Childhood Ed. Open For Program Change

The Early Childhood Education Program at Glenville State College will be revised to meet new standards and to make it more relevant to present needs according to Dr. Delmer K. Somerville, Dean of the College. The West Virginia Board of Education has recently approved a revision of the current state standards for Early Childhood Education. Dean Somerville served as chairman of the state-wide committee which developed the revised program. He has requested the faculty of the Division of Education and Psychology to study the current program and to recommend changes to the Committee on Teacher Education.

The new program will train teachers for Early Childhood in grades N-K-3 rather than for grades N-K-6, as provided by the current program.

Dean Somerville stated that "the 60th session of the West Virginia Legislature mandated a state-wide early childhood education program to go into full effect by the 1972-73 school year. This means that the demand for teachers who are certified in this area will be in great demand. The revision of our present program will mean that we will have an up-dated program to meet the demand for better trained early childhood teachers. Glenville State College had the first such program in West Virginia and we intend to maintain our leadership in this area."

Staff Applications Now Being Taken

Applications for staff positions on *The Glenville Mercury* are now being accepted by Mrs. Yvonne King, *Mercury* advisor, in her office. The applications should be submitted by Friday, May 14.

Positions which hold full student workshops of \$1.60 for 60 hours per month are: Editor, assistant editor, news editor, sports editor, photographer, IBM operator, typists (two positions) and news bureau director.

Half-workshops, good for 30 hours per month include the positions of circulation manager and advertising manager.

Written applications should include a resume of journalistic experience and a motive for employment.

English Profs. Attend Jackson's Mill Meet

Last weekend, several members of the English faculty attended a meeting of the West Virginia Council of English Teachers at Jackson's Mill.

Dr. William Simmons, professor of English at GSC, is president of the state organization and Miss Virginia West, instructor of English at GSC, serves as secretary.

The following topics were included in the program: "The Construction of a Model of the Globe Theatre," "Jesse Stuart: Elegist of a Lost World," "O'Neill's Yank: The Noble Ape," "Sources of Unity in Pope's Epistle to Dr. Arbuthnot," and "Shakespeare's Conception of Julius Caesar."

Those attending from Glenville State were Dr. William Simmons, Miss Virginia West, Dr. Espy Miller, Mrs. Goldine Hickman, Miss Jane Virgillito, Mrs. Genevieve McDaniels, Mr. Frank Weightman, and Mrs. Diane Trimmer.

Summer, Fall Registration Advance Dates Selected

Advance registration for summer school will be held in the ballroom of the Pioneer Center on Friday, May 14, from 8 a.m. to 12 noon and from 1-4 p.m.

Only students who are presently enrolled and wish to complete advance registration and pay all fees at the time they register may register on May 14. If a student does not wish to both register in advance for the summer term and pay his fees on May 14, he must register at the regular registration, June 14.

Each student must meet with his advisor prior to May 14. He will select courses in which he wishes

Vaughn J. Michael Is Series Speaker

Mr. Vaughn J. Michael is presently conducting a series of sessions at the Wesley Foundation on "Coping with Life." These sessions include such areas as lack of certainties in which to believe, psychological effects of pre-marital sex, and other similar topics.

These series are being conducted on May 1, and 8, at the Wesley Foundation at 8 p.m. on Sunday evenings.

All members of the Glenville community as well as the college community are invited to attend.

Nominations Made For W. Hall Offices

At a meeting held Tuesday, April 20, in the auditorium, representatives from Women's Hall were elected for the 1971-72 school year to the Inter-Residence Council and Student Congress.

Accepted by acclamation at the meeting as Student Congress representatives were Marianne DeRico, Darling Dye, and Mary Margaret White. Accepted by acclamation as representatives to the Inter-Residence Council were Jean Huddleston, Cathy Salaman, and Barbara Southers.

The following people have been nominated for Women's Hall officers for the next school year. Running for president will be Donna Newberry and Debbie Stalnaker. Vice-presidential candidates are Melody Bingham, Sheila Dawn Lamb and Mary Margaret White. Candidates for recording secretary are Marianne DeRico, Carolyn Hazen, and Jackie Morton, and candidates for corresponding secretary are Patricia McGowan, Paulette Poling, Roberta Williams, and Mona Wilson. Candidates for treasurer include Sharon Anderson, Germaine Cox, Marcia Huffman, and Kay Woody.

Attention juniors: The election of senior class representative to Student Congress will be held today at 4:00 in the Amphitheater. All juniors should attend.

Clothing Drive Underway By Residents Of V. M.

Verona Mapel Hall is currently conducting a clothing drive. The clothing will go to underprivileged families in Randolph County. The dorm is also planning a bake sale. The proceeds for this bake sale will be used for a last party for the girls, who are spending their last semester in Verona Mapel. Open house at Verona Mapel has been quite successful for a dorm of its size, and the girls would like to thank all those who helped to make this possible.

Advance registration for the fall semester will be held on May 17, 18, and 19. Students are expected to meet with their advisors during the week of May 10-14 to prepare trial schedule cards. More detailed information will be released in next week's *Mercury*.

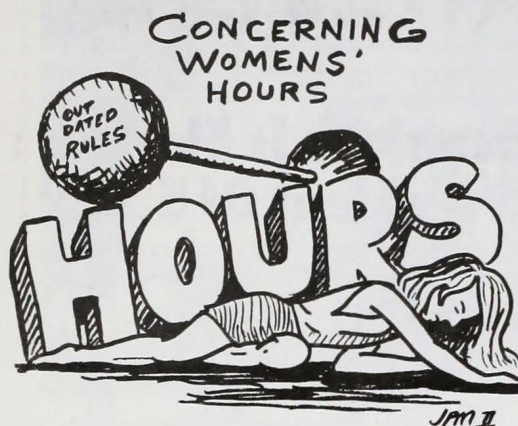

Dotson Cast For All-State

Mrs. Judy Curtis, Assistant Professor of Speech, has announced that Glenville State College won honors in two of the four areas of competition in which it entered in the W. Va. State Speech Festival held at Jackson's Mill April 22-24.

Mr. Robert Dotson, a senior Language Arts major from Parkersburg, was named to the All-State Drama Cast for his performance as Ivan in Anton Chekhov's, *A Marriage Proposal*. His supporting actors were Marlyn Nichols as Natalia and Benton Linn as Stephan.

Miss Julia Murin, from Glenville, placed third in the poetry competition with her reading of five anti-war poems by Carl Sandburg. Miss Murin is a senior English and speech major.

Campus Movement Seeks New Hours

There is a relatively unknown movement afoot at Glenville State College but one that has been widely publicized on a national scale. The movement is known as Women's Lib.

Just how many members make up the local "pre-chapter" is not known but meetings have been reported to be in the vicinity of Women's Hall.

The major premise for the organization is said by one admitted participant to be the old misery of women's hours. According to this source several lib members have travelled to the West Virginia campus to investigate the procedures followed there. As you recall, WVU women won a court case declaring the insertion of restrictive hours on women alone as discriminating on the grounds of sex.

Some of the braver GSC liberators also took it upon themselves to declare 10 p.m. too early to come in by remaining outside the dorm until 10:23 p.m.

Whether this endeavor will work remains to be seen. It should be interesting to see student as well as administration reaction.

SC Representatives Are Selected Without Casting A Single Vote!

Dear Editor:

Last Tuesday night I saw a striking example of the democratic process in action. I saw three girls elected to Student Congress, and three to Inter-residence Council without a single vote being cast. At a meeting for all women dorm residents in the auditorium, nominations were made from the floor for dormitory officers, IRC and Student Congress representatives. Not one motion to close nominations was brought to a vote. In the case of IRC and Student Congress, six nominations were made to fill six offices, and a motion was made to accept these candidates by acclamation. This motion was made, seconded—and ruled passed without a vote!

In the light of the events which had just taken place, Dean Wright's entreaty at the end of the meeting to exercise our right to vote in the election Tuesday seemed at bit facetious.

Gamma Beta Phi Elects Andre Brown As Pres.

At its last meeting, the Gamma Beta Society elected officers for the 1971-72 academic year.

Andre Brown, a social studies major from Parkersburg, was elected as president of the society.

Linda Morrell, an English major from St. Marys, will serve as vice-president.

Deborah Belt, a freshman English major from Elizabeth, will serve as secretary.

Ann Starcher, a history major from Glenville, has been elected as treasurer of the society.

The Gamma Beta Phi society held Easter egg hunts for the grade schools in Gilmer County Wednesday, April 7. The society visited Normantown, Troy, and Sand Fork with the grades 1-4 participating at each school.

The group gave two prizes at each school: a chocolate Easter bunny and an Easter basket. Those children winning prizes were Michael Adams from Coss Mills, Brad McPherson from Glenville, Ruby Thompson from Stouts Mills, Edward McCullough from Sliding, Debra Cutright from Glenville, Freddie Suttle from Stumptown, and Stanley Cottrill from Rosedale.

Jerry Morris Exhibits

Art Work At Penn State

Mr. Jerry W. Morris, of Glenville is exhibiting his work in a print display at the Pennsylvania State University. Mr. Morris is a graduate student majoring in art education.

He is the son of Dr. and Mrs. W.W. Morris, 905 Mineral Road, Glenville.

Some 55 prints are included in the exhibition, which represents work done by Mr. Morris and other graduate students enrolled last term in a department of art education course in graphics and illustration.

Mr. Morris taught three years at Glenville State College before going to Penn State for work toward the doctorate degree.

In The Groove

by Dave Grapes

Album of the week

"Joy to the World," will be Three Dog Night's biggest selling single to date. However, the album from which it was taken is relatively unknown.

The album entitled "Naturally" is a really good album. There are many good cuts besides "Joy to the World," among these are "Sunlight," "Heavy Church" and "Liar." I would suggest that any true Three Dog Night fan pick this album up as soon as possible, because it is getting pushed into the background because of the release of the group's greatest hits album.

Record News

All four Beatles currently have solo singles out. Each one is very good, and different from the others.

"The Guess Who" have released a greatest hits album.

"The James Gang Thirds" album is out. Watch for "Walk Away" to be released as a single.

Places to go

Better hurry and get tickets for the Three Dog Night concert in Charleston. It is sure to be a sell out.

Tell your mothers that Mr. (Swivel-hips) Tom Jones will be in Charleston in July—after they recover, tell them the cheapest ticket will be \$8.

Elderberry Jerc, a group from Morgantown who has landed a record contract and currently has an album out, will be in Parkersburg within the next few weeks at the Hutch. Go see this group. They really have it together PAX

Deborah Woods
Theta Xi Sweater Girl

Rebecca Law
Theta Xi Sweetheart

Theta Xi

Recently, Theta Xi fraternity initiated six new actives who had been pledging for ten weeks. They are as follows: Jim Dean, a freshman business major from Charleston; David Ripley, a sophomore physical education major from Rainelle; Reggie Stewart, a freshman physical education major from Blue Creek; Kim Wilson, a sophomore physical education major from Parkersburg; Randy Elswick, a junior social studies major from Clendenin; and Jim Weaver, a sophomore biology major from Grantsville.

Garry Jarrett and Bobby Britton will be in charge of Theta Xi's participation in 'Mother's Day Sing' this year. Definite plans have not been made as to the songs to be sung.

Plans for Theta Xi Closed Ball-1971 are coming along very good.

Alpha Sig

Gamma Kappa chapter of Alpha Sigma Alpha has been busy preparing for Mother's Day Sing which will be held Sunday, May 8 starting at 1 p.m. in the amphitheatre. Singing competition will be divided into two groups, one for men and one for women. There will be a trophy for each category. The women are also making new white dresses with red accessories for the Sing.

The pledges gave a party for the actives Thursday, April 22 from 4-6 p.m. in the Wesley Foundation Center. Hotdogs and potato chips were served and games were played. The class has also been working on money-making projects such as hotdog and sandwich sales and a donation game for twelve dollars as a prize was completed Friday.

Alpha Sig's are also making plans to decorate their sorority lounge. A committee of three pledges and two actives is presently considering ideas for color schemes and possible furniture styles. The project is expected to be completed by next fall.

Delta Zeta

The sisters of Delta Zeta will hold a spaghetti dinner at the chapter house tonight and Thursday night. The setting will be Italian and the meal will be served by candlelight. Tickets for the dinner will be sold today and will cost \$1.50 for adults and \$1.00 for children.

Monday will begin the tuition raffle. The sisters will be selling chances at \$1.00 for one semester's in-state tuition. Tickets may be purchased from actives and pledges of Delta Zeta. DZ's are ineligible for the tuition prize.

Betsy Wingfield received special recognition at the state convention. She was given her first "Oscar" for her outstanding work in the drama department. She has appeared in many plays at GSC including "The Importance of Being Ernest" and "She Stoops to Conquer."

TKE

On Monday, April 19, the fraters of Tau Kappa Epsilon met in Old Louis Bennett Lounge. Final plans for the annual Court Ball have been completed and were released to the fraters. This year, Court Ball is going to be open to only the fraters, and it will be held out of town on May 8. The reason for closing Court Ball is the inability of the chapter to hold closed activities due to the limitations of school policy. On Friday May 7, a banquet will be held for the chapter and the Order of Diana. At this banquet, awards will be presented for: TKE of the year (this is for seniors only), scholarship trophy, O.D. of the year, best committee and TKF Sweetheart.

The fraters have started practicing for the Annual Mother's Day Sing. The chapter is under the direction of J.B. Nutter, a junior music major from Ravenswood. The chapter has hopes of improving their second and third place finishes of the last two years.

Prytanis Rick Miller announced that officer nominations were to be made this week and elections were to be held the following week. The TKE softball tournament is due to start Tuesday, April 27, barring any unforeseen difficulties. Games will be played every Tuesday and Thursday thereafter, at 6:00 and 7:00, until the championship game and it will start at 6:30. People with teams in the tournament watch the schedules to see when you play and for the rules.

Lambda Chi

A hayride will be this weekend's activity for the Lambda Chi's and their dates. This event is under the direction of Dale Cox, High Epsilon. This Saturday the fraternity will sponsor a movie, "Dr. Syn," for grammar school and junior high students in Gilmer County. This will occur in the Conrad Ballroom.

David Wynne, High Beta, has been chosen to represent Beta Beta Beta in the National Leadership Seminar at Ball State University, Muncie, Indiana. Accompanying him will be Wade H. Coffindaffer III, High Alpha, August 25-30;

Down On The Corner

by Mike Smith

Golf...

The Pioneer golf team recently placed third in a four team tournament. The Glenville squad was the leader at the end of the first nine holes but they cooled off considerably on the back nine. Wayne Mencer was the low score medalist with a very good "69". Congratulations Wayne!

Jack Nicklaus won the "Tournament of Champions" this weekend, and won it convincingly. The \$33,000 collected by Nicklaus places him second on the 1971 money list behind Arnold Palmer.

Baseball...

Jim Settle, Pioneer shortstop, is hitting the ball for a very lofty .466 batting average. Settle bats third in the Pioneer line-up. Keep up the good work Jim.

The Big Red Machine is still sputtering but I think they will win their division again.

The Charleston Charlies have won five of their last six ball games.

Basketball...

The Bucks have won two straight from the Bullets which comes as no surprise to many, but shocked me. Baltimore pulled off a major upset last week by defeating the New York Knicks.

The "Vets", a team made up of veterans here at GSC, are playing a few independent games around the county. They were one of intramural basketball's successful teams this year. John Bell informed me that the team is averaging 90 points per game and that he alone is swishing the nets at a 30-point clip.

The American Basketball league is continuing to sign College under graduates. There has been more talks of a merger between the NBA and ABA, but I hope it never comes off. I think that a sport has to be governed by rules and the ABA has violated one of the most important rules in all sports. I hope they never make it.

WVU's Wil Robinson has been named to the Academic All American second team. This is quite an honor for Robinson who also made all District a few weeks ago. Robinson has been approached by the ABA and has been offered a contract. Wilbur, however, insists that he will remain in school.

Football...

The Pioneers are getting themselves ready for spring practice which begins May 8. The squad is now in the process of learning the offense and defense that will be used next year.

WVU's football team just completed spring ball with the annual Gold-Blue game. Pete Wood led the Blue squad to a 58-6 win over the Gold.

Marshall is also in the midst of spring drills.

That all! Have a good attitude.

Miss Barnhart Enters Hoyt Institute Art Show

Miss Susan Barnhart currently has five works of art on exhibit at the First Annual Ceramics Creative Crafts, and Sculpture Show, at the Hoyt Institute of Fine Arts in New Castle, Pa.

This showing is for artists and craftsmen living within a 60 mile radius of New Castle. Other exhibiting artists include students and art instructors from neighboring colleges, such as Edinboro State College and Slippery Rock State College.

Miss Barnhart, who is a junior art major from Chester, has three entries in the ceramics division and two in the arts and crafts division.

The 1971 Glenville State College golf team consists of, row one, l. to r., Neil Christiansen, Wayne Mencer and Rex Kuhl. Row two, Tom Gutshall, Bob Wilson and Coach Timothy Carney.

GSC Splits Doubleheader With M. H. In Second Straight Day Of Competition

Glenville playing for the second straight day split a doubleheader with Morris Harvey. The Pioneers lost the first game to the Golden Eagles 4-3, but came back strong in the second game winning 6-2.

The Pioneers could not get moving in the first inning of the first game. Hamilton walked but try as he might, he could not get in for the score. Scotty went to second on a wild pitch and advanced to third on a passed ball. He could get no farther though because the Pioneers could not hit Heyel in the early going. Jow Stora started on the mound for the Pioneers and retired the Eagles quickly in their half of the inning.

Glenville went three up, three out in the second inning and Stora got Harvey out with only one base runner in their half of the inning. In the third inning Glenville got two base runners on walks by Tom Lilly and Scotty Hamilton but neither could score. Morris Harvey scored one run in the third inning when Stora walked Steve Lickliter, who then stole second and came home on Craig's single.

Jim Garnett led off the Pioneer fourth inning with a double but the Pioneers still went down one, two, three on a double play. Morris Harvey got Reidner on base on a fielder's choice and he went to second on a wild pitch by Stora. He then stole second base. Stora proceeded to walk three straight batters allowing Reidner to score. The inning ended when Carlucci grounded out.

The Pioneers had a big sixth inning when Jim Settle got a single, and went to third on Jim Garnett's double. Rob Church got to first on a fielder's choice which got Settle out. Ken Swisher played Nero by blasting a double which scored both Garnett and Church. Rudy King grounded out to end the inning. Morris Harvey scored one run in their half of the sixth inning. Heyel drew a walk and went to second on Carlucci's sacrifice bunt. He then scored when Steve Lickliter lashed a single.

Scotty Hamilton smashed a double with two men out in the Glenville seventh. Hamilton scored on Jim Settle's second single of the game. Settle's single followed "Pee Wee" Lacey's walk. Garnett followed Settle with a walk which loaded the bases. Rob Church grounded out to the pitcher to end the inning. Harvey could not score in their half of the seventh. Neither team could score in the eighth inning so the score was deadlocked three-three going into the ninth. The Pioneers went down in their half of the ninth but Morris Harvey came back to win with one run. Wentzel walked Polaski at the start of

the inning. Polaski was forced out at second and Reidner was safe on first with a fielder's choice. Reidner stole second base and Wentzel walked Hudson. Russon then got the game-winning hit, scoring Reidner.

The loss marked the third of the season by the Pioneers who are fighting for the Southern Division championship of the WVC with W.Va. Tech.

The Pioneers came back to win the second game six to two. Bill Rice went the distance for Glenville on the mound to get the win.

Morris Harvey was stunned in the first inning when Glenville exploded for six runs. Scotty Hamilton led off with a walk and Danny Wessner, playing his first game of the season, due to an error grounded out to third base sending Hamilton to second. Jim Settle went to first on a walk and the bases were loaded when Jim Garnett walked. Ken Swisher slammed a single which scored Hamilton and Settle, sending Garnett to third. Ken Squires then singled scoring Garnett. A single off the bat of Dave Buntin drove in both Swisher and Squires. Buntin scored the last run when Bill Rice singled to send him across.

With a six run lead, Rice mowed the Eagles down for the first three innings. In the meantime, the Pioneers could not score either, although Ken Squires got his second hit of the game, a hard hit double, Morris Harvey scored two runs in the fourth inning when Reidner got a base hit and Hudson was safe on an error. On the error, Reidner went to third and Hudson went to second. A single by Russon sent in both runners. That ended the scoring for the game giving Glenville a 6-2 win.

A segment of the winning intramural team is pictured above. Left to right are Mike Seams, Jim Carter, and Jeff Jackson.

GSC Defeats W. Va. State; Score Is 8-7 In Fri. Game

The Glenville Pioneers coming up with three runs in the eighth inning defeated W. Va. State's Yellow Jackets Friday evening by the score of 8-7.

The Pioneers started the game slowly as Scotty Hamilton and Pee Wee Lacey made quick outs. Jim Settle hit a one ball, one strike pitch for a single but died on first when Jim Garnett was out on a line drive to the right fielder.

Carl Williams was on the mound for the Pioneers to open the game but was greeted rudely by the State nine. John Jacobs was the first batter to face Williams and he was safe on an error. Jim Pennington, the next batter flew out but Al Hughes got a single. Jacobs then scored when Ed Ballard got a pitch he liked and stroked it for a single. Dave Godbey followed it for a single to load the bases. Hughes and Ballard then came home on a single by Ray Tabor which followed Bill Catron's strike-out. Doug Mahaney followed Tabor with a single to drive Godbey home and the Pioneers were quickly behind 4-0. However, they got one of the runs back in the second inning. Rudy King walked, and went to second on Tom Browning's walk, then scored on an error as Dallas Wallen laid down a sacrifice bunt.

Williams retired the State side quickly in the second, but Glenville went down just as fast in the third despite Jim Settle's single, his second of the game. State scored two more runs in the third inning off Williams. Godbey led off with a single and went to second when Catron was hit by a Williams pitch. Both runners advanced one base when Williams balked, and scored when Ray Tabor sliced his second single. Ralph Cook came on in relief of Williams and got Mahaney to hit into a double play. The Yellow Jackets were then retired when Cook got Fred Doss to ground out.

Dallas Wallen was the first Pioneer batter in the fourth inning and he went down swinging on three pitches. Ken Squires flew out to centerfield, but Ralph Cook got a single and then stole second. Scotty Hamilton scored Cook when he smacked a three-two pitch for a single. Hamilton went to second on a balk and then scored when Pee Wee Lacey punched a base hit.

Cook allowed State to score in their half of the fourth when he walked John Jacobs. Jacobs went to second base on a balk and got on third on Pat Matthews sacrifice fly to Hamilton in centerfield. An error on a ground ball by Al Hughes allowed Jacobs to score. Jim Garnett led off the Pioneer fifth with a single and then immediately stole second base. Garnett ad-

vanced to third on an out by Rudy King and scored on a sacrifice fly by Tom Browning.

Ralph Cook got State out three up three down in the fifth by striking out two batters. At the end of five innings of play the score stood W. Va. State 7 Glenville State 4.

In the sixth inning Scotty Hamilton collected his second single and went to second when Pee Wee Lacey walked. Jim Settle was hit by a pitch and with the bases loaded Jim Garnett walked allowing Hamilton to score. Rudy King ended the inning when he flew out deep to right field. The inning could have been a big one because Ken Squires led off with a single. However, he was thrown out trying to steal second. Ralph Cook then struck out on three pitches, so the bases were clean with two out when Hamilton got his single. The Yellow Jacket went down one, two, three in the bottom of the sixth.

Neither team could score in the seventh inning but the Pioneers came up with three runs in the eighth inning to win the game. Scotty Hamilton made his presence felt in this game by getting on base four times. He led off the eighth inning with a walk, his second, to go with two singles. Hamilton went to third on Jim Settle's third single of the game. Jim then stole second base as the catcher held Hamilton on third. A wild pitch allowed Hamilton to score and Settle moved to third. Jim Garnett was walked intentionally putting runners on first and third. Rudy King got an RBI on a sacrifice allowing Settle to score. Garnett scored on an error on the same play. Tom Browning and Dallas Wallen struck out to end the inning. Cook struck out the side in the eighth inning and Glenville went down quickly in the ninth. Cook then retired the Yellow Jackets in the bottom half of the ninth to gain the win.

It was a big win for Coach Jerry Milliken's team as they battled from behind throughout the game.

G. Dodd Is Named Chemistry Student

Each year the Northern West Virginia Section of the American Chemical Society recognizes the outstanding junior chemistry student in each of the colleges in northern West Virginia. This year Mr. Gregory Byrd Dodd received the award for Glenville State College. Dr. George Humphrey, Chairman of the Education Committee, presented copies of the Chemical Rubber Company Handbook of Chemistry and Physics to each of the students at the Annual Spring Banquet held at Mont Chateau Lodge on April 5.

Mr. Dodd, who comes from Pennsboro, will receive an A.B. Education Degree with a Chemistry Comprehensive Certification next year.

Attending the banquet, in addition to Mr. Dodd, were Dr. and Mrs. Peter Welcker, Dr. and Mrs. Byron Turner, and Mark Turner.

Members of the Glenville State College Science and Mathematics Division have recently been busy judging Science Fairs sponsored by the West Virginia Junior Academy of Science. Dr. Robert Deal, Mr. Joe Evans, and Dr. Byron Turner served as judges at the Regional Science Fair at Salem College on March 31, and Dr. John Chisler, Dr. Robert Deal, Mr. Joe Evans, and Dr. Byron Turner were among the judges at the State Science Fair at West Virginia Wesleyan College on April 15.

Pictured above is the Glenville State College Concert Band which left for its tour this morning.

EXAM SCHEDULE

The examinations will begin at 8:00 a.m. on Monday, May 24, and end at 12:10 p.m. on Thursday, May 27, 1971.

The schedule given below will be followed. Students in courses having multiple sections must take the examinations at the time scheduled for the section in which they are enrolled.

Examinations in evening classes are to be given at the last regular class meeting on May 25 or 26. In Arranged Classes the final examinations may be given at the last regular session(s) prior to the final examination.

In case of a conflict in the schedule, the instructor concerned should see the Dean about special arrangements.

Each examination will be held in the room where the class has been meeting. Final examinations are to be given in all classes where applicable unless waived by the Divisional Chairman and the Dean.

All classes meeting at:

8:00 MWF will have examinations on Tuesday at 8:00 - 10:00 a.m.
 8:00 TTh will have examinations on Monday at 8:00 - 10:00 a.m.
 9:00 MWF will have examinations on Wednesday at 1:00 - 3:00 p.m.
 10:00 MWF will have examinations on Monday at 10:10 a.m. - 12:10 p.m.
 11:00 MWF will have examinations on Tuesday at 10:10 a.m. - 12:10 p.m.
 11:00 TTh will have examinations on Wednesday at 10:10 a.m. - 12:10 p.m.
 12:00 MWF will have examinations on Thursday at 8:00 - 10:00 a.m.
 12:30 TTh will have examinations on Monday at 1:00 - 3:00 p.m.
 1:00 MWF will have examinations on Tuesday at 1:00 - 3:00 p.m.
 2:00 MWF will have examinations Wednesday at 8:00 - 10:00 a.m.
 2:00 TTh will have examinations on Thursday at 10:10 - 12:10 p.m.
 3:00 MWF will have examinations on Monday at 3:10 - 5:10 p.m.
 3:30 TTh will have examinations on Tuesday at 3:10 - 5:10 p.m.

All sections of Mathematics 100 will have examinations on Monday, May 25, at 6:30 p.m. as assigned by the staff.

William Nicholson

William Nicholson To Represent W. Va. In Ralston Purina Scholarship Contest

William E. Nicholson, a student at GSC, will represent West Virginia at Camp Miniwanca, Mich. The son of Mr. and Mrs. Charles E. Nicholson, he is a freshman majoring in physical education and minoring in mathematics. Bradley Ramsey from Parsons will also represent W. Va. at the camp.

Ralston Purina Company has announced that 110 full scholarships are to be awarded to the most outstanding "Four Square" 4-H boy and the most outstanding "Four Square" 4-H girl in each of fifty states and five Canadian provinces this year. William H. Danforth, founder of the Ralston Purina Company, was for many years very interested in developing the leadership capacities of outstanding young people. Each year he offered scholarships at the American Youth Foundation Leadership Training Camp, Stony Lake, Oceana County, Mich. to each state 4-H organization.

Each scholarship awarded covers the full camp expense for one person with transportation arranged by the

individual. The camp convenes for a two-week period as follows: older girls, August 2 through August 14 and older boys, August 16 through August 28.

The American Youth Foundation, which administers the program, is a nondenominational Christian Leadership Training organization. This season marks the 58th anniversary of the establishment of the camp conferences. The camp is built on the principle of four fold balance (physical, mental, social, and religious development). It is suggested that preference be given to 4-H boys and girls who stand high in each of the following: athletic activities, scholastic standing, leadership in 4-H club work, and character.

The camp is located approximately 35 miles north of the city of Muskegon in Michigan.

Fellowship Booklets Are Now Available

The Placement Office has available from the U.S. Department of Education a booklet concerning National Defense Graduate Fellowships. Information regarding procedure for application is given, in addition to a listing of fellowship allocations to an institution, and the total number of programs approved in that state. Also, the name of each approved program in which fellowships may be awarded at an institution.

A National Defense Graduate Fellowship is normally a 3-year award subject to the continued availability of appropriations and satisfactory student progress toward the degree.

The award provides a stipend of \$2,400 per 12-month year for the first year, \$2,600 for the second year, and \$2,800 for the third year, together with an allowance of \$500 a year for each dependent.

Fellowship candidates apply directly to graduate schools. These schools then send their nominations for awards to the Commissioner of Education. Fellowships are tenable only in the approved programs at the institutions to which they have been allocated. They are not transferable to another institution.

Elections Are Held For CEC Officers

At last week's meeting, the Council for Exceptional Children elected new officers for the upcoming year 1971-72.

The president will be Shirley Critchfield, who is majoring in elementary education and minoring in special education. Ricky San Julian is vice-president. He is enrolled in elementary education and special education and is from Bridgeport. From Sutton, Ruth Hopkins, an elementary major, has been elected secretary. The treasurer is Dan Adams from Glenville. He is enrolled in physical education and special education. Terry Taylor, also a physical education and special education major, has been elected historian. He is from Weston.

The Council is traveling to the State CEC Conference in Huntington, April 30-May 1, and will be leaving at 4:00 p.m. on Friday.

Phi Delta Phi Eyes State Convention

Phi Delta Phi, the Glenville State College chapter of the West Virginia Home Economics Association, will attend the state convention April 30 - May 1 at the Heart 'O Town Motor Inn in Charleston. This convention provides home economic students a chance to further their knowledge in their field. Convention time means listening to speakers, eating delicious food, giving skits, and getting to know girls from colleges throughout West Virginia. Some of the members planning to attend from Glenville State are: Jean Field, Linda Simmons, Eileen Yoak, Linda Johnson, June Turner, Catherine Haskins, Mary Ellen Hashman, and their advisor, Mrs. Roma Adkins.

Phi Delta Phi conducted its pledge period from March 18 to April 1. The pledge class was a large one with nine new members. Those initiated were: Debbie Hampton, Eileen Derenberger, Judith Shreve, Barbara DeBarr, Mary Chatten, Jo Ann DeRico, Rebecca Lotus, Deborah Davis, and Connie Butler.

The new pledges were initiated just in time to help with the spring money making project for the year. Phi Delta Phi members took orders for Easter bunny cakes, which the girls made. They plan to make this project an annual one.
