Nocida, Butler Tie for GSC Cheerleader Honors

Beverly Butler

2 Representatives Vie For USA Title

Beverly Butler and Catherine Nocida have been selected to represent Glenville State in the Miss Cheerleader U.S.A. contest to be held in Cypress Gardens in December.

Bev and Cathy were selected by a special committee selected by the Mercury staff on photogenic qualities, ability to enthuse the crowd, and through special interviews. Because there was a tie, these two candidates were selected instead of one.

Bev is the daughter of Mr. John E. Butler of Rt. 1, Cambridge, Ohio. She is a senior elementary education major and is serving her first year as cheerleader. She was graduated from Cambridge High School in 1964 and attended Ohio Valley College in Parkersburg from 1964 to 1966.

Cathy, who is head cheerleader, is the daughter of Mr. and Mrs. Carmelo Nocida of 111 North Lewis Street in Glenville. She is a sophomore majoring in elementary education. She was graduated from Glenville High School in 1966.

To be a candidate for Miss Cheerleader U.S.A., the co-eds must be currently attending a college or university in the fall term of 1967 and must be a member of the cheerleading squad.

An 8x10 black and white action shot of the contestant in uniform must accompany the entry. A head shot and negative for each picture must be included.

Five finalists are selected from the 8x10 photographs submitted from cheerleaders throughout the United States. They are awarded an expense-free trip to Cypress Gardens for final competition to select Miss Cheerleader U.S.A.

The finalists will be notified on or before November 22, 1967 and will be flown to Cypress Gardens on December 26 for four days of competition.

Cathy Nocida

Special Committee Named To Study Cafeteria Food

New steps are being taken to improve the present condition of the GSC cafeteria food. The Administration's committee on this consists of Dr. Alfred Billips, Mr. William Osborne, and Miss Alice Strader. Also serving on this committee are Mrs. Mildred Stoneking, acting director of the cafeteria, and Mrs. Monoka Turner, secretary. They will be helping in this capacity until the position of the Director of Food Service has been filled.

Meet Focused On Teaching

Kappa Delta Pi, national honorary educational fraternity, and the Student Education Association will co-sponsor "Focus on Teaching Day," on November 1 in the college auditorium. Invitations have been sent to 30 surrounding high schools, with five seniors interested in teaching and a sponsor as representatives. The day will begin at 10 a.m. and adjourn at 3:30 p.m.

President D. Banks Wilburn will welcome the delegates at the general meeting in the morning. Included in this morning session will be talks on teacher preparation, teaching policies, and loans and scholarships. The morning sessions will be conducted by officers of Kappa Delta Pi. A tour of the campus will proceed lunch to be served in the cafeteria.

Dr. Billy Ross, chairman of the division of education and psychology, will discuss "Focus on Teaching" at the afternoon session. He will speak on the profession today looking toward tomorrow, according to Mrs. Jean Wright, sponsor of Kappa Delta Pi. Immediately following this, the delegates will meet with department heads in the fields in which they are interested.

A reception in the ballroom will follow with entertainment to be provided by the College Stage Band.

The committee which is representing the students includes Jack Albert, Diana Fankhauser, Martin F. Dotson, and Reba Le Baron. Diana Fankhauser has been appointed chairman of this committee for menu revision. She, with the help of the other students, will be working with the home economics department. Martin Dotson was appointed to check the operations of the food service which includes such things as the equipment setup and the serving.

Major complaints concerning the food were that it has been served cold, and there is not enough variety in the menus. Any student wishing to express his complaints about these menus should submit them to Miss Fankhauser.

Vice-president of the State Board of Education, Robert Abbot is shown presenting Albert Carlson, librarian, the keys of the new Robert F. Kidd Library.

Kidd Library Is Dedicated; Mr. Carlson Accepts Keys

Under the balmy skies of an afternoon, the "friendly campus" of G. S. C. greeted over a thousand guests including U. S. Senator Jennings Randolph and West Virginia's Secretary of State Robert D. Bailey, as they gathered for the dedication of the new \$916,000 Robert F. Kidd Library, Friday, October 13, at 1:30 p.m.

Senator Randolph, as dedicatory speaker, stressed the importance of a good education for the future of West Virginia. He stated that a well-equipped library is the basis of a student's pyramid of learning and said that Glenville State College could be proud of the addition to its fastly growing campus.

Following the invocation given by Reverend D. Bayer, pastor of Trinity Methodist Church, greetings were brought to the crowd by Secretary Bailey, W.B. Burke, member of W. Va. House of Delegates, and Boyd C. Collins, mayor of Glenville.

Also included in the list of guests was former librarian, Miss Alma Arbuckle, Robert P. Griefe and Alfred H. Hoblitzler, architects of the building.

Under the direction of Robert H. Ellis, the G. S. C. Choir presented "Sing Unto God" by Fetter and "These are The Times" by Bryan.

Following the Alma Mater, the ceremony was closed with the benediction by Reverend B. Blake Breitenhirt, Jr., pastor of Glenville Presbyterian Church.

Examination Schedule Posted For Nov. 8-10

It's that time again. Exams will begin Wednesday, November 8, and end at 2:45 p.m. on Friday November 10. No class will meet after 12:15 p.m. on Wednesday.

Students in courses having multiple sections must take the examinations at the time scheduled for the section in which they are enrolled.

Examinations in night classes will be held at the regular time except any which are scheduled for Friday night. These will need to be rescheduled to meet earlier in the week.

All classes meeting at:
8:00 will have examinations on Thursday at 8:00 - 10:00 a.m.
9:05 will have examinations on Friday at 8:00 - 10:00 a.m.
10:10 will have examinations Thursday at 10:05 a.m. - 12:05 p.m.
11:15 will have examinations on Friday at 10:05 a.m. - 12:05 p.m.

12:20 will have examinations on Wednesday at 2:50 - 4:50 p.m.
1:25 will have examinations on Wednesday at 12:45 - 2:45 p.m.
2:30 will have examinations on Friday at 12:45 - 2:45 p.m.
3:35 and classes having a conflict in the above schedule (see the Dean of the College for other arrangements).

'Do Unto Others . . .'

Every day, Miss Jewell Mathews goes by the Pioneer Center with a group of Kindergarten children, and it's always interesting to observe the orderly way in which those children proceed. They actually walk in a straight line!

Perhaps walking or standing in a straight line seems simple, but it is obviously to complex a task for many GSC students. Do you find that hard to believe? Just try going to dinner in the upper cafeteria some evening. If you come out alive, you will surely agree that it would be impossible to find more rude, inconsiderate persons than some you will encounter there.

It is not unusual to find as many as four lines of students trying to crowd through the door of the cafeteria simultaneously. An honest person who stands in line and awaits his turn will probably wait 40 to 50 minutes while scores of mannerless students push into the line ahead of him. It is undoubtedly the most disgusting display of boorishness on this campus.

True, the cafeteria lines move very slowly. True, there is very little space in which to form a line. But aren't those just additional reasons for each student's waiting his own turn? Although some seem to consider themselves better than others, the fact that all have paid the same amount for board leads to one indisputable conclusion: Not one student has any more right to be first in a meal line than any other.

Doesn't it seem only fair, then, that each person should go to the end of the line when he arrives? And couldn't we somehow manage to stay in a single line? Would it help to paint yellow lines on the floor indicating lanes of single-file students? Or will nothing short of an administrative appointed overseer bring some semblance of order to our cafeteria lobby?

The decision is ours. If we want to solve the problem ourselves, we can—with the cooperation of every person involved. On the other hand, if we let the situation continue as it has been, steps will almost certainly be taken by the administration.

Cheers and praise for the GSC choir. At the dedication of the new Robert F. Kidd Library on Friday, October 1, the choir under the direction of Mr. Robert Ellis, sang **These are the Times. These are the Times** was not originally meant as a song, but was part of a pamphlet written by Thomas Paine during the period of unrest preceding the American Revolution. The pamphlet was simply **Common Sense**, and that's what it was. It spelled out in plain and simple everyday language why the American farmers and workers should not and did not have to cope with English tyranny.

Common Sense became a scripture for the American patriot. An issue of the pamphlet was released during that icy winter when Washington's tired and ill-supplied army was encamped across the Delaware from Trenton. A paragraph of the pamph-

let reads as follows.

"These are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of his country, but he that stands it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict the more glorious the triumph. What we obtain too cheap, we esteem too lightly; it is dearness only that gives everything its value.

Heaven knows how to put a proper price upon its goods; and it would be strange indeed if so celestial an article as **FREEDOM** should not be highly rated. The first lines of the paragraph were put to music, and the number was done very well by the choir.

Paine's words have lived. They

Library Error Causes

Student Embarrassment

Dear Editor:

On Oct. 13, 1967, the Robert F. Kidd Library was officially dedicated and open to the public. Many prominent persons were on hand to discuss future plans, compliment, and add flowery remarks about the Robert F. Kidd Library.

Ever since the library was opened to students last year, there have been many embarrassing moments for patriots of the library. These include letters of over due books, notices for the entire student body to see, public affection displayed in the library, and many others.

In several of these cases the library staff has been wrong but have failed to admit their mistakes. One case in particular embarrassed me in many ways.

During the third term of the 1966-67 academic school year I borrowed six books from the library for research in English literature. The books were returned one day overdue and a fine of sixty cents was charged.

I paid this fine only to find a notice in the mail several weeks later saying that I owed a fine and a book to the library. My name was also listed among my fellow colleagues who failed to return books or who the library staff had failed to clear.

I proceeded to discuss this fine with a member of the staff and was told that my name had been cleared. After this I thought no more of it until another notice appeared in my mail box.

The librarian then reassured me that I was not guilty and there had been a mistake.

My sophomore year then ended and I went home for the summer. After waiting three weeks for my grades, I wrote a letter to Dean Billips inquiring about failure to receive my grades. He wrote back that the grades were being held until a library fine was paid.

I wrote a letter to Mr. Carlson which was unanswered. I then called the library and was told that I would hear from them soon. This act was never carried out until my mother wrote a letter of inquiry to them.

Finally, on August 15, 1967, I received my grades and a letter which politely stated that I could not enroll in school until I paid a fine of over seven dollars.

When I arrived at Glenville for the 1967-68 academic year I went to pay my fine and was told that it had been cleared.

Never once in all of this ordeal did anyone take the time to hunt for the book which had been misplaced by a librarian, and no one offered an apology.

However, this is only one phase of the trouble with the Robert F. Kidd library. The magazines are incomplete, books are misplaced, microfilm files are not indexed properly, microfilm machines do not work, rules are not enforced, and many other faults can be found.

Surely for a million dollar project the library can maintain more efficient ways to operate the library. The library is now a nuisance to the entire student body, faculty, and others.

Remember, a great person is one who admits his faults and corrects them.

Robert Cribbs

Homecoming Becomes History

Fellow students,

The 1967 Homecoming of Glenville State College is now an event in the past. It is the feeling of the Student Government Association that it needs some small mention before it is tucked away into the history of GSC.

A valid theory states: give credit where credit is due. This homecoming at GSC deserves a great deal of credit. It deserves a place of acknowledgement on the college records, as one of the most successful pieces of work ever accomplished at this institution.

Every person that took part in making this homecoming at GSC deserves a reward. Everyone did receive a reward, that being satisfaction. Satisfaction in knowing this event was successful and perhaps the best homecoming ever held at GSC.

We of the Student Government Association are proud of the work done by everyone. Every part of this homecoming leaves a clear and lasting impression, one can never erase from his past. From the library dedication, bond fire, parade, football game, and the climaxing Homecoming dance, the feeling of homecoming tied our college together. Student working with student to give glory to old GSC. The student cooperation and participation was excellent and for beyond compare to any other previous homecoming.

The parade was the most impressive and largest ever held here. The football game had perhaps more people in attendance than ever before at Rorborough Field. The homecoming dance rated high in student and alumni participation. But most of all these events were linked together by the spirit and interest on an involved student body.

It is hoped that this article in some small way can give thanks to those who worked so hard to make this year's homecoming a success. If you are one of those people then give yourself credit for a job well done. Glenville State College can now look only into the future, and hope with the help of good experience to make the next homecoming an even bigger and better event. With the same good student cooperation in the future, the efforts should not be in vain.

Larry Parsons,
SGA President

Letter Praises Donors

Dear Sir:

May I take this opportunity to call to your attention a most gracious act by five members of your student body: Mr. Bob Groves, Mr. Frank Waldeck, Mr. Mick Cooper Mr. Gary Apell and Mr. Richard Messinger.

My aged mother, being very ill, was in need of blood transfusions and these students stepped forward and volunteered as donors. May I point out that these same strong young men, not being acquainted with my mother, made this contribution because of their respect and compassion for a less fortunate one.

We are indeed proud of these fine men and feel that the principle on which they based this act of human kindness is one for which all men should strive to emulate.

We wish also to express our appreciation to Coach Lilly and Coach Adolfsen for their kindness and help.

Earl J. Gainer

Mercury Staff Commends Glenville Townspeople

Thoreau once said, "If you have built castles in the air, your work need not be lost; that is where they should be. Now put the foundations under them." We as students of GSC are building foundations for our "castles in the air." We build our foundations through academic achievement. We also build foundations through our associations with others.

Currently, the people of the town of Glenville are adding greatly to our foundation. The local Jaycee's gave awards to several businesses for their decorations for our 34th annual Homecoming. The support of the town has greatly aided the college and will help again in the near future.

One facility which is greatly needed by the college is a medical center. According to Mr. James White, the Jaycee's are near the conclusion of their drive for a local medical center and are currently seeking a physician who could supplement the local doctors. The new center will provide office space for two physicians and an emergency service.

Recently, the townspeople expressed their appreciation to the college by sponsoring a faculty dinner. This act brought the town and faculty together, thus closing the gap between the college and the community.

GSC has long had a reputation as "the friendly campus." This slogan cannot be the entire work of the student body. Our community has offered a friendly "hello" and a bright smile to all visitors.

Let's not forget our major crisis last spring --- the flood. Without the cooperation of both the college and the town, Glenville could not have recovered so well. Now, we, as students, are being called up when help is needed. We give blood to the sick and spend countless hours fighting forest fires when the need arises. Yes, we have closed the gap between the college and the community and we, the students of GSC, would like to express our deep appreciation to the town of Glenville for their cooperation in making our school a better place to study.

Dennis Myers

Dr. Wilburn, college president, looks on as the homecoming game. Dr. Wilburn, college president, looks on.

As I See 'Em . . .

by Ken Cutright

Although the Pioneers dropped their first game of the season last Saturday at Fairmont, the many students and fans attending the game never let down. To the final whistle they were on their feet, cheering and screaming, letting the Pioneers know they were behind them.

During the game, when several bad breaks befell the Pioneers, the students maintained a positive, never-die attitude instead of a negative booing-the-officials attitude.

Following the game, Coach Bill Hanlin made mention of the way in which the GSC supporters had conducted themselves and said that he was very pleased with the loyalty they had shown to the team and the fans are to be commended for the way in which they represented GSC.

It is hoped that the followers will remain as loyal throughout the remainder of the season.

Fairmont Bigger

The Falcons were a bigger and more experienced ball club than the Pioneers, but the big difference was their 6'1" and 200-lb. fullback, Larry Blackstone. Blackstone carried 16 times for 185 yards, an unbelievable 11.6 yards per carry.

Fairmont rolled up 342 yards on the ground, 263 above the GSC offensive average and 25 more than the first four opponents combined could grind out. This outburst topped Glenville's rushing defense 52 yards, from 79.2 to 131.8 and the passing defense 11 yards.

At the same time, Fairmont's defense held Glenville to 119 yards, 58 yards below Glenville's game average of 277 yards.

Glenville travels this week to meet the Titans of Westminster, Saturday, Oct. 28.

Happening

(Continued from Page 2)

ere broadcast to occupied Europe during World War II, and today they are even more appropriate.

In a nation at war with one of the greatest forces of tyranny since time began the "sunshine patriot and the summer soldier," as well as the bearded demonstrator and the draft dodger, should have no place in the ranks of those "who stand it O.W." We should and must become united in our fight, as to end it soon.

Happening soon hereabouts: Kathy Casto is the Madwoman of Chaillot in the upcoming GSC production. With the help of a pickpocket, the King of the Sewers, a mad old doctor, and other assorted riff-raff, the good countess cleans up Paris. Jean Giraudoux created these people in his riotous two-act, *The Madwoman of Chaillot*. The Stewart Beach production will be presented here with an all-star snicker (and snack) cast November 21, 22, and 23. Don't miss it!

Also coming soon: Sadie Hawkins Week-end, the Delta Zeta

"Extravaganza" and other good things.

Somebody defined BUCCANEER as a heck of a price to pay for corn; and HARLOT as a place to buy new and used hars.

Happening next week: The Old Legend.

William Powell Is Featured Entertainer

William Powell, classical guitarist from Parkersburg, was the featured entertainer at the first regular meeting of MENC on Oct. 10. Powell, who teaches privately in Parkersburg, prefers the term "serious" to "classical" guitarist, since his repertoire includes contemporary works as well as music representative of all historical periods, beginning with the 15th century. His program included numbers by J. S. Bach and several composers. Spanish.

Pioneers Upset By Fairmont Falcons; NAIA Conference Title Lost By 21-0

In a battle of the unbeaten Saturday, Oct. 21, at Rozier Field in Fairmont, Fairmont unleashed an overpowering offensive attack enroute to a 21-0 victory over league-leading Glenville.

The first quarter was scoreless, but Fairmont began a drive early in the second quarter, going to the GSC three before giving the ball up on downs.

Glenville, failing to gain enough yardage for a first down, punted, giving Fairmont control on the Pioneer 48. On the next play, Larry Blackstone, Falcon fullback, went 33 yards to the 15 before being hauled down from behind by John Flint. A penalty moved the ball to the seven and two plays later, tailback George Edwards went in for the score. John Huff kicked the point after.

Glenville took the ensuing kickoff and, again failing to gain the first down, sent Joe Smith into deep punt formation. Smith, noticing the set-up for a punt return, instead ran the ball 29 yards for the first down on the Falcon 36-yard line. Marcus McPhail then ran to the 16 for another first down. Glenville was held though, and a field goal attempt by Bill Frost went wide to the left. The half ended with Fairmont leading 7-0.

The Falcons took the second half kick-off and marched 82 yards to pay-dirt. A two-yard run by Dwight Carpenter capped the drive, while runs of 33 yards and 10 yards by Blackstone highlighted this series of downs. Huff again added the PAT.

Fairmont later drove twice to Glenville's three and seven-yard lines only to be stopped by the determined Pioneer defensive unit.

Fairmont added another score with 2:01 remaining in the contest when they went 32 yards in two plays. A pass from Michaels to Dave Coe put the ball on the GSC eleven and a pass to Carpenter was good for the TD. Huff's kick made the score 21-0.

Larry Blackstone led all rushers with 185 yards in 16 carries. Steve Seals led Glenville with 40 yards in 10 carries.

Hanlin Men Tame Bobcats As Homecoming Game Won

Glenville rolled to a 20-0 homecoming victory over the visiting Bobcats from Wesleyan and vaulted into first place in the WVIAC standings, before a standing room only crowd at Rohrbough field Saturday, Oct. 14.

Steve Seals hit pay dirt from four yards out, after only 2:30 had elapsed in the first quarter of play. Glenville recovered a Larry Rhoades fumble on the Wesleyan 27 following the opening kickoff and scored just three plays later, as a McPhail-to-Haught aerial moved the ball to the four, from where Seals moved across for the score. Bill Frost's

kick gave GSC a 7-0 advantage.

Glenville scored again in the second stanza when Jim Sprague pilfered a Tom Black pass and weeded his way 46 yards for an apparent TD, but a clipping penalty on the 22 moved the ball back to the 37.

After a two yard loss, Mike Deem hauled in a pass from Marcus McPhail to give the Pioneers a first down on the 25-yard line of Wesleyan. Seals moved the ball to the 22, and on the next play, Tom Haught went off right tackle and cut back, running unmolested into the end zone. Frost again booted the PAT.

With 3:11 remaining in the half, Haught snagged a McPhail bomb on the 17 between two defenders, and magically escaped for a 47-yard TD, but a penalty again nullified the play. The half with GSC in front 14-0.

Glenville scored again in the third canto, taking the kickoff and marching 83 yards in 14 plays. Haught upped the drive with a one-yard plunge to give Glenville a 20-0 bulge. Frost's try for the PAT failed.

On the first play of the fourth quarter, with the ball on the one-yard line, Glenville fumbled away another scoring opportunity. Wesleyan took the ball and marched to the 33 of Glenville, their deepest penetration of the day. Wesleyan gained much of their 115 rushing and 94 passing on this one drive.

Glenville had 162 rushing and 106 passing and a 12-8 advantage in first downs.

Outstanding for Glenville were Jim Sprague, Dale Sheets, Joe Scalise, Tom Haught, and Joe Painter.

Scoring by Quarters

Glenville	7	7	6	0	20
Wesleyan	0	0	0	0	0

Players Of Week Named; Sheets Is Conference Back

Players of the week from the Wesleyan game have been announced by Coach Bill Hanlin.

Offensive Back honor was a four-way tie among Marcus McPhail, Tom Haught, Stan Boyles, and Steve Seals.

Joe Scalise, in his first starting assignment, was named Offensive Lineman of the Week. Joe is a sophomore from Clarksburg.

Defensive Lineman of the Week was Joe Painter. From his left end position, Joe got 16 tackles. Joe, also a sophomore, is from Elkview.

Dale Sheets, a junior from Charleston, has been named Defensive Back of the Week. Dale had 13 tackles and was also named Defensive Player of the Week by the WVIAC.

Tom Haught breaks through Bobcat's defense for a GSC touchdown.

'Comedy of Errors' Presented Monday

The Lyceum program Monday, Oct. 30, will feature the American Classical Theatre from Washington, D. C. in a presentation of Shakespeare's "Comedy of Errors".

The program will begin at 8 o'clock in the auditorium. Admission is by identification cards. Other people are invited to attend. Admission will be \$1 for other people attending.

In this cast there are 15 people. Four are women and eleven are men. The American Classical Theatre appeared here in March of 1964 when they presented "The Taming of the Shrew". At that time they were the National Touring Players Company and were in their 15th season.

Adriana (Dyan Wiest) meets her husband's twin, Antipholus of Ephesus (Timothy Taylor) mistaking him for her husband in the American Classical Theatre's production of Shakespeare's "The Comedy of Errors".

Dr. D. J. Guzzetta Visits Glenville State College

On Monday and Tuesday, Oct. 23 and 24, 1967, Dr. D. J. Guzzetta visited on Glenville State College Campus. Dr. Guzzetta, who is Senior Vice President and Provost of the University of Akron, is also the consultant to the faculty and administrative staff assigned by the North Central Association of Colleges and Secondary Schools.

President Wilburn will appreciate having all faculty members available for consultation with Dr. Guzzetta. He wants to confer with individuals and possibly certain groups, including one or more faculty standing committees.

Order-of-Diana Members Are Now Being Accepted

The Order of Diana, an auxiliary to Tau Kappa Epsilon fraternity, is now accepting new members, according to president, Rosemary Roberts.

Any girl may join who is a sister, mother, wife, pinmate, or has an interest in TKE.

Meetings are held every first and third Thursday at 4:00 in the Old Louis Bennett Lounge.

OD's are presently helping the TKE's prepare for the Playboy dance and will help with TKE Smokers. Tentative plans include a sandwich dale at the end of each term or the first night before finals.

"I crown you . . ."

Stage Setting Constructed

Picture a small outdoor cafe in France. Small tables sit outside the charming cafe, and the mood is light and airy. The sun shines down on the small scene, giving the cafe and the buildings around it a pink appearance, with accents of unreal colors.

This is the set for the first act of the "Madwoman of Chailot," a play in two acts by Jean Giraudoux. The play is scheduled to appear Nov. 15, 16, 17 in the Glenville State College Auditorium.

The two entirely different sets for the play are designed by Mr. Stewart Beach, director. Larry Reed, Dick Dawson, and Dave Lough, and members of the Play Production I class will assist in construction of the sets.

Second act takes place in the basement of the Madwoman's home. The scene in the second act, also designed by Mr. Beach, is a cluttered, unearthly picture, full of gray shadows. "The basement is a fantastic environment, with semi-fantastic beings," Mr. Beach reports.

Most of the scenery will be newly constructed. Set construction began in early October.

WVU Offers Ext. Courses

Department of mining and industrial extension service of West Virginia University, in cooperation with Glenville State College, will offer a course in automation office practice to all interested persons in the area.

The course, under the instruction of Mr. L. H. Winger, a member of the extension division staff, will begin on Oct. 30 and last seven to nine weeks depending on the amount of time needed to cover the course material.

Classes will meet on Monday and Tuesday nights for the duration of the course from 7:00 to 10:00 p.m. Total cost of the course, including registration and materials will be ten dollars, payable on the night of registration. A certificate will be presented to each student who attends at least 80% of the classes.

No examinations are scheduled for the course.

DZ Extravaganza Set For Thursday Night

Delta Zeta Sorority will present its annual "Extravaganza" on October 26, at 8 p.m. in the College Auditorium. The Extravaganza is a variety show offered to the students of Glenville State College.

Offered in this years show will be a vast variety of acts. Among these are songs by the entire cast, twirling routines, folk songs, dance routines, a village reading, soloists, comedy, a surprise skit, semi-classical music, and a special dedication to the senior class.

Show time is 8 p.m. and admission is 25 cents per person.

Sets for the "Mad Woman" were designed by Stewart Beach.

Auditory Sculpture, Controversial Art Exhibited For Two Weeks On Campus

by Marie Davis

Upon polling students and members of the faculty and administration, it has been discovered that Glenville State's opinion of the art exhibit now on campus could be divided into two factions: the traditionalist and the modernist.

Glenville Professor, John E. Stealey III, Addresses Historians

Mr. John E. Stealey III, assistant professor of history and social science at Glenville State College, will speak to the Gilmer County Historical Society on October 26. Mr. Stealey will speak on the topic, "Salt: An Extractive Industry of West Virginia."

Mr. Stealey, a native of Clarksburg, W. Va., graduated from Washington Irving High School and received his AB degree with honors in Political Science from West Virginia University. He later received his MA degree from West Virginia University in history and is presently a candidate for a doctorate degree. He is now writing his dissertation on "The Salt Industry of the Great Kanawha Valley of Virginia: A Study in Ante-bellum Internal Commerce."

Before coming to Glenville, Mr. Stealey was employed by the Equible Gas Company, co-ordinator of pilot oral history project for the WVU collection of the West Virginia library, and as an instructor in history at West Virginia Center of Appalachian Studies and Development.

Mr. Stealey has had articles published in the *West Virginia History*, *Ohio History*, and *Tennessee Historical Quarterly* magazines. He is presently preparing an article for publication entitled "The Responsibilities and Liabilities of the Lesser of Slave Labor in Virginia."

On Saturday, September 23, Mr. Stealey spoke to the West Virginia Historical Society at Charleston. His topic for this occasion was "The Salt Industry of the Great Kanawha Valley to 1862: Some Myths and Realities." On October 17, he spoke to the annual dinner of the Hanison County Historical Society.

"One must have an understanding of extractive industry of the past to comprehend problems of the present and future in West Virginia and Appalachia" were the words of Mr. Stealey in regard to his recent speaking engagements.

Art is largely being regarded as personal opinion of what one likes. The works are interpreted as being liked if they are visually pleasing and if the onlooker is able to personally "write" something further into the pictures.

All persons polled feel that the exhibit has many good points. Many persons said that this was the first time that they had seen examples of some of the medias. Many members of the faculty felt that the exhibit was good in that it acquainted students with both the good and bad sides of art. The variety of types of art is another plus factor in favor of the exhibit.

The traditionalist seemed to most favor K. Prichard Owen's work entitled "Earth's Bounty." This particular picture is a realistic still life.

The modernist feel that the auditory sculpture is a refreshing slant on art which adds a new sense dimension to the field. The idea of the sculpture reflecting today's mechanical trend was presented. Some persons felt that the sculpture was received as and was more of a toy than as a work of art.

The consensus feel that this exhibit is the best to have been on campus and if not that perhaps the most controversial.

Facets of West Virginia were quite evident in the exhibit. West Virginia's landscapes and coal industry was shown in different ways as were other views of West Virginia—its people and its natural resources.

The exhibit, entitled "W. Va. Artists on the Move," can be seen throughout next week in the multipurpose room of the Pioneer Center from 9:00 until 4:30. Other art work can be seen in the halls of the Administration Building. The majority of this work has been done by Glenville State art majors.

HEROD INTERVIEWS STUDENTS ON CAMPUS

On Tuesday, Oct. 24, Mr. Lyle E. Herod, Assistant Registrar, Medical Center, West Virginia University, interviewed campus students who were interested in any of the various programs at West Virginia University Medical Center and the graduate programs in all of the biological sciences.

'67 Kanawhachen Shipped; Distribution Set Monday

October 30 is the probable date of distribution of yearbooks. The yearbooks were to be shipped from Dallas, Texas, on October 18.

MENC Formal Initiation Culminates Pledge Month

The formal initiation of new members of Chapter 537 of the M.E.N.C. (Music Educator's National Conference) of Glenville State College, was held Oct. 17 in Louis Bennett Lounge. This initiation was the culmination of a pledge period which began Sept. 19.

During the pledge, initiates were assigned a big brother or big sister within the music department, and were asked to observe several rules: 1. a sign identifying each initiate; 3. names of all MENC members were to be learned by each initiate; 4. the bulletin board in the music dept. was to be checked three times daily for announcements.

Those initiated into MENC include Mary Stout, Janet Swiger, Nelson Elliot, Dianna Duffield, Frelon Facemire, Kathy Sayre, Bryan Thompson, Carol Nichols, Richard Kump, Will Piggott, George Williams, Mike Boggs, Christi Howard, Pam Walker Tyee, Jayne Beer, Herman Windland, and Marilyn Sands.

Officers of MENC are Chuck Nichols, president; Lois Ingram, vice-president; Jean Turner, secretary; Theresa Parker, treasurer; and Lawrence Ball, reporter. Advisor for the chapter is Robert H. Ellis.

Man-Chasing Holiday Scheduled For Nov. 18

According to Al Capp, Sadie Hawkins Day originated in the thriving metropolis of Dogpatch. Sadie Hawkins was the daughter of early Dogpatch Settler Hekzebiah Hawkins. She was the homeliest gal in the hills! Sadie remained a spinster for thirty-five long years.

Finally Hekzebiah decided to try something. After rounding up all the eligible Dogpatch bachelors, he declared the first Sadie Hawkins Day. Upon firing one shot, all the bachelors took off running.

When Hekzebiah fired the second shot, Sadie ran after a husband. Well, Sadie caught one. The other Dogpatch spinsters thought it was such a good idea that Sadie Hawkins Day was made an annual affair.

Sadie Hawkins Day started on the Glenville campus almost the same way. Too many girls were graduating without husbands and many didn't even have any eligible prospects. It is rumored that the homeliest spinster of all got the gals together, borrowed a few ideas from Al Capp, and thus was the beginning of the dreadful, fear-filled day when all of the eligible Glenville bachelors put on their track shoes.

The annual event, which is sponsored by The Xi Fraternity, includes a greased pig chase, a greased pole climb, an egg throwing contest, a cigar smoking contest for girls, and many other dignified events.

Yearbooks are free if the student attended school last year and carried 12 hours or more both semesters. If a student attended just one semester last year, he may pay \$2 and receive his yearbook. Seniors or students that transferred may have their yearbooks mailed to them if they send .75 to the yearbook staff for postage and handling. If anyone wishes to purchase a yearbook, they may do so, although the supply is limited. The cost of the yearbook is \$4.

Distribution will be organized into two lines. One line will be for alphabetized last names from A-K; the other for K-Z.

In order to obtain a yearbook, ID cards must be presented. Yearbooks cannot be obtained for other persons.

AIRMAN SELECTION TEAM WILL VISIT

An Air Force Officer Selection Team headed by Captain Stanley B. Roadarmel will visit Glenville State College Thursday, Nov. 2. The purpose of the visit is to acquaint interested students with the Air Force commissioning program available to both male and female college graduates.

The team members will be at the Student Union from 10 a.m. till 4 p.m. and will brief all interested students.

Under the current system, selected applicants are commissioned as second lieutenants upon completion of 12 weeks of indoctrination at the Officers Training School located at Lackland Air Force Base, Texas. They are subsequently assigned to various specialty fields or to pilot or navigator training. The assignments are made at the time of school selection and are determined on the basis of the applicants' desires, college major and Air Force needs.

Further information can be had by contacting the local Air Force Recruiter, T-Sgt. Donald G. Barber at the Federal Building, Parkersburg or by calling 422-8551, Ext. 258.

Pioneer Band Will Perform

Sixty-six sleepy-eyed musicians and a slightly over-worked director boarded a Greyhound bus last Saturday, October 21, at 8:30 a.m. and headed for Fairmont State College Homecoming game.

Following a week of dedicated rehearsal, the Pioneer Marching Band superbly presented a seven and a half minute drill which preceded Fairmont's half-time ceremony.

Created and directed by Ronald D. Ross, the drill included the fanfare from "Another Opening, Another Show", excerpts from "Camelot", "National Emblem", "Malahuna", which featured the majorettes, "Can-Can" to which the band danced and "Brasses to the Fore".

After a morning of rehearsal on F. S. C.'s football field, the band was served lunch in the college cafeteria.

Richwood float - first place winner.

Snoopy Captures Prize In Plane

"Happiness is Blitzing the Bobcats" was the theme of the prize-winning float in Glenville's 34th annual Homecoming parade. The float consisted of "Snoopy" buzzing down in his airplane on the helpless Bobcats. The float was designed by Delbert Murphy and constructed by the Richwood Fraternity and the Order of Barjean.

Alpha Sigma Alpha and the Major's Club tied for second place honors. The ASA float consisted of a double-decked steamboat with a large red paddle-wheel turning behind. The theme of the float was "Happiness is an Old Fashioned Victory." The Major's Club chose a train caboose as their entry in the parade.

"Happiness is Know How" was the theme of the Delta Zeta Sorority float which tied for third place with the Science Club. The DZ float contained a model of the new Robert F. Kidd Library which represented knowledge and a football field which represented victory. In the center of the float was a Pioneer shooting a Wesleyan Bobcat.

The Science Club had one of the more unusual floats in the parade. A giant yellow Bobcat with black spots was being tamed by a Pioneer riding around his neck. "Happiness is a Tamed Bobcat" was the theme of their float.

Honorable mention awards went to the Alpha Delta Epsilon business fraternity for their entry of "Happiness is Succeeding in Business" and to Louis Bennett Hall for their entry of "Happiness is Shooting down the Bobcats."

WVU REPRESENTATIVE INTERVIEWS STUDENTS

Dr. Earl R. Boggs, Director of Admissions, West Virginia University, was on the GSC campus Oct. 23 for the purpose of interviewing prospective graduate students who plan to do work at the University.

SGA Is Concerned With Uniform, Spirit

"Spirit Campaign '68", bowling tournament leagues, student representatives for the parking violation committee, and a new cheerleading uniform for the head cheerleader are being sponsored by the Student Government Association as announced at the weekly meeting, held Oct. 17.

Posters, spirit gimmicks, and banners appeared recently, starting the award contest among organizations on campus. Organizations competing in the Spirit Campaign for a trophy are Tau Kappa Epsilon, Theta Xi, M.E.N.C., Delta Zeta, Chi Beta Chi, Alpha Delta Epsilon, Alpha Sigma Alpha, Alpha Rho Tau, Women's HZL, and Verona Maple. The points system for the posters, gimmicks, and banners is: a large poster, three points; a small poster, one point; a "spirit gimmick," five points; and banners, ten points. The campaign will continue through the rest of the year.

Bill Frost, chairman of the bowling leagues, invites all prospective bowlers to join the league of their choice. All bowlers are urged to form their league for the campus tournaments. There will be independent and Greek Council leagues. These leagues must be formed in the very near future. A deadline for all teams will be in a later notice.

The SGA also announced that a student representative will be

present at the parking violation committee meeting held each Tuesday at 9 a.m.

Head cheerleader, Cathy Nocida will don her cheerleading uniform purchased from the Student Government funds. The new uniform of blue on white, distinguishes the head cheerleader from the rest of the squad.

INTRAMURAL TEAM FORMED BY BUSINESS FRATERNITY

Alpha Delta Epsilon, the business fraternity, has formed an intramural team for the present academic year. Mr. George Lucas, sponsor of the fraternity, will head the team.

Other members participating in the program are Jim Bull, Steve Burke, Peter Farr, Bill Flesher, Bob Harbaugh, Wayne Hinkle, Avery Lane, Dan McIntyre, Harry Sennett and Walt Turner. The program will include volleyball, basketball, swimming and softball.

ADE will have football programs available for sale when GSC faces its last grid task of the year against the Salem Tigers on Nov. 9.

Any business student, who has maintained a 2.0 average, will have the opportunity to pledge ADE the second week of next term.

Glenville, W. Va.

Students Pursue Fields

Two hundred sixty-three GSC students are seeking an A. B. degree in elementary education. Of this total, there are 83 freshmen, 60 sophomores, 56 juniors, and 64 seniors. Out of the 901 students who are in secondary education there are 301 freshmen, 241 sophomores, 170 juniors, and 189 seniors. Sixty-two students are enrolled in art; 17 of these are in comprehensive fields.

In biological and general science there are 47 students; 36 of these students have another field, and 11 have chosen science as a single field.

In business (comprehensive) 65 students are enrolled, with 41 of them having another field. In business (secretarial) there are 33 students with no minor fields.

Students in the English department number only 19 choosing this as a single field. In English (comprehensive) there are 7 students with 2 selecting another field.

Chemistry and French have 9 students each. Only one of these nine French students has not chosen a minor field.

Eighty students are enrolled in home economics, 16 with a minor field and 64 specializing in home economics.

Library science accounts for 95 students while only one chose this as a single field. In Comprehensive mathematics there are 29 students, and 81 are in mathematics alone.

The music department has 43 students, with only 8 having a minor field. Physical education has enrolled 305 students with 241 selecting another field. There are 61 students in speech, and 58 of them have a minor field.

Striving for an A. B. degree in liberal arts are 168 students. There are 151 students in business administration, and 17 are in other fields.

Fifty-one students are working toward a B. S. degree. There are 20 students in biology, 8 in physical education, and 28 in chemistry.

From the 109 remaining students, there are 21 in agriculture, 40 in associate arts, and 48 in pre-professions. All will continue their education at other institutions.

There are 28 students who have not listed their fields, 11 who are post graduate students, and 16 students who have withdrawn. This brings the total enrollment, which does not include extension classes, to 1547.
