## Deborah Stump Is Elected As GSC Roto Cover Girl

The winner of the Glenville State College all-campus election for Campus Cover Girl is Miss Deborah Dean Stump. Miss Stump was sponsored by Tau Kappa Epsilon fraternity.

Miss Stump's picture will appear in *Roto Magazine* on Mar. 7, and judges will meet the following week to select the five finalists.

The young women selected as

finalists will be guests of *The Pittsburgh Press* at a dinner and show on Friday evening Mar. 19, and at a luncheon on Saturday.

Miss Stump, a sophomore nursing major from Glenville, was TKE "Sweetheart" for 1970. She is also a member of Delta Zeta sorority and Order of Diana.

## Ad Hoc Committee Formed To Study Attendance Policy

With the approval of the College Council, President D. Banks Wilburn has asked twelve members of the college community to become members of an ad hoc committee which will be concerned with making a study of the policies concerning class attendance. The purpose of this committee will be the making of recommendations for any changes in policies to the President. Dr. Wilburn will then, in turn, report to the Council.

Dr. Wilburn has asked Dr. Delmer K. Somerville, Dean of the College, to act as the person who will convene the first meeting of the committee.

## Centennial Year To Open With Burial Of Capsule

Glenville State College's Centennial Year will officially be opened on Sept. 15, 1971 by Pres. D. Banks Wilburn.

The proposed itinerary for the opening day includes a luncheon followed by a formal program with a guest speaker in the afternoon. Several distinguished persons will be invited to participate in the opening-day festivities.

The program will close with the burial of a time capsule which will contain representative articles of GSC's 100 years of service.

Tomorrow, Feb. 18 at 9:30, is the date of the organizational meeting of the committee. At this time, a chairman and a secretary will be elected.

After the organizational meeting, the committee will meet with any students, faculty, or other persons interested in submitting suggestions to the committee. Suggestions may also be submitted in written form. Open meetings of the committee will be announced in the Faculty Bulletin and the *Mercury*.

The committee is composed of four administrators, two faculty members and six students. The administrators on the committee are Dr. Delmer K. Somerville, Dean of the College; Mr. Beryl Langford, Registrar; Mr. Carl Pennington, Dean of Men; and Mrs. Jean S. Wright, Dean of Women.

Students included as members of the committee are Eugene Bell, a sophomore business administration major from Hurricane; Stephen Brown, a sophomore elementary major from Summersville; Robert M. Harris, a junior social studies comprehensive major from Sutton; Linda Morrell, a junior English major from St. Marys; Rebecca Riffe, a sophomore elementary education major from Crab Orchard; and Christine Spears, a junior social studies comprehensive major from Walker.

## Marimba Band To Appear On GSC Campus Tonight At 8

The sound is exotic, wild and free. These are the sounds you will be hearing from the Rosewood Rebellion tonight at 8 p.m. in the college auditorium.

An appearance by the Rosewood Rebellion is a zip trip from pop to rock, and from bossa nova to Bach. The audience experiences a swirling splurge of overactive sounds, exploding vibrations, and weird, sometimes eerie flashes of colored lights that strike here in a bolt with an incandescent glow. The scene is exuberant and the mood is optimistic and bold.

The unique light show is provided by the FASOR (Frequency Activated Sonic Optical Realiser) which is a device that translates sounds into electric light signals. The tones and subtle overtones of the group's instruments become intricately-dancing hues of color on the 10 x 30 foot translucent screen behind the group. The FASOR was designed and built for the Rosewood Rebellion by an engineer, a painter, and a sculptor.

Jamz Dutton founded the Rosewood Rebellion in Chicago in 1969. It was an outgrowth of his former group, the Dutton Quartet, which

had been put together to play shows in the Chicago area. Dutton, who is also chairman of the Percussion Department at the well-known American Conservatory of Music in Chicago, took three of his best students to form the Quartet.

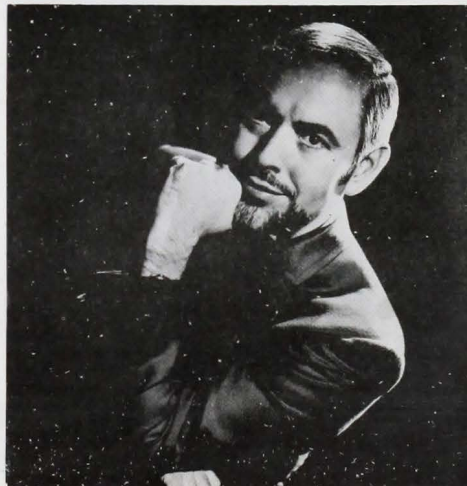

The Dutton Quartet zapped the critics on its first tour. The second year, Roger Williams heard them play and signed them to appear with him in another series. This provided valuable exposure for Dutton, and he quickly became a well-known figure in cities across the country.

Later Dutton reformulated his group and assembled four talented musicians. He also expanded his repertoire of instruments and arrangements and changed the name of the group to the Rosewood Rebellion.

During the 1969-70 tour season, the Rosewood Rebellion appeared on many stages across the country.

Tentative plans are presently being formulated for a trip through several of Europe's most swinging cities.

The *Mercury* would like to apologize for the headline in last week's paper which misled readers in thinking that the Rebellion was to appear last Wednesday night.

There will be a wrestling match against Fairmont here Saturday, Feb. 20, in the gym.

## We Can Be No. 1 If Spirit Is Caught

A week from today the 1971 WVIAC tournaments will begin. Glenville State will enter the Civic Center as defending tournament champs and number 3 in the conference.

I doubt if there are many of us who are unaware of these facts. We also know that the number one position in the conference is held by a very good team—Fairmont.

Last year, as most of us can well remember, the fans behind our 1970 Pioneers were full of more enthusiasm and deeply founded desire than this college generation has seen. We were devoutly dedicated to our school and our team.

But what will the tournament be like this year? Will the '71 Pioneers have the same staunch support that the '70 Pioneers enjoyed?

This is not meant to be a pep talk. That's not our purpose here. We simply want to start something—something called spirit. Spirit's like a smile; it's catching. We want it to catch on here in a big way.

We went to last year's tournaments knowing we weren't the favored team but we got behind our team and they were number 1. The situation this year is the same and the result can be the same.

## Women Challenge Parental Vote On Regulating Dormitory Hours

Dear Editor,

As residents of Women's Hall we would like to say that we feel being told at an all-dorm meeting that our vote on hours was to be a "joint vote" with our parents was not entirely truthful. Our parents were told to "vote only after consulting with your daughter or daughters." These two terms have entirely different connotations and some parents, we feel sure, voted without consulting their daughters as much as the daughters were told they should be consulting.

We do not feel it's necessary for hours on this campus. We do think, however, that we are mature and responsible enough to know when we should study or rest. If not, then we are the ones that will suffer scholastically. Our so-called "quiet hours" are also unnecessary for basically the same reasons. As young adults we are also considerate of other girl students and their rights to study and rest. If a great deal of noise is being made so that other students complain, then it should be called to the monitor's attention. No one, we are sure, deliberately works at being noisy.

A college education is our own responsibility. The instructors have made that quite clear during our first week of classes this semester. We are the college; without us there would be no students to set restrictions on; to say nothing of the money we pay. We should be able to have a free hand in making decisions for ourselves. We should have only to consult our parents and seek their advice, not the administration, which does not know each individual need of the residents at Women's Hall.

If the college does not trust our judgement as responsible young adults and young Americans, then the administration is saying in a sense, that they do not trust our upbringing and this in turn is an insult to our parents' own sense of values and moral standards.

Respectfully,  
Linda L. Kaplan Ellen Groves  
Barbara Emerick Nancy Duffield

## Delta Zeta

The Theta Xi chapter of Delta Zeta sorority installed its new officers Thursday evening. Jenny Page, president, announced the chairman of standing committees. They are: social Brynda Dunlap; activities, Mary Cunningham; standards, Marsha Monroe; press, Sandi Suran; historian, Jackie Cummings; and songleader, Rosie Corathers. Greek Council delegates this semester will be Carol Hicks and Mary Hickman and guards will be Rosie Corathers and Carol Hicks.

Mary Cunningham is now planning Delta Zeta Week, which will occur before the student teachers leave to do their directed teaching. The major event of the week will be the announcement of senior of the year. The award will be presented during a ceremony honoring graduating seniors.

This past weekend, Mrs. Gay, College Chapter Director, stayed at the sorority house during the weekend. Mrs. Gay met with the new officers and discussed their responsibilities. Mrs. Gay also met with the girls and discussed rush.

## Alpha Sig

Because of adverse weather conditions and an accident of one of the band members the Sweetheart Ball had to be postponed. The dance will be held March 20 and will be to a St. Patrick's Day theme. It will be a formal event to be held in the Ballroom from 9-12 p.m.

Tickets previously sold for Sweetheart Ball will be honored at this dance or refunds may be obtained through any Alpha Sigma.

This Sunday, Feb. 21, the Gamma Kappa chapter will be conducting a door-to-door campaign for Heart Fund Sunday. The girls will begin collecting at 1 p.m. and continue until the town has been canvassed.

Alpha Sig has been busy preparing for formal rush which begins next Tuesday. Skits have been prepared and favors ordered.

The new associate members of Lambda Chi Alpha are: Row 1. David Bunton, Terry Holley, and Robert Wilson. Row 2. Chuck Hatfield, Robert Chairenzelli, and Mark Wallbrown. Not pictured are Larry Derenberger and James Thomas.

## GSC Defeats Salem Score Is 91-71

Before a cheering home crowd of 2,000, the Pioneers came back from their loss to Fairmont and clipped the Salem Tigers 91-71.

The Pioneers got the ball rolling early in the game with Dale Tawney leading the way. Earl Hawkins was injured early in the contest and left the game with only two points. He did not see any action during the rest of the game. Coach Lilly substituted frequently throughout the game as all the cagers saw action. The first half ended with Glenville on top 42-29.

The second half was again all Glenville as the reserves supplied some scoring power. Tawney led the Pioneers with 20 points, with limited action, while Datcher clipped the cords for 16. The balanced attack rounds out with Ken Ledbetter getting 12 points, Ron Jones getting 11, and Jim Garnett getting 10 points. Ralph Cook led the reserves with 8 points, all in long jumpers. Jim Spicer got six points, also coming on long jump shots. Roger Hess added five while Barnes and Hawkins had two each.

## NTE Test Date Set For Educ. Students

Candidates for an A.B. degree in Teacher Education who are currently enrolled in the professional semester must register for the National Teacher Examinations on Thursday, Feb. 25 at 3 p.m. in Clark Hall. These tests will be administered Saturday, April 3.

Majors in elementary education must take the Common Examinations and 01-Education in the Elementary School. Majors in Early Childhood must take the Common Examinations and 02-Early Childhood Education. Majors in secondary education must take the Common Examinations and the Teaching Area Examination in one teaching field.

The student must bear the cost of the examination which is \$15 for the Common Examination and the Teaching Area Examination in one teaching field.

## Placement Office Gives FSEE Exams Schedule

The Placement Office has announced that students wishing to take the FSEE (Federal Service Entrance Exam) test should express their mutual interests on their choice of dates they prefer.

The dates available for the FSEE to be given on campus are March 20, April 17 and May 15.

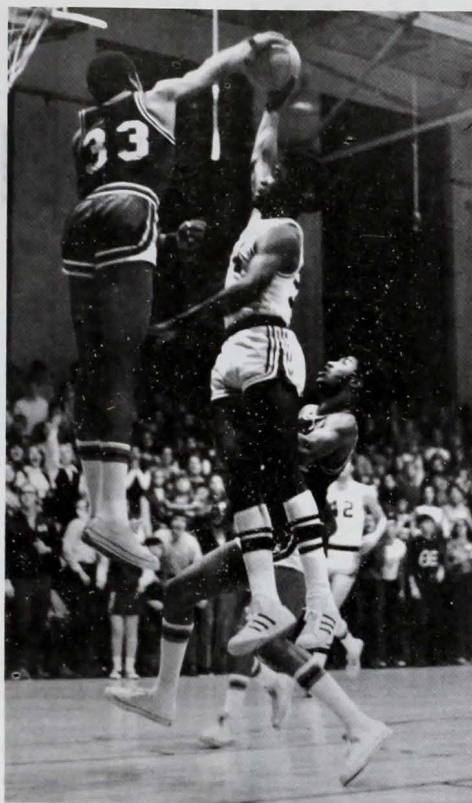

The date chosen will be submitted by the Placement Office to the Civil Service Office in Charleston.

The FSEE test, if and when given, will be on a walk-in basis at the Placement Office. Any students having questions in regard to this test should contact the Placement Office.

## Kappa Delta Pi Initiates Three New Candidates

Three members were initiated into the Kappa Omicron Chapter of Kappa Delta Pi last Wednesday, Feb. 10. The new initiates are Catherine Downs Haskins, a senior home economics major from Salem; Susan Morrison, a junior home economics major from Grantsville; Eileen Yoak, a home economics major from Gassaway.

A slate of nominations of officers was prepared at the meeting. Officers will be elected at the next meeting.

It was 'up, up and away' from Glenville at the Fairmont game.

## Down On The Corner

by Mike Smith

There goes my Everything...

This seemed to be the case on campus after our loss to Fairmont, but our fine team and student body proved this theory wrong. After getting up for a game as Big as the one against Fairmont, a team will usually suffer a letdown in their next game. Student body interest also usually declines. This was the not case Thursday when the Pioneers played host to Salem. A crowd of approximately 2,000 was on hand to see the G-men dish out a 20-point shellacking to Salem's Tigers. This is very encouraging to the coaches and players. Let's keep that support going until the season closes.

Tournament Time...

I'll be there on Wednesday Feb. 24, 1971, when the annual WVIAC basketball tournament begins. The place will be the Charleston Civic Center and the destination will be another tournament championship for the Pioneers. Glenville is one of the three schools to hold back-to-back victories in the tourney. W.Va. Wesleyan and Morris Harvey are the other schools to have performed this feat. Last year some 31,804 spectators were on hand to view the four day event. By the last two rounds on Friday and Saturday, tickets will be hard to obtain, so you'd better get tickets early.

Sports News...

Marshall University has finally selected an Athletic Director. Joe McMullen is the new man. McMullen was a college coach in football for 20 years, his latest assignment being at San Jose State. He also served as an assistant coach to Rip Engle and Joe Paterno at Penn State. McMullen's first job is hiring a football coach, and he promises to do that in the next few days. McMullen was chairman of registration of the American Coaches Association, so he is well known. We would like to wish him good luck in his job at Marshall.

## No. 1 NAIA Team Defeats Pioneers By 17 Points

In a game played before a capacity crowd of over 3,000, the visiting Fairmont Falcons, the NAIA's number-one-ranked team, defeated the Pioneers 82-65. The game was well played and was much closer than the 17-point spread indicates. Not until the final four minutes of the contest did Fairmont pull away from the aroused Pioneers.

The game pitted the number one and number three ranked teams in the WVC and was undoubtedly one of the highlights in WVC action this season. The Glenville Gym filled rapidly and at about 6:15 nearly all seats were taken. Many others, however, poured in and sat on the floor at either end of the gym. For a crowd of this size, they were very well controlled. The game was preceded by the Gilmer County-Braxton County High School basketball game which Gilmer County won.

The contest started very quickly with Fairmont pulling out of it a quick lead. The Pioneers came battling back through and the game was very close throughout the early going. Dave Cooper, Fairmont's All-American candidate was bottled up pretty effectively by the Pioneers defense during the first half. Fairmont left the floor at halftime with a seven point advantage 36-29. As the second half opened up, the Pioneers put on a great rush and caught the flying Falcons. Junior Dale Tawney playing the best game in his career, helped put the Pioneers out in front 41-39, with 14:54 remaining in the contest. Then the Blues started getting hit hard by fouls as Datcher, Hawkins, and Spicer were thumbed to the side. Fairmont's Leonard Battle made free throw after free throw to give the Falcons an advantage. The Pioneers were down by seven with about 5 minutes remaining to be played. The rest was all formality with Glenville continually fouling the Falcons. The game ended with Fairmont merrily rolling on.

Dale Tawney led all scorers with 29 points. Earl Hawkins added 13 for Glenville while Jones had seven points. Steve Datcher had five points while Spicer and Barnes had four points a piece. Jim Garnett had a cold scoring night and had only 2 points.

Leonard Battle led Fairmont with 19 points. Ed Lemon came through with 19 points while Dave Cooper and Butch Haswell followed closely with 15 and 14 points, respectively. Dave Gardner rounded out the balanced scoring with 10 points.

The Pioneers now stand at 14-4 in the conference.

## Glenville Matmen Defeated By A-B

The A-B wrestling team met and defeated the Glenville Grapplers 32-10. The match was held Saturday afternoon here at the Glenville gym.

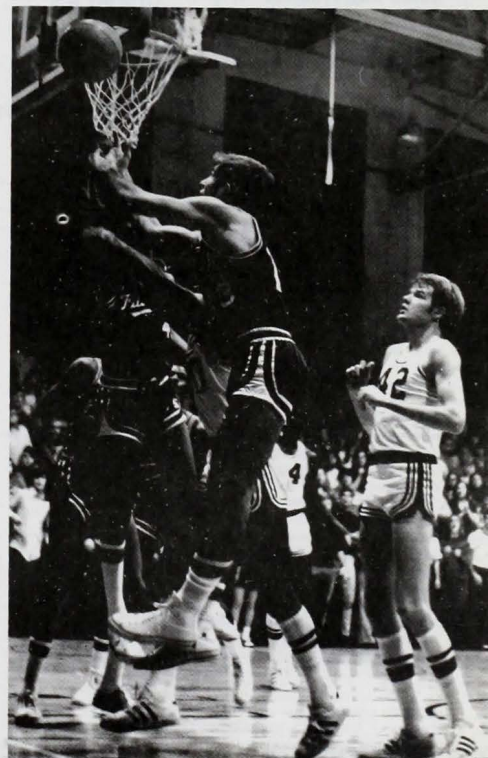

In the 118-pound class Lee Hughart of A-B defeated Glenville's Reggie Stewart. Hughart was well ahead on points before he pinned Stewart.

Glenville got all their points in the 126 and 134 pound division when Phil Sams and Scott Pierson were declared the winners by forfeit.

In an exciting 142-pound match Elbert Ball of the Pioneers was defeated by Charles Klanian 5-4. Mike Geisendaffer defeated Glenville's Mark West 12-3 in the 150-pound division.

The 158 class saw Ed Suddath fall to Dave Thorn on a pin. Suddath was behind 4-2 when he fell prey to the pin. Corby Stalnaker was the victim in the 167-pound class when A-B's Frank Viscomi decisively him 5-0. Another Viscomi, Jim this time, defeated GSC's John Peters 9-1 in the 177 class.

Bruce Hadick of A-B won by forfeit as Glenville had no one competing in the 190 division. Marcus Rice, Pioneer strongboy was pinned by Bob Kluge to wrap up the match.

Fairmont's Cooper juggles the ball as Pioneers go down to defeat.
