Seven Candidates Vying For Coveted Title In Campus Press Roto Cover Girl Election

Last Friday, an all-campus election was held by the Mercury staff to choose GSC's representative in the Campus Cover Girl contest. This contest is sponsored by the Press Roto Magazine of the Pittsburgh Press.

Seven organizations sponsored candidates. Sharon Catalano, a freshman English major from Spencer was sponsored by Theta Xi fraternity. Delta Zeta's candidate was Brynda Dunlap, a sophomore ele-

mentary education major from Frametown.

Sharon Fischer, a native of Williamsstown, was sponsored by Lambda Chi fraternity. Miss Fischer is a senior elementary education major. Janet Posey, a junior business major, was Alpha Sigma Alpha's candidate.

She is a native of Burnsville. Tau Kappa Epsilon sponsored Deborah Stump, a sophomore pre-nursing major from Glenville.

Beverly Wood, a junior social studies major from Clendenin, was Sigma Sigma Sigma's representative. Theta Girls' representative was Deborah Woods, a sophomore early childhood major from Clendenin.

The winner of the Cover Girl Contest will be announced next week in the Mercury.

Sharon Fischer

Valentine Ball Set For This Saturday

The Annual Sweetheart Ball sponsored by Alpha Sigma Alpha sorority will be held this Saturday, Feb. 13 from 9-12 in the ballroom. The formal girl-ask-boy event will be to the theme of "Sweethearts in Paris." Decorations will include a sidewalk cafe scene and a large gold heart to reveal the Sweetheart Couple.

The Sweetheart Couple is being selected by all-campus voting in the Student Union this week. It takes \$4 to nominate a couple and 1¢ to vote. The polls will close at noon on Saturday. Announcement of the winners will be made at the dance.

Tickets may be purchased from any Alpha Sig for \$3.00 in advance or they may be obtained at the door for \$3.50.

Announcements

The 1971 Glenville State College Summer Session will open on June 14 and end on August 13 for a full nine weeks term according to an official announcement by Dr. Delmer K. Somerville, Dean of the College.

There will be an important meeting of all students to do student teaching first or second semester, 1971-1972. The meeting will be held on Monday, March 8, 1971 in the Administration Building Auditorium from 4:30-5:30 p.m.

Purposes of the meeting are to provide information concerning the student teaching program and to give students an opportunity to make choices for student teacher placement in public schools.

An art show is being held from Monday to Friday of this week from 12:00 to 3:00 and 5:00 to 6:30 in the Multi-purpose room. The contributing artists are senior art majors Robert Fetty, William Michael Shambelin, Anne Bordas and Fred Orr.

(continued on page four)

New Wing At Women's Hall Features Many Innovations

A new wing on Women's Hall is presently under construction. The addition will house 324 women and should be ready for occupancy by Aug. 23, 1971, when the 1971-72 academic year opens.

The new construction which is costing \$1,681,000.00 was financed by the sale of revenue bonds, according to Business Manager William Osborne.

Assistance in redemption of the revenue bonds and interest will be through room rent in the new wing and through an interest subsidy grant provided by the Dept. of Housing and Urban Development, according to Pres. D. Banks Wilburn.

Mrs. Jean Wright, Dean of Women, offered further information on the interior of the new wing.

Each of the six floors will have an outside corridor. From the outside corridor one will enter a smaller hallway with two 15' x 8' rooms on each side. There will be one bath shared by the occupants of this four-room suite-type arrangement.

Each room is designed to hold three occupants. There will be sliding-door closets on both sides of a built-in dresser. A mirror and a fluorescent light will be above the built-in dresser drawers.

Also in each room will be three desks with an attached cork board along the back. Above the cork board, book shelves are attached.

At one end of the wing, there will be a private lounge on each of the top five floors. These can be used for studying, meetings, or seminars.

At the opposite end of the wing, on each of the top five floors, there will be one furnished apartment. It will have a small sitting room, bedroom, bath, and a small built-in kitchen. These furnished apartments could be available for rent to single faculty women or single female students.

On the first floor of the new addition there will be a recreation room for use by all occupants and all dates. It will likely offer table tennis, shuffleboard, and card tables.

A suite of rooms (housing 12 women) for the handicapped will be located on the first floor. This suite will have added ramps and railings.

The house director's two-bedroom apartment will be found on the first floor. Also, there will be an office and a mail room for the wing.

Education Depart. Issues New Rule

In order to qualify for admission to a teacher education program, a student must be recommended by the student's major advisor, the chairman of the division (or designated persons) in which teaching fields are planned, the Dean of Men or the Dean of Women, and a staff member of the Division of Education and Psychology who has had the student in Education 201.

In addition, a "C" average or better in any six semester hours of English 101, 102, and 202 is required, or a satisfactory mark on the English Proficiency Examination. If a student does not have a "C" average in English 101, 102, and 202, he is required to take the English Proficiency Examination.

The student must also have a scholastic average of 2.0 or better on all work attempted, and have completed a minimum of 58 semester hours of course work.

Rosewood Rebellion Band To Perform Here Tonight

The Rosewood Rebellion, the eclectic new marimba group led by Jamz Dutton, takes its audience on a trip of throbbing sounds and swirling lights, going from pop to rock and then zipping to bossa nova and Bach.

The group plays thirty-nine different instruments, primarily in the percussion family, to produce its exuberant and evocative sounds.

The audience will also experience a dramatic light show which is provided by a FASOR which is a device that translates sounds into electric light signals. The tones and subtle overtones of the group's instruments become intricately-dancing hues of color on the ten-by-thirty-foot translucent screen behind the group.

The Rosewood Rebellion was

founded by Jamz Dutton in Chicago in 1969. It was an outgrowth of his former group, the Dutton Quartet, which has been put together to play shows in the Chicago area. Dutton, who is a chairman of the Percussion Department at the well-known American Conservatory of Music in Chicago, took three of his best students to form the Quartet. Later the group changed the Quartet's name to the Rosewood rebellion.

The group has played to scores of audiences across the country, and plans are presently being considered for a European tour.

The Rosewood Rebellion will appear in the college auditorium on Wednesday, Feb. 17, at 8:00 p.m. Their appearance is sponsored by the Lyceum committee.

Jamz Dutton and his Rosewood Rebellion will perform in the college auditorium next Wednesday evening beginning at 8 p.m.

THE ATTITUDE OF THE STUDENT

GSC Is Compared To Other Cultures

Upon wondering what makes Glenville "go" in comparison with the rest of the college world we did some research. Glenville, it has been thought for some time, presents itself as a domain surrounded by a shell, cut off from the rest of society, its problems uniquely its own. But is it unique? Do we not fit into a pattern emerging throughout the country—something we'll call a "new college culture."

The president of San Francisco State College, Dr. Samuel Hayakawa speaks of students and their controversial actions as a counter-culture. It is believed that students are now developing their own ways of looking at problems with a design on some sort of utopian ideal. Instead, they are seeing a problem-stricken situation and are desperately seeking solutions while they are in college in some abstract hopes of emerging into that world outside of the ivy walls having cured those ills without.

If this be the state of affairs in the minds of most college students today, the question remains—do Glenville State students fit into this mold? We think not. In the first place, this is primarily a teacher's college and studies have shown that those preparing to enter the educational system have a more realistic approach to problems and are also more apt to watch instead of participate and hold a sense of detachment from the situation.

Secondly, Glenville's rural location does not lend itself to receiving the mainstream of modern trends. It is left, basically, alone to formulate ideas of its own. And these ideas are, subsequently, conservatively practical.

Finally, the makeup of the student body at Glenville creates a more down-to-the-job attitude at GSC. The students are, on the whole, struggling with financial problems and are more interested in their state loan than in their desire for control of the institution. That is, we aren't Harvard rich kids who have nothing better to do than create disturbances.

So maybe Glenville isn't like everyone else. But then they say conformity is "out" and individualism is "in" so perhaps we're the one's who are ahead of our time.

Forestry Bldg. Begins Service

The new Forest Technology building goes into service this semester, and has already scheduled two night courses in addition to its daytime classes. Both courses are to be jointly sponsored by the State Vocational Agricultural Department, the Cooperative Extension Service, Department of Natural Resources, and Glenville State College.

The first of these is a course guide for log grading, its purpose to instruct wood crews, timber cutters and sawmill personnel in the fundamentals of log grading. Instruction will also include tree grades, and bucking and felling procedures. The grading procedure is to determine timber quality and the quantities of each. The course is 26 hours, seven sessions and class size will be 15-25. This class starts Feb. 23.

The second course is lumber grading, and has the same sponsors. It is a thirty hour class, two nights a week and begins on the 17th of March. This course will be open to 10-15 local sawmill owners and operators, and is intended for primarily them and their employees. Both courses are intended primarily for them and local area, and further information can be obtained from Dr. David Smith at the new Forestry Building.

Society Discusses Novels At Meeting

Continuing last month's discussion, the Literary Society will be concerned with more short novels Feb. 21 from 3-5 p.m. in the Old Louis Bennett Lounge. Those novels to be discussed are Henry James' *The Pupil*, Stephen Crane's *The Monster*, Joseph Conrad's *Typoon*, Herman Melville's *Benito Cereno*, and Edith Wharton's *Banner Sisters*.

Keith Boyles will point out James' turning away from naturalism as a part of realism. *The Monster*, Crane's work which explores psychological problems is perhaps the most macabre of his tales. However, Jayne Beer shall note that the import lies not in its horror, but in its forceful satire.

Michael Ireland will present his views on *Typoon*; this short novel is of a stolid, seamenly Captain MacWhirr who rides out a tempest and brings his crew and his cargo of Chinese passengers to safety. Mrs. Genevieve McDaniel will be concerned with *Benito Cereno*; a short novel which involves itself with the captain of the slave ship, who, in reality, is the prisoner of the slaves.

Finally, a presentation of *Banner Sisters* will be of concern to Susan Coleman. Edith Wharton's marked interest in psychological characterization, preoccupation with manners and morals, and adherence to artistic form will be of significance in this part of the literary discussion.

Concert Choir Students Have Finished Auditions

After auditions were complete the following students were chosen for concert choir this coming semester. Sopranos, Barbara Reed, Fran Spiker, Patricia Stanley, Peggy Jo McDonald, Jo Anne Reebel, Rosanna Corathers, Ella Will, Jenny Cronin, Lynn Snyder and Martha Moore. Altos, Karen Kibble, Linda Glass, Mary Murin, Paulette Poling, Cathy Rader, Susan Siers, and Jane Turner.

Tenors, Andre Brown, Tom Miller, Danny Taylor, Rick Waller, Jack Downs, Dennis Duvall, Gary Haddox, Ervin Hoyt, Wayne Matthews, John MacKinney, Robert Umstead, Hall Bowman, James Shamblyn, and Rick Pitts.

The new forestry building that goes into service this semester is pictured above.

Sigma Sigma Sigma

The Sigma Sigma Sigma work week is being held this week, Feb. 8 to 12. Anyone wanting work to be done is asked to contact a Sigma or call 462-7361, Extension 312.

Shirts and blouses will be ironed at 20 cents each for short sleeves, and 25 cents each for long sleeves. Pants will be ironed at 15 cents a pair, and skirts at 15 cents each. Dresses will be ironed at 30 cents each, and T-shirts at 10 cents each.

Mending and alterations will also be done. The charge will be 30 cents for a turn-up or pre-pinned garment, and 50 cents to measure, pin and hem. Buttons will be sewed for five cents each. For miscellaneous sewing, contact Judi Arnold.

Typing will be done if a two-day notice is given. Papers and reports will be done at 15 cents per page without footnotes, and 20 cents per page with footnotes. Stencils will be typed at 20 cents each.

Shoes will be polished at 15 cents a pair, and baby sitting and then miscellaneous jobs will be done.

Crew cleaning offered by the sorority consists of making beds, dusting, sweeping, and mopping. The charge is 50 cents per room occupant in Women's Hall and Verona Mapel, and a dollar per occupant in a house or apartment. Dishes will be washed for \$1 to \$2, and a notice of one day must be given.

Alpha Sig

Alpha Sigma Alpha initiated two new members, Feb. 3 in the Wesleyan Foundation. The girls are Ruth Ann Hopkins, a junior elementary education major from Sutton, and Frances Spiker, a sophomore English major Parkersburg. Miss Hopkins was elected recording secretary and Miss Spiker was elected assistant treasurer by the chapter.

The girls held a hot dog sale Tuesday, Feb. 9 in the lobbies of Women's Hall and Louis Bennett Hall starting at 9:00 p.m. They are also selling pop-up stationary at \$1.50 per box.

Theta Girls

The constitution of Theta Girls has been accepted by the Student Congress. The members of the auxiliary will be wearing blue and white ribbons this week as part of their pledging.

Mrs. Ralph Korney will serve as advisor to Theta Girls. She is a charter member of Theta Girls and is a patroness of Delta Zeta sorority. Theta Girls welcomed two new members. They are Cindy Ray and Linda Meek.

Donnie Puckett, president of Theta Xi, will speak at the next meeting. He will discuss the responsibility of being a Theta Girl and recommend some projects.

Officers for the semester have been nominated and will be elected this week. As soon as elections are held, there will be a membership drive. Any interested women should talk to either a member of Theta Girls or Theta Xi.

Theta Girls attended the Fairmont Game. The members will start attending intramurals.

This past Saturday, two girls were initiated into Tri Sigma. They were Beverly Moore and Karen Kibble.

A coke party will be held for all interested girls this Thursday from 5:30-7:30 p.m. in the Sigma lounge.

Delta Zeta

The Theta Xi chapter of Delta Zeta sorority has recognized April 1, 2, 3, and 4 as State Day at West Liberty State College. Many members of the chapter will be attending and have begun to plan various activities. The West Liberty chapter has planned many activities including an Inter-fraternity Council dance.

Getting ready for rush is another episode that is entering the atmosphere of the Delta Zeta meetings. Debbie Stump heads rush this year and has put together both the informal and formal parties.

Delta Zeta's are especially proud of four of their sisters who have made the Dean's list. They are Sherry Erwin, Kay Coberly, Carol Hicks, and Bobbie Ocheltree Nicholson. Sherry Erwin, Jenny Page, and Rebecca Law have been accepted into Kappa Delta Pi, national honorary society.

The sisters of Delta Zeta are happy to welcome back Sharon Burdette Fisher and Jeannie Rentschler. Jeannie Rentschler has been elected to serve as House Manager this semester.

Gamma Beta Phi Seeks Clothing For Students

The Gamma Beta Phi Society is conducting a campaign for winter clothing for some of the needy elementary students of Gilmer County. This will be the organization's service project for February.

Anyone interested in contributing clothing to the needy children are asked to bring the articles to the Mercury office by Friday, Feb. 20. Also at their last meeting, Trudy Talkington was elected vice president. She is a business comprehensive major and social studies minor from Smithburg.

Professional Semester Calendar Is Announced

The calendar for the professional semester for second semester, 1970-71, has been announced.

Feb. 16 is the date for the first Tuesday observation in the assigned school. March 9 is the second Tuesday observation date. The third Tuesday observation date is March 16.

On March 19, a pre-student teaching conference with the assigned college supervisor will be held from 9:00 to 11:00 a.m. in Clark Hall. March 22 is the first day of full-time student teaching. The final day of student teaching is May 25.

Student teachers will follow the school calendar of the public school in which they teach for Easter vacation period.

Huge Sports Show Begins Engagement

The fourth annual West Virginia Sports Show opens today, Feb. 10, for a five-day engagement through Sunday, Feb. 14, in the Charleston Civic Center Grand Arena. Last year, this huge sports show drew over 50,000 people in its five day run and featured \$750,000.00 worth of exhibits and displays in Boats, Travel Trailers and Sports Equipment for the entire family.

Once again, this show is being presented by the Lashinsky Brothers and will feature even bigger displays for families and individuals interested in recreation, fun and vacation. Also included in the Fourth Annual Sports Show will be a big free six-act stage show featuring six top names in the entertainment world and is included in the price of admission, free to the public.

Show hours will be Wednesday, Thursday and Friday from 6-10:30 p.m.; Saturday at 1-10:30 p.m.; and Sunday 1-9 p.m. Admission is \$1.50 for adults and \$.50 for children. Tickets will be available at the Civic Center daily through the show.

Glenville State College wrestling team.

GSC Mat Men Victorious In Bout With MH Eagles

The Pioneer Wrestling team under the direction of Coach Earl Adolfsen soundly defeated the Morris Harvey grapplers here at Glenville last Wednesday by the score of 36-7.

In the 118 pound class Glenville's Reggie Stewart was pinned by Morris

Harvey's Ross Amico. Stewart was making a good showing until a wrong move gave Amico a chance for the pin.

Glenville's Phil Sims, a 126 pound bruiser, soundly defeated Mike Bradley of the Golden Eagles. Sims won on points 8-0.

The 134 pound class also went to the Pioneers as Scott Pierson swept over Joe Cittadino 10-5.

The 142 pound class went to Glenville's Elbert Ball on a forfeit.

The 150 pound division proved to be very exciting as Glenville's Mark West won 8-6 on a come from behind victory. West, who is called "Flea" by his teammates, is a very colorful wrestler and never quits. Chalk up his victory to determination.

The 158 pound class saw Ed Suddath of the Pioneers take a victory over Morris Harvey's Al Feraldi by default. Feraldi was ahead on points over the dedicated Suddath but used an illegal move which injured Suddath. Suddath, therefore, was declared the winner.

Adair Wilson met with and tied Morris Harvey grappler Tim Douglas. It was Wilson's speed against Douglas' strength. For most of the match Wilson was the better of the two. However, near the end, he let himself get in a near pin position giving Douglas 3 valuable points. The end of the match saw the speedy Adair gallantly trying to get away from Douglas as the match ended in a draw.

The other three classes also went to Glenville. These were by forfeit. Corby Stalaker was the winner in the 177 class while John Peters prevailed in the 190 class. Marcus Rice was the unlimited class king.

The match was fairly well attended by Glenville students and Scotty Hamilton was the colorful ring side commentator.

Pioneers Are Victorious Over Tech Golden Bears

The Golden Bears of West Virginia Tech were the opponents in Glenville's final away game of the five game stretch and the Tech five

also gave away to the Big Blue Machine. The Pioneers were victorious 69-53.

The tenacious defense of the Glenville squad was most instrumental in their victory. For this game the Pioneers used their very effective trapping zone defense. They play this defense most well, but they utilize the man-to-man on an equal level. The Pioneers, prior to this game, led the WVAC in defense yielding only 62.5 points per game. The Tech game will help the average.

During the course of the game, the Pioneer zone gave the Tech quintet fits. Tech got even more shots than Glenville but they could not make them because the stingy Pioneers forced them to shoot from outside. The Lillyment hit on 49% from the field while Tech could manage only 38%.

The Pioneers started fast with Jim Garnett and Ron Jones doing most of the early scoring. The cold shooting Golden Bears could manage only 29 first half points while the Pioneers collected 40. The second half was again all Glenville as Tech could only score 24 points. Meanwhile the Pioneers were scoring 29 points as they worked for the good shot.

Jim Garnett had an outstanding night as he came through with 19 points. Eleven of these came on foul shots as Jim also hit on four field goals. All five of the Glenville starters scored in double figures. Tech coach, Pete Phillips, stated, "They have good balance." "They have a tendency to make the pressure shots, too." When asked if he thought Glenville could once again capture the conference tournament, Phillips replied, "Definitely, if they play like they did tonight." Garnett was followed in the scoring by Ron Jones who had 13 points coming on six fielders and one free throw. Earl Hawkins contributed 12 points, all on field goals, while Dale Tawney and Steve Datcher each had 11 points. Datcher Datcher had one free toss and five from the field, while Tawney had three from the charity strip and four from the field.

Wesley Foundation To Sponsor Series

The Wesley Foundation student group is engaged in a series of programs on the topic "An Honest Look at Christianity." The Christian religion will be viewed both as a way of life and in its institutional form. In addition, Christianity will be investigated from various perspectives. Speakers will comment and lead discussions on Christianity from the perspective of their own field.

This Sunday, Feb. 14, at 8:00 p.m., at the Wesley Foundation building, Miss Ann Page will present a view of Christianity from the perspective of a sociologist and conduct a discussion of her comments. Miss Page holds her Master's Degree in sociology from Marshall University and is an instructor in sociology at GSC. Members of the college community are invited to attend.

The Wesley Foundation would like to remind all college students that the ministers of the churches of Glenville are providing a personal counseling service. This service is available at the Wesley Foundation. Students may contact the secretary at 462-7849 for an appointment or merely come by the office.

The schedule is as follows: Baptist minister-Mon., 3-4 p.m.; Presbyterian minister-Tues., 3-4 p.m.; Nazarene minister-Wed., 3-4 p.m.; Roman Catholic priest-Wed., 6-8 p.m.; and Methodist minister-Thur., 3-4 p.m.

WGSC Changes Station Personnel

WGSC Radio announces a change in personnel. Richard Hill is now Station Director, David Grapes is Program Director and Gary Lewis is Technical Director.

There has also been a change in the hours. On Monday, Wednesday and Friday, the station will broadcast from 1 p.m. to 1 a.m. On Tuesday and Thursday, broadcasting will be from 3 p.m. to 1 a.m.

The Top 40 records will be played from 5 p.m. to 1 a.m. throughout the week and Country Western from 1 p.m. to 5 p.m. A top 30 countdown will take place every Monday from 9:30 to 11:30 p.m.

terial with a wooden look. Dean Wright said that the material is both attractive and durable. The desk tops will be a washable, white material.

Housing in the new wing will be on a first-come-first-serve basis. Women presently living in Women's Hall, if they reserved a space for next year during Nov. or Dec., will have first option in the new addition.

The H.B. Agsten, Jr. Corp. from Charleston, W.Va., are the contractors for the new wing. The architects are Greife and Hohlitzell, also of Charleston.

Recruiters Scheduled For Campus Interviews

The Placement Office has announced a reminder to all seniors that "recruiters" will be on campus for the purpose of interviewing interested persons.

The following recruiters for a school system or an organization will be on campus on the following dates: Wednesday, Feb. 10: Mentor Ohio; Morgan Co., W.Va., Preston Co., W.Va.; Soil Conservation; Thursday, Feb. 11: Soil Conservation and Kanawha Co., W.Va.; and Wednesday, Feb. 17: Chillicothe, Ohio.

Those interested seniors should contact the Placement Office for further information and to register for their interviews.

Discussion Of Student Fees Is Topic Of Feb. 4 Meeting

The Feb. 4, 1971 Student Congress meeting was attended by Dr. Dollgener, head of the Physical Education Department. Dr. Dollgener discussed an increase in student fees to meet the increased needs of the athletic department. Even with reductions in equipment, traveling and over-all programs, there is barely a balance. We now have six inter-collegiate programs, and we are considerably behind other competitors in our collegiate field of play.

In view of this Dr. Dollgener called for the Student Congress to place before the students the prospect of increasing student fees to cover the added costs. He suggested perhaps this could be done in the form of a vote. Dr. Dollgener also asked if one of next year's home games could be switched to another field, such as Salem to St. Marys in order to draw a bigger crowd and thus to make more money.

Main reasons for this are, we make very little in alumni (lack of fees themselves), gate money isn't much because of limited seating here, and our student fees are ten or more dollars behind the other schools with which GSC competes. A motion was made to present the move of the home game to the students. Student fee increase discussion was tabled and referred to a committee for further action.

Acceptance was granted Newman's Club, Theta Girls, Radio, and Historical Society constitutions, and discussion of future submitting of all club constitutions was covered. A vote was taken to replace members of the Loan and Scholarship committee.

Gary Lewis presented the financial needs of the Radio Club. Additional funds are needed before the radio station can broadcast the rest of the home games and tournament. Discussion of the future Student Con-

gress Dance to be held one of the first two weekends in March was held. Food will be served and a band will be furnished.

Rotary Club Gives Award

An opportunity for study abroad for the academic year 1972-73 is available from the Rotary Foundation of Rotary International to outstanding young men and women who are interested in world affairs and who can fulfill a dual role of student and "ambassador of goodwill." Rotary Foundation Graduate Fellowships, Undergraduate Scholarships and Technical Training awards offer qualified students and technicians an opportunity to contribute to better understanding between the peoples of their home and host countries while pursuing their own career interest.

An award covers roundtrip transportation, educational, living and miscellaneous related expenses for one academic year, plus in certain cases, a period of intensive language training in the study country prior to the commencement of the regular academic year. Awards are made for the study in any field and are tenable in nearly 150 countries in which there are Rotary Clubs.

A candidate for a Rotary Foundation education award must: 1. not be a Rotarian or a relative or dependent of a Rotarian; 2. be both an outstanding student or technician and a potential "ambassador of goodwill" of high quality; 3. demonstrate personal qualities of leadership, initiative, enthusiasm, adaptability, maturity, and seriousness of purpose; and 4. meet the following specific requirements for each award.

For graduate fellowships one must have a Bachelor's degree or equivalent, be 20-28 years old as of July, 1972, and be single. For undergraduate scholarships one must have a minimum of two years university work or equivalent, be from 18-24 years old, and be single. For technical training one must have a high school diploma or the equivalent with two years experience in a technical field, be 21-35 years old, and can be single or married.

Application must be made through a Rotary Club, not later than March 15, 1971 for a 1972-73 award. Winners will be announced in Sept., 1971.
