## 'Angel Street' Is First GSC Drama Production

Arena style presentation will mark the speech department production of Patrick Hamilton's "Angel Street," a Victorian drama in three acts, which will be given in the GSC Auditorium October 29, 30, and November 2.

Becky Summers plays the role of Mrs. Manningham, the frantic wife. Miss Summers is a junior biology and home economics student from Glenville. This is her first role in a major speech department production. Previously she has played the roles of Panties in "Junkmen" by Jim Bush, an actress in "Sea Gull," an actress in "Curious Savage," and Stephana in "Corpi."

Dave Morris portrays the villain of the drama, Mr. Manningham, who is bent on driving his wife insane. Morris is a junior social studies student from Ivydale. He, too, is a newcomer to the GSC stage. He was active in the Theatre Underground and played Oscar in "Corpi."

A veteran on the GSC stage is Wayman Johnson who portrays Inspector Rough. A senior speech and English student, Johnson is from Parkersburg. Among his numerous roles are Henry in "Fum-Oaks," a messenger in "Hamlet," and George Kimball, the hypochondriac in "Send Me No Flowers."

Another newcomer to the GSC stage is Nancy Reed, a junior English and speech student from Ravenswood. Previous acting experiences include Mrs. Van Flout in the one-act farce "Hold Onto Your Hat," and Lady Macbeth in "Macbeth."

Loretta Dwellle plays the young maid, Nancy. She is a junior elementary education and speech student from Parkersburg. This is Miss Dwellle's first role in a play.

Mike Samson, a senior English and speech student from St. Marys, and Jerry Stover, an art and speech student from Clay, have roles as policemen and both are newcomers to the GSC stage.

An article entitled "Glenville's Robert F. Kidd Library—Background and Trends" by Dale E. Shaffer, librarian, has been published in the "West Virginia Librarian," a quarterly magazine published for the purpose of sharing ideas with other libraries throughout the state.

Mr. Charles D. Patterson, who is affiliated with the Department of Library Science at West Virginia University, is editor of the publication and formerly served as librarian at GSC from 1958-62.

Included in Mr. Shaffer's article is a brief history of the R. F. Kidd Library along with notations on recent changes and future objectives. Recent library revisions include reorganization of the pamphlet and record collections, plus the addition of a paperback section.

GSC library also offers a free facsimile service in association with West Virginia University, through which anyone can obtain material not available in the library.

## Jazz, Opera Included In Schedule for This Year

Carl A. Kerr, Chairman of the Lyceum Committee, has announced the names of the performers who will appear at GSC this year.

Appearances by the Paul Winter Jazz Sextet, Sahomi Tachibana, and the National Opera Company have been scheduled.

## Teacher Exam Given 4 Times

The Educational Testing Service has announced that the National Teacher Examinations will be given on four different test dates each year instead of one date.

New dates set for the testing of prospective teachers are: December 12, 1964; and March 20, July 17, and Oct. 2, 1965. The tests will be given at more than 550 locations in the 50 states.

Scores on the National Teacher Examinations are used by many large school districts for employment of new teachers and by several states for certification or licensing of teachers.

On each full day of testing, prospective teachers may take the Common Examinations, which measure the professional and general preparation of teachers and one of the 13 Teaching Area Examinations which measure mastery of the subject they wish to teach.

Prospective teachers should contact the school systems in which they seek employment or their colleges for specific advice on which examinations to take and on which dates they should be taken.

A bulletin of information containing registration forms, lists of test centers, and information about the examination may be obtained from college placement officers, school personnel departments, or directly from National Teacher Examinations, Educational Testing Service, Princeton, N. J.

The Paul Winter Jazz Sextet will present a program of modern jazz on Nov. 13. The Sextet, comprised of saxophone, classical guitar, flute, piano, bass, and drums, will present a program of modern music, part original, and part influenced by their travels in 25 countries.

The sextet has toured Latin America for the State Department and has played at the White House at the invitation of the late President Kennedy.

Miss Sahomi Tachibana, second scheduled performer, interprets the culture of ancient and modern Japan through dance and song.

Throughout her performance, Miss Tachibana highlights Japanese life by means of song, gesture, dance, and narration. She has studied dance in Japan with the members of the Tachibana family from whom she acquired her professional name. She has been called one of the two foremost exponents of Japanese dance. She is scheduled to appear on Jan. 28.

The Barber of Seville, an opera of romance and comedy by Rossini, will be sung in English by the National Opera Company on March 4. This will be the final Lyceum program of the year.

The National Opera Company is a national touring troupe, engaging singers from all parts of the country and covering 36 states on its tours.

The National Opera Company is administered by the National Grass Roots Opera Foundation which is dedicated to making opera a means of mass entertainment.

Lyceum programs presented the past year included "Three in Concert," a program of dance and music, and "The Taming of the Shrew," a Shakespearean comedy.

## Cultural Poverty? SGA Plans For Elections

Much controversy has been raised regarding the foreign film program now in effect on campus. These films give students a chance to see foreign films of merit which tend to raise their cultural standards. Featured in these productions are the world's best actors and directors.

Most Hollywood films are aimed at twelve-year-old minds. In many countries the producing of films is considered an art form aimed at adults and void of glamorization and sugar coating. Many Hollywood directors are bound by pressure groups while most foreign directors work independently and quite often deal with controversial issues and ideas.

Some students have asked that the present film program be revised. Their suggestion is that instead of soliciting fifty students to pay \$5 for five films, 250 students be asked to pay \$1 for five films. Thus, if the student is unable to view a film, he would not be losing as much financially.

However, would 250 students actually support this program? If cost is a major concern, why were the Lyceum programs, which are free to students, not supported wholeheartedly in the past? Are we at GSC in a stage of "cultural poverty?"

Any suggestion or possible solutions concerning this problem would be most welcome.

—Judith Musgrave

The Student Council met recently to discuss the coming "Who's Who" election. Twenty seniors and ten juniors will be elected by their classmates to participate in the annual "Who's Who" competition.

These students selected for "Who's Who" will be graded on scholarship, activities, and leadership and will be judged by the "Who's Who" committee.

The Student Council officers elected for the 1964-65 year include: Patrick Briscoe, president; John Lustig, vice president; Patsy Gail Conley, secretary; Robert "Butch" Hayes, treasurer; and David Westfall, sergeant-at-arms.

The Student Council meets on Tuesday evenings. Any student may attend these meetings. He may present a problem or suggestion to the Council for action.

# Pioneers Defeat State In Homecoming Victory

By BOB MARSHALL

A new Glenville State College football team defeated the West Virginia State Yellow Jackets Saturday, Oct. 10, at Rohrbough Field. Glenville's offense looked like a new and different team in the Homecoming tilt.

The White Wave opened the scoring early in the second quarter and stayed in front to win 14-7. The first touchdown was scored by quarterback Frank Mays on a four-yard power play. The extra point was finally run by Mays after State was penalized twice.

The Wave used an on-side kick after scoring and was able to retain possession of the ball. This was the first time the Pioneers had used this type of kick this year, and it worked successfully. Glenville came back again in the second quarter and scored another touchdown. This time it was a one-yard plunge by Joe Duncan. Jon Lucas was good for the extra point, and Glenville led 14-0.

State came back minutes later in the quarter to score their first and only tally in the game. Fullback Louis Fish plunged through

for three yards and the score. The extra point was good, and Glenville led at halftime 14-7.

The second half of the game proved to be scoreless for both the Pioneers and the Yellow Jackets. Both teams threatened to score, but when the final gun sounded the Wave still held its halftime lead and won the game 14-7.

Quarterback Frank Mays and halfback Joe Duncan both turned in their best performances of the year and helped spark the Pioneer offense. Mays carried the pigskin 15 times for 57 yards and scored seven points.

Duncan scored six points, carried the ball six times for 3 yards. Also turning in fine performances were Danny Erlewine who gained 42 yards rushing, and Carl Ingram, who picked up 3 yards rushing.

Faithful Pioneer fans were happy with the White Wave Homecoming victory, especially the freshmen, who lost their little blue tell-tale marks.

## Concord Game

The Homecoming Victory over the West Virginia State Yellow

Jackets broke a three-game losing streak for the Pioneers. Glenville State's third loss was at the hands of the Concord Mountain Lions in a game played Saturday, Oct. 3, at Athens.

Concord scored 20 points in the first half to beat the Pioneers 20-6. The Mountain Lions opened the game by scoring seven points in the first five minutes of playing time. In the same five minutes Glenville had racked up 65 yards of penalties.

After scoring first, Concord came back and scored again in the first quarter on a three-yard power play. The second quarter of play proved to be scoreless for Glenville, while the Mountain Lions increased their lead by six points, making a halftime score of 20-0.

Glenville's only score came in the fourth quarter. Quarterback Frank Mays passed to end Harvey Woodson for an impressive 74-yard touchdown play.

Penalties and fumbles seemed to hamper the White Wave. Glenville was penalized a total of 135 yards and fumbled six times.

## Floats, Exciting Pageantry Feature Homecoming Parade

Members of the Alumni association, friends of the college, faculty, and students who were on campus Oct. 10 for the 31st annual Homecoming were rewarded with a colorful parade, coronation pageantry, an exciting football game, and the annual dance.

The beginning of the parade at 10 a.m. marked the official start of the festivities. Following the parade, the coronation took place on campus. Queen Maribeth Taylor was crowned by President D. Banks Wilburn in the presence of the court and others attending the ceremonies.

Women's Hall was awarded first place in the float competition. The float depicted a cowgirl riding a horse under the banner of "El Rancho Women's Hall" and featuring the slogan "Kick-off in '65."

Delta Zeta Sorority won second place in the judging with a float with the slogan "Can 'Em to the Tuna GSC."

"Sports Sparkle", the Major's Club theme, won third place in the competition. The float featured girls in various sports costumes representative of the variety of sports available for women at GSC.

Honorable mention in the judging was awarded to Alpha Delta Epsilon, whose theme was "A Better World," and the Sophomore class, whose theme was "Pioneers, We're Betting On Your Kickoff in '65."

Theta Xi and Tau Kappa Epsilon presented floats with the theme "Raid 'Em Pioneers."

Homecoming Queen Maribeth, the four princesses, crown bearer Kathy McCartney, and train bearer, Bill Lilly rode on the Queen's float, built by the members of the freshman class.

The most nondescript entry in the parade was the marching members of the freshman class. All were dressed in beanies. The boys wore pajamas and ties and the girls dressed in short skirts.

Alpha Sigma Alpha Sorority members were dressed alike and rode in convertibles.

Janet Sue Gregory, Miss Verona Mapel, also rode in a convertible.

The Weston, Burnsville, and Harrisville High School bands added color and music to the annual parade.

Daniel Maynard Shoemaker senior from Richwood, and the 1964 Pioneer, also marched in the parade.

In spite of cold weather, the Homecoming game was well attended. During the half-time activities, President Wilburn presented the Montrose award to Bill Kinzer, a 1964 graduate.
