## Mercury Musings

By BILL BORAM

In answer to those who wondered why no Mercury was published last week, we were not scheduled because the change of semester meant a change in the make-up of our staff, and the week's lay-off was needed for some wholesale re-organization.

We hope our readers don't overlook the discussion presented on this week's editorial page. It deals with a subject that is definitely part of the school's everyday life and should be of interest to everyone — even those who may differ with the views presented.

The benefit affairs which are being sponsored by the cheerleaders for the purpose of securing funds for which to buy sweaters are as worthy of our attendance as any event could be. As head cheerleader Charles "Chick" Zakarian puts it, "We just want a little help from the students so that we can get the sweaters we have earned."

Perry Smith, former Mercury business manager and now working for the Parkersburg News, informs us that he has received the word and will be an infantryman within the next month.

## Library Establishes Vertical File System

A vertical file containing an alphabetized grouping of pamphlets, charts, catalogues, reports, and maps has been established in the Robert F. Kidd library.

Revised last year by Margaret Ann Miller, the file is a valuable aid to students seeking material for their field. Prof. Floyd Miller stated.

At the close of last year a collection of approximately 2,300 items had been classified. This year many new materials have been added to make a more complete vertical file.

Materials filed are received from the state department of education and the United States Office of Education.

Youth night was one of the many special nights featured at the local Baptist church in collaboration with a two week's evangelistic campaign conducted by the Rev. Mr. Stevens. He was accompanied by his wife, Sylvia, during his preaching campaign.

## Clearer Picture

Now that the two campus sororities have been with us for a few months, it is possible to get a clearer picture of what their organization will mean to the school.

It is certain that the organization of the sororities has and will continue to add to the college social program. The sororities have also proved that they can offer fellowship and good social training for their members and brisk competition between the two groups. Along these lines they serve their purpose.

The addition of two sororities to campus has also brought several other situations to light. Much more so than has ever been evidenced among the men's campus fraternal organizations, has been a growing antagonism between the two sororities and also between organizations and non-sorority members. Bad feelings that were never present before have sprung up among most of the women. The smallness of the school and the dormitory living conditions seem to breed this when sororities are present.

Last year, the Mercury conducted a poll among the women asking whether they would favor sororities on this campus. The result of the poll showed decisively that the women did not favor the forming of such groups here. Many of the women who were the most outspoken concerning the ill-advisedness of starting sororities are now members of the organizations. The sororities have their good and their bad points. We wonder. —BB.

## Kappa Chi Kappa's Pin Friendship Key To Sorority Pledges

Kappa Chi Kappa held a formal pledge ceremony January 31, at 6:45 p. m. in Louis Bennett Lounge. After the pledges made a formal vow to the sorority, a key of friendship was pinned on each pledge by her "big sister".

The pledge mistress, Nancy Harris, met with all pledges Monday, February 4, at 4:00 p. m. in Louis Bennett lounge. Two talks were given by Helen Brammar and Georganna McCullough on the subjects "Dress," and "The True Meaning of Etiquette".

## Ex Libris

By JOSEPHINE FIDLER

Stone, Irving. THE PRESIDENT'S LADY. 338p. \$3.50. Doubleday

Irving Stone presents his latest biographical novel in the same gentle flow of narration as his IM-MORTAL WIFE. This novel recreates the life of Andrew and Rachael Jackson engulfed in the melodrama in which they lived.

It is a story filled with deep emotion. The author has let us see a political figure through the eyes of his wife, Rachael. It is revealed as only she could see him. Andrew's experiences were ones of struggle and difficulty but it was Rachael who bore his burdens and helped him to strive forward. Both Andrew and Rachael wanted a quiet life together but it seemed something never attainable. As a lawyer, Andrew was constantly in controversies. When he was rising in the military and political fields there were more hard struggles.

It is a story of tragedy. Just as Andrew and Rachael were thinking some of their dreams were being fulfilled something would come along to shatter their hopes. People would never let them live together in peace, but would keep searching into the unhappy years of Rachael's first marriage to Lewis Robard. Rachael did know that Andrew had attained the goal of president of the United States but she never lived to share those days with him.

Here is your opportunity to share the deeply moving story of the Jacksons. They are portrayed as real persons confronted with the criticism of society. You see them presented in a manner other than political. The author has chosen simpler English for his presentation rather than the flowery formal language of the day.

## Fulbright Plan Is Received

Students interested in making application for study under the Fulbright Program are asked to see Professor Marvin Newman. Application for candidates may be made from May 1 to October 15, Professor Newman said.

The Fulbright Program, authorized by Public Law 584, 79th Congress (the Fulbright Act) provides for a portion of the currencies and credits of other countries acquired by the United States through the sale of surplus property abroad to be used for educational exchange between the United States and these countries.

The general purpose of the Fulbright Program is to contribute to the development of mutual trust and cooperation among the free peoples of the world for the attainment of freedom and peace. A means of achieving this objective is by sending well-qualified American students to gain experience, knowledge and understanding of foreign peoples, and to interpret American abroad. Two awards annually are available for each state and one each to Alaska, Hawaii, Puerto Rico, and the District of Columbia.

Following is a list of requirements which all candidates must meet before an applicant is eligible for consideration as a candidate for a Fulbright Scholarship.

1. A United States Citizen.
2. Bachelors degree, or its equivalent, by the time he begins study under the award.
3. Sufficient knowledge of the country named in the application to carry on studies and research profitably.
4. Good health.

Candidates for state scholarships must have legal residence in the state, territory, or district and enrollment as an undergraduate senior in an institution of higher learning in the state, territory, or district of his legal residence at the time of his application.

## Galgani Receives Honors For Work as Representative

Carl P. Galgani, Mercury business manager, has been reappointed campus representative for Chesterfield cigarettes for the second semester.

ACROSS THE TABLE

By GENELDA HARDWAY

We would like to welcome the new students who are on our campus this semester. Some are very new and some have been here before.

Sally Waggoner and Cece Johnson have been keeping the steps of the Ad building warm on these frosty nights.

Ann Brannon was honored with a birthday party last week at the home of Pres. and Mrs. Heflin.

Eugene Hall wants everyone to know that he recently got a hair cut. Clarence Maze and Bill Waldeck, too, have joined the League of Crew Cuts.

Carlton Gandee and Dot Lanhann have been seen keeping company lately.

Alice Ann Griffith recently stated that she had developed an allergy. What she really meant was that Don Merriman was no judge of clothing.

Harold Butcher and Barbara Shimer are as steady as ever.

Clara Rasmick is really getting around. We saw her at the local cinema palace with Bob Hoffman one Sunday night. Don Arbogast is in there running yardage, too.

June Adams has really been excited this week. Of course, that was because Chuck is coming home.

Barbara Brannon and Roscoe Wilson are a regular steady here now.

Harlan Hamrick, why is it you are being called "Hobart" lately?

We were glad to see Allen Keeney, better known as Keeno, back on the campus for a few days last week. Keeno is one of our grads of last year and is now in the air force.

Tennant, Johnson, Barrett Lead Pioneer Attack; Merriman Versatile Star

The Glenville State Pioneers dropped games No. five and six in a row when they lost to a strong Davis & Elkins quintet on their home floor Thursday, Feb. 7, by score of 64-59, and the West Liberty Hilltoppers the following Saturday night, Feb. 9, in an away game, 79-72. The Pioneers have failed to win a game in February, the West Liberty contest being their fourth defeat.

At the end of the first quarter of the Glenville-Davis & Elkins game the Senators were leading by two points, 13-11. Then early in the second quarter, Dick Barrett scored two quick field goals to knot the count at fifteen-all.

Davis & Elkins forged ahead again on field goals by Skippy Hill and Bob Juback. Bob Reed, Pioneer guard, tied the score for the second and last time in the game at twenty-two all on a free throw. Seconds later Dick Barrett sunk a field goal to put the Pioneers ahead.

With thirty seconds left to play in the first half the Pioneers were leading Davis & Elkins, 27-26. Then Bob Juback, hard-driving Senator guard, racked up to quick field goals to put his team ahead for the duration of the game.

During the second half Davis & Elkins slowly pulled away and were leading the Pioneers by ten points when the third quarter ended. Early in the fourth quarter the Senators built up their lead to sixteen points and led Glenville 55-39.

The Pioneers found themselves with about six minutes to play in the final quarter and began to fight a thrilling but losing battle against the clock on the wall. The game ended with the Pioneers having gained back eleven of the sixteen point deficit to lose by the score of 64-59.

Don Merriman played the best all-around game any Pioneer has turned in this season. Merriman scored ten points and turned in an exceptionally fine game on defense by blocking several Davis & Elkins floor shots which would have meant sure field goals.

The West Liberty Hilltoppers handed Glenville their sixth straight loss when they played the Pioneers at West Liberty Saturday

# 3 TEAMS TIED IN MAA BALL

History repeated itself Monday night, Feb. 4, when, by a quirk of the schedule, the same teams met that had met in the previous round, and the same teams emerged as winners. In the first game Knicey's "Convicts" won easily over Ice's "Bohemians" by a score of 33-11. The "Convicts" raced away to an early 17-4 lead and were never in trouble. "Hodge" Hissam paced the winners with 12 points. "Jazzy" had 6 for the losers.

In the second game Charlie Marks' "Marksmen" won their third game of the season without a loss by beating Floyd's "Feuders" 42-31. The "Marksmen" led 21-7 at half time only to see the losers pull up to 33-31. Then, with Marks and Spaur hitting from all angles, they pulled away to win in a breeze.

The "Marksmen" have been the class of the league thus far. Cool and Spaur paced the winners with 15 and 14 points. Jim Gainer garnered 13 for the "Feuders."

In the night cap Buck's "Road Runners" also won their third without a loss by downing Arbogast's luckless "Musicians" in a thriller 29-27. The game was close all the way with the "Musicians" ahead 16-15 at the half only to see the "Road Runners" go ahead 22-20 at the end of the third quarter. The teams scored 7 each in the final quarter to give the win to the "Road Runners."

Bill Lilly and Oliver Hunt led the victors with 9 and 8 points. Charles Dodrill had 12 for the "Musicians."

On Tuesday, Feb. 5, Hunt's "Men of Mayhem" climbed into a tie for first place by downing Vincent's "Snails" 34-28 in a well played game. The underdog "Snails" fought all the way trailing only 21-19 going into the final period. But the "Men of Mayhem" had too much scoring power. Jack Lilly led the winners with 13 points, Frank Vincent garnered 13 also, in the losing cause.

The standing of the intramural basketball league as of Feb. 6, was:

Marks' "Marksmen" .....	3-0
Hunt's "Men of Mayhem" .....	3-0
Buck's "Road Runners" .....	3-0
Knicey's "Convicts" .....	2-1
Fultineer's "Foul Balls" .....	1-1
Floyd's "Feuders" .....	1-2
Vincent's "Snails" .....	1-2
Bogg's "Alcoholics" .....	0-2
Ice's "Bohemians" .....	0-3

# Pioneers Drop Four Contests

Hard-Luck White Wave Defeated in Three Games By Total of Four Points

By DARRELL MORRIS

Coach Hugh Bosely's sudden announcement of the scholastic ineligibility of his star forward George Swyers and guard Tex Ritter came as a stunning surprise to the intercollegiate circles throughout the state. Tech's chances for repeating last year's WVIC feat seemed impossible without the services of the staunch veteran performers. All eyes were turned toward Montgomery as the Pioneers invaded the Tech campus on January 29 for the first major tussle with the Golden Bears since Bosely's announcement came. The Bears found little trouble in dropping the Pioneers 64-57, as they found new form and hope in Eddie Solomon, who nonchalantly dropped 32 points through the wicket to receive the night's scoring honors, and McClain, a freshman guard, filling in for Ritter, racked up 20.

TENNANT LEADS WITH 21

On the other hand, Mike Josephs was having his headaches as he tried to revamp his jumbled lineup in a futile effort to find a replacement for Sid Adelsberg, Glenville's only returning last year's regular. Adelsberg graduated at the end of the semester. The White Wave's one-two punch attack was engineered by Fairview's jumping Jack Tennant and Ronnie Mills, a junior from Parkersburg. Tennant tossed in 21 and Mills had 11.

Feb. 9.

The Hilltoppers, led by Don Kiger with eighteen points and Tom Ackerman with fourteen, jumped off to a 44-32 twelve point half-time lead. During the second half the Pioneers gained three points on their opponent but lost the game by score of 79-72.

Dick Barrett was high man for both teams with nineteen points. Other Glenville men hitting the double figures were Jack Tennant and Cecil Johnson with fourteen and twelve points, respectively.

## XI BETA TAU START PLEDGING

Xi Beta Tau held their pledging ceremony Tuesday evening, Feb. 5. The pledges were given big sisters and plans were discussed for the informal initiation which is to begin within a week.

## Pioneers Drop Four

(Continued from page 3)

Big Robert really put on a show for the home town folks as he began to sink baskets from all over the court. Poole had a perfect night at the charity toss stripe as he pitched in 4-4 in addition to his eight field goals. He is a freshman from Lost Creek, where he played his high school ball under Floris Davison. While playing with the Long Horns he made the Little Ten all-conference team for two years and received all-state honorable mentions. Another GSC yearling, Jack Tennant, had 13 points for second place honors. Cecil Johnson and Dick Barrett had 12 each.

Score by quarters:

Glenville	14	15	13	24-66
Wesleyan	15	21	15	56-67

## FAIRMONT WINS FIRST

At Fairmont on Feb. 2, the Falcons won their first game of the season after dropping their first 11, by downing the Glenville quint 62-61. The Pioneers blew an early lead to let the Falcons go ahead in the third quarter and wrap up the winning margin. However, Glen-

vile showed signs of life as they fought back in the last period to tie the State Falcons at 61. With two seconds to go Glenville's Ronnie Mills fouled Fairmont's ace center Dick Schamp and it was his shot that gave the Marion county boys the winning tally.

## POOLE AGAIN LEADS

Again, as in the Wesleyan game, Bob Poole led the local team with 16 markers. Jack Tennant had 14 and Cecil Johnson 12.

Score by quarters:

Glenville	19	19	13	51-61
Fairmont	15	13	20	48-62

## SALEM TAKES CLOSE ONE

Glenville continued to go down, down, down as they lost their fourth straight league contest as they fell before the Salem College Tigers at Salem on February 5 by a 70-72 verdict. This was the third consecutive game by less than a three-point margin. The Wave again failed to hold on to an early lead that they had set up going into the third quarter. Coming back in the third period Salem pitched in 19 points to Glenville's nine to provide the winning margin.

Tennant took the scoring honors with 26. Cecil Johnson had 22 along

with Salem's Wellington.

Score by quarters:

Glenville	24	18	9	51-70
Salem	17	20	19	56-72

## Pioneers After 'Big

(Continued from page 3)

Also to the advantage of the West Liberty team is the fact that ten lettermen returned from last year's squad. Among these lettermen is Tom Ackerman, 5'6" forward, who racked up an average of 14.6 points per game. Other than returning lettermen, the Hilltoppers have acquired Frank Dumisnech, transferree and letterman in basketball for Milligan College, Tennessee.

To beat such a combination the Pioneers will have to stop the deceptive West Liberty fast break. It can be done. But so far this year very few conference teams have turned the trick. Glenville, at their best, can do it. But, even then, the

Pioneers will be required to extend themselves to the limit.

## A-B here Monday

On Monday, Feb. 18, Coach Josephs will be faced with another tough opponent in the Alderson-Broadus Battlers. Jack Greynolds, local area boy who has been setting the conference on fire with his consistent high scoring habits, will be with the Battlers.

With every game Coach Josephs usually starts a different lineup. The lineup likely to start against W-L Friday will have Jack Tennant and Ronnie Mills or Bob Poole, forwards; Cecil Johnson, center; and Dick Barrett and Don Merriman or Bob Reed at the guard posts.
