Glenville State College, Glenville, West Virginia

Wednesday, October 6, 1954

School Elects Cheerleaders; Dotty Lanham Again Captain

Dorothy Lanham, senior physical education and home economics major from Bristol, was re-elected as head cheerleader for the coming year in an election held on Sept. 21. Also re-chosen was Barbara Wright. The two newcomers to the group are Nancy Hall and Jo Ann Spicer.

This will be the second straight year at the head cheerleading post for Dorothy, and the fourth year as a member of the team. She is active in 4-H club work, W. A. A., Kappa Chi Kappa sorority, Ohnimgohows, and the Home Economics club.

Barbara Wright will be giving her second performance with this year's team. Barbara's home is in Coven, where she served as a high school cheerleader. She is associated with F. T. A., W. A. A., and 4-H. Her major is elementary education.

Both newcomers to the team served as cheerleaders in their own high schools. Nancy Hall, from Man, makes her debut along with Jo Ann Spicer from Gauley Bridge. Nancy is a member of W. A. A. and an elementary major. Jo Ann is also a member of W. A. A. and majoring in elementary education.

Head cheerleader Lanham had this to say for herself and her team mates: "We are depending on YOU, the student body and faculty, to help us support the Pioneers to a victorious year."

12 Students Begin Directed Teaching

Twelve students from Glenville State College are doing practice teaching in near-by schools this term. Five are in high schools and seven in elementary schools. Seven of the group are married.

Those teaching in high schools are: Ira Richard Satterfield, physics; Vonda Byrd Singleton, business education at Glenville; Maise Wydo-lene Sommerville, home ec. and commerce at Normantown; Wanda Lynch Hinds, home ec. and phys. ed. at Sand Fork; and Joseph Bokovitch, phys. ed. at Glenville.

Elementary teachers are: Joan Wilson Dotson, sixth grade; Mary Elizabeth Radabough, sixth grade; Maxine Martin Ellison, first grade; Virginia Hathaway Kirby, second grade; Robert Sharp, third grade; Harlis Turner, fourth grade; and Morrison Beckett, fourth grade. All are teaching in Glenville grade school.

Teachers Hear Matthews

Prof. Jewell Matthews was the principal speaker at the Doddridge County Teacher meeting Sept. 24 at West Union. Her topic was "The Influence of Fears and Anxieties on Children in the Classroom." Professor Matthews was accompanied by Prof. Nelson Wells and Delmer K. Sommerville, Dean.

FOOTBALL SCORES

With the cooperation of the Student Union management, the sports department of the Glenville Mercury will again make available the scores of the away football games to all students who are unable to attend the games. The scores will be phoned to the Student Union (2901) at the halftime, when possible, and immediately after the completion of the game.

This service was in operation for the Shepherd game and will be in effect throughout the current football season.

Gail Boggs Elected Prexy by Juniors

Gail Boggs was elected president of the junior class Sept. 21 at a special class meeting. Gail is the son of Mr. and Mrs. Hugh Boggs of Wallback. He graduated from Clay county high school. Gail who is majoring in agriculture, is a member of the Kappa Sigma Kappa fraternity and the Agriculture club.

Gail replaces Ed Donnellan who did not return this year. Ed is remembered as the star of "Finnian's Rainbow", a musical production of last year, and as a member of the Pioneer basketball squad. We was also a Member of Kappa Sigma Kappa. At the present time, Ed is working for the Hope Natural Gas company at Clarksburg. He plans to enter the armed forces soon.

ADE Plans Picnic, Elects New Officers

A picnic is first of a series of activities planned by the Alpha Delta Epsilon business fraternity according to Olga Pashkevich, president. Also among their activities planned are a mix, an assembly program, and the awarding of another scholarship.

Officers of this year's club are Olga Pashkevich, president; Gail Lydick, vice president; Clara Mae Hull, secretary; Elaine Bell, treasurer; and Richard Tolliver, sergeant at arms. Other members are Vanda Singleton, Bertha Turner, John Jamison, Martha Marsh, Beulah Beckner, Helen Davis, Jack Tennant, Danny Hall, Patty Sumpter, and Ed Tekiel.

Heflin Advises on Parking

President Harry Heflin has requested that students living on campus and owning cars park beside the Health and Physical Education building for the convenience of those students commuting.

President Heflin stated that the parking area at the Administration building is used as a playground for the first, second, and third grades. Caution should be used in going in and out of this parking lot.

600 Enroll First Semester For Record High at GSC

BIG DAY OCT. 16

Harris, Fitzpatrick, Chairmen For 21st Annual Homecoming

Student Body Help Urged by Stewart As Date Draws Near

By GEORGE PEASE

Plans that promise to produce one of the most colorful Homecomings in years are now in the final stage. "With an enrollment increase of 30 per cent, and the combined efforts of all campus clubs, fraternities, sororities, Alumni, and downtown civic groups, this 21st annual Homecoming is expected to top any of the ones held in the past," according to Student Council president, Marvin Stewart. The Student Council leaders also urged the student body's utmost cooperation in making this a successful event.

As in the past, a queen has been elected by the student body to reign over the festivities. In addition, the colorful and always-popular role of Pioneer has been filled by a student body election.

Activities for the day will include a colorful mile-long street parade (Continued on page 4)

Ad Building Repairs Almost Completed

Much progress has been made on the repair work of the Administration building. The music and art departments are the center of these repairs, with the music department located on first floor and the art department on second floor.

When they have been finished, both departments will have tiled floors over concrete, plastered walls, and ceiling tile. The music department will be completely soundproof for recording and possibly broadcasting purposes. A ceiling fan will be located in the art department.

All the plastering has been completed, and the greater part of the heating system and the plumbing is finished. The offices of the music department have not been finished. Other work to be done is the laying of the tile, installation of the ventilating fan, painting, hanging the doors, and finishing the installation of the heating system.

According to James Campbell, superintendent of buildings and grounds, the work should be finished and the two departments ready for use before the end of November.

MERCURY ORGANIZED

13 Students on Staff; Beats Assigned

Thirteen students are assisting with the publication of the Glenville Mercury this year. Members of the English 321 class will write news stories once each week during the first semester. The following beats have been assigned:

Constance Sams, dean of women, social calendar, registrar; Nora Ann Kennedy, education, art, sororities; Kathryn Farmer, home economics, business, lyceum, assembly; Rita Pickens, speech, music; and George Pease, student council, student union, social studies.

Yvonne Hart, physical education for women, W.A.A. Alumni; Betty Joyce Cooper, S.C.A. Wesley Foundation, BYF; Shirley James, nurse, Kanawha Hall; Billy Stanley, physical education for men, M.A.A.; John Cullip, fraternities; and Patsy Friend, art, English.

Kanawhachen Staff Formed; E. Bell Editor

Elaine Bell, senior from Huttonsville, has been named editor of the 1954 Kanawhachen by the student council. Elaine, who was associate editor of last year's publication, is majoring in business education and minoring in English.

Other members of the yearbook staff who have been chosen by the student council are Shirley James, junior from Frametown, associate editor; Richard Tolliver, senior from Richwood, business manager; and Jack Cawthon, junior from Glenville, photographer. Advisers of the yearbook staff are Professors Stanley Hall and Denver Arnett.

A subscription drive was begun Sept. 27 by Richard Tolliver, who is being assisted by Doralene Bell, Shirley Cross, Joyce Bourn, Patsy Greene, and Phyllis Given. Yearbook subscriptions may be obtained from any of these people. Photography for the yearbook is being done by Paul Jack of Parkersburg. Pictures of the faculty, seniors, and campus organizations were taken Sept. 27, 28, and 30.

Two Plays Planned By Ohnimgohows

Two major productions are planned this year by the Ohnimgohow's College dramatic society. One will be given this fall and the other will be given in the spring. These two productions will be the major activity of the dramatic group.

A new plan for the group's regular meetings has been announced by President Bertie Turner. Pantomimes, charades, and parts from various plays will be acted out, in an attempt to increase interest.

Bertie is working with the other officers, Norita Payne, June Drake, and Rita Pickens, to build up the membership this year. The party held in Louis Bennett Lounge, two weeks ago, was the opener for all those interested in the dramatic society.

Frosh Register 240; 326 Men, 274 Women, Among High Total

By KATHRYN FARMER (6)

Six hundred students, a number which exceeds that of any previous fall term enrollment at Glenville State College, registered here September 4-10. This total has been approached only in 1947 when the total soared to 504.

The average yearly enrollment from the year 1942 to 1953 is an approximate 349 with the highest enrollment in 1947 and the lowest in 1945 when the enrollment dropped to 130.

This year, as in several years preceding, the men outnumber the women 326 to 274. The freshmen class has the highest enrollment with 249 students; sophomores follow with 137; juniors, 74; and seniors, 68. This total comprises the number of students on campus making 542. Thirty part-time students and 28 extension students make the all-high total of 600.

Six states are represented in the total enrollment; Stanley Adlesburg and Alan Reich of New York; Daniel Dobbins, Pete Kostyk, and Frank Vincent of Pennsylvania; Robert C. Kohl of Virginia; Norman Ray Stone of Indiana; Louis Hermiz of Rhode Island; and Rosemary Smith of Ohio.

Also among places other than West Virginia represented, one foreign country is represented by Hong Shik Min of Seoul, Korea.

9 Glenville Students Contribute Blood For William Boggs

Nine students from Glenville College have recently contributed blood to William Boggs, a former Glenville student.

Students donating blood were Don Deal, Marvin Stewart, Jack Cawthon, William Rumbach, Charles Mercal, Linn Black, Rondal Beeson, Delores Black, and Glenda Black.

William, son of Mrs. French Boggs of Glenville, has been ill since the early part of the past summer. He is currently a patient in the St. Mary's hospital in Clarksburg.

Entering Glenville in the fall of 1952, William majored in chemistry, and in the two years he spent here he was active in football.

He graduated from Glenville high school in 1952.

Some of the members of the 1954-55 Mercury staff are pictured as they posed on the steps of the College library. Front row, left to right, Nora Ann Kennedy, Shirley James, Patsy Friend, Rita Pickens, Keith McAfee, Betty Cooper, and Kathryn Farmer.

"New Deal" - - Good Deal

Returning to college for the fall semester can sometimes be a complexing assignment. For some it will be the last of the "green years", and for others it will be just a continuation of the grind they began last year. And then we have the freshmen. This is their beginning, the birth of a new and exciting chapter in their young lives.

But for all of us, this year promises to be one of the most glorious in the history of this school, and we are fortunate to have been on the scene during the period of transition.

Already we have witnessed many drastic changes here at Glenville. The enrollment has soared to a record number, and rumors continue to persist that our name will soon be changed to Glenville State University. Could be.

The football team, the door mat of the WVIC not too many years ago, promises to give local fans a colorful and exciting brand of football as well as some badly-needed victories. This could be the first Pioneer eleven to win more games than they lose since Nate Rohrbough's 1942 squad won 4 and lost 2.

We haven't been doing too well in basketball in recent seasons, either, but the 1954-55 squad has plenty of potential as well as a new coach.

Professor Orendorff's tremendous 50-odd piece band may not have uniforms to wear this season, but they certainly are going to be the best playing band in the state. Those majorettes don't hurt the situation any, either.

The "New Deal" has also come into the Dreary Dungeons, sometimes referred to as Louis Bennett Hall. Thanks to a lot of hard work on the part of Dean Higgins, the men residents have been given a new lease on life; and if we are mature enough to use our newly-won freedom wisely it certainly will be a "Good Deal" for us many years to come.

Like any other new philosophy, the "New Deal" did run into some obstacles at first. The dining hall situation certainly needed some attention, but we couldn't digest all of those regulations at first application. However, in a spirit of compromise things are working smoothly again and even the food tastes better now.

Glenville is really entering a new era this fall in order to cope with its rapid growth. We are all fortunate to be here to watch the progress that will undoubtedly be made this year. That progress, naturally, depends on us students.

We ought to go hog-wild this year. Let's back the teams, basketball and football, at home or away. Support and encourage our fine college band, conform to the dining room regulations and be considerate of our dormitory neighbors and we will come to realize that the "New Deal" is a Good Deal. JIM

FIRST OF SERIES

College Program on Radio Starting Oct. 10 Over WPAR

By CONSTANCE SAMS

Dr. Harold Orendorff, instructor of music, will be featured in the first of a series of radio programs called "Radio Goes to College" which will be heard Oct. 10 over radio station WPAR in Parkersburg and Oct. 16 over station WPDK in Clarksburg.

According to Prof. Espy W. Miller, director and script writer for the program, the radio shows will be presented each month from Oct. 10 to May by students and faculty members of different departments. The program will be on the air from 12:35 to 1 p.m. over the Parkersburg station and it can be heard over WPDK from 1:05 until 1:30 p.m.

The committee appointed to work on the production of the series is made up of Professor Miller; Dr. Byron Turner, who is technician; and Dr. Orendorff who will be in charge of all the music. Assistance of additional faculty members will be needed for specific programs.

On this month's program, Dr. Orendorff will trace some modern hit tunes to their origin in classical music.

The production of these programs will make a culture contribution to the radio audience in the area

served by Glenville State College. It will also give students some immediate goals by providing opportunity for them to put into practice some things being learned in class.

The November broadcast will probably concern American Education Week.

Studio Guild Exhibit Features R. Fabri

The first of a series of Studio Guild Traveling Exhibitions, sponsored by the Studio Guild Country Art Center of West Redding, Connecticut, will be shown at Glenville State College during October.

One part of the exhibition, made up of 20 etchings entitled "Dreams and Abstractions" by Ralph Fabri, will be placed in the art room from October 1 to October 24.

Mr. Fabri was born in Budapest, Hungary. He studied architecture at the Institute of Technology there. He studied painting and etching at the Royal Academy of Fine Arts in Budapest. In 1921 he came to the United States, and in 1927 became a naturalized citizen. He has been associated with many colleges in the New York area in the role of instructor and lecturer.

1954 Graduates To Receive First Issue of Mercury

The first issue of Glenville's newspaper, The Mercury, is being sent to all 1954 graduates and to those students who are teaching this year.

Regularly featured in the Mercury is an Alumni Column which is composed of the activities of students who have attended school here. Since the main source for this column is directly from the alumni themselves, the alumni editor would greatly appreciate hearing from these people.

This column is of interest not only to students on campus, but also to those people who are out of school. Through the column, they are able to know what their former classmates are doing and where they are. The Glenville Mercury plans 28 issues for this year. Subscription rates are \$2 a year. Elsewhere on this page may be found a convenient subscription blank.

ALUMNI NOTES

Wm. Lovell Named President At Spring Alumni Meeting

By Yvonne Hart

WILLIAM LOVELL

William W. Lovell is the new president of the Alumni Association. Lovell, from Parkersburg, was elected during the spring meeting of the organization.

Virgil B. Harris of Green Bank is first vice president; Michael P. Burns of Burnsville is second vice president; and Lloyd M. Jones, Clarksburg, financial secretary is also secretary and treasurer of the association.

Council members were also chosen at this meeting. Chosen for the one-year term were: Fred Barnett, Parkersburg; H. Laban White, Clarksburg; and Mabel Nichols, Morgantown. Alva M. Bennett, Weston, Stanley D'Orazio, Grantville, and Juanita McDougle of Glenville were chosen for a two-year term. Those who will serve on the council for three years are: Marvin L. Glendenin; Hugh Hurst, West Union; and Carl Hamric of Richwood.

Home Ec. Club Plans Roast for Initiates

A roast honoring the new members is the first of a series of activities planned by the Home Economics club according to Jackie Rastle, club president. Members appointed to the committee to arrange the roast were Clara Mae Hull, chairman, Martha Ann Marsh, and Lynn Rastle.

In a recent meeting, tentative plans were made for a float entry in the Homecoming parade. The planning committee was appointed with Jackie Humphreys as chairman. Other students on the committee are Patty Hybert, Mary Louise Gillespie, and Kathleen Quinn.

President Rastle reports that the club plans various activities during the school year. Some of those which are to occur within the near future are initiation, a Halloween mix, a style review, and open-house for the new home economics house.

The club plans to send representatives to the work shop which will be held at Indiana, Pennsylvania, October 28, 29, 30.

Officers of this year's club are Jackie Rastle, president; Lois Fisher, first vice president; Beth Hudkins, second vice-president; Clara Mae Hull, secretary; Martha Ann Marsh, treasurer; Lynn Rastle, song leader; and Genevieve Hinder, reporter.

Ralph Holder Named Student Union Head

Ralph Holder, a junior physical education and social studies major from Clarksburg, has been appointed manager of the Student Union to fill the vacancy left by Elmer Takash.

Holder is a transfer student from Potomac State college. While at Potomac State, he participated in basketball and baseball, and was a member of Phi Sigma Nu and Circle K club.

Manager Holder said that the Union will be open during the day from 8 until 4, Monday through Friday, and 2 until 4, Saturday, and

Grose, parliamentarian; and Jean Reeder, historian.

Falcons Blanks Pioneers, 6-0, in Downpour

FAIRMONT EXTENDS WIN STREAK TO 9 STRAIGHT OVER G-MEN

By JIM ROBINSON

Scoring mid-way in the first period on a blocked-kick recovery, Fairmont, and a steady down pour of rain teamed up on the Pioneers Saturday to send the Gee Men down to their first defeat of the season, 6-0, before a small, but thoroughly-soaked gathering of the local faithful.

With Bobby Weaver standing back on the Glenville 10-yard line attempting to punt the ball out of danger, the hard-charging Falcon line broke through to smother the kick. John Vernall, Falcon line-backer scooped up the loose oval and sped 12 yards to pay dirt.

The game, which saw the visitors extend their weird jinx over the Gee Men to nine straight contests, was a slow-moving defensive game which saw the players playing in ankle deep mud and water that in some places was six inches deep.

Featuring the defensive battle was Bobby Weaver's sensational punting. Overcoming the handicap of a wet ball, the diminutive Pioneer punter, kept the Falcons away from Glenville territory on numerous occasions with his 12 kicks that averaged 36.7 yards.

"7 Back Breakers" Tough

Gaining 55 yards overland during the first two periods, the Fairmont halfbacks boasted more yardage in a single half than Glenville's opening game opponent, Shepherd, could gain in an entire game.

Glenville's talented forward wall rose to the occasion during the final two periods, however, holding the visitors to just one first down and a minus three yards rushing. Minus their ace tackle, Sam "the man" Ballato, the "7 Back Breakers" continued their great defensive work that highlighted the opening game tie with Shepherd. During the first two games, the Wave forward wall has limited opposing ball-toters to a mere 100 yards, an average of 50 yards per game.

Glenville's only serious scoring threat came late in the final session when the running of Shock and the passing of Tennant and Weaver moved the Gee Men from their own 10 yard line to the Fairmont 32, for the game's only sustained march, but the drive failed when the Pioneers lost the ball on downs.

Rain Halts Jack

After three seasons of raising havoc with opposing pass-defenders, Glenville's pass-master, Jack Tennant, was finally halted by the elements. The Fairmont Flipper completed three of six passing efforts for 30 yards, the lowest total of his illustrious career.

John Shock continued his fine running by leading the Gee Men in ground gaining with 35 yards in six carries. Quarterback Dick Barrett gained 23 yards in six attempts and "Bullet Bob" Weaver gained 13 yards overland and completed two of three passes for an

additional 23 yards.

Glenville had eight first downs to Fairmont's three and outtrushed the visitors 85 to 52.

Godfrey Scores

Against Shepherd, the Gee Men broke a scoreless deadlock late in the final period when Jack Tennant threw a 10 yard strike to halfback Ron "The Ram" Godfrey after the ball had been put in scoring position by Shock's electrifying 44-yard run. Weaver's placement was true and the Gee Men had seemingly won their opening game, 7-0.

The powerful Rams were not to be denied, however, and struck back seconds later on a 52-yard pass play from Shearer to Emery for a first down on the Pioneer 16-yard line. Three running plays later, Jim Blackburn scored from the one-yard marker. Boyd's point after was good and the game ended 7-7.

Glenville had a wide edge in statistics, gaining 169 yards rushing to Shepherd's 48 yards, and passing for 164 yards as compared to 70 yards for the Rams.

WAA Names Marley As New President

At the first meeting of the Women's Athletic association, Constance Marley was chosen president of the group to fill the vacancy caused by Mary Helen Somerville's absence. Present officers are: Joyce Bourne, vice president; Jacqueline Coe, secretary and treasurer; and Jacqueline Rastie, point secretary.

Joan Dotson, Kathleen Quinn, and Juanita Radcliff were appointed to make plans for the annual carnival.

Sports leaders for first semester are Patsy Greene, volleyball; Kathleen Quinn, aerial darts; Phyllis Given, ping pong; and Shirley Chancey, badminton.

Captains for volleyball are Lucille Lipps, Genevieve Hinder, Frances Cutlip, Marilyn Rastie, and Ada Cox.

Captains for aerial darts are Yvonne Hart, Joyce Jackson, Mary Ann Judy, Betty Jo Lewis, and Betty Cooper.

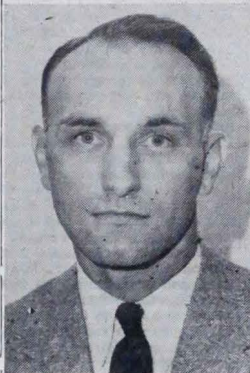

Volleyball, aerial darts, badminton, and ping pong are the leading sports for this semester's activities.

More than 72 high schools now have organized forest fire fighting troops in West Virginia.

G-Men Face Concord Saturday

STARRED FOR "NATE"

Nick Murin, Ex-Pioneer Ace, To Pilot Glenville Gridsters

NICK MURIN

Nick Murin, who gained his undergraduate football education under the old master, Nate Rohrbough, returns to his alma mater this fall to assume the football coaching chores left vacant since the departure of Mike Josephs just prior to the 1953 season.

Stanley "Joe" Hall, popular social studies professor at the college, and one of the most successful high school coaches in West Virginia a decade ago, served as an interim appointment during the 1953 campaign and he led the squad to a very successful 3 won, 4 lost record.

Murin, who was a mainstay on the Pioneer baseball, football, and basketball teams of 1939 and 1940, served under the legendary Wayne Underwood of Calhoun county high school during the 1953 grid season and has been head coach of the Red Devil basketball aggregation for the past five years.

Following two fine seasons at Glenville, Murin's college career was interrupted by World War II, when he entered the Army Air Corps and served with the 9th Air Force in Europe as a sergeant in control tower operations.

Nick continued his undergraduate work following his discharge in 1946 and was named president of the Glenville student body during the 1947 school year. In addition to his studies, his duties as student body prexy, and his athletic activities, the hard-working Murin somehow found time to coach the Glenville high school Red Terrors to one of their most successful basketball seasons in history. Led by the great Bob "Hooks" Hardman, who later went on to greater fame as a Pioneer sharpshooter, Murin's team raced to a 21 won, 2 lost season.

Coach Murin received his Master's degree at West Virginia University in 1949 and joined the coaching staff at Calhoun county high school the Fall of the same year.

bridge may have put new life into "Horse" Lough's charges.

Fairmont rules a heavy favorite over Wesleyan this week as the two teams meet in an arc-light encounter at Fairmont. Morris Harvey continues her non-conference schedule this Saturday against Marshall and Shepherd plays non-league foe, Bridgewater.

BACK-OF-THE-WEEK: Tech's great halfback, Delmar Dixon, who came through in grand style in a "clutch" game. Dixon scampered for three scores and tallied two (Continued on page 4)

Pioneers Seek Initial Victory

By JIM ROBINSON

Glenville's winless Pioneers invade Gary this Saturday, night in hopes of making Concord's potent Mountain Lions their first victims of the 1954 season.

Highly-impressive in their opening game deadlock with Shepherd, the Gee Men did not have the opportunity to show their wares in last Saturday's home opener against Fairmont as a steady downpour of rain severely hampered their usually-effective attack. With conditions more in keeping with a swim meet, the Gee Men tasted defeat for the first time this season on a blocked kick, which the alert Falcons converted into the game's only touchdown.

Against the Mountain Lions, the Pioneer chances of victory will once again depend largely on the Glenville forward wall. Holding their first two opponents to 100 yards via the ground route, the "7 Back Breakers" will be facing one of the most effective ground attacks in the conference this week when they tangle with Coach Joe Fried's Mountain Lions.

Concord Beaten

Always a powerhouse, Concord opened the 1954 campaign by playing a 20-20 standoff with highly-respected Emory & Henry. Following their first win over Salem, 27-13, the Mountain Lions ran into a red-hot West Virginia Tech team last Saturday and were soundly beaten, 26-7.

Speareading the deadly Concord offense is Dan Crane, one of the finest halfbacks ever to play in the WVIC. Crane, an all-conference selection a season ago, scored three touchdowns in the Salem game, and tallied Concord's only six-pointer against Tech Saturday. If the Wave are to beat the Mountain Lions, they will certainly have to stop Crane, who was the big thorn in the side of the Gee Men last year when a Glenville team fought back from a 20-0 Concord lead only to fall short 20-19 in a hotly-disputed game.

The Pioneers appear to have found the running threat to augment Tennant's razor-sharp passing in the personage of John "Lightning" Shock. The former Glenville Red Terror scabback has gained 101 yards in 14 attempts for a neat 7.2 average.

Injuries Hurt

Tennant, although limited by the weather in the Fairmont tilt, has completed 14 of 31 passing attempts for 134 yards and one touchdown, the nineteenth of his (Continued on page 4)

Potomac Wins By Record 83-0 For First Win

West Virginia Tech's Golden Ears, winners of only one game during the 1953 campaign, continued to surprise everyone Saturday by beating previously - unbeaten

CONFERENCE STANDINGS

	W	L	T	Points For	Points Opp
W. Va. Tech	2	0	0	46	15
Shepherd	1	0	1	21	14
West Liberty	1	0	0	31	19
Morris Harvey	1	0	0	41	6
Concord	1	1	0	54	59
Fairmont	1	1	0	13	14
Glenville	0	1	1	7	13
Potomac	0	1	0	8	20
Salem	0	3	0	38	99

Concord, 26-7, to claim undisputed possession of first place in the WVIC.

Rivaling the Tech-Concord game as the outstanding feature of the week's football developments was Potomac's 83-0 massacre of the Bainbridge Naval Academy.

Over in Bainbridge, Ohio, West Liberty's Hilltoppers were forced to come from behind before overcoming a surprisingly-strong Salem eleven, 31-19.

Morris Harvey prepped for her big engagement with Marshall this week end by routing strong Baldwin-Wallace, 27-6, in the first real test for Eddie King's Golden Eagles.

Previously - unbeaten Shepherd stepped out of conference play for the first time this year and were soundly trounced 25-7 by Randolph-Macon.

Wesleyan's opener proved dismal as Bethany's Bisons rode roughshod over the Bobcats, 33-7.

Heading this week's conference program is Tech's battle with West Liberty in a meeting of the unbeaten for first place in the conference standings. The Golden Ears have won three straight, Findlay, Ohio, 26-0; Potomac, 20-8; and Concord, 26-7.

Joe Bartell's Hilltoppers are also unscathed, having beaten St. Vincent (Pa.) 31-0 in their opener, and last week's conquest of Salem.

Potomac's point-a-minute Catamounts will be given a real test Saturday when they play Paul West's surging Tigers. Potomac gave league-leader Tech a real test in its only conference showing before dropping a 20-3 decision to the Bears. Saturday's rout of Bain-

WAA NEWS

Volleyball Season Begins As Cox, Cutlip, Lipps Win

By YVONNE HART

Women's Athletic association began its volleyball season Tuesday, Sept. 21, with four games. Cox, Cutlip, and Lipps emerged as winners for the night.

In the Cox-Cutlip tilt, Cox won by a score of 65-23. Cox and Hinder then battled, and Cox was again the leader by a score of 34-27.

In the Cutlip vs. Rastie game, Cutlip easily won by a score of 62-29. The Lipps-Hinder battle resulted in a 59-40 score in Lipps' favor.

Some high scorers for the night were Ada Cox, Kathleen Quinn, Nancy Hall, Joan Dotson, Annabelle McHenry, and Gail Boggs.

Officials were Bush, Marley, Radcliff, Coe, and White.

Volleyball teams and their captains are: Frances Cutlip, captain,

Ruby Elder, Wilma Fisher, Phyllis Given, Rosemary Hammond, Dorothy Lanham, Kathleen Quinn, Jo Ann Spicer, Patsy Bannert, and Wanda Barker; Ada Cox captain, Betty Cooper, Patsy Greene, Ann Howard, Betty Jo Lewis, Julia Murphy, Lillian Stanley, Jearl Stanley, Jackie Rastie, and Marita Spicer.

Lucille Lipps, Gail Boggs, Joyce Bourne, Shirley Brown, Shirley Chancey, Yvonne Hart, Deloris Hitt, Annabelle McHenry, and Patty Snyder; Genevieve Hinder, captain, Joan Dotson, Nina Godfrey, Nancy Hall, Martha Hathaway, Judith Kennedy, Barbara Taylor, Barbara Wright, Iris Mack, and Lyla Jean Stump; Marilyn Rastie, captain, Bonnie Gorrell, Joyce Jackson, Lois Post, Eleanor Jacobson, Mary Ann Judy, Alice McCullough, Connie Sams, and Mida Bailey.

MAA NEWS

10 Teams Report for MAA As Volleyball Seasons Opens

By BILLY STANLEY

The 1954 volleyball season got off to a good start Thursday, Sept. 23, when ten teams reported for action. This season should provide many thrills and exceptional games because of the experienced players that were named as captains.

Captains named were Don Wedekamm, Bill Reit, Basil Mullens, John Allman, Everett Mason, Harold Clune, Robert Miller, Paul Caltrider, Byron McKnight, and Roy Cogar.

In the first night of the season, Wedekamm's Weasels were overpowered by Reit's Roosters. The Weasels did not get started in the first game as they were defeated 15-1. They found themselves in the

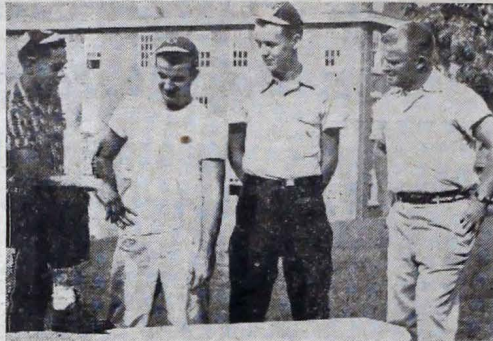

second game but lost by a score of 15 to 13.

McKnight's Knights defeated Cogar's Cats in two very close games. The first game ended with a score of 16 to 14 and the second ended with a score of 15 to 12.

Cline's Cliff Dwellers rolled over Mason's Masons to the tune of 15-13 and 15-0.

Allman's All-Stars overpowered Mullens' Mules in both of the first night's games. The Mules were able to score but five points in the first game and six points in the second game.

Caltrider's Colts and Miller's Millers played only one game to begin the season which ended when the Colts defeated the Millers 15 to 9.

Discussing future plans for the Freshman class are these newly-elected class officers, left to right, Mike Ferrell, president; Pat Petty, secretary; Charles Merical, vice-president, and Sam Morehead, treasurer.

Michael Ferrell, Charles Merical to Head Freshmen

Michael Ferrell of Grantsville was recently elected president of the freshman class. Other officers elected were Charles Merical of Sissonville, vice-president; Patrick Petty of Grantsville, secretary; and Sam Morehead of Parkersburg, treasurer.

The new president is a graduate of the class of 1954 of Calhoun County high school. He was active in high school class offices, having served as president of the junior class and president of the student council his senior year. His major is mathematics.

Charles Merical attended Sissonville high school. He was vice-president of the senior class and president of the student council. Charles had the honor of being mayor of Charleston for one day. He is enrolled as a general education major.

Patrick Petty graduated from Calhoun County high school in 1953. He is majoring in pre-medicine. His high school activities include being president of the junior class and serving on the student council.

Sam Morehead is the only veteran of the group. He is a graduate of Parkersburg high school where he served as vice-president of the

student council. Sam served four years in the U. S. Air Force. His major is physical education.

The newly elected officers have already met and talked over the plans concerning the building of the Homecoming Queen's float.

Harris, Fitzpatrick

(Continued from page 1)

which is scheduled to start at 10 a. m., and the coronation of the Homecoming queen that will start at 11:15 on the campus near the Science building.

Rohrbough field will be the main attraction in the afternoon when the Glenville State Pioneers meet the Catamounts of Potomac State at 2 p. m.

Wrapping up the Homecoming observance will be the annual Homecoming dance to be held in honor of the Queen and the Pioneers.

W. W. Lovell of Parkersburg, president of the Alumni Association will be on hand to welcome the alumni.

Virgil B. Harris, principal of Greenbank school, and Lonnie Fitzpatrick of Glenville are the co-chairmen of this year's Homecoming.

Other committee leaders that are working with Co-chairmen Harris and Fitzpatrick are:

Decorations for gymnasium, Mrs. Yelive Bell Norman; orchestra for dance, H. Laban White Jr.; publicity, Linn B. Hickman; Student council coordinator, Marvin Stewart; selection of high school bands, and gym clean up, J. H. Campbell. H. S. Orendorff; town decorations, Ruddell Reed; parade assistants, Bob Reed, Jack Stalnaker, and Jack Minnich; general liaison officer, Stanley Hall; orchestra platform

Lane Represents College

Prof. Warden Lane represented Glenville State College at Woodrow Wilson high school in Beckley, Sept. 27. He spoke at the annual college day at the school.

This year the high schools are again having representatives from every college visit on the same day. Representatives from Glenville will attend several schools in the near future.

G-Men Face

(Continued From Page 3)
collegiate career.

Injuries have all ready dealt the Pioneers a severe blow with the loss of all-conference tackle, Sam Ballato. The husky Ballato suffered pulled knee tendons in the Shepherd game and was forced to the sidelines for the all-important Fairmont encounter. Although it is not known when Ballato will return to full-time duty, it is not likely that it will be this week.

Helping to offset the loss of Ballato has been the tremendous play of the other members of the powerful "7 Back Breakers." Guards Mike Popp and "Iron" Mike Snyder have been key men in games played to date, and especially in the opening game at Shepherdstown did this powerful pair perform at their best.

Hard-Working Partain

Avis Partain, 228-pound tackle from Oak Hill, is generally regarded as the most improved player on the Pioneer squad. The hard-working Pioneer teams up with Ballato to give the Gee Men a tackle combination that is tough to match.

Contenders for the vacant tackle position are Steve Rohr, Oliver Hunt, and Joe Bokovitz, all hold-overs from the 1953 team.

Holding down the terminal posts are Ed "Terrible Tee" Tekieli and Ralph Campbell. Although the Pio-

neer passing game has been limited thus far, the Wave ends have occupied themselves with some fine defensive work to date. Campbell has caught four passes for 35 yards and Tekieli has gained 26 yards on three completions.

Tennant, Weaver, Shock, Godfrey, Miller, and Barrett, head an imposing list of backfield men at the disposal of Coach Murin. Godfrey was hurt slightly during the Fairmont game but is expected to be ready to go against Concord. Jack Sizemore, who started at full-back against Shepherd, was hurt in practice before the Fairmont game and is still on the injured list.

The Concord-Glenville series dates back to 1927. Since that date the teams have played to a standstill, each team winning 10, and the 1946 game ending in a scoreless tie.

Riggs Reorganizes GSC Debate Team

The Glenville State College debate team is being reorganized this year, under the direction of Prof. Joseph Riggs. The debate team will compete with various colleges in West Virginia which have not yet been scheduled.

The debate topic for this year is "Resolved: That the United States should extend diplomatic recognition to the Communistic government of China."

The debaters consist of the following students in Argumentation and Debate class: Stanley Anderson, Janet Conley, Rita Pickens, George Pease, and Ralph Miller. Those in the class are John Mullins, Byron McKnight, Jim Mullins, Dean Smith, Homer Smith, Clyde Porter, Thomas Egbert, Robert Kohl.

Potomac Wins

(Continued from page 3)

extra points in Tech's upset win over Concord, running his total to five touchdowns in two league games.

This week's results should be Salem over Potomac in an upset; Fairmont breezing past inexperienced Westeyan; Marshall stopping Morris Harvey, but good; Tech over West Liberty, with tongue-in-cheek; and Shepherd over Bridgewater.

COMO AND HOGAN

Perry Como, top TV and recording star, and Ben Hogan—only active golfer to win 4 national championships, enjoy a Chesterfield during a friendly round of golf.

WHAT A PAIR!

WHAT A BUY — CHESTERFIELD King Size
(at the New Low Price) and Regular

Like Ben and Perry you smoke for relaxation, comfort and satisfaction. In the whole wide world no cigarette satisfies like a Chesterfield.

You smoke with the greatest possible pleasure when your cigarette is Chesterfield—because only Chesterfield has the right combination of the world's best tobaccos—highest in quality—low in nicotine.

In short, Chesterfields are best to smoke and best for you.
