The Glenville Mercury

Glenville State College, Glenville, West Virginia

The Cormen, Eight Exciting Male Voice:

New Constitution Selected To Begin Student Congress

process of student government, WE, the students of Glenville State College establish this constitution of the Student Congress.

Volume XLI, Number 21

On Tuesday, April 14, the student body passed a constitution providing for the establishment of the Student Congress of Glenville State College by a vote of 374 in favor and 32 a-gainst. The Congress will replace the former SGA and Student Council. The new constitution went into effect immediately upon approval.

The major change in the GSC governing body will be in the membership. Replacing the old nine member Council will be a new twenty member Congress. The general officers of the Congress will be a President, Vicepresident, Secretary, Treasurer, and Parliamentarian. Besides these five officers, there will be fifteen members from the following areas: one member from Verona Mapel Residence Hall; two members from Women's Hall: two members from Louis Bennett Hall; one member from each of the four classes; three members from Greek Organi-zations selected or elected by the Greek Council; and three Independents who are elected by students who are not members of Greek Organizations. The purpose of the SC shall be to:

(1) Provide experience for its mem bers in the principles and practice of democracy; (2) Promote general stu-dent activities; (3) Constitute a medium for expressing the opinion of the students; (4) Strengthen cordial relations among administration, facul-ty, students, and community; and (5) Perform such acts as are necessary to advance student welfare.

The duties and powers of the Student Congress shall be: (1) To encourage the activities of the different organizations and bring these organizations into closer co-operation the administration and faculty (2) To establish Freshman rules, and to assist with Freshman Orientation; (3) To stimulate the development of school loyalty and tradition; (4) To govern all elections other than those that are within the jurisdiction of campus organizations; (5) To grant concessions to student campus organizations; (6) To expel by a two-thirds vote of the entire membership of the SC any officer or representative of the SC for failure in performance of duty as herein described; and (7) The SC Il have the power to override the veto of the President of the SC by a two-thirds vote of the entire SC.

One of the major additions to the

"In order to formulate student change in constitutions was directed policies and to practice democratic toward the veto of student proposals by the President of the college. Such a veto may be overridden by 50.01 per

cent favorable vote of the cligible voters. It will take a two-third vote o the SC to call for an election to over ride the veto. A section was added concerning a tie in any general election, except for that of SC officers. In the event of a tie, the SC shall, within seven days, choose by secret ballot one of the candidates to fill the vacancy

Dates concerning the election of officers, under (either the old or new) constitution have also been set up. They are as follows: April 15-17 Filing dates April 28 Election of new officers

May 5 Inauguration

The new Constitution was written by the Constitution Revision Committee and corrected and approved by the members of the SGA on April 8. Members of the Revision Committee were: Wesley C. Frame, President SGA; George C. Allen II, Secretary, SGA; and Frederick D. Boothe, Presi dent, Sophomore Class. Other mem-bers of the SGA are: Vice-president, Michael N. Ireland; Treasurer, Donni Puckett; Sgt.-At-Arms, Carolyn Mc Conihay; Senior Class President, Roger Cutright: Junior Class President, Mark Freshman Class President, Wil liam (Buddy) Thomas; and the Advisor, Mr. Kermit L. Kinder

Musicians Attend Meet

A number of the students and faculty of the Department attended the West Virginia Music Educators Association conference on Arpil 5 through April 11 in Charleston. The adquarters for the meeting was the Charleston Civic Center.

Some of the Busical selections were presented by the Marshall University Wind Ensemble, Marshall University Choir, featuring soloist Miss Jane Hob-son, The Gregg-Smith Singers, and the Washington Junior High School Choir, under the direction of Larry George a recent GSC music graduate.

The final performance included se lections presented by the high school All-State band, orchestra, and chorus.

The Gilmer County Historical ciety will meet April 24, 1970, 7:30 p.m. in the West Virginia Room of the Robert F. Kidd Li-brary. Interested students and faculty are invited to attend.

All members of WOGS are invited to a dinner meeting in the Multi-Purpose Room at 5 p.m., Tuesday, April 21. The women should go through the cafeteria line, then bring their trays to the MP Room.

Julia Murin WOGS President

Financial Aid To Be Awarded

It has been announced by Larry Lamb, Financial Aid Officer, that the Loans and Scholarships Committee met last April 1, for the annual awarding of scholarships.

The following scholarships are to be awarded: 46 Claude Worthington Benedum Scholarships, 21 John C. Shaw Scholarships, and 29 West Vir ginia Board of Education Scholarships of the Board of Education Scholarships are specifically for ele-mentary majors and five are for secondary majors. Also, these ten ning Fresh scholarships are for inco

The Claude Worthington Benedu Sch cholarships are \$200 each. The John Shaw Scholarships and the Board of Education Scholarships are in the amount of \$150 each.

In order for a student to receive any of the above scholarships, he must have a 3.0 or better grade average or have made a score of 20 or above on the ACT test.

Application Is Submitted

On Fri., March 20 an application to the Department of Housing and Urban Development in Philadelphia was submitted. This application con-cerns the new Men's Dormitory to begin in July of 1970.

The new men's dormitory will be suite-type space and be fully air-conditioned. This will be almost identical to the new wing to Wo-

GSC Commencement Speakers Announced

President D. Banks Wilburn has announced the speakers for the GSC Commencement exercises and Baccalaureate Sermon.

On Thursday evening June 4, 8:30 p.m., the Rt. Reverend C. bell, Bishop Diocese of West Virginia of the Episcopal Church will be the speaker for the Baccalaureate Sermon.

Dr. Perry Epler Gresham, President of Bethany College, Bethany W. Va, will be the Commencement speaker on Friday morning, June 5, at 10:00 a m

Male Vocal Group Will Give Concert

THE CORMEN, eight highly skilled showed their proficiency in both and polished male voices under the direction of singer-director Terry Danne, will present a concert on Thursday, April 16, at 8:00 p.m. in the College Auditorium as a feature of

the Convocation-Lyceum Series. THE CORMEN have just completed a highly successful tour throughout the mid-West, presenting a program that is musically diversified and at the same time an obvious "audience pleaser." Opening with songs of the 18th century, they proceed with musical settings by Randall Thompson of poems by Robert Frost and end the of poems by Robert Frost and end the first part of the program with a fun choral piece in the manner of the Brahms "Lovesong Waltzes." The second portion of the program is devoted to tavern songs from around the world and concludes with a group of popular show tunes.

The musical arrangements for THE CORMEN are by Robert De Cormier who not only has his own group (The De Cormier Singers) but is also the choral director for the Ed Sullivan TV program

The mid-West reviewers gave THE CORMEN great critical acclaim calling

The Spring Luncheon of the Glenville State College Faculty Wives Organization will be held at 1:00 p.m. on April 18 in the new cafeteria. This will be preceeded by a social hour in the multi-purpose room. Invitationsfor the luncheon have been sent to all faculty wives, the women members of the teaching staff and the women who

THE GLENVILLE MERCURY

Thursday, April 16, 1970

Remember GSC

happen when the Class of 1970 graduates but we feel that there is no time like the present. Many of you Seniors will depart from Glenville and may never return but we ask you to keep those of us who remain behind in mind.

Now, by this time your curiosity should be whetted to the point that you will be willing to read further. We hope you will for one reason. Glenville State College needs your support now and in the future.

Many of you probably have little if any idea of the cost of operating a competitive athletic program. In an effort to enlighten you we pass along the following information. Footballs of the variety used by GSC cost in the neighborhood of \$25, basketballs run just about the same price. You may feel that this is expensive, and you are right, it is. The story is just now beginning. Football helmets run from \$40 to \$65, shoulder pads from \$40, shoes run about \$20, and this doesn't include hip pads, thigh pads, knee pads, practice uniforms, first aid equipment, and other incidentals to the football program.

If you basketball fans think it doesn't cost money to run the round ball

It you basketbail fans think it doesn't cost money to run the round bail competition, check around. Two sets of game uniforms, practice uniforms, shoes, and the previously mentioned balls do not come cheap. If you are still reading this column at this point, we will go to the spring sports of baseball and golf. Bats \$5.00, balls \$3.50, uniforms \$35 each. Then there is golf. Most people have their own clubs and shoes. Be thankful for that because clubs run about \$200 a set and shoes are \$30 a pair. The college does

furnish golf balls and these little gems are \$15 a dozen. Now you feel that there can't be too much more expense but you are wrong, very wrong. There is a little item called travel which can really run into money. Then you can feed 40 football players or even take an overnight trip with the basketball team which would involve travel, lodging, and meals for 15 people. Would you care to bear the expense? We doubt it.

If you are still with us at this juncture and we sincerely hope that you are we will get down to the point. Any contribution and we suffectly hope that you ac, we well get down to the point. Any contribution you care to make will be deeply appreciated by the friends and classmates you are leaving behind. No matter how small your donation is, it will enable GSC to continue the winning tradition established by our bowlers, whose expenses we did not go into and our basketballers whose expenditures were partially itemized. We are not asking for your contribution now, but when you are financially able, remember GSC ae. we will accept your Should this paper fall into the hands of any of our Alum

Help Cure Water Pollution

Our world dies a little every time you wash out a batch of underwear in the bathroom sink with one of the high phosphate detergents. These phosphates are the chief cause of our present water pollution problem, according to a recently completed five-year study of pollution in Lakes Eric and Ontario by the Inter-national Joint Commission, the U.S.-Canadian water regulating agency. The phosphates speed up the growth of algae. The algae in turn rob the water of

oxygen which fish and plants need to stay alive. Only national awareness and immediate action by every concerned citizen can stem the tide of polltuionuntil such time as detergent formulas are changed

and improved sewage systems constructed. Individual efforts must be directed to switching back to the old methods of laundering...using soap alkes or powders in combination with water-softening washing soda. According to laundry product testing by the United States envir-onmental engineers, soap products and washing soda each contain less than one percent phosphates, and when the two are used together they produce a good wash.

The major hang-up is locating the soap and soda. Although both are staples on supermarket laundry supply shelves, they're so vastly outnumbered by the high-phosphate products that it takes now searching and reading of package ingredients to find them. To further add to the confusion, those who have grown up in the detergent generation do not realize that a detergent is not a soap. So check labels and buy only products that won't pollute our waters.

Band Begins 5-Day Tour

Yesterday the GSC band began their five-day tour of southwestern West Virginia, Ohio, and Kentucky. They are scheduled to return Sunday Three solos are on the bands a genda. Those playing the Solos are Will Piggott on trombone, Mike Barn-house on the piano, and the entire percussion section.

Contemporary pieces will be a sidelight to the program. Those and a Spanish March. The program will also include a folk legend overture.

The first tour performance was last night at Spencer High School in Roane County. From Roane County, they go to Mason County, where they will perform at Wahama High School and Point Pleasant High School.

Their only performance in Ken-tucky will be at Catlettsburg. They will then travel to Coal Grove, Ohio, for their final presentation. The band members will also attend a concert in Cincinnati by the Cincinnati Concert Orchestra.

Wilburn Selects **Planning Group**

Dr. Wilburn has selected a com mittee of co-ordinates and the problem is environmental pollution. the

Components of this co mittee are Scott Barnes, Dr. Alfred Billips, Dr John Chisler, Dr. William Cones, Dr Robert Dollgener, Dr. Bruce Flack, Wesley Frame, Ronald Gregory, John Spears, and Dr. Byron Turner. Their purpose is to co-ordinate plans for stimulating interest of environmental issues on campus and to encourage students to become active.

On Wednesday, April 22 from 9 a.m. to 3 p.m., a continuous program will be presented in the Ballroom. Speeches will be heard by several faculty members and possibly students. Also, films will be presented on the problem. Students are urged to nd in their free time. Classes are atte not dismissed.

That evening the Campus Religious Council will present a speaker, Dr. John Nelson, to discuss, "The Relevance of Christianity to Environmental Pollution.

Other projects that the committee has been working on are the May 16 River Clean-up project by the Greeks on campus and the May 23 Cleaning project by the student body.

Again, all students are urged to e part in this most worthwhile take program

Robert Mollohan Endorsed By Club

Robert Mollohan has been endorsed as the candidate for Representative from District One by the Young Democrats' Club. Several mem-bers of the GSC Chapter, which is affiliated with the state chapter, at-tended a reception for Congressman Mollohan at Salem College and a similiar reception is being planned in Glenville sometime near the end of April.

The GSC Young Democrats' Club met Tuesday, April 13. Featured was a movie entitled "Because It's Right." According to Kenneth Davis, "The Young Democrats' Club is a fine opportunity for anyone interested in politics and/or the Democratic party."

Officers for the GSC Chapter are: Larry Gryzb, President; Ronald Nichols, Vice-president; Kenneth Davis, Secretary-Treasurer; George Allen, Parliamentarian; Fred Albert, Whip; and Mr. John Spears, Advisor.

g

Mr. Vineyard is shown here leading the band in daily practice.

Dean Reserves Tuesday

istration discussion program, Dr. Somerville stated that no classes

Somerville stated that no classes should meet on Tuesday morning be-tween 9:30 and 11 a.m. In an explanation of this statement, Pres. Wilburn offered this background information. When Glenville State College went on a semester system, it was agreed upon by the faculty that Tues.

At the March 31 Student Admin-mornings from 9:30 - 11:00 would ation discussion program, Dr. be reserved for student, faculty, committee, and Student-Government meetings. This period was to be left free of any academically organized activities. President Wilburn stated that stu-

dents are not required to attend any make-up sessions, laboratory periods or other scheduled classes on Tuesday morning between 9:30 - 11:00.

In Memorium . . .

And we shall never forget those eyes; those steely blue eyes that lit on us like cold blades; those tender blue eyes resting in their depths of tearful liquid

He was a small man, a thin man; the type you would expect the cold north wind to whirl into your doorway or the dawning of your resurrection.

He was a run-for-your-life man, full of vitality and an unquenchable thirst to tear truth irom every er of smug and hypocritical fasity

And we shall never forget those eyes penetrating us like the eyes of prophetic, fillet fish, lying in an absurd state of domesticity that . . . did not fit.

He was a loosely assembled man of large, soft shoes hanging onto thin, nervous legs; and large glasses that failed to hide the contatious visions in his eyes.

was a hypersensitive man, flushed easily with hair receding. A man of turmoil, ambition four at a time with a well prepared lesson to open the invisible doors of ourselves.

til Jack be nimble and Jack be quick and Jack jump over the cnadlesti

And we shall never forget those eyes the day that he swore not to jump again for half hearts. and short minds, and cheese grins, and dear ears. Do I dare admit that mine heard?

He was the symbol of what we could have been. He represented the freedom we never kne He was all

that we had yearned to be, but for us it was too late. So now in mellow dreams.

We shall never forget those eyes: floating, unfading, unflinchingly in the mind. Echoes live on, in the empty halls and stairs of his footsteps,

and his voice ringing, permeating every sense

They swept away our symbol, deprived us of realizing our dormant gems of potential. He lives

Xi's are shaking hands at the site of the memorial to Past-President of GSC, T. Marcellus Marshall. Fraternities Combine Efforts will leave Glen Ferris at approxi-mately 11:00 a.m. on Saturday. Gov-ernor Moore will be present to view **By Clearing Marshall Grave**

On Saturday, April 4, the members of Tau Kappa Epsilon and Theta Xi fraternities combined their efforts to clean off the gravesite of former Glenville Normal School President, Marcellus Marshall. The gravesite, lo-cated just beyond Stouts Mill, had not

been cleared for several years. Mr. Marshall, who lived from 1851-1925, graduated from Glenville State Normal School in 1872. The following year he became the first president of the school. Mr. Marshall was very active in education through-out his lifetime. He was the original life director of the National Education Association and served as presi dent of an Indian College in New Mexico. He also served as president of Carlyle College for several years.

When the gravesite was first chosen and the monument was erected, it was placed so that it faced the Little Kanawha River. This was done because at that time most of the transportation to and from Glenville was by way of the Little Kanawha River. Later, when Route 5 was constructed, the gravesite was not visible from the road, and therefore was not kept in very good order. The gravesite is approximately 300 yards off the road. The two fraternities wish to ex-

press their appreciation to the Forest Technology Department for the loan of equipment used in the project. The

The project was supervised by Frank Weightman, Mr. Ralph Mr. Ralph Kornegay, and Mr. James Scherrer, advisors to the fraternities.

Tri Sigma Enters Oil Drum Regatta

On Saturday, April 18, Pi Kappa Phi Fraternity of West Virginia Insti-tute of Technology will sponsor the Fifth Annual Pi Kappa Phi Oil Drum Regatta. Glenville State's entry for this year will be Sigma Sigma

rority. The Regatta consists of racing manually driven oil drum rafts over a nine-mile course on the Kanawha River between Glen Ferris and Montgomery. Prizes this year will include \$500 in cash prizes and a dozen trophies, including a special prize for the first three powder puff crews. The overall winner will receive the travel-ing trophy called the Tom Sawyer's Cup plus a \$200 first prize. Last year over 60 rafts from all over the state and from some other states competed in the news in the race

the race. The Sigma raft is called Moby Grape. It is being built by Sigmas and helpful male friends. An all-girl team will row the raft.

In answer to Butch Hays' ques tion in the Powder Horn last week. "Does GSC have an entry?", Melanie Devol, Lucy Nakoneczny, Lois Gill, Linda Scarles, Cathy Gumm, and Jenny Pitzer-Moby Grape's crew say YES we do. The raft's entry number is 10 so it will be in the first heat leaving Glen Ferris at 11:00

Linda Shoemaker Honored By DZ's

Last Wednesday, Delta Zeta Sisters welcomed a visitor, our traveling Secretary Linda Shoemaker. She is a recent graduate of Marshall University where she received a degree in Physical Education. The purpose of Miss Shoemaker's visit was to acquaint newly elected and appointed officers with their duties, and to assist the president and chapter in past and future problems.

Also occuring last week was Delta Also occurring last week was Delta Zeta Week beginning April 6th and concluding April 12th. Activities of the week include the picking of "Secret" Sisters, a pienic dinner and the annual closed ball at Mont Chateau, Morgantown. The latter was a tremendous success. The guest speaker was Mr. Ralph Gay, history instructor at GSC and graduate of Marshall University. Mr. Gay talked on Greek life with special emphasis placed on

his past fraternity life at Marshall. On April 24th and 25th of this month Delta Zeta will travel to Marshall to compete for awards at the annual State-wide conference. There will be an officer's workshop Friday and State day will be held the following

Donna Newberry who scored 8 pts. Leading the three sport compe-tition is 5th & 6th floor with 240 pts. followed by 3rd & 4th with 165pts., Maple Nuts 115 pts.; Alpha Sigs 65 pts.; DZ's 55 pts.; and Tri Sigmas 30

GSC Independent Five Win Waterford Tourney

On March 31, an independent basketball team composed of former college players from GSC traveled to Waterford, Ohio to participate in Waterford's Independent Basketball Tournament.

Members of the Team were as follows: Jackie Joe Robinson, Marion Gordon, Willie McGhee, Gary Norris, Jim Lilly, Gene Watson, John Wymer, and Dave Kuhn.

The Pioneers' first opponent on Tuesday night was Malaga Grille of Woodsfield. Glenville nipped Malaga by a score of 66-65. Gene Watson, Willie McGhee, and Gary Norris paced Glenville with 14, 12, and 11 points respectively. In the semi-finals on Thursday night the Pioneers faced Newport Civic and Recreation Club. Glenville blasted Newport 111-49. Willie McGhee scored 22, Gene Wat-son scored 21, and Marion Gordon added 17 to lead Glenville's scoring attack

In the finals, the Pioneers played a fine team in that of Weihl's Olds of Marietta. Glenville won the game and the tournament by downing Weihl's 70-55. Gene Watson scored 21 points b lead the Pioneers. Jacki

GSC Football Clinic Is Weekend Event

Glenville's second annual football clinic was held at the fieldhouse this past week-end. The clinic was orig inated last year by Coach Hanlin for the benefit of our present football players and alumni players.

Players and alumni players. The program began at 7:30 p.m., Friday evening with Coach Hanlin introducing the first speaker who was Coach Frank Vincent spoke about the "Monster Defense" which his team Monster Defense" which his team employs very successfully. At 8:30, Coach Ron Rice of Handley High School in Winchester, Va., gave a stimulating lecture on the "Triple and Counter Option." The first session ended with a social gathering at 9:15.

On Saturday morning the second ssion began at 9 a.m. with Coach ick Ware of Point Pleasant High School giving an account of the "44 Defense

At 9:55, Coach Vincent talked bout "Co-ordinating the Monster Defense with Secondary Play." Coach Rice was back on the agenda again at 10:45 and discussed "Off-Tackle Football. Coach Ware finished up the clinic with a discussion on "Secondary Play and Adjustments of the 44 Defense." had 16 and Marion Gordon chipped in with 12.

Making the all-tournament team for the Pioneers were Jackie Robinson, Marion Gordon, Willie McGhee, and Gene Watson. Former Glenville College standout, Jim Archer, made the alltournament team for Weihl's Olds. The Pioneers brought back a total of 13

Football Men Are Admitted

Mike Wolf of Magnolia, Mike Barr of Meigs, and Frank Bowyer of Greer brier West High School have been ac cepted for admission at Glenville and will participate in football for the Pioneers

Bowyer plays guard and is 5'9" tall and weighs 185 lbs. He made third team All State AAA and Coach Hanlin feels he can play either offensively or

or defensively on the college level. Wolf is also guard and he is 5'11" tall and weighs 175 lbs. Coach Hanlin says, "Although Mike is not big, he has the quickness and desire to be a fine college football player."

Barr is a tackle and he is 6'1" tall and weighs 212 lbs. He made All Dis trict, All League, and All Ohio second team. Coach Hanlin believes Mike has the personal and physical qualities to be a fine college football player.

team has succeeded in doing what no other GSC athletic team has been able to do since 1942. The keglers of Coach Bob Dollgener are going to Kansas City to compete in the NAIA bwoling tournament. Led by Al Malone and Lynn Dawson, the Pioneers will bowl against the other seven top teams in the country on May 1 and 2. They will bowl a total of 16 games with the winner being determined by total pinfall

The Glenville State College bowl

Now just how did our bowlers get to Kansas City? In answer to that or kansas City: in answer to that question, we will start back in November of 1969 when "Doc" Dolgener greeted the candidates for the team. Practice began and before very long, the bowling prospects were rolling 40 games a week. The postal league season began and the Pioneers breezed through to a 17-1 record. During the course of the season, Big Blue won the Northern Regional at Clarksburg and the Southern Regional at Charleston. Even this fine record was not enough to earn the KC trip GSC had to win the WVIAC tourna ment at Oak Hill's TV Lancs. This they accomplished after losing by 15 pins in the first game. Then came the Area 7 roll-off against Lynchburg, Virginia and the University of North Carolina at Charlotte. With each team bowling on their own lanes, Glenville defeated Lynchburg by 700 pins and UNC at Charlotte by 900. It took a lot of hard work, courage,

and determination against huge odds and more pressure than those of us who have never competed on an individual basis can realize. So as Al

Southpawer Gary Dodson of W.Va. Wesleyan, fired a no-hitter against the Pioneers in their season opener Thursday, April 9.

The Bobcat ace struck out nine and walked only two batters on route to his masterpiece. Catcher Art Wheelock tripled in Doug Light who had doubled to provide Wesleyan with their only run in the contest.

In the second contest the Pioneers bounced back with a 11-5 victory. Pee Wee Lacey led the Pioneer attack with three hits including two triples. The Pioneers scored five runs in the sixth to climax the victory. Rob Church, Joe Scalise, and Gene Watson each scored two runs in the rout. The winning pitcher was Mick Goodwin, but needed relief help from Dick Werry

Council Plans For Frequent Open House

A move for more frequent open houses is among the major points being worked on by the Inter-Residence Council. Each governing board of the various dormitories has suggested its opinions of when and how often the dorms should be open to visitors. Verona Mapel favors open house once a month. Louis Bennett Hall favors it twice a month, and Women's Hall favors it once a

month. The Council is in the process of planning an Ice Cream Social to be held May 14 on the Verona Mapel Lawn. The finances for this will come from the social fee. There will be no

from the social fee. There will be no charge for Residence Hall students. A letter was received from West Liberty State College concerning their interest in the possible formation of a Residence Hall Council to be run on a similiar basis as that at GSC. According to the letter received, GSC may have the only Inter-Residence Council in the state.
