Glenville State debate team made as fine a showing at their state tournament in Huntington as any group representing the college has done this year. In winning second place honors, the debaters were up against students from schools such as Marshall college and West Virginia University who have untold advantages over our representatives in preparing for competition of this kind. It is significant to note however, that the Glenville negative team which defeated the Marshall affirmative group in an earlier meet did not have the opportunity of meeting them again in the state meet as each team did not meet each other school entered. Whereas the Marshall affirmative team was undefeated in the state meet, perhaps their record might have been somewhat different if they would have faced the undefeated Glenville negative group—and perhaps the whole outcome of the meet might have been different, for Marshall's 9-1 record was not much out in front of Glenville's fine 8-2 mark.

We had the privilege of serving as judge for a county 4-H talent show at Troy last week which was held to raise funds for the Gilmer county recreation center. It is encouraging to note groups such as this doing what they can to help reach such a worthwhile goal.

The pamphlet will list the many facilities found in the department, the curricula offered, and will include pictures of the instructors of the department, some of the classes, the swimming pool, and other subjects.

Frank Fultineer, a junior from Glenville, was elected president of the Glenville State college student body for 1952-53 in one of the heaviest turnouts for a student election in the history of the school.

Other officers elected were, vice-president Carlton Gandee, a junior from Clendenin; secretary, Clarence Maze, sophomore from Grantsville, treasurer; Lonnie Miller, junior from Webster Springs; and sergeant-at-arms, Robert Milligan, sophomore from Wellsburg.

Capable Leaders

Now that new student body officers have been chosen for next year, the path is clear for both the newly-elected persons and the student body.

Capable and well-fitted students have been chosen to lead Glenville college student activities next year. These people knew what was to be expected of them before they accepted the nomination for these offices. It is now their duty to perform well the obligations that accompany the honor of their posts. They are directly responsible to the student body for their actions in the coming year—they are obliged to succeed.

For the student body who elected these officers to represent and govern them there is the obligation of co-operation and willingness to work toward the goals the leaders might set.

Armed with a new constitution that should be completed soon after they take over next year, the new officers have everything on their side. As a "veteran" of one year's service on the student council, we are aware of the problems that will face the neophyte leaders. We are certain they will be capable leaders for the student body who has placed their trust in them.—WB

Central Location

Film strips and records which are stored conveniently in the college library have and are offering many advantages to Glenville State students—particularly those who are doing directed teaching. However, the supply of these teaching aids is limited and only a few of the desired number is available.

Realizing the unlimited values these records and film strips can be to any student we feel that keeping them in a centralized place such as the library is the desired situation. In the past, several instructors have placed teaching aids which they happened to have on hand in the school library so that they might be used by the students. With several other collections lying around in other departments, it would seem that a wise thing to do would be to keep them in some centrally located spot where they would be accessible to anyone at any time—for this is the actual purpose of the library.

Because film strips and records are a good teaching aid, it should be important to any student who must look forward to the prospect of doing practice teaching that such aids be available to him. For this reason, an increased and centrally located collection of such items is desirable for the school library.

WAVE STOPS A-B AS CECIL JOHNSON SPINS FIVE-HITTER

Win Is First for Pioneers In Six Starts; Ervin Hull, Pete Kostyk Lead Attack

By MAURICE BUCK

Cecil Johnson pitched the Glenville Pioneers to their first win of the season, throwing a sparkling five-hitter, at Alderson-Broadus' Batters before a large Senior Day crowd at Rohrbough Stadium Thursday.

In leading the White Wave to their 12-5 victory, Johnson became the first Pioneer moundsman to go the distance. Glenville took the lead at 2-0 in the second inning as they teed off on the Batters' Jack White-man. Whitman was relieved by A-B ace Pete Adams after getting injured in the third inning.

A-B went ahead 4-2 in the fourth frame only to see Glenville catch up in the sixth. Then in the seventh inning, the Pioneers went ahead to stay with a four-run outburst that brought the count to 8-4. The final four tallies were raked up in the eighth inning.

Freshman first baseman Ervin Hull had a great day for the Pioneers as he collected three hits, scored four times and accounted for 9 put outs in the field. Pete Kostyk and Don Merriman also chipped in with two hits apiece. Johnson performance was further brightened by the addition of 11 strikeouts.

D-E Slugs Wave
D & E's slugging Senators ripped through Glenville's Pioneers for an 18-9 win April 30 at Rohrbough Stadium. The loss was No. 5 for the Pioneers this season.

D & E started early against freshman Bob Poole as he was knocked from the mound by a 7 run 1st inning—a victim of his own wildness. After 4 innings the Senators held a 15-2 margin and the game was over from a practical point of view.

In the late innings Glenville showed flashes of a ball club as they pulled up to trail only 18-9 with Dean Hupp pitching good ball in relief.

Johnson, Lanham, Floyd and Merriman got two hits apiece for the white wave as the hitting begins to improve.

9 High School Bands Attend Festival

Approximately 500 students from nine schools were on GSC campus attending the Regional band festival April 26.

Since marching performances on the field were cancelled because of rain, ratings were based on the concert performances. Individual bands were given their ratings, but these are not available for publication.

Next year Glenville State college will again play host to the high school musicians.

Zakarianen And Gandee Take First MAA Softball Games

M. A. A. softball opened as Zakarianen's team and Gandee's club took wins last week. Zakarianen's sluggers clubbed Arbogast's lads 24-9 and Gandee's men edged Whipkey's team 11-8.

Chick's team had no trouble as they led 21-0 after 3 innings. Winning pitcher Jack Lilly gave up only a bunt single in his 3 innings on the mound.

Arbogast 000 511 2- 9 9 7

Gandee's team was hard pressed to nip Whipkey's team 11-8. The winners jumped to a 6-0 lead off losing pitcher Marvin Stewart. Whipkey's team pulled to within 1 run at 6-5 before another 5-run outburst won the game for Gandee's team.

A 3-run 7th inning rally fell short by three, and Gandee's team went on the hill with a win. Ken Pratt came on in relief to win the game; Marvin Stewart was the loser.
