SGA Holds Meet, Revises Constitution

Among the major issues at the Nov. 13 meeting of the SGA were discussions concerning the formation of a new constitution and the resubmission of the proposed library fee.

A committee has been appointed by the SGA to write a rough draft for a new constitution. Various discrepancies and loopholes have been pointed out to the SGA and it is felt that something must be done. This Constitutional Committee will have as its major function the establishment of a rough draft which will be submitted to the SGA for further development. Appointed to this committee are Wesley Frame, Fred Booth, and George Allen.

After considerable discussion, a motion was passed to hold an all-campus assembly to discuss the proposed library fee. Mr. David M. Gillespie expressed his desire for such a meeting to be held Tuesday, Nov. 18.

The Constitution of the Ladies of the White Rose was accepted by the SGA. "The major goal of this organization is contribution in the largest measure possible to the spirit of Lambda Chi Alpha. Specific objectives shall be: (1) to assist in rush functions where permitted; (2) to plan and execute one fraternity function per semester; (3) to initiate and participate in projects of service to the Active chapter; and (4) to render general moral support.

A committee was appointed to suggest procedure in the election of next year's Homecoming Queen. Written material and a definite proposal has been assigned for presentation at the next SGA meeting. Appointed to the committee are Donnie Puckett, Roger Simon, and Fred Booth.

Wesley Frame discussed the meeting of the W. Va. Association of Student Governments held at West Liberty State College Nov. 7 and 8. The next meeting of this organization has been scheduled for Dec. 6 at Morgantown.

Degree Program Continues For Peace Corps Volunteers

On Nov. 1, officials of the Peace Corps and the State University of New York College at Brackport announced completion of arrangements for continuing and extending the Peace Corps/College Degree Program. These arrangements were to admit a fourth group of candidates in June, 1970.

Members of the first contingent completing the 15-month program combining the upper division undergraduate education with Peace Corps preparation are serving on bi-national educational development teams in the Dominican Republic. The second group is on a similar assignment in Peru and Honduras. However, the third group is in the academic year phase of this joint project, but is

A white blanket of snow covered the GSC campus last weekend.

Lyceum Group Plans Trip To Morris Harvey, Nov. 23

The Convocation-Lyceum Committee will travel to Charleston, Sunday, Nov. 23, to participate in the annual Council of Cultural Coordinators to be held at Morris Harvey. The purpose of the trip is to view the annual talent showcase presented for the combined representatives of col-

leges and universities in West Virginia. These representatives are responsible for evaluating and selecting performers to appear on their respective campuses for the 1970-71 school year.

Representing Glenville will be Gary Gillespie, chairman of the Convocation Lyceum Committee, James Murphy, speech instructor, Robert Gainer, assistant to the president, Lynn Stotler, a student committee member, and three or four other interested students.

Activities will begin with registration at Morris Harvey College at 3:00 p.m. Sunday, the talent showcase, which will be held in the college auditorium, begins at 5:00 and continues throughout the evening. This showcase presents performers who will entertain for group rates if signed by several schools in the state. This enables schools with limited budgets to sign more good performers at lower prices.

Immediately following the showcase each group of representatives meets separately to discuss and evaluate the performers. Decisions are made at this time concerning which acts are preferred. On Monday morning, Mr. Gillespie, Glenville's voting representative, will attend a meeting of all voting representatives to decide what entertainers will be given contracts for the coming year.

The Convocation-Lyceum Committee is interested in knowing student preferences for performers and programs for the coming year. Ideas should be presented to Mr. Gillespie before the Nov. 23 meeting. Students interested in attending the meeting may also see him.

Plans Approved For New Wing

On Tuesday, Nov. 4, the W. Va. Board of Regents approved Dr. Wilburn's recommendation of proceeding with the plans which will provide a six floor wing to be added to Women's Hall and will house approximately 327 women. The preliminary financing plans have already been submitted, and the Housing and Urban Development Loan has been approved.

Final plans are to be completed by March 1, 1970. Advertising for bids on construction will begin on April 1, 1970. Actual construction will begin on May 1, 1970 and finish in July of 1971. The new wing should be open for housing in the fall of 1971.

"Operation Entertainment" Finds Favor At Meeting

On Nov. 13, at 9:30 a.m. in the college auditorium, in a meeting held by representatives of GSC Greek organizations and the student government association, "Operation Entertainment" was given the go ahead. "Operation Entertainment" is an idea conceived by the Greek Council to provide top entertainment for GSC students through such entertainers as The Temptations, the 5th Dimension, the Grass Roots, and Stevie Wonder.

This proposal, which will be presented in ballot form before the student body, calls for an increase of \$5 on the student activity fee per semester. Students would be admitted to concerts on I. D. cards and tickets

would be sold to high schools and other colleges such as Morris Harvey, WVU, Fairmont, and Wesleyan.

During the meeting, the question was raised as to why the fee could not be lowered and the student government pay the rest with the money they are allotted for activities. Oliver Reed, president of Greek Council, answered this question by saying that the Student Government Association should use this money to bring guest speakers to GSC in order to provide a variety of activities and entertainment.

It was suggested that the concerts could be held in the gymnasium with seats on part of the gym and a stage constructed at the other end. This would provide seating room for approximately 3000 people.

Judy Arnold, representing Nu Lambda Psi at this meeting, had this to say about "Operation Entertainment": "With about 1600 people enrolled next semester and collecting \$5 from each, we would have \$8000 to begin with. And we would have the money we would make from selling tickets to people who do not go to Glenville. This \$8000 alone gives us enough money to sponsor two concerts or one concert with two groups. We can publicize our concerts on radio stations in addition to issuing newspaper advertisements and posters. It would be worth any money we spend on publicity because we could make more people aware of what our entertainment would include and we could not help but get a good response with good entertainment."

A second meeting was held on Monday, Nov. 17 at 3:30 p.m. in the ballroom to formulate a campaign to gain student approval.

Dr. D. Wilburn To Attend Bd. Of Regents Dinner

On Monday evening, Dec. 1, the W. Va. Board of Regents, the new Governing Board of all state colleges and universities, will meet with all state college and university presidents at a dinner at the Daniel Boone Hotel in Charleston. The dinner will prelude a meeting which is set for Tuesday, Dec. 2. Dr. D. Wilburn will attend this meeting.

Vineyard Plans

Xmas Ensemble

Anyone interested in playing in the Christmas Concert Dec. 18 should contact Mr. Edward Vineyard in room 212A of the Music Department. The band meets each Monday, Tuesday, Wednesday, and Thursday from 3:15 to 4:15 p.m. No audition is necessary for playing in the concert. The Music Department will also provide instruments for those students who have none of their own.

At this time, players of the following instruments are needed in the band: clarinets, a bass clarinet, a string bass, a cello, a baritone saxophone, and a bass trombone.

Auditions for the wind ensemble will be held sometime in January. The wind ensemble will be touring March 5, 6, and 7.

Rabbi Hamburger Will Speak Dec. 15

The Convocation-Lyceum Committee this week received confirmation that Rabbi Wolfgang Hamburger of Huntington has accepted an invitation to speak on campus Monday, Dec. 15.

Faculty members were polled to find their preference of topics for Rabbi Hamburger. The topics chosen are "The Function of Religion in Modern Society" and "The Jewish Attitude Toward War and Peace." Faculty members felt these topics would be of greatest interest to a majority of students. These topics will be presented in rotation during the morning hours with each topic being dealt with twice. Rabbi Hamburger will be available during the afternoon hours to speak to various classes.

Arrangements for this speaking engagement were made by Dr. Sylvan Lebow, Executive Director of the Jewish Chautauqua Society of New York City.

IRC Created, Makes Plans

A new organization on the basis of the Greek Council has been initiated to promote better relationships between dormitories on the Glenville State College Campus. The new group is called the Inner Residence Council or the IRC.

Representatives from each dormitory are: from Women's Hall, Judy Arnold and Melody Johnson; from Verona Mapel Hall is Ruth Snyder and Emily Warren and representing Louis Bennett Hall is Ken Davis and Greg Morgan.

The new organization is presently preparing their constitution to be sent to the SGA for approval. Several plans are being made, but are not yet complete. Some of the plans are for a Christmas party and dance in the ballroom with a tentative date of Monday, Dec. 15. Bands under consideration are the Esquires, the King Sound Interpreter's and the Soul Survivors.

At present the IRC is sponsoring a Mixed Bowling League and in the future there will be other contests and events among the dormitories.

If you have suggestions for the IRC, please contact one of the representatives in the dorm you live in.

With 56 Glenville State College students present at the SGA Special Meeting yesterday, the Library Increase Proposal was defeated by a 29-27 vote.

The Cost Of Glory

On Oct. 13, in the college auditorium, "Operation Entertainment" was favored in a meeting held for the student body of Glenville State College. This idea was conceived by the Greek Council to provide top entertainment for the students of this college. I feel this vote and the idea as a whole is a gross misrepresentation of the standards and values of this college and that it is an injustice to some members of the GSC student body.

This new program, if initiated, would charge each student an extra \$5 per semester in activity fees simply to pay for the groups which would appear here. Students would be admitted to concerts on ID cards and tickets would be sold to high school students and to students in other colleges in the surrounding area.

The Student Government Association (the reader may define this term in any way he wishes) has apparently failed to realize, however, that this fee, which would be paid by every student entering the college, would be applied to a concert which every student may not have the opportunity to see. Ideally, the ticket sales should amount to the fee required by the group for performing, and not an individual tax on every student. If a student does not want to see a group scheduled to perform, why should he be forced to pay for the others' admission?

Secondly, I feel that the students have failed to realize that it is not the groups entertaining on campus which determine the "stature" of this institution, but the graduates of this college. The graduates are spread throughout the country and their qualifications and achievements determine the reputation of GSC, not the Fifth Dimension, or the Temptations. Granted, the groups would increase our "stature" among the colleges located in other parts of the state, but just how long will this new reputation last? I'd wager a liberal guess of two or three weeks. When you see these groups on television, how long do you rave about them then? Not long, I'd say. In short, the students of Glenville State College would be paying \$4000 to \$8000 for a few short weeks of glory.

More emphasis should be placed on academic endeavors at this college. I am referring specifically to the library fee proposal, which was defeated in a student vote yesterday. Perhaps the library fee was a bit steep, but at least this is a step in the right direction.

Again, it may be considered that a happy median could be met between the two proposals. Decrease both fees and compromise for a better, well-rounded Glenville State College.

Is it fair? Is it worth it? Are the graduates suffering?

Charity begins at home, and so does "stature."

Gamma Beta Phi Society Elects Neely As President

by Patsy Johnson

One of the newest organizations to be established on the GSC campus is Gamma Beta Phi, a service-leadership organization for students in American colleges and universities. The organization was instituted on March 22, 1964 by a group of college educators active in educational work in South Carolina. The chapter at GSC came into being in March, 1969, primarily through the efforts of Ron Riggs, a senior art major from New Matamoras, Ohio. Gamma Beta Phi presently has 47 chapters on college and university campuses across the U.S.

Ron Riggs served as the first president of the organization which is an extension of the high school Beta Club. Any Beta Club member is eligible for membership in the college Gamma Beta Phi society. Membership at GSC is by invitation and is based not only on scholarship, but on character and service also. There

is an invitation period each semester with society members voting on new pledges. The GSC chapter presently has 19 members.

Gamma Beta Phi is a non-profit organization which charges no membership dues. A \$10 fee which is required of all new members entitles them to lifetime membership. The organization aims to promote educational opportunities and to aid in community progress.

The 1969-70 edition of Gamma Beta Phi is served by Sharon Neely as president. Miss Neely is a 20-year-old junior from Oak Hill majoring in art and English. She served last year as Kanawhachen editor and is presently pledging Nu Lambda Psi social sorority.

Vice-president Mary Joseph is a 20-year-old junior elementary education major from Elkins. She is a member of Alpha Sigma Alpha and serves as secretary for the Campus Religious Council.

Diana Phillips serves as treasurer. She is a 20-year-old elementary education major from Elkins and is presently pledging Alpha Sigma Alpha.

The corresponding secretary is Janice Judy, a 20-year-old elementary education major from Elkins. She is currently pledging Nu Lambda Psi and served last year as business manager of the Kanawhachen.

Recording secretary Deneen Schilling is a junior elementary education major from Alliance, Ohio.

Mrs. Yvonne King, journalism instructor, serves Gamma Beta Phi as faculty advisor.

Sharon Neely

Special Activities Are Planned

Women who are living in the Home Management House are faced with three specific requirements during their stay in the house this semester. First, they must prepare a guest meal which includes one professional person in attendance. They are required to serve a buffet which involves three girls serving as hostesses. Also, they must include one special activity such as a shower, tea, open house or card party.

On Nov. 13 from 6 to 8 p.m., Beverly Hurst and Linda Bailey presented their special activity which was a Buccaneer Party. The party was given for those who will be living in the Home Management House next semester. Those women who came dressed as Buccaneers include Lois Gill, Jane Dyer, Sharon Slusher, Linda Allman and Donna Fultz.

The entertainment, menu and preparation of the meal were the responsibility of Miss Hurst and Miss Bailey. Through games, the girls discovered the room they will be living in and their first duty. They were also oriented with many of the jobs they will have to perform such as entertaining a small group, the different place settings for meals and balancing the menu.

Future activities include: Nov. 15, Autumn Buffet; Nov. 17, Bridal Shower; Nov. 22, Thanksgiving Buffet; and Dec. 1, Open House.

Dec. 4, this group will move out of the house and the new group will assume their duties the first week of second semester.

Dr. Zinn Donates Volumes To Library

According to Mr. David Gillespie, the Robert F. Kidd Library has received from Guy F. Bailey, president of the Gilmer County Historical Society, a collection of eight titles on West Virginia history. Included in this is a three-volume set of *History of West Virginia and Its People*, a 1913 edition; and the *Journal of the Constitutional Convention of West Virginia Assembled at Wheeling, 1861*. These works were part of the late Hubert and Gladys Zinn estate from Troy. They were given to Mr. Bailey by Dr. Lynwood Zinn, a Clarksburg physician and a 1933 graduate of GSC, for the West Virginia Collection of Glenville State College.

Second Semester Teachers Must Apply By December 1

Any student who plans to do student teaching during the second semester 1969-70 and has not made application must do so by Dec. 1, 1969.

Please see your advisor or call the Office of the Division of Education and Psychology, CH 103.

DZ Adopts Navajo Family For Philanthropic Project

Recently, the Theta Xi Chapter of Delta Zeta sorority adopted a Navajo Indian family. The adopted family, the Ashleys have 11 children. The Navajo Indians are Delta Zeta's philanthropic project.

A rummage sale is being planned for Nov. 28 and 29 to be held in Parkersburg. A committee has been appointed to collect rummage.

by Jack Albert

This nation is in the grips of a lingering illness. This creeping disease is most affirmatively contagious, and has been with us apparently for some time. Sociologists date the origin of this case to sometime during the "National Breathing Spell" of the Eisenhower Administration.

Some prevailing symptoms of this unstableness are blindness, deafness, and an appalling emotion-controlled following.

The carriers of this dreaded malady are found in comfortable homes, (two-car garaged, three bedroomed, two and a half bathed, three kidded, red-bricked, color televisioned, suburban centered cells) on the college campi*, most noticeable in 8 a.m. Glenville State College classes, quite frequently not found in Lyceum programs, never in the library, but always supporting the Union.

Also suffering from the disgusting disability is the man in the street, the 'our country, right or wrong, as long as it doesn't bother me' espousists.

The medical history of this terminal ailment shows devastating results as reported in two renowned case studies. The fall of the Roman Empire was attributed to an acute fever from this deteriorating condition combined with a cross-section of complications. The germ was dispersed throughout Hitler's Germany and escorted millions of Jews to the annihilating acid sanctuaries of that demented society.

Resounding with rhymes of rhetoric, President Richard Milhous Nixon, addressed the nation on Nov. 3, 1969 in a 'unity' plea. At this time, he identified the sweeping condition, the following week, received diagnosis sheets from 77 per cent of the populace.

There is hope. And when hope is combined with involvement, action, and thought, it does not belong to the ignorant.

If you have read this and do not know what I am talking about, maybe you are suffering from "Silentis Majoritis."

If you went to look for America, where would you go, and what would you find?

Prediction: Sargent Shriver, U.S. Ambassador to France, will run for the Senate against Adali Stevenson III, Henry Cabot Lodge will replace Shriver.

(I'll probably eat my words!)

Suggested slogan for President Nixon in 1972 (if he runs for the Presidency); Remember, He kept us out of Belfast!!

Aides to John David Manchester, say he is considering the office of Student Council President in 1970. Manchester denied reports, however, and when asked who he would support in 1970, brilliantly responded, "no comment."

What if the Pill had come a generation earlier????????????????ETC.

Note: An egg from the GREAT SPECKLED BIRD (Campi Bird) will be on display Thursday and Friday in the GSC Library and will then be hidden on the Campi*. Clues will be given in this column weekly. The individual finding the egg must bring it to the nest (Mercury Office) to receive his award.

The I've Got A Secret Award--The W.Va. Board of Regents--(keep those doors closed).

The Don't Shed In Our Pool Award--Hygienically awarded to Dr. Dollinger, who now makes it mandatory that everyone (men and women) wear bathing caps into the GSC pool. Ester Williams would be proud.

That's the way it looks This Side. The Great Speckled Bird loves you. PAX.

Women's Varsity Basketball Squad Chooses Leaders

The Women's Varsity Basketball team recently selected Betsy Wingfield, a junior from St. Albans, and Donna Newberry, a freshman from Parkersburg, as co-captains for the 1969-70 year. Both women are majoring in physical education with minors in art and math, respectively.

This year's team is represented by seven freshmen, three sophomores, five juniors, and one senior. The only senior is Mary Campbell, a senior physical education major from Lewisburg. Other team members are juniors, Peggy Stevens, physical education major from Barclay, Md.; Rita Buchanan, a physical education major from Spencer; Karen Fish, a physical education major from Leavittsville, Ohio; Judy Lamm, who is majoring in physical education from Belmont; and co-captain, Betsy Wingfield.

Sophomores are as follows: Karen Tenny, a math major from Prociou; Millie Keenan, a physical education major from Parkersburg; and Linda Grandenette, majoring in physical education. She is from Ivanhoe.

Freshmen members of the basketball team include: Kathy Weaver, a science major from Richwood; Pamela Abbott, a physical education major from Parkersburg; Barbara Walker, a physical education major from Parkersburg; Dianna Moore, a physical education major from Parkersburg; Marilyn Blair, majoring in physical education; Jenny Cronin, a home economics major from Ellenboro; and co-captain Donna Newberry.

The team coach is Rebecca Miles, a senior majoring in physical education. Miss Miles is from Weston.

Serving as manager of the team is Kathy Hesson. She is a junior physical education major from Belpre, Ohio.

The team referee is Linda Ball, a senior who is majoring in physical education. Miss Ball is a native of Maryland but now resides in Elkwiew.

Games are now in the process of being scheduled and will be announced at a later date. Fund raising projects being planned include bake sales, a faculty scrimmage game and egg sales.

New uniforms being considered are white tennis sweaters, and navy blue shorts with white or blue knee socks.

HIGH JUMPERS CAPTURE 1969 INTRAMURAL TITLE

In final competition Nov. 13, the High Jumpers defeated the Tenny Tigers two out of three games to claim the Women's 1969 Intramural volleyball championship. The first game ended with the High Jumpers victorious. The score was 8-2.

New regulations at the college pool require that all students, male and female, wear bathing caps.

Basketball Outlook Is Bright At GSC

By John Ditlow

The 1969-70 Glenville State College basketball team, with four returning regulars, a part-time starter and nine lettermen returning, is looking forward to a very good season.

The Pioneers lost only one starter from the '68-'69 team which posted a respectable 13-12 record. Gone is the fiery guard James Archer, who was the back court ace last year.

Heading the list of returning regulars is Jackie Robinson, a 6'2", 195 pound senior from White Sulphur Springs. He is the all-conference scoring ace of the Pioneer squad and is returning for his fourth season as a regular.

From Staunton, Va. comes Bill Perry, another returning regular from last year's team. Perry is a 6'2" junior and should see much action this year.

William Albert McGhee is the other back court ace who played along side Archer on last year's team. "Willie" as he is known to everyone is a 6' junior from Collins High School in Oak Hill.

Dave Barnes, a 6'4" junior from Marietta, Ohio is the other returning regular on the Pioneer squad.

Marion Gordon is a returning part-time starter from last year's team. Gordon is a 6'4" senior from Lewisburg and should prove to be a valuable asset to the team this season.

Heading the list of returning lettermen is James Lilly. He is a 6'1" senior from Oak Hill. Lilly should see much action this year.

Another returning letterman from Parkersburg South High School is Dale Tawney, a 6'6" sophomore. He will provide some added height to the Pioneer squad.

From Gauley Bridge High School comes a 6' sophomore, James Spicer. Spicer's two brothers, Steve and Carlton, had outstanding careers as Pioneer cagers in recent years.

Letterman James McNeish is a 6' senior from Beckley. He will be battling for a backcourt position.

William Roosevelt Lynch, a 6'1" sophomore from Oak Hill will probably see much action this year.

Gary Richard Norris is a 6'4" junior from Huntington will be battling for a position on the starting squad.

The short man back for his sophomore year on the Pioneer basketball team is 5'11" Adair Wilson from Elizabeth.

David Kuhn, a player last year, is back this year as a student assistant coach. He is proving quite helpful and capable in his new job. Kuhn is a senior from Cleveland, Ohio.

Coach Lilly certainly has a bright future to look forward to when he looks at the promising freshmen that arrived this year. Freshman prospects are: Ralph Cook, 6'4" from Sharples; Steve Datcher, 6'4" freshman from Indian Head, Md.; Ronald Jones, a 6'1" cager from Waldorf, Md.; and Richard Smith, a 6'2" freshman from Weston.

The Weston Shrine Tournament will be held this year on Nov. 24 and 25.

Pioneers Kill Rams In Season's Finale

The Pioneer football team closed out the 1969 season with a 21-17 victory over the Shepherd Rams, at Shepherdstown last Saturday. The victory left the seasons record at 5 wins and 4 losses for the year.

Tom Haight, Mike Roscoe, Dan Wessner scored the GSC touchdowns and Raymond Swisher kicked three extra points. Haight scored on a 9 yard pass from Pete McDermitt, Roscoe on a 11 yard pass from McDermitt and Wessner a 42 yard pass from McDermitt.

Quarterback Pete McDermitt completed 12 of 25 passes for 142 yards and all three touchdowns. McDermitt

had no interceptions.

Haight led the GSC ground game with 20 carries for 76 yards and one touchdown. The touchdown left Haight with 72 points scored this year which broke his old school record of 60. Clyde Stepp carried 12 times for 47 yards and Dave Kerns 3 times for 18 yards to help bolster the GSC running game.

Roscoe, Haight, Wessner and Robinson all contributed to the passing game with their receptions. Roscoe had 4 receptions for 49 yards; Haight had 3 receptions for 21 yards; Wessner, 2 receptions for 48 yards; and Robinson, 1 reception for 9 yards.

The Pioneer offense had 160 yards rushing and 142 yards passing for 302 yards total offense. Shepherd had 116 yards rushing and 274 yards passing for 390 yards total offense.

Ron Harmon, GSC defensive back, intercepted two Shepherd passes and returned them for a total of 35 yards.

The season's record of 5-4 ranks third among Coach Bill Hanlin's four seasons. Injuries to key players did nothing to help the team in the 1969 season. But all things considered the 1969 season was a successful one if not in games won, then in the experience gained.

Pioneers' 1969-70 Basketball Schedule

Dec.	4	Salem	H

Richard Smith	Fr.	6'2"	165	19	Weston, W. Va.

The 1969-70 Pioneer Basketball Squad is ready for action.

McCartney, Murin Attend 1969 Session Of RCIE

On Nov. 20-22, Loren McCartney, assistant professor of history, and Nicholas Murin, assistant professor of social science, will attend the second session of the 1969-70 Regional Council for International Education (RCIE) Faculty Institute on India and China which will be held at Punderson State Park near Cleveland, Ohio. The topic for this meeting will be "Philosophical and Religious Influences in China and India."

The institute, which is divided into four two-day sessions scheduled throughout the academic year, is sponsored by the RCIE to improve understanding among Council school faculty members of the history, art, religion and philosophy of China and India. Dr. Amiya Chakravarty, professor of philosophy at New York State College, New Paltz, and Dr. William T. DeBerry, carpenter professor of oriental studies at Columbia

University, will serve as resource scholars at the session.

The first session of the year-long Institute was held Oct. 9-11 at Punderson State Park. The conference focused on "Historical Forces and Social Patterns" of the two countries. More than 80 persons attended the three-day program which included talks by two prominent authorities on India and China—Dr. James Liu, Chinese scholar and Director of Princeton University's East Asian Studies Program, and Dr. Moni Nag, Indian scholar and associate professor of anthropology at Columbia University.

Liu and Nag were assisted at the conference by two consultants who are under RCIE contract for all four sessions of the Institute. They are Dr. Wing-Tsit Chan, Gillespie Professor of philosophy, Chatham and Professor Emeritus of Chinese Culture and Philosophy, Dartmouth College, and Dr. Parimal Das, Visiting Professor of Psychology, Findlay College, and Professor of Psychology, Scottish Church College, Calcutta, India. Chan and Das prepared the syllabus for the Institute, selected study materials used by the participants and assisted in selecting visiting scholars for all four sessions.

On Oct. 30, the Board of Regents opened for bids for the construction of the new Forest Technology Building. No bids were taken however. Dr. Wilburn stated, "I don't know if it is the type of construction or whether the contractors can't build it with the money we have." Soliciting for bids will be held again on Nov. 25 at a third meeting.

Room Reservation Is Now Necessary For 1970-1971 Year

Students who are living in residence halls are reminded that they must acquire a room reservation for the academic year 1970-71 before Dec. 1, 1969. If a room is not reserved by this time, there can be no guarantee that the student will have a space for the next academic year.

A \$25 reservation fee should accompany the application for the room reservation. These requests for a room can be made at the separate residence hall offices. The fee will then be deposited by the residence hall director with the Business Office and receipts will be returned to the student making application.

After Dec. 1, 1969, reservations will be open to new students and space shall be allocated in the order of receipt of request in the offices of the Dean of Men and the Dean of Women.

MANY START HERE IN A SMALL WAY

Although ours is a "Full Service" bank—and, therefore, provides the best modern services to meet your every personal, family and business banking need—it's only natural that many people start here in a comparatively small way, using only one or two services. Sooner or later, however, they start enjoying the advantages of more and more services—all so conveniently available right here under one roof!

An 8 x 10 action shot of Christine Creighton has been submitted to the Miss Cheerleader USA Contest.

Robert F. Kidd Library Adds Additional Material

What's new at the library? These are some of the new additions. For the convenience and use of the students, the "Library Handbook" has been revised and expanded. There are also two supplements which make it much easier for students to find their way in the library.

To keep the library in step with other departments in the college, a special section of the library has been set aside for the books now arriving on special education. Another revamped area of the library is the section of college catalogs for both undergraduate and graduate schools throughout the country.

Also added to the library is the outstanding Modern Language Association Bibliography. This 21-volume set covers the years from 1926 to 1968. It should prove to be a great help to those in English and language arts fields.

Another addition to the library is a compiled listing of all periodicals, serials, newspapers and indexes. The titles of the 810 holdings are arranged alphabetically in an index which tells the call number of the magazine and the length of time that the library has been receiving the periodical.

Bound volumes of the telephone books found in West Virginia and surrounding areas are also now in the library.
