Wednesday, October 7, 1970

S. Congress Holds Meet

The weekly meeting of the Glenville State College Student Congress was held Oct. 1, 1970 in the Student Congress room of the Pioneer Center, with president Wesley C. Frame presiding.

Following roll call and the reading of the minutes, Kenneth G. Davis, representative to the Congress from Louis Bennett Hall, gave a report on the Who's Who committee. He reported that the committee had met and had 26 candidates for this honor. The recipients of this award will be recognized in the Mercury at a later date after an analysis of the applications has been made.

William Niday, chairman of Homecoming Activities, submitted an account of Homecoming procedures. Coronation practice, guests and people involved in the festivities, parade plans, and the actual coronation ceremony to be held Saturday, Oct. 17, in the Amphitheater, were among the plans most widely discussed by the Congress.

Frazee announced that due to a communications breakdown, the elections of the Homecoming Queen were to be postponed until yesterday Tuesday, Oct. 6, in the lobby adjoining the old cafeteria, from 8 a.m. to 4 p.m. Student Congress members will be working the polls. Students wishing to vote must present their I.D. cards in order to obtain a ballot. The votes will be counted immediately following the closing of the poles by a committee appointed by Frame.

Another item discussed was that of attendance and dress required of freshmen during the Homecoming Parade. Freshmen women will again don their baby doll dresses and carry a stuffed animal while their masculine counterparts will attire themselves in pajamas, but both men and women will be sporting their rarely seen beanies.

The final major item discussed was the allotment of funds to President Frame for a forthcoming trip to Charleston for a conference with the West Virginia Board of Regents. This conference will discuss the handbook of policies, rules and regulations regarding student rights, responsibilities, and conduct in West Virginia State Universities and Colleges.

Trinidad-Tripoli Steel Band will perform here tonight.

Trinidad Tripoli Steel Band Will Perform Here Tonight

The newest, most exciting musical innovation today will appear on the GSC campus tonight at 8 p.m. in the auditorium. The Trinidad Tripoli Steel Band will present its exciting repertoire of percussion music, which ranges from numbers from the musical "Hair" to Khachaturian's "Sabre Dance."

In the desperate days following World War II when it was impossible to buy instruments, the natives of Trinidad found that abandoned oil drums could make music. Thus was born the original Trinidad Tripoli Steel Band, from which the present band is an outgrowth.

One amazing fact is that the band is one composed solely of percussion instruments, yet some of the music they play is written for full orchestras. Prime Minister Furdian of Canada once stopped a concert just because he could not believe that among that mass of steel there was no other music-making device. It is hard to believe that there is nothing producing the sounds except what there is on stage, which is a pile of old junk hammered and loved by the genius of the people of Trinidad.

This should be a band worth seeing. For if Liberace was so impressed with the band that he selected them as his supporting act for his concert tour in 1969, then surely Glenville State College can appreciate the musical abilities of these 22 young men. The Band has also appeared with Dionne Warwick and Donald O'Connor, and has performed

twice for Queen Elizabeth of England. Admission is by special admission ticket, which can be obtained by presenting I.D.'s at the Alumni Office.

AWS Elects Miss Parsons

The Associated Women Students organization has elected officers for the coming year. They are president, Marlene Parsons, a junior from Evans; vice-president, Kathryn Smith, a junior from Ocean City, N.J.; treasurer, Mona Wilson, a sophomore from Slab Fork; recording secretary, Gayle Bailey, a sophomore from Heath, Ohio; and corresponding secretary, Linda Morrell, a junior from St. Marys.

On Oct. 29, the AWS will hold a Halloween Carnival in the Ballroom. Any girl who has paid her dues will be sent an invitation for herself and her date. Other girls who have not paid and any male who wishes to attend may pay at the door. The custom of girl-ask-boy will also be observed. Halloween dress is preferred. Prizes will be given for costume bobbing.

Booths to be included at the carnival will be: candied apples, dart throwing, fortune-telling and apple-bobbing.

The traditional cider and donuts will be served. Anyone wishing to help with the activities or pay their dues should contact Mona Wilson or Paulette Jackson.

Alpha Psi Omega Initiates Two Srs.

Melody Johnson and Betsy Wingfield were initiated into the honorary dramatic fraternity, Alpha Psi Omega, Thursday, Sept. 14, at 6 p.m. Both girls are seniors and have been active on the stage as well as behind the scenes.

Miss Johnson had the lead in "She Stoops to Conquer" and has worked back stage as well as with make-up. She is language arts major from Parkersburg.

Miss Wingfield appeared in "She Stoops to Conquer" and "Under Milkwood." She had also employed her talents back stage. She is a physical education major from St. Albans.

BULLETIN: (available just before press time)

The 1970 Homecoming Queen is Miss Julia Murin, daughter of Mr. and Mrs. Nicholas Murin, of Glenville. Miss Murin is majoring in English and has a minor in speech. She is a member of Sigma Sigma Sigma sorority.

Miss Rebecca Law will represent the seniors as princess. She is the daughter of I. Ben Law of Jane Lew. Miss Law is majoring in physical education and minoring in math specialization. She is a member of Delta Zeta sorority.

January Graduate Prospects Listed

Dr. Delmer K. Somerville, Dean of the College, has released the list of prospective graduates for Jan. 21, 1971.

Of the 81 tentative graduates, 74 will receive an A.B. degree in Education, four an A.B. degree in Business Administration, one an A.B. degree in Liberal Arts and two Associate in Arts.

Any student who plans to graduate in January whose name does not appear is to report immediately to Dean Somerville's office.

Receiving degrees in elementary education are: Elizabeth Varney Abbott, Ravenswood; Phillip Lynne Atkinson, Vienna; Barbara Jo Boggs Burdette, Jydale; Capitola Carol Cross, Newark, Ohio; Mary Elizabeth Daniels, Parkersburg.

Patsy Ann Flanagan Malay, Winona; Lois Kay Hathaway Marks, Glenville; Barbara Browning Murphy, Dille; Deanna Lynn Rexroad, Parkersburg; Annie Meredith Smith, Clendenin; Marguerite Dean Stewart, Napier; Lora Nelle Weaver, Mt. Zion; Darla Kay Winemiller, French Creek; and Patricia Cheryl Kincaid Wines, Washington.

Frankie Laura Hollandsworth, Lewisburg, will have completed requirements for Early Childhood Education.

Graduating with a teaching field

in art are: Leanna Ruth Long Dillon, French Creek; William Ray Lewis, Grantsville; Connie Lynne McCallister, Nitro; Helen June Mace, Sand Ridge; Roger Lee Norman, Weston; Frances Johanna Perko, Munnhall, Pa.; and Herman Dale Winland, New Martinsville.

Completing a field in biological and general science are: Richard Lee Bullion, Craigsville; Fred William Kirby, Jr., Elizabeth; and Roy Darrell Wilmoth, Glenville.

Robert Gale Cox, Cowen, and Verna Kay Hardman, Lockney, have completed a field in business education.

Specializing in business secretarial studies are: Foster Allen Kerby, Mt. Zion and Sharon Elaine Mason, Rupert.

Graduating with a field in English are: Kenneth McCurdy Coleman, Williamstown; Trava Vogel Dotson, Washington; Michael Nutter Ireland, Auburn; and Donald Burr Sheets, Glenville.

A field in French is being completed by Sharon Louise Dutton, Parkersburg. Roger Lee Cutright, Harrisville; Lawrence Ray Long, Harrisville; and Oliver Matthews II, Glenville and Marvin Ray Trippett, Parkersburg, have completed a field in mathematics.

(continued to page four)

Announcements

The new I.D. cards have arrived. Dr. Billips urges all students who have not picked up their cards to pick them up at the office of Student Affairs anytime from 8-12 a.m. and 1-4:30 p.m. Students must present temporary I.D.'s validated at the Business Office for cafeteria services.

Next Friday, Oct. 9, is the last day a student may withdraw from a class. Any student withdrawing before that date will receive a "W" in the class.

It is requested that all automobiles be removed from College and Main Streets late Friday night, Oct. 16 or early Saturday morning, Oct. 17 so that these streets will be clear for the Homecoming Parade. Cars should be removed no later than 9:00 a.m., Saturday, Oct. 17, as parade units will begin forming shortly after that time. Your assistance will be very much appreciated.

Because of the extra preparation time needed for the Homecoming edition of the Mercury, distribution of next week's issue will be held until Friday.

"Tickets for the Homecoming Dance are now on sale at the Alumni Office, Room 102 of the Pioneer Center. Music for the dance will be provided by the rock group, 'Great Pacific Express.' Tickets are \$3 per couple in advance and \$3.50 per couple at the door."

Due to the installation of a new charge-out machine, all students and faculty members are required to present I.D. cards when withdrawing library material. The machine prints the name from the I.D. on to the book card so that the name of the person withdrawing the material may be kept on file until the material is returned.

On Oct. 29, Lyle Herod, assistant registrar at WVU will be on campus. He will be interviewing students who may be interested in transferring to WVU and participating in science programs such as medical technology, biological science, pharmacy, and dentistry.

Mr. Herod will be here by 10 a.m. and any student wishing an interview may schedule one through Dean Somerville's office.

Betsy Wingfield and Melody Johnson, new Alpha Psi initiates, are shown in costumes from "She Stoops to Conquer."

Mercury Heralds Newspaper Week

Today is Wednesday--the day your Glenville Mercury finds its way into the hearts of all admiring GSC patrons.

Try again!

The Mercury staff--believe it or not--works long hard hours preparing your weekly copy. The task is never easy. It wouldn't be--even if we didn't have all the friction from various sources on the campus.

For instance, it was suggested that we prepare 18 portraits and biographical sketches of all queen candidates in a week's time so that when the queen was announced on Tuesday evening after 6 p.m. we could get it in the edition that goes to press--5 p.m. Tuesday evening!

We are asked to prepare and mail as many as 20 press releases with pictures in two hours' time. No one gets extra credit or pay for these preparations. It simply takes staff members away from their regular duties.

Organizations on campus bring in news items on Monday and even Tuesday mornings knowing that for proper processing we need to have information on Thursday morning of the week before.

Our photographers are only human, yet they are asked to do impossible feats! Groups who promise to appear at a predetermined time and place fail to show up not once, but as many as three times. By the time the group does meet, the picture has to be processed in a fraction of the time needed.

Faculty, though usually cooperative about publicity for their departments, expect to see their copy of the paper before anyone else. Papers for faculty boxes are delivered at the same time as are the other papers distributed for students about the campus. There is not reason why the faculty should expect special consideration. They don't even pay the \$6 a year that students do; their papers are complimentary.

We realize that excellence in preparation and accuracy of description are the assets that GSC wants of its publication, but where's the help to attain such a goal?

This week is National Newspaper Week. Take your favorite Mercury staff member to dinner--not to task.

GREEK SCENE

Mrs. Fisher Is 'Mother' To 24 Delta Zeta Girls

Trying to find a live-in mother is no easy job! Just ask the DZ's. The search began in June and up until August there was none to be found. Then they discovered "Mama Fisher."

Mrs. Ardell Fisher is a 64-year-old widow from Sissonville. She was employed by Glenville State College two years ago after which she retired and lived in Parkersburg for a year. When she heard that a housemother's job was open, she wanted to help, so she packed her things and moved right in.

Mrs. Fisher is a member of Pythian Sisters and the Moose Lodge. She enjoys reading good books, playing bridge and visiting her family. She has remarked that she likes being the housemother and she stated, "I love my girls, everyone of them. I have three boys of my own and I always wanted a girl, now I'm the mother of 24!"

Mrs. Ardell Fisher

Delta Zeta

Last Tuesday, Sept. 29, from 6-7:30 p.m., Delta Zeta sorority sponsored a lemonade lawn party. All interested girls were invited to attend. Refreshments were served as the girls mingled, sang together and made new acquaintances.

Alpha Sig

Alpha Sigs are very busy making plans for Homecoming festivities. Laura Lister and Gloria Jean Moran were appointed chairmen for the Homecoming float project.

Vicki Smith was placed in charge of a Silver Tea which will be held after the Homecoming game for all Alpha Sig alumnae and parents.

New officers have been elected with Janet Posey, vice-president; Carol Blake, sergeant-at-arms; Julia Summers, parliamentarian; and Gayla Deitz, representative to Greek Council.

Plans are also being made for rush and a Halloween mix which will replace the annual Autumn Leaves Dance.

Tri-Sigma

At the pep rally on Oct. 2, the Sigma Sigma Sigma's came out in full force with their painted cans to back the team and help arouse the Pioneer spirit for the Fairmont game.

The Sigma's are having a work week from Oct. 12-16. During this time they will be doing ironing and housecleaning along with various other odd jobs. Each job will have a set rate. The funds raised will go to the Robbie Page Memorial Fund for polio research.

Lambda Chi

On Sept. 29, Lambda Chi Alpha held its first smoker. It was a formal affair in which the brothers, with the help of its women's auxiliary, Ladies of the White Rose, informed 15 prospective associate members about Lambda Chi growth, activities, scholarship and events of the future.

Speakers included President D. Banks Wilburn, a member of the Lambda Chi chapter at Marshall University and Mr. Ralph Gay, a member of the Kappa Alpha Order of West Virginia Wesleyan. Mr. Gay is the faculty advisor to the colony. Dr. A. T. Billips, Dean of Student Affairs and the colony's fraternity advisor, also spoke to the group. Dr. Billips was a brother at the University of Tennessee.

Lambda Chi Alpha's chapter status has been approved and will be received on the weekend of December 5 at its installation banquet in Charleston.

Teke

Iota Omega chapter of Tau Kappa Epsilon held its first formal rush party Monday evening in the Multipurpose Room from 8-10 p.m. Fifteen upperclassmen were in attendance. These gentlemen were received and registered by members of the Order of Diana. The fraters then greeted each man and showed him the display. This display consisted of intramural trophies, plaques, citations and paddles won by TKE and numerous pictures of TKE life.

Prytanis Michael McCartney served as emcee and elaborated on TKE as "The Fraternity for Life." A short skit was put on by nine members of Delta Zeta Sorority who were dressed in men's clothing. The skit was entitled, "What college life is like, not being a Teke."

Frater Robert Harris, Grammateus (treasurer), spoke on the financial obligations of pledging TKE. He defined the duties and benefits of being an active frater of TKE.

Miss Deborah Stump, TKE Sweetheart of 1970, talked on what life is really like to be a brother. She spelled out the significance of the fellowship developed by TKE brothers.

Mr. Woodrow Wilson was the guest speaker for the smoker. Frater Wilson was a 1970 graduate from Glenville State College. Mr. Wilson spoke on one word--"brotherhood."

Hegemon John Dick Marra concluded the program by inviting the 15 men and dates to a closed dance Saturday, Oct. 3, and to the fraternity house for food, cigarettes and refreshments.

Order of Diana

The Order of Diana met on Wednesday, Sept. 30, at 4:30 p.m. Two new officers were elected. They are Marilyn Murin, vice-president and Judith Bias, historian. Miss Murin is a freshman, social studies major from Glenville. Miss Bias is a sophomore art and physical education major from Hewett.

Two new members were added. They are Julia Murin and Mrs. Douglas Beymer, making a total of 20 members.

OD's are planning to purchase many new items for the TKE house.

Ladies of the White Rose

Ladies of the White Rose, auxiliary of Lambda Chi Alpha fraternity, have elected new officers for this school year. The officers are: president, Karen Lough; vice-president, Kathy Weaver; recording secretary, Mary Joseph; corresponding and publicity secretary, Jennifer Pitzer; treasurer, Connie Woods; and historian, Sharon Morris.

Miss Lough, a junior, is a math major from Parkersburg.

A sophomore general business major, Miss Weaver will assist Miss Lough. Miss Pitzer, an art major and a sophomore is from Charleston while Miss Joseph, from Elkins, is a senior elementary education major.

Miss Woods, a junior, is a business comprehensive major from Portage, Pa., and Miss Morris is a junior elementary education major from Grantsville.

Down On The Corner

The Thrill of Victory...

The Pioneers have done it again. Beating Fairmont 22-21 has firmly entrenched Glenville as the top ranked team in the WVIAC. The Pioneers are the only conference team with an unblemished record. West Liberty is second in the conference. They are undefeated but a tie with Salem mars their record.

Carl Alloway had his finest game running as he went over the 100 yard mark. Alloway is the first Pioneer to break the 100 yard mark this season. Clyde Stepp ran and blocked well as did Jimmy Carter and Virgil Lacey. Stepp injured his knee in the last minute of play. Quarterback Pete McDermitt did a fine job as he completed 8 of 17 passes including a 14 yard touchdown pass to Randy Modesitt and the dramatic two point conversion to Mike Roscoe. Modesitt caught 2 passes for 24 yards and Mike Roscoe was on the receiving end of 4 McDermitt Aerials, good for 36 yards. Offensive linemen Gary Ray and Ron Duncan had their finest games to date and have established themselves as all conference candidates. Jerry Rea, Harland "Tarzan" Spencer, and Craig Lipscomb again gave good performance.

The "Blue Bandits" have done the job again. The Bandits started slowly and they gave up over 400 yards in the game. However, when a big play was needed Scotty Hamilton, Steve Stoffel, Vic Watson and company came up with it. Scotty Hamilton has established himself as the chief thief of the Bandits. Scotty intercepted two passes, one for a 78 yard touchdown run, and the other at the end of the game, killing Fairmont's come back drive. Scotty also made the tackle that insured the ball from Ted Jackson, which Steve Stoffel scooped up and rambled in from the five yard line. Vic Watson made the

big play time after time for the Bandits. Watson, from his linebacker position, clogged the middle of the line and forced the Falcons to go outside. Randy Dillon was inspirational with his all out hustle in the game. Mike DeVol also saved the Pioneers when he intercepted a pass in the end zone.

The Spirit Award should be given to freshman linebacker Mike Wolf. Wolf had his leg broken on the kickoff following Modesitt's touchdown. As Mike was being carried from the field on a stretcher he raised up, shook his fist, and hollered, "Go get'em boys." That no doubt fired up the Pioneers.

At any rate coaches Hanlin, Adolphson, and Summers were sent to a shower clothes and all.

Next Saturday night the Pioneers travel to W.Va. Wesleyan. Wesleyan tied W.Va. Tech 0-0 in the most recent battle.

WHO FIRED THAT SHOT....

Last Saturday, Lambda Chi Alpha Fraternity awarded its most valuable player of the game trophy to the entire Pioneer football squad. Well deserved for their thrilling comeback in the final minutes to down Fairmont's literally Fighting Falcons. Granted, anytime a football game is won, it is a team effort but in the opinion of this writer, one man, one football player stood above the rest.

We refer to junior defensive half-back Scotty Hamilton of Marietta, Ohio. Small by present day football standards, the hard nosed Hamilton intercepted one pass for a 78 yard score to put the Pioneers on the board, intercepted another pass in the last minute of play to kill off a last desperate effort to win the game by the Falcons, and hit the Fairmont back hard enough to force the game winning fumble. Hamilton played outstanding ball against Fairmont and Mars Hill. He has not had a bad game in this young season. Frankly we don't think he will because he doesn't know how to lose and 'quit' isn't in his vocabulary.

As we said above, winning football is a team effort. Our definition of team also include the coaches, managers, trainers and others who are dedicated to the game. We wonder how many coaches would call a fake kick to win the game when a tie is relatively certain. We don't know who called the play, but we admire the grit and determination apparent.

AWARDS AND SALUTATIONS: To Pete McDermitt the "Bulls Eye" award for his TD pass to Randy Modesitt and his PAT pass to Mike Roscoe. To the above mentioned Modesitt and to Roscoe, the "Glue Fingers" trophy. To the GSC defense, we pass along the "Falcon Plucking" award, and to Darrel Adkins and Steve Ash, the "Tape and Tuff-Skin" diadem.

Beating Fairmont is probably one of the greatest feelings that a GSC student can experience but let's come down to earth for we must yet play and beat the Bobcats, Big Blues, Hilltoppers, Yellow Jackets, and the Mountain Lions. Only when this task has been accomplished can we truthfully say that we are the WVIAC's number 1 football team.

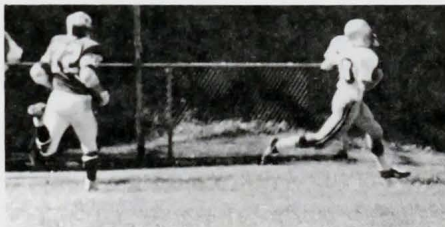

Jubilant Coach Hanlin is shown being carried off the field by his players after his 100th football victory.

100 Wins Made In Hanlin's Career

The Pioneers' 22-21 victory over Fairmont State was more than just another win for Coach Bill Hanlin. It was his 100th career win. Few men will ever say that, after 99 victories, when the big one was up it was tough and it was against the Fighting Falcons of Fairmont.

Coach Hanlin expressed his feelings for the big win when he said, "There really isn't anything to say; it's just great!"

Bill Hanlin started his string of wins 17 years ago, coaching at Tyler County, Ashland, Ohio and St. Marys High School before returning to his alma mater five years ago. In 1966, Hanlin's first year at GSC, his team posted a 2-1-6 record card, and in 1967 a 5-2-1 record. In 1968 the record was 6-3 followed by a 5-4 record in 1969. Coach Hanlin's 1970 Pioneers have thus far posted a 3-1 record which gave Coach Hanlin a 21-16-1 record in five years at GSC.

Scotty Hamilton runs for a winning 78 yard touchdown in Saturday's thrilling Fairmont-GSC game.

Frosh Hold Salem To Even 12-12 As Jeffries And Carter Hit Pay Dirt

Glenville State's freshman football team battled from behind on two occasions last week to gain a 12-12 tie with the Salem College frosh.

Salem scored first in the contest when Tom Woodson romped 16 yards for a TD. Then Glenville hit pay dirt when Randy Jeffries hit Richie Richmond on a 16 yard pass. Salem got a break when they recovered a Glenville fumble on their own 19 yard line and it took the little Tigers just four plays to make the score 12-6. Glenville came right back to score when Jim Carter rambled 38 yards to return a Salem punt.

Pioneers Slip By Falcons In Final Minutes Of Play

The Glenville State College Pioneers slipped by the Fairmont Falcons 22-21 here Saturday. The Pioneers were down 21-7 late in the game, but then showed their grit and pulled it out of the fire.

Glenville's defensive unit, the "Blue Bandits," gave up three touchdowns in the game, but came up with two scores of their own. The Bandits were not as impressive as in recent games, but they did come up with the big play when it was needed. Ted Jackson plunged over from the two-yard line late in the first quarter to give the Falcons the lead. The extra point try was good and the Falcons led 7-0.

This lead was short lived as Scotty Hamilton stepped in front of a Fairmont receiver to intercept a Dave Moreland pass and zoomed 78 yards for the score. Raymond Swisher's extra point attempt was perfect as the score stood 7-7.

With 9:45 remaining in the second quarter John Carson, Falcons split end, slipped through the Blue Bandit's secondary to nab a 20-yard scoring strike from Moreland. The extra point was again good by James Oyster and the Falcons took the lead at 14-7.

The Pioneers then marched down the field and appeared ready to score when Carl Alloway fumbled a Pete McDermitt pitchout. The third quarter was scoreless as both teams could not punch anything across. Then in the fourth period Falcon's Dennis Gibson sprinted seven yards for a touchdown. The extra point was good and the Pioneers were down 21-7.

Things looked hopeless for the Hanlin men, but they did not give up. With 4:26 seconds remaining in the

game, Pete McDermitt rifled a 14-yard scoring strike to Randy Modesitt. Raymond Swisher kicked his thirty-seventh consecutive extra point. This one was probably the closest in Swisher's string. The ball cleared the goal post by only 1 foot. At this point the Pioneers were down by 21-14.

The Falcons then fumbled the kick-off but recovered on the 10 yard line. Two plays later Scotty Hamilton hit Ted Jackson and Jackson fumbled. Steve Stoffel picked it up on the five and rambled in for the score. This put the score at Fairmont 21 and Glenville 20. The Pioneers lined up for the extra point try. Raymond Swisher stepped through his kicking motion but Pete McDermitt picked up the ball and threw to Mike Roscoe in the end zone for the 2 point conversion. This was probably the most dynamic play in Glenville football history. The Pioneers had an almost sure tie if Swisher would have kicked the ball, but if the 2 point conversion had failed, the Pioneers would lose. This however, was not meant to be. Coach Hanlin's Pioneers play to win!

League Play Begins Here

The 1970-71 season of the Glenville State College faculty-staff bowling league opened play Monday night, Sept. 28. The league consists of six teams, with one of the teams being composed of non-college people from downtown. League president Larry Lamb, explained that the addition of a team from downtown was because of a lack of interest by college personnel.

The teams are identified as A,B,C, D,E, and F, and have four members each. "A" team members are: Ralph Kornegay, Mary Kornegay, Garry Kight, and Sue Haller. "B" team members are: Steve Fitzer, Audis Fitzer, Ellen Bevelander, and Brian Bevelander. Members of team C are: Pat Mikuta, Reta Kight, Joe Wiseman, and Larry Lamb. Team E consists of: Nick Murin, Jane Virgallito, Pat Stump, and John Nelson. Team F is composed of people from downtown whose names are not available.

The league bowling nights are Thursday from 6 to 8 p.m.

Intramurals Are Planned

Coach Timothy Carney, head of the GSC intramural program, plans to include volleyball, basketball, single handball in this year's program. Coach Carney also plans to add softball and swimming to the program if student enthusiasm remains high.

Men's intramurals are to be held on Monday and Thursday nights. Volleyball games are scheduled for 6:30 p.m., 7:15 p.m., and 8 p.m. on these nights.

Fifteen volleyball teams are divided into two flights this year. A Round Robin schedule will be used in scheduling games. The first flight includes eight teams. Each team plays every other team once for a total of seven games. The seven teams in the second flight will play only six games.

The top three teams in each division will play in a single elimination tournament. Entrance into the tournament will depend upon the season win-loss record.

Points for rating are: Major event-10 points; minor event-5 points; and points for forfeiting are a minus 5 points for each forfeit.

There is a \$1 entry fee per team in entering competition in main sports. The money collected by Coach Carney will then be used for buying trophies.

Wilmoth Will Present Play

Miss Julie, a nineteenth-century tragedy by August Strindberg, is to be this year's first dramatic production. According to the author, the theme of the play is one "which claims to be outside the controversial issues of today, since questions of social climbing or falling, of higher or lower, better or worse, of man and woman, are, have been and will be of lasting interest." The outcome of the play can be nothing but tragic; but due to the theme, actors must at time present themselves to the audience, not play with the audience.

The character of Miss Julie is played to full realization by the talents of Miss Gayle Bailey; her interaction with a "commoner," portrayed by Lonnie Brewster, leads the play to its dramatic and inevitable end. The role of Kristin, the cook, played by Jeannie Field, tends to stabilize the sanity, at times of the characters and, somewhat, if not greatly, the sanity of the audience.

A young country couple, represented by Phil Reynolds and Sherry Erwin make a brief appearance, motivating the play to its tragic end. The play contains social, moralistic overtones; and its content can be analyzed to coincide with the morals of today.

Miss Julie, directed by Darrell Wilmoth, can be seen in the GSC auditorium on Oct. 8 and 9. Curtain time—8 p.m.

"View From the Bridge" and "No Exit" are up-and-coming attractions which will also be presented this semester.

YEARBOOK POSITIONS STILL AVAILABLE

Positions on the yearbook staff are still available to interested persons. Positions open include business manager, advertising editor, and sports editor. Anyone desiring any of the positions should contact Patty Clayman at Ext. 313 (Women's Hall) or Mr. Steve Nichols, advisor, in the art department.

Forest Technology Club display at the annual Forest Festival is shown above.

Forest Technology Group Sponsors Booth At Annual State Forest Festival

This year at the Mountain State Forest Festival, the Forest Technology Club sponsored a booth. The theme of the festival, was "50 years of Forestry." To honor the occasion, the Glenville group displayed an atmosphere of the old and new, illustrating this by an old crosscut saw and a new chain saw.

To celebrate the occasion they displayed a cross section of wood which showed 50 rings commemorating the anniversary. Also they pointed out on the cross section the 12 most important legislations of forestry during the last 50 years. Each day of the festival, which lasted from Sept. 30 until Oct. 3, two members of the club were on hand to answer questions pertaining to their booth and the technology program.

At the present time the club has 28 second year members and 33 first year members. They are led by Pres-

ident Theodore Jones and supervised by Dr. David Smith. The Forest Technology Club is the only one in existence in West Virginia, due to the fact that GSC is the only school in the state with a forest technology program.

Tryouts Scheduled For Miller Drama

Tryouts for Arthur Miller's two-act drama, *A View From the Bridge*, will be held Monday, Oct. 12 at 4:30 p.m. in the auditorium. According to Mrs. Judy Curtis, the play has acting parts for 15 people and many additional jobs for those interested in set construction, costume design, lighting, and make-up.

Those interested in trying out should read the play. Scripts are on reserve in the library.

January Graduates Listed

(continued from page one)

Having a field in physical education are: Cathy Hesson Adams, Belpre, Ohio; Brenda Joyce Arthur, Parkersburg; Linda Elizabeth Boyce, Elizabeth; Rita Janine Buchanan, Spencer; William Rolland Fultineer, Weston.

Gary Norman Griffith, Cairo; Flavious Orval Haynes, Cairo; Dale Lanford Hinkle, Ravenswood; William Kenneth Jones, Hundred; Johnnie Edmund Noland, St. Marys.

Gary Richard Norris, Huntington; Jerome Martin Rea, Belmont; Joseph Scalise, Jr., Clarksburg; Judith Elkin Shoemaker, Glenville; Gary Russell Strosider, Winchester, Va.; and John Leslie Wymer, Glenville.

Lou Woodyard Adams, Richwood and Cheryl Lynn Blankenship, Point Pleasant, have completed fields for school librarian.

First Meeting Planned For Le Cercle Francais

Parlez vous francais? If you do, or are interested in France and its culture, you are invited to attend the first meeting of Le Cercle Francais today, Oct. 7.

The meeting, at which dinner will be served, will be held at the home of the club's advisor, Miss Susan McHenry, at 407 Walnut Street.

MANY START HERE IN A SMALL WAY

Although ours is a "Full Service" bank—and, therefore, provides the best modern services to meet your every personal, family and business banking need—it's only natural that many people start here in a comparatively small way, using only one or two services. Sooner or later, however, they start enjoying the advantages of more and more services—all so conveniently available right here under one roof!
