

Living End Coming Soon

For the past two years the GSC Wesley Foundation has been sponsoring a coffeehouse called "The Living End." This called somewhat exaggerated array of burlap tables and smokefilled rooms is a result of an adventure in a coffeehouse in downtown Philadelphia, Several members of the local WF attended a re-gional MSM conference, visited a coffeehouse, and decided to build their own "talking corner." In the past, the scene might have seemed incongruous to some for a religious organization, but beer bottles (3.2 bot-tles, of course) served as candle on burlap holders standing

tablecloths. Hanging on walls were paintings by GSC art students.

Students were ushered to tables, and waiters and wait-resses served hot cholcoate, coffee or coke, and doughnuts. Tables also held bowls of roasted peanuts, candy and something for the bubble-gum set. As the candles burned down the students kept coming until it was necessary to stop the sell-ing of tickets at the door. This year will be no exception. Miss Phyllis Hopkins, social life chairman, recently announc-ed that "The Living End," is

Two Families Have Happier Christmas

Two families in Gilmer County will have a happier Christmas this year because of the unselfishness and kindness shown by members of the Baptist Student Movement.

BSM members will provide clothing, candy, canned goods and gifts for each member of the two families. The home of one of these families was recently destroyed by fire. Names of these families were obtained from the local department. The Baptist Student Movement

deputation team, under the leadership of Flaine Barker, has re-cently presented programs at the First Baptist Church of Weston, Walton Baptist Church and the Big Bend Church near Grants-ville. These programs consisted singing, of congregational special music, prayers and speeches composed by the deand putation team which usually consists of four college students. On Dec. 16, the BSM will have its annual Christmas party in the old Louis Bennett lounge.

Verona Mapel Hall held its first Christmas Open House in many years. Greenery, decorated doors, carols floating through the halls, and Christmas trees added to the holiday spirit to the colonial dormitory. Refreshments were served and

a tour was conducted from 2 until 4 p.m. Cookies, punch, and home-made candy supplemented a warm touch to a table decorat-ed in green and white. The refreshment committee consisted of: Clara Hartley, Andrea Lips-comb, Ann Mullins, Kathy Kathy comb, Ann Mullins, Kathy Oliver, Ruth Paugh and Linda Wood

Several girls formed a singing Christmas tree for the lobby and sang several selections during he open house. Hostesses were selected to

conduct the tour on each floor. Ann Multins was the hostess for the first floor, Linda Wood for the second, and Kathy Oliver for the third floor. From 10 until 11 that night in-

vited guests attended the annual dorm party. Popcorn balls, open-faced sandwiches, punch, and crackers were served.

On Monday evening, as has become traditional, the girls of become traditional, the girls of Verona Mapel sang Christmas carols throughout the campus. Mrs. Smith, House Mother for Verona Mapel, was presented with a slacks and sweater set. The other house mothers were also given gifts. The coeds docided to send gifts to service men in Vietnam rather than to exchange gifts among themselves.

Women's Hall also had its annual Christmas Tour Sunday. Visitors toured the wonderland halls from 1 until 4.

Because of the traditionally elaborate door designs in Women's Hall, local stores have been sold out of foil wrapping paper and various types of tinsel for a week.

First floor coeds chose to decorate their small corridor depicting "Christmas On Broad-way." Blue cellophane covered the lights creating a neon effect on Radio City Music Hall, theaters, stores, and even a Playboy Club. Room 114 received honorable mention.

The Abominable Snowman?

Behind Stage Scene

Dear Students:

As you are now about to leave the compus for the Christmas vacation, I wish you much happiness and joy at this Christmas season, and extend to your families and friends at home and abroad my best wishes.

It seems that the spirit of Christmas should cause us to reflect much upon the many aspects of life in our world today. There are the problems of peace in the world. There is the need to make certain that people everywhere have the privilege of governing themselves as they see fit, and of rearing their families in an environment which will be conducive to an ever increasing grasp of recognizable standards of worthwhile living. Here at home there must be greater concern expressed in positive action for the poor, for those often afflicted by disease, and for the plight of the elderly who too often must live in humilating circumstances.

All of these problems should challenge you to be a part of the great positive force of mankind which will be required in order to solve these and many more unrecognized problems of the future. Your best chance of being able to accept the challenge is to make certain that you secure now the best possible preparation during the years that gou are at Glenville State College. This must be your first concern. It must be revealed through your eagerness to learn, to question your own ideas, those of your fellow students and of the faculty. You must be willing to accept new ideas about your worth and that of those around you. You must learn to test that which seems new in order to gain security in recently acquired ideas. This must be if your educational endeavors are to cause you to become the kind of men and women who can accept the challenge of today and tomorrow in the spirit of Christmas. In brief, your experiences at Glenville State College, all of them, those which are initiated by you and those provided by your association with fellow students and faculty must, in your judgment, be the most rewarding years of your lives. Mainly because you must feel adequate for today, tomorrow, and the countless tomorrows which will come your way.

Just a personal remark in conclusion. May you, this Christmas season, give more than a casual thought to those friends, relatives, and thousands with whom you have had no acquaintance who are in far distant places performing many kinds of tasks, the objectives of which are to bring a better way of life, including human dignity, to more and more people.

Best Wishes for the Christmas season.

Cordially yours,

As I See 'Em

Several times in thes column the inexperience of the Pioneer hardwood team has been mentioned but the experienced play of seniors

Steve Spicer and Jerry Wolfe has not been mentioned. Spicer, a native of Gauley Bridge, is in his fourth season as a regular guard. The 5' 10'' 160 pounder was a four year letterman in basketball and track while at Gauley Bridge High School, and average ed 15 points per game during his senior year. He also served as president of the junior and senior class and was a member of the student council his sophomore year. When Steve came to Glenville to begin his college life, he was

immediately elected president of his freshman class. He also was Sergeant at Arms for the student council and president of the junior class. Last year Steve was named a Who's Who.

Besides this, he is a member of the G-Club, Tau Kappa Epsilon Fratemity, and was Lil' Abner at Sadie Hawkins his freshman year. Steve is majoring in social studies and physical education and says he will graduate in June "if the Lord's willing and the creek don't nse

Steve game the best performance of his college career last Friday night in the 80-79 victory over Concord; tossing in 19 points. Be-sides his fine offensive play. Steve is one of the best defensive players on the Pioneer squad. Steve plans to teach and coach when he is finished college. Jerry Wolfe, at 5' 9'' and 155 pounds, is a graduate of Gassaway

High School, having played his high school ball under coach Jack White. Jerry has also lettered the previous three years at Glenville and also served as trainer for the football and basketball squad.

and also served as trainer for the football and basketball squad. While in high school Jerry served on the student council, vice-president of the senior class and treasurer of the honor society. Since he came to Glenville, Jerry has become a member of the G-Club and was elected to Who's Who this year. Along with Spicer, Jerry is also one of the better defensive players on the squad. Al-though hampered somewhat this year by a knee injury, Wolfe has still been able to play the type of ball expected to him. Jerry is pursuing a B.S. field in physical education and math and has maintained a 3.0 average. He plans to join the Air Force for pilot training school upon graduation.

Glenville Pioneers Lose To Fairmont In Overtime

Fairmont remained unbeaten by virtue of a 72-68 overtime victo ry ever a determined Glenville five. Glenville jumped to an early 4-0 lead and moved to a 24-13 lead after the initial ten minutes, behind the shooting of Jack Robinson, before the Falcons began their comeback. Fairmont hit for 11 straight points to make the score 26-25 before Robinson broke the ice from the left side to give Glen-ville a 28-25 lead with 2:47 remaining in the half. Fairmont moved to within one at 32-31 with 15 seconds remaining before Grysb hit on a field goal to give the Pioneers a 34-31 halftime

lead. The Pioneers came out the second half and continued adding to lead their moving 44-36 lead before the Falcons again began to apply the presone at 49-48 on a goal by Wayne Denham and grabbed the lead for the first time at 50-49 on another two-pointer by Denham.

The lead then continually changed hands until Fairmont grabbed a four point lead at 63-59 with 1:46 remaining. Glenville scored on a goal by Willie McGee and again seconds later on two foul shots by Dave Barnes to throw the game into a 63-63 tie and an overtime. Fairmont moved to a 67-64 lead before Bill Perry and Robinson connected to give the Pioneers their last lead at 68-67. Sloan got three points within eight seconds to give the Falcons a 70-67 lead with 7:34 remaining. Fairmont then went into a freeze offense and with 28 seconds remaining Dave Shaffer iced the game with two foul shots to give Fairmont a 72-68 victory. Robinson lead Glenville

scorers with 29 points followed by Larry Grzyb with 12 and Dave Barnes with 10.

Campus Traditions Add Holiday Spirit

By Vance Weekley November and the last of Dece Each year between the last of ber, people, cities, and their

environments take look and feeling. Laughter and happiness fill the air. Homes happiness fill the air. Homes all over the world are occupied with plans to give and to re-ceive. Cooking and decorating have also become traditional occurrences. These activities are not only celebrated in our country, but in foreign countries This season is not celetoo. brated in the same manner in all countries, but tradition and custom throughout the years made this holiday what it is today. This holiday which is given so much attention is the season of Christmas.

Christmas is a time for giving. Grandmother bakes cookies and pies and gives to her children. Mothers and Fathers buy gifts for their children; in return, they give their love and affection. Christmas is a festive time of the year. It is a time of presents tucked away in sector places, and of children anxioulsy a-waiting the big night. Christmas is a time of toys and drums and dolls. It is a season of holly, bright lights, golden tinsel, and green, pine bough. Christmas is a season of stars, and soft prayers whispered in the dark. Caroling, sleigh bells, hope and joy, all make up the merry sea-son of Christmas.

Here in America, we celebrate Christmas in a big way. We plan for weeks in advance for this season, and in the end it turns out to be the most joyous time of the year. Everyone is in such good humor; students are home from college; relatives have come to spend the holidays and people have forgotten that cruelty exists.

Yes, Christmas is a nice season, but even nicer are the memories of the Christmases past.

Right now we are all busy planning for the holidays, but let us not become so involved that we forget to realize that once again the time has come to 'remember.'

WISHING YOU AN

State Glenville College's campus is now adorned with various Christmas decorations as has been done at this time of year for many years of GSC's

history. It has also been traditional to have an assembly and a concert for Christmas. A habit has been made of having the President of the college read the scripture for the assembly. Women's Hall usually has open

house and Verona Mapel had its first open house at Christmas this year.

Usually the President has a party for the faculty, staff and their families. It has also become sort or customary to have a special meal the night before

the students leave. Within the Christmas spirit, Verona Mapel, Louis Bennett and some of the other organizations go caroling.
