## STANDING ON SHAKY LEGS

## Be Progressive! Let's Abolish Cuts

Glenville has rules galore. It seems that everytime you turn around there is some rule to observe, or not observe, or gripe about, or add to the long list of rules that preceded it. One rule—our cut system—has been with us a long time. And, like an old shoe, it is worn out and needs to be discarded or replaced.

We are college students paying this college for the privilege of attending its classes. Because we do pay our way, so to speak, it should be our decision and ours alone whether we attend classes or not. The college student who enters college with a desire to succeed will attend classes. Students that don't care—don't attend classes anyway. The number of students who are called before the attendance committee every month is evidence.

Perhaps our less-than-progressive school could not see the advantages of completely abolishing the cut system. But why couldn't we try three times the number of hours as the cut allowance. This would allow students a much freer campus life without the loss of responsibility. After all, if a student can be successful in a class without being present, the time in class is evidently not necessary.

Also, some students are capable of doing excellent work outside the classroom. Those on the Dean's list or making a B (3.0) average should not be subject to any cut system. They have earned the right to be exempt.

College students are citizens of their community as well. As citizens it is time we had a hearing among the college authorities so that we might feel that our thoughts were of some worth.

## 'Judge A Tree By Its Fruit,' Not By Appearance, Sound

Dear Editor:

In the sentences to follow I would like to expound on the biased judgment of certain peoples.

All over our great nation, people judge others by what they see and hear. This also includes the Glenville State College instructors and staff.

Not long ago a fad began. People (men or boys) began to let their hair grow and grow more. Immediately these people were under ridicule by certain peer groups and cliques. They were also called numerous names. We shall call such people "hippies" for the sake of labeling.

There is a group of hippies, and one of them disobeys the law or goes against the ways and means of the establishment, henceforth every single person (hippie) is thought to be like the criminal minded one. Here we have a judgment on somebody's part.

On the other side of the fence there could be a group of all-American boys, at least thought to be. Out of this group one might be the only good guy while they were all thought or judged to be good by their short hair, clothes, language, etc.

In the movie *Easy Rider*, two hippies were enroute to Florida when two southern gentlemen shot them to death with a shotgun while they were on their motorcycles. Yes, this was a "bad scene" for the hippies. The two gentlemen thought the hippies were no-good, bad, evil, because of what they saw represented. The hippies were judged, without ever being seen or talked to before.

Now, relating this to GSC, we find some "hippies," few and far between. Instructors judge them and rationalize incorrectly, especially the physical education department. It isn't right, fair or ethical.

In essence, I am trying to point out how wrong it is to judge a person without really knowing this person. I, myself don't uphold grass, pot or acid, but I don't judge those who do to be sinful or wrong in their actions. I am merely "telling it like it is."

Remember what is written in the Bible the next time you go judge your neighbor or foe. From Matthew 7:1, I quote "Judge not that ye be not judged."

## Meeting Of SUPER Discusses Pollution

On Tuesday, Dec. 10, 1970, an organizational meeting of SUPER (Students United to Prevent Environmental Rape) was held. The following officers were elected: president, Dan Johnson; vice-president, Al Fleming; secretary-treasurer, Karen Brady; and corresponding secretary, Connie Ranson.

SUPER is a group of people interested in the problems of our environment. Its purpose is to educate people on the problem of environmental rape; to learn what can be done by us as individuals, and as an organized group to alleviate such problems as water pollution, air pollution, soil pollution, and over population.

Membership in SUPER is open—anyone and everyone is urged to join.

Thursday, Jan. 7 there will be a meeting of the group. This meeting will feature a talk by Dr. David Smith. The speech is entitled "Our Environmental Problem...People!" There will be an opportunity to ask questions or make comments. Everyone is invited to come.

## Association Is Formed With Contact Wearers

If you are not wearing your contact lenses comfortably (due to scratches or possibly warpage), cannot afford to continue replacing lost or damaged lenses, or just want a spare pair possibly in a different color, join the Student Contact Lens Association.

The Student Lens Contact Association is dedicated to successful contact lens wear. It does not attempt to replace practitioner, but rather, urges its members for their eyes' sake to see their contact lens practitioner at least once a year.

Membership is \$2 and annual dues provide: inspection and scratch removal, \$2.50 per lens. Since successful contact lens wear is their prime concern, SCLA guarantees satisfaction or money back.

SCLA also provides replacement if lens are lost or damaged. This replacement will be \$15.00 per lens.

There are many colors to choose from, (Pale) Misty Smoke, (Brilliant) Yellowgreen, (Pale) lavender, pale amber, light and medium pink, light and medium grey, light and medium blue, and light and medium green.

Due to minimal costs, SCLA does not bill. Money order, travelers checks, or cashiers checks must accompany orders. Personal checks are not acceptable.

SCLA will send an annual reminder to see a contact lens practitioner.

## Glenville Clergymen To Assist Kinder In Guiding And Counseling Students

Several faculty members have indicated that students come to them seeking assistance in personal and emotional matters which are beyond their ability to handle. Since Mr. Kinder stays quite busy with students coming to see him, it has been suggested that additional possibilities be explored. After consulting with the clergymen in town, they have shown their interest in helping by establishing regular hours when they will be available for counseling with students. This service will be provided through the facilities of the Wesley Foundation Building located across from Women's Hall.

The following hours will be observed while school is in session: The Reverend Charles Scott, Glenville Baptist Church, Monday, 3-4:30 p.m.; The Reverend Blake Breitenhert, Glenville Presbyterian Church, Tuesday, 3-4:30 p.m.; The Reverend Noel Davis, Glenville Church of the Nazarene, Wednesday, 3-4:30 p.m.; The Reverend Thomas McIlhinney, Good Shepherd Roman Catholic Church, Wednesday, 6-8 p.m.; The Reverend Edward Bayer, Trinity Methodist Church, Thursday, 3-4:30 p.m.; The Reverend Ralph Gay, Director, Wesley Foundation, by special appointment. Students wishing to make advance

appointments may do so by contacting the secretary, Mrs. Edna White, at 462-7849 daily from 1-4 p.m.

## European Work And Visit Available This Summer

Would you like to visit Europe? Several job opportunities are available in Europe for this summer. You can work in the forests of Germany; on construction in Austria; on farms in Germany, Sweden, and Denmark; in hotels in Switzerland.

The American-European Student Service makes these opportunities available to college students in order to afford students to get into real living contact with the people and customs of Europe. In return for his or her work, the student will receive his or her room and board, plus a wage. Wages will naturally be scaled according to the European economy, and working conditions are strictly controlled by the labor ministers of countries involved.

For further information and application forms, write to the American-European Student Service, Box 34733, FL9490 Vaduz, Liechtenstein (Europe).

## VA Offers Seniors Jobs, Opportunities

The Veterans Administration invites any senior or graduate student, willing to use their college training to help America's veterans, to go to work for the Veterans Administration (VA).

The VA offers a wide variety of job opportunities, but it has a special need for those trained in dietetics, nursing, pharmacy, medicine, medical technology, dentistry, occupational and physical therapy, medical records, library science, and social work, where a master's degree is preferred.

According to a spokesman, the VA has 166 hospitals, scattered throughout the 48 contiguous states and Puerto Rico. Ninety-three of the VA hospitals are affiliated with seventy-nine of the nation's fully approved medical schools. The size of these hospitals range from about 100 to more than 2,000 beds with most of them having general medical, surgical and psychiatric units.

The VA pointed out that work in a VA hospital is rewarding from both a career standpoint and in satisfaction resulting from assisting those who were called upon to serve their country in uniform.

Any seniors or graduates interested can get additional information by writing the Personnel Officer at any VA hospital or the VA Central Office (Code 304) in Washington, D.C. 20420.

Registration is just around the corner. Here is a scene from the fall hassle.

crowds ever appeared for a rock show.

The Lashinsky Brothers and WKAZ are bringing the group to the Charleston Civic Center to start the 1971 season with a sound never before experienced by the Charleston audience.

Sly and the Family Stone, one of the most controversial acts to appear in the U.S. since the Beatles, have been accused of many things from riots to drug addiction, but in truth, Sly is a very hypersensitive individual, who while singing goes into a psychedelic world of the modern youth. Sly and his entire group, who are all friends and relatives, acquired the base knowledge for their act singing gospel in choirs during their youth. This beginning makes the group a truly unforgettable sound, which brings hippies, teen-agers and young adults to an intensified frenzy of today's modern world.

Ticket prices are \$6-\$5-\$4 and are on sale at the Civic Center Box office, Sears, Turners, Gorbys, Arlans in Charleston, Silver Brand Clothes, AAA Club in Kanawha City and Kay Jewelers in Huntington.
