Holiday Used For Visitation

During the semester break several GSC students will return to their high school on an informative and recruiting basis. The students will visit with the high school counselors and students interested in attending Glenville State.

The students and counselors will be made aware of the courses offered, particularly the Foundations Program Advanced Placement, and the two year program in Land Surveying. The Foundations Program is unique in that it is the only one on any of the state colleges or universities, and guidance counselors should be made aware of this. Also the students and counselors will be made aware of the new open admission policy at Glenville.

Members of the administration staff and the faculty are already visiting schools in the state. By the end of December more than 100 schools and 150 counselors in 30 counties will have been visited. About 30 students will visit their high schools over the semester break. They will be talking to counselors and students about GSC and answering questions students may have about Glenville.

Counties that will be visited are Harrison, Kanawha, Mason, Putnam, Cabell, Randolph, Tucker, Taylor, Ritchie, Marshall, Wood, Jackson, Webster, Nicholas, Greenbrier, Roane, Doddridge, Tyler, Wetzel, Fayette, Hardy, Boone, Hampshire, Clay, Braxton, Pocahontas, Raleigh, Gilmer, and Lewis.

A meeting was held on Dec. 9 with President Wilburn discussing questions students will ask and materials to assist visiting Glenville students with their visitation. Schedules for visitations were also distributed.

Foundation Studies Aids 110 Students

The Foundation Studies Program of Glenville State College began the first semester of this academic year. The Program is designed to contribute to the growth and development of the individual student who has the ability but has academic weaknesses in his educational background. Foundation courses operate in the areas of Developmental Reading, English, mathematics, and science.

Dr. Dorothy Snozek, Director of the Program is also serving in instructing in the area of Developmental Reading and Study Skills. Mrs. Karen Fredin, Mr. C. Joseph Wiseman, and Dr. Chisler, are the instructors in the areas of English, mathematics, and science. Each program is individually designed to meet the particular skills needed by the students involved. When the students complete the Foundations requirements, they proceed into English 101, Math 100, and Science 201 courses.

More than 110 students are involved in one or more phases of the program. The staff of the Foundation Studies area have been particularly pleased with student and faculty reception. The program at Glenville State College is consistent with a growing recognition that many students in colleges and universities throughout the U. S. are encountering problems in the areas of study skills, comprehension of college reading materials, English composition mathematics, and science.

Several members of the GSC faculty attended a Hawaiian Luau at the Home Management House on Dec. 2.

Evening Classes Altered

There have been some changes in the evening classes scheduled for second semester. These changes include the following: Education classes, Education 201, Human Dev. I, Wed. 7-10 Morris; Education 301, Human Dev. II, Tues. 7-10 Hickman; Education 350, Educational Measurements, Wed. 7-10 Nuzum; Education 421, Phil. and Meth. in Early Child. Ed. Mon. 6-10 Marino; Education 425 (S), Intro. to Exceptional Children, Mon. 7-10 Campbell; Education 430 (S), The Mentally Retarded Child, Tues. 7-10 Campbell.

English Classes to be changed are: English 101, Written and Spoken English I, Mon. 7-10 Raebler; English 102, Written and Spoken English II, Tues. 7-10 Trimmer; English 202, Advanced Written and Spoken English Wed. 7-10 Seymour; English 315, English Literature II, Wed. 7-10 Simmons; English 316, American Literature, Mon. 7-10 G. Gillespie; English 320, Background of Childrens Literature, Mon. 7-10 West.

Changes in physical education classes: physical education 103, Beginning Swimming, Mon. 7-9 Dollgener; physical education 211, physical education for elementary schools, Tues. 7-9 Dollgener.

Other classes to be changed are: Art 350, Creative Expression in Fine Arts, Wed. 7-9:30 Nichols; Art 401, Contemporary Art, Tues. 7-10 Puskas; Comp. Science 355, Intro. to Comp. Programming, (Lab. Arr) Tues. 6-10 McCreary; Math 209, Math for Teachers I, Wed. 7-10 Wiseman;

Economics 316, Consumers Problems, Wed. 7-10 Warren; History 102, Dev. of Social Institutions II, Mon. 7-10 McCartney; Health 221, The Health Program, Wed. 7-9 Summers; Music 112 Choral Union, Tues. 6:30-8:20 Baldwin; Political Science 203 National Government, Tues. 7-10 K. Smith; Sociology 307 Cultural Anthropology, Wed. 7-10 Page.

The college reserves the right to cancel any of these courses if the enrollment does not justify their continuance.

'71 Alumni, Steve Ash

Doddridge Top Teacher

Steven Ash, a 1971 graduate of Glenville State College, has been chosen by the Doddridge County Education Association as one of two outstanding young teachers of the county.

Ash is a 1967 graduate of Lewis County High School and 1971 graduate of GSC with an AB degree in physical education and a math specialization. Ash was an athletic trainer for 3½ years and a member of the Theta Xi fraternity while attending Glenville State College. He also participated in three sports at Lewis County High School: football, basketball manager, and baseball.

Ash is married to the former Wendy Little of St. Marys, and they have one son, Steven, 13 months old. He is a teacher of general mathematics at DCHS and is the freshman coach.

Ash participated in the statewide conference of young educators in Charleston and he is a first-year teacher. He was among 110 educators selected by his county education association to attend the conference.

Ratliff Chosen Delegate For National Convention

Gerald Lee Ratliff, Instructor in English and speech, will serve as a delegate-at-large to the national convention of the Speech Communication Association (SCA) meeting in San Francisco, Dec. 23-29.

Mr. Ratliff was elected one of the hosts for the Fourth Region, which includes colleges and universities in Ohio, Pennsylvania, Virginia and West Virginia, at last year's convention and will be in charge of welcoming the visiting schools from those states at this year's national conclave.

Glenville Enrollment Shows Decrease In Various Depts.

According to the latest available figures, the overall enrollment for the present full semester at GSC is down from 1,573 students at this time last fall to 1,458. This represents a total enrollment drop of approximately 9% over the past year.

This enrollment decline is being felt to some degree, in most of the departments here at GSC. A few programs may actually be in danger of extinction because of this decline.

The AB program in education comprises, by far, the largest single group on campus. The total enrollment for this program this fall is 1,054 as compared to 1,185 at this time last fall. This shows an overall drop of 10.5%. The breakdown in the AB programs is as follows:

Elementary, 226 this year as compared to 284 for last year. This is a drop of nearly 23%.

Early Childhood Education, 30 at this time last fall and 39 for this fall. They show an increase of 30%.

Secondary Education, 901 one year ago as opposed to 789 this year, a drop of 12.4%.

The individual department breakdown is as follows:

Art, grades 1-12 and 7-12, 77 this fall compared to 100 last fall. This represents a decrease of 23%.

Biological and General Science, grades 7-12, 39 this year compared to 46 last year, a decrease of 15.2%.

Business and Secretarial Studies, grades 7-12, 59 this fall compared to 62 last fall. This represents a decrease of 4.84%.

Chemistry and General Science, grades 7-12, 12 this year over 13 for last year, a drop of 7.7%.

English and Language Arts, grades 7-12, 195 this fall over 187 last fall, a net gain of 28%.

French, grades 7-12, 12 this year over 7 for last year, a gain of 71.5%.

Health and Physical Education, grades 1-12 and 7-12, 293 this fall opposed to 322 last fall. This is a drop of approximately 9%.

Home Economics, grades 7-12, 67,

this year over 65 last year, a gain of 3%.

Mathematics, grades 7-12, 97 this fall compared to 96 last fall, a gain of approximately 1%.

Music, grades 1-12, 50 this year over 48 last year. This is an increase of 4%.

Physics and General Science, grades 7-12, 12 this fall compared to 14 last fall, a drop of 14.3%.

School Librarian, grades 1-12, 30 this year compared to 34 last year, a decline of 11.7%.

Social Studies, grades 7-12, 249 this fall compared to 312 last fall, a decrease of 20.1%.

Mental Retardation, minor specialization, 24 this year over 11 last year, a gain of 54%.

Speech, grades 7-12, 23 this fall compared to 29 last fall, a drop of 20.6%.

The AB programs in Liberal Arts and Business Administration show an overall increase in enrollment.

AB Liberal Arts, 29 this fall over 22 last fall, an increase of 31.8%.

AB Business Administration 155 this year over 143 last year, an increase of 8.4%.

The BS degree programs have shown an overall drop from 27 students last year to 19 this year. This represents a total drop of 29.6% for this year. The breakdown is as follows:

Biology, 10 last fall compared to 7 this fall, a drop of 30%.

Chemistry, 10 last year over 5 this year, a drop of 50%.

Mathematics, 1 last fall and 1 this fall. No loss or gain.

Physical Education, 7 last year over 6 this year, a loss of 14.3%.

The Associate Degree programs at GSC have dropped in enrollment by 8.6% this fall compared to last fall. Numerically this is a drop from 105 last year to 96 this year. The program breakdown is as follows:

Associate in Arts, 42 last year and 42 this year. No loss or gain.

Associate in Science (Forest Tech.) 63 last year compared to 54 this year, a drop of 8.6%.

The pre-profession department has shown neither loss nor gain with 31 enrolled last fall and this year.

The remaining enrollment is as follows:

Post Graduate students, 17 last fall compared to 19 this fall, an increase of 11.8%.

Students Withdrawing, 22 last year compared to 24 this year or an increase of 9%.

Considering the 25 fields represented here, treating all pre-professionals as one, 9 have shown an increase of enrollment over the last year. This shows that 36% of the degree programs offered here at GSC have increased their enrollment over last year while 12% have remained unchanged and 52% have shown a net loss in enrollment.

Christmas Party Planned For Mercury Office Staff

Sunday, Dec. 11 marks the date for the annual Glenville Mercury Christmas party, which will be held in the Mercury Office. Staff members and reporters will attend the party. Gifts will be given to staff (with appropriate stiches attached) from editor, Ann Thayer, Mrs. King, Mercury advisor, will also present gifts to the staff members and reporters.

'Gestapo' Arrive To Curb Alcoholism

Since when has Glenville's police force become the gestapo? Since when has one officer's word become the law?

It seems to me, that after three years, Glenville is taking a turn for the worst. (If that's possible!) When I first came to Glenville, the male students had little cause to worry. True, some were arrested for being intoxicated; but rightly so. Now, however, a male student has to worry if he drinks two beers, which is supposed to be a non-alcoholic beverage in W.Va. The law enforcement officers of Glenville are taking it upon themselves to decide whether or not a male student is drunk on their own visual inspection. Due to changes in the law, the officers do not have to give any tests to prove drunkenness; but when they arrest you, don't they have to tell you why you're being arrested and give you your rights which include one phone call?

Beware male students, you're not even safe in a public establishment! The new Glenville gestapo even journeys into public establishments to arrest male students they have decided are intoxicated.

To add insult to injury, when someone on the outside does something wrong, the officers try to threaten those within the confines of the county jail with stiffer penalties unless the convicted persons find the person guilty of the other offense.

What are we, the students of Glenville State College going to do? Are we going to sit still while the new Glenville gestapo arrests our fellow students for drinking two beers? Hell no, we'll bail them out; but look at all the money we're pouring into the pockets of the city. Let's get together and do something! We can get a petition going with our signatures and the signatures of concerned Glenville citizens to suggest a change in gestapo policy. Or as concerned individuals, we could register to vote and therefore have a voice in the government that governs us!

Ed Suddath

Typical Spirit Of GSC Christmas Can Be Seen In Colorful Decor

As the yuletide season approaches one can see many signs on campus that will remind him that Christmas is just around the corner.

President Wilburn's house is brightly decorated this year. The windows of his house have blue candle-lights in them. His front porch has strings of Christmas lights on the pillars and two large candle lights. The bushes on either side of the porch have strings of Christmas lights on them. At the highest point on his house is a colorful star.

Verona Maple Hall is decorated with a colorful star at the top. Women's Hall has a red and green Christmas tree in lights on the front side. The Student Union's snack bar is decorated with string lights and holly strings. The Union also has a small Christmas tree behind the snack bar. The Administration Building has a candy cane up in lights.

Throughout the various buildings on campus one can see wreaths on office doors, Christmas bells, and many other small Christmas decorations.

Downtown Glenville is even showing signs of Christmas. The street light poles are decorated with small Christmas trees. The stores have decorations in their windows to enhance the merchandise.

So, keep all these signs of Christmas in mind, because Christmas is just around the corner! There are only thirteen (13) shopping days left until December 25.

Greek News

The Greek organizations on campus will wind up the first semester this week with several activities and announcements.

On Monday, Dec. 7, a formal meeting of the Delta Zeta sorority was held in the chapter room of the sorority house.

Officers were elected for the coming year. The six major office holders are: Brynda Dunlap, president; Linda Fox, vice president of membership; Kay Woody, vice president of rush; Paulette Jackson, recording secretary; and Sue Smith, treasurer. Also, the major chairmanships were elected. They are: Barbara Wall, courtesy; Cathy Eye, standards; Pam Greynolds, scholarship; Sherri Catalano, press; Donna Wilt, social; Susie Lynch, activities; and Sandi Suran, historian. Cheryl Chaddock was elected panhellenic representative and Susie Lynch was elected alternate.

On Thursday, a Christmas dinner was given at the sorority house for all sisters in the chapter. Following the dinner a Christmas party was given for all women on campus wishing to attend.

Also on Thursday, a senior ceremony was given for Ellida Van Allen who graduates this semester.

On Friday, the girls are planning a party for the chapter alone, to exchange Christmas gifts.

The Delta Alpha Chapter of Sigma Sigma Sigma will hold its annual Christmas party, Saturday, Dec. 11.

The girls are planning their closed ball for the weekend of January 15.

Saturday, Dec. 4, marked the initiation of 14 new members into the sorority.

The brothers of Beta Beta Zeta of Lambda Chi Alpha held their election of officers on Dec. 6. Officers elected were: Dale Cox, president; Steve Brown, vice president; Thomas Rockhold, secretary and James Bennett, treasurer.

Joe Parton was elected rush chairman, and Doug Mahaney, social chairman and Bob Suski was elected fraternity educator.

Bob Chairenzelli was elected Scholarship chairman, and Donald Johnson was elected ritualist.

Formal installation of officers will be held January 10, in the Wesley Foundation.

Gamma Kappa chapter of Alpha Sigma Alpha held its initiation of pledges on Tuesday, Dec. 7, at 5 p.m. in the Wesley Foundation. Linda Richards was given the award for the best scrapbook.

The girls are holding a party for the special education class at Troy today at 2 p.m. Gifts are being made for the children and refreshments will be served. The girls are also serving refreshments at the boxing match tonight.

Order of Diana held their regular meeting on Wednesday, Dec. 1. New officers were elected for next year as follows: Sandra McCartney, president; Gayle Bailey, vice president; Deborah Buckhannon, secretary; Kathryn Wagner, treasurer; and Jo Conley, historian.

The Fall pledges for OD were all voted in and there will be an initiation for them after the Christmas holidays.

The GSC Interfraternity Council met on Thursday, Dec. 2, to discuss plans for second semester rush for the three fraternities on campus. Representatives from each of the fraternities were reminded of their smoker dates and it was announced that Jan. 4, would be the opening date for rush and Feb. 11 would be the final date for pledging.

Steve Adkins, president and Ralph Gay, advisor presented sample rush material which would be used by the IFC for joint rush. The information which is compiled will be made available to men interested in going "Greek."

'Night After Finals'

By Linda J. Ambrose, University of Minnesota

*Twos the night after finals, and all o've the U
Instructors knew well that grades were soon due.*

*The tests were all piled by the grade sheets with care,
In hope that the marking would be clear-cut and fair.*

*The students were sacked-out, all tired in their beds,
While visions of "A" grades danced in their heads.*

*And Prof with his bell curve and I with the key
Sought grade-evaluations on which to agree.*

*But out of my conscience there arose such a clatter
I searched through my mind to see what was the matter.*

*The meaning of a grade, I recalled in a minute,
Surpassed evaluation—since much more is in it.*

*Recruiters at the Federal Building wanted to know
If Student X flunked—if he was ready to go.*

*Certificate experts stood by to make sure
That no one taught school with transcript impure.*

*The scholarship committee waited to see
Who had grade points high 'nough for tuition paid free.*

*Employers and parents, the Army and all
Would stand and consider the grades I'd help call.*

*I turned to the Prof and with a shake of my head,
Wishing I was home, tucked snugly in bed.*

*He smiled at me slowly, knowing what I'd just thought,
Saying he often felt that he too had been caught...*

*"By mass grading that measures memory and form,
Rewarding the student who takes care to conform;*

*"Motivating those who seek status and grades,
For whom learning's value immediately fades."*

*But the shrug of a shoulder and a twist of the head,
Soon gave me to know grading still lay ahead.*

*We spoke not a word but went straight to our task,
And marked all the papers—til done finally, at last.*

*Then laying his finger aside of his nose,
And giving a nod, up from the chair he arose.*

*He walked to the door, to the knob gave a twist,
Down the hall he went slowly as though in a mist.*

*But I heard him whisper ere he trod out of sight,
"I'll give them all A's—the system's not right."*

"Merry Christmas to all. And to all a good night."
(submitted by Mr. Bailey)

Though the calendar reads only Dec. 10 this is the Christmas issue of the Mercury. The Mercury staff extends the very best wishes for the holiday season to the college community, alumni, and friends.

'Bobcats' Defeated By Lillymen Tuesday

The Bobcats of W.Va. Wesleyan met defeat here at the hands of the Pioneers Tuesday night by the score of 65-56.

The game was a rough, hard fought one which saw the Pioneers pulling away near the end. The lead see-sawed back and forth in the first half. Bill Sellards hit a jumper at the halftime buzzer to give the Pioneers a 30-30 tie at intermission.

Wesleyan grabbed the lead in the second half but the Pioneers stormed back to win it. Down by one point Datcher scored four straight as did Tawney and it was Glenville going away.

Foul shooting once again plagued the Blue as they hit on 15 of 32 foul tries. Wesleyan made 12 of 16 from the charity stripe.

Dale Tawney led the victory with 20 points and 20 rebounds. Steve Datcher chipped in with 14 points while Earl Hawkins added nine along with 17 rebounds. Spicer and Cook followed with six each.

The Bobcats were led by Ken Baylor with 18 points.

The Pioneers travel to Charleston tomorrow to take on Morris Harvey at 2 p.m.

Carl Alloway Named To WVIAC 1st Line

Offensive halfback Carl Alloway has been named to the first string on the WVIAC All Conference team. Alloway finished very high in rushing yardage and total offense for the second straight year.

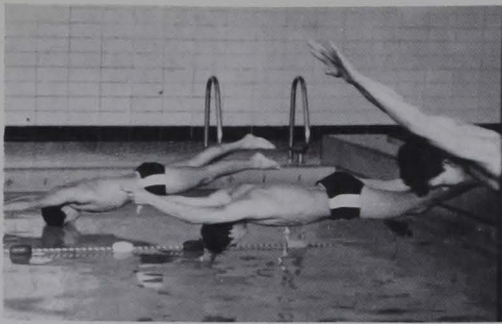

Alloway is from Belpre, Ohio where he was an All State halfback. The 5'8" 170 pound junior is called "the Flea" by his team-mates and plans on a coaching career after graduation.

Randy Dillon Chosen All-Conference End

Randy Dillon, Blue Bandit leader, has been named to the WVIAC All Conference's first defensive team as a defensive end. Dillon makes bone crunching tackles which intimidate the opposing team.

A senior from Milton, Dillon played linebacker his first two years as a Pioneer. However, he has learned stardom since he switched to defensive end.

A physical education major, Dillon plans on a teaching and coaching career.

Swimmers are leaving their starting places to attempt another first place, during their meet with Berea College, Ky.

Down On The Corner

by Mike Smith

In the Midnight Hour . . .

This column is my last one ever and probably will be my most memorable one. I would like to recall some of the sports memories that I have attained in three and one-half years here in Pioneer land.

As a freshman in the fall of 1968, I was a member of the Pioneer football team. This was a team which I think was on the brink of greatness until injuries sidelined three of the 'our backfield starters. The team finished at 6-3 and had a first team NAIA all-American in Jim Frasier of Ripley.

As a sophomore our football team had a 5-4 record but led by the passing of record setting quarterback freshman Pete McDermitt the Pioneers had the number one offense in the conference.

The basketball team that year finished at 20-10 and won the WVIAC tournament behind the playing of Conference MVP Jackie Joe Robinson and the play of three freshman whizzes, Jim Garnett, Steve Datcher, and Ron Jones. The team beat Fairmont and Morris Harvey to win the tournament.

A GSC Bowling team led by NAIA All-American Al Malone won the conference and finished fourth nationally.

As a junior, the Pioneer gridiron warriors were 4-5 for the season after leading the conference at 4-0 midway through the season. The team had exciting moments and the 22-21 win over Fairmont gave Coach Bill Hanlin his 100th Coaching victory. Scott Hamilton was All-Conference DHB.

The basketball team led by Tawney, Hawkins, Datcher, and Garnett finished fourth in Conference play with a fine 18-6 mark. They lost out in the second round of tourney play to the red hot Hilltoppers of West Liberty.

A wrestling team, under Coach Adolfsen, finished with a very respectable mark and was a team to be reckoned with.

The bowling team won first place in the conference but lost in the tournament to W. Va. State. The team led once again by All-American Al Malone finished second to Fairleigh Dickinson College in the Eastern Intercollegiate Bowling tournament.

A tennis team was formed and the netters had a very representative team. The future looked bright for tennis here.

The golf team had an All-Conference player in Neil Christiansen. Wayne Mercer had that honor the year before.

Coach Milliken's baseball team, led by Jim Settle and Jim Garnett, was in the running for the conference division championship until the last game. Mike Wentzel turned in two incredible pitching performances late in the season.

This year, my senior year, the Pioneers had a fine football team. Hanlin's charges led by All-Conference Randy Dillon were 4-4-1 overall and probably at the end of the season had the best team in the conference.

A swimming team has been formed and is coached by Mr. Winkler. They recently defeated Berea College 59-53.

The basketball team is off and running as evidenced by their Shrine Tournament championship.

Biggest Thrills . . .

My five biggest thrills in sports here, not in any other, were:

- (1) defeating Fairmont 7-6 in football as a freshman;
- (2) learning that Jim Frasier made All-American;
- (3) winning tournament in basketball;
- (4) winning conference in bowling;
- (5) giving Coach Hanlin win number 100 with the win over Fairmont.

Just me . . .

I had fun with such gimmicks as the Boogerhole All-Stars. Putting non-athletes' names in the sports news has been fun, I hope, for us all. Right Benny Connor, Raymond White, etc?

Making predictions which I sometimes but very seldom get right was also an experience. Remember though, I have Alabama over Nebraska by one touchdown. Tennessee did beat Penn. State as I predicted last week. I won't tell of my many misses.

I would like for everyone to attend the boxing matches tonight at 8 p.m. in the gymnasium. I will be a referee, and action is promised. If successful with this, the Vets may have a pro-am tournament in the spring. Give them your support.

That about ends it for me. I have one last word for a person I agitate every week with my column, John Pratt. John, you are one heck of a fullback. I think the best in the conference. I waited until now to tell you.

To the physical education dept. and Mercury staff, plus my readers, thanks. It has been a little slice of heaven. Everybody, please keep that good attitude.

Veterans Club Sponsors Amateur Boxing, Dec. 10

On Friday night, Dec. 10, the students and citizens of the Glenville College community will be in for a treat. The Glenville State College Veterans Club will provide another first for this area. Amateur boxing will come to Glenville with teams participating from Parkersburg, Cedar Creek Coal Company, Seth, and Glenville.

The college boxing team consists of Jeff Wynne, Larry Queen, Dave Allen, Mark West, and Keith Ellyson.

Individual fighters will represent three states.

These boxers are dedicated athletes who run an average of 50 miles a week, spar 30 rounds a week and shadow box about 10-15 hours a week in order to be able to fight their best for six minutes. Most of the scheduled boxers are experienced and hold sectional or regional championship titles.

Fight promoter and veterans club president, Larry Derenberger, promises the bouts will be run off in a brisk and efficient manner with excitement and thrills enough to satisfy the most avid sports fan.

Local judges will be Dean Carl Pennington, and Coach Bill Hanlin. Glenville's Dr. Vernon E. Hoefler will be the ringside physician.

Pioneers Clobber Salem Tiger Team

The Pioneers with a balanced scoring attack clobbered Salem's Tigers here Saturday night by the score of 83-52.

Glenville led all the way and pulled away from Salem near the end of the first half when they led 43-30.

Early in the second half Glenville sprinted to a 20 point lead which they later spread to a 30 point lead.

Earl Hawkins and Steve Datcher led the onslaught with 18 and 16 points respectively. Ron Jones paced the Pioneers in the first half when he scored all of his 12 points. Dale Tawney garnered nine points while Jim Spicer had six on three long jumpers. Cook and Garnett closely followed with five points each.

Hawkins played fabulous defense as he blocked many fouls.

Foul shooting again was the big flaw for the Pioneers as they hit on 11 out of 19 attempts.

The win evened the regular season record at 1-1 and 3-1 overall.

GSC Swimming Team Captures First Victory

The GSC swimming team hosted their first meet Sunday and gained their first victory. Pioneer swimmers defeated the Berea College team 59-54.

Terry McCartney placed first in three freestyle events in 50, 100, and 400 yard events, while Ed Williams and Rick Canterelli placed first in the 200 and 1000 yard contest respectively, thus sweeping the entire freestyle competition.

John Howell placed first in both the required dive and optional dive while Ralph Westbrook beat out his competitors in the 200 yard Butterfly.

GSC Roundballers Defeated By State

The roundballers in their regular season opener met defeat at the hands of W.Va. State in Institute last week. The final score was State 77 and Glenville 68.

Star forward Steve Datcher got into early foul trouble and spent 13 minutes of the first half on the bench. Without Datcher the Pioneer offense bogged down despite the fine play of Ralph Cook, Datcher's replacement.

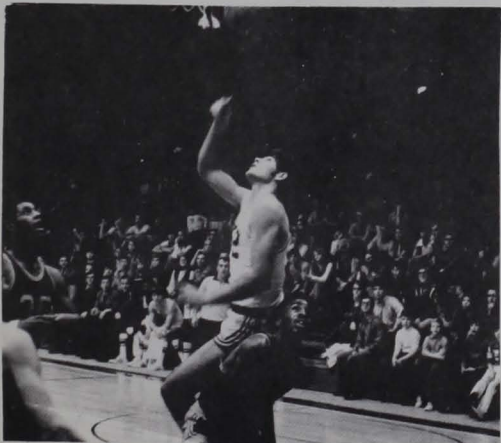

The first half saw Glenville lead most of the way with the Yellow Jackets coming back late in the half to take a 37-35 lead at halftime.

The second half was much the same as the Pioneers got hot early and looked as if they were going to play ball. However, Earl Hawkins fouled out with seven minutes and Steve Datcher fouled out with two minutes remaining. State came back to tie the game 66-66. In the overtime the Pioneers were no match for State as they were outscored 11-2 in the overtime period.

The Pioneers out-gunned State 29-27 but the charity stripe got the best of the Lillymen. Glenville made 10 of 21 foul tries while State tossed in 23 of 37 free ones.

Dale Tawney led the Pioneer scorers with 16 points followed by Hawkins, with 12, Datcher with 10, and Cook, Jones, and Garnett with eight each.

State was led in scoring by Gilmer with 21 followed by Vaden at 18 and Street with 18.

Pioneer forward Ralph Cook increases Glenville's lead over the Salem Tigers. Glenville won 83-52.

Dale Tawney is seen scoring two points against Wesleyan Bobcats.

President Extends Holiday Greetings

Dear Students:

As you are now about to leave the campus for the Christmas vacation, I wish you much happiness and joy at this Christmas season, and extend to your families and friends at home and abroad my best wishes.

It seems that the spirit of Christmas should cause us to reflect much upon the many aspects of life in our world today. There are the problems of peace in the world. There is the need to make certain that people everywhere have the privilege of governing themselves as they see fit, and of rearing their families in an environment which will be conducive to an ever-increasing grasp of recognizable standards of worthwhile living. Here at home there must be a greater concern expressed in positive action for the poor, for those often afflicted by disease, for the plight of the elderly who too often must live in humiliating circumstances, and for those for whom it seems there are too few opportunities to participate fully in the cultural, educational, and social self-sustaining endeavors that are aspects of the personal aspirations of all persons.

You hear much in your studies and view all too frequently the results of disregarding the natural relations between living organisms including human beings and their environment. You ask and are asked, "Can we afford to have clean air and water, and re-establish the natural relations between living organisms and their environment?" Others declare that we cannot afford any imbalance between man and his environment to continue longer. Some tell us that the problems of man and his environment overshadow all other problems to the extent that life as we know it and like to view it may possibly be affected markedly if we do not now within the confines of the knowledge that we now have solve the problems.

All of these problems should challenge you to be a part of the great positive force of mankind which is required in order to solve these and many more unrecognized problems of the present and the future. Your best chance of being able to accept the challenge is to make certain that you secure now the best possible preparation during the years that you are at Glenville State College. This must be your first concern. It must be revealed through your eagerness to learn, to question your own ideas, those of your fellow students, and of the faculty. You must be willing to accept new ideas about your worth and that of those around you. You must learn to test that which seems new in order to gain security in recently acquired ideas. This must be if your educational endeavors are to cause you to become the kind of men and women who can accept the challenge of today and tomorrow in the spirit of Christmas.

You and I often say, "What can I do to make the spirit of Christmas become a reality?" All of us affect someone's life positively when we least expect it to do so. We find these opportunities more often if we look for them. As I suggested a year ago, why not find a child or youth who needs tutoring in order to succeed in school?

Scores of students here in the College are not succeeding with their studies. The Foundation Studies Program, with a limited staff, is not in a position to assist all who want or need assistance. Therefore, if these students do not receive assistance, they may lose the opportunity that you have. Why, then, not find a fellow student who may have a better chance to succeed because you took the time to help?

Just a personal remark in conclusion. May you, this Christmas season, give more than a casual thought to those friends, relatives, and thousands with whom you have had no acquaintance who are in your midst and in far distant places performing many kinds of tasks, the objectives of which are to bring a better way of life, including human dignity, to more and more people.

Best Wishes for the Christmas Season.

Cordially yours,

D. Banks Wilburn
President

Ban of Obnoxious Commercials Sought; CROC Campaign Is Launched in Minn.

College students across the country are being asked to support a movement to try to ridicule irritating and obnoxious television commercials off the air.

Bill Bentzin, a Minneapolis public relations man and founder of the Committee for Rejection of Obnoxious Commercials (CROC), launched the campaign Nov. 10 in a talk to the Mankato State College Marketing Club in Mankato, Minn.

CROC was formed in September in Minneapolis, and now has more than 1,000 members from coast to coast. The organization hopes to improve the quality of television commercials by calling attention to the bad ones, at the same time recognizing some of those which CROC members feel are good.

Membership in CROC costs \$1 and all college student members get

eight "Your Commercial is a CROC" protest cards to send to companies sponsoring bad commercials to let them know they may be heading for a CROC award; a membership card; a "Let's Get CROCED Together" button, and a "Crushing Revolting Obnoxious Commercials" poster, plus the right to join in the spring voting.

To receive all CROC material and to get on the spring ballot list, students send \$1 to College CROC, Box 1022 C, Minneapolis, Minn. 55440.

College students are also being asked to participate in a "CROC art" contest to create a poster for the organization. The "CROC art" competition has a first prize of \$100 second prize is \$50 and third prize is \$25.

Posters should be done in black and white. Choice of media and size is open. Entries should be sent to CROC art, Box 1022 CA, Minneapolis, Minn. 55440, postmarked no later than Dec. 15, 1971 and arriving no later than Dec. 20, 1971. Winning entries become the property of CROC and other entries will not be returned. Winners will be notified by Jan. 31, 1972.

These maintenance men are busily assembling new shelving in the Robert F. Kidd Library.

New Shelving Assembled In Robert F. Kidd Library

Robert F. Kidd Library is in the process of having new shelving installed on the second and third floors of the library. This new space will allow for the shelving of approximately 31,500 additional volumes. The new shelving when installed will institute the use of 90 per cent of all available shelving space in the library.

The shelving which was supplied by the Republic Steel Corporation Nitro, W.Va. cost \$7,500. Presently the maintenance department of the college is working to have these installed by second semester. Along with the installation of the shelves, the books now on the previously installed shelves are to be relocated to enable easier shelving and location of books. This will not cause the shifting of books from one floor to another.

The shelving is being installed in areas which were previously occupied by large study tables. Although these will be eliminated, the library seating capacity will be 284 students.

Forest Tech. Students Obtain Field Instruction

Second year Forest Technology students, under the supervision of Mr. Darrell Dean, instructor of Forestry, were involved in a field trip on Nov. 16-18 to Williamson. The trip was in conjunction with the Forest Protection course of the school Forestry Dept.

Its aim was to give the 20 students some first hand experience in wildfire suppression and since Mingo county has a high incidence of fires, that site was chosen.

While there, a fire call was put out and the forestry students traveled to the location of the fire for some first hand experience. The fire was a brush fire covering approximately 80 acres.

A tour of the Georgia Pacific forest area was taken to observe their management practices of their forest land. The Georgia Pacific Co owns approximately 65,000 acres in Mingo and Logan counties.

The library with the space which the new shelving provides, will allow for expansion of the collection for approximately five years at which time the collection should show a total near 140,000 volumes. Future expansion was provided when the library was designed for the addition of two more floors.

Mr. David Gillespie stated that due to lack of shelving some 400-500 new books have not been made available to readers. These are books obtained since September. He also remarked that before the new shelving arrived, the library was in such a condition that had he checked out books been returned at once, there would have been no place for them.

Xerox Copier Reported Appreciated by Faculty

Since the Robert F. Kidd Library started offering free Xerox copies to those students and members of the faculty who need them for work pertaining to classes, a total of 1095 copies have been made in 18 days.

A report from the library states that the English department has made the most copies with 233. Next is the History department with 139, followed closely by the Education Department and Library Science departments with 136 and 130 respectively.

The Open House at Women's Hall, which was scheduled for Dec. 11 has been cancelled.

Louis Bennett will hold Christmas open house. 1-5 p.m. Sunday, Dec. 12.
