Tradition Lost, Nothing Gained

AT APPROXIMATELY 7:00 p.m. on Wednesday, October. 28, Glenville State College students were schocked out of their optimism by this announcement over the public address system: NOW HEAR THIS! FRESHMAN RULES HAVE BEEN ABOLISHED! GSC students heard this announcement with a mixture of feelings, but for the most part, they were feelings of disbelief and indignation.

IT DOES SEEM that when we look back upon these first few weeks of school this fall, confusion and misunderstanding have reigned. We sincerely hope that the rest of the year runs more smoothly with fewer trampled feelings and unhappy people.

THE RECENT ACTION taken by the Student Council on the abolishment of Freshman Rules has had a strange effect upon all of us. We feel that we can speak for a large majority of the student body when we say to the Freshman Class that we are sorry you have been robbed of one of the most precious traditions of college life. However, at the same time, we must realize that some action had to be taken, and our Student Council did what it felt it must do when the rules had gotten out of hand.

IT IS ALWAYS NECESSARY to look at both sides of a situation. The administration at Glenville State College is under the direction of the West Virginia State Board of Education and must abide by their laws. Two years ago, the Board of Education passed a law concerning hazing in state-supported schools including the following statement: "... hazing in any form is prohibited in the colleges under the jurisdiction of the West Virginia Board of Education. The term *hazing*, as here used, may be defined as follows: To subject to cruel horseplay; to harass or punish by the imposition of excessively heavy or disagreeable tasks; to play abusive tricks upon an individual."

THIS LAW, as are many new laws, is rather difficult to interpret. (Continued on Page 4)

Football Time Will Be 2 P.M.

The Glenville State White Wave will clash with the Davis and Elkins Senators Oct. 8, in the 27th annual Homecoming game; game will start at 2:00 p.m. at Rohrbough Stadium. Pioneers have a string of four victories in homecoming games and will try to make the Senators victim number five. D&E has twice been the victim in the Pioneer four-year string, losing 33-6 in 1956 and 30-7 in 1958.

Last year Glenville took the measure of the Senators 17-0 in a contest played at Elkins. This year the G-men are much improved over last year's squad. There is enough depth and talent on hand for Coach Murin to use the two-plate system. By alternating two units, Murin can keep his men at full strength the whole game.

In the first two games of the season, both of which the G-men won, Junior Wilson and Ellsworth Buck have led the offense. Wilson has picked up 156 yards on 18 carries for an 8.7 average. He has also caught a pass for 14 yards and scored two touchdowns. His running mate at halfback, Ellsworth Buck has collected 144 yards on 26 rushes for a 5.5 average. Buck has also caught a pass for 71 yards and racked up two touchdowns.

Line Proves Strong

The offensive line led by John Chipps, Glen Martin, Gale Hammett, Vinsen Post, and Pete Spencer has repeatedly torn gaping holes in enemy lines. The defensive line has been nothing short of spectacular. Led by Bill Shinn, Mike Webb, and Jim Dotson, the line held Potomac State to 38 yards rushing and one first down the entire game. Veteran linebackers Paul Skidmore and Benny Lepley also have played outstanding ball in the first two contests.

In both games the Pioneers have played together as a unit, forsaking personal glory for the good of the team. If the G-men continue to play this type of ball the remainder of the season, they will definitely be in contention for the championship.

The G-men traveled to Concord last Saturday but the results of the game were not available when the MERCURY went to press.

Glenville Stops Potomac, W-L In Initial Clashes

The Glenville Pioneers racked up their second victory of the season by defeating old Nemesis Potomac State 20-13 at Rohrbough Field, Sept. 24. The Pioneers reaped revenge for the tie that the Catamounts inflicted upon the undefeated Pioneers of 1958 and the 7-6 loss last year. The score does not tell the true story of the game as Glenville completely dominated the statistics in every department.

Potomac received the opening kick-off but could not move the ball and attempted to punt but a host of Pioneers came swarming through to smother the punt and the G-men had the ball on the

Potomac 25. On the first play the Pioneers fumbled and Potomac recovered as Glenville missed its first scoring opportunity.

Later in the first quarter the White Wave drove to the Catamount three-yard line only to lose the ball on downs. Potomac took over and kicked out of danger, but Junior Wilson took the kick on the 45 and returned it all the way to paydirt only to see it called back because of a clipping penalty.

Lightning struck fast in the second quarter as Quarterback Louie Nocida faded back on the first play of the period and hit Ellsworth Buck with a pass and Buck carried the mail the rest of the way to complete a 71-yard touchdown pass. Dean Barker kicked the extra point and Glenville was up 7-0.

On the following kick-off Catamount halfback Maurice Tenny eluded Pioneer after Pioneer as he returned the ball 74 yards to the Glenville 13-yard line before Pioneer end Bob Summers caught him from behind. Two plays later Robert Dietz threw 16 yards to Mike Melody for the TD. The extra point try was no good and the score stood 7-6 for the G-men at halftime.

In the third stanza Glenville received the kickoff and Ed Drake returned to the 45. The Pioneers steadily marched downfield to the Potomac 14-yard line. At this point Nocida was shaken up and defensive back Dean Barker replaced him at quarterback for one play. Barker

used the one play to good advantage as he threw a 44-yard scoring pass to Junior Wilson. Barker then kicked the extra point and at the third pole Glenville led 14-6.

Potomac Cuts Lead

In the fourth quarter Potomac intercepted a Nocida pass on the Pioneer 25-yard line. They drove to the 14 before Mike Melody tossed 14 yards to John Fahey for the score. After Robert Farr kicked the extra point Glenville's lead was cut to a slim 14-13 margin.

On the second play after Glenville received the kickoff Junior Wilson sliced off tackle, cut to the outside and raced 60 yards to the Potomac two. Paul Skidmore plunged for the touchdown. Barker's try for the point after failed and the score stood 20-13 at the final gun.

Junior Wilson was the top ground gainer for Glenville with 99 yards in ten rushes. Phil Clark was next with 73 yards in 15 attempts. Glenville dominated the statistics with 12 first downs to Potomac's one. In total yardage Glenville led 317 to 76.

West Liberty Fails First

The White Wave opened the 1960 football campaign on a winning note as they downed the West Liberty Hilltoppers 19-13. The game was played in a steady rain at West Liberty and rain and mud hampered both teams as there were ten fumbles in the game, eight of which were credited to the Hilltoppers.

The weather completely stopped Glenville's passing attack as they threw only twice with no completions. The burden on the attack fell upon the runners and they responded beautifully with Halfback Junior Wilson going 30 yards on a touchdown jaunt and his running (Continued on Page 4)

C. Watt Receives Montrose Honors

At a recent meeting of the Montrose Award Committee, Charles Watt, 1960 graduate of Glenville State, was chosen to receive the Montrose Award. President Harry B. Heflin will present the award at halftime of the Homecoming game.

Charles Watt as chosen because of his outstanding merits in the five areas considered by the committee. First of all, the recipient must be an athlete, having lettered in one or more varsity sport at Glenville. Watt lettered in basketball for four years, being captain of the team his senior year.

Also under consideration was his scholarship, his moral character, his leadership abilities and his service and contributions to Glenville State College. Watt was a member of the Student Council, president of the senior class, president of the G-Club, and a member of Kappa Sigma Kappa.

The Frank Montrose Memorial Award was established in 1952 by the Student Council in honor of the late Frank Montrose. Montrose attended Glenville only one year, 1939. In the spring of 1940 before final examinations, Montrose went blind and died shortly after in June. It was learned that he was afflicted with nephritis. In his one year here, Montrose established himself as one of Glenville's all-time great athletes.

mate Ellsworth Buck racking up a 45-yard scoring run. Quarterback Louie Nocida capped the Pioneer scoring with a 20-yard burst in the final quarter.

Gene Alkire handled the Pioneer kicking until he was injured in the fourth quarter. He connected on one of two extra points and punted seven times for a 30.7. Defensive halfback Dean Barker took over the kicking and missed his only extra point attempt and punted once for 35 yards.

Leading the G-men ground attack was Buck with 95 yards on 14 carries and Wilson with 57 yards on 8 attempts. The Hilltoppers led in first downs 11-8 and total yardage 201 to 198. West Liberty fumbled eight times and the Pioneers recovered three of the fumbles. Glenville fumbled twice and lost one of them. The G-men showed amazing ability to hold on to the football in the rain and mud.

Coach Nick Murin used the two-platoon system as he sent entirely different units on offense and defense. The offense being well rested came on strong in the second half to score all of the Pioneer touchdowns after being shut out in the first half. The G-men showed that they are a dangerous team with the speed and ability to explode from any point on the field in any weather conditions.

The public must and will be served.

pret. You ask, "Just what is hazing?" We feel that some specific examples should be set forth to guide us in answering this question.

WHAT HAS HAPPENED here is serious and although time cannot be turned back, and the wrong "righted", we still have next year to look forward to. I think none of us who are concerned with the status of GSC wish to see this mistake repeated.

IN DISCUSSING THIS PROBLEM and others that may arise during the year, your editor would like to be able to speak for you in our editorial column. However, we find that we sometimes do not know how to speak best, how to accomplish the most, or how to accomplish anything.

THERE ARE TIMES WHEN YOU ASK US to pass judgment on student grievances, "to sound off" when you are unhappy about campus changes. The editor can not represent all of you without keeping herself informed. The task of representing 677 full-time students is not an easy task and neither is it always easy to keep informed in regard to campus life.

WE SHALL DO ALL WE CAN to clear up this misunderstanding; Freshman Rules have been abolished for this year only. This is the action of this year's Student Council and has no effect upon forthcoming years at GSC.

—Janet Hall

Letter to the Editor

Dear Editor:

As a senior at Glenville State College I cannot help but be saddened—and angered—by the recent ruling concerning Freshman Rules. These rules have always been an integral part of life on our campus and "things just won't be the same" without them. If there are no Freshman Rules, I am glad I won't be here next September to witness the arrival of the freshman.

Can't you just picture it all—no body speaking to anybody else, freshman all over the lawns, no blue beanies, no cheers for the football team, no songs on the Union steps. Yes, Glenville could be a sad place every September from now on.

Freshman rules forced newcomers to be friendly to upperclassmen and we returned the friendliness. After a few weeks of having to speak to everyone, it just became a habit.

As for not walking on the grass, this also becomes a habit. Of course, we upperclassmen still walk on the lawn occasionally, but just think how the lawns will look after 200 frosh tramp across them.

I can't help wondering what is going to be done about teaching

incoming freshmen the "Alma Mater" and the College song.

The alumni are certainly in for a surprise when they return for Homecoming. The first disappointment will be the parade. There will be no cute little freshmen girls in short skirts and pigtails and no boys in pajamas. Well, maybe that was silly anyway, but it was part of life here and something we upperclassmen have to remember. . . .

And the Homecoming game. How we'll miss the enthusiasm of the freshmen cheering section. Their school spirit was always contagious and it wasn't long before those of us who thought we had "outgrown" such things were seen cheering madly.

Sincerely,

A Saddened Senior
