Helen Berry Is Awarded Woman's Club Scholarship

Ripley High Graduate Is Second Recipient To Attend Glenville

A \$500 scholarship was awarded to Helen Berry, of Ripley, at the State Convention of Junior Women's clubs.

Miss Berry, who is now attending GSC, complied with the qualifications of the scholarship by writing a paper entitled, "Why I Would Like to Become a Teacher." On the merits of the story, recommendations from business men, and faculty members of Ripley High School, she was named district winner at Parkersburg.

Helen was salutatorian of her graduating class at Ripley High School.

Only one other person to receive the scholarship has selected Glenville. She was Joyce Marple Houghton, who received a similar award in 1948.

NEW MEMBERS ENTER MENC

Under the direction of initiation co-chairmen Elsie Elswick and Doris Perkins, five new members were formally initiated into the Glenville State college chapter of the Music Educators National Conference at the organization's regular meeting Oct. 2.

The new members are: Joseph Arbogast, Donald Arbogast, Joann Melrose, William Waldeck, and Mary Faith Hobart.

President Myron Mason reports that the total membership, including new members, is twelve at present.

To become a member of the MENC each pledge must demonstrate his musical ability at the formal initiation. For their demonstration, Joseph and Donald Arbogast sang a duet, "Just Because," accompanied by Joseph on the uke.

Joann Melrose sang "Desert Song," William Waldeck played a saxophone solo, "Margarie," and Mary Faith Hobart, the piano solo "Artist's Life."

After refreshments were served by Doris Perkins and Eugene Gherke, the members were entertained at the piano by their advisor, Prof. Harold S. Orendorff.

6 College Students To Work at Farm

Six agriculture students are now doing part time work at the college farm, according to Prof. Warden Lane, instructor in agriculture and supervisor of the farm.

Students employed at the present time include: Chris Heater, freshman from Orlando; John Johnson, sophomore from Sand Fork; John Loyd, freshman from Shady Springs; Fred Yeater, sophomore from Smithfield; and Bobby Jack Ord, freshman from Rupert.

Included in the tasks of the farm are such things as feeding, milking, preparation of silage, harvesting of crops, and operation of the pasteurization unit.

Strothers Hired As GSC School Nurse

Mrs. Teresa Strothers, R. N., has been hired as school nurse for the 1951-52 school year, succeeding Mrs. Carolyn Arnold.

Mrs. Strothers, who has been nurse for the El Centro, Calif., school system since 1947, will move into an apartment in the new health and physical education building in November. She was accompanied here by her 15-year-old daughter, Kenna.

Mrs. Arnold has accepted a position at Vanderbilt Hospital in Nashville, Tenn.

LILLY ELECTED LBH PRESIDENT

Jack Lilly, senior commerce major and son of Mr. and Mrs. Jesse R. Lilly of Beckley, was elected president of the new governing body of Louis Bennett Hall in an October 1 election.

A council of twelve members was also selected during the meeting conducted by Billy Dean Hanlin, chairman of the planning committee.

Each floor of each section elected a member to serve on the council making a total of thirteen members including president Lilly.

Those chosen to serve on the council were:

First section: Lonnie Miller, first floor; Carlyle Kee, second floor; and William Lee, third floor.

Second section: Walter Slate, first floor; Woodrow Paxton, second floor; and Robert Wine, third floor.

Third section: Paul Lanham, first floor; Carl Galgani, second floor; and Lee Woodburn, third floor.

Fourth section: Marvin Stewart, first floor; Roy Skidmore, second floor; and Dean Hupp, third floor.

Vice president, secretary, and treasurer will be chosen from among the twelve members of the council in a future meeting, after which a constitution will be formulated.

Garster Elected IRC President; Hall, Secretary

Verl Garster, senior history major, was elected president of the International Relations Club for the 1951-52 school year at that group's first meeting which was held in Louis Bennett lounge Monday, October 1.

Also elected at the first meeting was Eugene Hall, junior elementary major, who will act as secretary for the club.

Other members present at the meeting were: Alex Jokay, Jack McCarty, Gerald Kress, John Brooks, Dan Anderson, Charles Hoffman, Carl Galgani and Miss Bessie Boyd Bell, adviser.

GSC to Attend Council Meeting; FSC to Be Host

The annual fall convention of the West Virginia Federation of College students is to be held on October 11-12-13, at Fairmont with Fairmont State college as host.

This convention will bring together student leaders from various colleges throughout the state in student problem discussion.

Representatives from Glenville who will attend the conference are William Boram, Shirley Porter, Robert Milligan, and Carlyle Kee.

Heflins Entertain Thursday Afternoon

Dr. and Mrs. H. B. Heflin were at home to faculty and friends, Thursday, October 4, from 4 to 5 in the afternoon.

Deep fall hues were used in the center piece and lighted tall tapers accented the table.

Recorded organ music was furnished by Prof. B. E. Olsen as a background.

Mrs. Lloyd Jones and Miss Emma Edwards presided at the refreshment table. Other aides in the dining room included Miss Naomi Albanese, Margaret Westfall, Nancy Sims, Georganna McCullough, Helen Brammer, and Barbara Brannon.

Perkins Elected Queen Big Day Plans Complete

6 Bands, 15 Campus Units For Homecoming Parade; Town to Be Decorated

By Marilyn Hortensine

With plans rapidly nearing completion for the 18th annual Glenville College Homecoming, six band and fifteen college organizations have announced their intention of participating in the event, Saturday, Oct. 20.

One of the six featured musical units will be the Blue-and-White uniformed college group under the direction of Prof. Harold Orendorff, college music instructor.

The featured high school band for the day will be the Orange and Black Lumberjack musical organization of Richwood with Edwin B. Pratt directing. The Lumberjacks will lead the mile-long parade; will act as an escort for the Queen and her court to the football game, and will share the half-time activities at the Pioneer-Shepherd Ram football game.

Other participating bands will come from Spencer, Calhoun county, Webster Springs and Burnsville. The Spencer unit, last year's feature group, will play a concert at the noon hour on the C. W. Marsh parking lot at the corner of Man and Court streets.

Moore will be Marshal

For the second year in succession, Homer L. (Tiny) Moore, GSC '51, will act as the riding marshal for the procession. Moore, now a graduate student at Ohio State University.

Mercury Musings

By BILL BORAM

The problem of a governing board for Louis Bennett hall is again being attacked this year.

Residents of the dormitory decided to form a governing group of some sort at a meeting held last spring. Although most of the men in the dormitory are not actually opposed to a governing board, dorm sessions indicate that quite a few of the residents believe the proposed board will not function as it is expected to.

We aren't quite willing to stick our neck out on the question but it must be remembered that just because governing boards work at Kanawha and Verona Mapel halls is no indication that they will succeed at Louis Bennett. However, there is one aspect in which it will be impossible for a Louis Bennett governing board to function. This is in situations concerning disciplining of residents by fellow residents who are members of the governing body. We can't imagine any Louis Bennett resident either turning in another student or being a party to the administering of punishment to another student.

(Continued on Page 2)

VMH Residents Elect House Governing Board

Members were elected to the House Governing board at a recent meeting of Verona Mapel Hall residents. Named to the Board were: Phyllis Spaulding and Julia Stainaker, seniors; Claudette Hefner and Margaret Westfall, juniors; Noreen Lipps and Nancy Harris, sophomores; and Joanne Metz and Betty Dobbins, freshmen.

Mabel Moore was named to the office of House secretary-treasurer to replace Kathryn Raines, who did not return to school. Dorothy Terrill is serving as House president and Ruby Ann Cromwell, vice-president.

FACULTY ADDS 3 NEW MEMBERS

Three new instructors have been added to the Glenville State faculty for the 1951-52 school year. Those new faculty members are: Professor Marjorie Skelton, Professor Espie Miller and Professor James G. Jones.

Professor Skelton, whose home is in Bluefield, recently received her masters degree in Speech from West Virginia University.

Professor Miller was on a leave of absence during the last two years, completing class work for his doctors degree in English.

Professor Jones, also on a leave of absence, has completed all but the final examination for his doctors degree in history.

Other college personnel changes were the resignations of Michael Posey, registrar; Charles Lilly, superintendent of buildings and grounds; and Carleton Matheny, college electrician.

Trabue Educator To Visit Campus For GSC Program

Dean Marion Rex Trabue, nationally known educator, will visit the Glenville State campus for a week some time in either October or November.

Dean Trabue, dean of Penn State college, will be on campus for the purpose of evaluating and improving the college program.

During his visit here, Dean Trabue will talk to both students and faculty members and will attempt to discover which parts of the school program are weak and what can be done about strengthening them. President H. B. Heflin has urged all students to take part in the Dean's visit by meeting with him and discussing their views of the school.

SCA Holds Meet; Float Committee Is Appointed

Student Christian association held its first meeting of the new school term at 4:00 October 1, in Louis Bennett lounge.

Officers for the following year were elected last spring. They are Elizabeth Boyce, president; Helen Brammer, vice president; Dorothy Brannon, secretary; and Willadean Clarkson, treasurer.

A committee was appointed by President Boyce to work on a float for the annual Homecoming Parade. This committee consists of Virginia Phillips, chairman, Juanita Green, and Genelda Hardway.

Loretta Poling was named chairman of the vespers program for last Sunday's services.

Ohnimgohow Players Hold Initiation

The annual formal initiation for pledges to the Ohnimgohow Players was held Thursday evening at 7:00 October 4 in the college lounge. The oaths were taken and Robert Hoffman sang an appropriate selection. Claudette Hefner accompanied him at the piano. The girls were presented with yellow corsages and the boys received boutonnières.

The following pledges were accepted: Dorothy Lanham, Janet Heron, Betty Jo Simons, Jack McCarty, Gerald Kress, Robert Childers, Darrell Morris, Mabel Moore, Joyce Georgialis, Bertha Turner,

Lilly Will Be Pioneer; Mick, Porter, Bingham, Dobbins Are Princesses

By BILL BORAM

Doris Perkins and Jack Lilly were named to head the annual Homecoming festivities as Queen and Pioneer in a general school election held last week.

Also elected at that time were the following class princesses: freshman, Betty Dobbins; sophomore, Faith Bingham; junior, Shirley Porter; senior, Martha Mick.

Doris Perkins, who will reign as this year's queen, was junior class princess last year. She is a senior music major and is a graduate of Nicholas County high school.

Jack Lilly will don traditional hillbilly garb and assume the role of Pioneer for the festivities. Lilly, a senior commerce major from Beckley, is president of the Holy Roller Court fraternity, a member of the Inter-fraternity Council and last year was on the Glenville State varsity basketball squad.

Freshman princess Betty Dobbins is an elementary major and a graduate of Gassaway high school. Faith Bingham, sophomore princess, is a transfer student from West Virginia University. She graduated from Wirt County high school and is an elementary major.

(Continued on page 2)

CLASSES ADDED TO CURRICULUM

By CY ANDERSON

Five new courses are being taught this semester, according to Dean Edwin P. Adkins. Three of the five are of direct benefit to students in elementary training.

The health program for the elementary school is being taught by Prof. Clarissa Williams. The course is designed to teach the basic principles of health in relation to the elementary school and the community.

Speech correction is not as the name implies a course to correct speech defects. It is to aid the elementary teacher in being able to recognize and detect minor speech defects of the young child.

The course is being taught by Prof. Marjorie Skelton.

Teaching of reading, taught by Prof. Eddie Kennedy, is a course in techniques especially for elementary majors and experienced teachers.

Other new courses include: Structural English, an advanced grammar course, taught by Prof. Hunter Whiting, to provide the English major with a review and mastery of grammatical principles.

As a supplement to the College health program, Prof. Michael Josephs will offer elementary swimming the second quarter, and advanced swimming the second semester.

Elementary swimming is designed for the beginning student whether or not he be a physical education major.

Agriculture Club To Be Organized by Prof. Lane

Plans for an Agriculture club to be organized sometime within the next month are being completed by Prof. Warden Lane.

The club will be open only to agriculture students and it will be the first organization of its kind since agriculture was added to the curriculum three years ago.

Policies and objectives will be set forth at the first meeting, for which a date has not yet been set.

GSC Evades Big Time Evils

Recent scandals involving prominent figures in the sport world have brought to light evidence that athletic over-emphasis in our American colleges has reached the point where it is almost impossible to control.

Athletics have been emphasized so strongly in many schools that they have practically ceased to be of benefit to the students. In many cases, their only value lies in their attraction at the box-office.

In the midst of this constantly growing situation, it is encouraging to note that our school has remained completely free of undue athletic over-emphasis. The problems of athletic scandal and notoriety for the school will never have to be faced at Glenville State.

Over-emphasis of sports brings with it many headaches for both students and school officials. Breaking collegiate rules by paying athletes to play ball, passing certain students because they are good athletes, and facing the possibility of "fixed" games are worries with which Glenville college officials do not have to contend. An athletic program run sensibly and fairly as ours is does not breed such undesirable problems.

However, some observers look upon Glenville State's lack of emphasis as inadequate training for students interested in that field. It must be remembered, though, that emphasis only leads to more emphasis until before long the whole idea of the game may be lost.

If an athletic program is to be carried on, it should be conducted so as to have the greatest possible advantage for the student body. Lack of the undesirable over-emphasis on winning makes it possible for Glenville athletes and their rooters to realize that, win or lose, the game has been played fairly.—W. B.

An Orientation Period

Freshman rules at Glenville State, as at other colleges, are devised to help the students entering college for the first time to better orient themselves to their new environment.

College officials feel that a short period of instruction such as the freshman rules period will enable the new students to become accustomed to collegiate life. Such customs as speaking to everyone and walking on the sidewalks instead of through the grass are enforced during the freshman rules period in the hope that they will be continued even after the rules are no longer in effect.

Those of us who have gone through freshman rules realize how much good they have done for us. Most of the freshmen who are now under freshman rules are aware of the benefits they are gaining from the rules but a few have yet to learn just "what the score is."

The student who enters into the spirit of freshman rules as they were intended is making a good adjustment to college life; the freshman who insists on keeping a poor attitude toward the rules is getting off to a bad start and sooner or later will regret his behavior.

The student council enforces Glenville State freshman rules. They are aware of the rules' importance and use their best judgment in seeing that the rules are obeyed. Helping the Council by entering into the spirit of the rules can be the freshman's way of helping himself to get off on the right foot at Glenville State.—W. B.

Mercury Musings

(Continued From Page 1)
In fact, in the event a controversial situation should arise, we foresee a blow-up that could reduce the group to the position of a mere figurehead. This certainly is not to be desired but we don't see how it can be avoided.

It's good to see Garfield "Bear" Jordan back on the campus once again. An original "ten-year man", Bear entered Glenville State as a freshman in 1941. After staying here one year, during which time he played on the Pioneer football team, Bear entered the U. S. Marines and served until 1945 when he again enrolled at Glenville State. After attending school less than a year, Bear dropped out and served a short hitch in the coal mines, returning to Glenville for the 1947 fall term. After attending school a little over a year, Bear was once again recalled to the Marines. Completing his last hitch a few weeks ago, Bear has returned to our campus with a bum knee and hopes of finally graduating from college. During the times Bear has been with us in the past ten years he has been outstanding in the fields of athletics and dramatics. We're glad to have him

back in the fold once more and sincerely hope that, after eleven years of trying, he can at last win his sheepskin.

We are happy to report that we remain unbruised following the appearance of the first issue of this year's Mercury. We hope the student body likes the paper and will feel free to tell us any time that they have an criticism at all concerning the paper.

Jordan, Blake Wed In Quiet Ceremony

Miss Wanda Jordan, daughter of Mr. and Mrs. Guy J. Jordan of Spencer, and Mr. John Moore Blake, son of Mrs. Myrtle Blake of Lewisburg, exchanged vows at 7:30 Friday evening, Sept. 7. The Rev. Ross M. Evans, Raneline Methodist minister, read the single-ring service at his home.

Mrs. Blake graduated from Spencer High School, and attended Glenville State College. She is teaching this year at Clearco elementary school.

Mr. Blake graduated from Greenbrier Military School, Lewisburg, and East Tennessee State College. He is a member of the Frankfort high school staff.

Chatter

ACROSS THE TABLE

By Marjorie Hardman

Material for this column is about as plentiful as hen's teeth.

Everyone seemed to appreciate those cheery "hellos" he received before meals every day from Hayward Loug.

The reason the light seems to be glowing in Betty Osburn's eyes is because Roy Skidmore has moved to the campus.

James Blosser and Betty Lou Barr have more in common than table manners. Surely they can not be talking about Emily Post every evening.

Joan Wilson is helpin' Uncle Sam out by writing to Gene Dotson, who is doing his duty in the Navy. Have you boys noticed Bernadine Gregory? When she opens those ruby lips, she speaks pure spear-mint.

Don Arbogast is observed making frequent trips to Verona Maple. It could be because Jeanne Melrose lives there.

The seating at the dining hall tables has started many friendships. Mike King and Barbara Wright are two of the latest results.

Don't look now, but Robert Boggs and Juanita Green have been seen at the local howling spots.

To whom it may concern—Jazzy is available.

Richard "KO" Palmer and Bill Waldeck reminds one that Christmas is almost here. They have their glowing red and green cocks out of moth balls for another season.

A new couple on the campus that deserves mentioning is Joanne Metz and Don (Juan) DeVaughn.

A romance that lasts all year 'round is that of Bob Wine and Rosalie Edwards.

Of course, Harlan Hamrick still has his eye on Grantsville although Joan Sturm is not on campus this year.

The team must be congratulated for winning a game—let's hope they do as well next week-end.

If you notice someone standing up to eat in the dining room don't be surprised.—It is only a Court pledge.

Preparations for open house at Verona Maple have already started—the ladder is already up.

Keith Squires has ordered a "foam rubber pillow", which should improve his sleeping.

Foursomes are a crowd but not when they are paired off right, and the latest is Kenny Pratt and Mary Elizabeth Burg, and Jerry "Moose" Kress and Genevieve Hinder.

Not only the girls like to have curly hair but also do boys. Just look at Al Högges.

We are sure that all of the upper classmen will agree that the freshmen look very becoming in their blue and white caps. "We're just as proud of them as you are, kids."

Big Day Plans

(Continued from page 1)
sity, will head the unit, followed by a color guard from the Grantsville Army Reserve Unit, Capt. Stanley D'Orazio, an alumnus, commanding.

Campus units and their student leaders include the Holy Roller Court featuring a float and comedy musical unit, Jack Lilly; Onhimgow Players, Ruby Cornwell; Women's Athletic Association, Shirley Porter; Student Christian Association, Elizabeth Boyce; Wesley Foundation, Ann Brannon; Kappa Sigma Kappa, Verl Garster; Verona Maple Hall, Dottie Terrill; Kanawha Hall, Jane Myers; Home Economics Club, Betty Langford; Sigma Tau Gamma, Bill Boram; Sorority (newly formed unit), Joan McNemar; Music Educators National Conference, Myron Mason.

The freshman class and the Queen and her entourage plus other class representatives will also be included in the procession.

As a stimulant for the dwindling crowds at the annual dance, set for the College gym from 9 until midnight, a special students ticket will be sold at \$1.50 per couple. Regular admission price will be \$2.50 per couple. Ticket sales are again in charge of Lloyd (Casey) Jones, college financial secretary.

For the second successive year the coronation of the Queen will be

held on Campus in front of Verona Maple hall at 11:15 a. m. Dr. Harry Heflin will crown the queen. Prior to the parade and following the coronation, Dr. Heflin is arranging for a conducted tour of the new Health and Physical Education building.

Included in the parade will be Glenville and Gilmer County elective officials. Haydon Boggs, mayor, has assured the Alumni Association that he and members of the council will ride in the event. Robert Butcher, an alumnus and Gilmer County circuit clerk, is in charge of arrangements for the county group.

Units interested in participating in the day's activities are invited to do so. So far Gilmer county's five high schools have all signified intentions of entering units in the parade, as well as several churches and civic groups. Others interested are requested to contact Leon Reed, Jack Luzader or Iz Nachman, parade marshals, so that they may be assigned a spot in the line of march. **Store Will Be Decorated**

A committee headed by Ruddell Reed, local grocer, has announced that all Glenville stores will be decorated, street signs will be erected. Other decorations have been planned for the city's streets for the annual event. For the first time, the Alumni has requested decorations to be put into shape at least four days prior to the big day.

Playing for the annual dance will be Dave Casto's 7-piece orchestra of Buckhannan. Decorations for the gym will be in charge of the G Club, under the direction of Ed Janiszewski, president.

Sponsors for the five high school bands, as named by Brent Cool, president of the student council, are: Webster Springs, Harlan Hamrick and Harold Butcher; Burnsville, Claudette Hefner and Marjorie Hardman; Calhoun county, Larry Gainer; Spencer, Dan Anderson; Richwood, Wanda Taylor and Wanda James.

Faculty Members Attend Conferences

Several members of Glenville State's faculty and administrative staff have attended state conferences during the first few weeks of school.

Prof. H. Y. Clark and Dean Edwin P. Adkins attended a Teacher Education conference in Charleston last week. Dean Adkins also will attend other regional education meetings in Huntington, Clarksburg and Wheeling within the next few weeks.

President Harry B. Heflin will attend an education association meeting in Bluefield, October 13, and another one in Clarksburg on October 29. On November 1 Dr. Heflin will attend a regional West Virginia Association meeting, and on November 8 he will evaluate the college at Bowie, Maryland.

Education Class To Conduct Survey

A very interesting and worthwhile community project has been formulated by members of Prof. Edgy C. Kennedy's Education 305 class, "Problems in Rural Education." The class is attempting to find some of the reasons why people are leaving Gilmer county and why high school graduates are not continuing their education.

Interviews and questionnaires will serve as main working devices in the survey.

New Fluorescent Lamps Added to Laboratories

Prof. Byron Turner, of the chemistry department, has announced that new fluorescent lamps have been received for use in the chemistry laboratories.

The lamps are especially designed for use with the analytical balances, instruments by which very accurate weighings may be made.

Perkins Elected

(Continued From Page 1)

at Glenville State. Shirley Porter, junior princess, is an elementary major from Gauley Bridge. She is also secretary of the student council and president of the Woman's Athletic Association. Senior class princess, Martha Mick is a Commerce major and a graduate of Gassaway high school.

Frat Chat

By C. MAZE, JR.

HOLY ROLLER COURT

At their weekly meeting Oct. 2 Carl Galigni was elected to represent the Holy Roller Court along with Judge Jack Lilly and Clerk Larry Gainer in the Interfraternity council.

Informal initiation was begun for the seven new pledges voted into the fraternity last week and will continue through Oct. 16.

The new Court pledges are: Bill Lilly, Kenneth Reed, Charles Hoffman, Richard Satterfield, Jerry Kress, Kenneth Pratt, and Woodrow Paxton.

SIGMA TAU GAMMA

Sigma Tau Gamma fraternity held its regular meeting Sept. 26 in the Louis Bennett lounge. At this meeting, the following officers were elected: Bill Waldeck, parliamentarian; Charles Doddrell, chaplain; and Bob Milligan, corresponding secretary.

Two Sigma Taus will be appointed by President William Boram to direct traffic and help with parking during the Homecoming activities.

The planning committee for the Sigma Tau's float in the Homecoming parade consists of Charles Doddrell, chairman, Lee Woodburn and Fred Gainer.

KAPPA SIGMA KAPPA

After a short devotional service led by Chaplain Harold Butcher at the Kappa Sigma Kappa fraternity's regular meeting Oct. 1, plans were discussed for the fraternity's float to be entered in the Homecoming parade. However, nothing definite was decided.

President Billy Hanlin has announced that this year's Sadie Hawkins day will be November 17. Don Weaver, Dan Anderson, and Cecil Johnson were appointed as a committee to work out the events for this annual celebration.

Orendorff Appointed Chairman of MENC

Prof. Harold S. Orendorff, chairman of the fine arts department, has recently been appointed state chairman of the student chapters of the Music Educators National Conference.

At present, there are twenty-two institutions of higher learning in West Virginia, five of which have student chapters.

It is Prof. Orendorff's desire to start new chapters, and to reactivate those that have died out.

Club Members Meet New Plans Discussed

A meeting of officers and old members of the Glenville Chapter of the Collegiate Academy of Science was held Monday evening October 1.

The purpose of the session was to make plans for the first regular meeting at which time new officers will be elected and freshman members will be admitted.

William Ice, president of the club, and as presiding officer for the session.

Glenville Eleven Journeys To Elkins for Saturday Tilt

Josephmen Concentrate Primarily on Aerial Defense Against D&E

By BILL LILLY

After notching up win number one in three starts by beating Salem 41-7 Sept. 29 at Grantsville, the Glenville State Pioneers will journey to Elkins Saturday to combat the Davis & Elkins Senators.

During the last week and one-half, the Pioneer Squad has been concentrating heavily on pass defense. Knowing that Senators possess a lethal, sudden-death aerial, the Joseph-jed men are taking no chances.

However, in their last game against the Salem Tigers, the Glenville passing defense looked exceptionally good. One Pioneer man, Joe Riddell, looked very good in that department. On three different occasions, Riddell intercepted passes that halted the Salem offense, and, at the same time, abetted the Pioneers to take the initiative thus enabling them to hang up a decisive victory.

COOL, WINE STAR

Brent Cool and Robert Wine were also in on the pass interception department. Both had one apiece.

Conditioning and more conditioning is the point to be emphasized by Josephs in preparation for the coming game. Said Coach Josephs: "We are concentrating some of our time to sharpen up our offense on the ground. We were running well enough against Salem," he continued, "but they were under par, having had to play two games in one week. It was too much for them."

JOSEPHS IMPRESSED

Coach Josephs was very much impressed with the improvement of Cecil Johnson and Ron Godfrey in the Salem-Glenville game last week. Johnson is the starting fullback and Godfrey plays right-half. "Johnson got a late start," said Josephs, "but he is improving with every game. Godfrey ran well last week, too. All he lacks is experience."

Bill Hanlin, the big gun for the Pioneers, is the man that has been doing the consistent ball carrying. Hanlin, a sure-fire candidate for all-conference, ranks among the hardest running backs in the state. Against Salem, he scored three touchdowns.

Although the D & E team has been beaten this year, and, although they have been beaten badly on two different occasions—88-0 by Toledo, and 34-6 by Saint Vincent—it's just as Coach Josephs said: "They're going to be tough!"

Pioneer Yearlings Shine at Calhoun In Tiger Massacre

By DARRELL MORRIS

Glenville State's impressive 41-7 triumph over the Salem College Tigers at Grantsville on September 29 gave the followers of the state's sports scene much to kibitz about during the past week. This game not only indicated the power that the Pioneers really possess but gave the crowd of 1200 avid football fans a sneak preview of what Coach Mike Josephs will have to build his T-model grid machine around for the next four years.

Much of this football timber came from Grantsville, W. Va. in the form of Ron Godfrey, Cecil Johnson, Dean Hupp, Harry Knotts, Joe Riddell, Don Weaver, and Lowell Weekley playing for the GSC team.

Godfrey, Hupp, Knotts and Weekley are all yearlings playing their first year of collegiate ball for the Pioneer eleven.

The Grantsville guys really gave the hometown folks a show for their money as they played what will be perhaps their best game of the year. Three of Pioneers' six touchdowns were made by Godfrey (2) and Hupp. Cecil (Crazy-legs) Johnson got five for six in boots for the extra points.

Don Weaver, one of Joseph's reserve guards, looked especially good in his blocking assignment at the GSC-Salem game.

TENNANT IS STANDOUT

Another freshman standout is Jack Tennant, shifty quarter-back from Fairview, W. Va. Tennant's running and passing has looked exceptionally good in the previous two outings. As perhaps you know Fairview is a small town near Fairmont. When the Blue and White wave clashed with the Fighting Falcons at East-West stadium in Fairmont, the sports announcer of WVWV was quite impressed as to how Tennant handled the Pioneer T-formation.

Big Bob Reed, a Glenville product, has excelled in his kicking thus far. Reed, a 170-pound freshman left-end, played his high school ball under Red Terror Coach Woody Wolfe.

Much credit should also be given to Frank Vincent, 190-pound freshman center from West Newton, Pa. Vincent has been more or less unheralded by the sports scribes.

Across the Sights

By BILL LILLY

To single out one particular individual and say he excelled over his team-mates in Glenville's 41-7 victory over Salem would be a brush misstatement. To single out one particular individual and point out that his caliber of play excelled the other Pioneers over a period of three games would be hard, too. But, to pick out one backfield man and one lineman on the Pioneer squad who overshadowed the rest of the boys in there would be easy for the person who took it on himself to crawl out on such a thin limb. Most likely, they would pick them according to their own prejudices.

Pretending that you are the writer, and the writer is the reader, it is most probable that a number of Pioneer football players would be named. It is possible that the number named would exceed the number of players (eleven) that are permitted to participate during the game at one time. HANLIN, LANHAM EXCELL

But eliminating all prejudices, and sticking to the bare facts, the writer would name left halfback Bill Hanlin and defensive guard, Paul Lanham, as the outstanding players thus far in the season.

Hanlin, a devastating, "hole-making" back from Bens Run, stood out as the best running back on the field (including the opponent's backs). Against Potomac and Fairmont, Hanlin ran often; he ran hard; and, he gained consistently, moving like a freight train on each play.

When the Pioneers played Salem at Grantsville in their third encounter on the gridiron this season, Hanlin scored three touchdowns. This was three time more than he had scored in the two games previously. Why could he perform such a feat against Salem and not against Potomac and Fairmont? He didn't do it on his own. Hanlin scored because fellows like Harry Knotts, Bernard Jolley, Sid Adelsberg, Frank Stanевич, Dean Hupp, Don Merriman, and Frank Vincent were in there accentuating that thing called "extra effort".

but has definitely proved to be an asset to the Pioneer line.

Men's Volley Ball Underway, Mill's Team Still on Top

By BOBBE BOGGS

On Tuesday, October 2nd captain Marvin Stewart's No. 3 team was handed its second consecutive setback in as many starts. Both defeats have been at the hands of Robert Cutlips' No. 6 squad. No. 6 won the first and third games of a three-game series 15-7 and 15-8 respectively. No. 8 won the second encounterment 15-5.

In the 7-15 tilt Ronnie Mills' team remained undefeated as they came through to win 15-13 in the third meet. The win was at the expense of No 5 team led by Dennis Whipkey. The opener of the series was won by Mills 15-11, but No. 6 came back in the second match and won 15-12.

The competitors of the 8 o'clock game required only two matches with Richard Hoovers' No. 4 forces, displaying a well balanced attack, winning over Roy Skidmores' team 16-14 in both rounds of a scheduled three rounder.

Cromwell's Team Leads Games In WAA Intermurals

By Marjorie Hardman

Cromwell leads in the volleyball games played in the Women's Athletic association intramurals. So far this team is credited with three wins and no defeats.

Judy, Fore, and Sponaugle are tied for second place with two wins and one defeat each.

Team	W	L
Cromwell	3	0
Judy	2	1
Fore	2	1
Sponaugle	2	1
Waggoner	1	1
Spicer	1	1
Dobbins	1	1
Lanham	0	2
Murphy	0	2
Green	0	2

"Extra effort" is present in every game. It separates the winner from the loser.

Lanham and Jolley Strong Defense
Lanham is Glenville State's lineman of September. A defensive guard, he has been one of the stalwarts of the Pioneer defense. He,

ADLESBERG IS '51 GRID BOSS

Sid Adelsberg, big one-hundred ninety-five pound Pioneer left tackle from Pittsburgh, Pa., has been named by Coach Josephs as acting captain for the '51 season.

Adelsberg, a two sport letterman—basketball and football—transferred to Glenville from Duquesne University in 1948 as a sophomore. This year will make the Pittsburgh kid's third straight years as a regular on the Pioneer football team.

Last year, Adelsberg performed magnificently at a guard position on the White Wave's basketball team. He was the leading foul shooter in the state, making 106 out of 131 tries for a 809 average.

In the state tournament, Sid's stoutest defensive play and his consistent scoring helped the Pioneers to take the state championship.

Adelsberg, big and tough as they come, is a sixty minute man for the Blue and White.

Asked to comment about Glenville's chances in the remaining four games of the season, Sid included the rest of the members of his team by saying: "We'll let them know we're there."

Improvements Made In College Campus

Several campus improvements have been completed during the summer, according to President Harry B. Heflin.

Parking areas near the administration building and Verona Maple hall have been paved and are ready for use. New sidewalks have been completed in front of the library and Verona Maple hall; the athletic field has been regraded and planted in grass; plastering and painting have been finished in most campus buildings; and new offices have been completed for the language and history departments.

MUSICIANS GET DRUMS, RISERS

Two important, and much needed, pieces of equipment have been added to the music department since last year, reports Prof. Harold S. Orendorff.

One is a set of W. F. Ludwig timpani, considered the world's finest kettle drums. The others is a set of seated risers which makes it possible for all students to see the conductor at all times.

Professor Orendorff also reports that the fifty-one member choir is working on a fall concert, to be given in the early part of November.

Any student who plays a violin, brass, or wood wind instrument is invited to play in the college orchestra states Prof. Bertha O. Olsen. The orchestra rehearses on Monday and Wednesday afternoons at 3:10.

With twenty-five members this year, the Glenville State college band has shown much improvement over last year states Professor Orendorff. The major purpose of this group of players is to promote school spirit at all home athletic events.

Newman and Turner Sponsor Math Class

It was announced last week by Professors Marvin Newman and Byron Turner that they will jointly sponsor and instruct a class in

Across the Sights

(Continued from page 3)

along with another guy named Jolley, weld the middle of the Glenville line into a practically unpenetrable barrier. Also, as has been the case when the Pioneer defense throws the opposition for a loss, you can rest assured that Lanham will crawl out from under the pile-up seven out of ten times.

So, you see, you can't mess around with guys like Hanlin and Lanham. When they put on that uniform and amble out to the striped gridiron to participate in a friendly game of football, they become rare characters, indeed. Give them an inch, and they'll take a mile.

When "Dike" Janiszewski, the corn-fed, flaxen-haired "Pride of Scarbro," recovered the off-side kick of Fred Gainer against Salem shortly before the first half ended, he was heard to remark later that that was the hardest that he had been hit on a football field all year.

Asked who hit him, he replied, "Spadaro, I think."

Such a display of aggressiveness to get that ball on the behalf of Gene Spadaro symbolized the spirit

the use of the slide-rule.

The class, which will begin sometime next week, is being offered for beginning mathematics students and others interested in learning and reviewing the use of the slide-rule.

of the entire team. If the Pioneers can retain that spirit during the rest of the season, they will continue to improve with each game; and, "they will be tougher and tougher as they go along."

Pioneer says: "You gotta accentuate the incentive and eliminate the loafing if you expect to win."

Dean Kingsley Announces Draft Test for April 24

G. Gordon Kingsley, dean of men, has announced that a Selective Service college deferment test will be given for men of this area on April 24, 1952.

Glenville State college has been established as an examination center bearing the code No. 1169.

Students desiring to take this written examination should see Dean Kingsley for any further information.

Wesley Foundation Holds Roast at Athletic Field

The Wesley Foundation held a roast September 28, at 7:00, at the athletic field. Guests participated in group singing, led by Robert Milligan, around the huge bonfire. After the singing, refreshments were served.

Extension Courses Being Offered In Near Cities

By GENELDA HARDWAY

Extension courses are being offered this semester in Clay, Grantsville, and Spencer. Miss Erma Edwards, assistant registrar, has reported. These courses include science, economics, history, and consumer economics. Miss Edwards reported that fifty-three are now enrolled in these courses.

Two Saturday classes are also being offered at Glenville the first semester. These are: Health 321, Health Program for the Elementary Schools, 3 hours credit, Miss Clarissa Williams, instructor; Speech Correction for the Elementary School Child, 3 hours credit, Miss Marjorie Skelton, instructor.

Evening classes at Glenville State College began September 18 and 20. Dean Edwin P. Adkins announced. These classes are: Busi-

School Officials Purchase Public Address System

Sound effects accompanying the first home football game of the season were made possible by a new public address system purchased by the school.

The system includes four large speakers and is operated by Eugene Knisely, junior from Troy.

Prof. Stanley Hall served as announcer for the game.
