## 3-Act Comedy Opens Tonight

Tonight at 8:00 p.m. the GSC drama department will present the Eighteenth Century English comedy *She Stoops to Conquer* by Oliver Goldsmith. The play is a comedy of manners which pokes fun at sentimentality, low characters and vanity. The play will be presented April 28, 29, and May 1, with Melody Johnson and Trava Dotson sharing the lead role as Kate Hardcastle. Miss Johnson will play the lead character during the first two performances, and Mrs. Dotson will perform as Kate Hardcastle during the final presentation on May 1.

The fun in *She Stoops to Conquer* begins when Tony Lumpkin, played by Harry Curtis directs two young men, Hastings portrayed by Herman Winland, and Marlowe portrayed by Darrell Wilmoth, to the Hardcastle residence, falsely informing them that the home of Marlowe's future sweetheart, Kate Hardcastle is a village inn.

In the ensuing mix-up, Marlowe and Hastings arrive at what they believe to be an inn and begin ordering Kate's father, David Grapes, and mother, Betsy Wingfield, about. Kate Hardcastle, the heroine, is interested in Marlowe but she is unable to attract the shy young man who only feels comfortable around barmaids and serving girls. Kate continues the deception by playing a barmaid and "stoops to conquer" her lover. This provides the basis for most of the plot.

The play, however, includes many humorous subplots with bumbling servants and drunken brawlers. According to Mrs. Judy Curtis, director of the play, some of the funniest scenes in the comedy occur between the mischievous Tony Lumpkin, a character based on Goldsmith as a young man, and his dotting mother.

Other characters in the play include Constance Neville, Connie Montgomery; Maid, Pauline Andra-check; Digory, Gary Gillespie; Roger, Frank Weightman; Dick, Robert Dotson; Sir Charles Marlowe, Lonnie Brewster; Slingo, Daniel McPherson; Dick Muggins, Steve Scherer, and Jack Stand, Eddie Vogel.

Persons concerned with technical aspects of the play are as follows: Set Construction: William Lewis, designer; Julia Murin; Susan Coleman; Micheal Ireland, Jennifer Pitzer; Bernard Stein; Melody Johnson; Frances Perko; Betsy Wingfield; Lonnie Brewster; Robert Smith, Kathy Weaver; Daniel McPherson; and Darrell Wilmoth.

Costumes: Gayle Bailey, designer; Connie Montgomery, designer; Anne Whitman; Darrell Wilmoth; Cathy

## "A Part of You" Singing Trio To Present Concert, May 4

"A Part of You," popular singing trio, will present a concert on Monday, May 4 at 8:30 p.m. in the Auditorium. The components of the groups are Ron Cutright of Glenville, Mike Humphrey of Parkersburg, and Bob Clemens of Alexandria, Va.

Cutright is a former student of GSC and a 1966 graduate of Glenville High School. He has written the words to several songs which the trio uses.

Humphrey is a 1963 graduate of Parkersburg High School and attended West Virginia University. He accompanies the group on tambourine and bass.

Clemens is a 1964 graduate of Thomas Edison High School and attended Gerrum Junior College in Roanoke, Va. and Richmond Professional Institute in Richmond, Va. He plays 12-string guitar and arranges music for the group.

The three met when they entered the Air Force in August, 1968 and are now stationed at Goodfellow Air Force Base in San Angelo, Texas serving in the 6993rd Security Squadron of Security Service.

After singing at recreation periods,

they have become a very popular group within the Armed Services entertainment circuit and have decided to perform professionally.

It is an initial chance was made possible through the efforts of Colonel Robert L. Wallender, commander of the 6960 Security Squadron, who helped them obtain a ten day singing engagement at the San Antonio Livestock Show and Rodeo. Since 1968, they have performed for thousands of service men in the San Antonio area, as well as at all of the local colleges and universities.

The performance of "A Part of You" represents the final Lyceum program of the 1969-70 season.

## Two Works To Be Discussed In May

The GSC Literary Society will meet for the last time this year on May 3, from 3:00-5:00, Sunday afternoon. Two literary works will be discussed: a short story, "In The Steppes," by Maxim Gorky and Katherine Anne Porter's *Noon Wine*, a short novel. Keith Boyles will lead the discussion on "In The Steppes," and Susan Coleman will present *Noon Wine*.

In Miss Porter's deceptively simple style, *Noon Wine* tells the story of Mr. Thompson, an ineffectual farmer who kills a disagreeable stranger, who he imagines is attacking his eccentric but valuable hired man. Though acquitted of murder, Thompson commits suicide. Gorky's short story draws heavily on the kind of life he had himself experienced, which of necessity means that his theme and characters are taken from the lowest level of Russian life. This grim story is infused with a heavy dose of protest against the society that allowed such wretchedness to exist.

The Literary Society would like to extend an invitation to any persons on campus interested in literary discussions.

## GSC Concert Choir Featured May 12

The Glenville State College Choir will be featured in a concert on Tuesday, May 12, at 8:00 p.m. in the auditorium. The choir will be performing "Symphony of Psalms" by Igor Stravinsky, "Festival Te Deum" by Benjamin Britten, and "The Lord is My Shepherd" by Randall Thompson. Also, they will present a medley from "Fiddler on the Roof."

A newly formed girls' group will be performing many light selections to add to the evening's entertainment. Selections will include numbers from "Oliver" and three folk songs by Brahms.

In addition, special invitation to appear at this concert will be sent to the winning choir at the Choral Festival to be held Saturday, May 9 at GSC. This all day session will be to judge and assist choirs from area high schools, and judges will be Mr. Mark Aamot, choral director at GSC, judging choirs and Mr. James Knorr, of Buckhannon-Upshur High School, judging ensembles. The winner will also receive a plaque. Those schools officially entered are Parkersburg High School, Jackson Junior High School, Calhoun County High School and Ripley High School. Other entries are expected according to Mr. Aamot.

## State Speech Festival Attracts Local Students

The annual All-State Speech Festival held at Jackson's Mill April 23, 24 and 25 ended in success for John Ditlow, senior elementary education major from Harrisville. Ditlow represented GSC in the field of drama by presenting *Krapps Last Tape* by Samuel Beckett at the three-day festival. His dramatic effort won him the distinction of being chosen as one of the nine all-state drama players. Mr. Ditlow was also awarded a trophy signifying the honor.

GSC was represented in four other divisions of the festival competition. Campus representatives in the different divisions included Darrell Wilmoth, Poetry Interpretation; Trava Dotson, Prose Interpretation; Michael Ireland, Radio Announcing; and James Bologh, Patricia Wilmoth, Mary Cunningham, and Mary Walters, Debating.

According to Mr. James Murphy, instructor in speech, these students did well in their respective divisions, although they were not awarded top honors. Of the eleven W.Va. colleges and universities represented at the festival, West Virginia University and Fairmont State College shared in winning top honors in most of the divisions.

J. Kenton Lambert

## Mr. Lambert Is Speaker

J. Kenton Lambert, state director of the Farmers Home Administration will be in Gilmer County on Wednesday, May 6, to review the USDA rural credit agency's program in the area and to fill a speaking engagement at Glenville State College.

In discussing, "Rural West Virginia has Come of Age," the state director will appear before Mr. Byrl Law's agricultural students and college and community citizens at 7:30 p.m. in Little Theater of the Administration Building.

Lambert will meet with local leaders involved in rural development projects, including county-wide planning, installation of water and sewer systems and home construction.

An announcement concerning an expanded Farmers Administration housing loan program in Gilmer County will be made by Lambert, according to FHA County Supervisor Forrest Southall, who is headquartered in Grantsville.

Lambert, a resident of Parsons, was appointed State Director of the Farmers Home Administration in West Virginia on Jan. 1, 1970, by Secretary of Agriculture Clifford Hardin. Prior to his appointment, Senator Lambert represented the Fifteenth Senatorial District in the State Legislature.

The World War II veteran is a graduate of West Virginia University and the father of four children. He is a member of the Potomac Highlands Association, which promotes tourism and outdoor recreation.

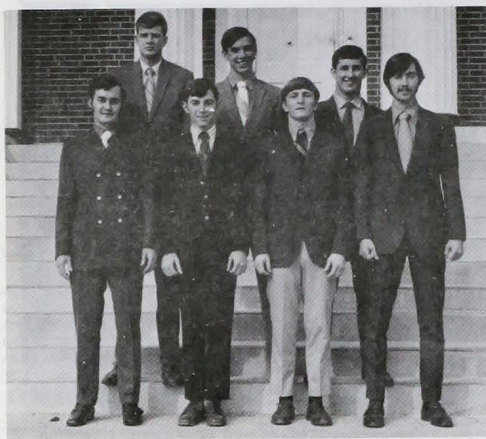

Active in civic clubs, church organizations, development corporations and youth programs, Lambert is a former governor of West Virginia District Kiwanis International.

As State Director of the Farmers Home Administration, Lambert directs a \$20 million supervised rural credit program designed to help family farmers, rural communities and to raise rural income.

## All '69 Graduates Located By GSC

The office of Career Planning and Placement has located all of the 1969 four-year graduates of GSC and has compiled a statistical report of these graduates.

In 1969 Glenville State College graduated a total of 213 students. The total number of graduates in secondary fields is 109. The graduates in secondary fields who are teaching totals 86. Of these graduates, 72 are teaching in-state and 14 are teaching out-of-state. There are 23 secondary graduates working in other areas.

There is a total of 47 graduates in elementary fields. Forty-two are teaching in the elementary field. Thirty-four graduates are teaching in-state and eight are teaching out-of-state.

## White Rose Accepts Six

Lambda Chi Alpha has presently been engaged in numerous social and service activities. Last night the Lambda Chi's sponsored their "Sing-a-long with Lambda Chi." They plan to continue this type of all-campus social events; the idea of a Coffee House Affair is now being discussed.

A campus clean-up campaign is now under way; the removal of debris and planting of grass seed in front of Louis Bennett Hall is the first project of this nature.

A closed party on May 2, and a May 9 picnic for Lambda Chi's will take place at Cedar Creek State Park.

Five elementary graduates are working in other areas.

There is a total of 27 graduates in AB Business Administration. Six of these are teaching. Five are teaching in-state and one is teaching out-of-state. Seven graduates in Business Administration are working in-state and four are working out-of-state. There are three working with the government, six in the service, and one in Boy Scouts of America.

The number of graduated in Professional 1-12 numbers 19. Twelve of these graduates are teaching in-state and five are teaching out-of-state. There are two graduates who are working in other areas.

The total number of graduates with a BS Degree is eight. Two of these people are in graduate school and six are working in other areas.

There are three graduates with an AB non-teaching degree. Of these, one graduate is working in-state and two are working out-of-state.

## Financing Announced

Mr. Larry Lamb, financial aid officer, has announced that there has been a change in plans for the summer school loan policy. It is now possible for all eligible persons to receive financial aid for summer school; however, this aid will only be in the forms of loans and work-study.

Any interested students must apply immediately and will be notified soon thereafter. No deadline has been scheduled.

## Pledges Become Active Members

Five Ohnningohow Players completed their one week of pledging with an initiation ceremony on Friday, April 24. They are Daniel McPherson, a business administration and speech major from New Martinsville; Frances Parko, an art and physical education major from Munhall, Pa.; Pauline Andracheck, a library science and physical education major from Belle Vernon, Pa.; and Phillip Reynolds, a history and drama major from Bridge City, Texas.

To be eligible to become a pledge of Ohnningohow, the five had to have spent many hours in either active participation in plays or technical theater. The week of April 19-24, they wore sign, spoke to actives, and obtained signatures of all the actives. In addition they attended lectures on set construction, make-up, lighting, and blocking which were given by various actives.

On Friday evening from 9:30 p.m. to 1 a.m. in the Auditorium they were given a test on the lectures and also performed a skit. Then, after a short ceremony, they officially became Ohnningohow Players.

Karen Kessler, new pledge of Sigma Sigma Sorority.

## Tri-Sigma Holds Founder's Day Tea

Tri-Sigma celebrated Founder's Day on Monday, April 20. The girls donned purple and white attire and wore purple and white ribbons under their pins. It was also commemorated on Sunday, April 26 by a tea in the Ballroom. Alumni, advisors, and selected guests were invited. This marks seventy-two years of Tri-Sigma sisterhood. Ironically, the Delta Alpha chapter also marks the seventy-second chapter.

The girls are now preparing for future events such as the Mothers' Day Sing and the Regional Leadership School to be held in Woodstock, Va., at the National Executive Office, the Mabel Lee Walton House during the week of June 11-14.

## Lambda Chi Alpha's Engage In Activities

The Ladies of the White Rose, Lambda Chi Alpha auxillary, recently accepted initiates into their organization; the qualifications for membership are a desire to be affiliated with the fraternity and admittance by the present members.

These girls, who will be initiated May 5, are: Jayne Beer, Jennifer Pitzer, Sharon Mallett, Linda Hinkley, Lois Gill, and Mary Joseph.

This years newly elected officers are Donna Fultz, president; Connie Woods, vice president; Kathy Weaver, recording secretary; Lucy Nakoneczny, corresponding secretary; and Jeannine Worstell, historian.

Tekes clean up with their bathtub.

## TKE Sets Bathtub Record Collecting for Easter Seals

The members of Tau Kappa Epsilon fraternity recently set a new inter-collegiate record by pulling a bathtub from Glenville to Parkersburg to collect funds for Easter seals. This trip covered approximately 68 miles and more than doubled the old record of 32 miles. This project was a part of Public Service Weekend, which is sponsored by Tau Kappa Epsilon fraternity throughout the nation.

The trip was begun at 1:00 p.m. on Friday, April 16, and ended the following day in Parkersburg. The trip itself took about sixteen hours from start to finish. When the expedition reached Parkersburg it was met by a police escort which accompanied the group to the center of the town. Contributions were accepted throughout the journey, and a total of approximately \$100 was collected.

Although a broken wheel and fatigue somewhat hampered the group

near the end of the journey, the mission was a complete success and those participating agreed that their time was well spent. The contributions were immediately turned over to the regional director for Easter seals to be used for the improvement of facilities and for research.

The Tekes wish to acknowledge their appreciation to WCEF radio and other news media who helped in making the project a success and also to every individual or group who donated money.

Tickets are now on sale for the Court Ball which is scheduled for May 9. The cost of these tickets is \$3.50 in advance and \$4.00 at the door.

## Alpha Sigma Alpha Pledges Hold Sale; Actives Plan Wash

Last Thursday April 23, Alpha Sigma Alpha pledges held a bake sale, which was a success, in the Louis Bennett Lounge. Future activities include selling Mother's Day corsages and holding a fashion show on Thursday, May 7. The fashion show will be held in the auditorium with the clothes being provided by the Quality Shop of Grantsville.

Two coming projects of the Alpha Sigs are a car wash to be held Saturday, May 2, in Spencer and the selling of daisy key chains. The key chains come in 10 colors and sell for a dollar. Greek letters will be put on them for five cents extra.

Much time is now being spent on the annual Mother's Day Sing. As of yet all of the fraternity, sorority, and independent themes have not been received.

## Baseball Playing Brings Win, Loss

Junior Mike Wentzel pitched the best game of the year of any Glenville pitcher as he fired a flashy three hitter at the Lions.

Captain Dick Werry continued to swing a hot bat as he had a home run to lead the Pioneer attack. Werry's shot was a 350 foot drive deep over the left centerfield wall.

Wentzel struck out six batters and walked four as he won his first game of the season.

In the nightcap the Pioneers lost a heartbreaker by a score of 7-5. Dick Werry and Pee Wee Lacey again contricted heavily to the Pioneer attack. Werry hit a powerful shot over the centerfield fence and Lacey hit a ball high off the rightfield scoreboard for a triple.

The Lions scored five runs early in the contest mostly on Pioneer miscues and this proved too much to overcome. The Pioneers almost pulled the game out in the last inning as fresh-

man Rob Church hit a line drive down the rightfield line with two men aboard but the Concord rightfielder made a diving catch to rob the Pioneers of a victory.

Morris Harvey will be in town on Wednesday, April 29 for a doubleheader and on May 2 the Pioneers travel to Fairmont for a doubleheader at Rosier Field.

Behind the brilliant pitching of Bill Rice and Mick Goodwin the Pioneers defeated the Battlers of Alderson Broaddus 4-1. The major portion of the Pioneer attack was again provided by Dick Werry and Pee Wee Lacey. Werry had three singles and Lacey blasted an inside-the-park home run. Lacey's drive was a blistering shot deep into the left centerfield gap that rolled all the way to the wall. It came with a man aboard to give the Pioneers a 3-1 lead which they never relinquished.

## GSC Linksters Finish Third

The Glenville State Golf team finished third in an eleven team match in the Northern Regional at Oglebay Park in Wheeling.

West Liberty finished in first place with a score of 303. West Virginia Wesleyan came in second with a 312 score followed by the Pioneers with a 317 total. Wayne Mencer had a 75 to lead the Pioneers and Jim Willison chipped in with a 79. The medalist for the tournament was Jack Sharp of West Virginia State who had a 71.

Glenville State will participate in the state conference match this Thursday and Friday at Oglebay Park. The winner will advance to the regionals for further competition.

GSC Golf Team

## Powder Horn

By Butch Hays

The Glenville Pioneer Golf Team will compete for the WVAC championship this week at Wheeling's Oglebay Park Golf Club. The Pioneers should finish well up in the standings and if they have a good day, they could win it all.

Coach Carney's linksters have done reasonably well for themselves in this spring's play. The weather has not allowed the team to practice as much as they would have liked but they still have won better than three-fourths of their matches.

Members of the golf team are Charles Carpenter, senior from Ellensburg, Jim Garrett, freshman from Point Pleasant, Wayne Mencer, junior from Glenville, Mike Rust, freshman from Elkview, Dan Wilson from Parkersburg and a transfer student from Beckley Junior College, Jim Willison, junior from Sistersville, and John Wymer, a junior from Strasburg, Va. We wish Coach Carney and his golfers the best of luck in the forthcoming match. Keep the ball in play and make those putts.

We extend our congratulations to Steve Poling of the GSC bowling team for his being top individual qualifier for the national roll-off in Kansas City. Among the teams competing at Kansas City will be an outfit from LaCrosse, Wis. which has won the national championship for the last four years. We pick GSC to dethrone them.

CAP & BALL DEPT The GSC football and basketball recruiting program is going along at a rapid pace. Coach Lilly and Coach Hanlin are looking at all prospects. Should any of you know about any good prospects, let our coaches know. This writer spent last week in "Windy City" and listened to Chicagoans bemoan the losses of their hockey team and praise their baseball Cubs. Didn't hear too much about GSC. Guess they haven't heard of us. Oh well...

## Red Devils Team Captures Intramural Championship

Red Devils I captured the 1970-71 intramural championship by defeating the Downtowners 58-56. The Red Devils by winning the championship capped a brilliant year by finishing up with an undefeated season while supporting a 12-0 record.

The victors were led in scoring by Gary Keffer and Joe Wilmer with 22 and 14 points respectively. Woody Wilson led the Downtowners with 21 points and Mike Odell chipped in with 13 points.

At halftime the Red Devils were on top by a margin of two points at 31-29. The Downtowners tried courageously to overcome the Red Devils in the second half but could come no

closer than the final margin of two points.

Third place went to Howard Street as they defeated the Yellow Jackets by a score of 63-59. Howard St. were led by Roy Johnson with 18 points and P.D. Blankenship with 15 points. The Yellow Jackets were paced by Larry Bush with 19 points and Ken Swisher contributed 17 in the losing effort. Howard St. led by ten points at halftime at 31-21.

## Dr. R. Dollgener Receives Honor

Aside from being head of the physical education program, Dr. Robert Dollgener has worked with Glenville State College's Bowling Team throughout the 1969-70 school year. This year Glenville's Pioneers were West Virginia College Champions. For his role in this accomplishment Dr. Dollgener has been named "Bowling Coach of the Year" by the West Virginia Sports Writers Association. The annual dinner held by the organization recognized outstanding coaches and athletes from high schools and colleges within West Virginia.

Dr. Dollgener feels the accomplishments of the Bowling Team lie solely with the team. Dr. Dollgener states, "An award to a coach for coaching an individual sport more realistically belongs to the participants rather than the coach." Dr. Dollgener gives credit to the team itself and claims he had very little to do with its success.

Top individual bowler qualifying was Steve Poling of GSC, who rolled 1,332 for six games in the area roll-off. Poling had high games of 167, 246 and 239.

## Young Democrats Actively Organize

Mr. John R. Spears is faculty advisor for the Glenville State College Young Democrats Club. The club is a newly formed organization at Glenville State, holding its first meeting April 14 at 8:00 p.m. in the Little Theater.

The purpose of the meeting was to assign committees for planning of a Molohan reception to take place April 30, at 8:00 p.m. at the Recreation Center.

Mr. Spears is from Morgantown. He graduated in 1967 from WVU with a Bachelor's Degree in social studies education. He also received his Masters Degree from WVU in 1968 and is presently working towards a Ph.D. As an undergraduate, Mr. Spears was Phi Beta Kappa; president of the WVU Young Democrats Club; president of Alpha Phi Omega, local fraternity; and a member of the Student National Education Association.

Politically, Mr. Spears has been quite active in national and state democratic campaigns. He was State Chairman for Youth for Kennedy, Chairman for Youth for Sprouse, and also Chairman for Youth for Humphrey-Musky Campaign in West Virginia. He was on the State Executive Committee for the Democratic Party, first district coordinator for the John D. Rockefeller campaign for Secretary of State. Mr.

Spears states, he believes that "Political organizations provide an opportunity for students to constructively change the system in which they live." Mr. Spears is presently assistant professor of education and supervisor of student teachers at Glenville State College.

The Glenville State College Young Democrats Club, according to Larry Gryzb, president, gives young people at Glenville a chance to get involved in politics and also to learn more about their party, and gives them a chance to work for it.

## GSC Holds Teach-In; Participation High

On Wednesday, April 22, Glenville State College participated in the national Teach-In or Earth Day. This event was held in the college ballroom from 9 a.m. to 3:30 p.m.

The topic discussed was "Man and His Environment: Are They Compatible?" The speakers included Dr. R. Deal, Mr. Steven Scherer, Mr. Joseph Hickman, Ronald Gregory, Wesley Frame, Mr. John Hewitt, Pat Pierson, Mr. Nelson Wells, and Mr. Scott Barnes.

In an interview, Mr. Hewitt stressed the importance of this program of this type next year at Glenville. He would like it to be on a seminar basis in existence with the Science and Social Studies Departments. This program would make the students open their eyes to the problems they will have to face in the years to come.

Student participation in the Teach-In Program was fairly high. It is hoped that more students will participate in the community project to clean the Little Kanawha River. Thus far, 70 students and all the Greek organizations have volunteered to help. Students wishing to help should contact Mr. Scott Barnes.

## Examination Slated On Campus May 9

The Federal Service Entrance Examination will be given, on a walk-in basis, at our campus on May 9, 1970. Complete details and FSEE announcements are now available at the Placement Office.

Seven hundred twenty-eight on-campus tests have been given throughout the past year. In the year 1968-69, more than 47,000 competitors took the test and 8,000 eligibles were hired.

The test is open to seniors and graduates in any academic field except those in Engineering, Physical Sciences, Accounting and a limited number of other technical fields.

All interested students should go to the Placement Office for additional information.

Lynetta Martin, Larry Richardson, and Sue Bumgarner will study in France next year as a part of the French program here at the College.

## France Represents Cultural, Travel for Three Students

Three GSC students will travel to France from September until June, 1970-71 for study and cultural purposes. They are: Sue Anne Bumgarner, Lynetta Sue Martin, and Larry Thomas Richardson.

Miss Bumgarner is a 19 yr. old sophomore French major and English minor from Mason County. She is the daughter of Mr. and Mrs. Edward Bumgarner. When she was asked what she was most interested in learning about the French, she said she thought she could be able to speak their language more correctly. She also wants to travel to other European countries during Christmas and semester break.

Miss Martin is a 19 yr. old French major and social studies minor from

Kanawha County. She is the daughter of Mr. and Mrs. Calvin Martin. Miss Martin said her main reason for going to France is "I want to do something exciting and different, and besides, it's really the only way to learn French correctly." She is also going to travel to other European countries during Christmas and semester break. "I want to see the United States from outside the United States."

Mr. Richardson is an 18 yr. old sophomore art major and English minor from Glenville. He is the son of Mr. and Mrs. John L. Richardson. Larry wants to go to France because "it's one of the leading art centers of the world," and therefore he felt it would be beneficial to him.
