Mr. Radeka Named Educ. Co-Ordinator

Dr. Woodrow Morris, chairman of the Division of Education and Psychology, has announced the appointment of Mr. Nickolas Radeka as co-ordinator for one phase of GSC's teacher education program—the special education program for teachers of the mentally retarded in public schools. This program, similar to those at West Virginia University and Marshall University, is partially sponsored by a federal program development grant and partially by the state of West Virginia through the college.

Dr. Morris stressed the acute need for teachers of the mentally retarded. Many counties in West Virginia cannot institute education programs for the retarded because teachers are not available. In order to teach the mentally retarded, one must graduate with a bachelor's degree in teacher education with an endorsement to teach the mentally retarded. Those who graduate in elementary education are eligible to teach the retarded in grades 1-9. Those who graduate in secondary education may teach the retarded only in their teaching fields. Second semester of this year will be the first time that student teachers from Glenville will do student teaching with the mentally retarded.

Glenville State has two teachers who are instructors in special education. They are Mr. Radeka and Mrs. Rosemary Elswick.

Dr. Morris encourages anyone in teacher education who is interested in teaching the mentally retarded to seriously consider this program. In the words of Dr. Morris, "The shortage of teachers to teach the mentally retarded is very acute. There is a wide difference between the supply and the demand."

GSC Academic Enrollment Announced By Somerville

Delmer K. Somerville, dean of the College, has announced the enrollment by academic areas for the 1969-70 school year. The number of students pursuing an A.B. Education degree stands at 1,201, as compared with 1,137 for last year. There are 274 majoring in elementary education in contrast with 260 last year. Nine hundred twenty-seven are in secondary education as compared with 877 last year. The number of people enrolled in each department is as follows:

Art has an enrollment of 92, an increase of 19 over last year. Biological and General Science has an enrollment of 39, an increase of six over last year. A decrease in enrollment was shown in the Business Comprehensive field from 57 last year to 42 this year. Business (Secretarial Studies) showed a decrease of eight with an enrollment of 103. Language Arts, however, showed an increase of 11 with an enrollment of 55. The only field to keep the same number was French with an enrollment of 12. Health and Physical Education showed an increase of 42

'Circus In The Wind' Opens Tonight, 7:30

Glenville State College Children's Theater will begin performance of "Circus in the Wind" on Wednesday, Nov. 5. This first performance will be at 7:30 p.m. in the college auditorium. On Saturday, Nov. 8, the play cast will travel to Parkersburg and be presented at Parkersburg High School and Parkersburg South High School. Then finally, the players will finish their performances by traveling to the four elementary schools in Gilmer County. Wednesday, Nov. 12, will find the group at Tanner, Thursday, Nov. 13 at Troy, Tuesday, Nov. 18 at Normantown, and Thursday, Nov. 20 will find the play giving its final performance to Sand Fork.

Although the Children's Theater was started by the faculty wives, anyone can participate. Participating in the play are faculty, faculty wives, students, two grade school students, and the community. The Speech Department, Mrs. Curtis, and the Ohnimgohow Players have been contributing their time and efforts.

A circus big top tent sets the scene for the play. Bears, clowns, and fat ladies seem to jump off the huge pink flats which form the big top tent. The set was designed and made by the combined effort of Mrs. Janet Gainer, Miss Mary Raebler, Mrs. Byron Turner, Mike Ireland, and the Ohnimgohow Players.

The theater group, which consists of faculty, faculty wives, students and townspeople, have been working approximately eight weeks putting this three-act comedy together.

The play centers around Johnnie, a small boy who wants to be a clown, and is overjoyed when he is accidentally carried away in a clown's box. Johnnie is portrayed by Billy Saul. His grandpa sets out to find him and Grandma becomes involved when she begins to hunt for both of them. Charles Jeffries plays the part of Grandpa while Linda Pfaff portrays Grandma.

Frank Pfaff acts as the Ringmaster in the play. The nine-year-old bareback rider is played by Lisa Jones. Michael Ireland portrays Jocko, the Big Top's merriest clown. Other clowns in the performance include Mr. Doug Smith as Fritz, and Dianne Radeka and Bonnie Wright who play the parts of midget clowns.

Others included in the cast are: Mr. Scott Barnes as the strong man, Mrs. Sherry Barnes as the dancing bear, Doris Strosnider as Cleopatra, and Mrs. Mary Ann Kornegay as the fat lady.

Through Jocko and these other various actors speaking directly to the audience, the children are encouraged to participate and become involved in the play action.

Costumes for "Circus in the Wind" were made by Mrs. Ardis Fitzer, Mrs. Ruth McCreary, and Miss Susan Stalnaker. Mrs. James Jones is in charge of the properties.

Mr. Ralph Kornegay has served as the director of this play. The group was advised and encouraged to do this particular play by Mrs. Judy Curtis.

The performance on Nov. 5 at 7:30 p.m. is open to all interested persons.

Two Will Assume GSC Nurse Duties

President D. Banks Wilburn has announced the recent resignation of Mrs. Mary Morrow, college nurse, which was effective Nov. 1. At the same time, he also named two new staff members to assume her duties. Those two are Mrs. Elizabeth Smith, wife of State Trooper Kenneth Smith of Glenville, and Mrs. Linda Dollgener. Mrs. Dollgener's husband is Dr. Robert Dollgener, chairman of the Division of Health and Physical Education at GSC.

As in the past, the medical clinic will be open from 8:30 a.m. until 4 p.m. on Monday through Thursday. The hours on Friday will be 8:30 a.m. until 12 noon. The two new nurses will be alternating on a seven-day schedule. The first schedule will consist of Monday, Tuesday and Wednesday and the night emergency calls on those days. The remaining part of the weekly schedule is Thursday, Friday and the night emergency calls for those days in addition to those on Saturday and Sunday.

Committee Is Planning Survey On Programs

The Lyceum Convocation Committee in conjunction with Miss Virginia Smith's business communications 207 class is planning to conduct a campus-wide survey concerning the Lyceum's campus programs. Questionnaires for the survey will be prepared and distributed by Miss Smith's class as a regular assignment. The survey will be an attempt to determine what sort of programs the student body prefers.

Upon completion the results of the survey will be tabulated by the business communications class. It is the hope of the Lyceum Convocation Committee that this survey will aid them in their selection of entertainment for the student body.

There were 40 students who listed no major field of study and ten are post graduate students. The total enrollment for this year is 1,641 (excluding extension classes) as compared with 1,554 for last year.

The convocation featuring Art Fletcher, Assistant Secretary of Labor has been rescheduled for Nov. 11.

Drama Festival Held Today; High Schools To Participate

The annual Little Kanawha Regional Council's High School Drama Festival is being held today, Nov. 5, in the college auditorium. Information concerning the participating high schools had not been received by Mrs. Judy Curtis at press time.

In Memoriam . . .

Services are now being held in the Student Government Association office for Mr. Student Senate, who reportedly died last year due to unnatural causes. In the fury of campus disturbance, Mr. Senate's life was short and ineffective. He was a good man, basically—he just didn't quite make it to full maturity.

The birth announcement of Mr. Senate came in the March 26 issue of the *Glenville Mercury*, and for a while, the whole campus was excited about the new arrival. Little Senate was proposed by a committee made up of the presidents of last year's organizations on campus. He was to consist of 50 arms and legs which were to spread throughout the entire campus. Twelve of the arms were from the Greek organizations (two from each group); 11 of his arms were to sprout from Women's Hall; seven of his arms from Louis Bennett; two legs from Verona Mapel; four legs in the form of class presidents; and 14 delegates-at-large were to compose the remainder of his limbs. The delegates-at-large were to be elected by the student body as were the president and the vice-president. Vice-president was to serve as speaker for the entire body. The President, at the head of everything, was to be the executive branch of the senate body.

Poor Little Senate was smothered in the spring of his life when the GSC campus was overtaken by student unrest. Little Student had no chance to live. The overwhelming power of mobs and panic was just too much for him.

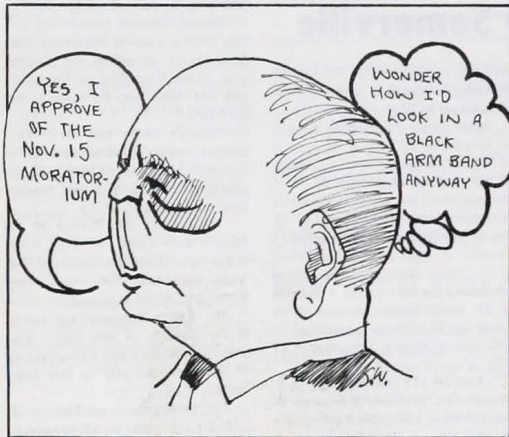

An autopsy was suggested to determine the exact causes of his death, but the parents, in the form of Mr. and Mrs. Student Government Association, were much too concerned with all of the smaller children in the family who were misbehaving by not saying their prayers at night. The SGA's are now in a state of what seems to resemble limbo, doing and saying nothing. The SGA family was almost overcome by the disturbances and since then, the clan just hasn't been the same. They seem to be a disorganized group, just sort of hanging in their little home, with no visible evidence of progress or productive thinking.

Survivors include: his parents, Mr. and Mrs. Student Government Association; brothers, Secretary, Sergeant-at-arms, Treasurer, President and Vice-President; 1698 cousins, and several aunts and uncles.

Student Senate's body was frozen last spring in the cold wave of student unrest which prevailed. Attempts to revive him should be made at once. His life, if saved, would surely be an asset to the entire community of Glenville State College. Life-giving oxygen in the form of another student vote should be administered to the patient, and perhaps the life could be saved.

On the GSC campus, it's a matter of life and death. . .

Naval Aviation Test To Be Administered

A Naval Aviation Officer Information Team from Washington, D.C. will be at GSC on Nov. 7 and 8. They will inform male students on the opportunities of a commission as a naval aviation officer. The Aviation Qualification Exam, lasting approximately three hours, will be administered to the interested students at their convenience. There are several programs available in naval aviation.

Seniors can qualify for pilot, flight officer or air intelligence officer and go on active duty after graduation. Students may inquire into these programs as early as their junior year.

Sophomores and juniors may apply for a summer training program (Aviation Reserve Officer Candidate) which leads to a commission and flight training upon graduation.

How many times have you heard someone say, "our country—right or wrong," and then denounce those who would have their nation's wrongs corrected and her rights maintained? Of course many of those who would utter this phrase have little knowledge of the entire quote of Stephen Decatur when he proclaimed, "Our Country! In the intercourse with foreign nations, may she always be in the right; but our country right or wrong." To say the least, this attaches new meaning to the whole verbalization. It appears to me that those individuals who today are asking for peace, for a more concerned policy of domestic improvement, and who are challenging various governmental officials to initiate programs consistent with and not hypocritical of the fundamental concepts of these several states united, are not denying the fact that this is their country, but are asking merely for a better society. Since when should demonstrating for a peaceful society, or denouncing a policy that severs the moral fiber of a nation, or protesting the inequality of an unjust few over a suppressed mass bring with it the label of traitor or "impudent snob"?

Wasn't it the convictions of dissidents that built this nation, and cannot the convictions of dissidents preserve and improve this nation?

If we are to heed the voices of the past, let us reaffirm the charge of Sophocles: "All men make mistakes, but a good man yields when he knows his course is wrong, and repairs the evil. The only sin is pride."

Forestry Society Holds Shooting Match Oct. 30

A shooting match was held Oct. 30 by the Forestry Society. The match was held on college farm property near the golf course. This is the first such venture undertaken by the club and members described it as "highly successful."

The match attracted both students and local residents alike. Prizes included cash, turkeys, hams and candy. The prizes were relatively evenly distributed among contestants.

Proceeds from the match go into the club treasury and are used for operating expenses. Members of the club wish to thank Mr. Law for the use of the farm and Mr. Hewitt and Mr. Combs of the Forestry Department for supervising the match.

Swisher Sets New Record for GSC

Raymond Swisher, the kicking specialist for the Glenville State College Pioneer football team, has set a new school record for successive conversions of extra points. Swisher is 22 for 22 on the season with 2 games yet to play. The old record is 15 for 18 set by Bill Frost last year.

Swisher, 21, is the son of Donald L. Swisher, Sr. of 361 Third Ave., Ripley, W. Va. He graduated from Ripley High School in 1967 and attended W. Va. Wesleyan College for one year before transferring to Glenville State. He is majoring in physical education with a minor in social studies.

Swisher kicked two extra points against Mars Hill, one against Salem, five against Fairmont, seven against Wesleyan, five against Bluefield and two against West Liberty. He did not attempt any against W. Va. State. Swisher has also kicked field goals of 44, 32 and 26 yards for the Pioneers this year.

Renovations Begin For Science Bldg.

New construction now underway on campus is the renovation of the Science Building. Upon completion, the new addition will provide two additional exits to the north end of the building.

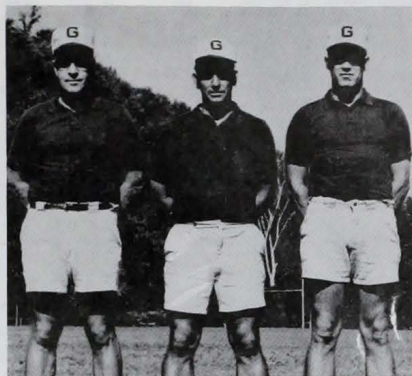

The first step is to enlarge the entire structure, making it extend to the cement retaining wall immediately behind the building. With this will come addition of two rooms to be used for office storage space and preparation.

DZ's and ASA Tie For Championship

On Oct. 28 the championship game of the "Mixing Bowl" touch football tournament was held at the Gas Company field. This game pitted Delta Zeta Sorority against Alpha Sigma Alpha Sorority. After a hard-fought battle, the game was finally called because of injuries and darkness. The final score was 6-6, therefore both organizations will be awarded a mixing bowl for their efforts.

The following evening, Tau Kappa Epsilon Fraternity met Theta Xi Fraternity in the championship game of the "Commodore Bowl" tournament. This game was won by Theta Xi with a score of 6-2. The members of Theta Xi Fraternity will be awarded a commodore bowl for their victory.

These games were sponsored by the Greek Council for the purpose of bringing greater unity to the Greek organizations.

WJPJ Speculates ...

This reporter feels that the Glenville State College football team is coached by three men who are among the finest in the coaching profession. Head coach Bill Hanlin is highly complimented by the two assistant coaches, Earl Adolfsen and Robert Summers. These men have taken the football team at GSC from the ranks of the mediocre to a place among the best in the conference.

Coach Bill Hanlin has 17 years coaching experience beginning in 1953 at Tyler County High School. He moved from Tyler County to Ashland, Ohio and then to the University of Maryland for graduate work. From Maryland, he moved to St. Marys High School and in 1966 came to Glenville State.

Coach Earl "Whitey" Adolfsen came to GSC in 1966 also. He had previous coaching experience at Wirt County High School, Oakland, Maryland, and Weston High School. Coach Adolfsen coaches the offensive and defensive lines and linebackers.

Coach Robert Summers came to Glenville in 1968. He began his coaching career at Williamstown High School and then moved on to Parkersburg High. Coach Summers handles the defensive backfield.

These three men have proven their capabilities and work hard to provide the college with the finest football team possible. The coaches have worked long hours in preparation for the present season and the record so far shows a 3-4 won lost record for the season with three games to play. This is in comparison with a 2-6 record in 1966, 5-2-1 in 1967 and 6-3 in 1968.

Coaches Hanlin, Adolfsen, and Summers have developed a close relationship with one another and are not afraid to show these feelings. This relationship seems to carry over to the players as has been proven in recent games. Neither the coaches nor the players gave up during the four losses to Salem, Fairmont, West Liberty and W. Va. State, and all were equally happy with the wins over Mars Hill, Wesleyan, and Bluefield.

If it seems as if this reporter is pro Hanlin, Adolfsen, and Summers, that is the intent of this article. It seems as if no one knows the coaches exist during a victory but just let the team lose and the coach is a no good bum. Win or lose the team could not function without the coaches so they should receive the credit that is due to them.

Pioneers Fall To State, 20-11 In Seventh Game Of Season

The Pioneers scored first on a 26 yard field goal by Raymond Swisher in the first quarter. They maintained this lead until early in the second quarter when W. Va. State's Eddie Lee scored on a 4 yard run to put the Yellowjackets ahead 7-3.

The second half saw W. Va. State score two touchdowns in the third quarter, one by Charles Ellis and one by Eddie Lee, to end the Yellow-

jackets scoring. GSC scored in the fourth quarter on Willie McGhee's one yard run and a two point conversion by Pete McDermitt to Mike Roscoe. The final score being 20-11 in favor of W. Va. State.

Tom Haught led the Pioneer ground game with 118 yards on 17 carries. Clyde Stepp followed with 50 yards on 7 carries. GSC had 184 yards total rushing.

Quarterback Pete McDermitt completed seven passes in 17 attempts for 80 yards. Pete threw four interceptions. Jack Robinson and Dan Wessner were the leading receivers for the Pioneers. Robinson had three receptions for 30 yards and Wessner two receptions for 28 yards.

GSC had 184 yards in 35 rushing attempts and 80 on 7 receptions through the air for a total offense of 264 yards. The Pioneers had 15 first downs but lost two fumbles and had the four pass interceptions. W. Va. State had 346 yards rushing and 53 yards passing for 399 yards total offense. The Yellowjackets lost two fumbles but had no passes intercepted.

The Pioneers close out the 1969 home season this Saturday at Rohrbough Field against the Concord Mountain Lions.

Six \$100 prizes are offered for single poems by full-time undergraduates of colleges and universities. The Devins Memorial Award totals \$500, a cash advance on royalties from a winner's book to be published by the University of Missouri Press. The Kansas City Star offers four \$100 prizes for single poems to any resident of the United States.

The National Poetry Contest is open to all residents of the United States. Each entrant, by submitting a poem or manuscript, acknowledges his assent to the rules and regulations. Entries must be postmarked on or

Complete rules for the contest may be obtained by sending a stamped, self-addressed envelope to: Kansas City Poetry Contests, P.O. Box 8618, Kansas City, Mo. 64114.

The judges have not been announced but in the past have included Conrad Aiken, Louis Untermeyer, Robert Penn Warren, Philip Booth, and Edwin Honig. All entries are judged anonymously. The author's name is enclosed in a sealed envelope attached to his entry.

Prize winners will be announced April 30, 1970, at the closing reading of the 1969-1970 American Poet's Series of the Kansas City Jewish Community Center. Prizes will be mailed to winners.

The winner of \$500 Devins Award will be invited to speak at the 1970-71 American Poet's Series and be paid the honorarium and expenses by the Center. At this appearance his book will go on sale.

Prize-winning individual poems may be printed in the Kansas City Star and in booklet form by Hallmark Cards, Inc., but no entry will be published for commercial purpose without the consent of the poet.

Library Utilization Is Shown In Poll

In a recent library in-service poll, it was noted that 800 people used the library in one day. Mr. David Gillespie feels this is another reason for the passage of the library fee proposed before the Student Council. It is felt that the \$12.50 increment, if approved by the students, will stabilize the library program.

It is rumored that another proposal was being ventured for a five dollar assessment for a student recreation fund. However, many feel this increase would be a total waste of resource. A fact known to many is that the Student Council has consistently lost on concert programs at the College. There are those who feel there is no interest in the programs and as a result would not vote for the five dollar increase.

Gillespie says he feels that students at Glenville are conscientious in the area of academics and feels sure the library proposal will get necessary support.

Sadie Hawkins Is Historical Shindig

by John Ditlow

Once upon a time, 22 years ago, the national social fraternity of Kappa Sigma Kappa, in an effort to create and foster more color and interest on the Glenville State College campus initiated a Sadie Hawkins Day.

The idea for this flamboyant event sprang from All Capp's comic strip of 'L'il Abner', and since that autumn day the event has swept like wildfire across the college campus, becoming a "must" in the list of outstanding programs.

Let us look at a few Sadie Hawkins' days beginning with the first in 1947. There was the race with the women chasing the men and usually catching them. If everyone was able to stand up after that, there was a dance, but all jugs and muzzle-loaders had to be checked. There was a "battle of the ballots" as Daisy Mae and L'il Abner were, and still are chosen. Dan Rengers and Alfreda Taylor won the honors in that first year.

The year is 1951. Sadie Hawkins is still an active week-end on the Pioneer Campus. New events have

Wesley C. Frame Represents GSC At West Liberty

Wesley C. Frame, Student Council Vice-President, has been unanimously chosen by the SGA to represent GSC at the W. Va. Association of Student Governments at West Liberty State College, Nov. 8.

The first meeting of this organization was Oct. 11. At this meeting, it was unanimously decided to have a formal organizational meeting on Nov. 8 at West Liberty State College. The formal structure of the W. Va. Association of Student Governments shall: 1) consist of College Student Government Presidents, or their representatives with full authority, and the Student Representative to the Board of Regents, presently John Hoblitzell; 2) represent all colleges and universities; 3) sub-committees to act on policy either to accept or reject it; 4) to schedule more combined meetings; and 5) only four year colleges would have full membership.

All four year colleges and universities have been invited to join, whether they be state supported or private. It has been expressed that what is needed is a strong group for representation of the students.

The purpose of this organization is: 1) to help solve mutual problems; 2) to participate in policy formation and have an active, voting voice on all decisions; 3) to promote closer affiliation between the colleges and universities; and 4) to have an effective student influence.

Frame, a junior business major from Gassaway, W. Va., terms this association as "having great potential to become an effective and beneficial organization."

been added including a turnip eatin' contest, a 'greasy Hawg' race and a drinkin' contest. As an added attraction a shotgun weddin' was presented at the annual dance.

In the year 1956, the Sadie Hawkins' week-end was as big as ever with many more exciting events. The greasy pole climb, log sawin' contest, three-legged race for the gals', three-legged race for the boys, egg throwin' contest, sack race, corn-shellin' contest, wheel barrow race, and a turnip eatin' contest. The afternoon attraction was the "Sadie Hawkins Race," and the annual Sadie Hawkins Dance was the event of the evening. Admission to the dance was a certain fee for each inch of the girl's waistline! Talk about dieting. The girls did in 1956.

In 1962 them folks from Dogpatch wer har' agin'. There was fun and excitement for all them Theta Xi boys and prizes to the winners of all the contests. Daisy Mae and L'il Abner were elected and the annual "stomp" was held in the union.

Many people at GSC now remember that thar' Sadie Hawkins week-end last year and the excitement it involved. Totop if off, last year was Leap Year and this certainly had an added effect on activities. Remember the Greeks verses the Independents in a tug of war game, the apple bobbin' contest, the girls in the cigar smokin' contest, and them boys who were a "little" high competing in the sack race. How about the guy who caught the greased pig and won a case of beer? Too bad he didn't drink. The dance in the ballroom with everyone dressed in their "Sunday best" was some affair to see. Bob Hays was chosen L'il Abner and Lana Turner was elected Daisy Mae.

It's that time of year again an' all them thar' Dogpatchers from Theta Xi are comin'; Marryin' Sam, Pappy Yokum, the Scragge boys, and the Skunk Holler boys. They will all be here Fri. and Sat., Nov. 7 and 8. This year's event promises to be as exciting as ever. So put on yor' Dogpatch duds and as L'il Abner would say, "Git with it, yo' schmoos!"

On Thursday evening, Nov. 20, the WOGS will have a meal in the Multi-Purpose Room for any girls who wish to attend. After the meal, WOGS will hear Jack Albert speak about his trip to Africa.
