## GSC Gets Birthday Gift From State Board of Ed.

TOWER CLOCK will tick the 88th birthday of Glenville State College into existence on Feb. 10. The giant four-faced clock projecting from the roof of the Administration Building strikes the hour and has been the timekeeper of students, teachers and townspeople since 1899. When the clock tower which was built in 1897 proved unsafe because of its height, it was torn down and rebuilt in 1903.

## 38 Student Teachers Begin Duties In 6 Area Schools for Third Term

Thirty-eight GSC students are doing directed teaching this term according to Dr. Delmer K. Somerville, chairman of education division.

Teaching in Glenville Elementary School are Beverly Rogers, Pauline Windon, Dixie Lee Barrett, Betty Wilson, Kathryn Farmer Depue, Dale Bennett, Mary Spray.

Assigned to Weston High School are Janet Hyer, social studies and business education; Ruby Elder Massey, music; Arthur R. McMichael, physical education; Mildred Nocida, business education and English; Jane Riddle, business education and English; Fred Taylor, physical education and social studies.

### Teaching at Glenville

Placed in Glenville High School are Frederick Williams, biology and social studies; Berna Shawver, English and business education; Garnet Boblett, English and business education; Ray Boggs, social studies and biology; Dorothy Butler, English and social studies.

Teaching at Burnsville High School are Susan Lockard Cain, social studies and English; George Hickman, math and physical science; Delores Takach, math and physical science.

### Placed at Sutton

Teaching at Sutton are Dorothy Burk, home economics and math; Sherman Dodrill, social studies and

With a small amount of imagination, one may safely say that Glenville State College has received a gift from the West Virginia Board of Education in honor of its 88th birthday.

One may also add that no birthday present was ever more needed by a college than this one — appropriations for a new women's dormitory to be located on Court Street.

President Harry B. Heflin stated that the Board met Feb. 1 and 2 with Senate and House Finance Committee to request inclusion of \$50,000 for movable equipment in the new dormitory.

Two-thirds of the \$50 registration fee (effective the past July) of state colleges will be placed in a common fund; the State Board of Education will decide where this money is to be spent. One-half of the cost of a dormitory for GSC will be paid from this fund.

The other half of the money required for dormitory construction will be borrowed from the government, to be repaid through room rentals. A recent letter from HHFA (Housing and Home Finance Agency) gives approval for preliminary plans for the dormitory.

Architects are now preparing working drawings for the building.

## MERCURY Sponsors Annual Contest For Selection of Campus Cover Girl

Annual Campus Cover Girl Contest, sponsored on Glenville State College campus by the MERCURY, will be held Wednesday, Feb. 24, announces Charmaine Gunnoe, MERCURY editor.

Each organization on campus will be asked to select its entrant by Monday, Feb. 15. On that day, a representative from each organization will meet with other group representatives and eliminate all but six of the contestants.

Pictures of the six remaining candidates will appear in the MERCURY and be placed on display in the Student Union before and during the election. Voting, to be supervised by MERCURY staff members, will be held in the Union from 9 until 4 o'clock on Feb. 24. All students are eligible to vote in the election.

### Patricia Sams Was Winner

This is the sixth year this contest has been held on GSC campus. Last year Patricia Sams was the representative from Glenville State. In 1958 Alice Ann Huffman was chosen; 1957, Reta Jo Armstrong represented Glenville; 1956, Mary Burk Greynolds was elected on this campus and placed third in the final contest.

There are no prizes for the winner; she will be selected by judges from photos published in the magazine. The five girls selected by judges from the photos will be invited to a luncheon in Pittsburgh

## V. Smith Becomes Cafeteria Director

Mr. Vernon L. Smith assumed the duties of GSC cafeteria director on Monday, Feb. 1.

Mr. Smith is retired from 20-years service in the U. S. Navy. He formerly worked as head dietitian at the Andrew S. Rowan Memorial Home at Sweet Springs.

He is married and the father of nine children. At present, he is looking for a house in Glenville

## Anniversary Play 'Glass Menagerie' Will Be on Feb. 29

"The Glass Menagerie", a two-act drama by Tennessee Williams, will be presented on the GSC stage Feb. 29 and March 1 as Mr. William S. E. Coleman's fifth anniversary play. Five years ago, Mr. Coleman's first year at GSC, he produced this play.

The cast for the play includes Mrs. Barbara Whiting as Amanda, the mother; Bob Galner as Tom, her son; Linda Lambiotte as Laura, her daughter; Eddie McKown as Jim, the gentleman caller.

Galner played the role of Tom in the original production five years ago. Mrs. Whiting, a guest star, played in the first production the Speech Department took to Jackson's Mill for the Intercollegiate Speech Festival.

Patty Horner will be chairman of the lighting crew; Glen Martin will serve as chairman of the sound crew. Assistant director is Jim Troy and Marliou Locke is the set decorator.

"The Glass Menagerie", is considered by many to be Tennessee Williams' best play. It has won the Drama Critics Prize and six other major literary awards. It is, perhaps, the most popular play among educational and community theatre groups. It is the story of a young man, Tom Wingfield, who is the sole support of an aging mother,

## Bemuddling Basketball Terminology Is Explicitly Explained By Expert

By Bill Dawson

Here we are near the end of the basketball season and there are a number of persons—namely girls—who do not understand the terminology of the exciting game.

Being an authority on the game (watched W. Va. — Va. game on television, and picked up a few pointers from Coach Ratliff while giving a mechanical analysis of the set shot in kinesiology), I feel I am therefore qualified to elaborate. My playing experience is limited to one year with the Odd Balls who in 1959 threw 142 baskets and 4 games. Our shooting was fair but our passing was awful. Not one member of the team passed a class that year.

Now you physical education majors may find this hard to believe, but last semester a lad in freshman orientation grabbed a water hose and started to flood the gym floor when Coach Byrd told him to go in as a "sub".

Since basketball is a leading sport in the USA and the national pastime in Scotland (because of the free throws), I feel all students should be familiar with the common terms used in the game. I shall list 15 definitions of basketball terms.

(1) **Basketball Game:** a pocket sized track meet with whistles.

(2) **Gymnasium bleachers:** Concentration camp on tiers.

(3) **Bounce Pass:** bumping into a shapely cheerleader as you enter the gym.

(4) **Center:** Part of the grandstand already filled when you arrive.

(5) **Pivot Shot:** A wild heave made by a falling player to divert attention from his clumsiness.

(6) **Basket:** a container used for storing vegetables.

(7) **Backboard:** what you wish seat had during the second half.

(8) **Crucial Point:** whether you can find your seat again if you go to the men's room.

(9) **One Minute to Go:** time to start looking for your coat.

(10) **Referee:** cousin of the opposing team's coach.

(11) **High Point Scorer:** sweater girl in third row.

(12) **Personal foul:** result of your bet on the game.

(13) **Shot:** something taken out of bottle behind bleachers.

(14) **Guard:** one who watches for teachers as others take shot.

(15) **Forward:** fellow after taking a shot.

I hope this cleared up a lot of shadow spots concerning the game. See you at the game. Good night Patsy, wherever you are.

## MENC Presents TV Quiz Assembly

A simulated television quiz show will be presented by MENC on the auditorium stage tomorrow at 10:10 a.m.

The student body will not see the quiz show as viewed from a T.V. but as a studio audience with all technical interferences — such as TV cameras.

Holy Roller Court assembly last week was "Channel Changer." The program was all on tape recording and was acted out by members of the court. The program concerned a man who was trying to find a suitable TV program. He changed channels to such programs as "Gunsmoke," "Clisco Kid," and "The Lone Ranger."

The new director is in complete charge of the kitchen, planning of menus, supervision of the preparing of foods, and ordering of foods to be prepared in the cafeteria.

## Glenville Plays Host To FHA Conference

The annual FHA Conference (western region of the state) under the direction of the GSC Home Economics Department, will be held Saturday, April 9, from 9 to 5. Guests will include High School advisors, state supervisors, state officers, and GSC members of Phi Delta Phi.

Plans for the conference have been completed with the help of the other departments of the college. Mrs. Lillian Chaddock, assistant professor of home economics, stated, "The organizations contacted have been most cooperative in helping us to provide an interesting program for the expected guests. In addition to the home economics department, those participating will be the speech, music, and physical education departments."

A certain amount of monotony is essential to life, and those who always try to flee monotony cut themselves off from a life-giving force; it is the monotony of the makes variety possible.

## Outstanding Books Listed By Library

By Carolyn McCullough

Editors Note: This is the first in a series of three articles presenting a list of outstanding fiction books for college students. The second article will appear in Feb. 24 issue and the third article in March 2 issue.

"Reading is reading is reading is reading." It is part of the all-round development of every person and the highest form of shared experience.

Through books one can share the most important thinking that has been done. No wonder reading has been called a key — a key well worth using as a means of communication that transcends time and space, spiritual as well as physical.

The Book Selection Committee of the American Library Association's Young Adult Services Division has compiled a list of outstanding fiction books for college students as published in the NEA Journal for December, 1959.

The Robert F. Kidd Library is offering its first series of these books now available from this list. How many have you read? Conscientious students will visit the Library soon and make their choices from unfamiliar ones.

## Science Workshop Will Open Feb. 13

Science-program workshop for elementary teachers has been set up at GSC by Dr. Byron J. Turner, professor of chemistry and Miss Blanche Hinkle, assistant professor of education.

The planning committee for this program met Friday, Jan. 29. First of a series of six meetings will be Saturday, Feb. 13, in the Science Building.

This program, sponsored jointly by National Defense Education Act (NDEA), West Virginia Department of Education, and Glenville State College, is to be an in-service workshop for elementary science teachers.

### Objectives Noted

Major objective of the program will be to develop a curriculum outline for elementary science teachers. Instructors who will attend these workshops will discuss new ideas in science, resource materials, reference lists, and experiments.

## Sororities Complete Rushing

### Kappa Chi Kappa

The college swimming pool served as the site of Kappa Chi Kappa's first rush party Tuesday, Feb. 2, announces Mary Kemper Hull, acting president.

Decorations of paper fish, shells, mermaids, fish nets and anchors served to carry out the "Deep Sea" theme. Entertainment consisted of games and swimming.

Refreshments were hot dogs, pickles, potato chips and punch.

The theme of the second party was "Running Bear." The group met at the home of Martha Lee Hall, Thursday evening, Feb. 4. A social hour was enjoyed before an open-fire setting. Coke and popcorn were served.

Formal initiation was held Sunday afternoon.

The following committees have served in preparing for the parties: Entertainment; Ann Ratliff, Martha Lee Hall; and Norma Currey; refreshment, Jackie Millard, Lu Royster, Ann Rodney Lorentz; invitation, Marianne Graham, Peggy Brown, Iolene Harding; decoration, Mary Kemper Hull, Anita Sue McDougall, Carolyn McCullough; favors, Judy Miller and Barbara Peas-er.

### VMH Holds Annual

Marie Skidmore, Lucinda Champ, Janice Underwood, Suzanne Amos, Phyllis Tice, and Marilyn Igou.

Students and members of the faculty are invited to attend this annual open house held at Verona Maple Hall.

### Xi Beta Tau

A formal tea held Sunday afternoon, Feb. 7, in Louis Bennett Lounge climaxed a week of busy activities for Xi Beta Tau members and prospective pledges. Centerpiece of white carnations and heather was made by Mrs. Byron Turner, sorority patroness, for the tea.

The week's activities began Monday night with a party held in Louis Bennett Lounge. The theme for the party was "Teahouse of Xi Beta Tau Sorority." All wore Japanese costumes.

Entertainment included a skit by Beverly Hockenberry and Jane Riddle, "Confusious Say," a song in Japanese by Charmaine Gunnee; dance by Carolyn Dotson; a humorous Japanese prayer led by Wonona Stewart, and games.

A slumber party was held at the home of Mrs. William S. E. Coleman, Friday, Feb. 5. Refreshments were served during the night and breakfast consisted of coffee and donuts. Planning committee for this party was Janet Fields, Betty Yoak, and Wonona Stewart.

Officers of the Xi Beta Tau sorority for second semester are Charmaine Gunnee, president; Sue Valentine, vice - president; Arminia Tucker, recording secretary; and Janet Riddle, treasurer; Patricia Sams, chaplain; Linda Mayo, herald; Berna Shawver, sentinel; and Janet Fields, historian.

## Nursery School Meets at HMH

Nursery school composed of four-year old children, opened Jan. 27 under the direction of Miss Elma Jean Woofor with the following children enrolled: Terry Jane Parsons, daughter of Mr. and Mrs. Jack Parsons; Rebecca Dew, daughter of Mr. and Mrs. Gene Dew; Margo Whaley, daughter of Mr. and Mrs. Albert Whaley; Steven Barnett, son of Mr. and Mrs. Harry Barnett; John Sherwood, son of Mr. and Mrs. Lawrence Sherwood; Jerry Allen Glover, son of Mr. and Mrs. Jerry Glover.

Students in the Child Care and Guidance class who will be working with the nursery school pupils are Patsy Ashley, Nella Jean Bess, Carolyn Dotson, Lola Evans, Louise Fisher, Erselene Gainer, Beverly Hockenberry, and Delores Hutton.

Twyla McCue, Judy Miller, Frances Patterson, Grace Shock, Jane Schoolcraft, Wonona Stewart, Colleen Woofor, and Betty Yoak.

## Jack Phillips Heads Kappa Sigma Kappa

The Kappa Sigma Kappa fraternity recently held its election of officers for the second semester. Those elected to office were Jack Phillips, president; Wayne Hardman, vice president; Tim Carney, secretary; Ray Brown, treasurer; and Dave Hamilton, chaplain.

The fraternity now has 24 active members. These 24 men include Jack Phillips; Wayne Hardman, Tim Carney, Ray Brown, Harry Hull, Phil Clark, David Hamilton, Paul Cochrane, Ray Boggs, Walter Shupe, Ed Rock, Keith Smith, Bill Mace, David Sovine, Robert Bosman, Nick Nichols, Jack Price, Eugene Davis, John Lucas, Tim Hays, George Broschart, Ed Stutler, John Smith, and Kent Harris.

The Kappa Sigma Kappa fraternity is scheduled to present an assembly program March 3. An assembly committee has been appointed to work on the program. The committee did not disclose any information concerning the nature of the assembly.

Age is bothersome only when you stop to coddle it.

### Basketball Activity Continues In MAA With Fourteen Teams

There is a four-way tie for the lead in the Intermural league of MAA. The leaders are the Odd Balls, Locals, and the Little Pioneers. The League plays each Thursday under the direction of Coach Ratliff.

The first game of the evening was a pier sixer with the Restless Gunners ending up by whipping the Thunderbirds 29-28. Gutschall with 8 points topped the Gunners and Hayward was the Thunderbird's top man with 9 points.

The Wazoos took the measure of the Golden Greeks by a 34-28 count. Skidmore paced the winners with 11 and Cavendish had the same number for the losers.

The Little Pioneers defeated the Warriors 33-22. Dutton's ten points led the Pioneers to victory. Booth was the best the warriors had to offer with seven points.

**Odd Balls Triumph**

The Odd Balls routed the Holy Roller Court by a score of 59-35. Lilly scorched the nets for 22 points for the Odd Balls. Proctor canned 11 for Holy Roller.

Locals completely overwhelmed the Kappa Sigma Kappa with a 58-17 score. Greenleaf sank 16 tallies to lead the victors. Hull's eight points were the best KSK could do.

The Rebels ran roughshod over the GMO boys 83-22. Bailey dropped in 19 markers for the Rebels. Oliver had 12 for GMO.

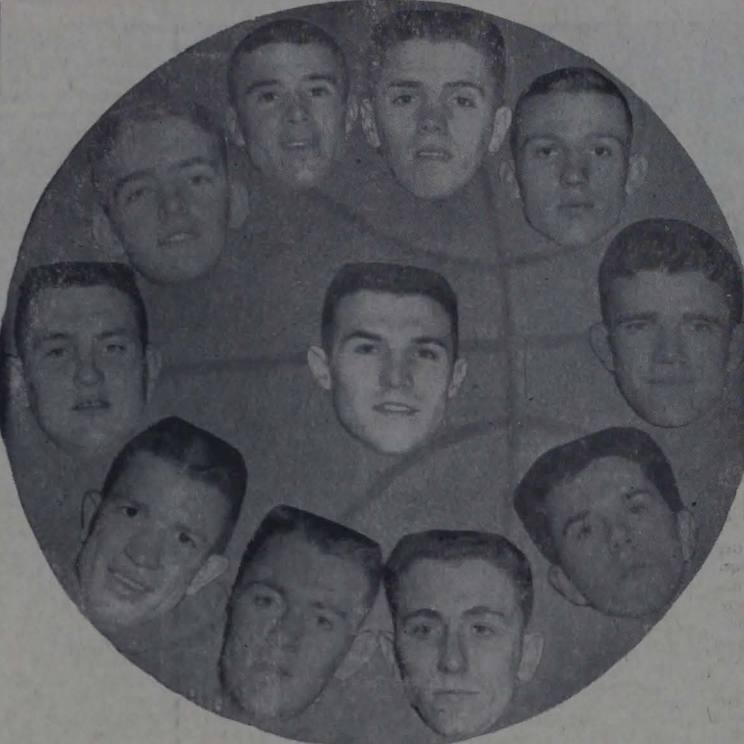

In the final game of the evening RAR won from the Hot Shots 49-36. Burke tallied 20 for RAR. Divers and Hulbert each got 12 for the Hot Shots.

## G-men Beat Beckley, Salem, Concord; Bow Before Hilltoppers, Bobcats, Eagles

**By Bob Oliver**  
**Salem Game**

On Jan. 18, the Glenville Pioneers put their offense into high gear as they literally swamped the bewildered Salem Tigers 111-75. This same Salem team had soundly beaten the Byrd-men in an earlier engagement at Salem. However, this night the White Wave was not to be denied as they played a fast moving, exciting brand of ball that had the fans yelling for more.

Larry Gandee had the hot hand for the Pioneers as he drilled home 9 of 14 attempts from the floor and added 7 of 9 from the free throw stripe to end up with 25 points, high for both teams. Tom Burns also had a good night as he piled up 20 points.

Other G-men in double figures were Bob Lambert with 14, Charles Watt 11, and Russ Shepherd 10 points. Christie was the big gun for Salem with 17 points. The contest marked the first time the Pioneers had hit the century mark this season.

**Morris Harvey**

On Jan. 22, the high flying Golden Eagles of Morris Harvey completely overpowered the G-men in a contest played at Glenville. The final score showed the Pioneers on the short end of a 120-85 score. The superior height of the Eagles proved to be the downfall of the Byrd-men as Morris Harvey constantly worked the ball to their big men for easy shots under the basket. The White Wave showed good offensive power of their own especially in the first half when they scored 48 points.

Russ Shepherd played a good game and dropped in 18 points to share high point honors with Fred Smith, for the G-men. Smith came off the bench late in the first half to score several quick points to momentarily pull the White Wave off the floor and put them within striking distance.

Mike Eberbaugh with 14 tallies was the only other G-man in double figures. Morris Harvey's big frontline of Don Stover, Bob Danner, and Carl Bradford who racked up 27, 22, and 20 respectively were the big factors in the victory.

**West Liberty**

Glenville traveled to West Liberty on Jan. 23 and again became involved in a high scoring contest.

West Liberty took the measure of the G-men for the second time this season by a 100-83 count.

The Byrd-men were physically tired having played the night before at Glenville and traveling the long trip to West Liberty the day of the game. West Liberty led all the way and held a 45-36 half time bulge.

Mike Eberbaugh made 18 to lead the scoring parade, followed closely by Bob Lambert with 16, Russ Shepherd with 12 and Fred Smith 12. Tegley and Pannett with 17 and 16 respectively led the Hilltoppers.

**Beckley - Concord**

On Jan. 29, 30, Glenville made an overnight trip to Beckley and Concord. The G-men broke out of a two game losing streak downing Beckley by the crushing score of 111-87. The Pioneers again hit the hundred mark the following night as they whipped Concord 101-90. Glenville had only gone over the century mark one time in the first 16 games.

At Beckley the Pioneers avenged an earlier defeat at the hands of the Hawks. Beckley had beaten the G-men 87-78 earlier this month at Glenville. Mike Eberbaugh put on a tremendous scoring display hitting 32 markers which is the in-

## Glenville Pioneers Will Face Battlers In Finale Thurs.

Tomorrow night the Glenville Pioneers will close the regular basketball season at Philippi, where they will tangle with Alderson-Broadus. After the A-B game the Pioneers will have five days to prepare for the WVAC Tournament which begins Feb. 16.

The G-men whipped the A-B Battlers early in December 80-64 in a game played at Glenville. The Pioneers problem is the same now as it was then, that is stopping Larry Carmichael, high scoring guard. In the earlier meeting the Byrd-men held Carmichael to 11 points.

Through the first 19 games the top Pioneer scorers are Mike Eberbaugh with 15.3 points per game, Larry Gandee with 13.1 and Bob Lambert with a 10.7 average. The Pioneers probably will look to these men to carry the scoring load; however the G-men have several other men capable of hitting double figures. The White Wave shows an 8 won 11 lost record for the first 19 games.

### Play Tech, D-E

The G-men played W. Va. Tech Feb. 6, W. Va. State Feb. 8, and Davis & Elkins Feb. 9, however the results of these games were not available when the MERCURY went to press. In the first contests Tech routed the G-men at Montgomery, State eased by the Byrd-men by one point at Institute, and D&E fell to the Pioneers by four points at Glenville.

The final three rounds of the tournament will be held in the Civic Center at Charleston. The first round will pit the place team of each division against the last team in that division, and the second against the next to last, etc. The eight winners will then advance to Charleston for the remainder of the Tournament.

The other four finalists will be a court for the queen and their pictures as top winners will be carried when the Campus Cover Girl story appears.

Pictures of candidates will appear in Roto Magazine on March 27 and judges will meet the following week to select the finalist.

### GSC Gets Birthday

(Continued from Page 1)

Ground will probably be broken for the building in July.

Began in 1872

Glenville State College was 'born' seven years after the Civil War on Feb. 19, 1872. It was at this time that a bill was passed in the W. Va. Legislature providing for the establishment of a Normal School at Glenville under the provision that citizens of Gilmer County would furnish a building without state aid.

Citizens readily agreed and on Jan. 14, 1873, the Glenville State Normal School was formally opened in the old courthouse building with prayer and the reading of scripture.

Those present at the opening exercise were the faculty; T. M. Marshall, acting principal; Miss Gay Penn, assistant principal and three instructors. A number of students ranging in ages from 12-30 were also present. Enrollment for the first year was 120.

In 1885 the legislature appropriated \$5,000 which was used to build Section B of the present Administration Building. In March 1893, \$21,000 more was appropriated by the legislature to build an additional building within 15 feet of the first building. In 1897, a tower clock was built between the two buildings.

The stages of development through which Glenville State College has passed are Glenville Branch of the West Virginia State Normal School, 1873-1898; Glenville State Normal School, 1898-1930; Glenville State Teachers College, 1930-1943; Glenville State College, 1943-.

dividual high for a G-man this year.

Larry Gandee gave Eberbaugh able assistance as he connected for 20 points. Bob Lambert garnered 16, Tom Burns added 14 and ailing Tim Carney who has seen little action recently weighed in with 10 points. Vern Hurt had a fine night for Beckley with 30 points and Bob Morris hit for 21.

On the following night the Pioneers used a blanced scoring attack to down the Mountain Lions of Concord. Only seven Pioneers broke the scoring ice but six of these were in double figures. Larry Gandee was top man with 24 markers followed by Charlie Watt with 19, Mike Ederbaugh 18, Fred Smith 14, Tom Burns 12 and Bob Lambert canned 11. Bob Musser and John Porterfield, an ex-Pioneer, led Concord with 20 apiece.

### Wesleyan Game

On Feb. 3, Glenville tangled with the undefeated Bobcats of West Virginia Wesleyan. The G-men out goalied the Bobcats 30-25 but Wesleyan rammed home a red hot 33 of 38 foul shots to a cold 12 of 33 for Glenville to give the Bobcats an 83-72 victory. The Wave played the Bobcats even for the first ten minutes but began to slip near the end of the first half and Wesleyan ran up a 42-32 half-time lead.

Wesleyan led throughout the second half — their biggest lead being 15 points and their smallest being seven. Center Bob Lambert gave away seven inches to his opponent 6'10" Ken Remley, who leads the nations small colleges in rebounding. Lambert was still able to haul 12 rebounds off the board.

Larry Gandee with 17, and Charlie Watt and Mike Eberbaugh with 12 apiece led the G-man scoring. Russ Shepherd hit five beautiful set shots from the outside to account for ten points. Jim McDonald, who leads the nations small colleges in scoring, collected 31 points despite a cut above the right eye, which he received shortly before the end of the first half.
