Fourth Accession Book Started

More than 15,000 books, documents and pamphlets have been received at the Robert F. Kidd Library since 1915, Miss Laura Ann Miles and Miss Alma Arbuckle, College librarians, announced yesterday. The fourth accession book, which is the official record of each volume added to the library, was started yesterday.

HUNTER WHITING TO TALK TONIGHT

Instructor in Foreign Languages to Address Junior Woman's Club

Hunter Whiting, instructor in foreign language in the College, will be the principal speaker at the Junior Woman's Club meeting tonight in the social room of the Methodist Episcopal Church. He will discuss Wagner's "Ring of the Nibelungen."

Other program features will include a review of current events, by Mrs. C. O. Gerwig, and special music by the College Trio, composed of Miss Eleanor C. White, violin, Mrs. A. F. Rohrbough, cello, and Miss Bertha E. Olsen, piano. The trio will play three arrangements by Kreisler.

Miss Lestelle Lorentz, A. B. '36, is president of the club, and several College students and alumni are members.

Azeleen and Ernestine Bowen in Looneyville. Geraldine Cunningham visited her parents in Tanner. Lucille Spray at home in Hurst, also visited in Weston.

Edwina Thorne in Elizabeth. Robert Gibson in Kingwood for a visit to see the sectional tournament.

Kathleen Kemper at home in Harrison County, accompanied by Mary Holland.

The newspapers of Argentina are the only ones in South America able to speak freely of all matters.

Former Governor John J. Cornwell Once A Farm Lad and Country School Teacher

Before he was governor of West Virginia or counsel for the Baltimore & Ohio Railroad, or had received honorary degrees from leading universities of the United States, John J. Cornwell, of Romney, was a pedagogue in the public schools of his native state. When he was 17 he taught in the country schools of Hampshire county and at the age of 20 he was principal of the Romney school.

These are the experiences he will be remembering most when he addresses the members of the Central West Virginia Roundtable at the opening session in the College auditorium, Friday morning, April 1.

Mr. Cornwell will be speaking that day from the same platform from which one June day several years ago he addressed a graduating class from Glenville State Normal School when he was governor of West Virginia.

Not only is he familiar with the problems of school teaching from the point of view of the teacher behind the desk, but he knows from actual experience the problem of the country schoolboy. He, too, was once a "barefoot" boy trudging his three miles daily to and from the district school. In those days he may not have known of Mark Twain's "jumping frog," but he did know how to catch them and how to make this knowledge bring him the first 50 cents he ever earned. Strangely enough, this money was paid him by Samuel Spencer, vice

JOHN J. CORNWELL

president of the Baltimore & Ohio Railroad, for catching frogs for fish bait.

Experiences and interests which have taken him from the life of a farm lad, by way of the teacher's desk and the editorial rooms of a country newspaper, to such positions of power and influence as he has held, must have furnished him with a composite picture of life in West Virginia. With this fund of knowledge at his command, Mr. Cornwell can discuss with authority the theme of the Roundtable meeting, "Educational Responsibility," from the point of view of the layman, teacher and administrator.

Student Primary Election Will Be Held Tuesday, March 29, Announces Garrett

Youth Makes Third "Pilgrimage"

Washington, D. C.—On March 10, 11 and 12, the American Youth Congress made its third "pilgrimage" to the capital in an effort to induce Congress to pass the American Youth Act and similar legislation. The legislation, or most of it, in which they are interested calls for the appropriation of additional millions to aid youth and also the promotion of peace.

CONTEST IS OPEN ON ADVERTISING

College Students Will Be Given
Opportunity to Try for
\$1000 in Cash Prizes

An all-expense trip to Detroit, plus a total of \$1,000 in cash prizes, is being offered to college students in a prize competition for essays on "How Advertising Benefits the Consumer," which is now being conducted by Advertising Age, national advertising newspaper.

Undergraduate students in any college or university are eligible to enter the contest. Essays are limited to 1,000 words, and must be mailed before midnight, April 17, to the Contest Secretary, 100 East Ohio Street, Chicago.

The writer of the best essay will receive \$250 in cash, plus an all-expense trip to Detroit. Second prize is \$100, third prize is \$50, and ten honorable mentions of \$10 each will also be awarded.

STUDENTS NEED BROAD TRAINING FOR DEMOCRACY

College and university students should be given a broad training for active participation in a democracy, and not a specialized training for work in governmental agencies. This was the conclusion reached by more than two-score college and university presidents after a symposium on civic education at the University of Cincinnati recently.

Judge Alvin J. Barnhart Dies

Alvin J. Barnhart, judge of the Kanawha County intermediate court, and an alumnus of the College, died suddenly of a heart attack early yesterday morning at his home, 1571 Dixie Street, Charleston. Judge Barnhart, for several years was active in state politics, formerly serving as a member of the state senate from Kanawha County, and during the 1937 session of the Legislature he was chairman of the Senate Finance Committee. He is survived by his widow and two sisters.

March 29 is the day set by Denzel Garrett, president of the student body, for the primary election to choose candidates for the general student body election.

The following students were named by Mr. Garrett to serve on the election counting board: Paul Mason, Mary Lola Hawkins, James Osbourne, Wilma Bransford and Andrew Edwards.

Students nominated by the student body and the election committee to run in the primary are: President, Richard Dyer and Clifford Garrett; vice-president, Ralph Mendenhall, Barbara Hausman, Earle Bickel and John Rogers; secretary, Susan Summers and Marjorie Craddock; treasurer, J. Arthur Butcher and Ernestine Harrison; sergeant-at-arms, Earl McDonald, Harold Norowski, Sterling Cunningham and Woodrow Shoven.

Voting booths will be open on March 29 from 8 p. m. until 12 o'clock noon. In the afternoon voting may be done from 1 until 4 p. m. Votes will be counted in room 203 immediately after the voting has ceased.

The two candidates receiving the highest number of votes for each office will be eligible to run in the general student body election, which will be held April 12.

Dr. Ambler of University Is Guest Speaker at Woman's Club Meeting

Dr. Charles H. Ambler, head of the History department at West Virginia University, spoke last night at the Methodist Episcopal Church to an audience of more than seventy-five students and townspeople on the subject, "Annie Pierpont Siviter—West Virginia's Only Sister."

Dr. Ambler's appearance here was sponsored by the Glenville Woman's Club. He remained in Glenville last night and spoke at 10 o'clock this morning to the assembly of the College.

In his talk last evening Dr. Ambler gave a biographical sketch of Annie Pierpont Siviter, daughter of Francis H. Pittman, an early Governor of Virginia, pointing out her contributions to West Virginia literature, and her socio-economic activities in Western Pennsylvania and West Virginia.

Annie Pierpont Siviter was born at Fairmont, West Virginia and attended Fairmont State Normal School. She later continued her education at a seminary in Washington, Pennsylvania. Although her early childhood was spent in Western Virginia, she moved to Pittsburgh when she married William H. Siviter. "Her success," Dr. Ambler said,

ALL-SCIENCE DAY GUESTS TO HEAR ELECTRIC ORGAN

C. A. House Company, Wheeling,
Will Sponsor Concert
in College Auditorium

PROGRAM OPENS AT 8:30

Hundreds of Attractions Planned
for 7th Annual Event Under
J. R. Wagner's Direction

Glenville State Teachers College's seventh All-Science Day will have an electric organ for an accompaniment this year, and there'll be plenty of music "to swell the breeze" in case one of those hydrogen sulphide generators goes phooey.

John R. Wagner, director of the All-Science Day, the new name for Chemistry Day, announces that the C. A. House Company, of Wheeling, will sponsor a Hammond electric organ concert here Friday evening, April 8, at 8:30 o'clock as an overture to the opening of all the hundreds of scientific gadgets and exhibits which last year attracted a crowd of more than 1,100 high school students, teachers and parents.

The organ, which will be the second of its kind to be brought to Glenville in the past two months will be played by F. Oliver Edwards. In addition to the Friday night concert, there probably will be a few short intervals of organ music played during the program on Saturday.

Many persons in a Glenville audience heard their first electric organ recital here February 25, when James Robert Gillette and his chamber orchestra appeared on the College gymnasium program.

Mr. Wagner says plans for the two-day program are nearly completed and announces that copy for the program will go to the printers soon. Exhibits from all sections of the United States have been arriving each week and these will be added to the hundreds of displays now stored in glass cases on the second floor of Administration Hall. Among the more recent contributions are three displays of artificial leather, lucite and plastic from the E. I. DuPont Company, samples of cloth from the Nena-Wet Corporation, plastics from the Carbon-Carbide Company and oil products from the O'Brien Paint and Varnish Company.

George Firestone in Hospital

George Firestone, the College's veteran janitor of forty-three years' service, is a patient in the Weston Medical Center, where he went on Saturday, March 5, to receive hydrotherapy treatments for arteriosclerosis. During his absence the janitor work here is being taken care of by H. G. Law.

Good Government Week

West Virginia Wesleyan College's second annual observance of Good Government Week will be held from April 25 to May 2. Dr. Finis Crawford, of Syracuse University, will be the principal speaker.

"lies in her philosophy that happiness is found 'not in what one does, but in what one influences someone else to do.'" "The peak of her activities was attained during the World War," Dr. Ambler said, "when she helped to organize relief units to aid the soldiers."

Aside from her civic activities, Annie Pierpont Siviter is also well known as a prominent West Virginia writer. Listed among her poems are: "To a Statute," "The Tree," and "West Virginia." About the latter poem, Dr. Ambler said, "It is this poem that has endeared her to West Virginians."

Mrs. Siviter died in Pittsburgh in 1932. Her ashes were brought back to West Virginia and interred in Woodlawn Cemetery in Fairmont.

Miss Willa Brand, instructor in English and preceptress of Verona Maple Hall, shopping in Clarksburg Saturday.

Geraldine McClain visited her parents in Weston.

Nathan is a guest of Hillis Cottle at Spencer. Both saw the sectional tournament.

Earl Wolfe at the tournament in Spencer.

NINETEENTH ANNUAL DISTRICT HIGH SCHOOL LITERARY CONTEST WILL BE HELD SATURDAY, BEGINNING AT 9 A. M.

Scholastic Leader

J. Arthur Butcher, above, of Gassaway, was the only student to rate an All-A average for the first semester. His scholastic standing was the highest of any student in the College.

CONCERNED OVER "BIG BUSINESS"

Carnegie Foundation Concerned
With American Colleges' Fight for Students

ANN ARBOR, Mich., March 15—(ACP)—Many U. S. educators are deeply concerned over the competition among American colleges and universities for students.

"It's getting to be big business," the Carnegie Foundation for the Advancement of Learning said in a recent report.

Chief cause, said the University of Michigan's Pres. Alexander G. Ruthven fortnight ago, is that the nation's institutions of higher education are seeking to outdo each other in academic and scientific fields where such competition is not warranted.

"We do not need departments of forestry in all our colleges. A few such departments in schools operating near forest regions would adequately cover the need. The same applies to other studies," he maintains.

STATE CHAMPIONS GET BIG OVATION

Pioneers of '38 Classed as Best
Team State Has Ever Had;
Trophy Presented

"This is the best team this state has ever had," declared A. F. Rohrbough in assembly, Wednesday, when he and his state championship basketball team went on the stage amid clapping and cheering by the student body. "They are as good a bunch of boys as any team could have," he said, and continued: "We don't make a sham of any sport and that's the reason we win." Concluding his talk, Coach Rohrbough presented the College its second state intercollegiate championship trophy.

Dr. E. G. Rohrbough, president, accepted the trophy on behalf of the College and reiterated what had been said in praise of the Pioneers. "Each man," he said, "has been willing to work in whatever position he was placed and to work for the good of the team as a whole and not for his own personal glory—that will always bring success."

Sinclair Lewis Nominates Hutchins

WASHINGTON, D. C.,—March 15—(ACP)—Dr. Robert Maynard Hutchins, youthful president of the University of Chicago, should be the next president of the United States. At least this is the opinion of Novelist Sinclair Lewis, who said in a recent lecture here that the famed educator is "the kind of man who could face Stalin, Mussolini and Hitler and make them feel a little ashamed."

Miss Mary K. Riddle, of Charleston, a sister of William Riddle, freshman in the College, was the week-end guest of Dean and Mrs. H. L. White.

Shirley Brown at home in Calhoun county.

Mary Allen Boggs at the tournament in Spencer.

Pearl Pickens, Chairman, Says
Ten Schools Have Already
Entered; More Expected

TO BE LUNCHEON GUESTS

Morning Program to Include Oration
and Extemporaneous Speaking;
Poetry, Debate Afternoon

Glenville State Teacher College will be host to contestants and coaches from ten or more high schools at the nineteenth annual district high school literary contest here, Saturday.

Miss Pearl Pickens, principal of Troy High School and chairman of the festival, said yesterday that she had received reservations from ten schools and that other communities will enter contestants this week. Last year thirty-six students from ten schools participated in the festival here.

Registration will take place in Administration Hall, beginning at 8:30 a. m. and the contest will get under way at 9 o'clock. Dr. E. G. Rohrbough, president of the College, will open the festival with a brief address of welcome.

Contest in Oration Comes First
Contests scheduled for the morning include oration and extemporaneous speaking. In the afternoon the contestants will compete in poetry interpretation and debate.

All contestants, their coaches and assistants will be guests of the College at luncheon in the Kanawha Hall dining room, and a brief program of entertainment will be provided for the noon hour.

Decisions of the judges will be announced at the conclusion of the contest, Saturday afternoon.

Thirty-two Contestants Entered

Schools entered and the number of contestants and coaches from each include Parkersburg, 4 contestants, 1 coach; Victory of Clarksburg, 4 contestants, 2 coaches; Roosevelt-Wilson of Clarksburg, 4 contestants, 2 coaches; Harrisville, 4 contestants, 2 coaches; Spencer, 4 contestants, 2 coaches; Calhoun county, entered but no report as to number of students and coaches; Sand Fork, 2 contestants, 1 coach; Normantown, 2 contestants, 1 coach; Glenville, 4 contestants, 1 coach; Wirt County High School, 4 contestants, 2 coaches. Total entered to date: Ten schools; 32 contestants, 14 coaches.

Winners in the contest here will enter the state contest, sponsored by West Virginia University, at Morgantown, on Saturday, April 9.

COMMITTEE NAMED TO ARRANGE FOR TEA

Committees to make arrangements for a tea to be given in the recreation room of the new dormitory the afternoon of April 1, from 4 until 5 o'clock, were named Thursday night by Miss Bessie Boyd Bell.

The committee to handle the general plans includes Miss Ivy Lee Myers, Miss Bessie Boyd Bell and R. E. Freed. Other committees are: Decorations, Mrs. E. G. Rohrbough, Mrs. Nora V. Roberts, Mrs. Leni E. Boggs and Miss Wilma Brand; refreshments, Miss Alma Arbuckle, Miss Kathleen Robertson, Miss Grace Lorentz, Miss Laura Ann Miles, Dr. C. L. Underwood, E. E. Grose and John R. Wagner.

Miss Bertha E. Olsen will be in charge of special music, and Margaret Christie Williams will be in charge of placards and posters.

Winifred White, S. N. '37, and Paul Fulk, A. B. '37, were Sunday visitors in Glenville.

Campus Weather

Tomorrow, cold; Thursday, moderating; Friday, fair; Saturday, fair; Sunday, warm; Monday, pleasant; Tuesday, variable.

Tomorrow the sun rises at 6:16, and sets at 6:08.

OUR WINNING TEAM

In characteristic fashion the College basketball team has again reaped honors for itself and has brought added recognition to the College. The winning of three coveted titles West Virginia conference champions, tri-state district champions, and West Virginia intercollegiate tournament winners—is no mean achievement for any college team in one season, and constitutes a record of which any school might be proud. And evidently the College is fully appreciative of the honors won.

The fact that the College team has persistently won throughout the past season can be attributed only to unusual physical fitness of the players, a high degree of mental alertness, excellent group cooperation, and coaching unduly competent leadership.

The team is deserving of all the recognition it has won for itself and for the College. No less, however, should be our recognition of the admirable quality of coaching which A. F. Rohrbough has given the players. Aside from his excellent coaching abilities, Coach Rohrbough has succeeded admirably in imbuing each player with the quality of sportsmanship and desire for winning games which cannot fail to make a successful team. To the victors we extend our heartiest congratulations, and may many more trophies be won for the College as a result of excellent sportsmanlike performances.—Jarrett Jones.

A BIGGER CONTEST AWAITS US

The tournament is over! We are justly proud of the trophies brought back and the fine sportsmanship displayed by the team and the rooters. But a bigger contest now awaits all of us.

Will we in June, be able to look back upon our scholastic record of this semester with as much joy and satisfaction as we do the splendid record of an undefeated season in athletics? Will we be winners over all back work, wasted moments, spring fever, the "love bug," nice sunny days, and a thousand and one other ills to which all students are susceptible. Will we know in these final weeks of school that we did the best we could?

If we can answer in the affirmative, we have been participants and victors in the most important contest of our semester here. If we have to answer in the negative, we have been poor players.—Lela Susan Wright.

FREEDOM AND THE AMERICAN WOMAN!

"The American woman is the luckiest woman in the world and doesn't know it," asserted Anna Stacey Richardson, director of the consumer division of Crowell Publishing Company, in an address before the Indiana editors and publishers meeting at Indianapolis recently.

Women in the United States seem unaware of the great freedom they enjoy—freedom attained by democratic and a high respect for women. Often they fail to appreciate their social and political privileges which are at present unequalled in any other country.

Mrs. Richardson concluded, "If all American women could visit some of the European countries governed by dictators as I have, they would appreciate the freedom they enjoy."

It would be advantageous for the college women to look around and be grateful.—Russell Belknap.

GEORGE—WE MISS YOU

A timely criticism, voiced in the March 7, issue of the Mercury touched the editorial staff in a tender spot. The question of appreciation was stressed and a challenge made. What is appreciation? Is it that thing which causes one to parade with the mob and yell himself hoarse? No! Appreciation is something deeper than that—it is that thing within that lets one know who it is and what it is that makes the wheel turn.

"Bread is the staff of life," yet how many there are who will sit at the table and never give a thought until it is gone. Then they yell, "Bread! Bread! Give us bread!" Then again if a college professor does not meet his class someone asks "is he sick?" Then the whole class is apt to roar in unison, "Hooryay! No class today!"

But let George Firestone fail to put in his appearance and one understands the allusion to the "Staff of life." A group of students huddle forlornly about the radiators and look to each other for a solution. Some husky male bellows in a deep bass, "Where is George?" We want George!

We depend on George for our comfort and well-being, and many students will agree that this is more important than education. May one ask then, do we show any appreciation?—Hazel Smith.

A shop in which students may spend their leisure time pursuing their hobbies has been opened at Massachusetts Institute of Technology.

Mrs. Zoe Seever, Drake University English professor, has had in her classes nine famous writers and 15 members of the present Drake faculty.

AND SO VICTORIA

\$2.50, MacMillan.

The background is pre-Victorian England of the years between Victoria's babyhood and her ascension to the throne. It follows in detail the career of Christopher Harrieh, supposed to be the son of Princess Anella, youngest daughter of George III. Surrounded by plots and counter-plots, most of them instigated and carried out by the "wicked uncles" and their henchmen, Christopher fights his way to a cleaner and more peaceful way of life, after having cleared the way for Victoria to mount the throne to England.

On Matters Of Salesmanship . . .

Charles M. Schwab, famous builder of the Bethlehem Steel Corporation, once said: "Many of us think of salesmen as people traveling around with sample kits. Instead, we are employed, every day of our lives. We are selling our ideas, our plans, our energies, our enthusiasm to those with whom we come in contact." We agree with this, and firmly believe that a study of the principles of successful salesmanship would help all of us, for selling ourselves to our employers, or selling our ideas in the classroom or in the pulpit; all these are carried out by the same psychological principles as selling wares. Most people who are successful in their work are good salesmen.

SERVES A GOOD PURPOSE

The Women's Athletic Association of Glenville State Teachers College does not compete with other schools in games, but does play with different teams in the same clubs.

It furnishes healthful and satisfying recreation for the women of the College, therefore it is good. New members are still being added. Activities represented in their respective seasons are volleyball, basketball, tennis, hiking and ping-pong. Others may be added later. It carries with it the idea of friendly healthful competition in the College. If you are a girl, then go for one of these sports. You'll enjoy it.—L. P. D.

A FEW OBSERVATIONS

College co-eds crave a bit of refreshment almost every afternoon between three and five o'clock. Four

out of every five drink coca-cola, while a few who wish to preserve that girlish figure drink a "rickie."

Often they linger to talk over the problems of the day or cast wistful glances at the person across the table. At times two or more drinks are consumed before the conversation has been completed.

Ice cream seems to be most popular with college men. Three out of every five eat ice cream, while milk shakes run a close second. The favorite cream is "whitehouse," better known as cherry-vanilla. About two out of five ask for this flavor.

The same persons appear almost every afternoon and order their favorite drink. Many of the young people spend on an average of thirty minutes an afternoon sipping a coca-cola or bar of candy before starting the evening grind at their books." H. W.

What was the original BONEFIRE?

In the Middle Ages, when wars and pestilence ravaged England, fires for the burning of corpses were an everyday necessity. BONEFIRES (fires of bone) they were called. Later, when the custom of burning heretics at the stake became common, BONEFIRES was the name applied to the pyres of these victims. The same term was used to designate the burning of symbols of heresy or other proscribed articles. Later its meaning extended to open-air fires for public celebrations or sport—but by this time in the less gruesome spelling BONTFIRE, which today is a comparatively harmless word despite its grim history.

Coach Rohrbough Turns Out Tri-State Victors, Conference Champs and State's Best

Coach A. F. ("Nate") Rohrbough's mighty Pioneer cage aggregation wound up one of the most brilliant and spectacular basketball campaigns in the history of the school last Tuesday evening at Clarksburg, trouncing a stubborn Alderson-Broadus five, 52-42, to win its second straight West Virginia Conference tournament championship.

Already winner of both the West Virginia Conference and Tri-State district titles, the Pioneers finished an undefeated season in a blaze of glory, boasting of a string of 28 straight wins. Combining 10 straight victories last season, Rohrbough's formidable aggregation has now bowled over 38 teams.

Glenville's victory over the Bat-masteful floor games for the Pioneers to square accounts with the Pylemen for the 47-38 shelling the Baptists handed them in the semi-final round of the 1936 meet. However, the Barbour countians were in the ball game most of the way. Glenville held a slim 22-19 margin at the half and were out in front, 39-33 at the third period, but the Pylemen wilted under the Pioneers' hard, driving attack in the final chapter, and were on the short end of the count at the whistle.

While Griffith, A-B center, led all scorers with 20 points, Captain Martino and Romano, paced Glenville with 13 and 10 points, respectively. Davies and Cottle turned in masterful floor games for the Pioneers as did McMillen, subbing for Lilley. Manning and Hinzman starred for the losers.

The Pioneers moved into the finals by demolishing New River State, 61-36, in the preliminary round, smothering Shepherd, 69-43, in the semi-finals, and drubbing Salem, 59-37, in the semi-finals. Alderson-Broadus drew a bye in the first round, trimmed Morris-Harvey in the tri-finals and shellacked Potomac State in the semi-finals.

Intramurals

(By Sexton Wright)

Unleashing a consistent attack of tolling shots, the unbeatable Summers' five roundly trounced Keister's team the past Wednesday evening, 40-20. . . . Robert Butcher again took high scoring honors with a total of 15 points, which enabled him to capture the lead of the "Big Five." His team-mate, Summers, was close behind with 14 points. . . . Summers' record now is five wins and no losses, and it begins to look as if he might have the intramural championship cinched. . . . With the college and high school schedules completed, games now probably will be played regularly.

No definite plans have been made for the intramural tournament, but indications are that it will be held this week. . . . If a tournament is held, we pick Summers to take the honors. . . . It is our opinion that it will not be a walk over for anyone. Bickle and Bohensky will be there with their teams and will be ready to go.

Tournament Sidelights

(By Richard Dyer)

Sponsored by the Roy E. Parrish Post of the American Legion, the fourth annual West Virginia Conference basketball tournament again proved to be a gigantic success, financially and otherwise. The sessions were well-attended, and barring Glenville's games, the fans were treated with interesting court debates.

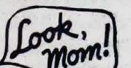

Prior to the New River game someone asked Jasper Colebank, Fairmont mentor, who would win. The genial Fairmont pilot adjusted his specks, took a chew of Mail Pouch, and smilingly retorted, "Why Nate Rohrbough could leave his first team in Glenville and still win a walk."

Fairmont, D & E, A-B and Glenville vied for cheering honors, with the Glenville and Salem delegations easily stealing the show. No cheering cup was awarded, but this department as well as the majority of the spectators (barring Salem's) agree that our own little mistresses, Moss, Lusk, Bumgarner and Wolfe, would have brought home the bacon had there been.

What added to the interest of the final game between Glenville and A-B was the fact that Rex Pyles, Battler mentor, once played basketball under Coach A. F. Rohrbough. It wasn't a case of pupil triumphing over teacher this trip, was it, Rex?

Against Salem in the semi-finals, the Pioneers were unaffected by the three-game charm. Already victorious over the emboldened Tigers twice during the regular season, the blue and white went after them hammer and tong, and completely out-fought, out-manuevered and out-guessed the down-trodden Tenmills from the start.

HICKS PREDOMINATE GIRL'S LEAGUE

With the conclusion of the 1938 basketball season so near at hand, Mr. and Mrs. John Fan are looking forward to the various cage tournaments that are to follow—Cape festivals that will get special attention this Spring. Of course the majority of them would be content with the intramural league, but with such a wealth of by-chasers, slabsters and clouters available, we are wondering why Glenville cannot sponsor a team.

Vignette of Sport—Maxie ("Proud PaPa") Baer's smashing victory over Tommy Farr last Friday seems to have elevated the Livermore Larruper in the pugilistic world—AP reports state that the ex-champ is serious about his comeback, and is booked to meet the winner of the Louis-Schmeiling fight carded for June Frank Martino played with the Clarksburg Collegians Sunday against the Akron Goodyears. Congrats to Albert ("Abe") Lilley for making Jess Carver's Cold Medal basketball team.

Frank Martino was placed on second team and Robert Davies was given a honorable mention—Widen's high scoring forward, Chapman, was held to four points by Clay Martin's Gassaway eagles last week—W. V. U. finally broke into the win column last Saturday, trimming Pitt's Panthers, 38-35.

According to Clare Abbott, Fairmont Times sports writer, Max Hamman's plan for selecting Marshall over Glenville to represent this section in the National collegiate basketball tournament was that the meet was a Class "B" affair, and that he did not want to place a team of Glenville's calibre in such a category.

GROUP COMPLETES ROOMS, MEALS DATA FOR ROUNDTABLE

Committee Gives Assurance
That Restaurants, Hotels
Can Care for Guests

CAN FEED 1200 OR MORE

Rooms, Single or Double, Will be Available for All Who Care to Remain Over Night

Programs for the annual meeting of the Central West Virginia Roundtable were sent to the printer the past week and they probably will be ready for distribution within the next few days, announce local officials of the organization.

This year, since the Roundtable meets in Glenville, the College will be made the center of activities and all general sessions will be held in the auditorium, which will seat approximately 700 persons. Additional seating space, if needed, will be provided for in nearby classrooms in which a public address system will be installed.

Members of the local arrangements committee yesterday gave assurance that there will be adequate facilities in the city for serving meals to the 1,000 or more visitors who expect to attend. A survey of local restaurants, hotels and confectioneries reveals that as many as 1,200 persons can be accommodated at meal times. Also a survey made the past spring reveals that sleeping rooms, either single or double, will be available for all those who expect to remain over night.

One of the major problems now being considered by the officials is that of parking facilities. Although no definite arrangements have been made, Roundtable leaders have expressed a desire to assist in providing parking grounds sufficient to take care of all cars. Both state and city police officers will assist in handling the traffic. Information concerning the program follows:

Friday morning, 8:30 enrollment in Administration Hall; Room 104 for men's coats and Room 103 for women's coats. 9:30 to 12 first general session, College auditorium. Friday afternoon, 1:30 to 3:00, rural section, College auditorium; high school section in Room 209; grade section in the high school auditorium, and the administrators in Room 101. From 3:10 to 4:00, general session, College auditorium. Friday evening, 7:30 to 9:00, evening session, College auditorium. Beginning at 9:00 o'clock there will be an entertainment in the gymnasium.

Saturday morning, 8:30 to 11, Room 203 will be open for voting. From 9:00 to 11:00, rural section in the College auditorium; high school section in Room 209; grade section in the high school auditorium. A general session will meet in the College auditorium from 11 to 12.

MISS BRAND HOSTESS AT TEA SUNDAY AFTERNOON

The Verona Majel Hall girls drank a cup of tea with Saint Patrick and Miss Wills Brand, preceptress of the hall, Sunday afternoon from 3 to 5 o'clock.

Tea was served in Miss Brand's office, which was lighted only by green candles. From the center ceiling light were hung streamers of green Shamrocks.

All the decorations and refreshments carried out the green color scheme even to two pigs on the serving table. The only part of the refreshments not green were tan candied miniature Irish potatoes.

Miss Winifred White, S. N., '37, was a special guest and sang several Irish songs.

Several members of the College faculty were present.

JUSTINE WIMER AND MR. WILKES MARRIED

Announcement has been made of the marriage of Miss Justine Wimer, a daughter of Mr. and Mrs. W. R. Wimer, of Lightburn, and James E. Wilkes. The ceremony was performed on November 13, 1937, at Freemansburg. Mrs. Wilkes is a former student in the College and for the past four years has been teaching in Lewis County.

Fitzpatrick Convalescing At Home

Doy Fitzpatrick, plumber and electrician in the College, is convalescing at his home on Main Street after having undergone an operation for varicose veins at the Mountain State Hospital in Charleston. He probably will be able to return to his work here in about two weeks.

St. Patrick's Day Decorative Motif Used At Faculty Club's Dinner at M. E. Church

(By Elizabeth Lewis.)

Decorations to represent St. Patrick's Day were carried out at the faculty dinner held in the recreation room of the Methodist Episcopal Church the past Thursday night. The tables were decorated in green and white with a bowl of Irish potatoes as a center piece. Potatoes were used for candle holders and favors consisted of bags of green and white candy.

The menu consisted of shredded chicken, green beans, mashed potatoes, bread, relish, jelly, hot rolls, perfection salad, apple pie a la mode and coffee. The Ladies Aid of the church served.

Those who attended were: President and Mrs. E. G. Rohrbough, Mr. and Mrs. R. E. Freed, Dr. and Mrs.

J. C. Shreve, Mr. and Mrs. A. F. Rohrbough, Mr. and Mrs. C. W. Post, Dr. and Mrs. C. L. Underwood, Mr. and Mrs. L. B. Hickman, Mr. and Mrs. Earl R. Bogan, Mr. and Mrs. J. R. Wagner, Mrs. H. L. White, Miss Kathleen Robertson, Miss Alma Arbuckle, Mrs. Margaret Christie Williams, Miss Beale Boyd Bell and Mr. H. Y. Clark.

As a concluding feature of the dinner Miss Bell, president of the Faculty Club, appointed committees to arrange for a tea to be served in the recreation room of the new dormitory during the Roundtable meeting here on April 1.

A committee to arrange for the next faculty party includes Mrs. Leal R. Bogan, C. W. Post and John R. Wagner.
