## Regents Visit GSC Campus

On Friday, July 16, Chancellor Prince B. Woodard, and certain members of the Board of Regents, met and discussed matters concerning Glenville State College with members of the GSC Administration.

The morning session consisted of a meeting of both groups, discussing new and proposed programs, information on reports of class loads, and enrollment.

The afternoon session consisted of the Board of Regents Administration meeting with counterparts of the GSC Administration, and discussing the policies of that particular area of the administration.

Those accompanying Chancellor Woodard were: Mr. Elwin Bresette, Coordinator of Fiscal Studies; Mr. J. Douglas Machesney, Director of Planning and Research; Dr. William P. Turner, Jr., Director of Academic Affairs; and Mr. Robert Allen, Director of Physical Facilities.

Those present from the GSC Administration were: Dr. D. Banks Wilburn, President of the College; Dr. K. Somerville, Dean of the College; Dr. A.T. Billips, Dean of Student Affairs; Mr. Beryl Langford, Registrar; Mrs. Jean S. Wright, Dean of Women; Mr. Carl F. Pennington, Jr., Dean of Men; William J. Osborne, Business Manager; David M. Gillespie, Librarian; and Robert Gainer, Assistant to the President.

## RFK Library Acquires New Microfiche Reader

The newest piece of equipment in the RFK Library is the Microfiche Reader. The Microfiche Reader is a supplement to the already existing Microfilm Reader. Somewhat smaller in size, the Microfiche Reader allows the student to find research material more quickly.

The library has two Microfiche Readers located on the first floor. The Microfiche, which is the film used in the reader, is at the circulation desk.

Presently the library has only series of Microfiche describing the environment and urban affairs. More series are being studied and will be available in the future.

Each month new additions of Microfiche are added to the series to provide the student with the latest development in the news world. Along with the additions are newsletters that will be sent to the faculty members explaining what new events have been recorded on the Microfiche from the 103 cities in 45 states reporting for the Microfiche suppliers.

Gene Bell introduces Mr. Nick Murin to the RFK Library's new Microfiche machine.

## Attendance Directors Meet; Campus Is Conference Site

The twenty-fifth annual workshop of the West Virginia Association of Attendance Directors will begin on campus Sunday evening, August 1 and continue through Friday afternoon, August 6, according to Mr. Victor Berry, Co-ordinator of Instructional Services, GSC.

The theme for this year's workshop is "Responsibility-Accountability-Freedom." Registration is 8:30 a.m. Monday morning. Tuesday through Friday there will be formal class work with a General Session each afternoon and a Business Session or Social Hour in the evenings.

Between 45 and 50 persons are expected to attend and consultants from each of the following organizations have been asked to be present: West Virginia Association of Classroom Teachers; School Supervision and Curriculum Development; Principals (Elementary and Secondary); School Administrators; Department of Education; Bureau of Instruction and Curriculum; Special Education; Supervisor of Guidance, Counseling and Testing NDEA; Bureau of Vocational Rehabilitation; Congress of Parents and Teachers; Department of Mental Health; Health Department; and Department of Public Welfare.

Three courses will be offered during the week—each for two hours of college credit. Attendance directors may only take one class during the week, so each participant will receive two hours of college credit for his

week's work if he satisfactorily completes the course requirements.

Subjects taught will be: Problems of School Attendance Workers, with Harland Carpenter, Director of Attendance Problems of Rural Areas, with Virgil Harris, retired high school principal of Greenbank, W. Va., as instructor; Child Needs and School Attendance, with Joseph C. Taylor, psychologist in Kanawha County Schools, as instructor.

Persons attending the workshop will reside in the campus dormitories and eat in the cafeteria.

## Legislators Visit, Confer With Staff

Each summer the Sub-Committee on Higher Education of the Legislative Committee on Government and Finance visits each of the colleges, universities, and other state institutions to talk with the president and staff concerning the needs for the next fiscal year (1972-73). On July 14, the Committee attended a luncheon in the Pioneer Center.

Members of the legislative committee present were the chairman of the Committee of Finance of the State Senate, Senator C.H. McKown from Wayne; Delegate Charles E. Lohr from Princeton; chairman of the Committee on Education of the West Virginia House of Delegates, Delegate Billy B. Burke, vice-chairman of the Committee on Finance of the West Virginia House of Delegates, from Glenville; Mr. W.E. Richardson, director of Budget Analysis and Research Division of the Office of the Legislative Auditor. Glenville State College staff members in attendance were Dr. D. Banks Wilburn, President; Dr. Alfred T. Billips, Dean of Student Affairs; Dr. Delmer K. Somerville, Dean of the College; Mr. Beryl Langford, Registrar and Director of Admissions; Mr. David M. Gillespie, College Librarian; Mr. Robert K. Gainer, Assistant to the President; and Mrs. Jean S. Wright, Dean of Women.

The Sub-Committee will later confer with the staff of the West Virginia Board of Regents and the Chancellor, Dr. Prince B. Woodard. This will all be done prior to the preparation of the budget requests for the next session of the Legislature.

## Recognition Given The Forestry Dept.

The Society of American Foresters has recognized Glenville State College as exceeding the basic requirements of SAF's Minimum Guideline for Forest Technician Training. Glenville is one of 36 forest technician schools which were found to meet the SAF Minimum Guideline, 32 of which are in the United States and four in Canada. It is also the only school so recognized in West Virginia.

Because of this recognition, GSC forest technician graduates are eligible to become SAF students members.

Mr. Darrell Dean, instructor in forest technology, will serve as the SAF faculty representative. The only requirement to serve in this capacity is that he must be a voting member of the Society, as he will be endorsing student member applications.

A list of the 36 schools will be published in an early issue of the *Journal of Forestry*. The Society will also reprint this list and it will be provided to the several thousand people who seek career information from the SAF in both technical and professional forestry.

## Welfare Dept. Program Held

GSC college campus was the scene of a Departmental Staff Training Program, sponsored by the West Virginia Department of Welfare, July 12 thru July 14.

Between 90 and 100 persons were in attendance from 27 areas throughout the state.

Persons being trained to go back to train others in their area were Coordinating Social Service Supervisors, Staff Training Specialists, and Eligibility Supervisors.

Instructors were State Office personnel from Charleston. Some of them are: Dorothy Allen, Director of Division of Social Workers; Rozella Archer, Assistant Director of Social Workers; Danny Van Camp, Director of Staff Development; David Forinash, Director of Division of Assistance Payments.

Others were Mary Giotfely, Phyllis Hauptfleur, Alice Griffith, and Larry Hart.

These meetings are held monthly and this month's program dealt with the problems of neglected children and the private employment of recipients of financial aid.

The Departmental Staff Trainees stayed in Louis Bennett Hall and had their meals in the cafeteria. Most of their classes were held in classrooms in Clark Hall, except for the few sessions held in the auditorium.

## Lane Smith Named As Campus Officer

Lane Smith, GSC's new Campus security officer, may well look familiar to many GSC students. Although Mr. Smith just began his campus duties July 1, he has worked in Glenville as town policeman for the past four years. His previous experiences in police work helped him obtain the campus job.

In discussing his new duties, Mr. Smith seemed pleased with the working conditions on campus. He commented that he liked his job really well, and that he enjoyed working with such nice faculty members. He also stated that the students have impressed him with their friendly cooperation.

Mr. Smith and his two colleagues, Mr. Jerry Helmick and Mr. Tom Reaser, plan to work alternating eight-hour shifts to provide around-the-clock campus security. He emphasized that the campus force would appreciate any calls or assistance in the future.

As a life-long resident of Cedarville, Mr. Smith graduated from Northmantown High School in 1959. He and his wife, the former Mary Lou Kuhl, now make their home at Cedarville with their five children: Danny, Ricky, Roger, Steven, and Mary Alice.

## Current Freshmen Registration Is Set

All first-time freshmen who are presently enrolled in summer school, may enroll for the 1971-72 Fall Semester between the hours of 2 p.m. and 4 p.m., Monday, July 26.

Students will meet with their respective advisor and complete both trial schedule card and regular enrollment form and have both forms approved by their advisors.

Students should take both cards to the Office of the Registrar in the Administration Building and have schedules approved by the Dean of the College.

If final fees are to be paid at the time of registration, final registration form will be presented for payment at the Business Office. If fees are not paid, both trial schedule cards and regular registration forms will be left at the Office of the Registrar.

## School Superintendents Meet At Jackson's Mill

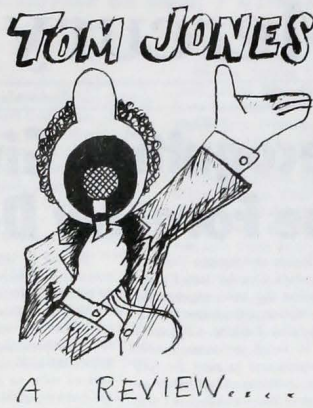

The annual state meeting of school superintendents was held at Jackson's Mill, July 11-13. Early childhood education was the theme under discussion at the conference. Participating organizations included the West Virginia Association of School Administration and West Virginia School Boards Association. Representatives from Glenville State College were Dr. Woodrow Morris and Dr. Lawrence Nuzum.

## Keeping Up With Tom Jones

by Ann Starcher

Singing star and sex idol Tom Jones appeared at the Charleston Civic Center Friday, July 16. A sell-out crowd waded through some really good entertainment by back-up groups but seemed a little on the disinterested side until Jones appeared. The band called "Jeff Sturgis Universe" and a female trio known as "The Blossoms" entertained the audience for about an hour. Then, after a 15-minute intermission, comedian Paf Henry warmed up the audience for Jones' appearance with some bright but often off-color material.

Jones' performance proved that his voice was truly strong and much deeper than it seems over the television. His dress was in all black including stretch slacks allowing him plenty of mobility for his varied gyrations.

The music was Jones' best including most of his hits. The fans, predominantly women, often got carried away throwing articles of clothing for the star to touch and return. A few women made their way through a circle of policemen pleading for kisses, which in a few instances, were delivered.

All in all, it was an enjoyable program. Had the fans been more sane, it could have been a great musical concert.

## Summer Band Camp Music Dept. Outlines

The Glenville State College music department is finalizing plans for its fourth annual high school Summer Band Camp. The camp will open Monday, July 26 on the college campus and end Thursday, August 6. The music faculty, realizing the need for quality instruction in performance and musicianship, has attempted to center the two week camp around the needs of the average high school musician. The camp is centered on concentrated music study and planned recreation. Each student will also receive individual applied instruction at least once a week during the camp.

Serving as camp director will be Edward Vineyard, Director of Bands. Mr. Vineyard will also coordinate the instructional and ensemble programs and direct the camp band. Directing the stage band and teaching applied brass will be David E. Harry, Chairman of the Division of Fine Arts. Gilmer County High School band director, David Cadle, will teach lower brass applied and direct the brass ensemble. Also participating will be several advanced GSC music students, serving as counselors and assistants.

The camp is open to any student who is active in an ensemble program and who will be in the seventh grade or above in the coming school year.

## Tri Sigma Sorority Has High Average

The sorority grade point averages for second semester 1970-71 and the individual members with 3.00 or better have been released by Mrs. Jean S. Wright, Dean of Women.

Sigma Sigma Sigma Sorority placed first with an average of 2.84. They were followed by Alpha Sigma Alpha with 2.59 and Delta Zeta with 2.40.

## "Good Guys", "Swingers"

### Tie In Intramural Play

"The Good Guys" and "The Swingers" are currently tied for first place in the Intramural Softball League with identical 3-0 records.

"The Good Guys" are led by the hitting of Tom Browning (.545) and Terry Lewis (.500) and the pitching of Henry Bender. "The Swingers" are led by the hitting of Tim Carney and Raymond Swisher and the pitching of Mike Smith.

In third place are the "Dough Boys" with a record of 1-1. Sparkey's "Softies" and the "TKE's" are tied for last with a record of 0-3.

Clyde Stepp

## Clyde Stepp Is Named VMH House Director

Verona Mapel Hall, formerly a residence hall for women, is now being readied for the fall semester as a men's dormitory. Mr. Clyde Stepp will assume the position as house director for the dorm.

He will be residing in the dorm with his wife, Pauline, and their three-year-old daughter.

Stepp, a senior physical education major, is from Marsh Fork. Besides his duties as house director, Stepp is a member of the football team. He fills the position of fullback and will be co-captain for the team this coming fall.

## Down On The Corner

by Mike Smith

It's fight time again...

Muhammad Ali will meet Jimmy Ellis July 26 in the Houston Astro-dome in a fight that could prove to be very interesting. Ali will attempt to come back after his loss to Frazier and Ellis is trying once more to reach the top.

Many people give Ellis little chance against Ali, but I see it differently. Ellis, a former sparring partner of Ali, is in his best physical condition ever. He will weigh in at 190 and will be extremely fast. Ali will try to weigh in at 212 but he will be the same flat-footed Ali that fought Joe Frazier. Muhammad recently was vindicated of the draft refusal charge by the Supreme Court. Right or wrong, he is back now as one of the most forceful sports figures in history. He has not trained properly for this fight and Ellis will give him trouble. I see the fight this way: Ellis will be fast and he will stay away from the so-called self-proclaimed ring master. Ali will dance for awhile himself but will then box on flat feet. I see Ellis taking the first few rounds but not on heavy scoring. He will have to rush Ali to hit him, he cannot afford to rush. However, as is the Ellis tendency, he will rush and Ali will knock him out. I see it's happening in the first six rounds.

### Local softball action...

A softball team coached by Ray Swisher will be competing in several softball tournaments. On July 23, 24, and 25 the team will compete in a tournament at Charleston. The last weekend in July, the team will play in a tournament at Ravenswood. The team is called the "Swingers" and is basically the same team as the "Swingers" competing in the summer intramurals.
