SMASH THAT PROFESSOR'S NAME TO RELIEVE 'PENT-UP' TENSION

By HARRIETT SHORTLEY

With finals approaching, what thoughts come to your mind? All-nighters? . . . coffee? . . . holding up weary eyelids? . . . exasperation over the impossible? . . . more coffee? . . . trying to catch a quick 40 winks? . . . sticking pins in a voodoo doll of a certain professor? . . . studying in the hall by a dim light? . . . falling asleep for the night with a book in your hands?

If any or all of the above conditions created by finals is appli-

cable to you, then take heed. Here is the tension reliever that you long for: This evening from 5:00-7:30, you can legally hit your "favorite" professor with a sledge hammer—his name, that is. The GSC Band will have the names of all professors painted on a car, and for a quarter you purchase the right to strike the name of one who causes you special anxiety.

Glenville Motor Sales Company donated the car which will be parked on Verona Maple lawn for the tension-relieving smash.

"Oh, my gosh! No, Gary!" Dr. Alfred Billips screams. "Not my car! You're supposed to smash my name on the band's car." The tension-relieving smash will be on Verona Maple lawn this afternoon.

Literary Publication Considered for GSC

Dear Editor,

Glenville State College is among the schools in this state which have no literary publication. Members of the Literary Society have become interested in such a publication and we have even agreed to do the work of preparing copy for the printer.

However, certain major problems must be solved before such an idea can advance even to the stage of specific, serious planning. One of those problems will be money. We have considered the question of where funds for such a project might be obtained and have thought of a few possible sources. Any ideas or suggestions on the matter would be most welcome, though.

Although money will surely be a problem, there is another more basic question: Would there be enough student interest in a literary publication to make it worth the time and money that would necessarily be involved? If such a magazine is to become a reality, we must be assured of student contributions. Most publications of this type include short stories, poems, essays, and wood cuts. Before we can continue our plans, we want to know if enough students would contribute such creations for publication. If not, the idea is futile.

Therefore, we are writing this letter in an attempt to determine student interest in a literary publication of the type that we propose. Any student who is interested and would be willing to submit some type of original work is asked to see either Dr. Espy Miller, our advisor, or any of our members.

The response we receive or the lack of it will be the basis for our decision to continue planning or to scrap the entire idea; so, if students are interested, they should surely make it know to use.

Outside the weather was not cold, but inside there was a Snow Ball! The semi-formal dance, sponsored by the Delta Zeta Sorority, was held in the ballroom of the Pioneer Center on Saturday, Jan. 7. Featured band was the Pastels of Parkersburg. The dance lasted from 9:00 to 12:00 and admission was \$2.50. Each girl received as a souvenir a snowball with the letters DZ in gold.

Delta Zeta pledges and actives decorated the ballroom Saturday afternoon. As couples entered through an archway, it seemed the ballroom had turned into a winter wonderland with snowmen, boughs of pine, drifts of snow and huge snow flakes on windows and doors.

Friday night the DZ's also sponsored a mix from 10 to 12 after the game. The victory of the basketball game put spirits high and everyone was in a dancing mood. Featured at the mix were the GSC Greeks.

The event will begin at 9 p.m. and will conclude at 1 a.m. Entertainment for the dance will be provided by the V.I.P.'s of Tech. The formal affair is girl-ask-boy and tickets will be available for purchase the week preceding the dance. Tickets can be obtained from any Alpha Sig member or pledge.

Jo Ann Rogers is the general chairman of the dance committee and was responsible for the band committee also. Special bags containing assorted toys, candy and other treats were presented to the boys by the pledge class. Terrycloth slippers were made and presented to the boys by the members.

The actives and pledges of Gamma Kappa Chapter again ate dinner together Thursday, Jan. 12. This monthly activity occurs every second Thursday.

OHNMINGOHOW INITIATES 7

The initiation for the fall pledge class of Ohnmingohow Players was held Tuesday, Jan. 10, in the Old Louis Bennett Lounge. The requirement for Ohnmingohow membership is five hours of active work in the speech field and a devoted interest in all phases of dramatic work. Those who expressed this interest and were thereby initiated into Ohnmingohow Players were Patrick Kerr of Parkersburg, Michael Ireland of Auburn, Ella Jane Maxwell of Parkersburg, Kenneth Coleman of Williamstown, Larry Reed of Parkersburg, William Lewis of Jane Lew, and Thomas Carter of Pennsboro.

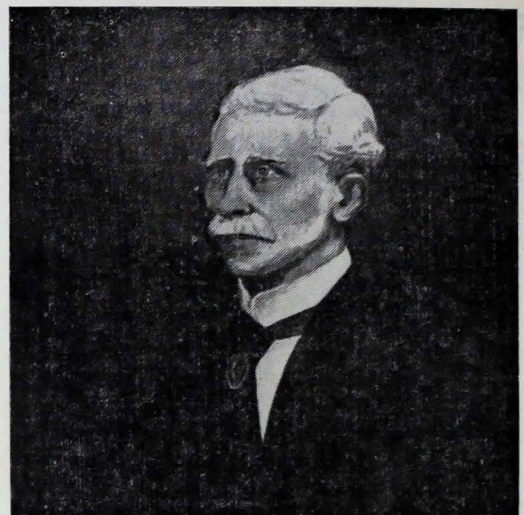

Fiat Offered In Drawing

Who would like a 1967 Fiat 600 Sedan for the extremely low price of \$1,000? Just about everyone would and the Tekes are providing this opportunity by selling chances on a brand new red Fiat.

The drawing for the Fiat will be held May 10, so there is plenty of time to buy as many tickets as are desired.

The special features of this beautiful red Fiat are: white wall tires, adjustable bucket seats, full size heater, signals, fold-down rear seat, leatherette upholstery, dual spray windshield washers, built-in courtesy lights, full width utility shelf, padded dash, padded dual sunvisors, ashtray, bumper guards and a tool set.

The Christmas party given for the less fortunate children of Weston by the Tekes was held Dec. 18 with 68 children attending. Santa Claus made his appearance with gifts for every child. They also played games and sang Christmas carols. At the conclusion of the evening Tekes fraters served dinner to the children.

Mr. James Rogers, instructor in art, has painted this portrait of Louis Bennett which will be hung in the lounge of Louis Bennett Hall.

Alpha Psi Honors 5 DZ'S SPONSOR DINNER, DANCE

Alpha Psi Omega Honorary Dramatics Fraternity, Theta Alpha Cast, initiated four new members and conferred one honorary membership Jan. 12, in the Pioneer Center ballroom.

Membership in the fraternity is extremely limited over all the United States, and is granted only after prospective candidates have made outstanding and meritorious contributions in several phases of the dramatic arts. Those initiated into regular membership were: Paula Cottle, David Bennett, Gary Farnsworth and Dennis Myers.

After securing permission from the National Grand Cast, Theta Alpha conferred an honorary membership upon Mr. Richard Shurtz. Mr. Shurtz is only the second person in the history of the cast to be so honored.

A senior speech major from Spencer and the only lady pledge, Miss Paula Cottle has participated in such productions as *The Drunkard*, and many more.

David Bennett, nineteen-year-old graduate of Point Pleasant High School has been active in such productions as *The Cavedwellers*, the "One-Acts", the revue "The Smallest One," and *The Fantasticks*.

COLLEGE MEN PREFERENCES VOICED VIA CAMPUS SURVEY

Editor's Note: This story was suggested to the MERCURY by an article received from the Scholastic Research Center, an institute of public opinion. The figures quoted represent results in a survey conducted on the GSC campus, however.

By JANET KESTERSON

Young men today prefer to fulfill their obligation to their country through military rather than non-military activities, according to a survey conducted on the GSC campus. Seventy-seven per cent of those questioned preferred the armed forces to Peace Corps, Medical Corps, Vista or related programs. Fifteen per cent checked the latter while eight per cent were unsure.

When asked if they favored the United States adopting a national service program under which young men could participate in either military or non-military activities, only 27 per cent voted yes while 67 per cent voted no.

Girls were asked if they believed a national service program should include involuntary service for women, for tasks of protecting, conserving and developing our country or those we wish to aid. Thirty per cent favored the idea, while 69 per cent did not.

If a national service program were to be adopted, 56 per cent of those questioned believed that stricter requirements, such as

longer duration and lower pay, be placed on those entering the non-military.

To the query "should every able-bodied American boy 18 years old be required to go into the armed forces for at least one year," 40 per cent answered yes and 50 per cent answered no.

A suggestion has been made that the military draft system be replaced by a lottery, once a year for all 18 and 19 year-old men who are mentally and physically able to serve in the armed forces. To this suggestion, 96 per cent believed it to be a poor idea, while only two per cent believed it to be a good idea. Two per cent were unsure.

Among the numerous reasons for thinking it a poor idea were, "It would substitute chance for judgment; it would not provide a fair hearing for deserving individuals; it would be no improvement over the present system, and it would not enable the Armed Forces to have the men they want."

Alumnus Wins Prize In Book Club Contest

The Rev. William Richards of Brandywine, has won the \$50.00 first prize in the Cokesbury Book Club contest. The award-winning work was a review of a recent book club selection by William Stringfellow, "Dissenter in a Great Society" in which the motives of the Christian are examined and a philosophy of involvement in social issues is discussed.

Mr. Richards is a 1951 GSC graduate and is married to the former JoAnn McNemar, 1952. They are the parents of four daughters. Richards is the pastor of five Methodist churches between Moorefield and Monterey. JoAnn is a remedial reading teacher in the Franklin Grade School.

Poetry Conclave Scheduled For Concord College

Concord College in Athens will be the host college for the 1967 Poetry Conclave on April 29. Student poetry will be read at the meeting, and GSC has been asked to submit some work.

Interested student poets should take examples of their work to Dr. Espy Miller, chairman of the language division, before Mar. 15. He will select up to four poems from each student to be sent to Concord.

GARY BLAKE

G. Blake Selected For Honor

Gary Blake, 23-year-old senior and All-Conference end, has been selected All-American honorable mention. While playing his last season at Glenville, Blake caught 31 passes for 358 yards gained and 4 touchdowns.

A 6'1", 195-pound senior from Richmond, Blake is now doing his student teaching at Parkersburg. He is a physical education major and is minoring in art.

Blake, a regular starting offensive end, also started defensive half back for his last three games. Besides lettering in football, Gary also lettered in basketball and golf during his college career.

He will graduate at the end of this semester and plans to teach in Parkersburg.

Coach Adolfsen has announced there will be individual and dual sports starting the first week of February. The sports will be wrestling and handball.

These sports will be based on individual or paired competition since some handball games will be played with doubles. The team sport of basketball will also start about the same time.

There will not be a volleyball playoff, but the total points will appear in the next Mercury.

Louis Bennett Hall, Verona Maple, and Women's Hall will be open during the semester break according to the office of Student Affairs. Although the dormitories

Pioneers Win Four, Lose Three Ballgames

By SAM HALSTEAD

The Pioneers jumped to a 9-2 lead early in the GSC-W. Va. State game Dec. 9, but State soon found the range and rebounded to a 68-42 halftime lead. In the second half, Glenville rebounded to a 48-47 second-half victory, but the final score was 107-94 with State the winner.

Robert Minnieweather led the scoring for Glenville with 21 points, followed by Edward Johnson's 16 points, Jack Robinson's 15, and Carlton Spicer's 14 points. High for State was Dave Hamilton with 35 points.

GSC vs. Morris Harvey

The high flying Eagles with their speed, height, and great balance make a combination that wins, and they won over the Pioneers 111 to 74 on Dec. 10. Minnieweather was again high for Glenville with 15 points. Roger Hart and Jim Hayes shared high point honors with each scoring 20 points for Morris Harvey.

GSC vs. W. Va. Tech

On Dec. 12 the Lilly Men tar-

nished the W. Va. Tech Golden Bears 89-75. The Pioneers' rebounding was the key to victory. Tech had a good shooting percentage, but could not secure the ball often enough to score more points due to the Pioneers' superior board control. Robert Minnieweather, Jack Robinson, and Carlton Spicer scored 24, 21, and 19 points, respectively. Dave Eisel led Tech with 22 points.

GSC vs. D & E

Glenville beat Davis and Elkins 97-69 Dec. 14, pulling steadily away in the second half. The first half score was 49-41, in favor of Glenville. The second half score was 48-28 with Glenville leading. It was Glenville's tight defense in the second half that routed the Senators. Ed Johnson was high-point man for Glenville, scoring 21 points.

Minnieweather scored 20 points and Steve Spicer added 17 points for the Pioneers. Ron Kyle scored 24 points for D and E's high-point honor.

GSC vs. A.B.

On Jan. 4 Alderson-Broadbuss balanced a attack outlasted the Glenville Pioneers 122-101. A-B's Tim Brinkley pumped 25 points in for a game high. The AB offense was too potent for Glenville to contain. Minnieweather was high with 22 points, and he was followed by Jack Robinson's 17 points for Glenville.

GSC vs. Concord

The Lilly men downed Concord 81-78 in a tight game Jan. 6. Glenville's attack continued, and the Pioneers posted another victory. Minnieweather led all scores with 22 points. Paul Layne was next with 16.

Other scorers were: Jack Robinson, 15; Steve Spicer, 9; Carlton Spicer, 5; Ed Johnson, 6; and Jerry Wolfe, 8.

GSC vs. Shepherd

The Glenville Pioneers outplayed the Shepherd Rams 86-72 on Dec. 9. The Pioneers ran the Rams down with their fast break and the Pioneer defense checked the Rams slow offense.

At halftime, Glenville commanded the scoring 41-34. Paul Layne led Glenville's scoring with 24 points.

ASA Sets Projects

The pledges of Alpha Sigma Alpha were required to carry a raw egg Thursday from 8:00 a.m. to Saturday 2 p.m. of last week. The egg had to be initiated by all the actives. If the egg broke, the pledges had to start all over again with a new egg. At noon Saturday the pledges handed the egg over to their big sisters.

For Christmas the girls prepared a basket for a needy family. They also fixed sacks, decorated with ribbon, for some boys at the Colin Anderson Center at St. Marys Training School. These are the same boys which the actives sponsor.

They have also made posters for basketball games. The actives challenged the pledges to a scholarship contest. They will see whether the pledges or actives have the highest grades at the end of the semester. The losers will treat the winners to dinner.

The pledges have been working on two projects for their big sisters. One is a wooden star which is to be signed by all the actives and pledges and shellacked. They also have to make a pillow or cushion.

They are also hoping to sponsor a mix the night before the Sweetheart Ball. They will help with the Sweetheart Ball, too.

At the last pledge meeting, the actives surprised the pledges by a coke party after the meeting.

'G' Letters Given To Eight Women

Script 'G' varsity letters were presented Monday night at Majors' Club meeting to eight women.

They are Kathryn Roten, Patricia Metz, Paula Strader, Carla Davis, Jackie Kaffer, Ursula Hamblin, Julia Mackey and Mary Louise Poling.

MILLERS VISIT NEW YORK CITY

Dr. and Mrs. Espy Miller spent four days during the holidays in New York City. The purposes of their trip were to attend the meeting of the Modern Language Association and to attend several plays.

Edward Albee's *A Delicate Balance* was one of the plays seen. It was presented in the Vivian Beaumont Theatre at Lincoln Center. The theatre is theatre-in-the-round, in which the stage is projected into the audience section and does not use a curtain. This method enables the audience to feel closer to the stage and the actors.

Although, Dr. and Mrs. Miller liked Albee's play they thought that much of the dialogue had been taken from "Who's Afraid of Virginia Woolf." Hume Cronyn and Jessica Tandy were the leading actor and actress. They were husband and wife in the play as they are in real life. Dr. Miller first saw Hume Cronyn years ago when Cronyn played Hamlet in Weston with the Barter Theatre group.

They also attended several of the foreign film theatres in the east side of Manhattan. There was no great demand for tickets to the serious productions as the tourists were only interested in the musical comedies.

The Millers have attended several M.L.A. meetings which are held annually.

RCIE Selects GSC As 67-68 Core College

Glenville State College has been selected from several other applicants as a core college of the Faculty Institute for International Studies of the Regional Council for International Education for the school year 1967-1968.

The Regional Council is composed of colleges and universities in Ohio, Pennsylvania and West Virginia. There are four core colleges for the Faculty Institutes each year. The Faculty Institute was started in 1964 with a grant from Ford Foundation. Each year the topic is different and includes Asia, Africa, Latin America and Eastern Europe.

Glenville State College has participated in this program for two years. Last year representatives of the college were sent to Davis and Elkins college. This year the institute is at West Virginia Wesleyan College. Our representatives to this year's institute are: Nicholas Murin, Loren McCartney, William Morrow and James L. Smith.

Being a core college means that seminars will be held at the core college on Fridays. They have seminars every other week for six times in the fall and six meetings in the spring. The Regional Council sends lectures to these seminars that are specialists in a field related to the topic. The core college provides the facilities for the seminars and the evening meal. The lecturer often sends a list of books to all members, so they can be reading about the topic of his lecture.

The Regional Council contributes to the core college library. The core college will receive a grant to buy books for their library as does each participating college. Each faculty member who participates is entitled to a

certain number of books on the topic of the institute for the year.

The topic for next year is, "Eastern Europe and Soviet Union Seminars." Nicholas Murin will be the director of the institute at GSC. Murin stated that the institute is open to any faculty member who is interested in enriching himself in the area of the topic. They have not made any definite plans for the institute that will be here except that the members will have use of the new Robert F. Kidd Library.

The seminars are not just lectures. After the lecture they have an informal discussion and get together.

FAO Group Studies New Year System

The Glenville State College Faculty-Administrative Organization has appointed a special committee on Study of the Organization of the Academic Year. Members of this committee are: James Brown, Lillian Chadock, Stanley Hall, Beryl Langford, Jesse Lilly, Miss Ann Lorentz, Espy Miller, Charles Scott, Delmer Somerville, David Swanzey, Max Ward, Howard Warren, Nelson Wells, Page Shanklin and Miss Sandra LeGrande. Byron Turner is chairman of the committee.

At least two factors have been responsible for the initiation of this study: a number of faculty members have expressed dissatisfaction with the present term-semester plan of organization; the accrediting agencies, especially the National Council for the Accreditation of Teacher Education, have taken a critical look at this plan and have recommended that certain changes be made for the improvement of the teacher education program.

The committee is currently beginning its study of the present system and is considering the merits of various alternative plans of organization, including a return to full 18 week semesters for all courses, a modified semester plan, a trimester plan, a quarter plan, and others. It is planned for the committee to complete its work and present a recommendation to the Faculty-Administrative Organization early in April.
