Construction on New Dorm Begins in July

Architect's View of New Dorm

Building Will House 208 Women Students

Ground will probably be broken late in July for Glenville State College's most modern building, a four-story, L-shaped dormitory to house a maximum of 208 women students. Dr. Harry B. Heflin stated that if work goes according to schedule the new dormitory should be completed by September, 1961.

Dr. Heflin indicated that workers will probably start dismantling the large two-story house on the lot at 208 N. Court Street early in June. This house is known as the Robert's house and is located adjacent to the Home Management House. Site of the new dormitory is directly behind the HMH.

The new building will be 40 by 300 feet running down the one lot and covering the backs of the two lots now owned by the college. One lot was purchased from the C. M. Bennett estate, the other from Mrs. James L. Bell. The new dormitory will have a sufficient foundation which will allow for building two additional stories when funds are available.

Morrison Wins Presidency

By Mary Vaughan

Michael D. Morrison, junior English and social studies student, was elected president of the Glenville State College Student Council for the coming year in a recent election held in the Student Union.

Other officers elected to represent the student body in the Student Council were Tim Carney, vice president; Carolyn Doston, secretary; Clyde Scott, treasurer; Jack Sears, sergeant-at-arms.

A record of 78 per cent turnout of the GSC enrollment was established at this year's election. This figure much exceeds last year's turnout of 78 per cent.

Senior class led the number of students voting with 98 per cent of the class voting. Juniors had 76 per cent turnout, the freshmen class had 73 per cent and the sophomore class had 71 per cent voting.

Morrison, an English and social studies student, is the 21-year old son of Mr. and Mrs. W. E. Morrison of Burnsville. He is prime minister of the Political Science Club. Last year, he served as speaker of the house in Political Science Club.

Following his election, Morrison made this statement, "I am very grateful for the large turnout. I feel that this is a true expression of democracy at work. I have always felt that democracy can only function properly when the majority of the people express educated opinions and put them into action. I am grateful to the many people who helped make my victory possible. During the coming year, I will do my best to serve the students of Glenville College to the best of my ability."

Tim Carney who was elected vice president had this to say following the election, "I'd like to thank everyone who has supported me and I will do the job to the best of my ability."

Newly-elected secretary is Carolyn Doston. She is a member of the Xi Beta Tau sorority and drum major of the GSC band. Her field of study is home economics.

Clyde Scott, a sophomore from Lewisburg, was elected treasurer.

He is a business student and a member of the Alpha Delta Epsilon and Wesley Foundation. Sergeant-at-arms for the coming year is Jack Sears, an English student from Gassaway. Sears is an active member of the IRC-PSC club.

Former Gov. Speaks

A former governor of West Virginia, Homer A. "Rocky" Holt, will address the GSC student body at a special assembly, Tuesday, May 3.

Prior to becoming governor from 1937-1941, Mr. Holt was Attorney General. At the present time he is practicing law in Charleston and is the state's foremost constitutional lawyer. Mr. Holt is also chairman of the committee for revising the West Virginia constitution.

He will speak informally to the students on revising the West Virginia constitution and the work of the committee.

The IRC-PSC club will sponsor his special assembly. Students will be excused from classes to attend the assembly.

Trussler Directs GSC's Senior Day

GSC's Annual Senior Day will welcome more than 600 high school seniors and their sponsors to the campus tomorrow to participate in the college's 13th program of this type, according to Registrar Brown Trussler, over all director of the event.

Twenty-seven central W. Va. high schools have been invited to attend the conference, and approximately 600 students have indicated their intent to attend tomorrow, according to Mr. Trussler.

The Senior Day activities began in 1948 when former Registrar Michael Posey introduced the program.

Tomorrow's Senior Day Program will open with a general assembly in the college auditorium at 10 a.m. Musical selections will be played by Martha Lee Hall while students are gathering in the auditorium. The program will officially be open by Registrar Trussler.

Dr. Heflin Gives Welcome

President Harry B. Heflin will present the welcoming address. Announcements will be made, and guides will be introduced to direct the students on campus tours and class visitations. The introduction of the administrative college personnel will also be conducted at this time.

Various activities have been scheduled for the entertainment. The

Annual Art Show Will Be May 15

The second annual Glenville State College Art Exhibit and Sale, sponsored by the Palette and Brush Club, will be held Sunday, May 15, on Verona Mapel lawn from 1:00 to 5:00 p.m. In case of inclement weather, arrangements have been made to hold the show in Louis Bennett Lounge.

Cash prizes and merchandise offered by area business establishments and "backers of the show" will be awarded to entries in each category. Four categories are oil paintings; water color paintings including inks, pastels, pencil, charcoal; ceramics; and crafts including weaving, sculpture and mosaic tables.

All Over 16 May Enter

Anyone over 16 years of age may enter and students and local people are encouraged to submit entries. Ten entries are permitted for the complete exhibit. One dollar entry fee is charged and there will be a 15 per cent of the sale charged by the Palette and Brush Club.

Deadline for registration of entries will be May 7 and entry blanks

Rev. Overstreet Is Baccalaureate Speaker

The Reverend Walter S. Overstreet, pastor of the Central Methodist Church at Charleston, will deliver the Glenville State College Baccalaureate sermon at 10:30 a.m. Sunday, May 22, announces Dr. Harry B. Heflin.

Rev. Overstreet, a native of Roanoke, Va., attended Emory and Henry University and obtained an A.B. Degree from Morris Harvey College. He also holds a Doctor of Divinity (honorary) Degree from West Virginia Wesleyan College. He has done graduate work at Emory University.

In 1935 Rev. Overstreet was ordained deacon and in 1937 he was ordained Elder. He has served as Executive Secretary of the Conference Board of Education for 13 years and was District Superintendent, Central District.

For seven years Rev. Overstreet served as Trustee of West Virginia Wesleyan College and is presently serving as Trustee of Morristown College, Morristown, Tenn. He has served on practically all of the larger boards and agencies of the West

LARRY GANDEE goes up for a lay-up shot in the tense moments of the Glenville State — Fairmont State tourney contest played here Feb. 15. Pioneers won in a double overtime 96-95. Gandee made a clutch free throw in the final 10 seconds of the second overtime to enable the White Wave to gain the one-point margin.

LEWIS D. SNYDER, senior art and social studies student, is shown above with some of his comprehensive art work displayed recently in the Art Gallery. Snyder has received an assistantship at Ohio University and plans to do work there this fall toward a Master of Fine Arts Degree.

JAPANESE LADIES awaited the arrival of guests at their winter home with 82 other residents of Verona Mapel Hall for the annual open house held, Feb. 16. Freshman women, dressed in Japanese costumes, served as guides. Kneeling are Mary Margie Kramer and Ann Chisler. Standing is Mary Helen Swisher.

1960 GSC BASEBALL SQUAD — Pictured above front row: Glen Proctor, Mike Hopkins, Noel Blankenship, Fred Smith, Tim Carney, Bill Camp, John Napolitano. Second row: Walt Cheslick, Bud Minner, Junior Wilson, Bob Nutter, Russ Shepherd. Third row, Walt Shupe, Jim Stalnaker, Larry Nichols, Dean Barker, and Bill Young.

Sophomores Take Tournament Final From Junior Class in Close Contest

The sophomores came from behind to defeat the juniors 66-59 in the finals of the class tournament sponsored by the Holy Roller Court. The juniors had held a slight 35-33 lead at halftime; however the sophomores came roaring back behind guard Tim Carney, who was high scorer of the game with 18 points, to win going away.

Terry Dutton followed Carney in the sophomore scoring with 12 points. Russ Shepherd paced the losing juniors with 17 points followed by Tom Burns, George Bailey, and Brent Minor with 11 tallies each.

The sophomores won the game despite the absence of their top rebounder Bob Lambert, who missed the game because of the death of his father. The champion sophomore squad consisted of Carney, Dutton, Lambert, Donnie Hughes, Jim Stalnaker, Larry Gandee, Bill Young, Fred Smith, and Ed Grose.

The freshmen poured it on in the second half after being held to a 20-20 tie at halftime, to down the seniors 57-36 in the consolation game for third place. Richard Bick-

el led the winners in scoring with 17 points. For the undermanned seniors Charlie Watt threw in 17 and Gene Lilly got 10.

In the first round of the tournament the sophomores downed the seniors 57-45 to get into the final game opposite the juniors who eased by the freshmen 56-52.

Tim Carney and Larry Gandee with 14 each led the sophomores in their first round victory. Charlie Watt poured 18 through the hoops in a losing cause for the seniors.

Russ Shepherd paced the juniors in their win over the freshmen with 16 points. Mike Eberbaugh with the highest individual game score in the tournament, topped the freshmen with 20 markers.

Top scorers for the tournament were Charlie Watt of the seniors with 17.5 average, Russ Shepherd, junior 16.5 average and Tim Carney sophomore with a 16 point average.

Annual Art Show (Continued from Page 1)

may be obtained from the art department anytime before May 7.

Two judges will be selected for the event. West Virginia Wesleyan, Morris Harvey and Marietta art department have been contacted for judges, but no replies had been received when the MERCURY went to press.

Mr. John R. Cooley, assistant professor of art, is the adviser of the Palette and Brush Club.

Odd Balls Defeat Locals in Tourney

The Odd Balls defeated the Locals 37-31 in the final game of the double elimination tournament to take the MAA basketball Championship. The contest was a rough-and-tumble affair with tempers on both teams flaring several times toward the end of the game.

The score stood 7-7 at end of the first quarter. The Locals managed to pull out to a one point 16-15 advantage at halftime. The Odd Balls fought back to take a 25-23 lead at the end of the third heat. In the stretch run the Odd Balls opened their lead to the winning 6-point margin.

The rebounding was as close as the score with the Locals out rebounding the Odd Balls 20-19. The Odd Balls made a good 45 per cent of their shots compared to 38 per cent for the Locals.

Gene Lilly paced the winners with 11 points. Lilly was followed in the Odd Ball scoring by Bill Young with 8 tallies. Bob Rhodes topped the losers with 8, followed closely by Donnie Hughes with 7 points. Hughes was the top individual rebounder with 5. The Odd Balls had four men with four rebounds apiece and the Locals had three with four each.

The MAA athletes will turn their attention to softball as soon as the weather gives them a break. There seems to be much interest in the softball league this year as several teams are reported already forming. Some of the teams who will enter are: The Odd Balls, The GMO Club, The Holy Roller Court and The Golden Greeks.

One man that has a mind and knows it, can always beat ten men who haven't and don't. —Shaw

A man must have a certain amount of intelligent ignorance to get anywhere. —Charles F. Kettering

Baseball Nine Collects Two Victories From W. Va. Wesleyan, Davis-Elkins

By Bob Oliver

The Glenville Pioneers opened the 1960 baseball season on a winning note as they downed the W. Va. Wesleyan Bobcats 6-5, in a game played at Buckhannon. Glenville took the lead at 2-1 in the second inning and was never headed. Wesleyan tried to pull the game out of the fire in the last of the ninth but their two-run rally fell one short and the Pioneers had victory number one in the bag.

In the hitting department the G-men were paced by Dean Barker with two singles in two at bats, Bill Young with a home run and a single in four trips to the plate, and John Napolitano who had two doubles in four tries. Napolitano batted home a run with each double to top the Wave in RBI's with two. Larry Nichols knocked home what proved to be the winning run in the top of the ninth as he singled home Barker who had gotten aboard on a single.

Shepherd Gets Victory

Russ Shepherd started on the hill for the Pioneers and picked up the victory although he needed relief help from Jim Stalnaker in the last of the ninth. Shepherd struck out 8 and walked 3 in his 8 1/3 innings on the mound. The G-men played loose ball in the field committing 5 errors allowing two unearned runs.

Shepherd began to tire in the ninth and with the score 6-4, the bases loaded, and one man out, Coach Ratliff went to his bull pen and Stalnaker got the call. Stalnaker was greeted with a run scoring single which made the score 6-5 with the winning runs in scoring position. However Stalnaker was equal to the situation as he bore down and got Wesleyan's Catcher Jim McDonald to hit into a game-ending double play. The twin killing was the third pulled by the G-men during the game.

D & E Game

Glenville opened its home baseball season on an overcast rainy afternoon, April 21, but even the weather could not deter the G-men as they came from behind to down the Davis and Elkins Senators 6-5. The highlight of the game was a three-run home run in the bottom of the ninth, hit by Bill Young, Pioneer Catcher. The blow came with the White Wave trailing by a 5-3 margin.

Glenville was held to only five hits, but they made the most of them to score six runs. Bill Young was 2 for 4 including his home-run. Bud Minner had two singles in four trips and Noel Blankenship was 1 for 3 to account for all the Pioneer hits. Blankenship's hit was a long triple in the second inning which led to the first Pioneer run. Stalnaker Wins

Jim Stalnaker hurled all the way for the White Wave to pick up his first victory. Stalnaker fanned 7,

walked 2 and was touched for 9 hits, which he kept well scattered. Three of the runs off Stalnaker were unearned.

Going into the fateful ninth inning the outlook for the Pioneers was gloomy to say the least. They had gotten only three hits in the first eight frames and were trailing 5-3 as the rain was beginning to come down in earnest. However the G-men came out fighting as Bud Minner got his second single. Larry Nichols batting for Stalnaker was safe on the second basemen's error and the tying runs were on.

Glen Proctor then sacrificed for the first out and Junior Wilson popped up for the second out. Bill Young walked to the plate, took a couple of pitches and then lined a shot over the left field wall to provide the G-men with their victory margin.

The Pioneer's record was two won and none lost as they tangled with the Fairmont Falcons at Glenville the past Saturday; however the results of this game was not available when the MERCURY went to press. The remaining schedule follows excluding a game with A-B and one with Fairmont which were rained out and postponed to later in the season.

Home Ec., Science Students Attend State Meetings

Glenville State College home economics and science students will be off campus this weekend to attend state meetings of their respective divisions.

Home economics women and their advisers will be at Jackson's Mill to attend the West Virginia Home Economics meeting. Gail Ratliff is president of the campus Phi Delta Phi club.

Science students will go to Concord College to attend the annual West Virginia Academy of Science meeting. Scientists from throughout the state will gather to hear technical reports and papers and plan the 1960-61 agenda.

Dr. Frank Drake of the National Radio Astronomy Observatory at Greenbank will be the guest speaker for the April 29 Academy dinner.

Iranian Student Faramarz Houshmand Will Continue His Education at CSC

By Janet Hall

You think you have problems? At least you are not among 600 strangers who do not speak your language. This is the problem of Faramarz Houshmand, student from Iran. When Fara arrived at Glenville State College April 7, he could speak only a few words of English. When this reporter interviewed him with the help of Brent Minor (who is serving as a voluntary guide) he knew several English words and phrases. Brent says that Fara is learning to speak English very fast.

Brother Attends Am. College

Fara's education in the United States is being financed by his father, a colonel in the Iranian Army. The Persian-speaking student has never been in the United States before but has a brother who is a student at Midwestern University, Wichita Falls, Texas. Fara flew from his home in Teheran, Iran, to New York City by jet plan and same to Glenville by bus.

Will Enroll in June

On June 1 he will formally enroll at GSC, but at present he is learning to speak English through the aid of helpful students and Mr. Charles D. Paterson who is tutoring him. He is spending much of his time in the Student Union listening to students' pronouncements of English.

While in the Union he has become acquainted with rock-and-roll music. He says he likes this type of music and his favorite is "Step by Step". He purchased a recording of the song in Moundsville where he spent Easter vacation as guest of Brent Minor and his family. There he went shopping, visited the historical mound, played basketball, and took several drives through parts of West Virginia and Ohio.

Likes Sports

Fara finds sports in West Virginia an interesting past time. He especially enjoys tennis and swimming. Although there were no extra-curricular activities where he

attended Rahnama secondary school in Teheran, he had played some basketball.

Fara furnished some helpful and interesting information about his country and his people. He wrote: "The Iranians are of a dark complexion; they have black eyes and black hair. They belong to the Aryan race. The Iranians are a good people. For centuries, Iranians have suffered through the massacres of Arabs and barbarians."

A sad part of our history says:

'They came, killed, burnt, pillaged, and had gone.'

The Iranians are one of the oldest races on the face of the earth. Their history dates back to four thousand years B.C. They had been ruling all their contemporaries from Black Sea to the Indian Ocean and mountain of Tibet to the coasts of the Red Sea. They are honest and well meaning people.

The Iranian women, however are deprived of some condition of liberty, but they are extremely intelligent, civilized and highly respected.

People of our country talk very intimately about America. They think you are the best in the world."

When Fara was asked if he liked GSC he nodded his head enthusiastically and said "very much". As a pre-engineering student, he will probably attend school here for two years and then transfer to a large university.

Fara is only the first of approximately 20 Iranian students who will begin studying at GSC in June and September, according to Registrar Brown Trussler. These students all plan to study the English language and receive a liberal arts degree.

Building Will House

(Continued from Page 1)

Features Listed

Each room in the new dormitory will contain two beds; desk; two chairs; chest of drawers; a lounge chair; table; built-in book-cases, six feet by eight inches with adjustable shelves; and walk-in-closets. Other features of the building will include an elevator, a recreation room and lounge on the first floor, a laundry room on each floor except first, and a sun deck. Kitchenette will be located on third floor. Individual mail boxes will be available and will be operated by room key. Telephones will be located on each floor and there will be a communication system to each room. Cold-water fountains will be installed on each floor and venetian shades will be used on the double-hung aluminum windows.

Living Quarters for HM

Complete living quarters for one house mother will be on the first floor. On each of the other floors will be one room with private bath for additional supervisory personnel.

The State Legislature has appropriated \$450,000 as a budget for the dormitory; this amount for building and moveable equipment. In addition to this amount, the Federal Government has approved a loan for \$415,000 to cover purchase of land and construction. The \$450,000 in state money will come from the registration reserve set up by the Legislature at the 1959 session. Each student now pays a registration fee of \$50 each semester, two-thirds of which goes into a general capital improvement fund.

West Virginia Tech will also share in the fund this year.

The architectural firm of Griefe and Daley prepared the working drawings for the building.
