Male Students Urged To File For Selective Service Exams

President Harry B. Heflin and Dean of Men G. Gordon Kingsley yesterday joined in a strong appeal to all full-time male students to take immediate steps in applying for the "Selective Service College Qualification Test."

Applications must be in today and the two officials warned that there would be no second chance, for exams will not be given again this year.

Kingsley said many men had taken the attitude that it is not necessary to take the test if they are in the upper portion of their class. He agreed that the most recent act published on the situation says that deferment will be decided upon by scores on the test OR rank in class.

However, he added, it is vitally important that male students understand that the terminology of the draft law can be changed at any time to read "AND" rank in class. If such occurs, men who are depending on the OR clause—showing their dependence by failing to take the test—will be "out of luck."

President Heflin said that college officials were becoming alarmed over the situation because it has been reported in some sections of the country that students are failing to apply for the tests as rapidly as is necessary.

The deadline for making application for the test is today, Tuesday, May 15, Heflin and Kingsley reiterated.

Sophomores Elect Robert Milligan To Presidency

Robert Milligan, music major from Wellsburg, was elected president of the class of 1954 for the 1951-52 school year at a freshman class meeting last week in the auditorium.

Other officers elected at the meeting were: vice-president, Woodrow Paxton; secretary, Dorothy Brannon; treasurer, James Cramblett.

Milligan, a member of Sigma Tau Gamma fraternity, is a member of the band, orchestra, choir, and plays in Brent Cool's Collegians. Cramblett, a graduate of St. Mary's high school, is a member of the varsity baseball team, and also plays in Cool's orchestra. Paxton, Glendenin high school graduate, and Miss Brannon, a graduate of Calhoun County high school, have been active in various campus activities during the past year.

Retiring freshman class officers are: president, Bill Smith, vice-president, Myron Mason; secretary, Ronda Ellis; treasurer, Charles Zakarian.

Rep. John Kee, Glenville Graduate, Dies Suddenly

Chairman of Foreign Affairs Committee. Was Member of 1890 'Brown' Class Here

A graduate of Glenville State college, Rep. John Kee (D), 76, chairman of the House Foreign Affairs committee, died of a heart attack while presiding over a closed door session of the committee. It was learned here last week.

Kee was a member of the 1890 graduating class of Glenville, known as the "Brown" class. He is a native of Glenville.

According to reports, Kee was stricken just after the Foreign Affairs committee had approved the so-called "Soviet Friendship" resolution—an expression of friendship and goodwill by the American people toward the people of Soviet Russia.

He was elected to Congress in the 1932 Democratic landslide that swept Franklin D. Roosevelt into office, and was re-elected in every successive election.

Long known as a staunch Roosevelt "New Dealer," Kee represented West Virginia's Fifth Congressional district. He resided at Bluefield.

Kee's death will bring on a special election in the fifth West Virginia district. Under West Virginia's law the governor must call for an election within 10 days, and the special election must be held (Continued On Page 2)

Four GSC Faculty Members Will Not Return Next Year

Four faculty members who have been working on a temporary basis at Glenville State college will not return to the school next year, Dr. Harry B. Heflin, president, said yesterday.

They are Max Liptrap, music instructor; Frederick Eckman, English teacher; Floyd Miller, librarian; and William Dilgard, history professor.

Most of the group have been working as replacements for teachers who have been continuing their studies on leaves of absence.

G-Club Elects Janiszewski To Presidency

Edmund Janiszewski, '52 was elected president of the G-club for the 1951-52 school year at a meeting held in Louis Bennett lounge May 9.

Other officers elected at that time were: vice-president, Frank Stanevich and secretary-treasurer, Sidney Adelsberg.

Janiszewski, the new president, is a graduate of Oak Hill high school, majoring in physical education. He is a member of the Holy Roller Court, the varsity golf team and the Pioneer football squad.

Stanevich, an elementary major, is a member of Kappa Sigma Kappa fraternity, varsity football, and track teams, and was recently elected president of the senior class for next year.

Adelsberg, a physical education major from Pittsburgh, is a member of Sigma Tau Gamma fraternity, the varsity football team and the Pioneer basketball squad.

Band Will Give Open-Air Concert For Celebration

The Glenville State college band will participate in the Public School day celebration which will be held at the county fair grounds May 14.

The band will play an open air concert of martial music from 12 to 12:45 p. m.

On May 23 the band will participate in the river clean-up campaign by playing from the old bridge from 7 o'clock to 7:30 A. M.

Members of the band who will take part in these concerts are: Donald Arbogast, Gene Bell, Mary Cathrine Brake, Jean Chedester, Wayne Cunningham, Eugene Cherke, Harlan Hamrick, Mally Ann Mackey, and Myron Mason.

Robert Milligan, Doris Perkins, Ronald Shuman, Winoma Spurgeon, Joan Person, and William Waldeck.

Frank Stanevich Elected President Of Senior Class

Frank Stanevich physical education major from Oak Hill, was elected president of the senior class for the academic year of 1951-52 at a recent junior class meeting, announces Edmund Janiszewski, incumbent president.

Stanevich, letterman on this year's football machine, is a member of the G-club and was recently elected secretary of Kappa Sigma Kappa fraternity, Greek-letter society.

Other future senior officers named were: Larry Gainer Grantsville, vice-president, and Martha Mick, Gassaway, secretary-treasurer. Gainer is a Holy Roller Court member while Mick has served as past-president of Verona Maple hall.

Science Club Members Hear Fungi Speech

Dr. Virgil Greene Lilly, professor of physiology in the department of plant pathology and bacteriology at West Virginia university presented an address at the May 7 meeting of the Science club.

In his speech, Dr. Lilly spoke on "The Fungi and Industry" and stressed the importance of fungi from the economic and medical aspects. Dr. Lilly also discussed the fact that many fermented alcoholic beverages are rich in vitamins produced by the fermenting organisms.

Dr. Lilly presented the important industrial applications of the fungi in the commercial production of alcohol and antibiotics.

Dr. Lilly is an expert fungi research scientist, having spent 17 years working in the field.

Hughes, Martin, Sims, Adams Win In WAA Action

Four softball games were played this week in the Womens Athletic association league. On Wednesday night Margaret McCartney's team was defeated by Nancy Sims with a score of 10 to 7 while Jean Adams defeated Juanita Green to the tune of an identical score, 10 to 7.

On Tuesday evening Naomi Sizemore clashed with Maisie Hughes and the final score read Hughes, 18, Sizemore, 12. Maxine Martin defeated Martha Mick with the one sided score of 18 to 3.

In the McCartney-Sims game one home run was made by Phyllis Sponaugle. Hughes, Ethel Mae McCartney and Hyer scored homers for Hughes in the Hughes-Sizemore game and Kee and Maxine Martin hit round trippers for Martin in the Martin-Mick game.

Poll Reveals Campusology Views

Is our college an educational institution or a clearing center for Cupid's Arrows?

This question by the frantically pursued males of the GSC campus gave rise to a poll conducted by the Mercury among the members of the so called "weaker sex" of GSC.

To the question, "Did you come to GSC to get an education or a man?" the girls have stated: Janet Hinkle—I came for both; to minor in education and to major in campusology!

Jo Ann McNemar—I came to get an education, but it seems a man came with it.

Marlyn Hartenstine—A college education is my goal, but it doesn't all come in books!

Dorie James—I came for both. Louise Shomo—An education is important, but men come first! Marje Hardman—I came to get an education, but the men just won't let me alone!

Ronda Ellis—A man IS an education! June Thorn—I'm just "scoutin'."

(Whether this means for an education or a man the Mercury could not determine.)

In an effort to offset some of the inaccuracies in the above comments, we have interviewed two typical college boys considered by all as "very eligible bachelors."

These gentlemen are Jo (Ditcher) Ross and Jerry (Moose) Kress. They state categorically, "We came to college to get an education and date the more eligible girls; however, since taking history to Mr. Dilgard, we haven't had time for anything but the education."

Prof. M. Newman Will Attend W.V.U.

Prof. Marvin Newman, mathematics and physics teacher, will take a civilian defense course June 4 to 9 at West Virginia university.

Newman will participate in a special course in radiological monitoring as a part of the national civilian defense program.

After returning from the university he will teach a similar course here, President Harry B. Heflin said.

SUCCESSFUL OPERATION

A novel idea turned into an important campus achievement last week when the Holy Roller Court established a date bureau in preparation for their annual spring dance.

The "date bureau" idea, as it was carried out, was somewhat different from the ones that operate on most large college campuses. The students who were in charge of the committee's action worked undercover in the dormitories and on the campus, quietly arranging and feeling out some of the less aggressive students.

The results of this action, operated chiefly by Eileen White and William Surber, could be seen at the dance, as a larger crowd attended than could be expected. The date committee estimates that approximately thirty couples were aided by their preparations. It is safe to say that no little part of the Court dance's success was due to the energetic "fixes" of Eileen and Bill.

Since it has been evident all year that something was needed to increase the crowd at campus dances, it would seem that the results accomplished by this group could be put in effect when the next dance is planned.

Student social affairs are recognized by faculty and administrative heads as well as the students as important parts of college life. Therefore, any project that can make these events available to more students should certainly be encouraged.

It is our wish that the "date bureau" project can be successfully carried out at future campus dances. It is up to the organization sponsoring the affair to "get on the ball" and follow the example set by the Holy Roller Court.—B. H.

FUNDAMENTAL ISSUES

Although the broad objectives of general and liberal education are probably valid for all, the means of attaining these common outcomes can and should vary greatly from one individual to another. But neither inevitable differences among students nor necessary diversity of instructional instruments can justify disregard of the crucial education obligations of our time. For by failing to come to grips with the political, economic, social, cultural and moral problems of his society, the student may find himself unable to assume the full rights or to discharge the exacting obligations of free men.

What Sir Walter Moberly recently said of the crisis in the British universities may well be true of our higher institutions, too. He wrote: "Broadly speaking, the university today is not asking the really fundamental questions . . . Most students go through our universities without ever having been forced to exercise their minds on the issues that are really momentous . . . Owing to the prevailing fragmentation of studies, they are not challenged to decide responsibility on a life-purpose or equipped to make such a decision wisely. They are not incited to disentangle and examine critically the assumptions and emotional attitudes underlying the particular studies they pursue, the profession for which they are preparing, the ethical judgments they are accustomed to make, and the political or religious convictions they hold. Fundamentally, they are uneducated."

The things men desire, the moral and ethical principles they hold, the motives which impel their actions are, after all, realities. And they are phenomena of profound significance in shaping individual lives and in molding social relationships, however simple or complex, or however local or global, these associations may be. This is the reason why, we should deal with them explicitly.—Inaugural Address, Chancellor T. Raymond McConnell, University of Buffalo.

The Glenville Mercury
Glenville State College
Dear Editor:

I think that all residents of Louis Bennett hall should be quite pleased over the proposed new governing body for the dormitory. In the past, too much responsibility has been placed on the monitors, who have their cleaning duties to take care of in addition to keeping order in the hall.

Some men have objected to the plan for a council or board of elected representatives from each section of Louis Bennett hall. I for one, can't see their reasoning in this matter. Officials in the head office have made it quite clear that if the students do not take the initiative the administration will. In other words, we have been given a choice of self-government or rule from the outside. In my opinion we have only one alternative and we should grab it.

Now that a sort of go-ahead has been given the council's formation I think we should back it a hundred per cent. However, all men should take enough interest to see that the constitution that is being drawn up now suits them. Once it is ratified there will be no chance for such action. I say, let's get on the ball, fellow residents of Louis Bennett hall.

Dear Editor:

There has been quite a lot of quibbling over the cleanliness of our student union, the Pine Ear. It seems that the greatest subject for discussion is the throwing of candy-wrappers and cigarette butts on the floor.

While several waste-baskets provided, I am sure that there is adequate means for disposal for our candy-wrappers and straws, but what are we to do with our cigarette butts—put them in the cuff of our pants or our pockets? I think that the addition of ash trays to our student union would solve one of the major sanitation problems there.

DANCE AND THE WORLD
DANCES WITH YOU
David Paul. New York:
Journeyman Press. 400 p.p. \$4.00

This is the story of the famous Suzy Divine, a small town girl who had an unusual talent for dancing and climbed the ladder to success in the field of Terpsichore.

It tells of her early life; the hardships she endured in order to get her foot in the door of success. She practiced constantly to perfect the steps of difficult routines. She was under-fed and over-worked and it was only the fierce spirit of determination in her that made her stick to it until she received recognition.

Although this book is an interesting story of the dance, it is also a shocking expose of the inner life of Hollywood. It bares the pettiness of the established stars and their fear of talented newcomers.

The book depicts vividly the reckless ambitions of girls who shoot for a star and find it is only an empty balloon.

PIONEERS EDGE D-E 9-8, ON RADER'S CLOUT

Retton Hurls Falcons To 9-2, WVIC Triumph; Laughlin, Slate Shine

By Ronnie Rollins
Speedy Left Fielder Joe Rader, Glenville's sensational, game-saving outfielder, drilled out a bounding double with the bases loaded in the electrifying eighth inning here in Rohnbrough stadium last Thursday afternoon and Rader's two-bagger, which plated the three tie-breaking runs, coupled with Walter Skate's chugging, enabled the rallying Glenville Pioneers to edge D-E's filibustering Senators 9-8.

It was quite an uproarious ball game, as the protesting Senators will attest, and it was a sweet triumph for the solid-hitting GSC nine. The tension-packed affair was highlighted by a home run, five doubles, a 30-minute rhabur, and the tossing of two D-E players out of the fray by stern Umpire Joe Floyd.

Classy Wave moundsman Walter Skate almost had to win his own ball game with the vociferous Senators. Pioneers were trailing 4-0 going into the last of the fourth when sharp-eyed Skate slapped a home run over the left field fence, plating three GSC tallies.

But it was fence-busting Jim Laughlin, 210 pounds of lethal fury, that really provided the slugging power for the error-wacky locals. All-Stater Laughlin had a perfect day at the platter with five, including two doubles, and he was lobbed of two sure homers by an astirine ground rule.

Wave nine, after trailing 4-8, for seven innings, came to life in the madcap eighth to overhaul the faltering Senators. Wavemen clubbed out five hits, got a walk, and a hit batsman in this frame as they pushed ahead of the visitors 9-8.

The squabble that cropped up in the dog fight came in the fifth with the Senators at bat. D-E had the bases loaded, two down, when Waniga smacked a line drive, and Merriman grabbed the ball, tossed to Laughlin but Jim missed the throw.

Two D-E men came in on Waniga's blow but as a third runner—McGaffin—tried to reach home. The furor arose over whether Merriman's toss to Laughlin was an overthrow or an error. The ump ruled the man out and then the verbal cross-fire ensued.

Pioneer Netters Hang Up Rackets Without Victory

Pioneer tennis team, first here on the hilltop since pre-war days, slammed the lovers shut on its disastrous 1951 spring tennis schedule last week by dropping two matches to Wesleyan and Fairmont as the G-men netters hung up their rackets without ever having achieved a court victory.

Glenville tennismen, lacking in reserve strength and woefully inexperienced, limped through a five game spring card without a triumph but the local netters showed marked improvement in each setto.

Pioneer racket-swingers gave Wesleyan's tennis team one whale of a workout last Monday afternoon in Buckhannon but in the end the Bobcats prevailed by a 5-2, count. Glenville captured one singles match and one double match while Wesleyan bagged four singles and one double.

Lanky Bob Mottice started the days serving off by losing to Kenneweg 6-1 and 6-2 and Bobcat Moore set John Brooks down 6-love and 6-2 in the second match.

Bobcats continued to maintain superiority as Kenneweg clipped Potts 6-2 and 6-3 but in the fourth match, Alex Joka, Hungarian whiz, fashioned a stunning upset as he outlasted Peris 6-1 and 6-3. Spurling edged Kenney 6-4 and 6-3 after Kenney had won one set 7-5 in the last singles match.

Plucky Wave tennismen also grabbed a point in the double skirmishing. Mottice and Kenney paddled Spurling and Ackerman 6-3 and 7-5 while Moore and Kenneweg blasted Joka and Brooks 6-2 and 6-4 in the other doubles match.

Falcons Prevail

In the other WVIC tennis match last week, Fairmont's defending state champion Falcon netmen edged past the G-men for the second time this season by a wide 6-1, luge.

Fairmont won all the singles and one of the doubles in outclassing the locals. Mottice succumbed to Butcher 6-3 and 7-5 in the opener while Dilleggi downed Potts 6-2 and 6-1 in the second tiff.

Lunghi shaded Brooks 6-4 and 6-1 in the third setto. Steel outpointed Jokay 6-0 and 6-3 in match number four, while Diamond nipped Kenney 6-2 and 6-3 in the singles finale.

Potts and Brooks won their doubles match from Templin and Fauber by six-love and 6-1 margins but Steele and Lunghi overshadowed Mottice and Kenney 8-6 and 7-5, after Mottice and Kenney had won the first set 6-2, in the other match.

Pioneers Face Two Foes

Unpredictable Pioneer baseballers of Glenville State college, battling to wind up their 1951 spring diamond campaign on a victorious note, barrier bingles with the West Liberty Hilltoppers here Thursday and then trek over the state line into Marietta for a Saturday season finale with the MC Pioneers.

Captioned above are: First row,

left to right, Gene White, Jim Laughlin, Norman Ball, Shirley Wilson, Walter Skate, and Joe Rader.

Second row, Don Merriman, Dick Barrett, Jim Cramblett, Joe Bokovitz, and Robert Pugh.

Third row, Joe Riddell, Bill Frame, Ronald Butcher, Paul Stout, Cecil Johnson, and Edsl Robinson, Head Manager.

PIONEER CLUBS END CAMPAIGN

GSC Nine Has Two Bouts; Linksmen in Tournament

Pioneer baseballers can quit worrying about their stoved thumbs and batting averages; Glenville linksmen will quit shooting for that hole-in-one; GSC trackmen will discard their wind sprinks; and Wave netters can hurdle the net for the last time this week because this is the final action-laden week of inter-collegiate skirmishing for the above cited GSC athletic teams.

Yes sree fans, another nine-month long grind of sporting activities comes to a grinding halt for four Wave athletic squads this week when the Wave nine meets two foes, and the tennis, golf, and track aggregations engage in statewide collegiate tourneys on various campuses.

Coach Joseph's pill-peppering diamondmen launch their stretch drive for pennant laurels this week when they tee-off with West Liberty's Hilltoppers at W-L Thursday and then empty the Pioneer dugout for the last time of the season this Saturday in Marietta against the MC Pioneers.

Glenville gloves, owning a 4-4 season slate at this printing, have proved unpredictable in the 1951 campaign. GSC club has shown

spurts of power all season but has been erratic in the clutches.

It is a lead-pipe cinch that the Wavemen possess authority with the stick this season. A glance at the overall batting averages of the club shows three men clouting over the 400 mark. Kennedy is pacesetter with a mean .750 clip while Pugh is second with .468 and Laughlin third with .459.

Trackmen in Tourney

As for the trackmen, they haven't measured up to pre-season expectations. Wave runners did finish second in the GAZETTE Relay with 25 counters and third in the college Triangular last week with 30 1/2 points but the cinder path aggregation lacks depth and experience.

Today in Bethany in the WVIC track meet the Pioneer harriers are in their second day of running, pole vaulting, and weight-throwing. G-men should grab some first place points with muscular Jim Cook and Frank Stanovich in the weights; "Doc" Frame, Roland Wise, Allan Kenney, and others in the sprints and dashes; while Arne Wilson

C. Maze Wins Big Contest

Clarence Maze, sophomore Figuring Filbert from Grantsville, was the first winner of a carton of Chesterfields in the MERCURY's sports contest, Chesterfield Agent Carl P. Galgani has announced.

Maze had the nearest correct answer as to who would win the GSC-Concord and the GSC-A-B games. Maze presaged 19 runs and his nearest rival was Bob Wine with a guess of 17 runs.

The name-the-winner contest enters its final week of operation with this issue. Games to be considered are the West Liberty game Thursday and the Marietta tiff Saturday. Meanwhile, Maze does nothing but loan cigarettes . . .

could surprise in vaulting over the bar.

Pioneer golfers, who have understroked Salem and Fairmont this spring, are also scheduled in golf tourney play today in the WVIC playoffs.

Wave linksmen clipped Fairmont 8 1/2 to 6 1/2 and Salem 11 1/2 to 1 1/2, and should do commendably in the state meet. Paul Hunt, Dyke Janiszewski, Foster Minney, Allan Rader, and Arne Wilson provide the bulk of GSC's golfing strength.

Netters Serve For Win

Winless at this writing, the Glenville State netters are also booked for tournament serving today in Wheeling. Glenville courtmen have been trounced by Davis Elkins twice, Fairmont once, and Wesleyan once, but local tennismen have progressed, markedly since the opening match.

Key Roles Chosen For Spring Revue In First Practice

The first meeting of the cast of the Spring Revue resulted in several students being placed in key positions for the first scene. Maisie Hughes was chosen to run the ice cream stand and Clarence Maze was chosen to act as pop corn man. Jack McCarty will represent the Barker of the side show and Marianne Rhodes was placed in charge of the ocell ringing concession.

The physical education department is preparing the dancers who will participate in a folk dance in this scene. Professors Michael Joseph and Clarissa Williams are coaching the dances.

The art department, under the direction of Professor Julia Nutter, is making the necessary props and set decorations for the revue.

There is still a great need for stagehands, electricians, and persons who will participate in the crowd scenes. Anyone wishing to participate is asked to get in touch with Professor Max Liptrap.

Cramblett Halts Rout

Falcon Right-hander Dick Retton, getting solid backing from his fly-chasing teammates, silenced the big bats of the Glenville State Pioneers here in Robbough stadium last Tuesday afternoon as Retton scattered eight feeble bingles over the nine-inning route in hurling the close-knit Fairmont nine to a 9-2, triumph over the slumping G-men.

Falcon Retton lasted the entire nine innings for the swift-stepping invaders and the slow-baller had the Pioneer batters breaking their backs on Texas leaguers and dribbling grounders. Retton allotted eight hits, struck out three, and walked three in his stint.

Fairmont lumber-wielders shell-ed starter Cecil Johnson after three innings of sloppily-played baseball as the FS club nipped Bib Cecil for seven base raps and six runs. Johnson was wild at intervals and when he ambled to the showers after the third, string-beanish freshman flinger Jim Cramblett came on to replace him.

Rookie Cramblett's control pitched Cairo; Eileen White, Sutton; Harry G. White, Richwood; Glen L. White, Camden-On-Gauley; Ruth Eleanor White, Valley Chapel; Lorene Wolfe, Glenville; Ruby Groves, Craigsville; Robert McClain, Parkersburg; James Reed, Craigsville.

A. K. "ROSEY" ROWSWELL

The several million district baseball fans who "follow" the Pittsburgh Pirates will again soon be hearing the colorful Rick-Sealtest broadcasts of "Rosey" Rowswell. This will be his 15th consecutive year as radio reporter of Pirate games.

ing was the brightest spot in the other-wise drab Glenville picture. Cramblett pitched with the poise of a veteran and his assortment of baffling losses kept the Falcons from exploding for the remaining six innings.

Loose-jointed Cramblett rationed out six base knocks, three runs, whiffed four, and issued free passes to one in his auspicious start on the mound.

Fairmont scored two runs in the first, four in the wild third, and two in the fifth before the sluggish locals came to life in the sixth to dent the rubber for two tallies on 2 hits, an error and a walk. Pugh with two for five and Merriman with two for four were the Wave sluggers.

Glenville State's Crack Golfing Quintet Finishes With Impressive 4-2 Slate

Pioneer Linksman Clip
Salem 11 1-2 to 3 1-2;
Shade Falcons 11 1-2-3 1-2

Glenville State college's crack five-man golfing aggregation, improving with every outing on the fairways, terminated their highly successful 1951 spring golfing schedule last week by carding one-sided WVWC wins over Salem and Fairmont to post an impressive season record of four wins and two setbacks.

In posting the best spring record of any of the four Glenville athletic outfits, the Pioneer linksmen finished with a surge of power that boosted them into second place in the college league. Peerless West Liberty's linksmen are in first.

Low-scoring Glenville State drivers opened last week's fairway skirmishing by tripping Salem College's crew 11 1/2 to 3 1/2 Monday on the Sunny Croft Country Club course over near Clarksburg.

Ace golfer Arne Wilson carded the lowest GSC score of this match against Salem as he pieced together a 43 and a 49 for an 82-hole 83. His rival Schohaplo posted a 43 and a 39 for an 82 over the route.

Foster Minney, GSC's methodical golfer, shot a pair of 44's for an 88 against his opponent Lopez who banged out a 97 stroke total with a 49 and 48.

Dyke Janiszewski came in with a 50 and a 43 for a fat 93, while his links partner, McDonough, had a 43 and 45 for an 88.

Allan Rader linked together a 45 and 43 for an 88 in his 18-hole workout, while his rival, DeFrancis, recorded a heavy 50-46-96 total.

Improving newcomer Paul Hunt went the rounds for a 45 and 41, while his golfing partner, Casanova, clubbed out a 49 and 45 for a 94.

Gleaning points for Glenville were: Foster Minney 3, Allan Rader 3, Paul Hunt 3, Dyke Janiszewski 2, and Arne Wilson 1-2.

Fairmont's golfers by a 11 1-2 to 2 1-2 point spread.

It was in this match that hard-driving Arne Wilson carded one of the lowest, if not the lowest, scores ever reported for GSC's course. Dark-haired Arne was sharp with the clubs and the irons as he posted a 35 and 39 for a low-mighty low-71.

Foster Minney also had a good day on the local grounds as he slugged out an 18-hole 77 total, gleaming 41 on the first nine and 36 on the last nine. His rival, Olesky, shot a 85.

Fledgling Paul Hunt was third low man for the afternoon with a 45 and a 39 for a net total of 84. Eates, Hunt's foe, came in with a 50 and a 45 for a 95.

Dyke Janiszewski was paired with Falcon Casper, and both golfers carded identical scores of 89 for the rugged local course. Dyke had a 44 and 45 for his day's driving.

Three men—Hunt, Minney, and Wilson—booked three points apiece in this duel while Janiszewski got 1 1-2 and Rader 1.

Pioneers' two losses this year at the hands of the veteran West Liberty quint which hasn't lost a match in three years. Wave golf record is listed below:

Glenville 11 1-2	Fairmont 3 1-2
Glenville 11 1-2	Salem 3 1-2
Glenville 8 1-2	Fairmont 5 1-2
Glenville 10	Salem 5
Glenville 1	W. L. 14
Glenville 1 1-2	W. L. 10 1-2
