Candidates for SC Offices Required to Submit Platform

By KATHRYN S. FARMER

Any eligible student who wishes to run for a Student Council office in the coming election should submit his name and a written platform to the Student Council by April 1, according to Paul Lanham, president.

Formerly, the individuals were appointed to run for office by a nominating committee selected by the President of the Student Council.

Requirements Outlined

Two weeks after the nominations have been posted, the election will be held in the Student Union under the direction of the Student Council. Counting of votes will be done by two committees, each composed of two students and one faculty member. These committees will be appointed by the Student Council.

Qualifications of the officers are as follows: The president shall be a member of the senior class who has been a resident student of the college. He should have a scholastic average of 2.5 or higher and must carry not less than fourteen semester hours. He must never have been charged with any major violations of school regulations.

The vice president shall be a junior or a senior with the above qualifications.

4 Seniors On Council

Other student body officers shall be resident students at the time of the election, and their scholastic average should be 2 or higher, carrying.

(Continued on page 4)

Freshman Secretary Elected; S. Chancey Replaces Brannon

Shirley Jean Chancey has taken over her duties as the newly-elected secretary of the freshman class. Shirley was elected by her classmates to fill the vacancy caused when Juanita Brannon left school after the first term. The election took place Thursday, Jan. 28, at a class meeting held in the College auditorium.

Shirley, a graduate of Sissonville high school, is majoring in art and English. She is a member of Kappa Chi Kappa sorority, Omhingohows, WAA, and the International Relations club.

Other officers of the class are: Stephen Rohr, president; James Davis, vice president; and Edward Miller, treasurer.

Peters and Turner To Teach Shorthand

Freda Peters, senior from Troy, and Bertha Turner, junior from Stumptown, will give individual instruction in beginning shorthand. While these business students teach, other prospective business teachers will observe. Professor Genevieve Butcher states that this plan gives practical experience to the students before they do their directed teaching.

Since Shirley Knicley, freshman from Webster Springs, could not enroll in a beginning shorthand class this term, she has consented to be instructed by the business students. By taking this class, Shirley will be qualified to take the dictation and transcription class which is offered next term.

3 Students Record All A's; 30 per cent Make Honor Award

One hundred and twenty-one students, almost 30 per cent of the entire student body, were named to the Dean's list for the first semester by Dr. Delmer K. Somerville, newly-appointed dean of the college.

The figure is the highest of the post-war period, eclipsing the previous high of 101, recorded in 1950. Last year 84 were named, 91 in 1951, 85 in 1949, 89 in 1948, 80 in 1947, and 29 in 1946.

Although the total number on the list surpassed last year's mark, only three students made all A's this semester as compared to the post-war high of six, set in 1953.

Mercer, Wetzel, and Brooke counties led the school in percent of students enrolled making the coveted list. Each placed its lone representative on the list, for 100 per cent.

Pocahontas, Greenbrier, and Pleasants tied for second place with 60 per cent; Putnam, Doddridge, and Wirt finished with 50 per cent; Randolph occupies fourth place with 42 per cent; Harrison has 40 per cent; Wood 31 per cent; out-of-staters 30 per cent; and Gilmer county with 28 per cent.

Those posting all A's for the semester were: Loretta Polling from Calhoun, John James from Wood, and Muriel Whaling of Clay. The remainder of the deans list follows:

Stanley Anderson, Susan Arnold, Billie Martin Atkinson, Clifford Earl Bargehold, Eunice Beamer, Morrison Lee Beckett, Elaine Bell, Helen Louise Berry, Vanda Lee Bird, Glenda Mae Black, Hunter Lynn Black, Gail Lough Boggs, Mildred Gail Boggs, Robert Lynn Boggs, Joyce Elaine Bourn, Claire Bowles, James D. Brackenrich, and Barbara Lou Brannon.

Shirley Frances Brubaker, Edsel Lee Chancey, James Gordon Chapman.

Prof. Ruth Johnson Makes Valuable Find For 'Little Foxes'

Raiding the attic of an actress friend over the Christmas holidays, Prof. Ruth Johnson confiscated several authentic costumes for the cast of "The Little Foxes".

The costumes consist of suits, hats, gloves, skirts, and evening dresses, one of which is a Parisian creation of black lace. They are originals, worn about 1900, which is the time the action in "Little Foxes" occurs.

Because of the difficulty in obtaining original costumes of the early twentieth century, Professor Johnson is particularly enthused over her find.

Betty Jo Simons and Bertha Turner will be in charge of rejuvenating and fitting these costumes. Those for the male cast will have to be rented unless Professor Johnson is able to do more prospecting in attics.

Groves to Play Valentine Hop

G-Club Semi-Formal Affair
In Old Gym This Saturday;
Corsages Banned—Tickets \$2

Jimmy Groves' five-piece orchestra has been selected by the college G-Club to play for their Valentine dance this coming Saturday evening in the old gym from 9-12 p.m. This orchestra is a name band, and played for the Kappa Sigma Kappa Easter dance last year. Mr. Groves is from Sistersville, and plays mostly in the Ohio Valley.

According to Richard Barrett, G-Club president, corsages for the dance have been banned, and tickets are \$2 per couple.

Bedroom is Setting For Home Economics Assembly Program

Decorated as a college girl's bedroom, the Glenville auditorium brought to the stage the many costumes made by the home economics 101 class Thursday, Feb. 4.

A typical college girl is told by her mother to clean up her room. She finds her college photograph album and looking through it brings back scenes from her school experiences. Characters for each scene are:

Entering school, Mabel Batton and Charlene Cole; faculty reception, Marilyn Rastie and Nora Ann Kennedy; homecoming game, Maizie Hughes, Kathleen Quinn, and Dorothy Lanham; Thanksgiving dinner, Norita Wright and Barbara Hart; open house, Helen Jane Shipman and Mabel Batton; Christmas dinner, Patty Royster and Genevieve Hinder; basketball game, Jacqueline Coe and Marilyn Rastie; class, Helen Shipman and Patty Royster; basketball tournament, Norita Wright and Mary L. Gillespie; Easter, Norene Westfall and Charlene Cole; dorm discussion, Jacqueline Coe, Dolores Davis, Kathleen Quinn, and Barbara Hart; Court spring formal dance, Donna.

NEW CAMPUS ADDITION

Wesley SC is Popular Student Rendezvous

By JOHN CUTLIP

Wesley Foundation, a student movement sponsored by the Methodist Church, has become one of the most active organizations of Glenville State campus. The organization became active under its present status when the pastor-director, the Rev. Robert Engle, came to Glenville in the fall of 1952.

Under the directorship of the Rev. Mr. Engle, projects were developed in which all members of the organization could participate. Last year the members were divided into fellowship teams which went to the different churches of Gilmer and adjoining counties and helped to organize Methodist youth groups. In the fall of 1953 a larger project was undertaken—that of completing a student center.

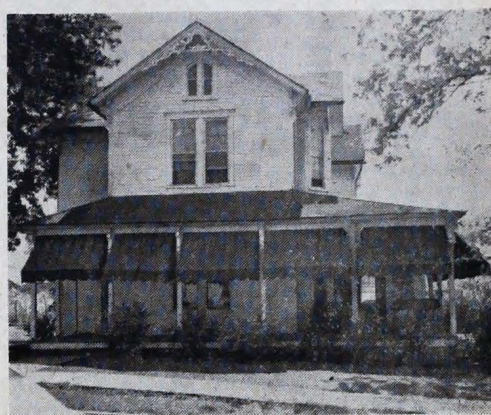

The center was completed and

the formal opening was held November 8, with Bishop Lloyd C. Wicke of the Pittsburgh district of Methodist churches delivering the main address.

Since the opening, there have been continued improvements and additions made to the facilities for student enjoyment. At the present time the recreational facilities offered consist of ping pong, "Kikit," rook, dominoes, checkers, chess, checkers, monopoly, record player, and radio. It is hoped that not in the too distant future a television set might be added.

Kitchen Available

For those students interested in such things, there is a kitchen where one can make candy, bake cakes, etc. Also there is a study room where one may find reference and fiction books.

Home Economics Program Enlarged by New Structure

By Betty Cooper

The addition of the recently acquired home economics house enables Glenville State College to offer a home economics program commensurate to any program in the state, according to Prof. Lillian Chaddock.

Located on Court Street the 9-room house will be remodeled and equipped to fulfill the requirements as specified by the state department of education, as rapidly as funds are available.

Completion of the proposed plans will qualify the college to offer a degree in vocational home economics. With this degree, graduates will be qualified to teach in any high school in the state.

Girls To Live In House

Present plans include a five credit hour course, comparable to student teaching, in which four to eight girls will live in the house for nine weeks.

A three hour course in home management will be given at the same time. A third teacher will be hired as full time director and management of the house.

The house will provide, as nearly as possible, family-life situations. The girls will carry on normal home-makers chores in which they will alternate such duties as house-keeper, food manager, cook, care of

(Continued on page 2)

Region VI Meeting Scheduled for Next Tuesday—Somerville

Glenville State College will play host to the Region VI meeting of the West Virginia Association of Secondary School Principals on next Tuesday, it was announced by Dean Delmer K. Somerville.

Region VI, composed of Gilmer, Calhoun, Clay, Braxton, Nicholas, Webster, and Pocahontas counties, is presided over by D. E. Dean, principal of Richwood high school.

The proposed agenda includes a discussion of curriculum evaluation and "college career day" procedure. The meetings will be held in the Louis Bennett lounge.

Grades Housed in Ad Building Now Under Direction of College

The kindergarten and the first three grades in the administration building are now officially under the direction of Glenville State College, as a result of action taken by the W. Va. Board of Education, which recently sanctioned a contract between the College and Gilmer county.

The kindergarten and the first three grades are now a primary unit which works directly with the education department. The teachers will have conferences with the education division to discuss the program.

Purpose of the unit is to study the child through the first four grades, and in this manner the teachers will be better able to help each child. The teachers will use the combined knowledge of those teachers who have had the child before and they will therefore, be more able to add each child.

The new addition to the College enlarges the scope of the directed teaching program in the elementary field, although the college has used this source for training student teachers for a number of years.

IN SYMPATHY

The Glenville Mercury, on behalf of the faculty and student body, wishes to express the deepest sympathy to Connie White on the death of her father.

Let's Look at the Record

The honorable Ray Thompson, mayor of Glenville, has passed on a complaint about the Kappa Sigma Kappa fraternity to the president of the College, Dr. Harry B. Heflin. Dr. Heflin, in turn, submitted the charge to the local fraternity.

The charge stems from the fraternity's initiation ceremony, which is held semi-annually at the College field house. As can be expected, there is some noise until the wee hours of the morning as the organization puts its pledges through the paces.

Someone, we chose not to use his name to avoid him any embarrassment, complained to the mayor that there was a disturbance coming from the field house on the particular night the frat held its initiation. Now, this is the second straight year that Dr. Heflin has been petitioned because of this disturbance, and we imagine it has proved quite bothersome for him.

We feel that this is much ado about nothing. Certainly, they ought to be able to tolerate this twice a year. This is a college town, isn't it? Or do they realize what other college towns are like on a typical week end?

The people of Glenville and surrounding plantations are quite fortunate that Glenville State College appeals primarily to the more reserved students; the hell-raisers pass up Glenville for a more hell-raising type of school. Certainly, we on the "hill" can lay claim to the title "the most peaceful college in the U. S. A.," but yet, on the few occasions we act like the youth that we are, the infrequent occasions that we cut-up a little, some one calls us on the mat.

Fortunately, there are only a few individuals in town who feel this way; the vast majority appreciate what a well-behaved group we are.

The college years are the most precious of our youth; it is the last "fling." In a very few short years, responsibilities will be piled sky high, and there will be no time for such shenanigans as fraternity initiations. We certainly realize that this is the time of our lives when we should be growing into manhood, but what's wrong with giving youth a royal send-off?

I, as a cynical old-young man, find little in the way of amusement at many things our college people enjoy, and how I envy them. Pressing family conditions and Uncle Sam made a man out of me before my time, and I feel I missed an important part of my life.

This is the reason, I'm sure, that some people are always casting aspersions at our young college people. Either they never had the opportunity to enjoy it themselves, or are just too darn old to remember how nice it was to be young.

This can go to the extreme, as anything can; but as we have said before, Glenville is indeed fortunate to have an unusually mature group of students. An occasional fraternity initiation is about as reckless as they get.

We are proud of our Glenville students, their morals and behavior, and our record backs us up. Put your faith and trust in these kids; they will never let you down. As Al Smith always put it, "Let's look at the record." JIM

Frat Chat

By JACK SIZEMORE

Holy Roller Court: Plans were made for the annual class tournament. Plans were discussed and March 2, 4 and 5 were the dates set for the annual hardwood meet between the classes. Last year's event was won by the freshmen class with the boys edging out the sophomores and the freshmen girls completing the sweep with a win over the juniors.

Plans were also discussed for the annual Fun Night which is sponsored by the Court. This event is scheduled for March 16 in the old gym. At present, plans are incomplete.

Kappa Sigma Kappa: Stanley Costy was welcomed back into the chapter after his discharge from the armed forces.

A card was received from Joe "Tex" Riddle, a 1953 graduate, who is serving in the United States Army.

Names of new pledges were brought before the chapter for consideration. No action was taken.

Ed Donnellan and Don Deal sold sandwiches in Lewis Bennett hall Tuesday night.

Sigma Tau Gamma: Pres. Milligan read to the chapter a letter he had received from William Borah which gave information on the alumni of the chapter.

Virgil Greenleaf reported that he had forwarded all the necessary information on the pledges to the national office.

Plans were discussed for the movie-mix which will be co-spon-

Sorority Simmerings

By ELAINE BELL

Kappa Chi Kappa

Bertha Turner was presented the annual award for being the outstanding pledge of the year by the members of the Kappa Chi Kappa sorority at a meeting of the group Monday, Feb. 1.

Members appointed to be in charge of sandwiches for the week were: Nancy Harris, Charlotte Feldner, Wynne Bush, Shirley Chaney, Lucille Lipps and Virginia Harris.

President Norene Westfall announced that new members could place orders for pins immediately.

Xi Beta Tau

Xi Beta Tau held its formal initiation Monday, Feb. 1, instead of the scheduled time because of several conflicts.

Friendship rings were presented to the new members by their big sisters.

Refreshments were served to the active members, Miss Julia Nutter, sorority sponsor, Mrs. Floyd Miller and Mrs. Byron Turner, sorority patronesses, and the new actives.

Those initiated were: Patsy Greene Francis Cutlip, Elda Uterback, Genelia Cochran, Dorothy Light, Carina Simons, Mirial Whaling, Anna Jean Reese, Jean Reeder, Nancy Grose, Yvonne Hart, Norita Payne and Connie Marley.

sored by the Beta Tau sorority. The event is currently scheduled for Feb. 20, immediately after the Marietta-Glenville game from 9:30 to 12 p. m. An admission of 50c per person will be taken up at the door at the old gym.

Campus Calendar

Feb. 11—Verona Maple Open House—8-10 p. m.
Feb. 13—G-Club Dance - old gym from 9-12 p. m.
Feb. 14—Vespers-Louis Bennett Lounge at 6:15 p. m.
Feb. 16—Secondary Principals Meeting - all day in Louis Bennett Lounge.
Basketball Game - G. S. C. vs Salem College.

ALUMNI NOTES

Myron "Red" Mason '53, Fulbright Scholarship Winner, Studying Bach in United Kingdom

By EDNA M. YOAK

Myron Lee Mason, '53, is now studying church music at the Royal School of Church Music, Croydon, in the United Kingdom, under the Fulbright Act Scholarship Plan.

He is specializing in the study of Bach's music, and Prof. Harold Orendorff reports that he is doing successful work with his studies.

Myron is from Clendenin and had the tenor soloist part in Handel's "The Messiah" for three years. He was a member of the band, orchestra, choir, dance band, men's quartet, and M.E.N.C. See Morris Harvey Till

Several people who have formerly attended Glenville State College were on campus over the week end and attended the Morris Harvey and Glenville basketball game. Helen Holmes, who is attending Morris Harvey college, Frank Fultner, former student council president, Julia Stalnaker, '53, who is teaching at Walton high school, and Ella Ruth Brown from Gauley Bridge, were all on the campus this past week end.

Ruby Ann At Richwood

Ruby Ann Cromwell, '53, a library science and business education major from Clondlen, is now librarian at Richwood high school. Ruby Ann was a member of the Kappa Chi Kappa sorority, Alpha Delta Epsilon, Omicron Kappa Players, Who's Who in American Colleges and Univ., and W.A.A.

Dorothy Hayhurst in Texas

Dorothy Brannon Hayhurst, '53, is now teaching in the elementary schools of Texas. She is there with her husband who is in the Air Force. She was an elementary major from Arnoldsburg and was associated with the Kappa Chi Kappa sorority, F.T.A., Student Christian Association, Wesley Foundation, was homecoming princess in 1952.

Arbogast's At Walton

A music major who is now teaching at Walton high school is Donald Arbogast, '53. Donald is from Belington and was a member of the Sigma Tau Gamma fraternity, M.E.N.C., Chordbusters Quartet, band, orchestra, and choir. His wife, the former Mary Burg, is now teaching in an elementary school near Walton.

CSC Announces Examinations For Teachers in India

The United States Civil Service commission has announced a new elementary teacher examination for filling positions in Indian schools throughout the United States and in Alaska. The salary is \$3,410 a year.

Appropriate education is required. No written test will be given. The maximum age limit is 50 years (waived for persons entitled to veteran preference). Students who expect to complete all the required courses within 90 days of the date of filing applications may apply.

Full information regarding the examination, including instructions on how to apply, may be obtained at the local post office or from the U. S. Civil Service Commission, Washington 25, D. C. Applications will be accepted until further notice.

Ex Libris

By Eunice Beamer

WORD ORIGINS AND THEIR ROMANTIC STORIES. Wilfred Funk; Funk, Inc. 432 pp. \$4.95.

At last an author has written a book on the fascinating story of words without aiming it at the scholars. Dr. Funk has stated, "I have particularly tried to write it that it can be enjoyed by the members of the general public."

Dr. Funk has organized his word stories under such interesting chapters as, "Romantic Stories of Words About Women," "Where Animal Names Come From," and "Origin Of The Terms Of Art, Music and the Drama." Each chapter becomes a compact unit. However, if you wish to know the meaning of a particular word, the author has included an extensive index.

Each word in itself is like a person. The author tells of the birth, marriage, and death of each word. He includes all the mysteries involved in the life of that word. Through the stories of words one gains a better insight into our own culture.

As a insight into the contents:

Do you know that—

There was a time when everyone loved a gossip.

The word *pupilla* came from the Latin term *pupilla*, "a little doll."

The word *tamato* began in Mexican as *tamatl*, meaning a love apple.

Down through the years whiskey was often called the "water of life."

Silly originally meant "blessed" or "happy."

This book offers enjoyable reading for anyone, regardless of whether his interest is in science, romance, or the home. It is a vast storehouse of entertaining stories. I'm sure you'll agree with Walt Whitman, "Into it (the English language) are woven the sorrows, joys, loves, needs, and heartbreaks of the common people."

Home Economics

(Continued from page 1)

the house, buying food, and laundry. In connection with the home management house will be a nursery for one half of each day will be up to three to five year old children.

Nursery Included
The nursery will also be used by Education 101 and 102 classes, which will provide a study of children from as young as three years of age.

Courses to be taught in association with the home management house are Marriage and the family by Prof. Joe Hall, and Adult Education.

The home management house will qualify Glenville graduates for teaching in any high school within the state. A high school in which vocational home economics is taught carries projects through the summer to make a 12-month program.

H. E. Teacher Shortage

There is a shortage of high school vocational home economics teachers. With the qualification of a home economics degree there will be an increase from 28 to 40 credit hours. Other colleges in the state having home management houses are Concord, Marshall, and West Virginia University.

The establishment of a vocational home economics degree marks another stride in the rapidly growing home economics department which had its beginning in 1911.

Another "First" For GSC

In 1911, Glenville was the first Normal school in the state to install a department of domestic science. The classes, under the direction of Miss Isabel Maris, were taught in the old chemistry room which was located in the Administration building. The first class studied cooking, health, economy, and household management in general.

Prof. Lena Mable Charter filled the vacancy of Prof. Maris in 1912. In 1914 the home economics pro-

MYRON MASON

gram consisted of eight courses. Another course, Teaching of Household Arts, was added in 1916.

For lack of a teacher, only one class was taught in home economics in 1928. Home Making was not taught from 1929 to 1944 and the equipment used in the department was stored in the attic of the Administration building.

Science Building Added in 1943

In 1943, the new Science building was completed, and in 1944 Mrs. Emma Spier joined the staff as dietitian and home economics teacher.

In the 1946 catalogue, 13 home economic classes were listed. Another teacher, Mrs. Jeanne B. Scott, was added in 1947 to the teaching staff of home economics. In 1949, nineteen courses were offered, and Mrs. Scott was replaced by Prof. Lillian Chaddock.

Chaddock, Brammer Instruct

The present teachers of home economics at Glenville are Professor Chaddock and Prof. Helen Brammer.

The home economics department is located on the first floor of the Science building. The clothing laboratory will accommodate 20 students, with equipment including five cutting tables, eight sewing machines, triple-mirror, and storage cases for finished garments.

The living room and dining room are combined and are furnished in colonial maple.

The foods laboratory contains five unit kitchens which include four gas ranges, one electric range, deep freeze unit, electric refrigerator, automatic dishwasher and garbage disposal unit.

The laundry consists of an automatic washer, electric ironer, stationary tubs, two ironing boards and two steam irons.

Three county high schools, Glenville, Troy, and Sand Fork, serve as teacher training centers for home economics majors.

Prof. H. Y. Clark will meet with the program committee on Feb. 15, at Charleston to plan the workshop for attendance directors which will be held at Glenville State College this summer.

He will also attend the meeting of the West Virginia committee on Teacher Education in Charleston the same day.

Hilltoppers Stop G-Men 68-57; 3-Game Victory Streak Ended

Pioneers Journey to A-B Friday; Salem Here Tues.

Jumping off to a quick 16-7 first period lead, West Liberty's Hilltoppers whipped Glenville 68-57 before a capacity throng at West Liberty last Saturday.

The defeat snapped a three-game Pioneer win streak and was the Gee Men's second setback in their last six conference outings, leaving the Glenville league slate at seven victories and 11 defeats. The White Wave won their only non-league start, overcoming the Alumni 69-57.

W-L continued their domination at the game in the second session, outscoring the Pioneers 15-13 to lead at the half, 31-20, the next-to-lowest halftime total scored by Glenville this season. Against Shepherd, the Pioneers were held to a mere 19 points during the first twenty minutes.

Wave Finds Range

The tempo stepped up somewhat in the third period, but once again the unpredictable Hilltoppers outscored the Wave 18-13 to hold a 49-33 bulge as the final period started.

Trailing by sixteen points, the Gee Men found the range over the final 10 minutes and outscored the winners, 24-19, but fell far short of victory.

The defeat was a natural let-down following a string of three straight triumphs over Beckley, Morris Harvey, and Potomac. In the last two weeks the Wave won four of its seven conference triumphs while losing only to West Liberty and West Liberty.

Tennant, Reil Lead

The victory was West Liberty's second in two nights and avenged the 67-55 defeat inflicted by the Gee Men earlier in the season.

Myles Witchley led the assault against the Wave, scoring 20 points, 10 from the foul line. Jack Tennant added 15 points for the Pioneers, followed by Reil, the only other Glenville player to hit double figures, with 12 points.

Over the last six games the Gee Men outscored the opposition 443 to 407, averaging 73.8 points a game to the opponents 67.8. Jack Tennant has scored 100 points over the six-game period, averaging an even 20 points over the last five games. Freshman Bill Reil has tallied 74 times in six games while Harry Smith has garnered 70. Bobby Weaver, bouncing off the bench to spark the Wave after riding the bench the earlier portion of the campaign, has scored 56 points in the six games, averaging better than 40 per cent on his field goal attempts.

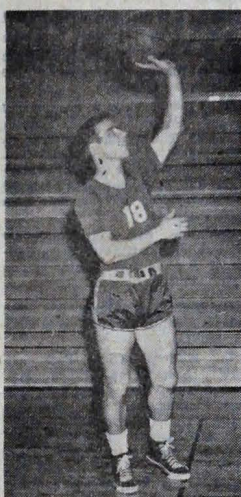

Don Rebounds

Don Merriman, in his last season as a Pioneer basketball player, has scored 49 points and harvested 42 defensive rebounds in the six games, or more than half of his seasonal total of 74.

Including the West Liberty tussle, Tennant has scored 319 points for an average of 16.8 points a game. Freshman Bill Reil ranks second with 194 points, an average of 10.2 points per game. Harry Smith is averaging an even 9 points with 171 points in 19 games.

Reil Faces Shooters

Reil is pacing the club in field goal percentage with 39, followed by Ed Donnellan and Don Merriman.

JACK TENNANT

man, who each have tallied on 38 per cent of their efforts. Tennant and Smith have identical 37 per cent averages from the floor.

Reil also paces the team in foul shooting with 78 per cent; Ed Tennant is second with 73 per cent, followed by Tennant who has hit on 72 per cent.

As a team, the Pioneers have a 35 per cent average from the floor, and a 62 per cent record from the free throw line, while averaging 71.5 points a game. The opposition is averaging 72.4.

Harry Smith continues to set the gait in the rebounding department with 111, followed by Jim Hamrick who has 79. Don Merriman with 74 and Bill Reil, who has 72.

Rampaging Pioneers Make Potomac State 3rd Straight Victim

Despite coming up with a sub-par performance, Pete Wisner's Pioneers ran their victory string to three straight by drubbing hapless Potomac State, 75-53 last Wednesday evening. The victory was the Gee Men's seventh in the conference and eighth of the season, equalling the record established by the 1953 quintet.

The current Pioneer squad also became the first Pioneer team in over two years to run up a string of three consecutive wins. The victory enabled the Blue and White to boost their conference record to seven wins in 17 starts.

The winners got off to a ragged start as the Catamounts rolled to a 18-15 first period bulge. Glenville recovered quickly, however, and outplayed the invaders 21-5 in the second canto to forge into a 36-23 halftime lead which they never relinquished.

Jack Tennant led the Pioneer scoring parade with 16 markers, followed by Bob Weaver with 15, Bill Reil, who had 14, and Don Merriman who posted nine.

Glenville hit on only 28 of their 75 field goal attempts and 19 out of 34 at the free throw stripe. Merriman had the best field goal per-

Bears Edge Quakers, 37-35 To Remain Unbeaten in MAA

By JOHN CUTLIP

Bokovitz's "Bears" remain the only undefeated team in the MAA basketball league. Led by "Lightin'" Danny Hall, the Bokovitz hoopers were able to slip by Craig's "Quakers" 37-35. Hall's 15 points, which was the high for individual scoring in the third round of league play, was the mainstay of the "Bears" attack, while a one-two punch was added by a pair of 7-point performers by Godfrey and Milligan. Craig was led by Caltrider with 12 points while Rhumbach pitched in 9 in a losing cause.

Buck's "Bullets" gained their second win of the season when they ran out the time with Short's "Shooters" 31-21. "Jumplin" Tom Hyer was the key to the "Bullets" win by tossing in 14 points, with Hunt contributing eight. Although the losers had a well-balanced attack, they just didn't have it on defense. The "Shooters" were led by Crum who fielded seven points.

Hissam Stars

Simon's "Samples" registered

their first win of the season by downing the highly rated Hissam's "Hooisers" 38-31. The "Samples" pulled the game out of the fire on the strength of K. Rardin's and Copley's 14 points. Capt. Hissam pushed in 12 points in a lost cause for the "Hooisers."

Hamon's "Bulldogs" went down in defeat before the onslaught of Davis's "Dare Devils" 19-16. In the lowest scoring contest of the night the "Dare Devils" found their key to victory in a well balanced offensive attack and a tight defensive spread. The high for individual scoring in the game was 6 points registered by Stewart of the "Bulldogs."

LEAGUE STANDINGS

Team	W	L
Bokovitz's "Bears"	3	0
Buck's "Bullets"	2	1
Hissam's "Hooisers"	2	1
Simon's "Samples"	1	2
Hamon's "Bulldogs"	1	2
Davis's "Dare Devils"	1	2
Craig's "Quakers"	1	2
Short's "Shooters"	1	2

'53 Extension Work Has Large Mileage In College Vehicles

Extension work totaled the greatest number of miles in college owned vehicles than any other department in Glenville college during the year 1953.

College owned vehicles consist of a bus, station-wagon, truck, and a sedan.

Mileage for extension work was 6,394 of the total 51,266 miles traveled in the college vehicles between Jan. 1, 1953 and Dec. 31, 1953.

Intercollegiate athletics ran a close second to extension work with 6,353 miles.

Other groups and persons traveling over 1,000 miles are: Pres. Harry B. Hefflin-5,458; agriculture, Warden Land-3,462; field service and education, H. Y. Clark-3,265; Dean Edwin P. Adkins (to July 31, 1953)-3,046; Registrar, D. F. Arnett-2,837; truck to Gilmer, Charleston, Clarksburg, Weston, Hopemont, Moundsville, Romney-2,589; education, Delmer Somerville-2,585; and home economics, Lillian R. Chaddock-1,213.

The following departments and people make up the mileage of the college owned vehicles: music, H. S. Orendorff-971; physical education, Clarissa Williams-942; biology, Man Ward-933; Dean of men and education (to Aug. 31)-906; English and journalism, E. B. Elder-802;

centage with four out of eight, Donnellan two for four, and Bill Reil hit on six of his 13 tries.

Biology, A. H. Anderson-794; science, John R. Wagner-644; Business manager, Lloyd M. Jones-580; Business office, Clarence Bumgardner-577; English, Esby W. Miller-528; physical education (other than athletics), Michael Josephs (to Aug. 20) 525; education (to July 10), Eddie C. Kennedy-524; superintendent buildings and grounds, J. H. Campbell-506; folk festival and English, Patrick W. Gainer-488; library science, Floyd W. Miller-481; physical education (other than athletics), Carlos C. Ratliff-476; education, Carl Hamrick-407; commerce, Genevieve M. Butcher-346; social sciences, Stanley Hall-337; maintenance, Donald C. Jones-265; home economics (to June 5), Naomi Albanese-180; speech, Ruth Johnson-197; education, Virgil B. Harris-163; home economics, Helen Brammer-151; social science, James C. Jones-130; chemistry, Byron J. Turner-111; education, Jewell E. Matthews-66; speech, Marjorie Skelton (to May 31)-534.

HALL IS INITIATED

Plans were made at the last meeting to initiate Danny Hall to Alpha Delta Epsilon tonight.

Also, at this meeting the financial committee presented various ways of making money for the fraternity. Although the members discussed these suggestions, no definite plans will be made until tonight.

Your Heart Fund contributions will speed research in rheumatic fever, forerunner of rheumatic heart disease, whose victims are chiefly young people.

erty Saturday night, Coach Wisner's surprising Gee Men invade Philippi Friday night in hopes of regaining the victory column at the expense of third-place Alderson-Broadus, 80-68 conquerors of the Wave earlier in the season.

Finding the range after a slow start, the Pioneer quintet has as-tounded the conference by winning four of their last six engagements to jump within striking distance of the first division. Only Wesleyan and West Liberty have been able to rise up to defeat the infuriated Gee Men in their final tuneups before the tournament begins the twenty-fourth of this month.

In A-B, the Gee Men will be facing one of the most potent scoring quintets in the state. Led by the three-pronged attack of Carl Hartman, Tom Surret, and Harry Bush, the Battlers have ranked among the top three teams in the conference throughout the entire season. Until recently upset by Morris Harvey, the Battlers were occupants of second place, breathing down the necks of the defending champions, Tech.

The afore-mentioned trio of Hartman, Surret, and Bush scored a grand total of 61 points when the Battlers made their annual invasion of Glenville in December, Hartman's 33 points standing as the highest number of points registered in the Pioneer field house this season.

Since the two schools began basketball relations in 1925, the Gee Men have topped the Philippi quintet 32 times against 16 set backs.

Following Friday night's battle, the Wave will return home to play host to the conference "dark horse", Salem. The Tigers have been having their finest season in years, and are currently ranked in the top five in the WVCC standings. Highlight of the season for the Salem quintet was their astonishing upset of Rio Grande and their fabulous telephone pole, Bevo Frances.

Despite their creditable showing to date, the Tigers had to go all out to nip the Gee Men 79-74 in their first meeting at Salem. The Tigers doggedly held on to a skippy two-point margin for three periods when the Pioneers overhauled them in the final session, only to tire in the final minutes and lose out in a tense battle.

Salem began the year without a coach and it wasn't until January that the Tigers signed Paul West to handle the reins for the remainder of the season. The newcomer has done a commendable job to say the least, whipping the team into winning form after they had lost three of their first four games.

Ron Padula has been the big noise for the Tigers, ably aided by Bob Berkley and the Gibson twins. Since the two clubs first met in 1925, the Pioneers have won 29 of the 43 games played.

All of the commercial electricity used in Pittsburgh, Pa. is produced from coal.

Hilltoppers Stop G-Men 68-57; 3-Game Victory Streak Ended

Jumping off to a quick 16-7 first period lead, West Liberty's Hilltoppers whipped Glenville 68-57 before a capacity throng at West Liberty last Saturday.

The defeat snapped a three-game Pioneer win streak and was the Gee Men's second setback in their last six conference outings, leaving the Glenville league slate at seven victories and 11 defeats. The White Wave won their only non-league start, overcoming the Alumni 69-57.

W-L continued their domination of the game in the second session, outscoring the Pioneers 15-13 to lead at the half, 31-20, the next-to-lowest halftime total scored by Glenville this season. Against Shepherd, the Pioneers were held to a mere 19 points during the first twenty minutes.

Wave Finds Range

The tempo stepped up somewhat in the third period, but once again the unpredictable Hilltoppers outscored the Wave 18-13 to hold a 49-33 bulge as the final period started.

Trailing by sixteen points, the Gee Men found the range over the final 10 minutes and outscored the winners, 24-19, but fell far short of victory.

The defeat was a natural, let-down following a string of three straight triumphs over Beckley, Morris Harvey, and Potomac. In the last two weeks the Wave has won four of its seven conference triumphs while losing only to Wesleyan and West Liberty.

Tennant, Reif Lead

The victory was West Liberty's second in two nights and avenged the 67-55 defeat inflicted by the Gee Men earlier in the season.

Myles Whiteley led the assault against the Wave, scoring 20 points, 10 from the foul line. Jack Tennant added 15 points for the Pioneers, followed by Reif, the only other Glenville player to hit double figures, with 12 points.

Over the last six games the Gee Men outscored the opposition 443 to 407, averaging 73.8 points a game to the opponents 67.8. Jack Tennant has scored 100 points over the six-game period, averaging an even 20 points over the last five games. Freshman Bill Reif has tallied 74 times in six games while Harry Smith has garnered 70. Bobby Weaver, bouncing off the bench to spark the Wave after riding the bench the earlier portion of the campaign, has scored 56 points in the six games, averaging better than 40 per cent on his field goal attempts.

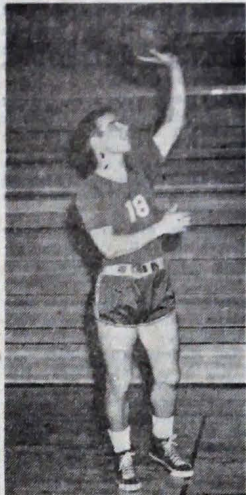

Don Rebounds

Don Merriman, in his last season as a Pioneer basketball player, has scored 49 points and harvested 42 defensive rebounds in the six games, or more than half of his seasonal total of 74.

Including the West Liberty tussle, Tennant has scored 319 points for an average of 16.8 points a game. Freshman Bill Reif ranks second with 194 points, an average of 10.2 points per game. Harry Smith is averaging an even 9 points with 171 points in 19 games.

Reif Paces Shooters

Reif is pacing the club in field goal percentage with 39, followed by Ed Donnellan and Don Merriman.

JACK TENNANT

man, who each have tallied on 38 per cent of their efforts. Tennant and Smith have identical 37 per cent averages from the floor.

Reif also paces the team in foul shooting with 78 per cent; Ed Teckle is second with 73 per cent, followed by Tennant who has hit on 72 per cent.

As a team, the Pioneers have a 35 per cent average from the floor, and a 62 per cent record from the free throw line, while averaging 71.5 points a game. The opposition is averaging 72.4.

Harry Smith continues to set the gait in the rebounding department with 111, followed by Jim Hamrick who has 79, Don Merriman with 74 and Bill Reif, who has 72.

Rampaging Pioneers Make Potomac State 3rd Straight Victim

Despite coming up with a sub-par performance, Pete Wisner's Pioneers ran their victory string to three straight by drubbing hapless Potomac State, 75-53 last Wednesday evening. The victory was the Gee Men's seventh in the conference and eighth of the season, equalling the record established by the 1953 quintet.

The current Pioneer squad also became the first Pioneer team in over two years to run up a string of three consecutive wins. The victory enabled the Blue and White to boost their conference record to seven wins in 17 starts.

The winners got off to a ragged start as the Catamounts rolled to a 18-15 first period bulge. Glenville recovered quickly, however, and outplayed the invaders 21-5 in the second canto to forge into a 36-23 halftime lead which they never relinquished.

Jack Tennant led the Pioneer scoring parade with 16 markers, followed by Bob Weaver with 15, Bill Reif, who had 14, and Don Merriman who posted nine.

Glenville hit on only 28 of their 75 field goal attempts and 19 out of 34 at the free throw stripe. Merriman had the best field goal per-

Bears Edge Quakers, 37-35 To Remain Unbeaten in MAA

By JOHN CUTLIP

Bokovitz's "Bears" remain the only undefeated team in the MAA basketball league. Led by "Lightin'" Danny Hall, the Bokovitz hoopers were able to slip by Craig's "Quakers" 37-35. Hall's 15 points, which was the high for individual scoring in the third round of league play, was the mainstay of the "Bears" attack, while a one-two punch was added by a pair of 7-point performances by Godfrey and Milligan. Craig was led by Caltrider with 12 points while Rhumbach pitched in 9 in a losing cause.

Buck's "Bullets" gained their second win of the season when they ran out the time with Short's "Shooters" 31-21. "Jumpin'" Tom Hyer was the key to the "Bullets" win by tossing in 14 points, with Hunt contributing eight. Although the losers had a well-balanced attack, they just didn't have it on defense. The "Shooters" were led by Crum who fielded seven points.

Hissam Stars

Simon's "Samples" registered

their first win of the season by downing the highly rated Hissam's "Hoosiers" 38-31. The "Samples" pulled the game out of the fire on the strength of K. Rardin's and Copley's 14 points. Capt. Hissam pushed in 12 points in a lost cause for the "Hoosiers."

Hamon's "Bulldogs" went down in defeat before the onslaught of Davis's "Dare Devils" 19-16. In the lowest scoring contest of the night the "Dare Devils" found their key to victory in a well balanced offensive attack and a tight defensive spread. The high for individual scoring in the game was 6 points registered by Stewart of the "Bulldogs."

LEAGUE STANDINGS

Team	W	L
Bokovitz's "Bears"	3	0
Buck's "Bullets"	2	1
Hissam's "Hoosiers"	2	1
Simon's "Samples"	1	2
Hamon's "Bulldogs"	1	2
Davis's "Dare Devils"	1	2
Craig's "Quakers"	1	2
Short's "Shooters"	1	2

'53 Extension Work Has Large Mileage In College Vehicles

Extension work totaled the greatest number of miles in college owned vehicles than any other department in Glenville college during the year 1953.

College owned vehicles consist of a bus, station-wagon, truck, and a sedan.

Mileage for extension work was 6,894 of the total 51,266 miles traveled in the college vehicles between Jan. 1, 1953 and Dec. 31, 1953.

Intercollegiate athletics ran a close second to extension work with 6,353 miles.

Other groups and persons traveling over 1,000 miles are: Pres. Harry B. Hefflin-5,458; agriculture, Warden Land-3,462; field service and education, H. Y. Clark-3,265; Dean Edwin P. Adkins (to July 31, 1953)-3,046; Registrar, D. F. Arnett-2,837; truck to Gilmer, Charleston, Clarksburg, Weston, Hopemont, Moundsville, Romney-2,589; education, Delmer Somerville-2,585; and home economics, Lillian R. Chaddock-1,213.

The following departments and people make up the mileage of the college owned vehicles: music, H. S. Orendorff-971; physical education, Clarissa Williams-942; biology, Man Ward-933; Dean of men and education (to Aug. 31)-906; English and Journalism, E. B. Elder-802;

percentage with four out of eight, Donnellan two for four, and Bill Reif hit on six of his 13 tries.

WAA PROGRAM

Badminton, Ping Pong End; Basketball Season Begins

By YVONNE HART

As ping pong and badminton seasons near their end, WAA girls turn to basketball as their next sport. Practice for basketball was begun Tuesday, Feb. 2, and new rules were explained. Six teams have been chosen, and officials are to be Mary Lou Clendenin, Jane Ratliff, Patricia Hardman, and Phyllis Greenleaf.

These teams are: Jacqueline Rastle, captain, Doty Lanham, Edna Yoak, Barbara Wright, Velma Higgins, Jean Ingham, and Joan Dotson. Jacqueline Smith, captain, Betty Cooper, Mary Helen Somerville,

Mary Ann Judy, Muriel Whaling, Yvonne Hart, and Eunice Beamer. Karen Kinney, captain, Nancy Harris, Barbara Given, Ada Cox, Betty Jo Simons, and Laura McClung. Martha White, captain, Marlene Brown, Gail Boggs, Jean Fore, Barbara Marley, Lucille Lipps, and Ella Mae Sands. Connie Marley, captain, Wyene Bush, Juanita Radcliff, Shirley Knigely, Phyllis Given, Patsy Greene, and Patty Snyder. Jacqueline Coe, captain, Joyce Bourne, Delores Lynch, Genevieve Hinder, Noreita Payne, and Mary Lou Freeman.

Bedroom Is Setting

(Continued from page 1)

Costlow and Norene Westfall with Ed Donnellan singing; church, Dolores Davis, Genevieve Hinder, and Donna Costlow; and president's tea, Nora Ann Kennedy and Mary Louise Gillespie.

Escorts in the style show were Ed Donnellan, James Davis, Forrest Cunningham, Gail Boggs, and Virgil Greenleaf.

Narrator was Bertha Turner. The script was written by Dorothy Lanham and Mary Louise Gillespie and was under the direction of Kathleen Quinn and Genevieve Hinder. The stage crew consisted of Gail Boggs, Virgil Greenleaf, James Davis. Program committee were Beth Hudkins, Donna Costlow, and Jacqueline Rastle. Advertising committee were Clara Mae Hull, Martha Ana Marsh, and Jacqueline Coe; ushers, Lois Fisher, Patty Hybert; and costume organization, Eileen Fisher and Clara Mae Hull.

The Home Economics club wishes to express their appreciation to the following persons: Prof. Harold Orndorff, Dr. Byron Turner, Mrs. Barker, Prof. E. B. Elder, and the Agriculture club.

A few of the costumes displayed in the style show will be selected by Prof. Lillian Chaddock and entered in the state home economics show at Jackson's Mill April, 30.

Glenville home economics department will be in charge of the Friday evening dinner meeting at Jackson's Mill.

Candidates for SC

(Continued from page 1)

rying no less than fourteen hours. No student body officer shall succeed himself.

Senior members of the Student Council are Paul Lanham, Nancy Harris, Maurice Buck, and Richard Barrett. Other members are James Robinson, John Lazear, Marvin Stewart, Stephen Rohr, and Edward Tekiel.

LBH OPEN HOUSE POSTPONED

Lewis Bennett hall open house, usually held about the middle of February, has been postponed indefinitely according to Don Barker, house director. There have been eruptions in the heating system and until repairs can be made, Barker said it would be almost impossible to hold open house.

King, Queen Reign At WAA Carnival

The Women's Athletic association sponsored a carnival Friday, Feb. 5, in the old gymnasium. The carnival was held from 7:30 p.m. until 10 p.m. A king and queen, elected by the students, were crowned by Prof. Clarissa Williams, physical education instructor.

Many sideshows, contests, and other attractions kept the visitors entertained. Some of these were: fowl shooting, cake walks, bean bag, nervous machine, ring toss, fish pond, and pinocchio. Popcorn, candy, and soft drinks were sold during the carnival.

Proceeds went to WAA to buy sweaters for girls who have earned them by participating in various sports.

CAWTHON'S CAPERS

Reveal Intercepted Message From Communist 'Liberator'

Comrades:

I think it is time I made my report concerning the terrible hardships I have endured in this capitalistic nation while in the service of the brotherhood of man.

Only today, while I was driving to my rendezvous with Comrade Milnosky, I was almost overrun by some stupid capitalistic swine driving a canary yellow Cadillac. This is a sure sign of the inequality existing in this so called free economic state.

Comrades, can sound economy exist as long as the rich drive Cadillac? I could have easily outrun

this swine in my new Buick with dynaflo, twin exhausts, and dual carburetors if I had so desired. But I did not want to run afoul of the secret police in this detestable country.

"I shudder when I think of the nerve of these overbearing American pigs. I saw the billboards of the capitalistic movie—"How to Marry a Millionaire." This theme was stolen from the great Moscow hit—"How to Marry a Worker with an Advanced Five Year Quota."

Wants To Remain Here

My work, to observe the reaction of the downtrodden working class in this country, has forced me to take the disguise of a janitor. I wonder, comrades, if it would be agreeable with you, if I were to stay after my report is completed. I have saved almost enough money to buy a television set and I have a love affair with the cleaning lady. I am not thinking of myself. I am thinking solely of serving the world brotherhood of man by ridding the earth of intolerable capitalism. But just think of the ideal set-up. I could sit at home and watch television to derive my information.

Ample Coverage

I have found that in this capitalistic nation nothing is worth knowing if the radio, television, and newspapers do not know about it first.

In this way, I could easily divert the suspicion of the secret police (American) and make my regular reports. Although it would bring much hardship upon me to stay in this detestable country, I shall gladly sacrifice my labor, and even my life if so needed, to bring Communist bliss to the persecuted capitalists.

Waiting for further orders, Comrade Cawthonosky Hero 3rd class

Among the major aims of your Heart Association is that of protecting healthy as well as sick hearts.
