**New Health Plant Contract Is Made**

Morgantown Firm Low Bidder At Board Meeting; Work Set To Begin This Week

By Bill Harper

Baker-Douglas Health Plant construction company was awarded a $2,157,000 contract last week to build the new one-half million dollar health plant for the Morgantown State College. The project has been in the planning stages for over a year, and its completion is expected to be in time for the Fall semester. The contract was let on the recommendation of the State Board of Regents and the C. O. Baker Co., of Charleston, President Harry H. Beall, has announced.

Dr. J. S. Shailer, who attended the school, pointed out that the new building would be a great asset to the students and faculty. The contract was awarded on a low bid basis, and the work is expected to be completed in time for the fall semester.

The Morgantown State College has been preparing for the construction of the new health plant for several years. The present health facilities are inadequate for the growing number of students and faculty members. The new plant will provide modern facilities for the health service, including a large, well-equipped laboratory, a comfortable waiting room, and a spacious examination room.

The Holy Roller Court dance was a firm success and brought out new couples.

On Saturday evening Julia Stalnaker, who caused much surprise, agreed to be accompanied by Albert "Deep" Franz and Robert Walker imported girls from West Virginia.

Two models, Iris Pond and Betty Good, were accepted by the Alpha Sigma Pi fraternity.

Something that has passed the state of mere discussion and is the cause for all those trips home is the "Regionalist". Some of the GSC girls were pleased or surprised, and others, representations from Glenville and the Flora Society, who we have been too often.

"When we hit the road, the Stdent-Council are together more and more. It is really just frivolous."

Ben Mottine has found a new interest in his A.B. Hall—his only meals but also many free ones.

Armymen in finding Holter Hall Highmen or Betty Good's career should try looking in the last half of the Administration building, where they usually appear.
