The Year In Preview and Review

By Judyth Mayhew

The time is right for a review of some of the outstanding developments that took place during the first semester at GSC and for a look at proposals and plans for the second semester.

LET US FIRST LOOK TO THE FUTURE —

Summer session will not begin before June 11 due to the requirement of the Board of Public Works that all state spending units set aside a three per cent reserve. There will be a full summer session of two terms.

Sketches for a possible expansion of the Student Union and Cafeteria are in the making.

GSC is preparing reports for a visit of the National Council of Accreditation of Teacher Education Institutions in November 1992. The Re-Study of Teacher Education in W. Va. is in progress under the over-all direction of Dr. Somerville.

Dr. Max Ward, chairman of the division of science and mathematics, has been asked to attend the symposium of the Linnean Society in London in April where he will discuss his recent botanical experiments.

Dr. Espy W. Miller, chairman of the division of language, has been invited to attend a "Superior Teachers Conference" in Louisville, Ky., in April. Some 40 teachers will represent the southeastern United States.

Student Council is working on plans to change the library hours from Friday afternoon to Sunday afternoon in the belief that more students will benefit from the Sunday hours.

Council has plans underway for the installation of a glassed-in bulletin board to be used specifically for the posting of college activities.

A student movie program will be sponsored by IOC.

Work on the outdoor amphitheatre will be completed.

Plans for work on the auditorium are indefinite at this time. Advertising for work is set for Feb. 8; bids will be taken on March 13. Board of Education meets on March 15 and 16 to consider bids and if possible to accept bid. Unit B of the Administration Building will have a clause requiring completion by Jan. 22, 1993, or liquidating damages could be collected.

LET US NOW TURN A BACKWARD GLANCE TO THE FIRST SEMESTER—

Early in September the Student Council and representatives of campus organizations met to plan a format for the year.

Student Council brought the Four Freshmen to the campus in November.

Mary Jo Nocida Is GSC Cover Girl

A pleasant personality, warm smile, and friendliness were only a few of the reasons why Mary Jo Nocida won the top place in the Glenville State College Roto Cover Girl Contest.

Miss Nocida, 19-year-old sophomore at GSC, is a physical education and business student. She is the daughter of Mr. and Mrs. Carmelo Nocida of Glenville, and a graduate of Glenville High School.

Miss Nocida has been a cheerleader for the past two years, serving this year as head cheerleader. In the fall of 1990 Miss Nocida served as freshman class attendant to the Glenville State College Homecoming Queen.

Miss Nocida was sponsored in the

4 'Hamlet' Players 'Go Home Again'

One of the most successful plays ever presented at Glenville State College will make its touring debut at the Parkersburg Theater Guild on Friday, Feb. 23 and Saturday, Feb. 24. The play is "Hamlet, Prince of Denmark" written by William Shakespeare.

Four "Hamlet" performers will be appearing before a home audience: James Booth, Hamlet, nephew to the King; Harold Metz, Horatio, friend to Hamlet; Elizabeth Beall, Gertrude, Queen of Denmark; mother to Hamlet; and Marjorie Roth, player Queen. Wayman Johnson is one of the sound operators for the production. All of these students are natives of Parkersburg.

The speech department has taken two other shows on tour. One was "Blithe Spirit," taken to Webster Springs. These shows have so far been successful and it is expected that "Hamlet" will follow their pattern.

The Theater Guild theater holds approximately 125 people, which is almost 50 more than the performers appeared before at any one performance on the Glenville Stage.

"Hamlet" was presented five times on the GSC stage. One of these performances was a matinee for area high school students. All performances were well attended. Among those who saw the production were people from Logan, Parkersburg and Alderson-Broadus College.

Nursery School Meets at HMH

Glenville students and faculty are invited to attend the practice debate tonight and to offer constructive criticism.

In cross-examination style of debating, teams may attack their opponents' arguments through direct questioning, similar to the Kennedy-Nixon debates.

Kingsblood Royal. Sinclair Lewis. New York: Random House, Inc., 1947.

"One thing is obvious: the whole biological and psychological make-up of the Negroes is different from that of white people, especially from us Anglo-Saxons." "It's evident that the niggers . . . don't quite belong to the same human race with you and me and Biddy."

Sinclair Lewis tells the story of Neil Kingsblood who is told by his father that there may be royal blood in their veins. In tracing his line of ancestry, Neil finds that he does have an unusual ancestor — a Negro. There is a law that this makes him a full-blooded Negro, even though he is only 1/32 Negro.

As Neil carries this burden with him, he becomes overly conscious of the abuses of the Negroes. He finally decides that he must reveal his secret and stand for his rights as a colored person. His family hates him, his wife is disinherited by her father, and after losing his job, Neil can find no other work.

The trials and tribulations of a colored person, even when he is pale and has red hair and freckles, are shockingly shown by Sinclair Lewis. And the shocking effect is heightened by the fact that the story is set in a northern city.

Films shown include "Nights of Caberia," Italian; "Sawdust and Tinsel" or "The Naked City," Norwegian; "The 41st," Russian; and "Outcast of the Islands," English.

Society members can expect to see a sixth film (bonus) in the near future.

7 'Hamlet' Players Will Graduate; Linda Lambiotte Plays Varied Roles

Six "Hamlet" cast and crew members will be graduated in May, and one, Harold Metz, will leave at the end of the term. Metz started his drama career here auspiciously winning the 1961 Best Acting Debut trophy for the role of Mr. Bonaparte in "Golden Boy." He also played Rob in "Beyond the Horizon," a headsmen in "Oedipus Rex," and the singing lead in "Saturday Night." Metz has also been busy on sound, lights, and other crew work.

In the group of May seniors are two "old timers," Patricia Horner and James Buck, who have seniority over the others. Miss Horner began with a role in "Uncle Vanya," the only Chekhov production. She has been a regular ever since in every aspect of production. Her direction of "Rope" was her most recent accomplishment.

James Buck, who played Rosencrantz in "Hamlet," also started in "Uncle Vanya" in which he acted and improvised a sound score on a guitar. He has since directed the one-act "Sorry Wrong Number," and the TV production of "School for Wives."

No one in the department has played more roles than Linda Lambiotte, who portrayed Ophelia in "Hamlet." In three years she has played a leading role in "Glass Menagerie," "Something Unspoken," "Queer Medicine," and "Last of the Lories." Last year she portrayed Barbara in "Major Barbara," Anna in "Golden Boy," and the singing lead in "Saturday Night."

Marjorie Roth won the Supporting Actress Award in 1960 for her portrayal of Helen in "Look Back in Anger." Miss Roth played the title role in "Hedda Gabler," a citizen in "Oedipus Rex," Kay in "Found: An Author," and Helena in "R. U. R."

William Shinn, Bernardo in "Hamlet," has worked backstage for many productions. "Hamlet" was his three-act debut. He appeared in the one-act "Captain Aron."

Wayne Hardman, Guildenstern in "Hamlet," worked with the speech department for the first time in "Hamlet."

Band Develops New Sound

Efforts are being made by the members of the Concert Band to develop a professional concert band sound with all the shadings ingenious to the concert band. Because some members of the band are doing student teaching or carrying heavy schedules, the band has been augmented by William Henderson, Sherry Sherwood, Judith Criss, Richard Polk, Brenda Hickman and David Matthews.

With the additional personnel it is hoped that the group will develop into a fine musical organization and be able to function in its proper role at the College.

Dr. David J. Ernest, assistant professor of music, is band director. New development in Orchestra

The emphasis is being placed on the string instruments. Under direction of Miss Bertha Olsen, assistant professor of music, the orchestra has begun a rotation system which should develop a performing group within a year or two.

Students interested in taking part in the new string orchestra should contact Miss Olsen immediately.

Council sent three representatives to the state meeting of Collegiate Governments held at Marshall University. An exchange program between GSC and other area colleges was set up. Council donated \$500. to the Student Medical Fund for medical supplies.

Homecoming was acclaimed a success by students, faculty, administration and alumni. Queen Shelia Wilmoth reigned over the event in which the Pioneers downed the Concord Lions 20-14.

Eight new members joined the faculty. The employment of Mr. Kent Monroe enabled the College to offer all the courses necessary for a field in business administration.

Dr. Max Ward received a \$14,000 grant from the National Science Foundation for support of a program of basic research in botany. Mrs. Masil Dobson is technician under the research program.

Coach Leland Byrd was granted a sabbatical leave to do graduate work at West Virginia University. He was replaced by Mr. Jesse R. Lilly, Jr. Sadness came to GSC in October due to the death of Coach Carlos Ratliff, athletic director. Coach Ratliff had served GSC for 15 years.

Mr. Al Richard Moldroski, assistant professor of art, was one of five college art teachers in the United States to have his work shown through the Pietranton Galleries in New York City.

Four football men placed on the All-Conference team: Ellsworth Buck, Bill Shinn, Phil Clarke and Vinsen Post. Keith Smith placed on the second team of the Little All-America Academic team.

Pioneers Whip Fairmont Win 5 of Last 7 Contests

Lillymen Show Improvement
Teamwork, Hustle = Victory

By Keith Smith

The ever-improving Pioneers stretched their winning streak to four when they defeated Fairmont by a shocking score of 110-70, with the halftime score 40-34. Glenville on top, the G-Men fired in an amazing 70 points in the second half. Although it may not have been the best all-around game, the Pioneers played, it will be the one Fairmont will want to forget.

This game was an outstanding example of team play and hustle. Carney and Little Maxwell turned in fine floor games and big Maxwell set a fast pace with his hustle.

The first half was rather mediocre. Neither team looked outstanding. Bob Lambert kept Glenville in the game as did Fielding Yost and Dwight Conaway for Fairmont. This rather uneventful first half certainly forecast nothing of the onslaught that was yet to come.

70-Point Second Half

In the second half Glenville scored 70 points. Carney led the G-Men in the last stanza with 16, Gandee in hot pursuit with 11, while "Big" Bob Maxwell pressed with 10. Also two men broke into the scoring column for the first time. Mike Reed got a long-awaited 7 and Kent Shock 2.

If asked who was the star one

would have to reply, "Everyone." Every player stood out yet none so greatly as to be singled out. Each player did his part and the results was an outstanding team.

Bob Lambert, the most consistent player, turned in his usual fine performance. Lambert was top scorer with 27. He also pulled down 14 rebounds and had two assists.

Tim Carney was everywhere one looked. Carney's floor game was second to none. Aside from scoring 20 points, he stole the ball six times and had three assists.

Maxwell Leads Rebounding

This was "Big" Bob Maxwell's first start of the season. He proved himself fully worthy of the position. Maxwell had 16 points, led the rebounding with 18, and also had three assists. Maxwell attained his starting position on the merits of his play in the Concord game (Jan. 26). Maxwell never lets up. He is always in there hustling.

Mike Eberbaugh tallied 12 points and was a strong man on the boards getting 13 rebounds. "Little" Bill Maxwell had four points and also turned in a fine floor game. Maxwell had not looked as sharp as he had prior to his attack of flu.

With 11 minutes remaining a

familiar figure rose from the bench. It was Larry Gandee. In the remaining 11 minutes he totaled 11 points. For some players this might have been a great feat. For Gandee it was par. He has the ability to spark the team. Gandee can come off the bench and come through when he is needed most. It is this come-from-behind ability that makes Gandee such a valuable player.

Concord, Jan. 26

The Pioneers took numbers three in a row by downing the Concord Mountain Lions 88-79. The Mountain Lions held down the second place in the Western Division, it was the third conference loss in eight starts for Concord.

Pioneers showed much scrap and determination as they came from behind for the win. With only three minutes to go, it was still anybody's ball game.

Gandee Leads Scoring

Gandee was head man in the scoring department with 24. Gandee got 20 of these in a period of twelve minutes and thirty seconds. He would have to be given credit for sparking the win.

However, Gandee had much able assistance. Mike Eberbaugh contributed 23 and "Big" Bob Maxwell added 12 points and a fine hustling game. Fred Smith and Tim Carney had only 11 points between them but were everpresent menaces on defense.

There was much speculation before the game due to Bickel's removal. Bickel, the tallest man on the team (6'7") was dropped from the team because he did not maintain the necessary scholastic average.

Glenville Faces Eagles and A-B In Coming Play

During the coming week the Pioneers will face the conference-leading Eagles of Morris Harvey. These two contest will make or break the G-Men as far as conference rating goes. Two wins over Morris Harvey would place the Pioneers in strong contention for the conference title.

Glenville has shown that they possess the power to win. No team in the conference has more depth or all-around strength than the Pioneers, it will take teamwork and hustle to change potential into production.

The two Morris Harvey games are slated for Feb. 10 (there) and Feb. 15 (here). During the time that will (Continued on Page 4)

(Continued From Page 3)

83 in their first meeting with the Pioneers. This was the first time that Coach Rex Pyles' team had been at full strength since the first of the season. Full strength plus the home court could not break their losing streak. Glenville's victory constituted A-B's tenth loss.

The outstanding feature for Glenville was the shooting of Dick Bickel. Bickel hit on 11 of 13 shots from the floor and two for two at the foul line.

Lambert Scores 25

Bob Lambert was there to add his 25. These two accounted for more than half of the total Glenville score.

A close victory over a team that has lost nine in a row may not seem to be much but when the team is A-B at home it is. Their gymnasium gives them a decided advantage.

The team had also been suffering from injuries. With his team at full strength, Pyles was counting on a win.

The Pioneers had too much depth and hustle for the Battlers to contend with. In the final minutes, depth and conditioning became evident.

W. Va. Wesleyan, Jan. 23

The third time was no charm for the visiting Bobcats of Wesleyan as they went down 85-78. The team that only two short years ago made the trip to Kansas City has gotten lost in the shuffle.

Glenville did not show the polish in this game that they had before and have since. There were instances during the second half when it looked as if Wesleyan might pull ahead. Such was not the case and the Pioneers had another, not too impressive, win.

Once again it was Bob Lambert who led the Glenville scoring with 20 points. Carney followed with 17, Eberbaugh 16 and Gandee 10.

Concord, Jan. 19

The first long roadtrip of the season was not fruitful for the Pioneers. They suffered losses to the number one and two teams in the

Western Division, W. Va. Tech and Concord. The first defeat came at the hands of Concord. The second consequently came from Tech.

The team showed much improvement in the two contests. The G-Men offense clicked much better and there was more work on the defensive side. The table could have easily been turned in either or both games.

Concord's shooting and rebounding were too strong for the Pioneers to cope with. Hamrick was way out in front on the Concord scoring with 33 points. Glenville had six men in double figures; but it still left them seven points down at the final whistle, 103-96.

Mike Eberbaugh led the Pioneers with 25 points. Gandee had 15, Lambert 14, Carney and Smith each had 11 and Shepherd 10.

W. Va. Tech, Jan. 20

W. Va. Tech could barely manage to slide by with a one - point win over the Pioneers 69-68. This is a far cry from the earlier 84-73 Tech victory which was played at Glenville.

The full court press Glenville used came close to losing some rules for Baisi's Book. The press frustrated the Golden Bears and almost gave the Pioneers a greatly - to - be - desired win.

Eberbaugh had another good night as he scored 27. Gandee was the only other man in double figures. He made 14.

Wheeling, Jan. 13

Wheeling's long drive yielded no profits for the Hilltoppers. Blaha's team stepped down to a 74-62 defeat. Both teams were ragged and showed little class. When the game ended there was nothing to shout about. One item to note was that the Pioneers started moving the ball much better in this contest.

Glenville's scoring was in this order: Lambert, 22; Gandee, 11; Eberbaugh, 11; and Carney 11. Mike McGivern had 16 and Tom Foster had 12 for Wheeling.

clasp between these two games. Glenville will play Alderson-Broadus again. This time it will be at Glenville, Feb. 13.

In the first encounter with the Battlers, Glenville won 88-83. The Pioneers should handle A-B without too much trouble this time.

The Pioneers will have their hands full with the Eagles. Hewitt and O'Neal's combined efforts around the basket will account for 40 points almost every time. Gene Miller will be there to entertain also. They should be two evenings well spent for the spectators.
