Folk Singers to Be Eighteen Area High Schools Lyceum Feature

In correlation with Fine Arts Festival which began april 28, the Lyceum Committee is sponsoring a performance by Joe and Penny Aronson, folk singers and satirists, tonight at 8 p.m. in the College Gymnasium. GSC students will be admitted on activities cards. Price for visitors is adults \$1.00, children 50c.

The Arsonsons have recently appeared at the Universities of Nebraska, Rhode Island, Minnesota (Duluth), and Ohio. J. F. Goosen in THE TUSCALOOSA NEWS has this to say about the Aronsons:
"... they succeed in creating a remarkable rapport with their audience in folk songs from many European and Middle Eastern countries as well as the United States.

"Their arrangements, mostly done by Mrs. Aronson, are taste-ful and simple, allowing the songs to shine through without the hindrance of over-sophisticated treat-

Why Attend Glenville?

WHAT HAS GLENVILLE STATE COLLEGE TO OFFER A HIGH SCHOOL SENIOR?

GLENVILLE STATE COLLEGE is located near the geographical center of West Virginia in the county seat of Gilmer County. The friendly atmosphere of both the town and the college is readily recognized. One freshman transfer student, when asked what impressed her most about GSC. said, "I am surprised at the genuine friendliness shown by students and faculty. These people 'make' one belong."

SOCIAL AND RECREATIONAL ACTIVITIES are provided at GSC. Students can participate in sports—baseball, basketball, football, tennis, golf, swimming—either as a fan or as an active participant.

THE EXPANSION of the Student Union will add pool, bowling, and ping pong to the list of recreational activities.

THE TWO SORORITIES, Delta Zeta and Phi Mu Gamma, and the two fraternities, Holy Roller Court and Theta Xi, sponsor activities throughout the school year. Each sponsors an annual dance and each plans week-end activities.

THERE ARE MANY CAMPUS ORGANIZATIONS on a more specialized basis. For example, Alpha Phi Omega and Ohnimgohow Players are the speech and drama organizations; MENC is the music organization; ADE is the business organization; Alpha Rho Tau is the art organization.

LYCEUM PROGRAMS are planned and directed by the Lyceum Committee. At the present time The Aronsons, folk singers, are scheduled to appear tonight.

STUDENTS AT GSC ARE NOT NUMBERS; they are personalities. The enrollment, presently 729 full-time students, provides an excellent opportunity for each student to develop and exercise his leadership ability.

ACADEMICALLY GSC PROVIDES those students who are willing to work with an excellent opportunity to learn. Several graduates each year go on to do graduate study. Some of these students attend graduate school on assistantships.

AS FAR AS COST IS CONCERNED, Glenville State College is the least expensive of all W. Va. schools of higher education. Although registration and tuition are the same in all state colleges. GSC has managed to keep other expenses of a minimum. at a minimum.

GSC IS A GROWING COLLEGE. At the present time all campus buildings are either new or renovated. The present Student Union-Cafeteria is being expanded and future plans include a much-needed expansion of the Robert F. Kidd Library and the addition of two more floors to Women's Hall.

THE FACULTY AND ADMINISTRATION is of a high caliber. A number of the faculty hold Ph. D. degrees and other members of the staff continue to do graduate study at recognized universities. Some of the professors are recognized leaders in their respective fields. All appear to be dedicated to learning the respective fields. to learning

HIGH SCHOOL SENIORS, keep these facts in mind when choosing a college. GSC can give you quality education and unlimited opportunities for the future.

year will be Sept. 9-11.

All freshmen are required to be present for the three-day orientation program. The purpose of the program is to help students adjust themselves to the new environment. to acquaint them with the facilities provided for their education, recreation, and physical and moral development; to enable them to meet deans, advisers, and instructors before enrolling; and instructors before enrolling; and to complete their testing program before class work begins.

During this time, students will be assigned to faculty advisers and will meet with them at inter-vals to secure help in planning their courses and study habits.

During the orientation period, freshmen will have recreation, in the form of swimming, get-acquainted parties, freshman mixes, dances and receptions.

Milhoan Heads Student Council For Next Year

Glenville State College students recently went to the polls to elect student government officers for 1963-64. Officers elected were Charles Milhoan, president; Don Riggs, vice president; Derry Wilson, treasurer; Lois Friel, secretary; and Darrell Messenger, sergeant-at-arms. senger, sergeant-at-arms.

The Student Council is the official student governing body on campus. GCS Golf Team FRESHMEN GIRLS **Defeats State**

Coach Robert Higgins' golf team defeated W. Va. State April 20 at Woodland Country Club (Lake Ri-ley, Weston), by a score of 9-6.

Medalist honors went to Jimmy Wiant of Glenville with a 79 which was a good score considering the severe winds encountered at Wood-land Country Club.

Following 18 holes of match play at Woodland, Glenville's number one player Preston Browning, and State's number one player John Shelton disputed boundary rules on

Shelton offered, as a solution, to play sudden-death golf. The first to win a hole would win the back nine holes. A win by Shelton meant 3 points for State; if Browning won there would be 1 1/2 points for Glenville and 1 1/2 points for State.

Browning placed a beautiful shot 10 feet from the cup'on hole num-ber 10, but it was matched by Shelton. Browning missed his drive on number 11 but came through with a second and third shot near perfection.

The pressure was too great for Shelton, and Browning won the sudden-death overtime to preserve the victory for Glenville.

The varsity program offers students the opportunity to participate in football, basketball, baseball, wrestling, and golf. GSC is a member of WVIAC and NAIA. The intramural program includes volleyball, softball, basketball, swimming, badminton, table tennis, handball, and shuffleboard. The varsity program offers stu

Vocational Home Economics

Vocational Home Economics
The home economics program at
GSC is vocational. In the program
there are five areas of equal importance: home management,
family living, foods and nutrition,
clothing and textiles, and housing
and house decoration.

Home economics department is
located on the first floor of the
Science Hall, and the Home Management House is located on
Court Street.
Phi Delta Phi, home economics
