The Cap and Gown Tradition

NEXT FRIDAY 140 students will be graduated from Glenville State College clothed in the traditional cap and gown dress. The history of the academic dress reaches far back into the early days of the oldest universities. A statute of 1321 required that all "Doctors, Licentiate, and Bachelors" of the University of Coimbra wear gowns.

IN ENGLAND, in the second half of the 14th century, the statutes of certain colleges forbade "excess in apparel" and prescribed the wearing of a long gown. It is still a controversial question whether academic dress finds its sources chiefly in ecclesiastical or in civilian dress. Gowns may have been counted necessary for warmth in the unheated buildings frequented by medieval scholars.

WHEN AMERICAN COLLEGES and universities desired to adopt a system of academic apparel a half century ago, it seemed best to agree on some definite system which all might follow. A conference of representatives of the governing boards of various interested institutions met at Columbia University in 1895. From that meeting came the suggestion of "a By-Law, Regulation, or Statute" for the establishment of a suitable code of academic dress.

IN 1902, 1932 AND AGAIN IN 1959 the code of academic costumes was revised. This code is followed in nearly every instance of the many hundreds of colleges and universities of the United States.

ACCORDING TO THE 1959 academic costume code the bachelor and master's degrees gowns are black with no trimming. (Continued on Page 4)

GSC Pioneers Lose Close Contests To Salem, Tech Bears, Concord Lions

Salem Game

On May 3, the Glenville Pioneers went down to their second defeat of the season as they dropped a 3-1 decision to the Salem Tigers in a Contest played at Salem. The G-men played good defensive ball making only one error, and got tight pitching from Dean Barker.

The Pioneers scored their only run in the first inning as Junior Wilson was safe on an error; Larry Nichols drew a free pass after which Noel Blankenship singled to send Wilson romping home with the Pioneers lone run. Barker allowed one run in the second and two in the third before shutting the door on the Tigers; however the damage was already done as the G-men could do nothing with Salem hurler Ron Whitt after the first inning.

Barker walked no one and struck out four in a performance that normally would be good enough to win. The loss was Barker's second of the season. Blankenship topped the Pioneers in hitting with two singles and one run batted in, in four times at bat. All together the White Wave could muster only six hits, all of which were singles.

Tech Game

W. Va. Tech scored one run in the bottom of the ninth to squeeze out a 6-5 victory over the visiting Glenville Pioneers on May 6. Glenville had rallied for two runs in the top of the ninth to tie the score at 5-5. The losing Pitcher was Dean Barker who relieved starter Russ Shepherd in the sixth inning. Barker hurled good relief ball until the ninth when his control completely deserted him as he walked three men and hit another to force home the winning run.

The Pioneers jumped off fast in the opening frame as Bill Young hit his third home run of the season with two men on base to give the G-men a 3-0 lead. However Tech came back with two in the fifth and three in the sixth to take the lead which they held until the ninth.

Junior Wilson and Bill Young walked to open the ninth and Larry Nichols singled to load the bases. Noel Blankenship then doubled home Wilson and Young to tie the score and the situation looked good for the Pioneers as they had runners on second and third with no one out. However the White Wave could not get the big blow that could have broken the game wide open as both runners were left stranded.

Bud Minner with three for five included a double and John Napolitano with two for four led the

Wave in hitting.

Concord Game

On May 7, the Pioneers had their losing streak extended to three as they lost a 10-9 slugfest to the Concord Mountain Lions. The G-men had whitewashed the Lions earlier in the season 4-0 with Jim Stalnaker getting the shutout. This time Stalnaker did not fare so well as he was knocked from the box in an eight-run second inning when Concord sent twelve men to bat. Dean Barker reliever Stalnaker and held the Lions to two runs the remainder of the game. The loss was Stalnaker's first against two victories.

Glenville picked up a lone run in the fourth and added two more in the fifth on Bill Young's fourth homer with one man on base to make the score 8-3. Bud Minner cut one more run off the lead with a solo homerun in the top of the sixth; however the Mountain Lions bounced right back with two in the bottom of the frame to open a 10-4 lead.

The never-say-die Pioneers came roaring right back in the top of the seventh when Larry Nichols doubled with the bases loaded to drive home two runs and after Bud Minner had walked to re-load the sacks Tim Carney walked to force home the third tally of the rally and close the gap to 10-7.

The G-men staged their last ditch rally in the top of the eighth as Larry Proctor and Junior Wilson singled and Bill Young doubled Proctor home. Wilson scored the Waves final run as Nichols grounded out to the second baseman. The Pioneers never threatened again, and the final score stood 10-9.

Young Leads Hitting

Bill Young was top man with the hickory musket for the Wave with a home run, double, single, and three runs batted in, in five tries. Larry Proctor and Junior Wilson followed Young with two singles in four trips.

The Pioneer's record stood four won, four lost as they tangled with W. Va. State the past Friday.

After eight games the leading Pioneer hitters are as follows:

NAME	AB	R	H	AVG.
Fred Smith	9	0	3	.333
Bill Young	31	10	10	.323
Noel Blankenship	28	4	9	.321
Larry Nichols	22	4	7	.318
John Napolitano	16	1	5	.313
Larry Proctor	20	5	6	.300

The Cap and Gown

(Continued from Page 2)

For the doctor's degree, the gown is faced down the front with black velvet and three bars of the same across the sleeves. For all academic purposes, including trimmings of doctor's gowns, and tassels of caps, colors are associated with different subjects such as arts letters and humanities, white; agriculture, maize; education, light blue; music, pink.

CODE FURTHER recommended that institutions require graduates to wear dark colored shoes. Flowers and decorative jewelry should not be worn on the academic gown.

GLENVILLE STATE COLLEGE has adopted the practice, during commencement exercises, of requiring candidates for degrees to wear the tassels on the right front side before degrees are conferred and to shift them to the left as a group after President Heflin confers the degrees.

WITH THE TOSS of the tassels on May 27, 140 students clothed in the traditional academic costume will become alumni of Glenville State College with the class of 1960.
