Glenville State College, Glenville, West Virginia

Wednesday, September 30, 1970

Financial Statistics Released By Lamb

Mr. Larry Lamb, financial aid officer, has released statistics on scholarships, loans and grants at Glenville State College for the first semester of this year.

Claude Worthington Benedum scholarships which are worth \$200 per year have been awarded to 41 students. This scholarship shows no change from last year. Twenty students have been awarded John C. Shaw scholarships; last year only 16 such scholarships were made available. Both of these scholarships are awarded for one year and are given to new students or to students who have formerly held the scholarships.

Twenty-four West Virginia Board of Education scholarships have been awarded to Glenville students. Of these, 17 are in general studies, two are in elementary education, and five are in secondary education.

Educational Opportunity Grants worth \$59,512.50 are being received by 223 students. Of these students 94 are receiving grants for the first time while 129 are renewing grants.

National Defense Student Loans have been awarded to 215 students as compared with 206 students receiving the loan last year. This loan is worth \$51,562.50.

Financial aid amounting to \$129,475 has been awarded to GSC students. This is an increase from last year's total of \$120,275.

Mr. Lamb has also announced that additional money will be available second semester for those students qualifying. Money will be available from scholarships, loans, and grants.

Ad Director Meets Staff

Mr. W.R. Summers, Jr., Director of Advertising Sequence at West Virginia University, will be on campus Friday, October 9. Mr. Summers will be meeting with *Mercury* staff and reporters to discuss advertising concepts.

Mr. Summers is treasurer of the American Academy of Advertising and is a member of the following: Alpha Delta Sigma, Kappa Tau Alpha, and Direct Mail Advertising Executives Association. He is a contributing author to *The National Publisher* and is co-author of a textbook *Principles of Advertising*. He is also president of Advertising Promotions, Inc.

He last appeared on campus in the fall of 1967 as a participant in the Western Regional Journalism Workshop.

Dr. Morris Lists Student Teachers

Student teacher assignments have been completed for first semester, 1970-71 according to Dr. Woodrow Morris, chairman of the Division of Education and Psychology. Students will begin teaching on Nov. 2 and will complete their work on Jan. 21.

Twenty-one students will be teaching in the field of elementary education. Students teaching in Gilmer County will be Barbara Boggs Burdette, Madeline Mae Frame, and Lora Nelle Weaver at Normantown Elementary School; Capitola Carol Cross and Michael Scot Randolph at Tanner Elementary; and Barbara Browning Murphy, Annie Meredith Smith, Sandra Kay Fletcher, and Marguerite Dean Stewart at Troy Elementary. Frankie Hollandsworth and Carolyn Louise McConihay will teach at the College Kindergarten in the mornings and will teach at Troy Elementary in the afternoons.

Patsy Flanagan Malay will be teaching at West Milford Elementary School in Harrison County while Darla Kay Winemiller will be teaching at Main Street Elementary School in Upshur County.

Eight students will be teaching in Wood County. Elizabeth Varney Abbott and Phillip Lynne Atkinson will teach at Greenmont Elementary. Sandra Poling Adams will teach at Lincoln Elementary while Christine Creighton teaches at Rayon Elementary. Teaching at Nash Elementary will be Mary Elizabeth Daniels; at the same time, Lois Hathaway Marks will teach at Tavenner School and Deanne Lynn Rexroad will teach at McKinley Elementary. Patricia

Cheryl Wines will also be teaching in Wood County at Emerson Elementary.

Seven students will be teaching in Braxton County. Teaching at Braxton County High School will be Robert Clay and Vincent Young. Judith Shoemaker and John Wymer will be teaching health and physical education. Sharon Dutton will teach French while Connie Sue Montgomery teaches speech and language arts. Teaching home economics will be Margaret Straley.

Eleven students will teach in Calhoun County High School. Kenneth Coleman, Donald Sheets and Julia Murin will teach English while Sue Ann Stalnaker teaches language arts. Verna Hardman and Sharon Mason will be teaching business education classes. Cathy Hesson Adams will teach health and physical education while Lawrence Long and Oliver Matthews instruct mathematics. Gloria Moran and Sheldon Hinkley will teach social studies.

Eight student teachers will be teaching in six Harrison County schools. Robert Hays will teach social studies at Central Junior High School. Teaching speech and art at Victory High School will be William Lewis. Margaret Kirby Miller will teach biological and general science at Washington Irving High School while Frances Perko teaches art. Miss Perko will also teach at Towers Elementary. Representing GSC at Broadway

(continued on page four)

Class Attendants Named For Court

Included in the royal court of the 37th annual Homecoming celebration are freshman princess, Debra Legg; sophomore princess Mona Wilson, and junior princess Susan Morrison.

Miss Legg is the 17-year-old daughter of Mrs. Della Legg. She is a 1970 graduate of Clay County High School and is majoring in physical education.

Mona Wilson is the 19-year-old daughter of Mr. and Mrs. Bruce Wilson of Slab Fork. Miss Wilson is a 1969 graduate of Sophia High School and is a business education major at GSC. She is a member of Alpha Sigma Alpha sorority.

Miss Morrison is the twenty-year-old daughter of Mr. and Mrs. William Morrison of Grantsville. A 1968 graduate of Calhoun County High School, she is a home economics major and is the president of Sigma Sigma Sigma sorority.

Dr. Somerville Is Named To Direct Centennial Comm.

Dr. Delmer K. Somerville, Dean of the College, has been named chairman and director of the Glenville State College Centennial (1971-72), according to Dr. D. Banks Wilburn, president of the College. In addition, an executive committee for the centennial has been released.

Named to the Executive Committee in addition to Dr. Somerville were representatives of the largest participation groups who will help in the overall formulation of plans for the 100-year-celebration. They are: Mr. Wesley C. Frame, president, Student Congress; Mr. Byrl L. Law, president, Faculty Administration Organization; Mr. Goff Summers, pharmacist, Glenville community; Mr. James H. White, president, Alumni Association; and Dr. D. Banks Wilburn, president, Glenville State College.

Glenville State College began as the "Glenville Branch of the State Normal School of West Virginia."

Established by an act of the Legislature on Feb. 19, 1872, the governing body was the State Board of Regents, which at that time consisted of the four elective state officials and the three members of the U.S. House of Representatives. Until 1909 there was a local executive committee of three members whose duties were to exercise "proper care over the property and to audit the accounts."

The first session opened on January 14, 1873, in the old Gilmer County Court House, with T. Marcellus Marshall, a graduate of Marshall College, as acting principal. Three months later, the Honorable Louis Bennett of Weston became principal. After two years' service, Mr. Bennett resigned and Mr. Marshall was again chosen principal by the Board of Regents. In that capacity he gave five years of devoted service.

During the first 25 years, annual tuition ranged from \$20 to \$32. In this early period Peabody Fund Scholarships were available to students who could not pay tuition. The student receiving such aid agreed to teach a minimum of one year following graduation.

Although the primary purpose in establishing Glenville Normal was to educate teachers, preparatory courses for college were also authorized. At different times, this curriculum was designed "Classical," "Scientific," or "Academic." As high schools became more numerous, secondary offerings were gradually reduced. During the 1920's graduates were listed as completing the Short Normal, the Standard Normal, or the Junior College Course. After the granting of the Bachelor of Arts degree was authorized in 1930, those completing the shorter courses were no longer listed as seniors. Degrees were first granted in 1931 to a class of nine, eight of whom were men. Including the 1969 graduating class, 4,215 degrees have been conferred by the College.

Additional subcommittees will be named in order to plan such activities.

French Circle To Meet

Le Cercle Francais is planning to hold its first meeting this year on Wednesday, Oct. 7, from 5-7 p.m. at the home of Miss Susan McHenry, the new French instructor.

All interested students and faculty are invited to attend this dinner meeting. Anyone planning to attend should contact Julia Acre, Deborah Means or Miss McHenry.

ties as the Centennial Homecoming, outstanding cultural programs, special histories of the College, Alumni banquet, Centennial Yearbook, centennial issue of the *Mercury*, specially-styled medallions, stationery, pins, and a centennial edition of the College Catalog, among other special commemorative articles and activities now in the planning stage.

Two other state colleges, Shepherd and Concord, will also celebrate their centennial during 1971-72. Plans are tentatively underway to share and exchange dignitaries, cultural programs and in a sense, celebrate with the two colleges.

Dr. Somerville urges all students, members of the faculty, staff and administration, members of the college community and friends to join in the planning of this great year. He insists that the executive committee will welcome all ideas and suggestions for the betterment of the gala celebration. He added further:

"Glenville State College's centennial year will fall during the academic year of 1971-72. I hope it will be the biggest year in the history of the College. I also hope that everyone will become involved in the celebration and enjoy it."

This staunch supporter of GSC, with a twinkle in his eye, summed up his enthusiasm for the year 1972 by stating, "This will also be a great year for me in another way—I'll be retiring that year."

"Who says the first years are the easiest?"

Dr. Delmer K. Somerville Calendar Of Activities Is Adopted For AWS

The executive committee of the Associated Women Students has compiled a calendar of activities for the coming school months. It is hoped by the executive committee that all women students will help this new nationally affiliated organization become an active one on the GSC campus.

The following calendar was prepared by the executive committee:

October: Homecoming float project, Halloween party—for AWS members and their invited guests; November: "Eat-In"—we'll eat dinner together; December: Caroling, January: "Eat-In."

February: Guest Speaker, March: Formal Dance; April: Women's Weekend—AWS members will entertain prospective freshmen for next fall; May: Spring Picnic.

Announcements

Anyone interested in joining the GSC Bowling team should be at the bowling alley Monday, Oct. 5 at 3:00 p.m. for tryouts.

There will be an advance sale of football tickets for the Fairmont game at the Athletic Office in the Health Building on Thursday and Friday, Oct. 1-2.

Anyone interested in rescuing a dying Gamma Beta Phi Society on campus, please contact Mrs. King in the *Mercury* office—soon! Those who were members of high school Beta clubs are eligible for membership.

The Convocation-Lyceum Committee wishes to announce that special admission tickets will be required of all students and faculty who wish to attend the concert of the Trinidad - Tripoli Steel Band on Wednesday, Oct. 7, at 8:00 p.m. in the College Auditorium.

Tickets are available at no cost to students and faculty and may be picked up, upon presentation of I.D. cards, at the Alumni Office, Room 102 of the Pioneer Center. Only one ticket per person.

The special admission tickets are general admission tickets but will guarantee seating. The number of tickets released will equal the seating capacity of the Auditorium.

Only special admission tickets may be accepted at the door the night of the concert.

Impressive Crowd Appreciates Steam

There was a lyceum program held Thursday evening, Sept. 24, featuring "Steam," a rock group in concert. This in itself is not so impressive, but the crowd was!

It must be that GSC students are starved for entertainment because out of the 1,617 students, approximately 1200 were in the auditorium, incidentally meant for a maximum of 700. Air-conditioning or not, if you got wet at the Salem game, the crowd in such a tight place made breathing near to impossible.

The group did make a very nice appearance considering their borrowed equipment. And they certainly should have felt appreciated. Enthusiasm was at a peak nearing that of basketball season last year.

The remaining lyceum schedule seems to be a promising one with 22 performances left. This more than doubles last years schedule, a sorely needed hike.

In one of this week's announcements, we see that seating for the upcoming lyceum, Trinidad Tripoli Steel Band, has been restricted to ticket admission. It seems unfortunate that GSC doesn't have adequate facilities conducive to concert performances to accommodate all students at one time.

But, alas, those who do get into the show will be able to enjoy the band in comfort, also keeping the fire marshals happy.

We are relieved that Glenville students enjoyed a lyceum and hope that such entertainment continues. Glenville is truly starved for excitement. With helps like these, perhaps starvation can be fended off.

Note:

One sore thumb—seems like a few have forgotten what proper attire for lyceum is...

"All students are expected to dress appropriately at all times and to use discretion in their selection of apparel. Faculty members have the right to refuse to admit to their class students who are not dressed appropriately.

For men, casual wear is acceptable in the classroom and on campus, but the student should use discretion. Such items as shower shoes, cut-off pants and shirts, dangling shirttails, and other items of poor taste are unbecoming of college men.

For women, all personal attire is left to the student's taste and budget; however, extreme styles are considered in bad taste.

Dress is only a small part of appropriate social behavior of college students. Being considerate of visiting athletic teams, program speakers, and concert performers presents favorable image of the College. Therefore, students are encouraged to dress and act at all times in a manner that will be becoming to both themselves and Glenville State College.

Shocked?

Steam Termed Biggest Thing To Appear At Glenville State

by Ruth Swatzyna

Thursday evening Glenville was invaded by the biggest thing ever to hit this campus. "Steam" was here!

The door opened at 7:00 p.m. and the excitement that pervaded in the air made the mob shove, crowd, and rush for seats. The turbulence subsided in the hour before curtain time, but spontaneously reappeared when the curtain opened, and there was what everyone had dreamed about for so long. Steam.

The group's equipment was stolen earlier in the day, and practically every piece they had was borrowed from GSC students. But this, plus the fact that little of it worked, did not daunt them, although the piano wasn't loud enough, the drums kept sliding away, and the amplifier "made soup." Steam did the best they could with all their problems, and it didn't take long for the audience to lose their inhibitions and get in the groove with the music. "This is groovy, you know it?" came down from the stage, and not a person in the audience could disagree. Every member of the audience and the group could feel the "good vibrations" resound throughout the auditorium.

Starting their concert with "Na Na Hey Hey, Kiss Him Goodbye," their first song on the top ten, and ending with one released only Wednesday called "Don't Stop Loving Me," Steam psyched the audience out with their jocular manner, their wonderful beat, and their choice of songs. The coming of Steam can truthfully be called the biggest thing to hit GSC.

"Steam" lead singer warming up.

Chi Beta Phi Reorganized

Chi Beta Phi, national science honorary fraternity, is being reorganized on campus due to the death of Mr. Frank Toth. Mr. Gene Bailey will assume the duties of the advisor with Albert Fleming serving as president of the fraternity.

The object of this fraternity is to promote interest in science and to give recognition to scholarly attainment in science. Each spring the most outstanding senior science or math major is presented with an award.

Projects to be undertaken by this organization include high school science demonstrations and possible field trips to the science institutes in Philadelphia and New York.

Applications are now being accepted for membership in this honorary. Requirements for prospective members insure that the applicant be a science or math major, that he will have completed 30 hours in one of these fields by the end of the current semester, that he has a 2.4 cumulative average and 2.8 average in science or math.

Interested students should contact Mr. Bailey or Albert Fleming by Tuesday, Oct. 6.

GREEK SCENE

Delta Zeta

According to Delta Zeta president Sherry Erwin, the following appointees have been chosen: standards, Susan Stewart; parliamentarian, Deborah Stump; guard, Linda Fox; scholarship, Diane Cochran; house manager, Jeannie Rentschler.

Homecoming plans are being formulated for the Oct. 16-17 celebration. Betsy Wingfield is serving as the float chairman.

This past summer, Sherry Erwin and Mrs. Anne Gay, advisor, flew to Phoenix, Ariz., for the Delta Zeta Sorority National Convention. At the national convention, the Theta Xi Chapter of Delta Zeta was one of the three chapters awarded an 8-year excellence in the membership selection trophy.

Frat Rush

Fraternity rush began Sept. 28, when rush chairman of the three representative Greek organizations drew straws to decide which fraternity would be scheduled for the three nights of rush.

Tau Kappa Epsilon had its first rush party Sept. 28; the evening Sept. 29 was the date of the Lambda Chi Alpha smoker. The Theta Xi fraternity will continue the rush by having its smoker the evening of Oct. 1. Rush will end Oct. 12, when pledging will begin.

Order of Diana

The Order of Diana became organized for this year at their first meeting held on Sept. 15. They discussed money-making projects and items to be purchased for the TKE house. Committees were chosen for both tasks.

The girls decided to change their regular meeting date to Wednesdays at 4:30 p.m.

At their second meeting on Wednesday, Sept. 23, the Order planned a bake sale being held today at the sun dial. Also, nominations for the offices of vice-president and historian were made. Elections will be held this evening.

Sigma Sigma Sigma

On Sept. 17 Tri Sigma sorority had a welcoming coke party for all women students, held in the Sigma Lounge of Women's Hall.

On Sept. 23 a tea was held for faculty wives and female faculty members in the Sigma Lounge.

Debra Blair and Vicky Shanklin were initiated as new members Sept. 25 and 26. Miss Blair is a junior elementary education major from Vienna. Miss Shanklin is a junior elementary education major from Charleston.

Women from the Shepherd College chapter spent the weekend of Sept. 19 here and attended the Shepherd game.

Lambda Chi Alpha

Lambda Chi Alpha has elected the following new officers for this year: Fred Boothe, High Beta (vice-president); Tom Berry, High Gamma (secretary); and Keith Boyles, High Sigma (scholarship chairman).

Lambda Chi's are sponsoring hot dog sales at all home football games for their fund-raising project.

Lambda Chi Alpha's national representative, Eric Sanders, visited the local Colony Sept. 25-26. The visit was for the purpose of planning the formal installation banquet, tentatively planned for Dec. 5.

Tau Kappa Epsilon

Three new vacancies have been filled in Tau Kappa Epsilon social fraternity, according to President Michael McCartney.

Richard Lee Oyster, a junior physical education major from Sistersville, was elected Pylotes at the first meeting of the year on Sept. 14. Also elected house steward was Donnie Cuppett, a junior biology major from Princeton.

Alumni frater Larry Woods has accepted the position of House Father for this year. Mr. Woods is also principal of Bell Elementary School near Grantsville.

TKE has won the Grand Council Award for Public Relations Achievement for 1970 and also the Scholarship Trophy for second semester 1970 with a 2.52 overall average. A citation has been received from TKE international for an outstanding Public Service Weekend when Tekes pulled a bathtub 68 miles for the Easter Seals campaign.

Among this semester's activities scheduled by TKE was a smoker held in the Multipurpose Room of the Pioneer Center on Sept. 28. The Closed Rush Dance will be from 9-12 p.m. Oct. 3, and the annual Closed Homecoming Ball to which all friends, alumni and parents are invited, will be held in the Conrad Hotel Ballroom from 9-12 p.m. Oct. 17.

Mike McCartney receives congratulations from Dean Pennington.

Carl Williams

'43' Named By WVIAC

Linebacker Carl Williams recently was honored at WVIAC Defensive Player of the week. Williams was honored for his play in the Glenville-Shepherd game. He made numerous tackles, blocked a punt, and returned it for the touchdown. Williams is a junior physical education major from Webster Springs.

Bowling To Begin For League Teams

Intramural bowling is scheduled to start Tuesday, Oct. 6.

Each team can have six bowlers but only four bowl at a time. Only one college bowler is allowed on a team. Rosters are to be turned into the Gameroom or Al Malone in 105 Louis Bennett Hall.

Independents will bowl on Tuesday and Greeks Wednesday. Leagues will start at 5:30 p.m. and 7:30 p.m.

A meeting of captains will be held prior to first night of bowling to discuss rules.

Eight teams are required for each league.

Oversea Study Awards Will Again Be Available

The Institute of International Education has announced that it is again awarding grants for graduate study or research abroad and for professional training in the creative and performing arts.

Approximately 554 awards are available for 1971-1972.

For further information, students and faculty should contact the Mercury office.

Down On The Corner

by Mike Smith
The thrill of victory...

Congratulations are due the Glenville Pioneers who defeated Salem 9-7 Saturday night in Clarksburg. The Pioneers were led once again by their famed defense, the Blue Bandits, and the passing of quarterback Pete McDermitt. Randy Modesitt, split end from Parkersburg, was a thorn in Salem's side all night as he hauled in nine of "Pistol Pete's" aerials. Offensive tackle Gary Ray gave McDermitt protection enough as he blocked violently throughout the game. Center Jerry Rac had a good blocking night and sparked the Pioneers with his hustle. Ron Duncan, senior guard, and tackle Craig Lipscomb showed vast improvement over the first two games. Tight end Mike Roscoe and guard Harland "Tarzan" Spencer again had consistent games. Not to be overlooked are the backs, Clyde Stepp, Virgil Lacey, and Carl Alloway, who ran and faked well, opening the way for McDermitt's passes. Lacey of course caught the game winning touchdown pass. Ray Swisher's 15 yard field goal provided the Pioneers with the margin of victory.

The Blue Bandits again played a game without allowing a touchdown. This makes one touchdown scored against the Pioneer defense in 3 games. The members of the Bandits are: Steve Stofell, Gary "Deacon" Jones, Bob Lipscomb, Randy Dillon, Mike Spears, Vic Watson, Carl Williams, Steve Clendenin, Neal Christiansen, Robbie Richardson, Mike Devol, and Scotty Hamilton.

Next week the Pioneers face the Fighting Falcons of Fairmont State College. The Pioneers are tied for the Conference lead with Fairmont and W.Va. State. The game will be the highlight of Parent's Day. Kick off time is 2:00 p.m.

VMH Bake Sale Held To Provide Dorm Items

The girls of Verona Mapel Hall held a bake sale on their lawn and in front of Louis Bennett Hall on Monday, September 21. The profits from the sale will be used to purchase items needed in the dormitory.

Verona Mapel is presently organizing a girl's volleyball intramural program. The girls are also planning to build a float for the Homecoming celebration.

Future plans scheduled for this year include redecorating the recreation room.

Raymond Swisher

Swisher Has New Record

Raymond Swisher, son of Mr. and Mrs. Donald Swisher of Ripley, has brought honors to Glenville State College where he is setting new records every time he kicks the ball.

Swisher, a 1967 graduate of Ripley High School and presently a GSC physical education major, has compiled a list of 34 consecutive extra points, good for a WVIAC and GSC record. Swisher also shares a conference record having kicked two field goals in one game. Before entering Glenville, Swisher, now a senior, kicked at W.Va. Wesleyan College.

Swisher resides with his wife, Brenda, in Glenville where his wife is employed as secretary at the College Placement Office.

European Trip Set For Summer '71

Would you like to expand your knowledge of Europe by participating in a glorious three-week tour? Well, you can for only \$699.00! The tour is being sponsored by Dr. Lucien C. Sansouci, instructor of parapsychology at Salem College. This will have been Sansouci's eighteenth educational tour to Europe.

The price, which remains at \$699, includes hotel rooms and all meals, excluding after-dinner tea, coffee, wine, etc. In addition, it includes tips for lugging of luggage to and from rooms, and the services of local English speaking guides. Of course, payment for the Air France 747 super jet plane is included.

The list of interesting places of concern includes Amsterdam, Cologne, and the Rhineland. In addition, there will be Assmannhausen, the Heidelberg, the Black Forest, and Zurich-Lucerne, Leichtenstein, Innsbruck, and Cortina are also among the listed places of interest.

Who has not had a desire to visit Venice, Florence, and Rome; well, these, too, are on the list! Continuing in the Italian setting, we will find ourselves admiring the esthetic qualities of Siena, Pisa, various Mediterranean resorts, and Milan. Mont Blac, Geneva, and Dijon are also representative of the long series of fabulous European sites.

Finally, we shall come upon Paris and then London. All of these areas of Europe will be given special attention; they shall not be toured passively, for special landmarks, individual culture, etc., shall be treated. The tour is open to anyone—faculty members, students, and members of their family, etc. The rates are quite reasonable, considering the expanse of the tour and the knowledge to be acquired. Anyone interested should contact Keith Boyles immediately. A more detailed account of the trip shall appear in the following edition of the Mercury; however, Boyles has any of the information needed.

Pioneers Squeak By Salem While 41 Seconds Remain

The Glenville Pioneers improving with each game squeaked by Salem Saturday night when Virgil (Peewee) Lacey caught an eight yard toss from Pete McDermitt for a touchdown. The score came with 41 seconds remaining in the game.

The game was nip and tuck all the way with the Pioneers leading 3-0 at halftime. Salem's Jim Tsakanos returned the kickoff, opening the second half 80 yards for a touchdown. The extra point made the score 7-3 in favor of the Tigers. The score remained this way until McDermitt and Lacey pulled off their heroics. Carl Williams saved the game when he picked off a Salem pass in the waning seconds of the game.

Glenville moved the ball to the Salem three yard line as the first quarter ended. Lacey then was thrown

for a loss of two yards as the Pioneers' blocking momentarily broke down. Raymond Swisher then made his presence felt as he booted a 15 yard field goal. The Pioneers were saved by offsetting penalties late in the second quarter when an 84 yard run by Salem's Tsakanos was called back. Tsakanos came right back with his kickoff return to put Salem in the lead. The Pioneers looked like world beaters as they moved the ball up and down the field, but they were still plagued by their inability to punch the ball across for the score. It was the lift that the Pioneer offense has needed.

Note: If the sports articles have seemed to be critical of the offense they are not meant to be that way. The Pioneers are second in the WVIAC in total offense.

Enthusiastic Feminine Cheerleaders Arouse Spectators, Pioneers Spirit

Have you ever wondered who GSC's leaders of enthusiasm are? They are Rebecca Law, Linda Felton, Candy Cass, Linda Fox, Patty Clayman, and Linda Meek (alternate).

Miss Law comes to Glenville State from Good Hope. A senior, she is a physical education major. She now has been head cheerleader two consecutive years. Her other activities include Delta Zeta sorority, of which she has been vice-president of membership and recording secretary.

A student from Heath, Ohio, Miss Cass is a sophomore elementary education major. She has an avid interest in sports.

Also a member of the Delta Zeta sorority, Miss Fox is a sophomore elementary education major, specializing in special education. Her main

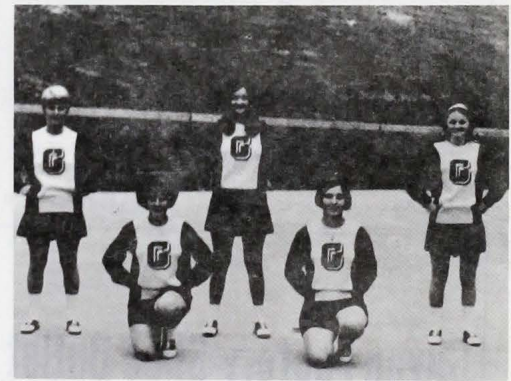

interest is music.

Patty Clayman, this year's Kanawhachen editor, comes from Brandywine, Maryland. She is a sophomore physical education major, showing interest in the Major's Club. She is the intramural chairman.

From Belpre, Ohio, Miss Felton is a senior physical education major. This is her second year as GSC cheerleader. She is a member of the Major's Club. A member of Delta Zeta sorority, she has been song leader, historian and reporter.

With special interest in swimming and horseback riding, Miss Meek is a sophomore business major from Clarksburg.

In the near future the cheerleaders will be selling baked goods for the purpose of buying shakers.

Leading the cheers for the Pioneers are cheerleaders Patty Clayman, Linda Felton, Rebecca Law, Linda Fox, and Candy Cass.

Navy Resale System Office Searches For Specialty Entertainment Figures

The Navy Resale System Office in Brooklyn, N.Y. is looking for Country and Western, Rock, Soul, Jazz, Dixieland and Folk groups to perform on their Caribbean entertainment circuit. They are also seeking specialty groups such as Blue Grass, Banjo Bands, Jug Bands and Variety Shows.

Groups will entertain at Navy enlisted men's clubs and other U.S. military clubs in Puerto Rico and Guantanamo Bay. A new group leaves from Norfolk, Va. every two weeks.

Salary plus all expenses will be paid and during the tour performers will have an opportunity to do some sight-seeing in Puerto Rico. To qualify, groups must be of professional quality with mature, serious performers, who

are interested in furthering their careers.

Performance schedule will be tailored to each group's style of entertainment. Audiences at these clubs consist mainly of young men and women who are very interested in hearing and seeing current American entertainment.

Interested groups should send a brief resume, group photo and demonstration tape to Bob Edwards, Entertainment Specialist, Navy Resale System Office, 3rd Avenue & 29 Street, Brooklyn, N.Y. 11232. Demo tapes should include 3 vocal and 2 musical numbers. Resume should contain the name, address and telephone number of the group's leader or manager.

Pioneers and Shepherd Rams pile up as Clyde Stepp, Glenville fullback shown carrying the ball, is tackled by Shepherd's defense.

Graduate Fellowship Made Available

The National Research Council has been called upon to advise the National Science Foundation in the selection of candidates for the Foundation's program of graduate and regular postdoctoral fellowships. Panels of outstanding scientists appointed by the Research Council will evaluate applications of all candidates. Final selection will be made by the Foundation, with awards to be announced on March 15, 1971.

Postdoctoral and graduate fellowships will be awarded for study in the mathematical, physical, medical, biological, engineering, and certain social sciences, and in the history and/or philosophy of science. Awards will not be made in clinical, education, or business fields, nor in history or social work, nor for work toward medical or law degrees. Application may be made by college seniors, graduate students working in a degree program, and individuals wishing to do postdoctoral

work. All applicants must be citizens of the United States and will be judged solely on the basis of ability.

In the postdoctoral program only, fellowships will be offered for applied and empirical studies in the field of law which employ the methodology of the social sciences or which interrelate with research in the natural or social sciences. Also in the postdoctoral program, a limited number of awards will be made in interdisciplinary areas. Persons holding a doctorate in one field and wishing to undertake high-level work in another area of study supported by the National Science Foundation may apply in this competition.

Applicants for the graduate awards will be required to take the Graduate Record Examinations designed to test scientific aptitude and achievement. The examinations, administered by the Educational Testing Service, will be given on December 12, 1970 at designated centers throughout the United States and in certain foreign countries.

Further information and application materials may be obtained from the Fellowship Office, National Research Council, 2101 Constitution Avenue, N.W., Washington, D.C. 20418. The deadline date for the submission of applications for graduate fellowships is November 30, 1970, and for regular postdoctoral fellowships, December 7, 1970.

Second Lyceum Features 22 Member Steel Band

The Trinidad Tripoli Steel Band of over 22 members from Trinidad will visit GSC on Wednesday, Oct. 7, 1970 at 8 p.m.

The Steel Band's repertoire of music ranges from the classical to rock and roll on oil drums. This fact has astounded audiences, not only for this reason, but because of the unbelievable fidelity and artistic accomplishment with which they render each concert or dance number—whether it be modern, classical or their native calypso.

Born from the desperate days following World War II when it was not

possible to get either instruments or money to play their beloved calypso music, the natives of Trinidad discovered that abandoned oil drums could be used for musical tones. Thus began the original band of which this is the present day outgrowth, into an organization that has played such pockets of sophistication as Rockefeller Plaza, Central Park and Lincoln Center Mall in New York City, the Pan American Union in Washington, D.C., the Montreal Museum of Fine Arts and their triumphs at the World's Fair in 1967.

Admission is by I.D. Card.

Students In The 'Professional Block' Invade Area's Schools For Practice

(continued from page one)

Junior High will be James Mihaliak who will teach health and physical education. At South Harrison High School will be Sandra Redman teaching biological and general science, Oliver Reid teaching social studies, and Joseph Scalise teaching health and physical education.
