## SENIORS TO HEAR SPEECH ON WORLD AFFAIRS TUESDAY

Dr. Lothrop Stoddard Will  
Give First-Hand Story  
of Foreign Events  
HAS TRAVELED WIDELY  
Exercises Will Begin at 10:30  
A. M. Following Program  
by Music Department

Members of this year's graduating class will hear a discussion of "America and the World" at the sixty-fifth annual commencement to be held next Tuesday at 10:30 a. m. with Dr. Lothrop Stoddard, leading authority on international affairs, the speaker.

Dr. Stoddard first gained wide recognition with his book, "The Rising Tide of Color," and the swiftly moving events of the past twenty years have proven its soundness. Since its publication, Dr. Stoddard has written many more books of profound importance and he has been a constant contributor to leading magazines, such as the Saturday Evening Post, Atlantic Monthly, Century, World's Work, Review of Reviews, Scribners and others.

One of his articles on "How the United States Can Keep Out of a New World War," appeared in the May, 1934 issue of Scribners, and during the summer of the same year he wrote a series of weekly articles for the Washington Post which were widely read and commented upon.

Dr. Stoddard is now making his home in Washington, D. C., where he has resided since early in 1933. He moved to Washington from Boston so that he might better watch developments in world affairs and thus put himself in a position to portray in his writings first-hand information. He is liberally in touch daily with the outstanding figures in the American state department in the embassies and legations of foreign powers, great and small.

The Stoddard residence in historical Georgetown is one of the salient centers of Washington.

In a recent letter to the Mercury Dr. Stoddard said, "My subject, 'America and the World,' is a realistic survey of current world affairs and America's relation thereto. Naturally it is not a cut-and-dried speech but rather a commentary and interpretation, based in part on the latest press notices."

A characteristic and forceful speaker, Dr. Stoddard's conclusions are hard to dispute, since they are based on first-hand information and sane, unbiased mental processes.

**WILL INTERVIEW STUDENTS**  
Training School Held for These Interested in Selling Silk Products

C. W. Price, representative of a nationally advertised hosiery mill, will be here next week to interview students who may be interested in work for the summer months.

H. E. Miller, college supervisor for the company, has been holding a training school here each evening for the past four weeks with approximately fifteen in the class. The last class will meet tomorrow evening.

**Student Teachers Finish Work**

Student teachers in the first and second grades will complete their work Friday, states Miss Ivy Lee Myers, director of elementary training in the College. Students in Education 218, 219, and 444 completed their directed teaching the past Friday.

**Edward G. Rohrbough, Jr. May Get Position in University of Texas**

Announcement was made here today that Edward G. Rohrbough, Jr., A. B. '33, has been recommended by the Council of Professors of English for a part-time teaching position in the University of Texas, where he and Mrs. Rohrbough are students this year. Recommendation, it is understood, means the same as appointment.

The position will require the teaching of two three-hour courses in English and will permit Mr. Rohrbough to devote a part of his time to work toward the Ph.D. degree.

## SHOWN HEADS CHEMISTRY CLUB

Will Succeed Ione Brown;  
Frederick Bell Is New  
Vice-President

Woodrow Shown, a junior, of Spencer, was elected president of the Chemistry Club the past Tuesday to succeed Miss Ione Brown, senior, of Glenville.

Frederick M. Bell, a sophomore, of Princeton, was named vice-president; Miss Wilma Brinsford, freshman, of Walton, recording secretary; Miss Rhoda Ann Bell, junior, of Palestine, corresponding secretary; Dexter Detson, junior, of Summersville, treasurer.

The new officers will take charge when school opens next fall.

## GREENBRIER SCHOOL IS OLDEST IN STATE; WAS FOUNDED IN YEAR 1812

One hundred and twenty-three years fill in the gap between West Virginia's oldest and youngest Colleges. The two extremes are Greenbrier, established in 1812, and Kanawha, 1935. Established in 1872, Glenville ranks sixth, trailing West Virginia by only five years.

Bethany, 1818, is the second oldest, while Marshall, 1836, is third by one year over West Liberty.

A list of all West Virginia colleges and the date of their establishment follows:

Alderson-Broadbent, 1876; Bethany, 1818; Beckley, 1934; Bluefield, 1895; Concord, 1876; Davis-Elkins, 1903; Fairmont, 1867; Glenville, 1872; Greenbrier, 1812; Kanawha, 1935; Marshall, 1837; Morris-Harvey, 1888; New River, 1895; Potomac State, 1902; Salem, 1888; Shepherd, 1872; West Liberty, 1838; West Virginia Wesleyan, 1890; West Virginia University, 1867.

## SENIOR PROGRAM TOMORROW

Faculty Will Go On Parade at Annual Student 'Panning'

The College faculty will go on parade Wednesday morning at 10 o'clock when the seniors present their annual "panning" under the direction of their president, Hillis Cottle.

Denzel Garrett will read the poem, Miss Josephine Riffe the class prophecy and Nathan Callaghan the class will. The faculty impersonation will be done by John W. Mowrey, Jr., and John Barnett.

At the beginning of the 1938-39 school year, all Yale University freshmen will be housed together.

**John Bohensky To Report July 1**  
John Bohensky, a senior in the College and a son of Mr. and Mrs. George Bohensky of 125 Thorn Street, Clarksburg, has been notified by the United States War Department that he has been assigned to the July class for flying cadets and is to report to Randolph Field, Texas, on July 1.

## COLUMBIA PLANS 5-YEAR PROGRAM

Objective: To Teach Teachers  
What to Teach; How to Teach

NEW YORK CITY.—(ACP)—To remove the barriers to a broad liberal education which, as a result of the rigid requirements of the states, have hampered the training of secondary school teachers, a new five-year program has been organized by Columbia University and its Teachers College.

The new plan, as announced by Dean Herbert E. Hawkes, will provide students with greater opportunity for the study of the liberal arts, and will enable them to work on a broader front when they enter the field of secondary school teaching.

"Teachers no longer occupy watertight compartments, in which they are restricted to a narrow field of scholarship," the dean explained. "Rather, they must be prepared to function in fields other than those of their greatest interest, and to cooperate in the administration of the school curriculum as a whole."

The new program will bring into a new relationship the problem of training future teachers what to teach and how to teach.

## WILL CONTRIBUTE TO L. F. R. FUND

Students Asked to Join Faculty in Honoring State Educator

Glenville State Teachers College students and faculty will contribute to the Lakin Fiske Roberts Memorial Fund, it was revealed in assembly Wednesday when Dean H. Libhan White explained the purpose of the fund, announced that a faculty contribution had been made and urged students to consider whether or not they would contribute.

The Roberts fund was created some years ago following a suggestion by Dr. J. N. Deahl at a meeting of the State Education Association. Reasons for Dr. Deahl's suggestions were the contributions to secondary education which were made by Dr. Roberts as supervisor of high schools, and the fact that he was instrumental in having prepared and adopted the first course of study for state-wide use in West Virginia.

Also attention on memorial was centered when Dr. Roberts was drowned in Cheat Lake, near Morgantown, after having saved the life of a small child.

It is planned to raise \$10,000 from the income of which scholarships will be created and made available to graduate students. The state high school principals contributed to the fund at their recent meeting in Bluefield, bringing the total to nearly \$5,000.

Glenville State Teachers College students may give their contributions to Denzel R. Garrett by tomorrow.

## Tournaments, Tennis Postponed

Heavy rains the past week caused postponement of the girls' tennis and horseshoe tournaments. Because of final examinations the girls have canceled tennis matches scheduled with Morris Harvey and Wesleyan colleges.

## DENZEL GARRETT READS OATH TO '38-'39 COUNCIL

Dyer Predicts Big Year Ahead  
For New Student Body Officers

R. E. FREED SPEAKS

Work of This Year's Officers  
Praised; Eight Objectives  
Realized

Amid the spirit of "ring out the old, ring in the new," members of next year's Student Council took the oath of office Wednesday in a ceremony which marked completion of three years of student government on the campus and brought forth speeches by Denzel Garrett, Richard Dyer and Raymond E. Freed.

The oath was administered by Garrett to Richard Dyer, Earle Bickel, Harold Noroski, James McMillen, Ernestine Harrison, Teresa Butcher and Paul Collins. Members of this year's council sat on the stage during the inauguration ceremony.

Dyer, in what he termed "my inaugural address," praised the work of this year's Council and concluded with "We can and should do better the coming year."

R. E. Freed, faculty adviser, also commended the present Council and said, "Denzel Garrett is the most active and efficient president we have ever had." He listed eight major accomplishments as follows: 1. Printing and distributing of a freshman handbook. 2. Better enforcement of freshman rules. 3. Better spirit of cooperation between students and faculty. 4. Better showing at state convention of college students. 5. Sponsoring of a guest speaker, Albert G. D. Levy. 6. Repeal of laws regarding certain forms of student misconduct. 7. Securing of a guaranteed percentage of activity fees to insure publication of a yearbook. 8. Sponsoring of Pioneer Week with visits to thirty-eight high schools.

Also Mr. Freed listed other accomplishments of the year and said the Council was in part responsible for them. These included: 1. Garrett attended student peace convention at Fairmont. 2. Payment of a (Continued on Page Three)

## CAPS, GOWNS ARE ORDERED

Academic Procession Will Form  
At Gymnasium and March  
To Auditorium

Caps and gowns for seniors and members of the faculty are expected to arrive Thursday and will be distributed at the gymnasium under the direction of A. F. Rohrbough.

On Sunday morning seniors will appear at 10 o'clock in caps and gowns for the baccalaureate sermon and will report to Room 209 for organization and for any necessary instruction. On Tuesday, May 31, both seniors and faculty will report to the gymnasium where the academic procession will be organized at 10 a. m.

The procession will be the same as of former years—seniors first, then senior class officers, faculty, state officials, the speaker, and President E. G. Rohrbough. The line of march will be from the gymnasium to the auditorium via the Robert F. Kidd Library.

## Robert Shreve in Washington, D. C.

Robert Shreve, senior in the College, left Monday for Washington, D. C., where he expects to take the physical examination required for candidates for the United States Military Academy at West Point.

## N. Y. A. Reports Due June 1

N. Y. A. advisers will give in their reports for the ninth month on or before June 1. They may be brought to room 207 on June 1 between the hours of 10 and 12 a. m. or given to Damon Starcher, announces Dr. C. P. Harper, faculty adviser.

## Barretts Have Baby Daughter

Mr. and Mrs. John W. Barrett announce the birth of a daughter, Dixie Lee, May 18. Mrs. Barrett is the former Ruby Thompson, S. N. '36, and Mr. Barrett received the A. B. degree here in 1937.

## Has Editorial in Charleston Paper

The Charleston Gazette in its Monday, May 23 issue, carried an editorial—LOOK AT WEST VIRGINIA—which was written by Lela Susan Wright and appeared the past week in the Mercury. Miss Wright, a senior, is a member of the Mercury editorial staff.

## LOCAL TEACHERS ADDRESS SENIORS

Dean White at Rosedale; Clark at Cedarville; Hickman at Sand Fork

Three faculty members of the College have given commencement speeches in various schools in Glenner County. One member will give an address in Calhoun County.

Dean H. L. White went to Rosedale Junior High School, Tuesday night, to talk on "Is This Success Worth the Effort?" in which he attempted to inspire members of the class to continue their school work.

Mr. H. Y. Clark went to Cedarville High School, Tuesday night, to deliver a talk on "Is This Worth the Effort?" in which he attempted to inspire members of the class to continue their school work.

Mr. Linn B. Wickman was at Sand Fork High School Friday night. His subject was "I Offer You Solitude." He left the impression that people, especially youth, need more time for solitude and that "there are too many people depending on too many other people to do work which sooner or later must be done."

Dr. John C. Shreve will deliver an address entitled "Getting a Foot-hold," to the eighth grade at Calhoun County High School.

## SAYS 'PRACTICAL' EDUCATION BEST

Real University Work Deals  
With Principles, And Not  
Current Problems

WASHINGTON, D. C.—(ACP)—A vigorous defense of "practical" as against "principals" training in U. S. colleges and universities was presented here by the Dr. Alan Valentine, president of the University of Rochester, at the national meeting of the American Council of Education.

"It is suggested that real university work should be concerned with principles, and not with current problems, that practical problems motivating the student in his study have a disintegrating effect on scholarship," Dr. Valentine said.

"It is not difficult to agree that a short-sighted view of what constitutes the most useful training has been a defect of American education, but this does not mean that practical problems should not dominate the university. Unless it recognizes its very practical task of developing leaders it must fail."

"Higher learning in its most effective form is derived from dealing with real situations from the effort to solve difficult intellectual problems that impinge upon life's needs," he asserted.

## Will Name Yearbook Staff

The new Student Council will hold its first official meeting tomorrow evening at 6:30 o'clock in Mr. Freed's classroom for the purpose of selecting a yearbook staff for the 1938-39 book, announces Richard Dyer, president-elect.

## American Youth in College

College and university enrollments form 15 per cent of the youth of the nation of college age.

## COLLEGE SURVEY RESULTS SHOW HERE THIS WEEK

State Questionnaire Brings  
100 Per Cent Student  
Response

DR. SHREVE DIRECTOR

Most People Prefer Glenville  
Because It Is Economical,  
Close Home

That Glenville State Teachers College serves almost completely the area in which it is located is revealed in a recent survey made here at the request of the State Department of Education.

The survey brought a 100 per cent student response and was conducted under the direction of Dr. John C. Shreve, head of the department of education.

The questionnaires, results of which were tabulated the past week and forwarded to Charleston, revealed that 179 students elected to attend this college because "it is close home," and 100 because "it is economical."

Other principal reasons were listed as "curricula," "highly recommended" and "its reputation."

Among the other significant responses were the following:

"Have you been in college since initial registration? 262 yes, 95 no. Does the curriculum adequately meet your needs? 282 yes, 75 no. Do you board and room at home? 121 yes, 236 no.

How do you go back and forth daily? 24 by bus, 39 in private cars, and 55 walk.

What does it cost you per year to attend college? Average for 220 students, not including extension students, \$326.77, with a variation from \$80 to \$600. Average spent for clothing, \$69.83; for incidentals \$55.09.

Are you able to complete your college education? 214 yes, 143 no. What course are you now taking in college?

A. B. in secondary education, 51; standard normal, 91; elementary A. B., 48; teachers' training, 109; pre-engineering, 2; pre-med, 3; pre-law, 2; chemical engineering, 3.

Why did you select this course? In preparation for the teaching profession, 71; I like elementary work, 44; only one offered, 15; unaffordable, 25; quickest way to get a job, 24; most interested, 64; preferred purpose, 12; preparation for later work, 29; desire to become a better teacher, 6; preparation for chemical engineering, 5; best opportunity to get it, 8.

## HEART-TO-HEART TALK WITH CHIU D IS BETTER MEANS THAN WHIPPING

When Page Carr, a "disgruntled parent," and a senior in the College, approached the "ideal" parents in Sociology 304, Problems of the Family, he was told to first study the child and then himself in order to find the solution to his problems—the positive type of training being recommended. He was advised that a heart to heart conversation would do more than all the spanking that he could administer, and that parents miss the time of their life when they do not play with their children.

A skit, "The Relationship of Parent and Children," written by Paul Mason, assisted by Goldie Reynolds and Page Carr, was one of a series of reports prepared by the class.

## College Art Exhibit Will Open May 25; J. A. Butcher to Show Charcoal Studies

The College's annual art exhibit will open in Administration Hall, May 25, and continue until May 31, announces Mrs. Margaret Christie Williams, art instructor.

Art 202 classes will display compositions in finger painting, a modern type painting applied to the surface of paper with the fingers instead of brushes; a group of carved wooden tile, and a group of sixty waste baskets decorated with surface patterns.

The art 202 class will also display an exhibit of fifty papier-mache character statues. The material used in developing these models includes paper bags, old newspapers, paper towels, paste and paint.

The Art 201 class will present nine floral compositions painted on corrugated paper.

Art 205, the plastic design class, will exhibit a number of etched metal and glass articles including copper and silver ash trays, silver bracelets, paper knives, salad and sundae spoons and mirrors and plate glass pictures. This class will also display a group of papier-mache vases and bowls and fourteen pictorial designs in raised relief.

J. Arthur Butcher of the 204 class, will exhibit a group of charcoal studies.

### LET'S BE DEMOCRATIC

The student Council of the College has announced that proposed amendments to the Student Government Constitution may be presented to the student body for ratification or rejection. If changes in the constitution are necessary to insure a more efficient, democratic government on the campus, then we believe that such proposals will be favorably considered by the campus electorate.

Certainly the out-going Council is in a position to fully understand the need for constitutional changes which would meet the needs of a dynamic and progressive student government. The newly-installed Council has expressed its intention of being unanimously in favor of a student government that will be entirely representative of the student body. Upon this point, we believe, student government on the campus thus far has exhibited a weakness which the student body could easily set right.

Most students will agree that our constitution does not insure, through election, full representation to all groups, both on and off the campus. Under the present set-up it is possible that all Council members might be representative of only one of the campus dormitories, the town group or the commuting group. Would such representation be conducive to the particular welfare of each of these groups? We believe it would not.

As a possible remedy to safeguard against such a situation, we suggest that each of these groups in the College be given, by popular election, a representative whose status in the council would be the same in administering student affairs as that of a regular Council member. Each of these campus groups has its own peculiar problems, and who could better gain the proper consideration and support of the Council in solving these problems than conscientious representatives from these same groups?—Jarrett Jones.

### STATE'S CHIEF GLORY

One of the chief glories of West Virginia is the abundance of scenery so graciously bestowed upon her. Another glory, and one not frequently thought of, is the access which West Virginians and out-of-state people have to this scenery—without cost to them.

A group of young people were standing at Hawk's Nest looking out over New River and the hills beyond. A man—a native of another state and a member of another tourist party—engaged them in conversation. One of his remarks was significant: "If this spot were in my state, it would be fenced off with about 10,000 acres of land around it, and a person would pay two dollars to get in to see it."

Whether or not the situation is as bad in his home state as he pictured it, he was conscious of a policy with regard to the natural scenery that many West Virginians do not think of. I, for one, hope that such natural beauty will not be exploited and commercialized, but will be left free for all those who want to come and see.—Lela Susan Wright.

### NEEDED: BIGGER MENTAL HOUSES

Let us enjoy the things which we have, but let us not be content with them. Let us love every inch of the tiny mental houses which we now inhabit, but at the same time let us dream of intellectual dwelling places bounded only by infinity and roofed over by the limitless sky. Not content but inspired by the food of giants of our coming generations.—S. S. Schatzler, author.

## THE HIGH COST OF EDUCATION

One is prone to reckon the cost of education in terms of dollars and cents without considering the fact that there may be a far greater price to pay. The general ignorance of consequent price is the thing that takes the greatest toll in wasted life and effort.

Education can be a paying proposition if we get the proper approach and how to the line. But the most can not be gotten from an education if we sit buried in a book unheeding of the ones around us. One of the most important phases of education is being neglected if we fail to make direct contacts with humans as humans, thus getting first hand knowledge of how to apply the education that may be acquired.

Are we willing to pay the price by coming out of college poorly equipped to live—to be men among men? Let us be ready to fill our particular niche and then the game will be worth playing.—Hazel Smith.

### NATIONAL AIRMAIL WEEK

The past week, May 15 to 21, was national airmail week—an observance to commemorate the twentieth anniversary of the first mail flight and the opening of a new world industry.

The first airmail service recorded in the United States was a flight between New York and Washington, D. C., May 15, 1918. Only day flights were attempted for many years because of the danger of flying in early types of planes. But in 1919 service began between Cleveland and Chicago, and Cleveland and New York. In 1920 airmail was carried between New York and San Francisco and on July 1, 1924, the present day and night airmail system was inaugurated. In 1927 the government relinquished ownership of the airmail to private airlines, and by 1931, seventeen contract corporations were operating.

And now present-day America's slogan is "Put wings on your mail."

### SOLITUDE AND MODERN MEN

Deep in each one of us is a stratum of consciousness as inaccessible to excitement as a subterranean lake. There lie the reserves of mental vitality which, when necessary, go into the power we command. A deliberate absence of thought, if it is in the least prayerful, is enough to help us to reach that stratum. The mere repetition of this mental exercise will soon become effortless and will not remain fruitless very long.—Abbe Ernest Dimmet, French author and philosopher, in the June Rotarian.

Three of the 1937 Pulitzer prize winning books are in the Robert F. Kidd Library: American novel, THE LATE GEORGE APLEY, by John Phillips Marquand; biography, ANDREW JACKSON, PORTRAIT OF A PRESIDENT, by Marquis James, and history, THE ROAD TO REUNION, by Paul Herman Buck.

## And Some Poetry . . . . .

The following poem, "In the Beginning," was written by Blanche Whiting Keyser, a former student. The poem appeared first in the magazine, Spirit, and on May 15, was reprinted in the Sunday issue of the New York Herald-Tribune.

### IN THE BEGINNING

Architect and Artisan  
 Shaped the pattern, made the plan:  
 Cosmic dust and primal urge . . . . .  
 Chaos and creation merge.

Energy to motion stirred  
 By the breathing of the Word;  
 Whirling atoms strike a spark  
 Flaming in the primeval dark.

Out of chaos order comes.  
 Punctured as beat of drums;  
 Blazing nebulae conspire  
 Lighting God's first alb-fire.

Eons and infinities  
 Place the shining galaxies,  
 Set in courses that endure,  
 Mathematical and sure.

Gallant Stars and nebulae  
 Wheeling through unfathomed sky,  
 Waltzing in a stately dance;  
 Man, the only arrogance!

Puny man alone rebels  
 Proudly building little hells.

## Merry Maidens' Movie Moments ON SCREEN SHOWINGS, CURRENT AND COMING

By L. Mason and E. Harrison

You'll see at Pictureland Theater tonight and tomorrow night, "Swing Your Lady" with Humphrey Bogart, Nat Pendleton, Louise Fazenda and Frank McHugh; Thursday, Friday and Saturday, "The Buccaneer" with Fredric March, Franciska Gail and Akim Tamiroff; Sunday and Monday, "We Are Like That" with Kay Francis and Pat O'Brien.

"Swing Your Lady" is the story of a slum girl who went places with two men. In "The Buccaneer" Fredric March plays the role of Lafitte, the 19th century pirate who helped Andrew Jackson win the battle of New Orleans and win the War of 1812.

**ODDS AND ENDS:** The cast for "The Buccaneer" had to be inoculated against fevers while they were shooting scenes in the Louisiana swamps . . . . . In his research work, Cecil DeMille found that Dixie got its name from early Louisiana French money . . . . . Carole Lombard was once married to Philo Vance now known as William Powell . . . . .

Joan Crawford, after twelve years with Metro, has signed for another five—can do one stage play a year if she wants to . . . . . It took radio to bring Frank Morgan his first marriage proposals. Since he has been on the air, he's received six matrimonial bids . . . . .

Al Jolson's so afraid of drafts that he stuffs and window cracks . . . . . that safety deposit vault she rents in a Los Angeles Bank, the blond wig she wore in picture role . . . . . On hot days, Robert Taylor carries two icebags.

"Mannequin" certainly attracted couples to the theater. Someone remarked that Verona Mapel Hall should be called the new men's dormitory because of the fellows who called for their "gals". Among those who saw the picture were: Woodrow and Teresa, Geraldine and Homer Lee, and John and Marjorie.

### Will Entertain Chemistry Club

Mr. and Mrs. John R. Wagner will entertain members of the Chemistry Club this evening with a party at their home in South Glenville, and also with a brief recreational program at Rohrbough Stadium.

## Thoughts This Week . . . . .

The desire of alumni of the College to contribute in some way to the progress of the College, and to lend assistance to worthy students here, because of insufficient finances, are unable to continue their collegiate education, has led to the establishing of an Alumni Student Loan Fund. Although it was established less than a decade ago, this fund has, through small contributions, grown steadily, and is reported by the administrators of the fund to be \$290.

The possibilities of such a fund certainly cannot be minimized by those who have learned the value of a college education. Each year deserving students find new hope in the fact that this fund has made it possible for them to continue their educational training to the point where it will be a valuable factor in helping them to begin earning for themselves.

Approximately seventy seniors are to be graduated this year, and will expect to begin soon to realize on their educational investment. If each graduate should make a small contribution, say no more than one dollar, it could not possibly work any great hardship on anyone, and the benefits of an ever increasing loan fund to worthy students would certainly be invaluable. Those who are interested in contributing to the fund, or who wish to borrow from it, should see or write Mr. Carey Woofor, registrar in the College.—Jarrett Jones.

# STUDENTS AND FACULTY PAY HIGH TRIBUTE TO PRES. E. G. ROHRBOUGH; DEDICATION BRINGS STANDING APPLAUSE

Ceremony Marks Thirty Years of Service for College President

**PICTURE IS UNVEILED**  
Garrett Speaks in Behalf of Student Body; Dyer Takes Part in Exercises

An applauding faculty and student body unanimously endorsed high tribute paid to Dr. E. G. Rohrbough, president of the College, in assembly, Wednesday.

The occasion was the last general student meeting of the year in which the Council presented to President Rohrbough an enlarged portrait of himself with the understanding that the picture be displayed permanently in Administration Hall to mark completion of thirty years of service.

Following an impressive unifying ceremony Denzel Garrett, Student Council president, presented the picture and in a three-minute address said:

"There could be no happier occasion than that of dedicating an event that marks the successful completion of a milestone in the life of a man who has attained profound respect and sincerest adoration of thousands of young men and women who have come to Glenville State Teachers College during the past thirty years."

"Dr. Rohrbough has been president of the College three decades. As a college president, he has served longer than any other chief official in West Virginia. That is a station in life to which many aspire but few ever attain. It is an honor, and with President Rohrbough we mutually share this glory, but we cannot feel the solemn pride that must be his to hold such distinction."

"Such honor does not come to men without merit, and I hope that those who have virtues of good character have characterized his past thirty years as guide him through many more years of success at Glenville State Teachers College."

"In behalf of the student body, it is a pleasant opportunity and a proud duty to present to the College, through the incoming student body president, a token of appreciation for our president."

Acceptance speeches were made by President Rohrbough and Richard Dyer.

2. Securing of a recreation center for commencing students.

In conclusion, Fred suggested that next year's Council consider revision of the constitution and that students take more interest in the student governing program.

As a suggestion to the incoming Council, Garrett urged that there be no discrimination between boys and girls on the campus and that the new officers hold a meeting at least once a month.

In looking forward to the semester which is intended to end my career as your servant, my feelings do not permit me to suspend the acknowledgment of that debt of gratitude which I owe to you for the honors conferred upon me, and still more for the steadfast confidence with which you have supported me.

"If benefits have resulted to our school from these services, let it always be remembered to your praise—not mine."

## Assembly Sidelights

The ceremony was impressive and left one with a feeling of completeness. One could not help but swell with pride when President Rohrbough's picture was presented—when all students stood and cheered as if they really meant it—Mary Leone West.

The ceremony reiterated the accomplishments of the outgoing Council and showed the student body's estimation of President Rohrbough.—Violet Rexroad.

The program demonstrated the progress of student government in the College.—John Rogers.

I was impressed with the whole program. I believe the Council of '37-'38 has made a lasting impression by giving the picture of President Rohrbough to the College. It was a good program because it hit the spot.—John W. Mowrey, Jr.

The thing which impressed me was the cooperation and enthusiasm which the student body showed when the Council presented the picture of President Rohrbough.—Paul Collins.

**Students Enrolled From 74 Schools**  
Seventy-four high schools are represented in Glenville State Teachers College this year. Glenville has the largest representation with 62 and Spencer is second with 38. There are six out-of-state high schools represented.

## As Other . . . Editors See It

"A party in a democracy, as I see it, is something you take or leave as it agrees or disagrees with what you believe. The problems of today are not to be settled with slogans and the methods of ten years ago. Political parties will have to develop new plans and new programs." Dr. H. W. Dodds, Princeton University president, urges collegeians to "guard against blind loyalty" to any party.

## SEIGRIST DRAWS BEST POSTER

James Paul Siegrist, son of Mr. and Mrs. Harry O. Siegrist, and a pupil in the sixth grade of Glenville public school, won second place in the Monongahela Valley dental poster contest held recently. The award was made last week at Chambersburg where posters from schools in eight counties were exhibited.

In the contest, which was conducted locally by Dr. H. E. Withers, a number of posters indicating the importance of good teeth to health were made by pupils in Glenville high school, junior high school, and fifth and sixth grades.

Paul's poster won first place in the group of posters done in the intermediate grades. Other winners in the local contest were: Intermediate grades, Carolyn Hull, second; and Lowell Williams, third; high school, Virginia Kirkpatrick, first; and Mary Jo Miller, second; junior high, Anne Withers, first.

The work was judged by Dr. Withers, Miss Alice Britton, Earl R. Boggs, Miss Mabel Fitzpatrick, Miss Drusilla Kidd and Miss Edna Stamp.

PIONEER NETMEN LOSE AGAIN  
GRADUATION TO CLAIM MANY  
GRAY PERFORMS WELL FOR BOBCATS

Of Glenville's two major athletic units, football and basketball, we can speak highly for the splendid records that they established during the past year, but coming down to the Pioneer's tennis forces we see nothing more than a sporting nightmare staring us in the face. The squad as a whole seems to have enough pep and enthusiasm, but is sadly deficient in the essential rudiments of a first class tennis aggregation.

To date the blue and white racket-wielding corps is battling a scant 333, having won but two matches, while dropping four. We could contend that a lack of sufficient practice or an abundance of inclement weather have been the reasons for the local's poor showing, but as other institutions have been confronted with the same situation, we must face the music and instead of condemning the outfit, give it a boost. A poor showing one season does not indicate that other seasons will be poor.

When Glenville State Teachers College's some 65 seniors march up to the stage to get their sheepskins next Tuesday we'll wager that one gentleman in the crowd will not feel so enthusiastic. Who? Coach A. F. Rohrbough. Why? Only because approximately one third of the graduating seniors are athletes, which means that the entire athletic department is scheduled to undergo a complete metamorphosis in the next few months.

Of course the entire ranks will not be shattered, but a valuable array of material will be lost and felt by the Pioneers, especially in the football ranks, a division that will

suffer the most. However, several reliable holdovers are available for the 1939 edition of the football squad, and judging from the attitude of this group, the Pioneers will have a speedy and aggressive gridiron machine this fall.

Next year Glenville will face much better in the basketball division. Two members, Hillis Cottle and Frank Martino, co-captains for the past two years, will be lost. Both boys have been valuable assets to the club during their four year careers, and will be missed, but will not be hard to replace. With three regulars back and such seasoned material as Rhoades, Noroski, McMillen, Munner and Whetsell ready to move in, Glenville's 1938-39 court team should again be one of the state's strong contenders.

**Vignette of Sport:** This fellow David Gray, appearing with Wesleyan's tennis team here last week, lived up to all advance notices . . . In our estimation, he is one of the smoothest collegiate tennis players in the state . . . Our own Barnett fought valiantly against him in the opening match, but just couldn't match strides with the Bobcat ace . . . Over Buckingham way they say that Gray has only been defeated in one match in his four year career . . . It's too bad that Robert Shreve was forced to withdraw from play . . . Bob's loss will be noticed . . . However, his younger brother, Fred, is coming right along, and promises to develop into a first rate performer before he finishes his career at Glenville . . . We are waiting with the greatest of anticipation for the girls tennis match with Wesleyan . . . Don't say you weren't informed.

## Students Make Survey to Find Reading Tastes of College Faculty

By Marnel Brown

A "book-we-like" survey made the past week among the College Faculty revealed that reading tastes differ and are influenced by respective teaching fields. The book, "Return to Religion," by Link, was favored by four instructors and Dale Carnegie's "How to Win Friends and Influence People" got two votes. Others to be favored by at least two teachers were "Drums Along the Mohawk," Edmonds; "The Return of the Native," Hardy; and "Of Men and Music," Taylor.

Complete results of the survey are as follows:

President E. G. Rohrbough, "Kipling's Poems" and Virgil's "Aeneid"; Laura Ann Miles, "Little Women"; Alcott; "The Story of Ferdinand" by Munroe Leaf; "Of Men and Music" by Deems Taylor; "Life with Father" by Clarence Day.

Hunter Whiting, "The Return of the Native" by Hardy; "A Walk After John Keats" by Nelson Bushnell; "Apples Be Ripe" by Ilsewilly Powys; and "The Story of Fredinard" by Link.

Kathleen Robertson, "Ponythe Saga" by Galsworthy; "Man the Unknown" by Alexis Carrel, and poetry of Dickinson, Vachel Lindsay and Lew Saret.

H. Laban White, "How to Win Friends and Influence People" by Carnegie and "Be Your Age" by Marjorie Barstow Green.

E. R. Grosse, "Animal Geography" by Hesse; "Taxonomy of the Flowering Plants" by Johnson; and "Animal Ecology" by Pierce.

Linn B. Hickman, "The Editor and His People" by William Allen White, Native" by Hardy; "The Mill on the Floss" by George Eliot.

Carey Woodford, "Drums Along the Mohawk" by Edmonds and semi-historical novels.

## TO END TENNIS SEASON

Local Netmen Will Meet New River State and West Virginia Wesleyan

Glenville State's ill-fated tennis team will conclude its spring campaign this week, opposing Wesleyan and New River State in return engagements on foreign soil. The dates of these matches have not been decided as yet. Both were canceled for last week, but had to be canceled because of inclement weather.

In the only match played last week, the Pioneers dropped a match to Wesleyan, 7-0 on the local courts. The 'Cats' made a clean sweep of six matches and one double match.

# SOCIAL EVENTS of the WEEK

## MEMBERS OF W. A. A. ENJOY PARTY

The Women's Athletic Association entertained with an informal party Friday evening in the College lounge. Miss Teresa Butcher was in charge of the program which featured games from 6 until 8 p. m. Refreshments were served to about twenty-five persons.

## MRS. E. G. ROLLYSON ENTERTAINS AUXILIARY

"Americans of Other Races and Languages in Our Southland" was the topic discussed at a meeting of the Presbyterian Auxiliary the past Thursday at the home of Mrs. E. G. Rollyson. In order to carry out the theme of the meeting, an imaginary "foolish banquet" was served. Those who took part in the program were Mrs. Esty Berkhous, Mrs. Fay E. Given, Mrs. Russell McQueen, Virginia Hall, Mrs. C. L. Underwood, Mrs. J. Erle Arbuckle, Mrs. H. P. Withers, Alice Arbuckle, Mrs. Kline Rabston and Mrs. John E. Arbuckle.

Mrs. Marvin Cooper assisted Mrs. Rollyson in entertaining. The next meeting will be held June 16, with Mrs. J. Erle Arbuckle as hostess.

## RUTH ANNABEL HULL IS GREENBRIER PRINCESS

Ruth Annabel Hull, a freshman in the College, and a daughter of Mr. and Mrs. W. E. Hull of Northview, will represent Gilmer County at Greenbrier County's 160th anniversary, June 17 to 20 at Lewisburg. Seventeen princesses from the original seventeen counties of Greenbrier will participate in the coronation ceremony. Miss Hull's appointment was recommended by the Glenville Woman's Club.

## FIRST LADY MAY SPEAK AT BURNSVILLE

Mrs. Franklin D. Roosevelt has been invited to address the Kanawha Women's Association at Burnsville Friday night. It is announced by Ralph Queen, S. N. '37, and Claude Linger, S. N. '29. At the time of the interview Mrs. Roosevelt said that as far as she knew she could accept the invitation. Many College students who are alumni of Burnsville High School will attend.

## COLLEGE SOCIAL COMMITTEE ENTERTAINS OWN MEMBERS

After a year of entertaining the College, the Social Committee treated itself to a roast at the home of Miss Bessie Boyd Bell, late Sunday afternoon. The roast took place on the lawn under a tall, stately maple.

Members of the Committee and their guests put themselves on the outside of hot dogs—roasted over an open fire—buns, cheese, lettuce and onions from Miss Bell's garden, and tomatoes, pickles, cookies and marshmallows.

After eating and as the sun was going down, the Committee gathered around the fire to tell stories which were both true and otherwise.

Members of the Committee and their guests who attended included: Miss Bell and Mr. Linn B. Hickman, faculty advisers; Miss Alma Arbuckle; John Barnett, chairman, and Arlene Workman, Robert Butcher, Lella Paxton, Thelma Dorsey, Davy McClung, Tulsa Hinkle, Elbert Backus, Ralph Mendenhall, Everett Howes, John Rogers, Francis Cogar, Mary Elizabeth Young, and Susan Summers.

Miss Dorsey, Miss Young and Miss Summers arranged for the food.

## Personals

James Riddle of Charleston is spending a few days here, the guest of his brother, William Riddle, a freshman in the College.

Mrs. E. G. Rohrbough was a Friday visitor in Clarksburg. Isaac C. Hume, principal of East Rainelle graded school, and Mrs. Hume and daughter were Saturday visitors at the College.

Among the College students who spent the week-end at their respective homes were: Wedith Greenleaf, Cedarville; Louise Stonestreet, Gassaway; Frankie Woods, Cowen; Angela Stark, Alum Bridge; Geraldine Cunningham, Tanner; Ralph Mendenhall, Sistersville; Andrew Edwards, Wheeling.

Pauline Walker of Ready visited her aunt, Mrs. L. C. Fowler, in Clarksburg over the week-end.

## TROY ALUMNI HOLD ANNUAL PARTY

The Troy High School Alumni Association gave an informal party in honor of the present graduating class, Saturday, from 8 until 11 o'clock.

Students in the College attending were: Ruth Bush, Mabel Ellyson, Beulah Farnsworth, Edna Frame, Madeline Heckert, Lonnie Wiseman, Virginia West and Harold Scott.

## Rev. J. W. Engle

The Rev. James W. Engle, D. D., will be the principal speaker here tonight at 8 p. m. at the union celebration by the three Methodist churches, of Glenville. The Rev. Dr. Engle, who is a native of the DeKalb vicinity of this county, is located in Buckhannon.

## Y. W. C. A. MEMBERS ATTEND BREAKFAST

## Whistle, Keep Your Self-Respect, Live, Work, and Like People—Reporters Advise

(By Lela Susan Wright)

People are always willing to give advice—never quite so willing to accept it. But in the spirit of the occasion the members of the MERCURY staff offer some suggestions to those who will be graduated this year.

You have been away from real life for four years. Make contacts with Mr. Average Citizen and learn how to live.—Hazel T. Smith.

Be ready to offer the best talk, give the largest donation and know the remedy for all ills.—Marmel R. Brown.

After leaving college continue your education by extensive reading of the best type. Don't get in a rut.—Mary Allen Boggs.

Use what knowledge and general training you have acquired for the betterment of the community in which you will reside in coming years.—James Woolfer.

In a pinch, use your head, not someone else's. You're supposed to have brains—now use them.—Harold Winters.

Like other people—even though it is an effort. Always have self-respect.—Marjorie Barnett.

Even though you do not have a position, keep your chin up, and remember that the college education you have is something which cannot be taken from you. Continue to broaden it.—Lois Mason.

Take the bumps and knocks with a smile. Be idealistic.—Ernestine Harrison.

If you have a position, try to make it a success. If you succeed now you will be offered bigger and better positions.—Mabel Ellyson.

Be willing to work hard and conscientiously at whatever you undertake.—Lenore Powell Danley.

See the slums in life but refuse to believe that they must exist.—Geneva Spiker.

Think before you act. Refuse to be discouraged. The recession is still on.—Page Carr.

Don't be too serious or self-conscious about having a degree—be human. Whistle, figuratively, at least! while you work.—Sterling Cunningham.

Don't expect the world to shower you with everything you think you ought to have. But just the same, keep on dreaming.—Lela Susan Wright.
