DZ's Lose Mom Ewing

Mrs. Eula Joe Ewing, house mother of the Delta Zeta Sorority and known affectionately as "Mom" by the girls, passed away Thursday, Jan. 11, 1968, in the Union Protestant Hospital, Clarksburg.

She was the widow of Johnson Cecil Ewing of Glenville, an engineer with the United States Government in the building of the Panama Canal.

The Ewings were residents of the Canal Zone for 45 years. They resided in the city of Pedro Miguel where later a Public Circle was named "The Ewing Circle" honoring their many years of service in the Canal Zone.

"Mom" taught illiterate G.I.'s in Japan and has served as a dietician for a School for the Deaf.

She was a graduate of Glenville Normal School and was a teacher in the schools of West Virginia and also in the Methodist Mission School in Panama City, R.P. She was a member of the Eastern Star and a member of the Trinity Methodist Church of Glenville.

Mrs. Ewing was the daughter of the first mayor of Greater Clarksburg.

Throughout her life, from the time she arrived at the Delta Zeta Sorority house, about 1 1/2 years ago, "Mom" was embroiled in the forefront of the DZ home.

Fees Due February

Fees for the second semester will be due and payable to the business office upon completion of the student's registration on February 5, 6, or 7.

The second semester fees will amount to \$433.72 for West Virginia residents living on campus and \$650.72 for out-of-state students living on campus. This amount will be one dollar less than the first semester fees because of the absence of payment for the I.D. Card issued on a yearly basis.

Payments for dormitory and food services may be made by the term by both in-state and out-of-state students. Third term dormitory and food services will be in the amount of \$166.86 for both West Virginia's residents and out-of-state students.

Students's completing registration may pay at their option first term expenses or fees for the entire second semester.

Checks for payment are acceptable by the business office and should be made payable to Glenville State College for the exact amount.

Part-time students will pay according to the number of hours taken.

Any student wishing to have a 1968 *Kanawha* mailed to him should stop by Mr. Scott's office. A one dollar deposit is necessary to cover mailing expenses.

Choral Union, Quintet Present Concert

Soloists and accompanists are shown as they prepare for Sunday's choral concert. Left to right are: Sondra Neese, Mezzo Soprano soloist; Miss Bertha E. Olsen, organ accompanist; Standing, Robert Ellis, director; Larry George, baritone soloist and Shirley Cunningham, piano accompanist.

On Sunday, Jan. 21, at 8:00 p.m., a concert will be presented by the Woodwind Quintet and Choral Union of GSC in the college auditorium.

The Quintet, under the direction of Edward Vineyard and presenting the first half of the program, includes: Theresa Boggs Parker, oboe; Richard Spiker, clarinet; Cheryl Carr, flute; Lawrence Ball, Bassoon; and Michael Boggs, French horn. The Quintet will present two numbers; "Divertimento," by Joseph Haydn and "Sarabande in D minor," by Johann Sebastian Bach.

Following intermission, the Choral Union, directed by Robert Ellis, will present the *Requiem* of Gabriel Faure, a mass in Latin. The *Requiem*, first performed in Paris in 1888, was written in memory of the composer's father. Simplicity is the keynote of the Requiem. Faure has avoided any attempt at dramatization, contemplation. Soloists for the number are: Sondra Neese, mezzo-soprano; Larry George, baritone. Accompanist on the organ is Bertha Olsen and on the piano is Shirley Cunningham.

The GSC Choral Union, organized last year, has ninety-five students, as well as faculty members and students from Glenville High School and includes:

HINKLE PRESIDES OVER DISCUSSION

The Literary Society met on Jan. 7 to discuss J.D. Salinger's book entitled *The Catcher in the Rye*. Dr. Espy Miller, the Chairman of the Division of Language and advisor for the Literary Society, stated, "Salinger's account of the odyssey of Holden Caulfield is a modern journey of youth searching for his place in the world. It is the age-old account of youth discovering the reality and truth of the world."

Ann Mullins presided at the meeting at which Coy Rhoades Hinkle led the discussion of the novel. John Weber, A.G. Harris and Sharon Yoak were also leaders in the discussion.

February's discussion by the Literary Society will center on George Orwell's 1984 and in March the Literary Society will delve into *Who's Afraid of Virginia Wolfe* by Edward Albee.

The band was organized last spring and practiced wherever room and electrical outlets were available. Recently the psychedelic lights were added to some numbers. They plan to play just as long as they are in school and keep a full schedule of events. They play at the Cove when there is no conflicting event on campus.

When asked what he thought about being the leader of one of only two groups on campus, Noi replied, "We like having more than one band around campus; there should even be a couple more. People won't get so tired of having us around if there is another group active. There will always be plenty of engagements to fill."

If the Greeks are interested in their Greek news page becoming a reality, then please have all news in by the deadline which is Wednesday of each week.

This is the third week that the Mercury has attempted to print a Greek news page but could not due to the failure of certain organizations to have their news in on time.

'Spektrum' Plays At Local Function; Feature Psychedelic Light, Soul Music

By Sue Ranson

Popular music, soul music and psychedelic lights are the common trademarks for the Spektrum of the GSC campus. With Noi Samson as the leader, the band has played at mixes on the Glenville campus and at Glenville High School, Grantsville, Snyder's in Buckhannon and most often at the Cove in Sand Fork. Presently they are in the process of booking a night at the Trapezoid in Weston.

The five-piece group says that they play mostly for the enjoyment of their music. Thus far, much of the proceeds from their performances has been used to purchase new equipment. Most of the instruments and accessories belong to Noi or to his group in Washington, D.C., "The Siamese Cats."

Lead guitarist is Noi, who is a junior art major. Thomas Lauderman, a junior music major from Clarksburg, plays the bass guitar. On the drums is William

Dr. M'Timkulu Expresses Enjoyment of GSC Visit

Dear Dean Somerville:

In reply to your letter of December 20 concerning Dr. M'Timkulu's visit, I am delighted to tell you that he felt that his visit to Glenville State College was one of the most pleasant of all he has made.

Dr. M'Timkulu was particularly pleased with the arrangements which had been made for him. The techniques of assigning him to a different department for each day and of combining all the classes into one large lecture audience he found particularly valuable. It conserved his strength and enabled him to reach a larger audience. You and Mr. McCartney are to be commended, and I intend to suggest that other schools profit from your excellent idea.

I am grateful to all of you for giving him such an enjoyable week, and I'm delighted we could give you such an outstanding scholar in residence.

With best wishes for a Happy New Year.

Sincerely yours,
Mrs. Helen S. Wood

Alpha Sig Pledges Work On Projects

A victory mix and pledge projects are the latest on the Alpha Sigma Alpha Sorority agenda.

The mix, following the W.Va. Wesleyan game Friday, Jan. 19, will be sponsored by the Alpha Sigma Alpha pledges. The Philly-Loo-Byrd will perform for the function.

Each of the pledges has two big sorority sisters. Those sisters help them get acquainted with the sorority and sorority life. The pledges are to make a star out of plywood and get the names of all the members and pledges on it for one big sister. This is due in the near future. For the other sister, a pillow is to be constructed at a later date.

Jim Lilly (42) drives for two in GSC win.

GSC Gains Two Wins

Willie McGee, Steve Spicer, Jim Archer and Jack Robinson teamed for a combined total of 84 points in leading the Pioneers to their fourth win of the season against five defeats.

Archer, Spicer and McGee in their first 20 plus output of the season teamed with the high scoring Jack Robinson's 20 to give the Pioneers a 99-88 victory over Concord at Concord.

This was the second victory of the season over the Mountain Lions, the first a 90-89 win. Glenville shot 50% from the floor and 68% from the line to take the win.

Wheeling

Glenville came from a 37-36 half time deficit to take a 74-66 WVIAC victory over visiting Wheeling to even their season's record at 5-5.

Neither team could take a commanding lead in the first half as the lead changed hands many times before Wheeling took the 37-36 lead.

With about five minutes remaining Robinson hit on a goal to give Glenville the lead at 64-63, which they never lost. The Pioneers then outscored the Cardinals 10-3 for the 74-66 win.

Steve Spicer and Jack Robinson paced the Pioneers with 24-26 respectively, while Wolfen, Sperger, Zur and Gage hit for 14, 12 and 12 to pace the Cardinals.

Each team had 30 field goals but Glenville hit on 14 free throws compared to 6 for Wheeling.

TKE Is Victorious In Playoff Game

Faculty Defeats Majors In Volleyball Contest

Men's intramural volleyball activity is now over, with TKE I becoming the champions in the final of the single elimination tournament held on Dec. 19.

The next intramural activity will be basketball which will start on Tuesday, Feb. 13. Thirty-two teams are entered in the competition which will conclude in a single elimination tournament on March 25 and 26, April 1, and the championship game will be played on April 9.

Entry into the tournament will follow the same procedure as that in volleyball. A team in order to be eligible for tournament competition must place in one of the first eight positions in number of games won or lost.

The entire intramural program is based on a present system which allows designated points for entry into competition and for playing in the tournament.

The end result of all the intramural activities will be a championship based on total points for participation in the entire year's activities. Currently TKE I is leading in total points with fifty, while the Stewball's are second with forty points.

It is important that the captains of all the intramural teams attend the meeting concerning the activity which will be held tomorrow.

Mapel Nuts Win Title

Women's intramural volleyball is over with the Mapel Nuts from Verna Maple Hall emerging as champions with an 8-2 mark for the season.

Basketball is the current activity. First week action saw Verna Maple being defeated by the Town Girls by a 12-11 margin and ASA won by a forfeit over the DZ's.

The final volleyball standings show:

Maple Nuts	8-2
Gladiators	7-3
1st, 2nd, 5th	7-3
Delta Zeta	4-5
Town Girls	4-6
Hippies	2-8
ASA	1-8

The seven teams entered into the basketball intramurals are the same as those previously entered in volleyball competition.

Independents Form Teams

The Independents of Glenville State formed bowling teams which were submitted to the Student Government Association, which sponsors the bowling leagues at GSC. The teams consist of eight independent teams, one auxiliary team composed of members of the Order of Diana, and three faculty teams.

The Born Loser's captain is Don Black. Other members are Mike Jarvis, Gary Martin, Toni Parsons, Mitch Wentzel, and George Williams.

Tuesday night, the faculty defeated the majors club in a volleyball game. The faculty women played with the help of Mr. George Lucas.

The high-spirited faculty produced some outstanding starlets never seen before in action this year. One position was filled by "Handy Sandy Matthews" a ravishing beauty who combined skill and beauty when it was most needed and kept the faculty coming on strong. Recently nominated the youngest physical education instructor for the first semester "Handy Sandy" was in the spotlight last night.

Another performer was Kay, "Slick Chick" Chico, a backline performer who proved as tough in volleyball as in her classes. The only other female member of the physical education department, "Slick Chick" stood her ground with the best of her teammates.

Leaving the English books and theme requirements, the English Department was represented by Pat "Mat" Dillon. The tallest member of the faculty, Pat "Mat" was quick to act when no one else was around. The other English component was "Wild" Virginia West. With long time experience, "Wild" West was where the ball was most of the time.

The "underdog's" or rather undergraduates of the Major's Club were represented by outstanding stars and were led by their president Pat Metz, well-known physical education major from Parkersburg, plus all of her assistants and followers.

PE Program Changes

Dr. Robert Dollenger, Chairman of the department of physical education wishes to advise all physical education majors that physical education 211, physical education for elementary schools, is required for certification for grades 1 through 12. However, it is not required for certification from 7-12, either under the old or the new program.

Physical education 307, a course entitled "Games and Game Leadership" required under the old program for certification in grades 7-12 is now no longer a requirement under the new program. Those who have already taken the course will have it count under the new program in the school and community block of courses.

Those majors who have already taken physical education 211 should see Dr. Sollenger immediately for clarification of the new program.

As I See 'Em . . .

by Ken C. . . .

Glenville State College's basketball team seems to have come alive, winning their last two encounters to even their record at 5-5. The Pioneers traveled to Athens last week and handed Concord a 99-88 defeat, and last Friday scored an eight point victory over Wheeling 74-66.

The spark in the Pioneer club could well be the play of senior guard Steve Spicer. Spicer, from Gauley Bridge, W.Va., scored 21 points in Glenville's roundball victory over Concord and then came back and hit for 24, combining with Jack Robinson's 26 to pace the win over Wheeling.

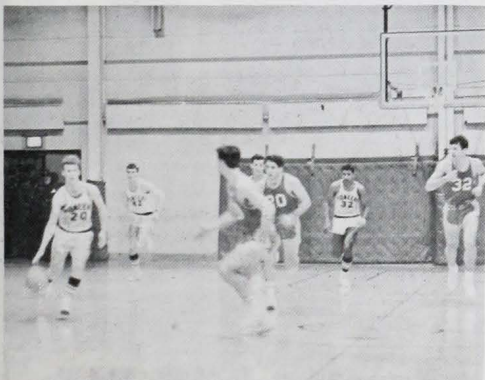

Before his two 20 outputs, Spicer's best game had been 19 against Concord in the first meeting, which Glenville won 90-89. Spicer's average for the season was a little better than seven points before the 21 and 24 point performances.

Another very noticeable dif-

ference in the last two games was the return of junior guard, Jim Archer. Archer ripped the nets for 21 points against Concord and was the third most productive player in the Wheeling game contributing eight points. Archer's offensive play is not his outstanding game, although it many times would seem so.

Archer's speed and quickness makes him one of the best, if not the best, defensive player on the squad. Jim is a pressure player, able to steal the ball consistently from the opponents when it is most sorely needed. He is capable of forcing bad throws, walking and numerous other turnovers while guarding the opposition.

Combine the play of Spicer and the return of Archer, with the consistent play of Jack Robinson, and the Pioneers may prove to be a new face in the WVIAC standings.

Steve Spicer (20) starts fast break in 74-66 victory of Wheeling Friday night, as Jack Robinson (32) and Jim Lilly (42) follow.

It's a jump ball during the Town Girls vs. Mapel Nuts WAA action as basketball season begins for the women.

Dale was recently awarded two football awards. He was chosen for the "All Conference" team and also was the "Outstanding Defensive Lineman 1967" at GSC. The G-Club and the assistant intramural directorship keeps Dale busy during his off-seasons.

Physical education and social studies are his fields. Not only do these subjects hold Dale's interest, but also, he is an avid coin collector, having collected nearly 300 coins from all over the world. After completing his studies at GSC, Dale plans to work on his graduate studies.

Billips Meets With Committee

Dr. Billips, acting chairman of the Foods Committee, met with the committee in his office on Wednesday, Jan. 10, 1968.

The highlights of the meeting were the problems that the student committee had brought forth for discussion.

It was decided that music would be played for the student's enjoyment during each meal.

Beginning Jan. 15, students eating their evening meals in the cafeteria were given a choice of two entrees (meats) instead of the usual one. Due to this change in the menus, the Foods Committee is asking those students eating in the cafeteria to please conserve their drinking of milk. Close to twelve gallons of milk are being wasted each day.

Students also made note of the fact that the meals listed on the menu do not always coincide with the meals served in the cafeteria. Two good reasons for these problems are the limited storage space available and the bad transportation connections which frequently occur.

It is hoped that students realize every thing possible is being done to bring them better meals. If students will help in doing their part in the cafeteria, the Foods Committee will, in turn do theirs.

Those present at the Foods Committee Meeting were as follows: Robert Kulp, William Osborne, Alfred Billips, Marty Dodson, Jack Albert and Diane Fankhauser.

Journalism Meet Planned At State

Journalism classes from West Virginia colleges have been invited by the Yellow Jacket staff of W.Va. State College to spend a weekend at their college. There will be a party Saturday night, then on Sunday morning, informal discussions will resume. A farewell banquet Sunday afternoon will end the conference.

Invited to speak at the meeting are: Jay Rockefeller; Jim Williams, research and publications for the West Virginia Labor Federation; Carl Oglesby past president of SDS, author and activist; James Sprouse; Paul Kaufman; Congressman Arch Moore; Peter D. Beter; a representative of the Charleston Gazette; and Larry Rubin, editor of the Antioch Record and a key figure of the NSA CIA affair.
