until time shall be no more, a test of the progress that our race has made in wisdom and virtue will be derived from the veneration paid to the immortal name of Washington," quoted Prof. Raymond E. Freed in an assembly address Wednesday.

Speaking just one day after the 206th anniversary of the birth of Washington, Mr. Freed pointed out, and emphasized by quotations, some of the outstanding points in the character of "the father of our country."

Washington—Man of Service

In answer to the question "Of what does the greatness of Washington consist?" Mr. Freed pointed out that "most people think first of his public services—as commander-in-chief of our army in the Revolutionary War, as presiding officer of the Constitutional Convention, as our first president and as the author of his farewell address. But in this words of George William Curtis concerning this service: 'To lead a people in revolution wisely and successfully without ambition and without crime, demands indeed lofty genius

Helen Heater

To Miss Helen Heater of Weston goes the honor of being the only girl to qualify for the College debating team this year. Miss Heater participated recently in contests with Waynesburg College, here, and Salem College, at Salem.

JOHN WEST DIES AT HOME, FEB. 31

Final Rites Held Wednesday; Burial at Otterbein Cemetery

Funeral services were held last Wednesday afternoon at 2 o'clock for John Wellington West, 86 years old, who died at 7:20 p. m. Monday, after an illness of ten months. Dr. E. J. Woelfer, a nephew, assisted by the Rev. A. S. Kelly and the Rev. J. C. Musser, conducted the services at the West home, and burial was made at the Otterbein cemetery, three miles above Glenville.

Mr. West was born May 11, 1856, on Duck Creek, in Harrison county. Most of his life was spent in Harrison and Gilmer counties with the exception of the period from 1879 to 1888 when his family lived in Texas.

His wife, Elizabeth Woelfer, died in 1925 and was buried in the family lot at Otterbein. There were six children, all of whom are living: W. C. West, student here in 1904, of Hawthorne, Nev.; A. N. West, of Glenville; Mrs. Neva Biggs, S. N. 1908, of Parkersburg; R. R. West, of Glenville; Mrs. West, A. 1906, of Glenville, and Lyle T. West, a 1909, of Charleston.

Mr. West is also survived by ten grandchildren. One of these, Mary Leone West, is a senior in the College this year. Virginia West, a freshman, is a niece.

Two New Exhibits for Chemistry Day

Two new exhibits for Chemistry Day, to be observed here April 8 and 9, were contributed the past week. They include a tesla coil, made by John R. Wagner, instructor in physics and mathematics in the College, and an exhibit in glass by the West Virginia Glass Specialty Company, of Weston.

COLLEGE WILL BE ACTIVITY CENTER FOR ROUNDTABLE

Registration to be Held in Lobby of Administration Hall, Friday

WILL USE AUDITORIUM

Public Address System May Be Installed; Social Activities Planned

Glenville State Teachers College will be headquarters for the Central West Virginia Roundtable meeting on April 1 and 2; it was announced the past week.

Registration, scheduled for Friday morning, April 1, will take place in the lobby of Administration Hall, and the auditorium will be used for all general sessions. This however, will not interfere with the College activities, and classes will be in session as scheduled.

Earl R. Boggs, secretary of the Roundtable, estimates that more than 1000 teachers, school administrators, and others will be here for the meeting. Last year, Mr. Boggs said, there were 1500 persons who attended one of the general sessions at Gassaway.

Mr. Boggs says loud speakers probably will be installed in several class-rooms near the auditorium in order to take care of an overflow audience at any of the general sessions. Frank M. Beall, Jr., of this city, has been asked to make arrangements for the public-address system.

Highlights of the meeting this year will be addresses by state and out-of-state notables, including Former Governor John J. Cornwell; panel discussions on the new state course of study; a general session at which will be heard the President's annual message; a professional breakfast Saturday morning, and a band concert Saturday afternoon.

Glenville State Teachers College will entertain visitors at a tea Friday afternoon, April 1, from 4 until 5 o'clock. Another social function to be held in connection with the meeting will be a civic club luncheon at the Whiting House, Friday noon. The speaker will be Dr. R. C. McKown, formerly of the education department of the University of Pittsburgh.

CHAMBER MUSIC SCORES TRIUMPH

Small Audience Pleased With Concert Given Here on Friday Night

(By L. M. and E. H.)

Playing selections from Bach, Handel, Mozart, Niemann, and Lawrence, James Robert Gillette and his Chamber Orchestra, appeared in the College auditorium Friday evening at 8:15 o'clock as the second feature of the Artists' Course this semester.

The first half of the program opened with selections, "Sinfonia in B flat major," and trio for two violins and viola; a flute solo, Allegro from Concerto No. 2; and "Overture." The second half of the program was changed to include a composition by the German composer, Mann, "Suite Kokoko" and an organ solo, "Chromatic Etude." Other selections were "Claire de Lune" and "Poem Elegiac."

All the selections were received enthusiastically by more than 200 persons. Especially liked were the flute by Eleanor Mitchell and the organ solos by Mr. Gillette. Lorraine Martineau is to be commended for her excellent performance with the first violin. The orchestra was of most interest as it was composed of four men and seven women, all of whom were attractive and young.

DEBATERS GO TO SALEM

Helen Heater and Denzel Garrett Represent College

Helen Heater and Denzel Garrett members of the affirmative debating team, debated at Salem College the past Thursday evening at 7:30 o'clock on the subject, "Resolved: That the National Labor Relations Board should be empowered to enforce voluntary arbitration."

Clarence Edman, Melvin Hollingsworth and Donald Ferguson represented Salem. Miss Kathleen Robertson accompanied Miss Heater and Mr. Garrett to Salem.

Willis Tatterson

Another campus honor goes to Willis Tatterson, of Reedy, who has qualified for a position on the College debating team. Last fall Tatterson was elected "Pioneer" and presided over the annual homecoming festivities. He is a brother of Elsie Tatterson, sophomore, and Benjamin Tatterson, A. B. '37.

COUNCIL SEEKS YEAR-BOOK FUND

Will Present Proposal to President E. G. Rohrbough in Next Few Days

The Student Council believing that a College annual is as important as other campus activities, such as athletics and Lyceum features, advanced plans the past week designed to create a special fund with which to publish a year book each year. Discussion of the plan occupied attention of the Council at a meeting the past Tuesday evening in the recreation room of the new dormitory.

According to the proposed plan the Council will go before President E. G. Rohrbough and ask that a certain per cent of the student activities fees be set aside and earmarked for year-book purposes.

No action can be taken on the matter until President Rohrbough returns from Atlantic City, where he and Mrs. Rohrbough are attending the sixty-eighth annual meeting of the American Association of School Administrators.

Denzel Garrett is president of the Council and R. E. Freed is the faculty adviser.

WILL ENTER STATE SPEECH CONTEST

"Hospitable Fancy" Will be Given by College in One-Act Play Group.

Glenville State Teachers College will be represented in the West Virginia Inter-Collegiate Speech festival to be held in Fairmont, March 31 and April 1 and 2, announces Miss Kathleen Robertson.

Students from here will participate in the one-act play, extemporaneous speaking and debate contests.

Miss Robertson has selected "Hospitable Fancy," a dramatization of Robert Louis Stevenson's short story, "Sire de Maledroit's Door," as the college's play entry. For a cast she has chosen Marjorie Craddock for the role of "Blanche de Maledroit," John Bohensky as "Sire de Maledroit," John Barnett as "Dennis de Beaulieu," and Newton Cooper as "Chaplain." Paul Collins will be the manager.

John W. Mowrey, Jr., will represent the College in the extemporaneous speaking contest. Contestants in debate will be Denzel Garrett, Helen Heater, Vorley Rexroad, Willis Tatterson, and Frederick Bell.

ELIAS H. FISHER DIES SUNDAY

Body Found in Little Kanawha River Following Wreck Near Gilmer

The body of Elias Harold Fisher, 41 years old, local truck driver and World War veteran, was found about 1:30 p. m. yesterday in the Little Kanawha River, near Gilmer, about 150 feet below the spot where he and two other persons ran over the hill late Sunday night. The body was brought to the McGee Funeral Parlor where it will remain until funeral arrangements are completed. Mr. Fisher, who is survived by his parents, Mr. and Mrs. G. C. Fisher, his wife, Jeannette Westfall Fisher, and three children, Kermit, Kenneth and Betty, is a brother of Hazel Fisher, A. B. '37.

NEW ANTISEPTIC DISCOVERED

Nebraska University's Dr. Burt Males Drug From Mint-Like Weed

Lincoln, Neb., (ACP)—A new antiseptic derived from a weed so lowly Western Nebraska farmers do not deign to name it, has been discovered by Dr. J. B. Burt, chairman of the Nebraska university pharmacy department.

The new drug, chlorocucularsacrol, gives great promise, according to Dr. Burt, as a possible treatment for such skin diseases as athlete's foot, ring worm, psoriasis and impetigo. The antiseptic is made from a mint-like weed which grows profusely in Western Nebraska. Farmers there have no special name for it, except mint, but consider it a pest because its flavor is unpalatable to livestock.

GARRETT ATTENDS PEACE MEETING

College Representative Denounces Oxford Pledge At State Meeting

(By Sterling Cunningham)

With the pledge, "I will not support the government of the United States in any war which it may undertake outside the United States and its possessions," West Virginia college students closed their inter-collegiate peace conference at Fairmont, Saturday.

All but two of those present accepted the pledge, and five voted for the "Oxford Pledge." "I will not support the government of the United States in any war which it may undertake."

Denzel Garrett, representative from Glenville State Teachers College, returned Sunday afternoon from the conference and upon his arrival made this statement: "Our West Virginia college students are far more concerned about international peace than I ever suspected. It is my hope that such concern will be guided sanely towards removing the causes of war." Continuing, he declared, "I did not, and never will sign the 'Oxford Pledge.' I am too proud of America and the freedom I enjoy here to say that I would help defend my own country when duty calls me."

The principal speaker at the conference was Dr. Jesse Holmes, professor of history and religion at Swarthmore College, who observed that a spirit of cooperation is civilization's surest means of survival.

Electric Organ May Replace Piano, Says Mr. Robert Gillette; Costs Only \$1600

(By L. M. and E. H.)

"Come on in girls, I've nothing to be afraid of," said James Robert Gillette, of the Chamber Opera Company, when he saw two reporters approaching him, hesitatingly, preceding the concert here Friday night. "I'll answer any questions you want to ask me," he declared, as he endeavored to put his pursuers at ease with his pleasing and rather humorous personality.

The interview was centered around the electric organ, the main attraction of the evening, which was invented only two years ago by Laurens Hammond. "This is the first chamber orchestra to use an electric organ, but it is now becoming popular in Philadelphia and Boston Symphony Orchestras," said Mr. Gillette. When asked whether or not he thought the instrument would ever replace the piano in the home, he replied, "There is an increasing interest in the organ. It costs only \$1600 which is not any more than a baby grand piano, and is not any more difficult to play than any other instrument."

President Garrett Names Rexroad, Tatterson, Cunningham on Committee

FIVE ELECTIVE OFFICERS

Last Year 380 Ballots, Representing Three-fourths of Student Body, Cast

BULLETIN

NOMINATIONS MADE

The election committee composed of Vorley Rexroad, Willis Tatterson and Geraldine Cunningham, yesterday nominated the following persons for officers on the Student Council. President, Clifford Garrett and Richard Dyer; vice president, Ralph Mendenhall and John Rogers; secretary, Marjorie Craddock and Susan Sammons; treasurer, J. Arthur Butcher and Ernestine Harrison; sergeant-at-arms, Earl McDonald and Harold Norosi.

The fourth annual election for Student Council officers will be held April 12, announces Denzel R. Garrett, president of the Council.

The election committee, appointed by Mr. Garrett, including Geraldine Cunningham, Willis Tatterson and Vorley Rexroad, will nominate one or more candidates for the five elective officers, which are: President, vice-president, secretary, treasurer, and sergeant-at-arms. Additional nominations may be made from the floor during a student body meeting in March. The date of the primary election will be announced later. Class presidents, three of whom will be elected this spring, will automatically become members of the Council. The freshmen will elect a president next fall.

Present officers include: President, Denzel Garrett; vice-president, John Barnett; secretary, Garnett Reed; treasurer, Brooks Sheppard; sergeant-at-arms, Clifford Huffman; faculty adviser, Raymond E. Freed; Hillis Cottle, senior class president; Ralph Mendenhall, junior class president; James McMillen, sophomore class president; Clark Wolfe, freshman class president.

The primary election of the past year was held March 12, at which time 250 ballots were cast. The two nominees for each office were: President, Denzel Garrett and Nathan Callaghan; vice-president, John Barnett and Marjorie Craddock; secretary, Garnett Reed and Robert Shreve; treasurer, Brooks Sheppard and Russell Porterfield; sergeant-at-arms, Clifton Huffman and Louis Romano.

In the general election, the past year 380 ballots, representing three-fourths of the student body, were cast.

The past Council presidents are: Lloyd Matheny, '35-'36; Banta W. Craddock, Jr., '36-'37.

Charles Hubbard Judd, noted psychologist, this year was the recipient of the American Educational Award.

STUDENT BODY ELECTION

The student body of the College will, in the near future, choose its administrative officer for next year. Thus far little interest has been shown by the students about prospective candidates for the various offices. Nominations will be made by the Committee on Nominations. It will be remembered that the Committee on Nominations is to be chosen from the floor at a meeting of the student body.

Realizing the very democratic method that is enjoyed in selecting the candidates, students cannot fail to understand the responsibility that accompanies such a privilege.

Student government elections, anyone will concede, should not be confused with "Who's Who," and popularity contests. The latter may be conducted in a lighter vein, but upon the former rests the probable success or failure of student government on our campus. As politicians often say, let us search the records of prospective candidates before committing ourselves to any particular candidate. Do they possess qualities of leadership? Do they have satisfactory scholastic records? Have they shown an interest in the welfare of the College by making voluntary personal contributions? These and other equally important questions will soon confront us. Our choice of officers thus far, we feel, have been excellent. Let us not fail then, to support the ideals and precedents already established.—Jarrett Jones.

ULTRA ORGANIZATION

Recent stories published in the state newspapers should cause teachers to do some serious thinking. We are called upon to reach a decision on the important question—Where are we going?

One county board of education recently entered into a coercive agreement with a local C. I. O. organizer for the express purpose, as was stated, of putting the teaching profession on a more secure basis, to prevent their having to bow to political leaders.

Having read of this recent incident, we are reminded of the question: Which would prove better for the schools, political subjection or union domination? Whichever prevails, one must voice the sentiment felt by many—poor children!

Whatever the purpose behind the alleged attempt, the prosecutor's office of the county held that the pact was illegal, which made it unnecessary for the teachers concerned to conform to the agreement.

So sets the sun on coercion in the teaching field. There is one point, however, that must give us immediate concern—a principle in physics—a sun that sets must of necessity rise again.

This sun, too, may rise again to eclipse the very things to which our fellow teachers have given years of strenuous effort the very best educational opportunity for every child.—Hazel Smith.

Faculty Teaching Load

Dean H. Laban White, the past week released the following figures which reveal number of courses taught by each instructor, hours of work, student enrollment in classes, and total teaching load as follows:	Pres. E. G. Rohrbough, one class, 3 hours, 12 students, 36 teaching load.
(Teaching load is the number of students in a class multiplied by the number of hours in the course.)	A. F. Rohrbough, eight classes, 13 hours, 165 students, 279 teaching load.
Miss Beesie Boyd Bell, six classes, 15 hours, 104 students, 281 teaching load.	Dr. John C. Shreve, six classes, 16 hours, 154 students, 295 teaching load.

Harper, man, adviser of the Mercury and editor of the College catalog; Miss Laura Ann Miles, librarian; A. F. Rohrbough, coach and preceptor of boys' dormitory; and Carey Woolter, registrar and extension classes.
Clarence Post, five classes, 15 hours, 110 students, 330 teaching load.	
Miss Kathleen Robertson, six classes, 12 hours, 83 students, 195 teaching load.	

Along the Concrete

Famous People Who Never Lived

What a Student Thinks
Between Columns

Monuments to people who never lived. Perhaps that is absurd, yet one cannot close his mind to the idea.

Scattered throughout Europe and America are statues and monuments dedicated to the memory of great characters who never lived. In Kensington Garden, London, there is J. M. Barrie's Peter Pan. D'Artagnan, born in the brain of Alexander Dumas, stands life-size, in Auch, France. The Little Mermaid from Hans Christian Andersen, is to be seen on a street corner in Copenhagen. William Tell and Don Quixote are remembered in their respective countries, Switzerland and Spain, while Little Red Riding Hood and the wolf, in stone, are a treasured possession of Munich, Germany.

In America we run the gamut from Natty Bumppo, created by James Fenimore Cooper, to Andrew Gump, fathered by the late Sidney Smith. The figure from Leather Stocking Tales stands in Cooperstown, New York. The irrepressible character from the daily comic strip can be seen in Lake Geneva, Wisconsin. Hiawatha and Minnehaha appear in

bronze in Minnehaha Park, Minneapolis. In Memorial Park, Grand Pre, N. S., and in St. Martinville, Louisiana, are statues to the memory of Longfellow's Evangeline. Mr. Robert M. Hyatt, writing in the December, 1937, issue of The Rotarian, has many more proofs that we have remembered people who never existed. Let Mr. Hyatt speak for a very popular person: "Although America must be content with fewer legendary characters than Europe boasts, she is the proud possessor of the world's only statue of Santa Claus."

In conclusion, Mr. Hyatt writes, "And these are all the statues of great people who never lived of which we have any knowledge. Undoubtedly, as the years pass, other famous figures of fiction will be honored in bronze and marble. For men the world over are all a lot of sentiment and soft sores at heart who love their fairy tales better than their actual heroes. They've all died in fact and almost in fancy, but our great folk who never lived live on and on and on."—Lela Susan Wright.

Word Study

CANDIDATE

Originally the word meant one clothed in white.

In Latin, candidus means "glittering," "white." Among the ancient Romans, a man campaigning for office wore a white toga and was called candidatus, "one clothed in white." Directly from this origin comes our word candidate. It is interesting to note that from the same source, comes our adjective candid, meaning, literally, "white," and applied figuratively to a mental quality unclouded by dissimulation or bias.

Some Quotable
Quotations

"What Shakespeare did for the English language in Elizabethan days, American slang is doing today. It is constantly enriching the language with new words and expressions." Professor G. S. Browne of the faculty of education at the University of Melbourne, says the Americans are doing most of the work in adding new words to the English tongue. The English themselves, he thinks, have done little.

"My conception of a liberal education is the development and expansion of native intelligence."—Lawrence A. Downs, president of the Illinois Central Railroad.

"In the last few decades college courses have been subdivided . . . (until) the present day student, to learn about all the aspects of a given field, would have to spend at least one-fourth of his college time on that subject."—Karl R. Douglass, professor of education at the University of Minnesota.

IT'S A CUTE DRESS BUT THE TRAINS SO LONG YOU CAN'T RUN IT IN TWO SECTIONS!

College students are reading more books of fiction since the "browsing" collection was placed in the reading room of the Robert F. Kidd Library, according to a statement by Miss Alma Arbuckle, college librarian. Departments requiring the most reference work are social science and education.

Not many students are at the library before 9 a. m. Busy days are Monday, Tuesday and Wednesday from 2 to 4 p. m. The reading room accommodates 120 persons, yet most students prefer the same tables, explaining "I'm out of the way here" or "I don't feel right out of my chair." Corner tables are popular as are the magazines with little newspaper reading being done.

Sexton ("Section") Wright and James Carey Woolter attended the Waynesburg-Glenville basketball game at Waynesburg, Pa., the past Wednesday night. They were accompanied by "Dick" Stalnaker, who is home from Akron, O., for a visit with his parents, Mr. and Mrs. Jennings Stalnaker, of Grass Run.

Merry Maidens' Movie Moments

SCREEN SHOWINGS, CURRENT AND COMING

By L. Mason and E. Harrison

A busy month is in store for movie goers. Among the pictures coming are "Tovarich," "45 Fathers," "Live, Love and Learn," "Firefly" and "Love and Hises."

Those coming this week are: "This Way Please" with Buddy Rogers and Betty Grable, tonight and tomorrow night. "Ali Baba Goes to Town" with Eddie Cantor, Tony Martin, Roland Young and June Lang Friday and Saturday; and "Conquest" co-starring Greta Garbo and Charles Boyer Sunday and Monday.

CINEMA CHATTER: In the picture, "Conquest," Greta Garbo wears jewels worth \$1,500,000 that were presented by Napoleon to Maria Louise at the birth of their son L'Aiglon in 1811.

Joan Davis likes beer for breakfast . . . W. C. Fields calls his socks "droopies" . . . Moderation is a la Hollywood: At the new home, Robert Montgomery has garage space for only eight cars . . . Clark Gable has a stand-in who wears his hats a

week in order to get rid of that unfashionable "too new" look.

CAMPUS CHATTER: We've heard that: J. Arthur dangles remind some people of Gable, Johnson Burk may not look like a Robert Taylor but is one and that John Barnett, with his new mustache is almost a double for William Powell.

MOVIE DICTIONARY: EXTRA: Home brew with a taste for champagne. HOLLYWOOD: A slice of heaven. HOLLYWOOD BOULEVARD: A cow path that thinks it's Garbo. CHARACTER ACTOR: A beard supporting a blonde. A hot little baby. BRUNET: Clark Gable.

ETTE: A lady who expected too much of love. RED-HEAD: Your choice and mine. (This number is to be sung with music.)

We nominate "I Met Him in Paris" for the best picture of the past week . . . Don't say anything about it, but we saw Frank and Leah mingling with the College crowd at the theatre recently—Our favorite couple of the week.

The Collegiate World

R. L. Thorndike, noted psychologist at George Washington University, has discovered the following facts: The average student considers it worth \$142.50 to pass a course rather than fail; \$1250 to go to college for a year; \$900 to graduate with honors . . .

The average trade places the same value, \$500, on both Ford and Lincoln; would pay \$60 to play golf . . . The average coed thinks any improvement in her appearance worth \$500, and a trip to the South Sea Islands should command \$1000 . . .

There was once a college boy who wanted to be a river because he could always lay in bed, down two banks, and follow his own course . . . The average college man has 12,000,000 brain cells . . .

The "College Swing" the latest dance craze in the West is making a strong bid for national recognition . . . A certain college coed thought that life was one long date, but she soon found out that dates change almost every night . . .

Police questioned 13 University of Tulsa students recently, whom they suspected of being "grave robbers," only to find that they were just finishing a hell week assignment—copying data from tombstones on orders from their fraternity "brothers." . . . Katherine Hepburn, when she visited Randolph-Macon College, was overwhelmed by the males of that institution . . .

The University of Arizona recently enrolled four new "students" from Africa. They were Rhesus monkeys that will be used to study teeth decay . . . Students at the University of Kansas City are such sleepy-heads that Dean Glen C. Bartle had to enlist the aid of the student council to keep them awake in the "browsing room," but the councilors went to sleep too.

Robert F. Kidd Library

(By Marmel Brown)

College students are reading more books of fiction since the "browsing" collection was placed in the reading room of the Robert F. Kidd Library, according to a statement by Miss Alma Arbuckle, college librarian. Departments requiring the most reference work are social science and education.

Not many students are at the library before 9 a. m. Busy days are Monday, Tuesday and Wednesday from 2 to 4 p. m. The reading room accommodates 120 persons, yet most students prefer the same tables, explaining "I'm out of the way here" or "I don't feel right out of my chair." Corner tables are popular as are the magazines with little newspaper reading being done.

Sexton ("Section") Wright and James Carey Woolter attended the Waynesburg-Glenville basketball game at Waynesburg, Pa., the past Wednesday night. They were accompanied by "Dick" Stalnaker, who is home from Akron, O., for a visit with his parents, Mr. and Mrs. Jennings Stalnaker, of Grass Run.

MEDILL SCHOOL REORGANIZES

Will Be Operated on Professional Basis; Separate Institution

Evansville, Ill.—(AACP)—Reorganization of the Medill School of Journalism of Northwestern University to make it what is reported the first school of its kind to be set up on a professional basis has been approved by the university's board of trustees.

Approval was also given to establishment of the Medill school as a separate school of the University and appointment of the present director, Kenneth E. Olson, as dean.

The new program will extend the period of training from four to five years and increase the emphasis on "background" studies in the social sciences. The first three years will be spent in general foundation courses; the last two, in more "specialized" courses in the school of journalism.

"If schools of journalism have any justification for existence," says Dean Olson, "it is to provide the kind of educational background that a newspaper man needs, plus just enough of technical and professional courses to make their graduates immediately useful to their employers."

With the College Alumni

Russell Ellsman, S. N. '28, of Charleston, state director of the United States Farm Security Administration, was in Glenville Thursday and attended the weekly luncheon of the Rotary Club. With him was Chester C. Chase, regional chief of the tenant purchasing division of the Administration.

Normanston High School, for the first time, will be represented this year in the district high school literary contest. Miss Hazel Fisher, A. B. '37, teacher at Normanston, will enter contestants in oration and poetry interpretation. Student candidates are Harold Phillips, Berle Nicholson and Gerald Bragg, oration; Ronald Stump and Hope Kennedy, poetry interpretation.

At home with their parents, Dean and Mrs. H. L. White, over the week-end were George B. White, A. B. '36 of the state offices of the National Youth Administration, and H. Laban White, Jr., A. B. '37, a teacher in Gassaway High School.

PIONEERS SUBDUDE STRONG ST. VINCENT COLLEGE TEAM HERE SATURDAY NIGHT TO GIVE THEM THEIR 23RD STRAIGHT VICTORY

Contest is Nip and Tuck Affair During First Half; Lilley High Scorer

SUBS GET INTO GAME

Glenville, "B" Team Wins Over Tony Chabut's Norton "Y" Cagers, 64 to 31

Playing a next-to-last game of the season, Glenville college's fast-moving basketball combine, one of the nation's few undefeated teams, humbled a stubborn St. Vincent Bearcat aggregation, 66-56, before an overflow crowd, Saturday night.

The triumph, the Pioneers' 23rd consecutive win of the year, was Glenville's second victory of the season over the Saints. Including a string of ten wins last year, the Pioneers have now won 33 straight ball games.

Nip and Tuck Affair

During the first half the contest was a nip-and-tuck affair, the count exchanging hands twice before the Pioneers pulled away from the Saints. About midway in the period Glenville had obtained an 18-10 advantage, but the battling "Cats overhauled the White Wave, and went into a temporary 23-22 lead. Just before the half ended, however, the Pioneers turned on the heat and were leading 32-25 at intermission.

Starting the final chapter fast, Glenville soon increased its margin to 39-27, and from that time on there was no doubt as to the outcome. After the Pioneers, paced by Lilley, had amassed a 61-43 advantage, Coach Rohrbough kept a string of substitutes running into the fray, and it was against this troupe that the Edwards clan was able to cut down Glenville's margin.

Lilley Leads Again

Albert ("Abe") Lilley took high-scoring honors, collecting 27 points on eleven buckets and five fouls. Evans, Bearcat forward, placed second and was high for the losers with 15 markers. Romano, Martino, and Davies turned in their usual excellent floor games, while Nath, Lilly, and Bruner played best for St. Vincent.

In a preliminary game the Pioneer "B" team smothered Tony Chabut's Norton "Y" cagers by a 64-31 tally. Wolfe, with 24 points, and Musser, potting 16 tallies, were the spark-plugs for the seconds, while Sylvesters, collecting 18 points, was outstanding for Norton.

During their two-day invasion of the northern part of the district last week, the Pioneers tripped Bethany, 61-57, and smashed Waynesburg, 57-44.

Many Alumni See Game

Among the alumni and former students here Saturday night for the Glenville-St. Vincent game were Truslow Waldo, of Elizabeth; Mr. and Mrs. T. J. Arnold of Spencer; Gara Oles, and Richard Prim of Grantville; Paul Fulk of Weston; Winifred White of Bridgeport; Julia Miller of Spencer; Chando O'Dell of Hominy Falls; and Elwin Wilson of Elizabeth.

GIVES GREK LETTER STORY

Russian Painter Says First Fraternity Pin Was a Fish

Beloit, Wis.—(ACP)—A Russian painter who is doing murals in the remodeled chapel of Beloit College has given students there the story of the first Greek letter fraternity.

One of his murals, part of a set symbolizing early church history, has the letters IXTUS in Greek printed above a blue fish. The painter explained that in the days of Roman persecution of Christians it was necessary for them to operate secretly. They adopted for their password IXTUS which, while meaning "fish," also stood, in Greek, for the first letters of the phrase, "Jesus Christ, God's Son, Savior."

Thus a group of Christians were the first Greek letter society, and the first fraternity pin was a fish.

Glenville to Meet Bethany
Five Seniors to Finish Careers
New River State vs. Glenville.

The mighty Pioneer cage clan, after bowling over 23 straight foes in one of the most thrilling court campaigns ever attempted by a Glenville team will close its season here Wednesday evening, entertaining John Knight's Bethany Bisons. If the Pioneers can scale this hurdle, they will give Glenville an undefeated season—a rare achievement in collegiate basketball history.

The Bethany setto will not only be the final contest for the team, but also the last seasonal game for five Pioneer seniors. Heading this troupe are Glenville's versatile Co-captains, Frank Martino, guard; and Hillis Cottle, forward. John Marra, Earl Wolfe and Guy Bennett will also finish their collegiate basketball careers against the Bisons.

This entire quintet joined the Pioneers in the Fall of 1934, and have contributed much to the success of Glenville's unusually good record during that time. Martino and Cottle have rendered yeoman service as regular performers, and in the capacity of reserves, Marra, Wolfe and Bennett have also given excellent support to the Pioneer cause.

Russell Hardman, local sport mogul and veteran Pioneer timekeeper, will again keep time for the Little Kanawha Valley Sectional basketball tournament to be held at Spencer March 11 and 12. Hardman, a former Glenville court wizard under Biz Dawson, has been timing Glenville's home contests for the past twelve years, and is well-qualified for the job.

Because the collegiate basketball tournament is so near at hand, College officials have cancelled the Al-

derson-Broadbush game, tentatively scheduled for this week. After the Bethany game on Wednesday, the Pioneers have but four days remaining before the tournament during which time they can get a well-deserved rest. The Pioneers will open the meet this year, opposing Steve Harrick's Golden Bears of New River State College.

Glenville's recent 57-44 conquest of Waynesburg to have court fans in the Pittsburgh area gape. Prior to the "Jacket" skirmish, most of them thought that the Wolfpack, one of the district's strongest teams, would halt the Pioneers, but after the smoke of a hectic game battle had cleared away, everyone agreed that Glenville was easily the class of the sector. An alert Philadelphia Tribune cameraman appeared on the scene after the game, and snapped Rohrbough's entire aggregation.

Vignette of Sport: Here's a record for state colleges to shoot at—During the past eight years Glenville has won 91 consecutive games, losing nine—Albert ("Abe") Lilley, wearing No. 27 jersey, tallied exactly 27 points against St. Vincent—Glenville's departing seniors, Cottle, Martino, Marra, Wolfe, and Bennett, plan to enter the Clarksburg independent game tournament—Richwood Merchants, sporting three ex-Pioneers, reached the semi-finals of the Gazette state court carnival, but dropped a disheartening 24-22 battle to Montgomery—Note to intramural captains!—If you need a high-scoring forward, see Normantown's Moore, s/he's a wizard—Concluding message: "It's all right to get beat, but don't beat yourself."—Jack Dempsey—Until Tuesday, it's "thirty."

PIONEERS BOOST SEASON'S SCORES
Lilley Leads Quintet With Total of 33; Davies is Second With 279
During last week's three games, the Pioneers scored 184 points to boost their season's tally to 1434. Lilley was high for the week with 57 points, increasing his total to 339. Romano placed second, garnering 38 markers to extend his total to 171 for the season. Martino and Davies were third and fourth, collecting 35 and 28 points, respectively. Individual scoring to date follows:

THE BIG "12"

Player	G.	F.	T.
Lilley	134	71	339
Davies	120	39	279
Martino	103	49	255

PIONEERS TAKE TRI-STATE HONOR

Jess Carver Praises Locals in Sunday Issue of Pittsburgh Sun-Telegraph

Already winner of the West Virginia conference basketball title, Glenville State's undefeated cage team copped the Tri-state District gonfalon, announces Jess Carver, sports editor of the Pittsburgh Sun-Telegraph in the paper's February 27 issue.

Although the Pioneers have always been strong contenders for the coveted honor, this is the first time that they have actually been awarded it. This year's West Virginia conference crown is the fifth that Glenville has won in the past six years.

Intramurals

(By Sexton Wright)

In the hardest fought game of the season, an inspired Summers' team edged out Bickel's five the past week, 27-22. So well did Summers' team play that it was next to impossible to award individual honors. . . . Robert Butcher led the attack, however, with nine points. . . . The victory gave Summers a clean record of three wins and no losses. . . . Fred Shreve, the freshman who burned up the court recently to score 27 points, still leads "The Big Five" with 39 points.

Paced by William Whetsell, Collins' team broke into the winning column the past week. Whetsell, rangy forwardman, scored 18 points to give Collins one victory against three defeats. . . . Although not well attended, the intramural league games are rapidly becoming "big events of the evening" . . . Poor attendance at the boys' games, however, is more than offset by the unusually large attendance at the regular Round Robin games played by the girls. . . . For further particulars on the intramurals, watch next week's Mercury . . . Until then, goodbye and "thirty."

GIRLS' TEAM UNDEFEATED

Hicks and Pioneerettes Smother Court Foes, Thursday

As a result of their victories over opponents the past week, the Hicks and the Pioneerettes remain undefeated in the Round Robin basketball circles.

In a practice period Thursday evening the Hicks defeated the Green Horns, 18 to 5, and the Pioneerettes ran pell-mell over the Yellow Jackets to win, 28 to 18.

Thursday evening of this week the Hicks and the Pioneerettes will meet to unhitch the undefeated tie. Students and faculty are in to attend. No admission will be charged.

Minutes of The Faculty Meeting

Minutes of the faculty meeting in Room 101 at 4 p. m. the past Tuesday evening:

Assistant County Superintendent Marvin Cooper and Principal Earl R. Boggs of Glenville High School presented plans and made requests for co-operation of the College Faculty in connection with the Central West Virginia Roundtable meeting to be held here April 1 and 2.

Adopted a modified plan of holding final examinations in the College. Instead of using final recitation periods as was done at the close of the first semester, a single 2-hour period for each examination will be used.

But, unlike the former plan, no provisions will be made for multiple sections. The modified plan will make possible the holding of all final examinations within four days.

Reported six new courses to be included in the next college catalog.

Voted to prepare a composite letter made up of contributions of all members of the faculty for use in connection with Pioneer visits and in other ways.

Heard that in the first semester out of more than 1800 grades given there were 72 F's 20 I's and 8 E's; that 170 class-change cards were issued while only ten have been written so far this semester.

Considered plans, courses, and faculty for the summer term to begin on June 6.

"The thirst of desire is never filled, nor fully satisfied."—Cicero.

Parker C. Black

Parker C. Black, above, a member of the program committee for the central West Virginia Roundtable to be held here April 1 and 2, has been principal of Widen High School in Widen for many years. Under him are eleven teachers who have been trained in the College. Former G. S. T. C. students teaching at the present are: Mrs. Evelyn Elder Elliot, S. N. '36, Lloyd Elliot, A. B. '37, Mrs. Ruby Westfall Belt, A. B. '36, Mrs. Phala Woods, S. N. '22, Linn Hardman, S. N. '31, Miss Tressie Bailey, S. N. '27, Miss Oreta Holbert, A. B.
