Glenville State College, Glenville, West Virginia

Wednesday, February 3, 1971

Arnold Represents GSC At Alpine Fest.

The 11th annual Tucker County Alpine Festival, featuring sports activities, pageantry, dinners and dances, will officially open tomorrow evening, Feb. 4 at the Blackwater Falls Lodge with the coronation of the Alpine Festival Queen.

Secretary of State, John D. Rockefeller, will crown the Alpine Festival Queen, who will be selected from contestants from colleges and clubs throughout West Virginia. Glenville State's representative this year is Miss Judi Arnold, a junior elementary education major from Charleston. Miss Arnold is a member of Student Congress and Sigma Sigma Sigma Sorority.

On Friday, Feb. 5, a coffee will be held, at which the public can greet the new Alpine Queen and her court. Other events on Friday include a musical program by the Mountaineer High School Band, the Queen's dinner, and the traditional German Fest Dance.

Saturday's itinerary includes Timberjack activities, the Second Annual West Virginia Championship Snowmobile Races, the Governor's Cup ski races, ice skating competition, and the Queen's Ball.

Campus Cover Girl Election Is Slated

Glenville State College is again participating in the Campus Cover Girl contest sponsored by the Press Roto Magazine of the Pittsburgh Press. An all-campus election to choose the GSC representative will be held Friday of this week from 9 a.m.-4 p.m. in front of the old cafeteria.

Each organization on campus was asked to sponsor a candidate. The names of the candidates are supposed to be turned into the Mercury office by today. Last year's Cover Girl from Glenville was Julia Murin. Anne Knapp Bortas was 1969 representative; Sue Sullivan represented GSC in 1968; Pattie Guzzie represented GSC in 1967; and Judy Newlon represented GSC in 1966.

Pictures of candidates from participating schools will appear in Roto Magazine on March 7. Judges will meet the following week to select five finalists who will be guests of The Press at a dinner and show on March 19 and at a luncheon the following day.

Deadline Is Suggested For Financial Requests

Applications for financial aid for next year must be completed before March 1. Students who are presently receiving financial aid must also reapply by this date. Applications should be picked up now at the financial aid office in Firestone Lodge.

Any student now receiving an educational opportunity grant will automatically have his grant renewed, if he completes the application, has an accumulative 2.0 grade average at the end of the semester, and continues to show need for the aid.

All scholarship recipients must have a 3.0 average at the end of this semester in order to reapply.

Oedipus is shown comforting the members of the Suppliant Chorus during this scene from "Oedipus Rex" to be presented here Monday, Feb. 8.

Somerville Heads Centennial Comm.

Next year is going to prove to be an exciting year for Glenville State College. The academic year of 1971-72 has been designated as the centennial year. The college will celebrate its 100th anniversary on Feb. 19, 1972. An official centennial seal now being designed by Charles Scott, associate professor of art at GSC, will be used by the college for many purposes.

The centennial theme "A Century of Service and Progress" will be used all year long for Homecoming and many other important programs which will take place on campus.

The Executive Committee will have the overall supervision to the observance of the centennial. Dean Delmer K. Somerville is chairman and director of this committee. Other members are: Wesley Frame, president of Student Congress; Burl Law, presi-

dent of Faculty-Administration Organization; Goff Summers, representing the Glenville community; James White, president of Alumni Association; and Dr. D. Banks Wilburn, president of Glenville State College.

Three other committees formed under the Executive Committee are the Centennial Historical Committee, Centennial Cultural Affairs and the Centennial Publications Committee.

The Centennial Historical Committee will compile history of the college through documents, bulletins and anything of historical interest. The members of this committee are Dr. James Jones, Chairman; Guy Bailey; Mary Jean Barker; Erma Edwards; David Gillespie; Lloyd M. Jones; Yvonne King; Donald Phillips; Bessie Bell Scott; Nelson Wells; and two other students who will be named in the near future.

The Centennial Publications Committee will be involved in making a centennial brochure, a centennial edition of the Mercury, centennial yearbook, Alumni Newsletter and college catalog, also slides and other appropriate publications. David Gillespie, chairman of the committee, has stated that any student who is willing to work and feels he is a creative writer may submit his name to Mr. Gillespie at the library. The members of the committee will then choose a few students from those names submitted to help with the centennial publications.

The members of the Publications Committee are: Robert Gainer, Linn Hickman, Yvonne King, Steve Nichols, William Osborne, Donald Phillips, Ann Starcher, and Virginia West.

Another committee, the Centennial Cultural Affairs, the members of which are yet to be named, will arrange presentation of high level events for the centennial year. These events will also pertain to the lyceum and the Cultural Affairs Week.

Dr. Somerville wants all students to become involved in the centennial celebration. There will be students represented on each committee. Any student having ideas or suggestions pertaining to the centennial celebration are encouraged to submit these to Dean Somerville or a member of the Executive Committee.

Oedipus Rex Set For Monday, Feb. 8

Coming to the Glenville State College stage on Monday evening, Feb. 8, at 8:30 p.m. will be the National Players presenting the Greek tragedy, Oedipus Rex.

The presentation here will be part of the troupes eight-month tour of over thirty states. The National Players are brought to us by the Convocation-Lyceum Committee. Admission to the performance will be by ID Cards and the evening will certainly prove to be one of powerful excitement to all of those who attend.

National Players is the oldest and most highly respected touring theatrical repertory company in the United States today. Working out of the nation's capital, a company of actors has gone on the road every year from October until May since 1949. These twenty-one years of continuous operation makes the National Players the longest running national classical repertory company in America.

In its long and colorful history, National Players has offered over 3,000 performances of brilliant and imaginative productions of the classical and modern masterworks of the state, embracing the works of the greatest of the world's playwrights: Shakespeare, Sophocles, Shaw, Aeschylus, Aristophanes, and Moliere. The companies have played in 39 states in the East, Midwest, South and Southwest, in Canada, off-Broadway, on network television, by special invitation to the White House and in nine overseas tours under the Department of Defense in Korea, Japan, Italy, France, Germany and the Arctic Circle.

Many distinguished directors, now well-known for their New York endeavors, have guided National Players presentations: Walter Kerr (now drama critic of the New York Times) Alan Schneider (Who's Afraid of Virginia Woolf? and La Strada), Mme Claude Chagrin (from Sir Laurence Olivier's National Theatre in London), Robert Moore (The Boys in the Band and Promises, Promises), James D. Waring (Stephen D.), and Leo Brady (The Front Page). These are only a few of the many who have contributed and received in return a great deal of wealth along the lines of experience in the field of drama.

The Players have succeeded in uniting its audiences and its productions in the richest theatrical experience possible . . . at the same time

offering enjoyment to those who produce and perform . . . to a point of prominence unequalled in the American theatre today.

Sophocles, who was the most widely acclaimed tragic writer of his century, is the author of Oedipus Rex which was first produced in 430-429 B.C., which makes 1970-1971 the 2400th anniversary of this tragedy. However, the present adaptation was written by Leo Brady, a novelist-playwright who has made several adaptations of the Greek classics. Concerning the adaptation of Oedipus Rex, Mr. Brady has written: "Nothing (in the present version) has been omitted. . . . The only material which has been introduced into the text is a somewhat fuller indication of the activity of the Sphinx. All the background material concerning Laius, Oedipus and the prophecies, is given as the Greek playwright provided it for his audience. . . . What is lost in adaptation is the grandeur and glory of the language of a poetic genius; but only a translator with gifts comparable to those of Sophocles could retain this in any case. What is gained is a glimpse, at least, of Sophocles as a playwright: his structure, his characterization and his penetration by means of those into the heights and depths of the human condition."

Sorbonne Page Ad Labeled Fraudulent

A full-page ad for the Sorbonne University in Paris, France, which was run by several college newspapers, under the direction of M. Ward McIntosh, is currently under investigation by the New Orleans Postal inspectors.

The suspicious fraud was brought to the attention of the Postal authorities early in January when college newspapers reported that their bills were returned unpaid and stamped "addresse unknown." This led to a full investigation of ASTRA (American Student Traveling Abroad) and its activities.

The advertisement offered courses in French, French literature, history, drama, and art to American students at Sorbonne University. It also requested that all students who were interested in attending these classes should send a \$65 deposit to a Paris address.

New Orleans officials have the case under investigation but at this time they do not know if he has succeeded in getting any money from students. McIntosh will be charged with mail fraud by federal authorities. Sorbonne University officials reported that they have never heard of Mr. McIntosh.

The Glenville Mercury and the Athenaeum at WVU, and many other colleges who ran the ad, were contacted by the postal authorities. They warned that students who had sent in these reservations would probably lose their money and the newspapers would probably not receive payment for their advertisement.

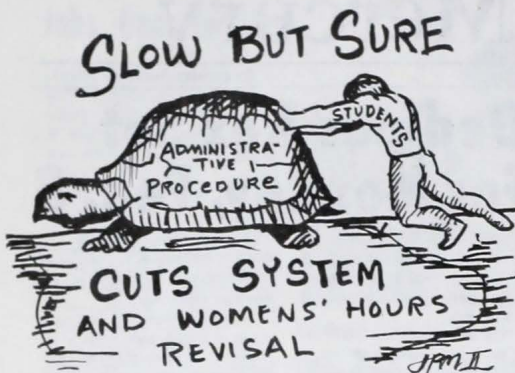

It is not known at this time whether any student here at GSC sent in the \$65.

Announcements

There will be a coffee house at the Wesley Foundation, Saturday, Feb. 6 from 8-11 p.m. All students and faculty are invited to attend. Singing, poetry reading, and music will be featured by both students and faculty.

Anyone desiring advance tickets for the GSC-Fairmont game may contact Dr. Dollgener in his office before Feb. 9.

On Wednesday, Feb. 3 at 7 p.m. there will be a home wrestling match with Morris Harvey.

New Semester Provides Stream For Struggle, Suggestion, Change

Ho-hum. Another semester. Another chance for some. Just another struggle for others.

Well, we can sit around and say ho-hum or we can say hey it's a new year, a new semester, and time for some new ideas.

Last semester we made some suggestions about dormitory hours and cuts. Well, we haven't heard much except that our advisory board is interested in these ideas and that the girls and their parents are voting on new hours. There's hope, I think. But it's time we used every available resource within the system—as strict as it may be—to get GSC up to 1971. It can be done. It will take time.

We use our editorials not as radical declarations against anyone but the whole idea behind the editorial is to allow students the right to speak and to have their voices heard by those that have the power to act on our queries and desires. Besides letters-to-the editor and our comments here from the Mercury staff, we have the right to bring problems before our student congress. We may prepare petitions, write our advisory board members or the Board of Regents. You're probably thinking all of this just wastes time but until all of these channels have been exhausted, it's important that we keep trying.

Ann Starcher

Editor-in-chief

P.S. Due to circumstances beyond our control, second semester has begun.

P.S. 1. Good Luck!

P.S. 2. Don't forget to call your parents this weekend for extra money for "super books." Inflation!

P.S. 3. Stock up on Excedrin—it's going to be a long semester.

P.S. 4. Help!

GREEK SCENE

Trophy Captured By Sigma Sorority

Sigma Sigma Sigma captured the sorority grade average trophy for the first semester of the 1970-71 school year. Their combined average was 2.80. Delta Zeta placed second with a 2.71 and Alpha Sigma Alpha had a 2.65 average.

Seventeen Tri Sigmas achieved a 3.0 or better. They are Janet Alkire, Jayne Beer, Kay Bickel, Anne Knapp Bordas, Lois Gill Robinson, Cathy Gumm, Debbie Hardman, Judith Jordan.

Margaret Kirby Miller, Susan Morrison, Julia Murin, Sharon Neely, Susan Siers, Lora Weaver Sturm, Diane White, Cathy Wince, and Jeanine Worstell.

Delta Zeta's with at least a 3.0 or better were Linda Boyce, Kay Coberly, Brynda Dunlap, Sharon Erwin, Linda Fox, Rita Hayes, Carol Hicks, Rebecca Law, Marsha Sue Monroe, Barbara Ochletree Nicholson, and Deborah Stump.

Alpha Sigma Alpha members with a 3.0 or above were Cheryl Blankenship, Jean Burgraff Holbrook, Dianne Cristo, Mary Daniels, Laura Lister, Deneen Schilling, Ann Starcher, Mona Wilson.

Tau Kappa Epsilon Tops In Grade Point Average

Dean Carl F. Pennington has announced the fraternity grade point average for the semester just completed, with a list of those individuals in each of the three fraternities who attained a 3.00 average or better.

Tau Kappa Epsilon ranked first in the academic standings with a 2.47 average. Members who held a high average include Douglas J. Beymer, Roger L. Cutright, Harold W. Holt, Jr., David C. Huttenpillar, Frank A. Marcinko, Jr. and John B. Nutter.

Theta Xi came in second with a 2.38 average. These members included Marvin Crane, James P. Law, Johnnie Noland, Tom Patrick, Donald Puckett, Mike Roscoe and Ed Suddath.

Following a close third was Lambda Chi Alpha with an average of 2.37. The Lambda Chi leaders were Tom Berry, Fred Boothe, Keith Boyles, Sheldon Hinkley, Mike Shambelin and James Sturm.

The overall men's average for the first semester was 2.22 and their cumulative average was 2.17.

Delta Zeta

Delta Zeta sorority has elected officers for the 1971 year. They are: president, Jenny Page, a junior elementary education major from Williamsburg; vice president of pledging, Debbie Wade, a senior social studies major from Weston; vice president of membership, Debbie Stump, a sophomore pre-nursing major from Glenville; corresponding secretary, Susan Stewart, a sophomore early childhood major from Bridgeport; recording secretary, Linda Fox, a sophomore elementary major from Spencer; treasurer, Cheryl Chaddock, a sophomore early childhood major from Gassaway. These new officers will be installed at the next active meeting.

Cheryl Chaddock and Brynda Dunlap have been elected to represent Delta Zeta sorority in the Miss GSC contest. Brynda Dunlap will also be representing the sorority in the Campus Cover Girl contest.

Alpha Sigma Alpha officers for 1971 are (seated) Mona Wilson, Janet Posey, Gayla Deitz, (standing) Jane Barnes, Melody Bingham, Carol Blake, Ann Starcher, and Vicki Smith.

Sigma Sigma Sigma

At 10 a.m. of the morning of Saturday, Jan. 16, seven girls were taken into the bonds of Sigma Sigma Sigma. The seven girls who passed through the ritual were Deborah Ann Buchannon, a sophomore business education major from Vienna, W. Va.; Sandra Dale Hall, a sophomore elementary education major from Vienna, W. Va.; Debra Ann Hardman, a sophomore math major from Glenville; Darlene Hart, a junior elementary education major from Lindenhurst, N.Y.; Jacqueline Lucille Morton, a sophomore business education major from Weirton; Brenda Lou Rose, a sophomore business education major from Tesla; and Diane Carol White, a sophomore majoring in Early Childhood education from Weston. These girls constitute the first pledge class to the Delta Alpha Chapter and will make the active roll number thirty-six.

Presently, the Tri-Sigmas are planning their first closed ball to be held in the Pioneer Center Ballroom on the night of Feb. 20. A banquet will take place prior to the ball in the new cafeteria from 6-7:30. The ball will immediately follow with music provided by "The Great Divide," a rock group from Parkersburg.

A get-acquainted coke party for all interested second semester rushees was held in the Tri Sigma lounge on Feb. 2 from 6-8.

With the Miss Gilmer County Pageant approaching soon, four Tri-Sigmas have been chosen to compete in this yearly event. Debra Hardman will represent the pledge class. Beverly Wood, a junior social studies major from Clendenin; Judi Arnold, a junior elementary education major from Charleston; and Julia Murin, a senior language arts major from Glenville, will also represent the sorority. Judi Arnold is presently planning her trip to the Alpine Festival for Feb. 4, 5, and 6 where she will represent Glenville as princess.

Order of Diana

The Order of Diana, women's auxiliary to Tau Kappa Epsilon fraternity, elected its 1971 officers on Wednesday, Jan. 13. Miss Kathie Fox will lead the group as president. Miss Fox is a sophomore art major from Belleville. She is a member of Sigma Sigma Sigma sorority.

Miss Connie Gumm was elected as secretary. She is a sophomore social studies major from Sutton and is a member of Alpha Sigma Alpha sorority.

Serving as treasurer for the coming year will be Miss Gayle Bailey. Miss Bailey is a sophomore English and speech major from Heath, Ohio.

It is being planned to have another Sigma work week Feb. 8-11. Posters will be posted later to specify details.

Theta Xi

Theta Xi fraternity held its second Rush Smoker Monday, Feb. 1, in the old Louis Bennett Lounge. Interested men are invited to attend the last smoker. The date of the final smoker will be advertised in the student union.

Officers were elected to serve during second semester at the last meeting before the break. Donald Puckett was elected president, Tommy Carper will serve as vice president, William Edward Suddath will again serve as treasurer, Randall Noble will be secretary and William Thomas will serve as scholastic officer.

TKE

On Monday, Jan. 11, Iota Omega chapter of Tau Kappa Epsilon held its election of officers for the forthcoming year and made plans for its upcoming smoker and rush period.

The newly elected officers for TKE are Prytanis, Richard Miller, a junior from Charleston majoring in business; Epi-Prytanis, Richard Oyler, a junior from Sistersville majoring in physical education; Crysochylos, Merlin Trickett, a senior from Oakland, Md. majoring in biology; Grammateus, Lynn Dawson, a senior from Buchannon majoring in social studies; Hektor, J.B. Nutter, a sophomore from Ravenswood majoring in music; Pypophetes, Mark Wells, a senior from Cairo majoring in elementary; Hegemon, Ronald Smiseck, a junior from Wadsworth majoring in social studies; and Pyrorotes, Frank Marcinko, a sophomore from Beckley majoring in physical education; and Pete Shoemate as steward, a social studies major from Beckley. They were installed at their regular meeting Monday night.

On Jan. 14, TKE held its first formal smoker of their new rush period with 49 prospective pledges in attendance. The smoker was started with a speech by Michael McCartney on brotherhood and a talk by David Scott on finances. An informal talk session was held prior to a skit presented by five members of Delta Zeta sorority. The fraters and rushees then attended the GSC-Davis Elkins ballgame and afterward went to the chapter house for refreshments.

There will be an informal smoker Thursday, Feb. 4 in Old Louis Bennett Lounge at 8 p.m. All men are cordially invited. Also after the smoker, there will be a party at the fraternity house.

Miss Deborah Stump, 1970 TKE Sweetheart, will be Tau Kappa Epsilon's representative in Friday's Roto Cover Girl Contest.

Up in the air at the Davis and Elkins game.

Down On The Corner

by Mike Smith

The Second Half . . .

The second half of the 1970-1971 school year should prove to be very exciting. Let's look into the future and see what events we have in store. First in line, of course, is our very fine Glenville Pioneer Basketball Squad. Coach Lilly's Cagers meet Fairmont State's highly touted Falcons here at Glenville on Feb. 9. Two days later the Pioneers have another home engagement with Salem's Tigers. They hit the road after that for two games before returning home to meet a fine Beckley quintet. The final game of the regular season will be at Morris Harvey when we will try to avenge the one point loss we suffered to them earlier. Henry Dickerson is back healthy again. He, Bobby Wesley and company will be tough to handle, but the Pioneers are capable of a victory. The tournament in Charleston will be held a few days later and Glenville should be seeded no lower than third. Can the Pioneers do it again and capture all the marbles at the tournament? This corner feels that with aid of the Student Body the Pioneers can go all the way.

Dr. Robert Dollinger's Bowling Team is again one of the Conference's Best. Can these boys, led by All American Al Malone win it again and

represent the conference at the NAIA Tournament? How about it Al?

Coach Jerry Milliken is already working his baseball squad. Milliken will be trying to work some magic with the Pioneer nine and get them back on the winning track. Coach Milliken has a lot of talent on the squad so let's hope the ball bounces right for them.

Last on the order of sporting of sporting events is Coach Carney's golf team. Carney has some fine golfers and they represent Glenville State College very well.

Not to be forgotten, however, is spring football practice. Coach Hanlin and his head hunters will go at it for two weeks. This will get the Pioneer squad ready for the next season.

One athletic team I left out on purpose. Coach Earl (Whitey) Adolfsen's wrestling team is giving their opponents all they can handle. I wanted to reserve this space to apologize to the wrestlers for not reporting their progress thus far. Yes, GSC there is a wrestling team, a very fine team, and next issue we will have a report on their progress to date.

Don't Let It Happen to us . . .

Intramural Basketball will once more catch its share of the spotlight. Boogerhole's All-Stars sincerely hope they don't have a collapse similar to the one that happened to the Tarzan Spencer led Theta Xi Greeks. Tarzan and company have really taken some shellackings. The Lambda Chi Lards according to player-coach Ron Sirk got out of shape over the Christmas holidays. Coach Sirk gave the Lards strict orders to lay off the fruitcake during the holidays, but the boys didn't obey training rules. Steve Brown and Bill Gallagher have been suspended until they can work themselves into playing condition. Sirk disclosed. The Theta Xi Pledges have one of the finest intramural squads. They are led by Larry Beverage, Randy King and Craig Lipscomb. Keep up the good work gang.

Here and There . . .

Notre Dame did the seemingly impossible last week when they stopped the UCLA Bruins. There are some very fine high school basketball teams in the state this year. Parkersburg, Wheeling, Clarksburg, Victory and Ravenswood represent the northern part of the state, while the southern teams are Charleston, George Washington, Sissonville, Logan, Huntington, Williamson, and Beckley. Welcome back students and have a good second semester.

At the present time GSC is 6-0 in the conference postal matches with David Grapes having the highest single game of 279 and high series of 701. All five GSC bowlers are now in the top ten bowlers of conference average. The first regional tournament will be held in Charleston on Feb. 6 at Charleston Boulevard Lanes and all GSC students in the area at this time are urged to attend.

Pioneer Stalwarts Capture Five Well-Earned Victories

Lillymen's Defense

Paces Yellow Jackets

The Big Blue Machine has done it again. Glenville's Pioneers leading the WVAC in total defense with an average allowance of 62.5 have held another team below the standard. Defense is the name of the game for the Lillymen and defense won the game against W.Va. State.

W.Va. State's Yellow Jackets are vastly improved since we met them in the opening game here at Glenville. The Civic Center proved to be friendly territory to the Jackets as they gave our Pioneers a real scare. Not until the final five minutes of the game were the Pioneers able to pull away from State. The game was close throughout the entire first half, as the lead saw back and forth. Ron Jones bombed in a shot from deep in the corner at the buzzer to give the Pioneers a 29-27 halftime lead. As the second half began, it looked as though the Big Blues would break the game open. They stormed out to an eight point advantage and held this lead at 37-29. However, State came roaring back and took a 39-37 lead. With the score tied at 41-41, sophomore Jim Garnett tossed in a long one handed jump shot which put the Pioneers in the lead for good. This shot came with 12:35 remaining in the game. State held their composure and were down by only one, 53-52 with five minutes remaining to be played. However, Garnett hit on another one hander, and Steve Datcher scored on a short jumper and the Pioneers went to a 57-72 lead with 3:30 remaining in the contest. At this point the Blues went into their ball control offense. State fouled and Ron Jones, Jim Garnett, and Dale Tawney made their charity tosses to wrap up the win. Earl Hawkins led the Pioneers with 20 points coming on nine field goals and two free throws. The Hawk also collected eight rebounds. Big junior Dale Tawney had a big night for the Pioneers as the Parkersburg lad gathered in 10 rebounds and had 14 points. Steve Datcher chipped in with eight points and six rebounds, while Garnett and Jones each had 10 points. Jones also came through with seven rebounds. Senior Dave Barnes had four points and four rebounds while Ken Ledbetter had two points and one rebound to out the scoring for the Pioneers. The Pioneers are third in the conference now with a 11-3 record. Counting the Shrine tournament they are 12-4 overall.

AB SUFFERS DEFEAT AT HANDS OF GSC

A stubborn Alderson-Broadbent took Glenville into overtime Monday evening at Philippi only to fall to the Pioneers 64-61. It was the 10th conference win for Jesse Lilly's Blue Machine. The Pioneers have lost only three conference games and are the conference's third ranked team.

The Pioneers started fast but could not pull away from the charged up AB cagers. They held a slim five point margin at halftime 37-32. AB caught up early in the second half and at the 10:00 mark the score was deadlocked at 47 apiece. Coach Lilly then dug into his bag of tricks and sent in senior co-captain Dave Barnes. Barnes, playing his best half of the season, proceeded to split the cords with his lone one hander. Barnes hit one from the corner with a half minute remaining in the game and it gave the Pioneers a 59-59 tie and sent the game into overtime. Then in the overtime period Barnes pumped in two more long one handers. Jim Garnett

chipped in with a foul shot as the Pioneers outscored the Battlers 5-2 in the overtime period. The final score was 64-61.

Freshman Earl Hawkins led the Pioneers with 22 points which he gathered in 11 field goals. Steve Datcher came through with 9 field goals and two free throws for 20 points. Barnes had his 10 points on five field goals while Jim Garnett also scored 10 points in four field goals and two from the charity stripe. Dale Tawney had two points on one field goal to round out the scoring for the Pioneers. Alderson Broadbent was led by John Miller with 16 points. Rick Shearer followed closely with 14 points. Dennis Mann had 11 while John Hammond came through with 10 points.

Bobcats Prey For Pioneers As 300th Victory Is Lost

W.Va. Wesleyan's stubborn Bobcats came to town seeking to upset the Pioneers and give their coach, Hank Ellis his 300th coaching victory. It looked as though Ellis' chances were better than average for nearly 33 minutes of the game. The Pioneers started very slowly and the Wesleyan quintet was quick to take advantage of the Glenville misques. Freshman standout Earl Hawkins was the only consistent Pioneer in the first half and that was all that kept the local bunch in the contest. Ellis and his crew went in at the half with a 33-24 advantage over the GSC cagers. The intermission did nothing for the Pioneers and the Wesleyan teams came out even more determined.

The first 13 minutes of the second half was practically a replay of the first half. With 7 minutes remaining on the clock, Coach Lilly called time out to get his team calmed down. The Pioneers at this point trailed by ten points. With Steve Datcher having a tremendous second half, this inspired Glenville quintet started coming back with 4 or 7 remaining in the contest. The local favorites caught up and tied the score at 63 points.

The rest of the game was all Glenville as the Pioneers scored nine points to Wesleyan's two to give the Glenville squad a hard fought 72-65 win over the visiting Bobcats. Steve Datcher led the Pioneers in scoring with 18 points, all of which came in the second half. Datcher hit on nine field goals and had no free throws. Earl Hawkins had 16 points coming on six field goals and 4 free tosses. Dale Tawney had 5 goals from the field and hit on four charity tosses to give his 14 point contribution. Ron Jones added 10 points coming on two free tosses and four field goals. Jim Garnett and Ken Ledbetter had 6 points a piece all of which came on goals from the field. Wesleyan was led by Mark Mendelson with 20 points, followed by Ken Baylor with 19. Steve Combs chipped in with 15 points.

The victory was the eighth of the year for the Pioneers.

PIONEERS OBTAIN WIN; EDGE MOUNTAIN LIONS

Another WVAC victory was chalked up by the Glenville Pioneers as they whipped Concord's visiting Mountain Lions 57-51. The victory gave the Pioneers their ninth conference victory against only two losses. However, the game was very hard fought. Everytime the Pioneers would open up a lead and be on the verge of breaking the game open, Concord would come roaring back. The last 10 minutes of the first half was a nightmare for the Lillymen who were outscored in the stretch and led by

only one point, 31-30, at intermission time. Concord's Glen Ables collected 8 points in that 10 minute span.

The contest was extremely close throughout the second half and at one point the Concord squad went ahead by 2 points at 45-43. The Pioneers followed with seven straight points to move out to a 50-45 advantage with four minutes and 30 seconds remaining in the game. The Mountain Lions could never catch Glenville after this, but they did come close. However, the Pioneers started pulling away during the final two minutes to win their tenth victory. Glenville won the game at the foul line making 13 of 21 attempts while Concord connected 5 of 9 tries. The Mountain Lions held a 23-22 field goal advantage over the Glenville five. Steve Datcher took scoring honors with 17 points, 11 of which came in the second half. Earl Hawkins followed with 14 points and Dale Tawney was close behind with 12. Hawkins and Tawney were the big guns in the first half, collecting 11 and 10 points respectively. Glen Ables led the Mountain Lions with 15 points. He was followed closely by Jim Hatfield who chipped in with 14 points.

GSC DEFEATS D&E, SCORE IS 79-53

Glenville enhanced its number 2 defensive standing holding Davis-Elkins to 53 points while coasting to a 79-53 West Virginia Conference victory. The Pioneers led the WVAC with a 61.0 defensive record and the D-E game will lower the average. Glenville started very fast in the early going and led by the scoring of freshman Earl Hawkins, Dale Tawney, and Steve Datcher went out to a 39-26 halftime lead. The Pioneers did not cool off any at halftime as they came out during the second half and continued to bomb in the points.

During the final half the Pioneers outscored Davis-Elkins 40-27. This gave them their 26 point margin of victory as the Pioneers prevailed 79-53. Earl Hawkins led the GSC attack with 19 points coming on 5 goals from the field and 2 points from the charity stripe.

Dale Tawney, who had a good night rebounding and defensively came through with 16 points which came on 6 field goals and 4 free throws. Steve Datcher was the only other Pioneer to break into double figures as the sophomore sensation collected 12 points. Ken Ledbetter collected 8 points in a reserve role, while Ralph Cook coming back after his ankle injury, chipped in with 6 points. Ron Jones, Roosevelt Lynch, and Roger Hess tallied 4 each for the Pioneers. Dave Barnes and Jim Garnett had 2 each to round out the Pioneers scoring attack. Jim Haynie led Davis-Elkins in scoring as he also took high game honors, with 20 points.

Pep band members give much enthusiasm to the game as seen above.

Guaranteed Jobs Offered In Europe

Panorama City, California, Jobs Europe program officials announced that they have guaranteed jobs available in Europe anytime of the year for hundreds of young Americans 18 to 26 years of age—summer and year-round.

The aim of the program is to give young people an inexpensive and unique cultural opportunity to live in, and learn about, Europe.

This is the 10th anniversary of the program. To-date five thousand and eighty-six students have worked in Europe with their help.

These salaried jobs are mostly for general help with large 1st class European hotels. Most jobs include board and room. Friends can work with, or near each other, if they apply together.

Vice President Dr. Van der Velde from Holland stated that "England and the French and German speaking areas of Switzerland offer the best working, cultural, recreational and leisure opportunities."

An important feature of the program, besides the guaranteed job, is the fact that participants are free to travel where, and for as long as, they wish after completing their work assignment.

For free details: send a stamped self-addressed (business size) envelope to: Jobs Europe, 13355 Cantara Street, Panorama City, California 91402.

Jamz Dutton and his Rosewood Rebellion, the eclectic new marimba group that plays thirty-nine different instruments and uses an electronic FASOR, which is a device that translates sound into electric light signals, will appear in the Glenville State College auditorium on Wednesday, Feb. 17. The Rebellion's program will consist of pop to rock and then zipping to bossa nova and Bach.

Financial Aid Statistics Are Released; Forty-Two Per Cent Given Assistance

Financial aid statistics have been released for the current school year by financial aid officer Larry Lamb.

Forty-two per cent of the student body is receiving financial aid of some type in the amount of \$516,950 for this year. Eight per cent of the student body is receiving approximately \$70,000 under the workshop

program. Eighty-seven students are involved in this program.

Approximately \$58,000 has been allotted for the work-study program. Six per cent (64) of the students work under this program.

Fifteen per cent of the student body (224) receive \$120,000 under the Educational Opportunity Grant.

Two hundred sixteen students (14%) are receiving a total of \$104,000 under the National Defense Student Loan Program.

Under the Guaranteed Student Loan program 251 students (17%) are receiving a total of \$150,000.

Scholarships have been awarded to 103 students. Three per cent are receiving the Claude Worthington Benedum Scholarship whose total is \$8,200. One per cent are receiving \$3,150 from the John C. Shaw Scholarship fund and West Virginia Board of Education scholarships have been awarded to 1.46% of the student body.

June Grad Bumgarner Receives Army Medal

Private First Class P. Michael Bumgarner, a June 1969 graduate of GSC has been awarded the Army Commendation Medal.

The citation came as a result of meritorious achievement in connection with military operations against an armed hostile force in the Republic of Viet Nam.

Pfc. Bumgarner has been transferred to the 14th artillery at Chu Lai, Viet Nam.

Private Bumgarner is a member and served as president of Tau Kappa Epsilon fraternity.

Library's Loan Service Is A Thriving Business

The inter-library loan service is doing a thriving business and shows signs of continued growth. It was established in June of 1968 and is composed of the state supported and public libraries of West Virginia. Libraries in surrounding states can also be utilized in this service.

The service rendered is as the name implies, books and periodicals can be exchanged between participating libraries by means of direct mail, and now also by teletype machine which speeds up the process considerably.

Summer Jobs Available In U. S. And Overseas

Summer job opportunities look good for students this summer both in the United States and overseas! This optimistic outlook comes from the 1971 editions of two annual paperbacks, "Summer Employment Directory of the United States" and "Directory of Overseas Summer Jobs," just off the press.

For students who want to work in the States, there are more than 90,000 specific openings listed with salary, dates of employment, and name of the person to whom applications should be sent. Jobs are largely in the recreational areas where savings by the end of the summer can be substantial—resorts, national parks, restaurants, summer camps, summer theatres; also, business and industry, government.

Students who would like the growing experience of working abroad will find information on over 50,000 vacancies. Included are specific paying jobs; au-pair, paying guest and exchange visits; visa, resident and work regulations.

For early application, "Summer

Employment Directory of the United States" (\$4.50) and "Directory of Overseas Summer Jobs" (\$3.95) may be ordered by mail now from National Directory Service, 266 Ludlow Ave., No. C, Cincinnati, Ohio.

3 Students Spend One Year Abroad

This year Lynetta Sue Martin of Leewood, Sue Anne Bumgarner of Letart, and Larry Richardson of Sand Fork, former students of the GSC student body, are now attending class at the Institute for American Universities in Aix-en-Provence, France. They are attending classes in French, history, art, economics, political science, literature, and related subjects.

Also they will experience eternal fountains and springs, stoves, and monuments and private town mansions. Finally, the students will gain a knowledge of France and its people, but most important of all they gain an experience that will last a lifetime.

This is an arranged year of study abroad and these GSC French students, whose schedules were approved by Dr. Delmer K. Somerville, will return to Glenville State College next fall.

Library Replaces Old Kanawha Hall

by Ruth Swatzyna

The Robert F. Kidd library stands on the former site of Kanawha Hall, a dormitory building with an interesting history, that was used from 1916 until 1965.

Constructed in 1916, this dormitory had a capacity of 50 students. It had 27 rooms, plus a small kitchen, and living quarters for a housemother. The first floor was a dining hall, and the second and third floors were used for living quarters.

Opened in 1916, it was used by women students until 1926 when Verona Mapel Hall was built. Verona Mapel was originally built for men, but when demands for rooms for women became greater, Verona Mapel was given to the women and Kanawha Hall was occupied by men. Men lived there from 1926 until 1937, when Louis Bennett Hall was built. After that, it was once again a women's dormitory.

Verona Mapel and Kanawha Hall maintained separate dining facilities, with men eating in Kanawha Hall, from 1926 until 1949. In 1949, residents of all three halls began to eat in the dining hall of Kanawha Hall as a measure of economy.

The first floor cafeteria was later converted to offices for teachers. The dining hall was converted into three classrooms. These classrooms were unusual in that the only way to reach the center room was to walk through either of the outer two.

Kanawha Hall was razed in 1965 to make room for the new Robert F. Kidd library.

New Physics Instructor Receives His Doctorate

William W. Kuhlo, instructor of physics at GSC, recently received his Ph. D. from the University of Wisconsin. Dr. Kuhlo presently resides at 915 Mineral Road in Glenville with his wife Carol and his son, Thor. He is the son of Walter and the late Eleanor Kuhlo.

Previously, he received his B.S. degree from Carroll College and his M.S. degree from the University of Wisconsin. Dr. Kuhlo's specialty is atomic spectra and the title of his dissertation is "The Afterglow Behavior of the 4s, p, d Line of He by High-Resolution Interferometry."

Dr. Kuhlo has received many honors and awards. They include being a high school salutatorian, obtaining a full college scholarship, a teaching assistantship in graduate school, and various college academic awards.

Groups to which he has membership are the Episcopal Church, the American Institute of Physics, and the Optical Society of America.

Dr. Kuhlo's main outside interests are the environmental crisis and the population explosion. He has lectured to many college classes and interest groups on this topic and in his classes tries to emphasize the basics of the physical laws behind pollution and ecology. In his words "we're in a mess."
