## 38th Annual Homecoming Attracts Many Spectators

Saturday, Oct. 23 marked the thirty-eighth annual GSC Homecoming. Throughout the day, many events took place which made the day exciting and hectic.

Friday evening, the downtown window competition was judged. The Country Store on Court Street won the contest.

Saturday morning the parade took place, beginning at 10:30. The first place float was made by the Major's Club. Their theme was "Who in the World is Glenville?" Delta Zeta sorority placed second with their float entitled "Tribute to Past and Present Football Coaches." Alpha Rho Tau finished third with the float entry entitled "Mold the Future." Honorable mention in float competition went to Tau Kappa Epsilon, Council for Exceptional Children, and Theta Xi.

Coronation, due to the rainy weather, was held in the Auditorium. Miss Brenda Dillon was crowned queen of the thirty-eighth Homecoming. Former GSC Homecomingqueens and Pioneers were presented here and honored after coronation in a reception.

The Glenville-West Liberty game was played on the muddy field of Rohrbough Stadium. At the half time of the game, the annual Montrose Award was given to David Barnes. Mrs. Montrose, mother of Frank Montrose for whom the award is presented, attended the game and was also introduced. Former Montrose winners were also introduced and included Jackie Joe Robinson, John Flint, and Jim Frasier.

The Alumni Reception was held in the Multi-Purpose Room. It was well attended and produced a very good time for those attending.

## Study Abroad Program Available To Sophomores

Any sophomore student interested in participating in a junior year abroad program for 1972-73 should contact Dr. Bruce Flack as soon as possible for information about the program.

Glenville State College is a member of the Regional Council for International Education, therefore, the students here qualify for spending the junior year at Basel, Switzerland or Verona, Italy. The Council also operates a shorter foreign study program in Cuernavaca, Mexico. Financial assistance for students wishing to participate in the program is available.

## Homecoming Reception Held For GSC Alumni

Approximately 100 alumni attended the luncheon which followed the coronation Saturday. Honored guests were former GSC Pioneers, Montrose Award recipients, Homecoming Queens, and their families.

Nearly 250 guests attended the reception succeeding the homecoming game. The reception was open to all GSC alumni, their families and friends.

New catalogues will be available for first-time freshmen and transfer students in the college auditorium at 9:30 a.m., Thursday, November 4, 1971. Please be present to receive your copy.

Saturday evening was highlighted by the Homecoming Dance which was sponsored by the Student Congress. Appalachian Express provided entertainment for the dance, which has been termed a success by the Student Congress.

## Counselors Are Guests

Oct. 14 and 15, a limited number of high school counselors, from within a general radius of Glenville, were entertained by the college. The purpose of the conference was instruction on the various programs GSC has to offer so that the counselors can better inform their individual high school students.

Both days were filled with activities for the counselors. Thursday evening included an informal discussion of college admissions and financial aid led by Mr. Beryl Langford and Mr. Larry B. Lamb respectively, and the counselors were guests at the "Charlie Byrd Quintet" concert. Friday included more conferences, a question-answer period in which many college department representatives participated, and a short tour of the college.

Requests to participate in this conference were sent to 157 high schools who largely supply the college GSC hopes to follow up this conference by going to see those schools who were represented.

Those counselors present at the conference included: Mrs. Robert Gainer-Braxton County High School; James N. Hudgins, Mildred M. Booth-Barboursville High School; Flora Vaughn, Ann Maynard who was accompanied by her husband-Hurricane High School, Peggy Sherwood-Wirt County High; Isabel Strickling-St. Marys High; Margaret Snider-Harrisville High School; Elizabeth C. Hill-Clay County High; Glenn A. Thomas-Nicholas County High; Mary Louise Rinehart, Robert E. Reed-Lewis County High; Neil E. Richards-Philip-Barbour High School; Steven W. Perry, Curtis Hayes-Magnolia High School; Adaline B. Cooper-Tyler County High; Michael J. Reed-Williamstown High School; Barbara Phillips, Sue V. Moore-Parkersburg South High School; Daniel C. Miller-Sistersville High School; and Charles E. Keefer-Ripley High School.

Pictured above are the 1971 appointees for Who's Who. They are left to right seated Marlene Parsons, Judi Arnold, Ed Suddath, Karen Kibble, Ann Starcher, Janet Alkire. Row two Darlene Hart, Karen Price, Jeannine Worstell, Jeannie Field, Susan Morrison Pitts, Melody Johnson, Joyce Savage, Linda Morrell Mayfield, Debra Wade Scalise, Darling Dye. Row three Jim Settle, Wade Coffindaffer, Ken Davis, Jim Spicer, and Dave Wynne.

## Twenty-five Represent GSC In Who's Who Honor Group

by Brad Humphreys

Twenty-five seniors have been chosen to represent GSC in Who's Who Among Students in American Universities and Colleges. They include Janet Alkire, Judith Arnold, Frederick Boothe, Keith Boyles, Wade Coffindaffer, Kenneth Davis, Darling Dye, Jean Marie Field, Darlene Hart, Melody Ann Johnson, Karen Kibble, Linda Morrell Mayfield, Richard Miller, Marlene Parsons, Susan Morrison Pitts, Karen Price, Joyce Savage, Debra Wade Scalise, James Settle, Michael Smith, James Spicer, Ann Starcher, William Edward Suddath, Jeannine Worstell, and David Wynne.

Miss Alkire, from Walkersville, is a home economics major and language arts minor. She was on the Dean's List two semesters, and a member of the National 4-H Congress in 1969. She received the Claude Worthington Benedum Scholarship in 1968, and was secretary of an FAO Committee in 1971. Miss Alkire was chosen princess to the 1971 Cherry Blossom Festival in Washington, D.C., senior Centennial princess, and a Strawberry Festival princess. She was chosen Miss GSC in 1970; was a contestant in the Campus Covergirl Contest; and was GSC's contestant to the 1970 Miss W.Va. Pageant. She is also a member of Sigma Sigma Sigma social sorority.

Miss Arnold, an early childhood and elementary major and social studies language arts minor, comes from

Charleston. She was a member of Inter-Residence Council, an Ohnimgohow, and a member of the Commencement Committee. She was secretary of the Freshman Testing Committee, and an active member of the Student Congress as Greek Representative and Recording Secretary. Miss Arnold is a sister of Sigma Sigma Sigma sorority.

Mr. Boothe, who was born in Akron, Ohio, is a social studies major and a language arts minor. He has been a member of the Dean's List, the Student Council, the Constitutional Committee for Student Congress, and the Centennial Historical Committee. He is one of the founders of both the Historical Society and Lambda Chi Alpha fraternity; and was vice president of that fraternity. Boothe has also been vice president of Greek Council, and of the Historical Society. He served as president of the Sophomore class, as Homecoming escort, and as a member of the Mercury staff.

Born in Clarksburg, Keith Boyles is an English major and a social studies minor. He has been a member of the Concert Choir for two years, Gamma Beta Phi for four years, and of the Literary Society. Boyles has served as president of both of these organizations. He is also a member of Lambda Chi Alpha fraternity, and has been news editor and advertising manager of the Mercury.

He has been on the Dean's List, escort of the sophomore princess, and junior class representative to the Student Congress. He has also been a member of the Scholarship and Convocation-Lyceum Committees.

Also born in Clarksburg, Mr. Coffindaffer is majoring in social studies comprehensive. He has served as ritualist, fraternity educator, and president of Lambda Chi Alpha fraternity; and as LBH representative, and treasurer of Student Congress. Coffindaffer has also been a member of LBH Judicial Board, and a representative to Interfraternity Council. This year he is the Centennial Pioneer for GSC.

Mr. Davis, who was born in Cleveland, Ohio, is a social studies major and language arts minor. In the 1969-70 school year, he was president of the Cosmopolitan Club; Sgt. at Arms of L.B.H.; a member of the Judicial Board of LBH and of the LBH Constitutional Revision Committee; president of Inter-Residence Council; a member of the Environmental Issue Committee; secretary-treasurer of the Young Democrats for two years, and presently he is president of the Young Democrats.

Mr. Davis has served as a member of Student Congress, the Commencement Committee and the Montrose Award Committee. He also served as a president of LBH, chairman of Who's Who Committee, and secretary of the Freshman Testing Committee. He was also a contributor to Confrontation and a columnist for the Mercury. This year he is feature editor of the Mercury, a member of the Academic Affairs Committee and of the Inter-Residence Council. Davis is also a member of Gamma Beta Phi, and has also been listed in the National Student Register.

Miss Dye, a native of Columbus now living in St. Marys, is a business education major and home economics minor. She has been a representative to Student Congress, a member of (continued to page six)

## Kodak Gives Aid To GSC

The Tennessee Eastman division of Eastman Kodak Company has awarded Glenville State College a \$1,000 grant. Grants are given to all publicly and privately supported colleges and universities from which Eastman Kodak employees graduate. On the anniversary of five years of employment with Eastman Kodak a grant is made of \$250 for each college year attended by the employee.

The grant to Glenville State College was awarded in behalf of Kenneth L. Tingler a 1966 graduate of GSC. Mr. Tingler, from Sutton graduated with a B.S. degree and is now located in Kingsport, Tenn.

The money is to be used with the Federal Matching Program which will make it possible for \$10,000 in additional loan funds to be available to eligible students.

Homecoming Queen Brenda Dillon is shown receiving a bouquet of roses from Student Congress President Ed Suddath during the coronation last Saturday.

Anyone interested in enrolling their child in the Glenville State College Nursery School for the second semester should contact Miss Elma Jean Woofler, 462-7361, Ext. 276, for an application form. To be eligible a child must be four years of age by November 1, 1971, and the first six enrollees are accepted.

## Voter Registration Reiterated By 'Jay'

The following information was received from the office of John D. Rockefeller IV, Secretary of State. We take this opportunity to remind all students that it is your duty as well as your privilege to exercise your right of franchise. Knowing that those new voters between the ages of 18 and 21 have the power to change the tide in many elections makes youth and young ideas a more integral part of American politics.

ATS

To be qualified to vote in West Virginia one must be a resident of the State for one year and of the county or municipality for sixty days and be at least eighteen years of age. Persons who are seventeen years of age may vote in the State Primary if they will be eighteen by the day after the General Election. However, only persons who have attained the age of eighteen years may participate in special elections. (Persons who are of unsound mind, paupers or under conviction of treason, felony or bribery are not eligible to vote.)

Registration is generally by personal appearance at the office of the county clerk which is usually in the county courthouse. One registers as a Democrat, Republican or Independent. In the Primary Election, Independents vote only for

non-partisan candidates, such as candidates for the board of education, and on public issues.

It is my opinion that registrars may require applicants to furnish reasonable evidence that they are qualified to vote. For this reason, I recommend that students who wish to make application to register have with them their birth certificates, drivers licenses or some proof of their age. This is not mandatory but desirable. If the applicant is a naturalized citizen, the date of naturalization order, the name and place of the court and certificate number must be supplied.

Those students who wish to register to vote in their West Virginia communities of origin may register by personal appearance at the county clerk's office in their home county or by mail. A form may be obtained from the county clerk's office for those who wish to register to vote absentee by mail.

One must register at least thirty days before an election to be eligible to participate in it. The Primary Election will be held May 9, 1972, and the General Election will be held November 7, 1972.

John D. Rockefeller IV  
Secretary of State

## Freshman Class Is Lauded For 'Who-Cares' Attitude

This article is to commend the freshman class on their enthusiasm and support of the Homecoming activities.

To begin with, an extraordinary number of six freshmen showed up for the snake dance on Friday night. Excitement prevailed as the cheerleaders led the "masses" to the bonfire, which, by the way, was magnificent, and built by all of three or maybe four freshmen, men. When the "crowd" reached the bonfire, the cheerleaders led a few cheers and the spirit was tremendous. But these overwhelming responses did not even give a preview of what was to come.

The next day, in the parade, undaunted by all the rain, five freshmen girls showed up to march. Surely the crowd was impressed with the amazing number that represented the freshmen class.

The queen's float in the parade was beautiful, really and truly. It was an achievement that the class could be proud of. That is, the six in the class that made the float.

But, what of these numbers? Four, five, or six out of 300? Surely it is a mistake. No, the figures are correct. Even more astounding is that it was the same four, five, and six that participated in all of the events that also built the bonfire and float. It is sad, for this to happen. Especially, it appears for the class president, instead of being a leader, he and a few classmates seem to have acquired full time jobs.

It is said that freshmen think it "cool" to be apathetic. It seems obvious through their total lack of enthusiasm and participation that this is so contrary to this belief, the most fun part of being a freshman is to participate. Becoming involved is the key to making college life something, as evidenced by the upperclassmen. Observe for example involvement in pep rallies— who is there? Upperclassmen! By assuming a "who-cares" attitude the freshman is only hurting himself.

So, first a commendation, a sincere one to the freshmen who cared. The ones who did work and participate showed their dedication. And a warning to those who didn't care; if this attitude prevails freshmen may find the upperclassmen surprisingly apathetic—"who-cares" about freshmen?

An Interested Bystander

Ohnimgohow Pledges are: (1 to r) Vicky McGrainer, Bob Dye, Marquite Stevens, Ruth Snyder, Doug Murray, Second row Jerri Gerlock, Becky Cross, Phyllis Barnhart, Lee Harbert, Dave Grapes, Ellen Forren, Becky Grapes, Carol Hillary, Linda Bennett, Anita Cline. Third row Barbara Hughes, Kim Johnson, Phil Duncan, Bleu Lazier, Terry Thayer, Linda King, Susan Burchett, Steve Lamb. Fourth row Gary Haddox, Janet Spears, Karen Yost, Jesse Rader, Kathy Fluharty, Judy Turner, and Becky Wiant.

## Muckraking

by Ken Davis

Although it has been about a year since I last wrote this particular column, I felt that something needed to be said about the recent action taken by the United Nations.

By a lopsided vote of 76-35, with 17 abstentions, Red China won a seat in the United Nations. Just previous to this decision, a United States resolution which would have provided UN seats for both Nationalist and Red China was struck down by a 59-55 vote and 15 abstentions. With this historic decision, Nationalist China, a member of the UN for over two decades left the United Nations.

What can be the result of this particular event? It means the loss of an ally of the United States from the UN, and also from the Security Council. It means a new area for embittered disagreements between two distinct Communist blocs, that being the Soviet Union and Red China. Also, it means a new Communist member on the Security Council to cast that one vote, which is all that is needed to end any particular action to be taken by that body.

I feel this decision is one of the most vitally important decisions ever

made in the twentieth century. It leads me to believe that not only will it affect the world as a whole, but, due to the liberalization of the States foreign policy toward Red China, a Communist nation, by President Nixon, it will hurt his chances for possible reelection in 1972.

Thought for the Week:

"A cucumber received as gift is worth as much as a bought watermelon."

## Delta Zeta

On Monday, Oct. 26, the sisters of Delta Zeta held an informal meeting in the chapter room of the sorority house.

The trophy presented to the sisters for second place in the float competition, in the homecoming parade was acknowledged.

At the meeting it was also decided that the sorority give cookies to the rest of the fraternities and sororities, Dean Wright, Mr. and Mrs. Ralph Gay, and Mr. and Mrs. Wilt on Thursday, Oct. 28 for Halloween.

The sisters decided to help Lambda Chi Alpha fraternity give groceries to needy families by donating groceries themselves.

## Lambda Chi

During Homecoming weekend, the brothers of Lambda Chi Alpha held a meeting for the alumni of Beta Beta chapter for the purpose of starting an alumni chapter and setting up a nominating committee for the alumni officer election. November 20 was set as their next meeting date.

High Kappa Bill Webb has introduced two more phases of the fraternity education program. His committee has organized a "live-in" program which enables associate members to stay on the chapter's floor sometime during the week. Also, a fraternity night has been instituted to enable the brothers and associate members to work together on improving the floor.

It was announced by High Alpha Wade Coffindaffer that chapter consultant Dennis Jorgensen will be the guest of the chapter this weekend.

The Literary Society will hold a meeting Sunday, Oct. 31, at 3 p.m. in Old Louis Bennett Lounge. Topics under discussion will be Bernard Shaw's *Four Plays: Caesar and Cleopatra and Candida*.

Everyone is welcome to attend the meeting. Refreshments will be served.

## 'Players' To Pledge Class of Forty-nine

The Ohnimgohow Players held a meeting on Oct. 6 inviting all students who wished to join the organization to attend. Forty-nine students signed a paper stating that they would like to join; this is the largest number of pledges in Ohnimgohow's history.

Out of the forty-nine pledges, thirty-three will become actives. The following persons have been chosen by the Ohnimgohow actives to be initiated: Steve Lamb, Carol Hillary, Susan Burchett, Anita Cline, Jesse Radar, Kathy Fluharty, Janet Spears, Terry Thayer, Phyllis Barnhart, Lee Harbert, Becky Wiant, Ruth Snyder, Kim Johnson, Bob Dye, Nancy Taylor, Stephen Martin, Karen Yost, Judy Turner, Jerri Gerlock, Ellen Forren, David Grapes, Becky Grapes, Marquite Stephens, Phil Duncan, Becky Cross, Linda King, Linda Bennett, Gary Haddox, and Barbara Hughes, Bleu Lazier, Doug Murray, Ed Williams, and Vickie McGrainer.

There will be a pledge party for the new actives on Oct. 30.

One of the activities being planned by the Ohnimgohow Players is a trip to New York from Dec. 18-24. Some of the highlights of the trip are a tour of Greenwich Village, a trip to the United Nations, and attending plays.

In order to make money for the trip the Players will have bake sales, car washes, and variety shows. The group hopes to raise \$1500 for the trip.

Lately the Underground has been going through many changes. Pictures have been hung, curtains have been made, and the walls and woodwork have been painted. Students and faculty are invited to attend open house in the Underground on Nov. 6. Coffee will be served.

## GSC Faculty Member To Plan Speech Festival

Mr. Gerald Ratliff, instructor in English and speech, has been elected chairman of the 1972 West Virginia Intercollegiate Speech Association's Oratory Festival (WVISA).

WVISA is comprised of all the colleges and universities in the state of West Virginia and is responsible for the planning of the annual state convention held at Jackson's Mill in the spring of each academic year.

Mr. Ratliff will serve on the Executive Council of the WVISA and be responsible for planning and co-ordinating the oratorical activities of the state convention to be held April 20-22 at Jackson's Mill.

## 'Chicago' Hits Charleston In November Performance

Plenty of action will be staged by Chicago, a sound of the 70's musical group, when they return to Charleston Nov. 14 for their third visit. Under their interim name, "Chicago Trans-It Authority" they appeared at the Civic Center as a back-up group more than two years ago and again in Oct. of 1970 as Chicago.

Chicago was born in the city of the same name and is influenced by the sophisticated urban area and common essence of Middle America. The group has been an ever-changing rock experiment from early days as a revolutionary bar band called the "Big Thing in the Windy City." It's evident that this Chicago "musical conspiracy" is dedicated to overthrowing most preconceived notions about the nature of rock.

The production is a Lashinsky Brothers presentation and tickets may be purchased at the Charleston Civic Center and all National Shows ticket outlets for the 8 p.m. performance of Chicago, Nov. 14.

The library's new laminator is being put to use by one of the library assistants.

## Learning Materials Center Acquires General Binding Company Laminator

The Learning Materials Center of the Robert F. Kidd Library has recently acquired a General Binding Corporation Laminator which is now available for use by students and faculty. This machine utilizes heat and pressure to laminate rollers by the film-fusing action of heat under uniform pressure.

Materials which can be laminated include all types of porous materials such as most types of papers, cardboard, wood and cloth. One recent use of the Laminator has been laminating of leaves and branches by Forest Technology students.

The Laminator uses film which is up to 12 inches wide. To provide a complete seal around all edges, the material to be laminated should be less than 12 inches. However, if lamination of only part of the sheet is necessary the material may be as wide as 12½ inches.

Supplies necessary for lamination cost the Learning Materials Center 15 cents per foot. This service is available to all students and faculty free of charge as they develop a need for lamination.

The GBC Laminator is easily operated when using, one simply depresses the preheat button and when the amber ready light comes on, which is around a three minute interval, the machine is ready to laminate. Then by merely arranging the materials in a desired pattern and pressing the run button, the lamination process is completed. If any assistance is necessary, there will be a student assistant on duty in the office to help. The Audiovisual office and the production room is open on Monday through Friday from 8 a.m. - 5 p.m. on Saturdays from 9 a.m. - 5 p.m. and on Sundays from 2 p.m. - 8 p.m.

The Laminator is invaluable in providing "total protection lamination" to papers, documents, and photographs. GBC Laminators can also be used to make full-color transparencies for overhead projection—a valuable audiovisual training aid.

Homecoming Queen Brenda and her court fight rainy weather through the Homecoming parade.

## Art Students Travel To Pittsburgh, Pa. To Tour Home Of Edgar J. Kaufmann

by Susan Barnhart

On Oct. 21, a number of GSC art students were seen walking "sleepy eyed" to the cafeteria for breakfast at 6:30 a.m. before going on a much anticipated trip to Mill Run, Pa.

After a light breakfast of fried eggs and bacon, the scholarly artists picked up their packed lunches consisting of two ham, cheese, and lettuce sandwiches and a red delicious apple. At approximately 7:00 a.m. they boarded the blue and white GSC bus.

There was much chatter over the long trip ahead. The students were impatient to begin the awaited journey. However, there was no bus driver. Searching began for a competent driver and one was not found until 7:45 a.m. At last, the excited artists were on their way.

Their first stop was at 7:50 a.m. behind the GSC maintenance building. The students had to wait several minutes while the bus was fueled and the first car sick victim descended the vehicle and went back to Women's Hall.

Again the students were off. They enjoyed the scenic splendor of the strip mines along "I-79" and their minds were not diverted from the landscape until a WVU bus drove into their path on the outskirts of Morgantown. This marked the first time that the university had ever met GSC in any competitive activity. GSC was victorious, since the WVU bus had to relinquish the right hand lane to its smaller counterpart.

The trip once more was pleasant. Someone in the back of the bus provided patriotic and religious kazoo music for the entertainment of those present.

Then, one of the faculty chaperones realized the bus had traveled several miles in the wrong direction

down Breakneck Ave. in Connellsville, Pa. The bus driver turned the bus around on the appropriately named avenue, and proceeded in the proper direction.

At last, the students safely reached their destination. The trip had been worth the excitement. All were amazed at the spacious Fallingwater residence built over the waterfall for which it was named.

The home was designed in 1936 by Frank Lloyd Wright, the well-known architect, for the Pittsburgh department store owner, Edgar J. Kaufmann.

In 1939 the house was completed with the guest and service wing. Wright combined the beauty of the Bear Run forest area, the sandstone boulders, the free-flowing stream and the native Appalachian flowers with his architectural design, creating virtually a marriage between the dwelling and nature.

The house is dramatically cantilevered over the stream. Its foundation is of concrete and sandstone quarried on the Mill Run property.

The curtailment residence forms the image of man's desire to be with nature. Though the Kaufmann house served at one time as a home, it was designed to be more than that. It is, beyond common marks of excellence, a work of art!

Students enrolled in color and design, painting, and ceramics classes found special interest in the residence.

Those who were able to experience the human response to nature's endless energy and grace were: Linda Barnett, Susan Barnhart, Cheryl Beebe, Linda Bennett, Judy Bias, Sharon Collins, Ilene Cutlip, Nancy Cutlip, Sharon Fisher, Jean Huddleston, Barbara Keener, Debby McCoy, Leon Miller, Jackie Milliken, Deborah Moody, Teresa Morris, Marilyn Murin, Donna Needham, Sheila Nutter, Gretchen Small, Ruth Snyder, Nancy Taylor, Becky von Buseck, Sandra Bennett, Bruce Brummage, and Paul Latos.

## Home Ec. Women Sponsor Activities

Sunday, Oct. 3, marked the arrival of a new team of girls into the Home Management House. The girls are Sally Tucker, a senior from Summersville; Hilda Stump, a senior from Glenville; Carolyn Butcher, a senior from Weston; and Donna Pratt, a junior from Pennsboro. The girls will be staying till Nov. 5 and their duties fall under the categories of: cook; housekeeper; laundress and manager. Each girl will work two, four-day shifts doing each job. Besides this regular work, the girls will team up in two's and carry out special activities.

Hilda Stump and Donna Pratt held their special activity on Sat. Oct. 23. They prepared an after-game buffet served at 7 p.m. at the Home Management House. The girls invited several faculty members and close friends. Their guest list included: Dr. and Mrs. Simmons; Dr. and Mrs. Paul Nagy; Mr. and Mrs. Gary Gillispie; Mrs. Genevieve McDaniels and Mr. Gary Pratt. The menu included: ham with raisin sauce; deviled eggs and a relish tray; mixed vegetables; green beans; baked potatoes; baked beans; and gelatin salad. The beverages served were hot fruit punch and iced tea and the dessert was sundaes and a cake decorated in the shape of a football field.

Sally Tucker and Carolyn Butcher held a tea for their activity. The tea was served Thursday, Oct. 28 from 3:30 to 5:30 p.m. at the Home Management House. The girls invited several neighbors and friends. They prepared finger sandwiches, Russian tea cakes, seven-layer cookies, fudge, nuts, and punch.

Si Galperin  
State Senator

## State Sen. Galperin To Deliver Address

Mr. Si Galperin, Jr., W.Va. State Senator will deliver an address before the students and faculty of GSC on Wednesday, Nov. 3, at 11 a.m. in the auditorium. The Kanawha County Senator and former member of the House of Delegates will present his views on the subject of strip mining.

The issue of the abolition of strip mining was included in Senator Galperin's platform when he was elected as senator in 1970. He also introduced a bill to abolish strip mining in West Virginia during the 1971 session of legislature.

Active throughout the state, Senator Galperin served two terms in the W.Va. House of Delegates from 1966-1970. He is past Director of the National Association of Music Merchants; now serving as treasurer of the Creative Arts Festival of W.Va.; treasurer of the Mountain State Chapter Izaak Walton League of America; and as second vice-president of the W.Va. Music Teachers Association.

Senator Galperin graduated from Washington and Lee University with a B.S. degree in Commerce in 1953 and is presently employed as Executive Vice-President of Galperin Music Co., Inc. He is married to the former Rose Marie Rogers, a graduate of GSC with the class of 1955. The couple have two sons and reside in Charleston.

The American Red Cross Senior Lifesaving course will be taught starting Monday Nov. 2, and lasting until Dec. 1. The meetings will be every Monday and Wednesday night from 7:00-9:00 for a total of 16 hours. Any interested student can participate.

Queen Brenda Dillon and escort Ed Suddath are pictured after coronation ceremonies Homecoming Day.

Majors Club took first place with their float "Who in the World is Glenville."

## Alpha Delta Epsilon Holds Smoker To Promote New Membership

Alpha Delta Epsilon business fraternity began its membership drive with a smoker on Thursday, Oct. 7. Several prospective members attended. The purpose of the smoker was to explain the purposes and activities of ADE and to acquaint future members with the actives.

On Oct. 12, plans were made for the pledge period for new members. Some of the rules were that all pledges were required to wear a sign with their name on it telling that they were an ADE pledge, each pledge had to obtain all the signatures of the actives, wear a red and white ribbon all three days of the pledge period, and to wear red and white on the day of initiation. Pledges also spoke to all the active members and made a plaque to present to their big brother or sister on the day of initiation if the big brother or sister required this.

The pledge period began on Oct. 14 with the assigning of big

brothers and sisters and enforcement of above rules.

Initiation was held on Tuesday, Oct. 19. The following people were accepted as members of ADE: Eugene Bell, a junior business administration major from Hurricane; John Mussetto, a freshman business administration major from Montgomery, Pa.; Barry Lyons, a freshman business major from Parkersburg; Thomas Humphreys, a junior business administration major from Harrisburg, Pa.; Walter Wolford, a sophomore business administration major from Fredericktown, Ohio.

Jennings Eddy, a junior business administration major from St. Albans; Dale Cox, a sophomore business administration major from Charleston; Mariann DeRico, a sophomore business major from Buckhannon; Reta Kight, a senior business education comprehensive major from Glenville; Patricia Sturm, a sophomore business education major from Grantsville; Ken Vannoy, a freshman business administration major from Ulysses, Pa.

Patricia Klein, a sophomore secretarial studies major from Parkersburg; Mike Wilt, a junior business administration major from Salem, and Bill Bucher, a junior business administration major from Salem.

A party was held for the new members immediately following initiation.

Meetings will be held on the second and fourth Thursday's of each month.

## Poll Results Are Reported

During the 1971 Summer Session a survey of students was conducted by Dean Somerville to help determine some factors regarding why they attended Glenville State College during that period. Of the 423 students enrolled, responses were received from 381, or ninety percent. They came from 41 freshmen, 72 sophomores, 90 juniors, 141 seniors, and 37 graduates. Of the 381 responding, 331 stated that Glenville State College was their home school while 50 indicated they were transient students.

The results of the survey show the main reason students attend summer school is to graduate earlier. Forty percent or 153 students checked this as their most important reason for attending. The second highest first ranked reason was to renew a certificate or add a teaching field. Post-graduate students likely constituted a large part of the 54 who indicated this as their most important reason. While the expense factor was indicated as the most important reason by 22 students, 79 of them ranked it as the second most influencing factor. Some indicated they came because a boy or girl friend was here.

The categories that were given for the reasons for attending were the advice of a friend, the convenience of transportation, expense factor, family tradition, to graduate earlier, to reduce quality point deficiency, the reputation of institution, for scholarship aid, for teacher certification, and others. Others included the items that were added by the students and were not listed among the categories on the survey form. Some of the reasons given were: live near the college, ease course load fall semester, could not find employment, get required courses, make-up courses lost by "F", and prefer a small college.

## GSC Represented By Forest Society

Glenville State College was well represented in the 1971 Forest Festival at Elkins Oct. 6-9. The members of the Forest Technology Society worked diligently during club meetings and completed a well planned project which they entered in the Forest Festival. The theme for this year's Forest Festival was "The Magic Forest."

The project entered by the Forest Society was a three by six foot model of a watershed which was divided into two sections. One section was an ideal situation of a forest land. Above this section a sign read: "This Forest Yields Green Magic." The magical forest yielded such things as wildlife and clean water. The other section of the project had a sign which read: "This Forest Yields Black Magic." This exemplified a forest which had been burned by forest fire and how erosion and pollution took place.

The project was set up by members of the Forest Society and by Mr. Darrell Dean, assistant professor of Forestry at GSC who sponsored the project. Each day of the festival, two members of the society were stationed at the project, which was located in the YMCA Building, to explain the function of the project and answer any questions asked by the spectators.

Second place in the Homecoming float competition was won by Delta Zeta sorority.

## Grad. Fellowships Offered To Students By Foundation

The National Science Foundation is in the process of selecting candidates for its program of Graduate Fellowships. Panels of outstanding scientists appointed by the National Science Foundation will evaluate applications. The final selection will be made by the Foundation, with awards to be announced on March 15, 1972.

Applicants must be graduate students by the Fall of 1972 or must not have completed more than one calendar year of full-time or part-time graduate study by the Fall of 1972. Subject to the availability of funds,

new fellowships awards in the spring of 1972 will be for periods of three years, the second and third years contingent on the certification to the Foundation by the fellowship institution of the student's satisfactory progress toward an advanced degree in the sciences.

Fellowships will be awarded for study or work leading to master's or doctoral degrees in mathematical, physical, medical, biological, engineering, and social science and in the history and philosophy of science.

Awards will not be made in clinical education, or business fields, in history or social work, or for work leading to medical, dental, law or joint Ph.D. professional degrees. All applicants must be citizens of the United States and will be judged solely on the basis of ability. The annual amount for Graduate Fellows will be \$3600 for a twelve-month period with no dependency allowances.

Applications will be required to take the Graduate Record Examinations which will be administered by the Educational Testing Service on Dec. 11, 1971 at designated centers throughout the United States and in certain foreign countries.

The deadline date for the submission of applications for NSF Graduate Fellowships is November 29, 1971. Further information and applications materials may be obtained from the Fellowship Office, National Research Council, 2101 Constitutional Avenue, N.W., Washington, D.C. 20418.

### CAKE SALE

The Phi Delta Phi Home Economics sorority is taking on a project of baking cakes for "Special Occasions." Anyone desiring a cake please contact a Phi Delta Phi member or Mrs. Roma Adkins in the Home Economics department. Please make orders a week in advance.

Wednesday, Nov. 3, is the last day for dropping classes. Until that date, withdrawal may be made with a mark of "WP" or "WF". After Nov. 3 a student may not drop a class except with a mark of "WF" unless for very urgent reasons beyond the control of the student, such as hospitalization, etc.

## Lewis Co. Interviewer To Appear On Campus

Mr. John Johnson, a representative of the Lewis County school system, will be on campus Tuesday, Nov. 5 at 1 p.m. to interview prospective May or December graduates.

Primarily, Mr. Johnson is interested in seeing people from the early childhood education and special education fields to fill elementary school positions and people from the French department to fill secondary school positions.

Appointments to see Mr. Johnson may be made at the Placement Office.

Third place in the Homecoming float competition was captured by Alpha Rho Tau.

Former Homecoming Queens returned to enjoy the Centennial Homecoming festivities.

Dave Barnes accepts the Montrose Award from Dr. D. Banks Wilburn at halftime activities of the Homecoming game.

## Intramural Teams Change Tournaments

Intramural Volleyball is now in full swing with games being played on Monday and Thursday nights. The tournament has been slightly changed from last year. The top three teams from each flight will go into single elimination tournament to decide the tournament championship.

The flights and standings are as follows:

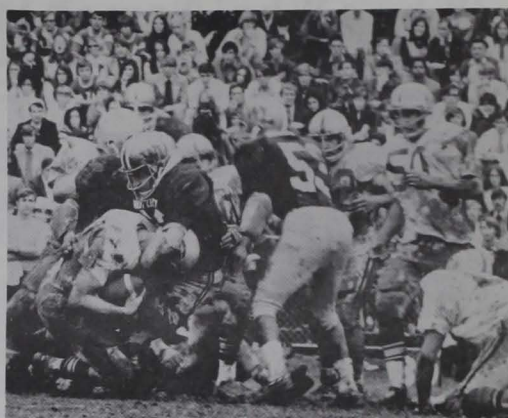

Flight I	W-L
Boogerhole Allstars	2-0
STS	2-0
Lambda Chi I	1-1
Faculty I	1-0
Theta Xi Animals	0-1
Terrors	0-2
TKE I	0-2

### Flight II

Theta Xi Targus Bombers	2-0
Boogerhole Allstars II	2-0
Theta Xi Alleycats	1-0
Lambda Chi II	1-1
TKE II	1-1
Spikers	1-0
Lambda Chi Alpha Lards	0-2

### Flight III

Ramblin Wrecks	1-0
Brooklyn Bay Bombers	1-0
Martins Maulers	1-0
Theta Xi Unicorns	1-1
Faculty II	0-1
Theta Xi Greeks	0-2
What ye Callims	0-0

John Pratt is wrestled to the muddy turf of the Rohrbough field, by the Hilltopper defensive line as he attempts to gain some yardage for the Pioneers.

## Down On The Corner

by Mike Smith

Pioneers to meet State...

The Pioneers with a record of 2-4-1 travel to Institute tomorrow to face the battle worn Yellow Jackets of W.Va. State. The Yellow Jackets won their first two games over Concord and Tech and then lost in a close one to Fairmont. Since then the Yellow Jackets have not won. They lost to West Liberty, then lost a close one to Bluefield. Howard University beat

them 41-6 and last week Central State pounded them 26-0.

State is playing without the services of all conference halfback Ed Lee who was injured in the Howard game. Charles Singleton replaced Lee and has done a good job. Offensively the Jackets are led by the running of fullback Fred Venson and the passing of Rod Smith. Former quarterback Larry Watkins is now a wide receiver and is the leading pass receiver on the squad. Offensive end Ron (Butch) Saunders is also a fine pass receiver. Defensively the Jackets are led by rover Howard Dorsey and middle linebacker, all conference Jack Summers.

A Mistake...

The UPI made a terrible mistake this past week when they failed to mention WVU sophomore halfback Kenny Marbury to their backfield of the week. Marbury only gained 291 yards in 22 carries and scored three touchdowns to lead the Mounties to a victory over Temple. Marbury not only failed to make the team, he was not even mentioned. Maybe the UPI feels that WVU competition is very stiff but Temple is certainly as stiff as the competition Cornell faces. UPI has named Cornell halfback Ed Marivaro to the team four times this year.

Memorium...

Detroit wide receiver Chuck Hughes died of a heart attack he had during a game Sunday with the Chicago Bears. Hughes was a very good athlete and he died doing what he did and loved best—playing football.

Everybody keep that good attitude...

## Carl F. Williams Leads Centennial Star Club

Carl Williams is an outstanding linebacker for the Glenville State College Pioneers. Williams is leading the Pioneer football team in Centennial Star Club points with 212. These stars are awarded on the basis of a players performance against opposing football teams.

Williams is a 5'10" 195 pound inside linebacker from Webster Springs. He was an all sports star at Webster Springs High School. When Williams came to Glenville, he was listed as a quarterback. After his freshman year, he was switched to an inside linebacker where he has starred for the Blue Bandits.

Williams resides in Glenville with his wife Charlotte and daughter Shonda.

There will be a meeting of the GSC Young Democrats on Thursday, Nov. 4 at 7:30 p.m. in the Student Union. Topic of discussion will be voter registration.

Paul Rigenbough stops a hilltopper dead in his tracks with a vicious downfield tackle on a West Liberty attempted punt return.

## Forestry Club Holds Contest

A tree identification contest was held at the Forestry Building Friday, Oct. 22. The contest was designed for the purpose of seeing whether biology or forestry students could identify more trees. There were three teams each having three members.

The biology team consisted of Glenn Righman, Stephen Nicholson, and Mac Bailes. John M. Cruse, Roger Delaney, and Mike Bailes were the members of the first forestry team and Bev Sears, Jerry Maxwell and Larry Hughes made the second forestry team. Team members were chosen by their instructors because of quiz grades they had made.

Each team member attempted to identify 65 different branches by giving both the common and scientific names with correct spelling for a possible total of 650 points. The highest individual score was 598 which was achieved by Mike Bailes. Larry Hughes was second with 592 and Jerry Maxwell was third with 576.5.

The first forestry team had the highest team score with 1717 while the second forestry team achieved 1701.5 points. The biology team had a total of 1570.5 points.

The forestry contestants have been preparing for this contest three days a week for a total of six hours while the biology students have been preparing for two days a week for a total of three hours.

The losing team has to provide the circulating trophy which will probably be an old cant hook. This contest is being planned for an annual event. Another contest is being planned for later in the winter for students to identify twigs without leaves.

Anyone interested in Bowling for the GSC Bowling Team can report to the Bowling Alley from 3:00 - 5:00 p.m. on any week day.

## West Liberty Defeats GSC In Homecoming Exhibition

The Hilltoppers of West Liberty came to Pioneerland Saturday and spoiled the Centennial Homecoming by defeating Coach Bill Hanlin's charges 14-10.

The game was a defensive battle all the way. West Liberty had 87 yards on the ground and gained 147 yards through the air. The Pioneers gained 42 yards on rushes while gaining 107 through the air.

The Pioneers scored in the first quarter on a two yard run by sophomore Richard Richmond. Ray Swisher came in to boot the extra point for the Pioneers. The touchdown was set up by a big pass from quarterback "Ramblin" Randy Jeffries to tight end Ken Morrison.

With the Pioneers out in front 7-0 the game settled into a defensive battle. The Blue Bandits played the Hilltopper offense to a stalemate in the rain and mud. West Liberty scored in the second quarter when after a sustained drive quarterback Jim Binkman went over from one yard out. Reder kicked the extra point and the game was tied at 7-7. This was the score at the half and the third quarter was much of the same. Finally Ray Swisher broke the ice for Glenville when on the fourth down he kicked a 22 yard field goal to put the Pioneers on top 10-7. Swisher now has made 6 out of his last 7 field goal attempts. He is tied for the conference record with six field goals in one year and has an excellent chance of breaking the record in the last two games.

The score stood at Glenville 10 West Liberty 7 until late in the fourth quarter. Tom Passanetti entered the game for West Liberty as a wide receiver and ran a post pattern. Brinkman threw perfectly and Passanetti outdistanced the Pioneer defense to score from 66 yards. Reder kicked the extra point and West Liberty had won 14-10.

## Women's Volleyball Schedule Reported

The women's intramural volleyball program got under way October 19 under the direction of the women's Majors club and the officiating class.

Seven teams will participate in this year's program. The teams and the schedules are as follows:

Mr. Robert Arnold (left) and Mr. Stanley Meseroll are the new publisher and editor respectively of the Glenville Democrat. (Photo courtesy of Consolidated Gas Co.)

## Local Newspapers Have New Owners

by Marilyn Murin

Mr. Robert Arnold and Mr. Stanley Meseroll are the new owners and operators of the two local newspapers **The Glenville Democrat** and **The Glenville Pathfinder**. The two men bought the newspapers, building, and all equipment from the former owner, Mr. Linn B. Hickman. Arnold and Meseroll took over the ownership and operation of the business on Sept. 1 and published their first issue of the papers that week.

The two men have formed a new corporation in the name of Gilmer Graphics, Inc., with Arnold as president and Meseroll as vice president. Arnold is now the publisher of the newspapers, while Meseroll serves as editor.

Both men have moved from Highland Park, N.Y., and have bought homes here in Glenville. While living in New Jersey the two men commuted by train to their jobs in New York.

Arnold was formerly a senior vice president of The First City National Bank in New York. He is the son of Mr. and Mrs. Simon Arnold and is a native of Glenville. Arnold was graduated from Glenville High School, received his A.B. degree from GSC where he served as student body president and obtained a master's degree from George Peabody University in Nashville, Tenn. He married former Carolyn Hull, also from Glenville. The Arnolds have five children: Mrs. Robin Gaylor; Kelly, a freshman at WVU; Sam and Sara, high school students; and Abigail, an elementary school student.

Meseroll was employed as director of publications of **Sports Afield** magazine before resigning his post there. Meseroll is a graduate of Rutgers University in N.J. having a B.A. degree in English from that institution.

He has done writing and photography for several magazines. Meseroll served ten years as a member of the National Council of Boy Scouts of America and was production director of **Boys Life** magazine. He is married and has two children, Kenneth 19, a student at R.I. School of Design and Judy 14, a high school student. Mrs. Meseroll has accepted a position at the Robert F. Kidd Library.

The readers of the **Democrat** and **Pathfinder** will notice some changes in the papers. The two men plan to have an editorial page and will develop a platform on things they believe will benefit Gilmer County. A locally-oriented sports page featuring high school and college sports news is also planned.
