## Ecology Lecturers Scheduled Nov. 17

Biology 380, Human Ecology, will be open to all GSC students on Nov. 17 at 7 p.m. in the Ballroom. On this occasion, the Appalachian Research and Defense Fund, Inc., will have two representatives on campus to speak to the student body.

Paul J. Kaufman, president, and John P. Boettner, vice president, of the Appalachian Research and Defense Fund, Inc., will speak on the subject "Environmental Problems of Appalachia and What People Can Do."

The Appalachian Research and Defense Fund, Inc. is an organization of lawyers, community organizers and education and training specialists based and working mainly in West Virginia and Kentucky. The organization is viewed as the first concentrated effort of both legal and social action directed toward ending discrimination, human and environmental exploitation, and most importantly, the apathy of government and industry toward Appalachia and her poor.

Students are urged to attend this meeting of Biology 380, and hear the program which is to be presented.

## College Librarians Attending Meeting

A meeting of all chief librarians from West Virginia's four-year colleges and universities began today at 11 a.m. in the Robert F. Kidd Library. The purpose of this meeting is to explore the possibilities of obtaining faculty status and rank for West Virginia's academic librarians. This action came as a result of the apparent need seen by Kathleen Maspero, Chairman of the College University Section of the West Virginia Library Association.

The discussion topic has been divided into three parts. The first part is concerned with discussing the advantages and disadvantages of full academic status and rank with all privileges (9-month contract, tenure, sabbatical leave, etc.) as defined by the Association of College and Research Libraries. To attempt to reach a decision on whether or not they should pursue the granting of faculty status and rank is the second part of the discussion which concerns the librarians meeting here today. The final part deals with formulating a resolution to send to the West Virginia Board of Regents and other proper authorities, if a decision is made to seek faculty status and rank.

While at Glenville State College, David Gillespie, librarian, is serving as the host for Donald Riggs, library director at Bluefield State College and chairman of the committee, and all other members of this special committee.

There will be a mix Tuesday, Nov. 16 in the Ballroom from 7-10 p.m. sponsored by the Greek Council. Admission is \$0.75 per person. Casual dress.

The French Club will hold a meeting Sunday, Nov. 14, at 8:00 at Mrs. Seitz' home at 202 Johnson Street, Glenville.

Sister Bessie (center), portrayed by Cathy Fluharty, practices for Tobacco Road performances with (l-r) Phil Duncan, Doug Morrison, Harry Van Meter, and Susie Smith.

## Theatrical Season Opens Nov. 17 With Tobacco Road

Tobacco Road opens the 1971-72 theatrical season on Wednesday, Nov. 17 and closes on Saturday evening, Nov. 20. Curtain time is 8:05 p.m.

Tobacco Road, based upon the Pulitzer Prize winning novel by Erskine Caldwell is a socio-comic treatment of itinerant farmers who find themselves faced with a challenge of accepting modern trends or succumbing to tradition. The action of the play concerns the Lester family of Georgia. Their plight is highlighted by an odd-mixture of the grotesque, and satirical and elements of macabre humor are mingled with the very real situation of acute starvation. While the basic text of the play deals with a social commentary on poverty and its moral degeneracy, a very subtle portrait is drawn of man caught up in the tragedy of automation and self-destruction.

The cast includes: David Grapes as Jeeter Lester; Sharon Anderson as Ada Lester; Phil Duncan as Dude Lester; Jeannie Huddleston as Ellie May; Cathy Fluharty as Sister Bessie Rice; Harry Van Meter as Lov Benney; Gayle Bailey as Pearl; Susie Smith as Grandma Lester; Bob Dye as Henry Peabody; Dave Berger as Captain Tim; and Doug Morrison as Mr. Payne.

Reservations have been made by two-hundred high school students to attend the Thursday evening performance. Members of the Alpha Sigma Alpha Sorority and Ohnigohow Players will dress in Tobacco costumes and serve as ushers for each performance.

Members of the audience are invited to attend an informal coffee hour after each performance. At this

### SUPPLY IS LIMITED ON CENT. GLASSWARE

Charles C. Scott, professor of art, has announced that no Centennial glassware will be re-ordered after the current supply has been sold. The glassware was handmade in Weston and it displays the blue Centennial insignia.

At present there are approximately three dozen candy jars, five dozen large tumblers, and five dozen small tumblers left. The glassware may be purchased in the art department. The 14 oz. candy jars are \$1.25 and both the 9 1/2 oz. and 12 oz. tumblers are \$.60 each, \$2.40 1/2 doz. or \$6.60 per dozen.

time the cast will be met along with Mr. Gerald Ratliff, director, and Vickie McGraner, assistant director.

## Xerox Service Offered By Robert Kidd Library

Beginning Friday, Nov. 12, the Robert F. Kidd Library will be offering free xerox service to students. This service will entail the free use of the xerox copier for copy of materials for term papers and reports.

The reason for this move came as a result of the extreme vandalism of periodical articles especially in areas such as articles on strip mining, according to David Gillespie. The library staff feels it would prove to be less expensive to offer free xerox service than to replace back issues of periodicals.

This new service which is on a trial basis for the rest of the semester will be concerned mainly with research purposes. Each user will be asked to fill out a form when xeroxing. Information desired will include name, class, instructor, if the copied material is for a term paper or class report, author, title of article, magazine used, date of magazine and pages.

There will remain in effect a charge of five cents per copy for articles other than for research use. If there are any further questions concerning the operation of the xerox, one should inquire at the circulation desk.

Sharon Anderson, Jeannie Huddleston, Gayle Bailey, and David Grapes (l-r) prepare for the performances of Tobacco Road Nov. 17, 18, 19, and 20.

## Dr. Archie Dykes To Speak Tuesday

The Centennial Cultural Affairs Committee and the local chapter of Kappa Delta Pi, honorary fraternity, will sponsor a Centennial Convocation to be held in the college auditorium at 10 a.m. on Tuesday, Nov. 16. Dr. Esy Miller, chairman of the Centennial Cultural Affairs Committee, will preside with Dr. Woodrow Morris, chairman of Education and Psychology, introducing the speakers.

The topic for discussion will be "Professional Education of Teachers: Present Status and Future Trends" with Dr. Archie Dykes, Chancellor of the University of Tennessee delivering the main address. Following the main address, Dr. Delmas F. Miller, Dean of the College of Human Resources and Education, West Virginia University; and Galen F. Duling, Director of Teacher Education, Fair-

mont State College will hold a symposium. A panel discussion will immediately follow with Harry M. Brawley, Executive secretary of the West Virginia Educational Broadcasting Authority acting as panel discussion leader and Mr. Duling, Dr. Dykes and Dr. Delmas Miller as members of the panel. There will also be opportunity for audience participation. Dr. Charles W. Southard, Assistant State Superintendent of Schools, will give the summary for the Convocation.

This convocation will be one of the main events for the Centennial year. Everyone is encouraged to attend. Students in the education block are expected to return to the campus also for this convocation.

Members of Kappa Delta Pi will serve as ushers and will sit together as a group during the convocation.

## Sadie Hawkins Weekend Promises Games, Dances

By Tom Woods

Hear Ye! Hear Ye! The Mayor of Dogpatch now opens this here weekend for all them thar' people at GSC. As Mayor of Dogpatch he proclaims this weekend as Sadie Hawkins Day.

All the fellers from back at Dogpatch is comin' down here to Glenville to have a good ole time. They'll be cider sippin' by all the fellers and cigar smoking by all the gals. Yes, sirc we're gonna have a big time.

The Mayor of all Dogpatch, the orneryable Tom Carper, will be presiding over the games this Saturday. Ole Pappy Yokum, Jennings Eddy, is gonna hitch up the wagon and bring Mammy Yokum, Mary Cunningham, down here to Glenville for the big Festivities.

Ifen any of you fellers wants to git hitched up to yourwimmin' Marrin Sam, Raymond White, will be happy to hold the shotgun. Ole Marryin' Sam will have a whole bunch of them legal documents so you gals can hookem for just two bits. Marrin' is also going to bring his cousin, Hopeful, Beverly Wood, to try to git a feller this weekend.

Even all those smelly rascals from Skunk Holler is comin' down for the weekend. Them Skunk Holler boys, Gary Jones, Craig Lipscomb and Randy Elswick said they might put on some of that store-bought smelly

stuff in hopes of landin' a gal. I figure if the Skunk Holler boys come then their buddies the Skag boys will be right behind them. The Skag boys, Ernie Smith, Ken Cutright and Bill Piercy might even shave off their whiskers for the big weekend.

The only furiner in Dogpatch, Ole Wolfgang, Harland Spencer, is plannin' to enter all the games durin' Saturday's festivities. For all you people who are history majors the famous Gen. Bullmoose, Jim Dear will be here this weekend to tell his tales about the war between the states. Iffen we have any huntin' contest during Sadie Hawkins ole Eagle Eye Fleagle, John Mace, will be totin his shootin' iron. Honest Abe, Marvin Morris, is plannin' on leavin' his rockin' chair long enough to enter that thar' greased pole climb.

Well there you have it folks, that's about all the critters from Dogpatch that's a comin' down his weekend. Oh, yeah all them fellers that call themselves the Theta Xi's said to tell you to come on over to the ballroom Friday and Saturday night at 9:00 to square dance to the fiddlin' of Yancey O'Flanigan.

So all you people here at GSC git on yore dancin' shoes and put on yore bow ties and join in the big Sadie Hawkins weekend.

## AWS Dinner-Dance Set As Semi-Formal Affair

A semi-formal dinner dance will be held on Nov. 23 starting with hors d'oeuvres at 6 p.m. in the Multipurpose Room with dinner at 7:00 p.m. The GSC combo will be playing for the dance and the buffet dinner. Admission for this event will be by ID's.

Reservations must be made with the cashier of either cafeteria prior to Nov. 19. Only reservations for couples will be taken.

This event is being sponsored by AWS in conjunction with Mr. Hawkins, food service director.

Next week pre-registration will be conducted in the Ballroom from 8-12 and 1-4.

# Policy Is Restated For Weekly Paper

The following is the statement of the objectives and policies of *The Mercury*. We feel that this statement is most needed at this time to clarify any actions taken by the staff.

Phantom journalist: No. 15 is for you.

Ann Starcher  
Editor-in-chief

We, the staff of *The Glenville Mercury*, do hereby set forth the following objectives to be established as requisites for the publication and distribution of a campus newspaper.

1. This afore-mentioned newspaper shall be a student publication edited and staffed by the students of the college.

2. The *Glenville Mercury* shall be the name of the official news publication of Glenville State College financed by student activity fees. All other news publications will be financed through private means and not as an organ of Glenville State College.

3. News, letters-to-the-editor, features and human interest material may be submitted by student staff members, reporters, administration, faculty or anyone connected with the College community, subject to editing by the editor-in-chief.

4. The staff of the newspaper shall uphold ethics of good journalism, such as responsibility, service, honesty, decency, discretion, honor, impartiality, fair play and especially freedom of the press as a means of expression and dissemination of campus news.

5. Further, the freedom of expression necessitates adherence of laws of libel, and to policies adopted by the West Virginia Board of Education, Nov. 25, 1968.

6. Views and opinions expressed in *The Mercury* do not necessarily reflect the opinions of the faculty, and administration of the College.

7. Deadline for all material to be included in the current issue will be Tuesday at noon.

8. All letters and cartoons, if submitted will be printed at the discretion of the editor and advisor; however, all letters will be printed if they are signed and are free from libelous statements, untruth, and personal attacks. They need not be signed when published.

9. Cartoons will be submitted by the regular staff, art editor, or by subscription to a syndicated feature.

10. Members of Journalism 321-322 classes will be reporters for *The Glenville Mercury*. Other students may volunteer to report.

11. Advertising, classified or display, will be carried at the rate of \$1.50 per column inch as long as it does not violate regulations made by the FGG or West Virginia Board of Regents.

12. Layout of pages and usage of stories will be determined by the editor. Any stories may be cut, held, killed or published as she deems it necessary.

13. Pictures will be taken by the regularly-employed *Mercury* photographer who may be contacted for setting up pictures which will be used for the paper. Pictures may also be submitted from other sources.

14. Editorials will be written by the editor and will not necessarily reflect opinions of the faculty and administration of the College. Guest editorials will be considered by the editor.

15. Criticism, adverse opinions and comments aimed at the newspaper or its staff should be expressed to the editor and staff and/or to the Publications Committee which is an advisory group for all student publications.

(Adopted by the Publications Committee, FAO, 1969.)

## WV-SPIRG Support Is Solicited By Student Congress President

WV-SPIRG - What is it? How can I benefit from it? Isn't the cost of a public interest research group too great for the students to bear?

West Virginia Student Public Interest Research Group is a group of full-time professionals (for example, scientist, lawyers, and social planners) working under the guidance of a student board of directors, concentrating on representing student and citizen causes before courts, the legislatures and the public. WV-SPIRG is an organization in which students can actively participate in changing our society by working within the "establishment." For example, the SPIRG organization in Minnesota have already won their first case which was against U. S. Steel.

As citizens of West Virginia, students can benefit from WV-SPIRG. By working with the hired professionals, students can obtain solutions to such problems as air pollution, unsafe consumer products, poor building codes and racial and sexual discrimination in job hiring. True, problems of this type cannot be solved immediately, but for West Virginia it is a step forward.

WV-SPIRG is supported and controlled by students. Students pay \$2.00 per semester (\$4.00 a year) to fund the organization. It may sound like a lot of money, but I know that I spend three times that amount for needless things during the year and that many other students do too. The money from each campus will go to the state board who will control the allocation of funds. Each campus will have representatives on the state board as well as having their individual local board.

Between Nov. 15 and Nov. 24, members of the WV-SPIRG committee will be having a petition drive on campus. This petition will be presented to the Board of Regents showing that the students of GSC want to increase their fees by \$2.00 a semester to support WV-SPIRG. The petition states that any student deciding not to participate in WV-SPIRG may have his money refunded within three weeks after the start of school. I cannot urge you, as concerned students and citizens, enough to sign this petition and support WV-SPIRG. If you have any questions concerning WV-SPIRG, contact me and one of the members of the WV-SPIRG committee.

My name will be on the petition, will yours?

Ed Suddath  
President of the Student Congress

Officers of Panhellenic are: Ann Starcher, vice-president; Jeannie Rentschler, president and Mary Margaret White, secretary-treasurer.

## Council Governs Campus Greeks

The Glenville State College branch of the Panhellenic Council recently met to discuss future plans and changes which will affect all three sororities on campus.

The Panhellenic is a governing body which is concerned with coordinate activities and relationships between the sororities. The Council is composed of three committees which are the Budget Committee, the Public Relations Committee, and the Rush Committee. Each committee meets with the advisor of the organization, Dean Jean Wright, and then returns their findings to the other members during the regular meeting.

The representatives to Panhellenic Council are chosen with each sorority who sends two girls to this meeting. The presiding officers are then chosen from among these girls with each sorority being represented on the executive council.

Panhellenic meets once a month on every third Tuesday in the various chapter rooms. The Council recently met on Oct. 19 where the committees reported actions which they had taken in their various areas. The Rush Committee reported on the Rush-by-laws which they had recently drawn up. Representatives from Panhellenic will be visiting the various sororities to introduce these by-laws to the girls within the next few weeks.

The Panhellenic Council since its founding at GSC, has been in charge of governing the sorority rush activities. It is through this group and according to their qualifications that a young woman may be pledged to any of the three sororities. The Council in planning and coordinating social activities for Greeks on campus.

The officers for this year's Panhellenic Council were named to their office by standard rules of Panhellenic. These rules state that the president shall come from the oldest sorority on campus; the vice-president shall come from the next oldest, and the secretary-treasurer from the youngest sorority. This year Jeannie Rentschler,

Delta Zeta, is serving as president. Vice-president, Ann Starcher, comes from Alpha Sigma Alpha. The secretary-treasurer is Mary Margaret White, Sigma Sigma Sigma. The president rotates annually among the sororities on campus.

## Greek News

In the past, the Greek News has been an object of controversy. In order to present information which is news worthy to the campus as a whole, it was decided by *The Mercury* staff to combine the Greek news into one combined column. This past week has included many and varied activities, from visiting other chapters to completing plans for Sadie Hawkins.

The Theta Xi chapter of Delta Zeta held a "card party" at the Wesley Foundation Thursday, Nov. 11, for all interested girls. The party consisted mainly of singing sorority songs, playing cards and eating food.

The sisters are also collecting clothing and shoes for needy families. Anyone who wishes to donate clothing should contact any Delta Zeta.

The TKE's have moved their weekly meeting from Monday to Tuesday nights at 6 p.m. in the Old Louis Bennett Hall Lounge.

The Winter Closed Ball is planned for Dec. 4. It will be held in Weston at the Caravan Club from 9-12 p.m. Yancy O'Flanagan will provide the music. All actives and alumni members are invited.

Tri-Sigma sisters traveled to California, Pa. on Nov. 5 to visit the Gamma Gamma chapter. They helped prepare for the Gamma Gamma's open house on Saturday and theme party on Sunday. The "traveling sisters" included three pledges: Pam Sumter, Melanie Hutchinson, and Karen Price; and three actives: Lucy Nakonecny, Judy Jordan, and Karen Kibble.

Sunday evening, Nov. 14, in the side lounge of Women's Hall and in Louis Bennett Lounge, the Tri-Sigma pledges will hold a cocoa and doughnuts sale. Tuesday morning, Nov. 16 at 9-10:30 a.m. the pledges will be selling more freshly made doughnuts.

Recently, the Daisy Express was moved to a new location behind the Maintenance Building. Any person wishing to help with engine work, painting, sanding, etc., should contact Pam Sumter, fourth floor, Women's Hall.

The brothers of Lambda Chi Alpha fraternity are proud to announce that Dr. A. T. Billips, chapter advisor, has been re-appointed to his position of High Pi (chancellor to the chapter by appointment of the national office for a second two-year term.)

## Music Association To Hold Workshop

The West Virginia Music Education Association and music teachers from Regions IV-VI will hold In-Service Day on Nov. 16, from 9:30 a.m. - 3 p.m. in the GSC student center.

The three speakers for this event will be Ella Jenkins, A.E. Raspailaire, and James Andrews.

Miss Jenkins is nationally known for her rhythms workshops. She has returned to West Virginia to present the early childhood workshop by popular demand.

A.E. "Pete" Raspailaire is well-known throughout West Virginia for the excellent bands he developed at South Charleston High. Mr. Raspailaire recently retired as band director. He will demonstrate the techniques he describes in his paper "Rehearsal Techniques" during the workshop. The regional clinic junior high band has been organized as a demonstration group.

James Andrews is Music Education Specialist with the West Virginia Department of Education.

The workshop will demonstrate recordings, filmstrips, films, and multi-media approaches which may be used to supplement general music experiences for the students.

Alpha Sigma Alpha sorority held its sisterhood weekend beginning last Friday at 5 p.m. and ending Sunday at 1 p.m. On Friday, the girls began their activities by having supper together in the college cafeteria followed by bowling in the gameroom. Later in the evening a party was given for the girls by their Mother Patroness, Mrs. Edwin Starcher.

Saturday's activities started at 6:30 a.m. which included a scavenger hunt organized by the pledges followed by a breakfast for the actives by the pledges. After lunch, the girls awaited the arrival of 25 Beta Pi sisters from Concord State College. All the girls of both chapters attended the football game as a group.

Nov. 15 is the sorority's Founder's Day. Chaplain, Germaine Cox, has prepared the traditional program for the chapter. This year Alpha Sigma Alpha will be 70 years old.

Mr. John Spears was the winner of the Annual Homecoming football raffle. Mr. Spears received his game football after the GSC homecoming.

Those senior Theta Xi's who played in the final home game were Gary Jones, Craig Lipscomb, Harland "Tazman" Spencer, Clyde Stepp, and manager, Edward Suddath.

## Players Initiate Pledges In Candlelite Ceremony

Thirty-one pledges were initiated into the Ohnimgohow Players last Friday evening in a candlelite ceremony in the chapel of the Wesley Foundation. Refreshments were served in the lounge to the new members and guests of the Ohnimgohows.

The new initiated members consist of: Gary Haddox, Ed Will, Lee Harbert, Barbara Hughes, Linda Bennett, Marquita Stephens, Jeirri G. lach, Terry Thayer, Vicki McGraner, Doug Murray, Judy Turner, Jessie Rader, Bob Dye, Becky Wiant, Janet Spears, Kim Johnson, Linda King, Phil Duncan, Kathy Lazier, Anita Cline, Nancy Taylor, Steve Lamb, Susan Burchett, Steve Martin, Ruth Snyder, Phyllis Barnhart, Ellen Foren, Karen Yost, Becky Grapes, David Grapes, and Kathy Fluharty, Mrs. Susan McHenry Seitz was made an honorary member for her many services to the Ohnimgohows.

## Bowlers Vie In Tourneys

The GSC men and women's bowling teams recently competed in the tournaments held at WVU last weekend at Mountainair lanes.

Eight teams were entered in the men's division with West Virginia University taking top honors with a 5527 total pin fall for six games. Glenville placed second with 5430. The men's team bowlers were Al Malone, Ron Sams, Dave Grapes, Wally Kesling, and Lynn Dawson. Marshall University was third with 5348; fourth place went to Bethany College with a 4938 pin count. Glenville second team placed fifth with 4792. Members of this team were Leonard Bolton, Dallas Wallin, Jim Mattox, Steve Datcher, and Paul Green.

Wally Kesling took top game honors with a single game of 223. Al Malone took top average honors with a 196 for six games.

The women's bowling team, a first for GSC sports took first place in the women's division with a 4251 total pin count. Second place honors were received by West Virginia Wesleyan with 4005 pin fall for six games. Members of the women's bowling team are: Karen Lough, Glenna Gainer, Barbara Walker, Donna Newberry, and Margie Jones.

High game honors went to Barbara Walker with a 193. Miss Walker also took high average with a 169 for six games.

## Volleyball Tourney Begins Next Week

Coach Carney wishes to remind all teams that the final week of the volleyball tournament will begin Monday, with the single elimination tournament beginning Nov. 15. The top three teams in each flight will be eligible for the tournament.

Carl Alloway (No. 22) bursts through a gaping hole on the left side of Concord's defensive line. No. 64 and 50 move in to make the tackle on Alloway.

Kenny Morrison is shown out running Concord defensive back for one of the five GSC touchdowns.

## Down On The Corner

The Kicking Game...

Ray Swisher, the Pioneers talented placekicker from Ripley, set the WVAC record for most field goals in a season Saturday. Swisher booted a 42 yard field goal against Concord to give him seven for the season.

Swisher has in his career kicked 54 extra points. At one time he had a streak of 36 PAT's without a miss. This is good for a conference record. The fabulous kicker also holds the career record for field goals with 14. The only records for place kicking Swisher does not have to his credit are longest field goal and career extra points.

Senior Love...

Brotherhood to me is an affectionate bond of love and common interests that tie people together. The seniors on this year's squad have this certain bond and their last game together on Saturday was a sad occasion. I mention these fellows time and again but they deserve it. Swisher, Spencer, C. Lipscomb, Stepp, Jones, B. Lipscomb, Williams, Stoffel, Dillon, Clendenin had this bond called brotherhood. They were real leaders. Two other seniors should not be left out. Enough cannot be said of the work done by Ed Suddath as freshman offensive coach and as a Pioneer scout. Doug Hoselton had the thankless job of manager. Called "Hose" by his teammates, Doug had maybe the hardest job on the team and did maybe the best job. Thanks alot "Hose." The boys will miss you.

Roundball time...

Shrine tournament time is coming up soon. The games start on Nov. 22 and the Pioneers are getting ready under practices held by Coaches Lilly and Carney. Names like Garnett, Tawney, Datcher, Jones, Hawkins, Cook, Spicer, Ledbetter, and King come up. These are the returnees from last year's squad. Add to these, names like Hess and Sellands you find that Glenville will be very presentable on the hardwoods. Grapplers...

Coach Adolfsen is getting wrestling started now that football season again when after a short drive Carl Alloway took a Randy Jeffries swing Taylor, Sims, Pierson, Stalnaker, pass and scooted 20 yards for the and Suddath return to the mat team this year. It could be a big year for "Whitey" Adolfsen and the wrestlers.

Keep that good attitude...

## State Health Meet Attended by Majors

The Majors Club recently attended the sixth annual W.Va. Association of Health, Physical Education and Recreation convention in Princeton.

The program began Nov. 4 at the Holiday Inn with committee meetings and lectures on various phases of physical education programs on the college level. The topic discussed was "The Future of College Required Physical Education Programs." The panelists made up of Department heads of W.Va. Colleges and Universities presented the topic and a discussion period followed.

The girls then attended various workshops on Friday dealing with school recreation, women's intercollegiate athletics, intramural sports, school health and safety programs, officiating, camping and outdoor recreation, adapted physical education programs and many other workshops.

Also included were the men's workshops dealing with adapted p.e., officiating, intercollegiate athletics, wrestling techniques, health programs, recreation programs and various other programs.

Saturday the girls attended various meetings dealing with the programs on the secondary level of men and women's inter-scholastic activities.

The girls attended activity sessions on tennis, women's sports, rule changes in various sports, officiating techniques and volleyball and basketball demonstrations.

The convention meetings were attended by Dr. Robert Döllinger, Mrs. Sandra Piercy, Patty Dent, Pam Abbott, Donna Newberry, Barbara Walker, Glenna Gainer, Draunta Mullins, Sandy Elmore, Linda Grandinette, Connie Cole, Becky Riffle, and Beverly Rogers.

Future meetings will be Dec. 4 at Morris Harvey College; Oct. 1972, the W.Va. Association of Health, Physical Education and Recreation will meet in Charleston.

Louis Bennett Hall will have open house from 2 until 5 p.m. on Sunday, Nov. 14.

## Football Season Is Ended By Victorious Pioneermen

In the final game of the 1971 Centennial season the Glenville Pioneers swept by the Concord Mountain Lions 38-12. The victory gave Coach Hanlin's gridiron men a very respectable 4-4-1 record.

The game began with a Ray Swisher kickoff which went to the Concord one yard line. Concord looked tough as they ran and passed the ball down into Pioneer territory. With the Mt. Lions threatening to score Gary Jones took over. Jones smashed into quarterback Bob Jude who fumbled the ball. Randy Dillon scooped it up and the Pioneers were in business.

The Pioneers had a drive going but with a third and ten situation Ken Morrison caught a pass blocked. Ken Morrison caught the ball while in a sitting position and Glenville kept it alive with a first and ten. Fine running by Alloway and Pratt put the ball on the Concord 33 yard for the score. Ray Swisher put his talented toe to work and kicked the PAT to make the score 7-0.

Moments later the Pioneers scored again when after a short drive Carl Alloway took a Randy Jeffries swing Taylor, Sims, Pierson, Stalnaker, pass and scooted 20 yards for the score. Ray Swisher again added the this year. It could be a big year for "Whitey" Adolfsen and the wrestlers.

The Pioneers, with always good field position scored again quickly when Ken Morrison caught a 36 yard strike from Jeffries. Co-captain Clyde Stepp aided the drive with a 20 yard reception of a Jeffries pass. Swisher was perfect once more and the score was Glenville 21 and Concord 0 midway in the second quarter.

Soon afterward the Pioneers got on the boards again. The fabulous Blue Bandits, the Pioneer defensive unit kept giving the Blues good field position as Concord could not move the ball. Some fine running by Alloway, Pratt, and Richmond moved Glenville into scoring position. Richie Richmond ramled into the end zone from the ten yard stripe and Glenville led 28-0 after still another kick by Swisher. The Pioneers had more punch, however. Alloway and Pratt moved the ball down the field at will behind the blocking of Spencer, Rigenbach, Chapman, Watkins, and Morrison. Finally Alloway scampered in from the 12 yard line. Swisher was again good and the Pioneers were in the lead by 35 to 0.

The stage was soon set for one of the most dramatic scenes ever in conference football. The Pioneers moved the ball to the Concord 25 yard line. With only five seconds remaining in the half Coach Hanlin sent Swisher in for a field goal attempt from the 32 which is a 42 yard attempt. Swisher stepped into the ball and kicked it perfectly. The ball went through the middle of the uprights and had plenty of room to spare. Swisher was immediately mobbed by his teammates as they realized

that "the toe" had just set a conference record for field goals in a season with seven. It was to be Swisher's last kicking attempt ever in a Pioneer uniform and he went out in style. The halftime score was Glenville 38, Concord 0.

The second half was meaningless and the action was dull. Concord did score twice on runs of one and two yards by John Pratt's brother Steve of Concord, but when all was said and done Glenville had it packed away 38-12.

Seniors Gary Jones, Randy Dillon, Bob Lipscomb, Steve Clendenin, Steve Stoffel, Clyde Stepp, Carl Williams, Harland Spencer, Ray Swisher, and Craig Lipscomb played brilliantly in their final game as a Pioneer.

Carl Alloway led the Pioneers in rushing having 130 yards in 18 carries. Richard Richmond carried 11 times for 68 yards while John Pratt had 40 yards in five carries.

The victory gave the Pioneers a 4-4-1 record for the year.

## Seniors Reviewed

These senior players were not recognized during the season so we would like to do so now.

Neil Christianson is a fine outside linebacker for the Pioneers. He is 5'11" 165 pound linebacker from Parkersburg High School. Christianson transferred from the University of Miami where he was a member of the golf team. He is a two-sport letterman for the Pioneers. Last year he was an all-conference golfer for Coach Tim Carney.

Christianson is a business major. He resides in Glenville with his wife and daughter.

Bob Lipscomb is a defensive regular for the Glenville State College Pioneers. Lipscomb is a 6'2" 230 pound senior defensive tackle from Winchester, Va.

Lipscomb is the son of Mr. and Mrs. Guy Lipscomb of Winchester.

Lipscomb is a physical education major and special education minor. He plans on a teaching career after graduation.

Scott Hamilton is a senior defensive back for the Glenville State Pioneers. Hamilton was a stellar performer for the blue Bandits in the five games that he played last year before an injury sidelined him for the rest of the season. Even though he sat out the final three games his performance was so impressive that he was selected as all-conference defensive halfback.

This year Hamilton has been hampered somewhat by an old leg injury. He still adds plenty of experience to the defensive secondary. Hamilton is a 5'10" 165 safety. He is the son of Mr. and Mrs. F. S. Hamilton of Marietta.

John Pratt breaks through Concord line for good yardage. Opening the hole is Richard Richmond 23 and Irvin Branniff 50.

## Room Reservation Method Unchanged

The procedure for acquiring room reservations at Glenville State College for the academic year 1972-73 is the same as the previous year, according to Dr. A.T. Billips, Dean of Student Affairs.

Students currently enrolled are given until Dec. 1 to guarantee themselves a space in the residence halls. Specific choice of rooms or roommates may be made at this time.

A twenty-five dollar reservation fee shall accompany the formal application for room reservation. These requests for space during the month of November will be made at the separate residence hall offices. The fee will be deposited by the residence hall director with the Business Office and receipts returned to students making application.

After Dec. 1 reservations are open to new students and space shall be allocated in the order of receipt of request in the offices of the Dean of Men and the Dean of Women.

If it becomes necessary to cancel a reservation, twenty-dollars may be refunded upon written request to the Offices of the Dean of Women and Dean of Men to be received on, or before, June 15, 1972. The full amount of the reservation fee is forfeited to the college if cancellation is after June 15.

The 25 dollar room deposit is used to defray charges incurred by the students during the academic year. It will not be applied toward the last room payment; but rather, refunded by check about three weeks after the end of the school year.

## Redecorating Of Dorm Finished This Summer

The original section of Women's Hall underwent a face lifting this summer. All of the rooms and hallways of the dormitory were painted various colors. Yellow, pink, green, and blue now dominate the interior of the rooms, lobby, and hallways.

Other changes are now being made to give the dorm an even better look. Until recently the girls on fifth and sixth floors did not have enough desks but, due to changes, they now have their desks along with new lounge chairs. Third and fourth floors are also getting a "mod" look with new study chairs which come in the bright colors of orange and red.

## Home Economics Majors Instructing Adults And Students In Night Classes

The Home Economics majors involved in the Education 380 class held every Wednesday night have been very busy these last few weeks. Ten girls are instructing mixed classes of adults and college students in the fields of cake decorating; flower arrangements and centerpieces; knitting; rugmaking; macrame and needlepoint.

Under cake decorating Jenny Osbourne and Pat Childers are showing the type and use of equipment in making borders, flowers and various decorations on a cake. Also, the girls are teaching how to take a sheet cake and cut it into cake "cut-ups" such as rabbits, clowns, funny faces, etc.

Betty Hewitt, Brenda Meek, Donna Pratt and Sally Tucker are working with the flower arrangements. This class is using many types of dried flowers for their centerpieces and household decorations. Last week the girls showed how drift wood could be used as a base for many types of flower arrangements.

In the knitting department Judy Jordan and Carolyn Butcher are the instructors. The girls are showing the class how to make such useful things as slippers; bathroom accessory covers; toboggans and cute yarn octopus toys.

Hilda Stump is teaching a class in rugmaking. She will be showing her students how to make hooked

and braided rugs.

The macrame and needle-point class will be taught by Cathy Lazier. This group will be making such things as the "rope-type" belt and other macrame work along with needlepoint.

In this Wednesday night class the girls are working with students ages 19 through 50, thus the girls are not only given the opportunity to teach students their own age but, they are given the experience in teaching adult education as well.

## Nashville Trip Planned For Young Adult Group

On Nov. 19, 20, and 21, a Young Adult Weekend will be held in Nashville, Tennessee.

The program will begin at 7 p.m. Friday and conclude on Sunday at 10 a.m. Activities will consist of a visit to a music publishing company, discussions about the history of Nashville Sound and how to get one's own music published.

Reservations for the weekend should be made by Nov. 16 and will cost \$15. Anyone interested in attending this program should contact Mr. Gay for further information and reservation blanks.

## Draft System Is Changed To Affect New Deferments

With the passage by the Senate last week of the draft extension bill, the Selective Service System is once again authorized to induct men into the Armed Forces... but with a few strings.

First, the draft will only last until July 1, 1973. President Nixon hoped to have replaced draft calls with sufficient numbers of volunteers by then, and the induction machinery will be put on ice in case of national emergency. After this date, therefore, 18-year-old men will still have to register with the Selective Service.

Second, male college students no longer receive automatic deferments while in school. Congress, bowing to pressure from college students and others for more equitable draft agreed to authorize the President to end the undergraduate deferments, a step he has already promised to take.

Starting this past summer new students (not enrolled in the 1970-71 academic year) will not be deferred, although if they have started classes they may postpone induction until the present term.

## Education Students Hold Halloween Party Oct. 29

Six Education 301 students at GSC conducted a halloween party for the students at Sand Fork on October 29. The party was under the supervision of Mr. Nichols, art teacher at GSC and also President of the Sand Fork PTA.

The party was from 7-9 p.m. with games, cake walks, door prizes and costume judging. Prizes were presented to winners of the various activities conducted. There was in excess of 100 students present at the party. There was also several parents present also.

The 301 students responsible for the party were Steve Brown, Bev Moore, Sandi Hall, Jenny Pitzer, Bob Childers, and Jodie Lathey.

ends. All other students are eligible for induction after four years of college or when they reach 24 years of age, whichever comes first.

Third, lottery numbers will apply to men with the same birthdate regardless of the location of their draft boards. Requested by the president, this new rule will end charges that certain draft boards were "safer" than others. Thus all men with the same lottery number will be inducted at the same time.

With the new provision it sometimes provides incentives for young men to volunteer. Conscientious objectors will be given two-year assignments to civilian service. The Senate-House Conference Committee emphasized that this work will "parallel in his experiences, to a reasonable extent, the experiences of the young man who is inducted in his stead."

## Mrs. McCartney Talks To SEA Group Nov. 9

The H.Y. Clark chapter of the Student Education Association met on Tuesday, Nov. 9, at 6 p.m. in room 102 of Clark Hall. Mrs. Georgia McCartney was guest speaker. She is a teacher at Troy Elementary School and president of the Association of Classroom Teachers for Gilmer County. She explained the professional organization of education.

The next meeting of the SEA will be on Tuesday, Dec. 7. The guest speaker will be Mr. Paul Siegrist, superintendent of Calhoun County Schools. He will speak on the relationship between the teachers and the board of education.

A committee is also planning a hayride and bonfire in December.

## THE FACTS ABOUT WOMAN'S MEDICAL ASSISTANCE

The New York State Abortion Act provides for the performance of abortions by licensed physicians in accredited hospitals and their affiliated out-patient clinics, up to and including the twenty-fourth week of pregnancy. There is no residency required for a therapeutic abortion and for those seventeen years or older, parental consent is not necessary.

The Woman's Medical Asst. (WMA) is a self-supporting organization whose function is to assist those women confronted with problem pregnancies. WMA makes all necessary arrangements with Board Certified obstetricians and gynecologists in fully accredited hospitals and clinics. This medical attention can be provided within 24 hours after your initial contact. If necessary, we will gladly assist in transportation arrangements.
