\$30,000 Given To Library By Board Of Regents' Action

The book budget for the Robert F. Kidd Library was recently doubled over last year's figure by action of the Board of Regents on Friday, Oct. 8. The Board allocated funds to the State Colleges and Universities to supplement the previous amounts that were budgeted for library books and materials. Glenville

State's allotment for 1971 - 1972 came to \$30,000.

This large sum of money is being made available through the special service fee charged to all out-of-state students. This fee results in an increase of \$75 for these students per semester.

The allocation was made upon a basis of deficiency in the present library collections. RFK Library now contains 84,000 volumes; however, according to American Library Association standards for the size of GSC the library should contain 105,000 volumes.

Mr. David Gillespie, head librarian stated that the money which will increase the book budget to \$80,000,

over last years \$40,000 will be used to decrease the library's deficiency. Mr. Gillespie's plans include using \$5,000 to increase the periodical holdings and missing back issues. An amount will also be spent on ERIC, a micro fiche system, which will improve the versatility of the collection. Around \$8,000 will be spent this year for audiovisual materials.

The remaining amount will be divided among the various departments according to their needs. The areas of the largest need will be decided upon by the library committee. Also announced at this meeting was the plans of new shelving which will increase the book capacity for the library. The shelving is presently at the maintenance building and will be installed around the last of November.

Tryouts Held For "No Exit"

Mr. Gerald Ratliff, GSC drama coach, is announcing tryouts for the new play which will be presented in December.

Tryouts for No Exit by Sartre will be held in the Little Theatre Wednesday and Thursday, Oct. 20-21 from 4-6 p.m.

This play was directed by Mr. Ratliff in 1969 as an off-Broadway play at the Little James Theater. The play calls for total involvement and for audience participation.

Sartre is the most outspoken of the existentialists and he also won the Nobel Prize for literature. No Exit is his mouthpiece for existentialism. This play concerns three people who find themselves in Hell. Hell is a French provincial living-room with only three couches. Hell for each person means a personal torment and it reveals a great deal about their private lives.

There are four characters in this play: Valet is the host of Hell, a middle-aged newspaperman who is a coward, a nymphomaniac, and a plain lesbian.

The audience will be limited to 125 persons per night. Each person must have a ticket. There will be no charge and tickets can be picked up in the underground.

Tentative dates for this play are Dec. 9-12 and it will be presented in the Wesley Foundation Building.

Everyone is invited to tryouts. Rehearsal will be primarily in the underground.

Pioneers Crush Bobcats, Led By HB Carl Alloway

The Glenville State Pioneers led by the running of halfback Carl Alloway crushed the Wesleyan Bobcats 43-10 for their first victory of the season here Saturday afternoon.

Alloway scored three half touchdowns and rushed for 150 yards in the first half. Alloway's touchdowns came on runs of 65 yards, seven yards, and 12 yards.

The Pioneers led at the midway point 19-3 and added three TD's and a Ray Swisher field goal while the Blue Bandits allowed Wesleyan only one touchdown in the final half.

The first Pioneer score came when Carl Alloway raced seven yards for a TD. The score was set up when Paul Ashby punted the ball into the Bobcat coffin corner at the two yard line. The Bobcats moved the ball to the 15 yard line when a fumble on the handoff was recovered by Pioneer Bob Lipscomb. The offense then took quick advantage of the break and scored in three plays. Swisher's point from placement was true and Glenville led 7-0.

The Bobcats moved the ball to the Pioneer five yard line before their drive stalled and Joe Calaci booted a 27 yard field goal.

Moments later the Pioneers scored again when Alloway capped an 80 yard drive with a twelve yard spurt into the end zone. The kick by Swisher was wide and the Pioneers led 13-3. The drive was led by the running of Alloway and quarterback Randy Jeffries.

With less than two minutes in the first half Carl Alloway took a handoff from Jeffries on his own 35 yard stripe and raced straight through the Bobcat defense 65 yards for a score. The try for the point by Swisher was blocked. The half-time score was Pioneers 19 - Wesleyan 3.

The second half was all Glenville

as the Pioneers scored 17 points in the third period. The Pioneers scored when Roger Bonnette picked off a Bobcat pass and returned it to the Wesleyan 22 yard line. A 15 yard pass play from Jeffries to Ken Morrison set up a one yard plunge for the score by Mike Robinson. A two point conversion from Jeffries to Morrison was good and Glenville led 27-3.

Wesleyan then drove 83 yards with Dennis Hingensmith going in from five yards out. Joe Calaci kicked the point and the score stood at Pioneers 27 - Wesleyan 10. Raymond Swisher put Glenville in the board again with a 36 yard field goal. The last score of the third quarter came when "Ramblin" Randy Jeffries tossed a five yard scoring strike to wide receiver Richard Richmond to complete a 44 yard drive. The try for the point by Swisher was blocked.

The final score came when Glenville lined up for a Swisher field goal attempt. Wesleyan rushed everybody and Jeffries coolly dropped back and hit Mike Robinson in the end zone for a 17 yard score. Swisher kicked the point and the 43-10 score in favor of the Pioneers was final.
