

The Glenville Mercury

Vol. XXXVII. No. 2

Glenville State College, Glenville, W. Va.

Wednesday, October 13, 1965

Members of the cast for tomorrow night's review, "AS IT WERE", are Gene Nesbitt, Tom Hodges, Bill Monk, Mr. Jim White, Jo Bean, and Harold Dougherty. Mr. J. Rodney Busch and the piano player, Lynn Stotler, are not pictured. (MER-photo by Busch)

Tradition of Yearbook Returns to Campus

Through the history of Glenville State College, it has been tradition to publish a yearbook containing a record of events for a particular year. In 1962, because of lack of student interest, GSC did not have a yearbook. For four years students had no records concerning their stay at this institution of higher learning.

At the beginning of the 1964-65 school year, two GSC students, Brice Abbott and Bob Marshall, signed a contract with a publishing company. Without money, past yearbook records, or an experienced staff, the staff's only hope was to gain student support. During registration the small staff literally frightened the freshmen into buying a subscription. Having sold only 300 copies, neither Brice nor Bob could be sure of a yearbook.

Student interest was still lacking. Upperclassmen would not buy the yearbook nor would they have their pictures taken. A professional photographer came to the campus and left with 25 pictures out of the entire student body.

The staff began to take shape. As time flew by, the future of the yearbook got dimmer. Finally, through a campus wide campaign, the subscription total climbed above the 600 mark and the book was underway. Still only half of the students took enough interest to have their pictures taken.

For the first time in four years the 1965 Kanawhachen came off

the press. Students beamed with pride as student interest reached a new high. Already in the planning stage is the 1966 yearbook. Over 500 copies have been sold and since the student's demand for a book is growing, the staff will sell no more subscriptions after (Continued on Page 3)

HOOVER HEADS SENIOR CLASS

Senior Class of Glenville State College elected new officers for 1965-66. They were: president, John Hoover from Elkview. He is a mathematics and physical science major who plays football and is a member of the G-Club.

Vice-president is Robert (Butch) Hays. Hays lives in Glenville and is studying physical education and social studies. He is a member of Tau Kappa Epsilon fraternity and is this year's Pioneer.

Secretary for the coming year is Marshall Badgley who is from Vienna. Badgley is majoring in social studies and physical education. He is a member of Tau Kappa Epsilon fraternity and is also the secretary for the Cosmopolitan Club.

Treasurer is Allen Pyles. He is from Grantsville, is studying physical education and business, is a member of Tau Kappa Epsilon fraternity, Alpha Delta Epsilon business fraternity, and is treasurer of Louis Bennett Hall.

Alpha Psi Omega Presents "As It Were" Tomorrow

"Another Op'nin', Another Show" as the Theta Alpha Cast of Alpha Psi Omega presents a fun filled review entitled "As It Were." Six students and two faculty members will appear on the GSC stage tomorrow night starting at 8:00 in the auditorium. Admission will be 50 cents.

"As It Were" will be a satirical view of people in familiar situations. Harold Dougherty, junior from St. Marys, will introduce Bill Monk and Gene Nesbitt, sophomores from Parkersburg, and they will take the audience through time viewing dorm life present and future. Those of you who have tried to use the elevator in Louis Bennett Hall will know these ups and downs far better than we are able to explain them.

Jo Bean, junior, from Wellesley, Massachusetts, along with Gene Nesbitt, casts a sober glance at that humorous institution—the funeral. They will find that in the act of trying to bury someone it is easy to put your own foot in the grave. They will leave no stone unturned in talking over these grave matters.

On the more cheerful side, Mr. Jim White, Associate Professor of Mathematics is in a hospital reminiscing about his "hospitality blues" and his "bedpan hands." It is rumored that he will fold back the sheets of time and expose the naked truth.

Tom Hodges, a junior from Sutton, will tell why it is difficult to give candy to a child. Come and see if you can tell which hand has the chocolate if you don't mind being involved in some sticky business.

Bill Monk and Jim White will question Grandma's old favorite, the quiz show. This problem involves a great deal of "Concentration" to find out if the "Price is Right," and if they "Break the Bank," "Who Do You Trust?"

A new face in the review and a participant who is not an Alpha Psi Omega member is music ma-

yor, Lynn Stotler, a freshman from Richmond. Stotler will provide piano accompaniment for the show.

The review is being co-directed by Harold Dougherty and Mr. White. (Also on hand will be Mr. J. Rodney Busch)

Sociology Class Studies Marriage

Sociology 304 class—Making the Most of Marriage—is engaging in a series of discussion and studies dealing with six different phases of family living. These areas include: dating, engagement, family finance, parenthood, divorce, and old age.

Dividing into groups of four to six, each group chose a chairman to serve as co-ordinator for their discussion. Heading these committees are: Anna Bates, Layne Turner, John Albright, Judy Musgrave, Lyle Davis, Roger McCune, and Diann Truex.

So far the class has seen film strips, has participated in panel discussions, case study discussions, and question and answer sessions.

Mr. Milton E. Kern, assistant professor of speech, visited the class and talked with them concerning aspects of dating and love. Using Eric Fromm's book, *The Art of Loving*, as a basis for many of his remarks, Mr. Kern recommended the book highly for consideration by the class members.

Mrs. Ruth Norman spoke with the class concerning financial aid for needy or welfare families. She is an alumna of GSC, registered nurse, and head of the Gilmer County Welfare Department.

Local attorney, Mr. J. Perrill, was invited to speak with the class in the area of divorce. He pointed out the most common reasons why couples seek divorces and the legal grounds on which people can undertake legal divorce proceedings.

Mrs. Eileen Wolfe, assistant pro-

GSC Enrollment Increases 21% To Total 1313

Enrollment at GSC reached an all-time high this year with 1313 students enrolled in college courses. Of this number, 1200 are full-time students, carrying 12 or more semester hours, while the remaining 113 are part-time students, either on campus or in extension courses.

Freshmen make up, by far, the greatest part of the enrollment with 558 full-time students, compared to 414 last year. After this, the classes become progressively smaller; there are 301 sophomores, 183 juniors, and 148 seniors.

Men outnumber women by 695-617, and for full-time students, the ratio is even higher—653 men, 547 women. The difference is less than it was last year, however, because the number of women enrolled increased 14 per cent while the total for men raised only 12 per cent.

Only in extension classes and part-time enrollment are there more women than men. Of the 70 part-time residents 42 are women, compared to 28 men, and in extension classes there are 31 women and only 14 men.

This year's total represents an increase of 21 per cent over last year's 1042 and includes students from 44 of the 55 counties in West Virginia. Wood County leads with 154, and Gilmer County is close behind with 150.

There are 92 out-of-state students enrolled this year. Ohio leads the enrollment with thirty-five students, followed by Pennsylvania with 25. There are nine students from New Jersey, five from Maryland, four from Virginia, three from New York, and one each from such states as Arizona, California, Florida, Massachusetts, Minnesota, North Dakota, and Tennessee.

fessor of home economics, is instructor for the class.

Brice Abbott presents the first copy of the 1965 Kanawhachen to President Wilburn. (MER-photo by E. J. ...)

Members of the cast of **THE CAVE DWELLERS** are: (seated on floor) Harold Dougherty and Gene Nesbitt; (left to right) Larry Hall, Jo Bean, Tom Hodges, Dick Dawson, Sue Black, Sandy Monroe, and Bill Monk. Not pictured is Dave Bennett. (MER-photo by White)

"Cave Dwellers" Play Will Be Given Nov. 11, 12 and 15

By DENNIS MYERS

Alpha Psi Omega and Ohnimgohow Players are announcing the production of "The Cave Dwellers," a play in two acts by William Saroyan.

In "The Cave Dwellers" there is no hysteria; no emotionality, excitement, or crime; no heroes or villains; no right or wrong way. This play could be called a "fairytale," according to Brooks Atkinson in his review in The New York Times.

The play records the adventures of some penniless people who are camping out on the stage of a theatre that is soon to be replaced with a housing project on the East Side of New York. A done-for boxer, a beat, old clown, and a sick old actress are joined by a young girl and a man with a bear and a wife, who gives birth to a baby.

In desperation, these people lie, beg and steal to get food and milk for the baby. As night falls they act out old roles and dramatize the day's events.

Playing the role of the Queen is Jo Bean, a junior from Wellesley, Mass. Miss Bean has appeared in Macbeth, Beautiful People, and Hedda Gabler at Davis and Elkins College.

The King will be played by Larry Hall, a senior from Clendenin. Hall has had GSC theatrical experience in Romeo and Juliet, and Lord Byron's Love Letter.

Dick Dawson, a sophomore from Parkersburg, will play the Duke. He appeared in Romeo and Juliet, Beyond the Fringe, and "Junkmen" last year.

The sweet little girl is played by Cara Sue Black, a sophomore from Parkersburg. Miss Black had roles in "Junkmen," "Aria de Capo," and "Two Sisters."

Playing the part of Silent Boy is William Monk, a sophomore from Parkersburg who is president of Ohnimgohow Players. Monk has had experience in the following plays: Romeo and Juliet, "Junkmen," "Rondo," "The Smallest One," and Beyond the Fringe as well as other GSC performances.

The Father is portrayed by

Dave Bennett, a freshman from Pt. Pleasant. He has been on stage in "The Red House Mystery," "All Shook Up," and "Coins in His Kingdom."

Gene Nesbitt, a sophomore from Parkersburg, is playing an unusual role as Gorky, a trained bear. Nesbitt played in "Sorry Wrong Number," As You Like It, and Romeo and Juliet, as well as "Junkmen," Beyond the Fringe, and "The Smallest One."

Playing the part of Mother is Sandra Monroe, a sophomore from Weston. Romeo and Juliet and The Mouse That Roared, have given Miss Monroe stage experience.

The Wrecking Crew Boss is played by Harold Dougherty, a junior from St. Marys and president of Alpha Psi Omega. Harold was a member of the Showboat Rhododendron cast of "10 Nights In A Barroom." He also played in "Junkmen," Romeo and Juliet, and Beyond the Fringe.

The play is set for Nov. 11, 12, and 15. The admission will be \$1.00. Admission is the only way the Alpha Psi Omega and Ohnimgohow Players have of making money during the year. These funds will serve to finance a production later in the year and to finance Theatre Underground in the Spring.

325 Men Have New Mother

With the new addition to Louis Bennett Hall occupied for the first time when freshmen and upperclassmen returned to school this fall, the dormitory now houses 325 men. Something new has been added to the new building: the 325 men now have a mother, Mrs. Lula Fittra.

At a recent meeting Louis Bennett Hall elected the following officers: Sam White, president; Robert "Woody" Wilson, vice-president; C. Elliott Workman, secretary; and Allan Pyles, Treasurer.

Louis Bennett Hall's new counselors are the following: Bob Marshall, Gene Canale, Tom Rogers, Bill Cottrill, Dave Evans, and Ed Bond.

During the month of September, the Alpha Sigma Alpha Alumnae and patronesses surprised the girls with breakfast at the home of Mrs. Victor Berry. The Alpha Sigs would like to express their appreciation to Mrs. D. Banks Wilburn, Mrs. Victor Berry, Mrs. James White, Mrs. William Deel, Mrs. Woodrow Wolfe, Miss Clarissa Williams, Mrs. Billy Burke, Mrs. Robert Rhodes, Mrs. William Morrow, and all others who were responsible for the breakfast.

Gamma Kappa Chapter of Alpha Sigma Alpha plans to have another busy month during October. The Alpha Sigs' float placed second in the Homecoming Parade. The theme of the float was, "Don't let your spirit be Con' cord." The month began with a good start as officers, Mrs. James White and Alpha Sig Alumnae Association Mrs. Robert Rhodes, along with Mrs. William Deel, the advisor, also rode in the parade.

Gamma Kappa Chapter in accord with the mentally retardation National Philanthropic Project has adopted 15 little boys at the St. Marys home for retarded children. The girls visited the little boys on Sunday, October 10th. They now send these boys birthday cards and have occasional parties and visits as part of their adoption responsibilities.

To become eligible for admission to a Teacher Education Program for graduation, students must pass the English Proficiency Test. The test will be given in Rooms 307 and 308 of the Administration Building at 7:00 p.m. on Monday, Oct. 18. The only persons exempt from this test are those who completed a total of 74 or more semester hours prior to June 1, 1963.

Students who will have completed a minimum of 58 semester hours by the end of the current semester may take the exam on Monday, and should notify Dr. Epsy Miller, chairman of the English department, in advance.

People taking the test must bring some type of identification, preferably their student enrollment card, with them.

Alone

(To W. W.)

By LARRY R. HALL

Man of the instant,
laden with fears,
Walked an unending
tightrope of tears,
Walked for miles,
country and city,
While all eyes glazed
with unwanted pity,
Walked while awaiting
a new and fresh start
With only anguish within
a once joyful heart.

Watch him,
Watch him walk
the corridors of years,
Or slip unnoticed
down time's lonely tiers,
Watch him,
Watch him stumble
over mountains of dreams,
While the rest
of the world seems
To drift silently by,
barren and dry,
Watch him walk alone.

Plans Made For 4-H MEMBERS October Outing PLAN FOR OCT.

Wesley Foundation, unlike many other organizations, functions the year round. For example, this summer, a delegation of six represented GSC at the Middle Atlantic Ecumenical Conference in Philadelphia. The purpose of this meeting was to acquaint the people with problems of urbanization and to show them how these problems affect them as individuals.

The Conference was divided into several sections which went out into the city to examine the different phases of city life. Glenville delegates were Barbara Davis, Regina Boggess, Mary Lou Lilly, Charles Morris, Dennis Myers, and Rev. Robert M. Fuqua.

On Sept. 17-18, five delegates attended the West Virginia state conference at Spring Heights in Spencer. At that time, all W. Va. colleges presented planned programs for the first semester in the areas of worship, study, and mission.

The Wesley Foundation has planned more activities that will be available to the students of GSC. On Oct. 17 the annual fall outing at Cedar Creek State Park will be held. Phyllis Hopkins and Joyce Wells have planned an afternoon of food and fun. All students are invited to attend. If you are interested, please sign the registration sheet in the Wesley Foundation.

The Glenville Collegiate 4-H Club will be in charge of recreation and a tour of Jackson's Mill at the Four-State Young Men Women Conference to be held there on Oct. 8, 9, 10.

Three club members, Sharla Gladwell, Sara Moore, and Charles Morris, will attend the conference, which is open to young people between the ages of 18 and 30 from the states of West Virginia, Ohio, Delaware, and Maryland. The conference is a program of the Co-operative Extension Service and will include speakers, group singing, vespers, outdoor sports, dancing, and a tour of the Mill.

Another project of the 4-H Club was an exhibit in the showcase of the Administration Building during National 4-H Club Week, Sept. 25-Oct. 2. The display depicted the different areas of 4-H Club work.

The group is also planning a square dance which has been tentatively set for Oct. 21 on Verona Mapel lawn.

tion social room not later than Friday, Oct. 15. This will aid in the planning of refreshments and transportation.

The Methodist Student Movement Fund will receive \$25 as the payment of Wesley Foundation's pledge made in the state fall conference.

Glenville defense brings down the Concord ball-carrier in the 1965 Homecoming game. (MER-photo by Dougherty)

GSC Falls to Fairmont; Stomps Concord Lions

By BOB MARSHALL

Saturday evening, Sept. 25, the Glenville State College Pioneers met the Fairmont Falcons at East-West Stadium in Fairmont. The Falcons, last year's Conference Champions, are gunning for the title again this year.

Pioneers won the toss and elected to receive the opening kick. The Wave had trouble in getting the offense rolling and were forced to punt. Fairmont received the punt and began an 85-yard drive which gave them their first score of the game. Fullback Roy Jackson plunged over from the one giving the Falcons a 6-0 advantage.

The Wave came back after the Falcon touchdown with a fine series of offensive plays but were hampered by penalties and experienced some bad luck on a fourth down pass on the Falcon 34-yard line. This then set Fairmont in a good position for their second touchdown of the game. Once again it was Jackson plunging over from the 1 yard line for the goal. Robinson's attempt for the extra point proved wide and the Falcons held a 13-0 advantage just minutes before the first half ended.

The Wave came back after the half and looked as if they might score as their offensive drive carried them to the Fairmont 25 yard line, but here they ran out of downs and had to give up the pigskin. The Glenville defense took over and held the Falcons in fine order until the concluding minutes of the third quarter, when quarterback Butch Clayton connected with end Pat Cupric on a short pass for the final Falcon tally. Robinson made good on his kick and the score read 20-0.

The fourth quarter proved to be a defensive battle as neither team could seem to score; thus Fairmont took the tilt with their 20-0 tally.

Win or lose the Pioneers played good ball and in spite of some area newspapers might have printed, the game was not a Falcon slaughter, and our boys didn't return looking as if they had been crushed or massacred.

Homecoming Game

Saturday, Oct. 2, the Pioneers met the Concord Mountain Lions at Rohrbough Field for the vital Homecoming game. The Wave played fine offensive and defensive ball but they especially dem-

onstrated their excellent defensive abilities, and on a key defensive play were able to score 2 points on a safety which was essential for the Homecoming victory.

Pioneers won the opening toss and elected to receive the kick-off. The Wave ran their first series of plays and failed to make the first down forcing Jim Scherr to punt. The punt was high and went deep into Concord territory.

Walter Belcher was playing deep for Concord when attempting to catch the punt, he fumbled the ball then recovered and ran into the end zone where he was snowed by a throng of Glenville players led by Charles Gwinn. This gave Glenville a two point lead and increased hope for a Homecoming win.

Tide Changes

Later in the second quarter of play, the Mountain Lions started a drive on their own 23 yard line and 13 plays later they were first down and goal to go. The Pioneer defense tightened down and held the Lions for three plays but on the fourth down, fullback Bill Christman plunged over for the score.

The kick was good and Concord took the lead for the first time in the ballgame by a 7-2 margin. Neither Glenville nor Concord was able to make a scoring threat before the half ended and thus when the gun sounded Concord left the field still holding their 7-2 lead.

For the second time this season, Coach Jesse Lilly demonstrated his half-time abilities in diagnosing the problems and quickly solving them. The Pioneers came back on the field and held the Mountain Lions scoreless throughout the remainder of the ball game. While the defense was busy at this task, the offense began to click once again.

Wide-awake, Woody Wilson snagged a 25 yard pass from quarterback Frank Mays and scampered in for the winning touchdown. Ralph Summers made good on the kick for the extra point, and Glenville led by a score of 9-7 with seven minutes of playing time remaining. Once again the defensive team took over and held the Mountain Lions until the end of the quarter, thus securing the 9-7 Pioneer win. They tell me that Coach Lilly and his team are now very well liked by the freshman class!

Movie Shown To Students

Last Sunday, Oct. 10, the movie "All About Eve," starring Betty Davis, Anne Baxter, and George Sanders, was presented before the student body free of charge. Eve Harrington is a stage-struck innocent girl who idolizes Margo Channing, a big hit in the theatre. Eve works with evil genius into the hearts of those whose position and possessions she covets, and then as stepping-stones toward her own advancement.

The audience was taken in by the beauty and seeming innocence of Eve. Gradually the evil is revealed. Eve is able to use the "good" people to further her malignant process. After Eve reaches her goals, other young girls try to use her in the same way. The movie ends with the implication that "evil breeds the seeds of its own downfall."

The movie was brought to the campus by the Wesley Foundation to show the students the meaning to be found in movies. In order to get opinions, a discussion followed.

Tradition of Yearbook

(Continued from Page 1)

Nov. 15. A campus wide campaign is now underway.

Students have suggested that the traditional name of Kanawhachen be changed to Pioneer. This issue will be presented to the entire student body for a final decision.

Mr. Scott, the yearbook advisor, has done much to add to the attractiveness of the yearbook. Nancy Reed, the present editor, says: "The new yearbook will be bigger and better. We have had some experience and the student interest has grown."

Graduate Wins Montrose Award

John Lustig, a 1965 graduate of Glenville State College, was recently chosen to receive the Montrose Award. Lustig attended Glenville for four years and is now teaching in Chester, Md.

While at Glenville, Lustig played four years on the varsity football team. He was also a member of the varsity wrestling team and during his junior year was team captain. Lustig also served one year on the Student Council as vice-president of the Student Government Association.

Lustig received the award from Dr. Wilburn at the homecoming game as part of the half time ceremonies.

Men Begin Intramurals

Harold Erwin, the new intramural director, has announced that the first sport to be scheduled this year will be volleyball. Erwin said he is expecting about 20 teams to enter the sport, and that they would compete in a "round-robin, double-elimination" type play-off. The top two teams in each league will vie for the championship with volleyball lasting until the Thanksgiving vacation.

Upon returning from the Thanksgiving break the men will begin the intramural basketball season. Erwin stated that all men having won a varsity letter in basketball, here at the college, will be ineligible to compete in this event.

There are three co-recreational nights being planned for the second term of school, but details were not available at press time.

TURNER SPEAKS BEFORE SEA

Student Education Association president, Martha Horner, has set the October 5 meeting as the deadline for new members to join the organization. SEA will not accept new members again until the beginning of the second semester.

SEA entered a float in the Homecoming parade and it received an honorable mention during the half-time ceremonies at the ball game Saturday afternoon. The theme of the float was "Pioneering Spirit Through Advancements for Education." It consisted of: a model of the present Robert F. Kidd Library, a model of the new library now under construction, and a model of what the new library will look like when completed.

Dr. Byron Turner, professor of chemistry and a graduate of West Virginia University, was the guest speaker at the Oct. 5 meeting. He showed slides and talked about his experiences while visiting Europe last summer.

TKE'S CHOOSE 3 NEW OFFICERS

Iota Omega Chapter of Tau Kappa Epsilon elected three new officers on Sept. 25. They were: Robert Hays, Epiprytanis; Marshall Badgley, Hegemore; and Benjamin Henry, Hypophetes.

TKE will hold its first dance of this school year on Oct. 30. The Playboy Dance will feature the Vistas. Admission will be \$2.50 per couple.

SENIORS TAKE NATIONAL EXAM

Three dates have been announced for the administration of the National Teachers Examination, which is a requirement for graduation with an A.B. degree in teacher education.

All students who expect to complete requirements for this degree in January or March of 1966 must take the test on Dec. 11. Registration for the exam may be made through Dr. Alfred Billips, Dean of Student Affairs, before Nov. 5.

Persons completing a degree in May or July, 1966, must take the exam on Mar. 19, 1966. Feb. 11 is the deadline for registration with Dr. Billips.

The test will be given again on July 16, 1966, for persons finishing requirements for a degree in July or August of that year. Such persons must register with Dr. Billips before June 10, 1966.

"Surfside Sex" And Religion

"Christianity and the New Morality" has been the topic of discussion in the newly formed study group on the GSC campus. The study is directed by Rev. Robert M. Fuqua, the campus minister. Some of the topics already being discussed are the philosophy of Playboy magazine, the history of morality, and Playboy goes Religious.

At the last session, a small skit was read by Dennis Myers and Sharla Gladwell. It was "Surfside Sex" a sequel to the Sandpiper. Liz, a very secular woman, tries to seduce Rev. Richard who is married. As they discuss love, Liz finds that Rev. Richard is so involved in his religion that he doesn't know the real meaning of love or hope. She asks him on several occasions to make love to her, but he has to pray to forget his wife. Is this the new morality?

James Wall, editor of the Christian Advocate, says this concerning the new morality: "Sheer boredom, not a quest for adventure, leads to indiscriminate sexual activities." As the study moves along, we find many questions to be answered. Can pre-marital intercourse be moral? Should an engaged couple be given birth control pills by a campus doctor? These questions and many more will be answered during the final two sessions.

President Wilburn presents the Montrose Award to 1965 graduate John Lustig. (MER-photo by Hall)

Pioneer Band Active Again

With nearly 50 members, the newly organized Pioneer Marching Band led the GSC Homecoming Parade Oct. 2 and performed during half time at the game. Natural as this may seem, it represents a great achievement, for last year the GSC band had only seven members.

"Students have shown much enthusiasm, and we've had excellent co-operation," stated Mr. Ronald D. Ross, director of the band. However, more members are needed. Therefore, any former band member is urged to join in November, at the beginning of the second term.

Band does not detract from study time, according to Mr. Ross. "My argument is that 3:30-4:30 p.m. is dead time, anyway," he declared. "We approach band as a relaxation period, and this is a time when few people study; so why not relax and contribute to the band at the same time?"

Not content to be merely a source of entertainment at home football games, band members are planning several other activities. This Saturday, Oct. 16, they will participate in the homecoming parade and festivities at W. Va. Wesleyan College, where the GSC Pioneers will be playing. They have also planned three concerts for concert season—two during the winter and one in the spring.

When concert season begins, John Stewart, drum major, and the seven majorettes will give up

The new GSC marching band with drum major, twirler, and majorettes was one of the features of the Homecoming parade and half-time ceremony.

(MER-photo by Dougherty)

their batons for instruments. The seven girls are Sue Eddy, Carol Ross, Gradene Keller, Joanie Richmond, Sue Wine, Carolyn Miller, and Kay Burnham.

The future looks bright for the newly organized band, for they will lose only two members this

year with graduation. The 25 freshmen members indicate a strong group for several seasons, and if interest continues, there will be several additions next month.

Mr. Ross, the director, is new to GSC. He is a 1963 graduate of

Marshall University in Huntington, and spent one year as band director of the Ripley High School Band. In 1964 he went to Bloomington, Ind., to attend graduate school. From there he came to GSC with his wife and one-year-old son.

NROTC TEST SET FOR DEC.

Men who will be between the ages of 17 and 21 on June 30, 1966, are eligible to apply for the 1965 NROTC qualifying test to be given Dec. 11. Registration for the test will close Nov. 19, and applications and information may be obtained through Dr. A. J. Billips, Dean of Student Affairs.

On the basis of this test, personal interviews, and medical examinations, Dean Billips explained, over 1600 young men will be given college educations as midshipmen in NROTC units in 52 well-known colleges and universities throughout the country.

Successful candidates receive financial aid for four years of college. This includes tuition, books, uniforms, miscellaneous expenses, and \$50 per month. After completing college degree requirements and naval science training, NROTC midshipmen become commissioned officers in the U. S. Navy or Marine Corps.

During their training, regular NROTC midshipmen take three summer cruises with various naval units. These cruises help them learn more about the variety of opportunities available to them as naval officers.

Young men who are between the ages of 17 and 21, and who are high school seniors or graduates, are eligible to apply for the NROTC test. Those who attain qualifying scores will be interviewed and given medical examinations next January and February.

Queen Patsy Ruth Reigns Over Thirty-Second Annual Homecoming
