# 'Stone Age Stomp' Featured **Tomorrow Night In Ballroom**

The "Stone Age Stomp" dance is being held on September 11 from 9-12 in the ballroom for all who enjoy the pre-historic atmosphere. Sponsore by Sigma Sigma Sigma sorority, this dance is a perfect chance for all cavemen and women to exercise their stomping ability. The music for the event will be provided by the 'Roman Kind,' a group from the Athens-Parkersburg area. The attire will be in appropriate fashion with the prehistoric era, and a prize will be given for the best costumes

Also as part of the dance there will be the election of the typical

## **Turner** Guest Attends GSC

Jean Louis Bernadin is the first Foreign Exchange student to come to Glenville State College under the Rotary Exchange Program. Bernadin is from Mery S/Ourthe River (Mery on the Ourthe River), Province of Liege, Belgium. He is 18 years old and a graduate of a private highschool, Saint-Louis, Longchamps in Waremme, Belgium. He has two sisters and one brother and his mother is a professor of English and German at the University of Liege and his fatherowns a small tile enterprise

Bernadin is living with Dr. Byron J. Turner and family and he is here for a year of study. Jean is interested in business administration. Therefore he is taking three business classes along with the normal fresh-man Physical Education and English Also, he is taking an American History course to gain insight and knowledge about America.

Bernadin applied through the In-ternational Rotary Student Exchange Program and his name was submitted to the Northern West Virginia District of the Rotary Club. Thus, Dr. Turner accepted the invitation to receive Louis into his family for one Iean year of study at Glenville State.

When asked what he thought at boutAmerican society, Bernadine said found it much different than what Europeans are led to believe He feels people are more closed and not as openly expressive as he ex-pected. However, he finds most of the Glenville students are friendly and he feels his year here will be quite enjoyable

Fred and Wilma Nominations for this honor will be made in the Student Union by an organization sponsoring a couple. A nomination will constitute a fee of a dime The winning couple will be chosen according to which couple has recieved the most money. The winners will be announced and awarded prizes at the dance. Nominations will

begin on Monday, September 6. The dance is open to all and will be \$3 per couple and \$1.50 per person. Tickets may be obtained any Tri-Sigma and will go on sale Wednesday, September 8 in fr-ont of the old cafeteria. Tickets will also be sold at the door on the night of the dance.

The first"Stone Age Stomp" was held two years ago when Tri-Sigma was still the local sorority, Nu Lambda Psi. Since then the idea of having a prehistoric dance has panded to what will be the happeningof September II.

Jean Louis Bernadin, the first-Foreign Exchange student to come to GSC, is pictured above.

# **Time Capsule Sells** Space To Students

A major part of this year's Centennial celebration is to be the burial of the time capsule. The capsule will contain numerous articles which are relevant to Glenville State College in 1971 after 100 years of existence. Mrs. Mary Jean Barker, secretary to Pres. D. Banks Wilburn, is in charge of collecting the materials.

Each student is now being presented with the opportunity to place whatever he wishes on one or more lines of prepared paper to be placed in the time capsule. In order to aid with financing this, the fee per line is a minimum of 25 cents

Students may purchase their lines for the time capsule at the circulation desk of the Robert F. Kidd Library on any day. Subscriptions will also be sold in front of the Kanawha Union Bank from 9-11 a.m. on Saturday, Sept. 18. The time capsule will be buried as part of the Centennial Convocation on Sept. 22.

# AROUND THE WORLD Former Students Remembered At GSC

Several Glenville State graduates and former students are now among those discovering the "wonderful world of Viet Nam" or en-joying the sights and sounds of downtown East Berlin, Hong Kong, or Tokyo, all in the uniform of the United States.

Many students at Glenville correspond regularly with one or more friends in our armed forces. Sometimes because of such correspon-dence, a former student has chosen to finish his studies as is evident

from the number of veterans on campus now. In most of the cases, these young men did not enter service with-out reservations and at best are resigned to their particular occupa-

tion thousands of miles from home. The Mercury received a letter this week from such a man as we have described. He is a former student desiring a subscription to our newspaper and a small advertisement space reading:

## Panhellenic Organizes: **Rentchler Heads Group**

On Tuesday, Sept. 2, with its first meeting, Panhellenic became a realization on GSC campus. The long awaited organization is made up of delegates from each sorority on cam pus. The council, instrumental in governing and keeping unity among the sororities, is part of a National Panhellenic of which all national sororities belong.

The officers and delegates this year are: Jeanie Rentschler, presi dent; Cheryl Chaddock and Susie Lynch, Delta Zeta; Ann Starner, vice-president; Linda Meek and Nancy Taylor, Alpha Sigma Alpha; and Mary Margaret White, secretarytreasurer: Barbara Rose and Margaret Ball, Tri-Sigma. Also on the council is one advisor from each sorority. They are: Mrs. Ralph Gay, Delta Zeta; Miss Mary Lou Raeber, Alpha Sigma Alpha; and Mrs. John Mc-Creary, Sigma Sigma Sigma.

At the meeting three committees consisting of rush, public relations, and budget were discussed. Also, Mrs. Jean Wright was elected council advisor by a vote of acclamation.

## Interfraternity Council Makes Fall Rush Plans

The GSC Interfraternity Council held its first meeting of the 1971-72 school year on Thursday, Aug. 26. Plans for this fall's formal rush was the main topic of discussion. It was decided that formal rush for the three fraternities shall begin on Sept. 13

Tuesday, Oct. 5, was designated as the date for the first football game of the Third Annual Commode Bowl. Teams representing Lambda Chi Alpha and Tau Kappa Epsilon will clash and the Kappa epsilon wit class in the first game, the winner of which will oppose the Theta Xi team on Thursday, Oct. 7. Both games will start at 5:30 p.m.

Officers for the semester are Steve Adkins (TKE), president; Dave Wynne (LCA), vice president; William Thomas (TX), secretary. Mr. Ralph Gay serves as the faculty advisor.

Sept. 11 is the first football game of the 71-72 season here at Glenville State College. The Brothers of Lambda Chi Alpha, as has been the tradation in the past, will again present a trophy to the most valuable playof the game. The presentation will be made immediately following the game.

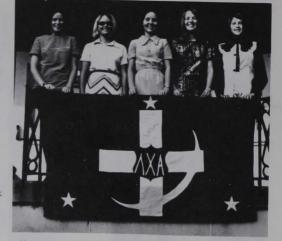

Fall rush begins Sept. 13; the brothers will hold their smokers on Sept. 16 and 21. All upperclassmen are invited to attend.

At their last regular meeting the brothers chose their nominations for the Stone Age Stomp. The repre-sentatives chosen were Robert Wil- Sigma Sigma Sigma son and Jennalee Page.

## Morrison Is President **Of Ohnimgohow Players**

This year's officers for Ohnimgo how Players are: president, Doug Morrison, a junior speech major from Richwood; vice-president, Marilyn Murin, a sophomore social studies major from Glenville; secretary, Sharon Anderson, a junior social studies major from Parkersburg; treasurer, Susie Smith, a junior elementary education major from Parkersburg; and pledge master, Mike Lamm, a chemistry and general science comprehensive major from Belpre, Ohio.

en House will be held in Ver ona Mapel Hall Sunday, Sept. 12 from 2 p.m. to 5 p.m.

New officers of the Ladies of the White Rose are Margaret Ball, Joyce Bean, Karen Price, Pat Klein, and Cheryl Brown

## Ladies of the White Rose

The Ladies of the White Rose, women's auxilliary to Lambda Chi Alpha fraternity, met Wednesday, Sept. 1. Elections were held and new officers for the fall semester were chosen. The new president will be Karen Price, senior social studies major from Charleston. Vice president is Joyce Bean, sophomore bus-iness major from Weston; Pat Klein, sophomore business major from Parkersburg, will serve as secretary and Margaret Ball, a sophomore English major from Grantsville, will be treasurer. The scrapbook for the organiza-Brown, tion will be kept by Cheryl a social studies major from Cottle.

The Ladies discussed plans for the upcoming year. Items they cov-ered included hot dog sales; candied apple sales and preparation for future rush parties. Also, plans were made

## Delta Zeta

On Tuesday, Sept. 7 the Theta Xi chapter of Delta Zeta sorority held its first informal meeting of the year in the chapter room of the DZ house. The girls discussed and voted on their candidates for Centennial Court princesses. Selected to run were: sophomore, Susan Lynch; junior, Cheryl Chaddock; and senior Debbie Wade Scalise. The sisters are all very proud of Rosanna Corathers who has already been elected by the school to serve as Centennial Queen.

The sorority was also given a report concerning Panhellenic by Jean-ie Rentchler the newlyformed organizations' president. Two other girls represent Delta Zeta on the Panhelenic Council. They are: Cheryl Chad-

dock and Susan Lynch, alternate. The meeting then broke up into several different committees cor ing fall rush and plans for Homening activities and float.

The first meeting of Sigma Sigma Sigma sorority this semester was held Aug. 30 in the Sigma lounge. Items discussed included rush, and the details for the "Stone Age Stomp" dance which will be held this Saturday evening. Also at the meeting Mrs. Donald Phillips, sorority financial advisor, presented the proposed budget for this school year and discussed the changes with the girls.

Judy Jordan, vice president, completed her experiences as representative to the Tri-Sigma National Convention. She presented new ideas, songs, and rules to the sisters.

The chapter elected Bev Butcher as alternate to Panhellenic council. Candidates were nominated for the Centennial court. Senior Janet Alkire, junior Debbie Buckhannon, so phomore Bev Butcher were selected by the sisters.

concerning a square dance to be held on Friday, Sept. 17 in the ballroom for the brothers and the Ladies.

Names of possible new members were presented and these will be voted on at the next meeting. It was decided that future meetings will be held on Wednesday's at 6 p.m. in Room 102 of the administration building.

## TKE

The fraters of Tau Kappa Epsilon had their first meeting on Monday, Sept. 1.

Tentative plans are now being made for their first rush smoker to be held on Tuesday, Sept. 14 in the Old Louis Bennett Lounge. All upperclassmen are invited to attend. The fraters are making plans now

for their first house party which will be held on Friday, Sept. 17. Future plans are also being made

concerning Homecoming, a closed ball, house parties, and more house improvements.

The TKE's are sponsoring two couples to run for Fred and Wilma for the Sigma Stone Age Stomp They are Gary Cotton and Tina Haney, and Dennis Law and Debbie Legg. They are also co-sponsoring Rick Oyler and Jo Ellen Conley.

Alpha Sig The Gamma Kappa chapter of Alpha Sigma Alpha is making plans to carpet and furnish their lounge on their sorority wing on third floor of Women's Hall. The furniture has been chosen from several bids submitted from various stores, and the chapter has chosen a modern design living roomsuite with wall-to-wall indoor-outdoor carpeting on the floor. The chapter hopes to have the furni-ture and carpeting installed by Homecoming

The chapter is also welcoming as an active member Nancy Taylor, formerly initiated as a member of Gamma Kappa chapter in 1966. Nancy is an art major from Gauley Bridge and a transfer from W.Va. Institute of Technology. She has been elected as the sorority's alter-She has nate to the Panhellenic Council.

Linda Glass, a sophomore library science major from Romney, will be initiated soon. She is a holdover pledge from last spring's pledge class.

Three girls were nominated to run for the Centennial Court by the sorority. They are: Linda Glass, sorority. They are: Linda Glass, sophomore; Sharon Sturm, junior; and Janet Posey, senior.

The sorority also nominated Jo Ellen Conley and Rick Oyler as their couple to run for Fred and Wilma at the Sigma Stone Age Stomp.

Committees and plans are being organized for Homecoming activities and the chapter's closed ball.

# History of Football **Depicted 'Colorful'**

#### by Ken Davis

Although Glenville State College vas established in 1872, it was not un til 1901 that a football team was assembled. Edward G. Rohrbough made efforts to schedule games, but these efforts proved fruitless, and interest in football died.

In 1908, football was reviveo at GSC. The players on this team numbered 15. Two games were played, with the alma mater winning one and losing one. In 1909, with the football program continuing, the first game to be played in Gilmer County saw the Glenville eleven beat Fairmont 6-0, in the first game of what was to become a great rivalry

However, throughout the early years of football history, few games were won and most were lost by very large scores. In 1926, though, Nate Rohrbough was hired as the new Pioneer mentor. Rohrbough was quick to remedy this situation. Many football games were won under the guidance of Rohrbough, who was also successful as basketball coach at GSC

After the absence of football during the World War II period, Carlos Ratliff became football coach of the Glenville team in 1945. Ratliff found success hard to come by though, as Glenville could not come up with a winning season.

In 1954, Nick Murin, presently a teacher in the social science depart-ment became football coach. In 1958, Murin led the Pioneers to an undefeated season and a conference championship. Also, in 1959 through 1961, under Murin, Glenville won three big games within the last 30 seconds. In 1961, with 25 seconds left, Glenville beat Salem who had,

to that point, been undefeated. In 1962, Jesse Lilly, presently a faculty member in the physical education department and head basketball coach, took over the coach ing reigns of the Pioneers. In 1966, the present coach, Bill Hanlin, took over the coaching duties. He has maintained this position till the present time and has been fairly suc ful. Last year, he won his 100th game as a coach against Fairmont.

On Saturday, Glenville State College embarks on its 71st year since its trivial beginning in 1901 when a schedule could not even be formu-lated. Let's get out and support our team this year and hope for much success. After all this Saturday opens a new page in history for GSC foothall

### INTRAMURALS BEGIN SLOWPITCH SOFTBALL

The Intramural Slowpitch Softball Tournament is underway at GSC Coach Carney received 11 rosters and set up a double elimination tournament. In a double elimination tournament, each team must lose twice before being eliminated. The team that loses only once or not at all will be the winner. As a team loses its first game, it moves into the left bracket while the winning teams remain in the right bracket.

#### PIONEER YEARLINGS MEET MILITARY TEAM

The Pioneer yearlings swing into action Monday when they travel to Greenbrier Military to go up against the Cadets.

The Cadets defeated the frosh squad in a game at Glenville last fall. The Pioneers will be fielding a strong freshmen squad this seas and should give Greenbrier all they can handle

until the Wesleyan game of last year when he finally had a kick go astray. Swisher appears to be back in top form this year. He booted a 48-yard field goal in a scrimmage game last week

A physical education major Ray will graduate in December. He plans on a coaching and a teaching career However, Swisher has hopes of a pro tryout

Swisher is the son of Mr. and Mrs. Don Swisher of Ripley. He graduated from Ripley High School where he was an all-sports standout. During his senior year, Swisher was the state's outstanding kicker and one of the state's premier quarterbacks. His brother Donnie is a Glenville graduate and coaches at Grafton. Raymond has another brother Kenneth who plays baseball at GSC

Raymond resides in Glenville with his wife, Brenda, a secretary in the Placement Office.

## **Fellowship Now Open** For New Memberships

The Fellowship of Christian Athletes will meet in the near future The group is open to all interested persons. The date of the first meeting will be announced in the Mercury and signs will be put up in all the buildings.

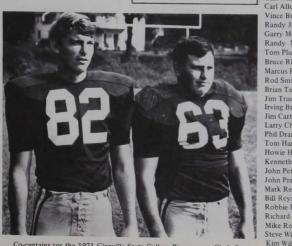

Coach Robert Summers is the faculty advisor for the club. Offi-cers are: President-Mike Smith, Vice-President-Mark Smith, Treasurer-Darrell Atkins, and Secretary-Greg Nicholson

## **Financial Aids Received By 615 GSC Students**

Approximately 615 Glenville State College students are receiving financial assistance in the forms of grants, loans, work-ships, and the work-study program this year.

According to figures released by the Financial Aid Office, 71 students receiving initial grants totaling \$24,925, while ll6 students are re-ceiving renewal grants totaling \$37, National Defense Loans 800 unting to approximately \$66,000 ha ve been given to 228 students. In addition, about 200 students are employed on the work-ship, work-study program

icially opens tomorrow. Of course, the Pioneers will go against the Northmen of Michigan's Northwood Institute. If the Pioneers are strong at any one position, it is the back field. Backs such as Alloway, Pratt, Carter, Richmond, and Robinson can rate with any in the conference. quarterback position is also strong as "Ramblin" Randy Jeffries will lead the Pioneers The backfield depth is Glenville's most valuable asset

Offside and Holding . Of cours no football team could excel without a good offensive line. At Glenville this brings to mind names like Spen cer, Lipscomb, Braniff, Harvey, True, Butta, Stepp. Morrison, and Chapman These are the men who really take the pounding. They work hard and no-one notices them unless they missed an assignment. A good blocker and inspirational leader like Harland (Tarzan) Spencer is a must to a football team

Blue Bandits Defense has been called the name of the game and this year the Pioneers will flaunt their 4-4 Names such as these go down in history: Stoffel, Williams, Clendenin, Christiansen, Taylor, Wil-

Statisticians . . Co-handlers of the statistics again for the Pioneers are juniors Dave Pethtel and John Ty Pethtel is a physical education grett. major from Boomer. Many people do not realize the importance of good statisticians but ask the coaches and athletic director, Dr. Robert Dollgen er. They can tell you how important these two young men are to the GSC program.

Good News Former Ripley stand-out Jay Chambers is now a stu-dent at GSC. Jay transferred to Pioneer-land from West Virginia Uni-versity this year. At WVU Jay was a member of the football team. Chambers will not be eligible until next year, but presently he is working out with the Pioneers. Jay can play quarterback, tight end, and linebacker.

Welcome to GSC, Jay. Good Luck . . . Good luck Pio-neers in the game. Let's support them and make them know it. Above all, help that good attitude

# **Three Glenville State Students Study** For Nine Months In Aix-en-Provence

The students came back to America with many different impressions of France and Europe. All were in agreement that traveling was the most beneficial aspect of their stay abroad. The cheap transportation and easy access to such countries as Spain Italy, Holland, England, and Switzerland, seemed to be the best part of their stay. Also they all agreed that besides France, Italy was their favorite country.

Because of their individual interests, each made his own very special and unique discovery about urope. For Larry it was the city of Florence and the beautiful art that is Europe itself. It was also impression that changed his whole personality. Lynetta discovered the beauty of medieval towns and Roman ruins and the fact that traveling has stimulated her whole desire for learning. For Sue it was the people and culture of France itself. She traveled by hitchiking, a practice common among students there. She and a friend even set a kind of record in timing on a trip to Paris.

The three brought back memories of an experience that taught more than any book or class. Each wants to go back; Lynetta for a summer ork on hermaster's degree. Larry to

Sue wouldn't mind going back forever and intends to return as soon as she possibly can.

France is a long way from GSC's campus. But for three students here it was an unforgettable and wonderful reality

In the southern part of France, about an hour's drive from the French Riveria, there is a city named Aix-en-Provence. This city was the home of three Glenville State College students from September till June of last year

Through the urging of Miss Strain, former member of Glenville's faculty, Sue Bumgarner, Lynetta Martin, and Larry Richardson participated in a "Junior Year Abroad" program for American college students. In this program the students attended Institute for American Unithe versities runby the Britishin Aix-en Provence, taking classes that would count as credit towards their major field of study

Each of the three students stayed with a French family in the city. For Lynetta and Sue who are French majors and speak the language fluent-ly, the situation was ideal. But Larry, an art major, spoke little French and communicated the first few
