Mr. Carl Kerr Receives Award

The Willa Brand Award in English for the academic year 1971-72 has been awarded to Mr. Carl Kerr, associate professor of English and French.

"A poem on the occasion of the Hundredth Anniversary of the Founding of Glenville State College," won him the award of \$50. The award is in memory of Miss Willa Brand who taught English at Glenville State College from 1921-44.

Mr. Kerr is the first member of the faculty to receive the award.

Following is the second stanza of the poem that won him the award.

"Today the spirit of new challenge stirred,
And youth again awakened to the dawn
As youth awakened and set forth ten tens
Of years ago to question wisdom's
August source and challenge wisdom's way."

Feb. Election To Be Held Concerning Student Fees

There will be an election Feb. 1 concerning a raise in student fees. An increase of \$3 per year is being proposed to go towards the WGSC radio station. It will involve the Associated Press News Service which was approved by the students last year, but turned down by the Board of Regents. The increase will also involve the coverage of athletic sports which will be held out of town, there will be new transmitters from LBH and VMH, also a paper will be printed covering a weekly survey on music. FM radio on the television cable will also be added, and there will be an increase in broadcasting hours.

WGSC is currently receiving sixty-six per cent of the top one hundred records according to Billboard which is in contrast of thirty-two as of Sept. WGSC radio was granted \$1600 through the efforts of President Wilburn. This money has been used for additional equipment which includes plus tape cartridge system, new tone arms and a new transmitter for WH.

Stephanie Shimer and Randy Hunt are shown during their dance at the Centennial Convocation. In the background is Marshall Barnhouse III, pianist.

Ms. Claudia Dreifus Defends Women's Lib

Claudia Dreifus, who at 26 has emerged as one of the most articulate and important writers and spokeswomen to come from women's liberation movement and the underground newspaper world, is scheduled to speak here on Tuesday, Feb. 8, at 10 a.m. in the auditorium under the auspices of Convocation-Lyceum Committee. Her subject will be "Liberation Now: What are Militant Women Fighting For?"

Born in New York City, Miss Dreifus has a B.S. from New York University. A leading and active member of Media Women, she is a prolific writer whose works on feminism and related subjects have appeared in *McCalls*, *Ladies Home Journal*, *Evergreen Review*, *Rolling Stone*, *Nation*, *Realist* and *Social Policy*. Her book on women's liberation and the alternate culture, "Radical Lifestyles," was released in November of 1971 by Lancer. A second book, "Consciousness Raising", is now in preparation. In addition to her contribution to the overground media, Miss Dreifus is one of the best known "underground" journalists in America. Until last year she served as the News Editor of the *East Village Other*, the nation's oldest and largest underground newspaper, where she wrote a weekly political column.

As a leading member of Media Women, Miss Dreifus participates in

a weekly women's liberation "consciousness raising group," which she describes as the most humanizing and fruitful experience she has ever encountered. She was one of the leaders of a group of women who invaded the offices of the *Ladies Home Journal* early in 1970 and demanded that the *Journal* put out a magazine that presented women with material more relevant to current times. She and her colleagues in Media Women put together a special section on women's liberation which was printed in the August, 1970, edition of the *Ladies Home Journal*.

Interviewers Begin Recruiting Tuesday

Any student who is interested in signing up for an interview should stop by the Placement Office prior to the date of arrival of the recruiter. At this time the student will be allocated a specific time as to when his interview will take place.

The Placement Office requests that they be notified if you cannot, for any reason, keep your appointment. Failure to notify the office will result in your being unable to participate in future interviews.

Interviews scheduled for the first week of February are:

Date	School or Organization
Feb. 1-2	W.Va. Civil Service
Feb. 3	Preston County, W.Va.
Feb. 3	Wood County, W.Va.
Feb. 7	Prince William Co., Va.
Feb. 7	Kent County, Maryland

Office Hours Changed In Administration Bldg.

A change in the office hours for all offices in the Administration building including the mailroom has been instituted this semester. Unlike in the past, all offices will be opened between 12 noon and 1 p.m. which in the past has served as the lunch hour. This change makes the office hours for Monday through Friday 8 a.m. to 4:30 p.m.

Another new feature for the office is a Saturday morning opening. Each week from 9 a.m. till 12 noon, at least one office will be open in the Administration Building to assist in information and referrals.

Student Teachers' Observation Starts

by Linda Mayfield

On Tuesday, Jan. 25, 119 secondary and 24 elementary student teachers reported to their respective schools for their first student teaching observation.

Twelve elementary student teachers will be teaching in Gilmer County. Roger Brady, Donna Brannon, and Pauletta Crutchfield will be teaching at Tanner Elementary. Carolyn Hazen, Daisy Pettit, Lois Pierce, Joyce Wilfong, and Lillian Nutter will teach at Normantown Elementary. Teresa Morris, Wilma Richardson, Daniel Ward, and Larry Woods will teach at Troy Elementary.

Only one elementary teacher has been assigned to Braxton County. Ruth Ann Hopkins will teach at Sutton Elementary.

Eight students in the elementary field are scheduled to teach in Wood County. Beneta Kay Bickel will teach at Criss School. Scheduled to teach at Neal Elementary are Charles Kuhn and Jenna Lee Page. Other elementary students teaching in Wood County are Janet Lantz at Madison Elementary; Deborah Reese at Nash Elementary; Larry Schoonover at Vienna Elementary; Monzell Stoops at Lincoln Elementary; and Barbara Sturm at Worthington Elementary.

Teaching in Harrison County at Johnson Grade School will be Rosanna Corathers and Jane Powell.

In Roane County, Shirley Critchfield has been assigned to teach at Spencer Elementary.

On the secondary level, ten students have been placed in Nicholas County. Those students who will teach at Richwood High are: Julia Acree, French; Robert Ripley, health and physical education; Claude Blankenship, health and physical education; Basil Shumate, social studies; and James Spicer, health and physical education. Ripley and Blankenship will also teach at Tannery Elementary and Spicer will also teach at Richwood Elementary.

Those students scheduled to teach at Nicholas County High are: Linda Scarles, English; Gordon Spencer and Gary Jones, health and physical education; David Radcliff, social studies comprehensive; and Rebecca Lothes, vocational home economics. Spencer and Jones will also teach at Summersville Grade.

The nine students scheduled to teach in Roane County at Spencer High are: Marjorie Barnes and Pamela Bartlett, math; Edna Lemon, English and library science; Michael Smith and Leonard Bolton, health and physical education; and Randall Elswick, Beverly Wood, and Michael Woods, social studies comprehensive. Robert McKown will teach health and physical education at Spencer Elementary and Junior High.

Seventeen students will teach at Braxton County High. William Humphreys, Nancy Cutlip and Robert Harris will teach social studies. Health and physical education will be taught by Robert McCoy, Stephen Stoffel, Katherine Tripplett, Carl Williams, Dan Adams, and Carol Dale. Business education will be taught by Beverly Riffle, Michael Stalnaker, and Charlotte Howes.

Other students who will teach at Braxton County High are William Carr, mathematics; Harry Van Meter, biology and general science; Roberta Williams, library science and social studies; Lynetta Martin, French; and Kathryn Shaver, English. Katherine Tripplett, Carol Dale, and Dan Adams, will also be teaching at Sutton Elementary.

Eleven students are scheduled to teach in Lewis County. Sharon Collins Cochran and Jacqueline Milliken will teach at Weston Junior High and Central Elementary; Linda Grandinette will teach health and physical education and special education at these two schools. Craig Lipscomb, Dannie Gum, and Gary Hall will teach health and physical education at Jane Lew Elementary and Junior High.

Those students who will teach at Lewis County High are: Debbie Shackelford, business education; Annie Smith, art; David Wilfong, mathematics; Karen Brady, biology and general science; and Kathy Luzader, speech and English.

In Upshur County, Doyle Zirkle will teach mathematics at Buckhannon-Upshur High and Jean Holbrook will teach music at Buckhannon-Upshur Junior High and Academy Elementary.

Nine student teachers have been assigned in Harrison County. At Broadway Junior High, James Deuley will teach health and physical education and Wade Coffindaffer will teach social studies. Deborah Means will teach French at Washington Irving High and Carolyn Butcher will teach home economics at South Harrison. At Bridgeport Junior High, Linda Mayfield will teach English and David Wynne will teach social studies.

At Summit Park Junior High, Thomas Pritt will teach social studies and Raymond White will teach health and physical education. Patrick Pierson will teach speech at Victory High.

Sixteen students will teach at Calhoun County High School. They are: William George, Connie Gum, and John Hart, social studies; Hercy Given, Terry Taylor, Dale Tawney, and Clyde Stepp, health and physical education; Reta Knight and Ed Suddath, business education; John Nutter and Jane Turner, music; Deborah Perry and Joyce Sangkasaba, English; Hilda Stump and Jean Field, home economics, and Lawrence Wigal, biology and general science.

At Grantsville Elementary, Hercy Given will teach health and physical education; Terry Taylor and Dale (continued to page four) if you please!

"Al Capone", Debbie Stalnaker, and his two girlfriends, Pauletta Jackson, left, and Patsy Reeves, right, appeared in Tuesday night's convocation as part of the Delta Zeta act.

Claudia Dreifus

'Students For Jay' Needs Volunteers!

Political fever is taking hold at Glenville State College. While we have our own candidate for Gilmer County sheriff, Ronald Sams, many other students are actively participating in the campaign of the newly announced candidate for governor of West Virginia, John D. "Jay" Rockefeller, IV.

This new group, under the title of "Students for Rockefeller," was formed Jan. 18 in the expectation of his announcement.

In the coming weeks posters and buttons will be seen in growing numbers all over campus. For the past two days and again on Monday and Tuesday of next week volunteers will be soliciting other volunteers who will be working with faculty advisors, Mr. Steve Sherer and Mr. John Spears. Later these volunteers will be engaged in such activities as canvassing the county for 'Rockefeller supporters, working on voter-registration drives, and getting people to the polls on election days.

These students are working hard, long hours for something they deeply believe in—a new chance for West Virginia! They know that "Jay" Rockefeller has a sincere interest in the welfare of not only West Virginia as a state, but for all the people of West Virginia—especially youth.

Mr. Rockefeller came to West Virginia as a member of the President's Committee on Juvenile Delinquency in 1964 and for the next two years worked with "Action for Appalachian Youth."

In 1966, Mr. Rockefeller took his first political step, a successful one by winning election to the State House of Delegates, leading in a field of 28 candidates. His election as secretary of state followed in 1968.

A graduate of Harvard University, Mr. Rockefeller has done advance studies at Yale and at the International Christian University in Tokyo, Japan.

He is a man well worth spending the time and effort to help elect as executive of the state. As we mentioned last week, to vote is everyone's right and everyone's duty. To work for a candidate you can believe in is also a right and a duty in our democracy—and probably the most fulfilling step you can take as a young person in West Virginia.

Ann Starcher
Editor-in-Chief

Student Election on Feb. 1 Requests Fee For WGSC

Dear Editor

WGSC Radio is asking the students of Glenville State College to support a raise in student fees so that we may be able to provide better programming for everyone. On February 1, 1972 the students will vote on a raise in the activity fees by \$1.50 per semester.

The raise would provide the following: An Associated Press News Service to bring up to the minute coverage of world, national, and state news, weather, sports and many special features; new transmitters in each dorm; FM Radio; money for the broadcast of all Pioneer football and basketball games; better quality programming; longer broadcasting hours; and much more. However, we can only do this with your help. Currently, we are unable to do these things because of the lack of funds. Presently, the students provide less than a third of our budget. However, with your help we can give the type of service everyone deserves. All of our financial records are open to the public, and if anyone has a question we urge them to contact us.

For better radio listening we strongly urge you to vote yes for WGSC Radio, your radio station.

Pictured above are the newly elected officers of Sigma Sigma Sigma sorority. They are: standing, Pam Sumpter, Sandi Hall, and Terri Smith. Seated, Margaret Ball and Bev Moore.

Greek News

On Monday, January 24, the DZ's: installed officers for the new year and held a formal meeting. The following appointments were made by new president, Brynda Dunlap. Parliamentarian, Patsy Reeves; guards, Cheryl Chaddock and Judy Meades; Report Due Co-ordinators, Helen Pursely; Philanthropies, Carol Hicks; Patron and Patroness co-ordinator, Connie Kuhl and Tina Haney.

On Thursday, Jan. 27, a coke and charades party was held for all girls interested in rushing this semester.

On Sunday, Jan. 30, a rush school will be held at the sorority house in preparation for the formal rush parties that begin next week.

Sigma Sigma Sigma sorority elected new officers. They are: Margaret Ball, president; Bev Moore, vice-president; Terry Smith, treasurer; Sandi Hall, corresponding secretary; Pam Sumpter, recording secretary; and Avela McElwain, keeper of the grades.

At present, Tri Sigmas are working diligently on rush. On Jan. 26 the sisters held their coke party in the sorority lounge from 6-7:30 p.m. with the theme "It's the Real Thing."

The Sigmas will be selling candy in the future. The money earned will go to The Walton House which is Sigma's National Headquarters.

The Sigmas are receiving tapes and letters from sister Susie Siers who is now at home in Grantsville for a few weeks.

The recently elected new officers of Sigma Sigma Sigma sorority are: president, Margaret Ball; vice-president, Beverly Moore; secretary, Pam Sumpter; corresponding secretary, Sandi Hall, and treasurer, Terry Smith.

Alpha Sigma Alpha sorority held its informal party Tues. Jan. 25 from 6-7:30 p.m. in the Multi-purpose room. Guests played with ouija boards and joined in a seance which brought back Alpha Sig founders in spirit form.

Alpha Sigs are selling fold-over stationary at \$1 a box and are preparing activities with students at the special education classes at the elementary Schools in Gilmer County. Also the girls will be collecting for the Heart Fund through Heart Fund Sunday, Feb. 20.

Theta Girls recently elected officers for second semester. They are: president, Cathy Rader; vice-president, Nancy Rust; secretary, Mary Lou Hart; treasurer, Patty Jones; pledge masters, Martha Moore and Martha Stewart; historian, Dixie Sleeth.

Theta Girls are starting off the semester with a dinner for Theta Xi's, their house mother, Mrs. Turner, and their advisors, Sunday, Jan. 30.

Theta Girls have been asked by Theta Xi's to entertain and serve at their next smoker, Wed. Feb. 2 in the Multi-purpose room.

Eric Minigh Cuts Record

What do a guitar, an ice cream booth, and a recording station have in common? Not too much, actually, but for Eric Minigh, if it hadn't been for the first two, he would have never gotten to the third.

Don't ask-it was easy. Eric, who is a sophomore math major, from Cedarville, is a self-taught guitar player who has composed over 100 songs.

Last July, Eric was working an ice-cream booth at the Arts and Crafts Fair in Ripley. His father, Mr. Robert Minigh, struck up a conversation there with some people among which was Mr. John Rocker, a producer from Trip Universal Studios in Nashville. Mr. Rocker asked to meet Eric, and to have him play and sing.

Mr. Rocker later sent some tapes to Bud Reneau, the executive producer for Trip Universal. Mr. Reneau liked the music, and in August Eric was called to Nashville to record.

The record was released in the eastern U.S. the first week of January. "I'll Not Think of Yesterday" is on one side of the 45 rpm disc, and "There's No Such Thing As Love" is on the flip side. The record has been played on Sutton, Spencer, and Weston radio stations.

12th Annual Exhibit Scheduled Apr. 3-7

The GSC Department of Art announces the 12th Annual Collegiate Art Exhibition which will be held April 3-7. The exhibition is open to all undergraduate collegiate art students in West Virginia.

Mrs. Della Taylor will select and judge the entries. Mrs. Taylor, who is the Chairman of the Art Department at W.Va. State College, writes the art editorials for the Charleston Gazette.

Entry blanks for the Collegiate Art Exhibition will be available in early February. The deadline for all entries will be March 25, and each applicant will be allowed to enter four pieces of work.

There will be a meeting of students planning to do student teaching either the first or second semester of 1972-73 on Tuesday, Feb. 15, 1972 in the Administration Building Auditorium from 4:00-5:30 p.m.

Art Exhibit Scheduled; Seniors To Participate

The Glenville State College art department announces the Senior Art Show of Anne Dobbins, Sharon Cochran, Jackie Milliken, Ruth Snyder, and Leon Miller from Jan. 31 to Feb. 4 in the Multi-purpose room of the Pioneer Center. The exhibit, which will be open from 10-3 p.m. daily, will feature a variety of work including paintings, prints, ceramics, sculpture and handcrafts. An open reception will be held Monday evening, Jan. 31 from 6-8 p.m.

GLASSWARE DEMAND PROMPTS RE-ORDER

Since the demand for centennial glassware was so great Charles C. Scott, professor of art, has announced a new shipment has been re-ordered.

The glassware was handmade in Weston and displays a blue centennial insignia. The 14 oz. candy jars and 9½ oz. and 12 oz. tumblers will be available in the college bookstore Monday.

Pictured above are the new officers of Theta Xi fraternity. They are left to right: William Thomas, Pat Law, Tom Carper, Jennings Eddy, and Danny Wessner.

'Lillymen' Clobber Tech Golden Bears

The Glenville Pioneers showing a balanced scoring attack soundly defeated the Golden Bears of West Virginia Tech. The final score for the January 20 game was 84-53.

Using a tight 2-1-2 defense the Pioneers constantly forced the Golden Bears into taking bad shots and making mistakes. Tech's inability to penetrate or shoot over the Glenville zone defense were the key differences as the Pioneers completely ran away with the game. No Tech player scored in double figures.

Glenville started out hot as they jumped out to a 12-3 lead with less than 5 minutes gone. The Pioneers continued to add to their lead making it 24-9 with nine minutes to play in the first half. Coach Lilly's cagers took a 36-19 lead into the dressing room at the half.

The Pioneers coasted through in the second half as Coach Lilly substituted freely. With the score 64-34 Coach Lilly cleared his bench.

Glenville hit a hot 50% from the field making 36 of 72 shots. From the charity stripe the Pioneers hit 12 of 16 shots for a torrid 75% average.

The one-two scoring punch of Steve Datcher and Earl Hawkins once again led the Pioneers in scoring. Datcher took top scoring honors as he put in 20 points on 9 field goals and two free throws. Hawkins added 14 points laying in six field goals and two free throws. Jim Spicer hit a scalding hot 6 of 7 field goals on long jumpers for 12 points. Ron Jones and Dale Tawney each hit on four baskets and added 1 and 10 points respectively.

In the rebounding department the Pioneers scathed the boards for a total of 47 snatches. Earl Hawkins was the games' leading rebounder with nine, followed by Steve Datcher with seven. Dale Tawney had six, and Ken Ledbetter pulled down five. Glenville had 36 defensive and 11 offensive rebounds.

This victory gave Glenville a sweep over the Golden Bears in the season series. Earlier in the year the Pioneers defeated Tech 76-49 at Montgomery.

Wrestlers Drop Two; MH Next Opponent

The Glenville State Pioneer matmen faced a tough Saturday last weekend as they dropped two rugged matches. Glenville was defeated in the first match 31-19 by Hiram College of Ohio and lost the second 45-3 to the West Liberty Hilltoppers.

In the opening match the Pioneers won four of their matches. Rich Pierson was the only Pioneer to pin his opponent in the 134 pound class. Steve Lewis was declared winner by forfeit. Luther Hanson and Brian Taylor won their matches by decisions. Hanson won his match by a close 13-12 score and Taylor won 6-0.

Paul Riggenbach and John Peters lost by decision. Riggenbach dropped a 9-5 match and Peters lost 17-0. Ken Pitt, Dennis Dillon, Mike Snider, and Marcus Rice all lost by pin.

Against West Liberty, the Pioneers had to wrestle one of the toughest teams in the WVIAC conference. Glenville was faced with the wrestling with sufficient rest and were completely outclassed by the score of 45-3.

Dennis Dillon was the only Pioneer to win his match deciding his opponent 12-5. Three Glenville matmen lost by decisions: Rich Pierson 11-5, Brian Taylor 9-3, and Mike Snider 5-0.

Six Pioneer matmen lost by pins: Ken Pitt, Luther Hanson, Steve Lewis, Paul Riggenbach, John Peters, and Marcus Rice.

Ron Jones is shown as he goes for two points against Tech's Golden Bears, as the Pioneers triumph 84-53.

Have You Heard . . .

by Mike Rust

Warming up . . .

A big hand of appreciation goes to Dean Somerville for his contribution to the Centennial program now going on at Glenville State. Dean Somerville donated the money for the patches now worn on the left sleeve of the basketball warm-up jackets. The patches are replicas of the Centennial seal which signifies one-hundred years of GSC progress. All spring sportsmen will wear these patches. This year's football team had 100 painted on their helmets. Dean Somerville is in charge of all centennial events.

Tip-Off for the second half . . . The second half of the 1972-73 school year should prove to be very exciting. Looking into the future one can see the following events coming up. Starting off first is the very fine Glenville State College basketball team. Coach Lilly's cagers have shown great poise in compiling an overall record of 10-4. Glenville will hit the road January 29 for three straight games against Concord, Salem, and Beckley. The Pioneers will return home Feb. 8 to take on the Morris Harvey Golden Eagles where they hope to avenge an earlier loss in Charleston. Henry Dickerson and Bobby Wesley are always tough but Coach Lilly and his hoopers are always hard to beat on their home court. On Feb. 11, Beckley comes to visit the Pioneers and Concord will invade the following night. Coach Lilly's squad will play its next two games away against W.Va. Wesleyan and Davis & Elkins. The final game of the regular season will be against the Yellow Jackets of W.Va. State when we try to avenge an earlier nine point overtime loss. After a couple weeks of rest, the tournament in Charleston will be held. Glenville should be seeded no lower than second or third. Making a big prediction I feel that the Pioneers with the aid of the student body can go all the way in the tournament this year. Glenville should end the season with a 24-4 record before starting NAIA competition.

Have you heard . . . Coach Whitey Adolfson's wrestling team is getting tougher with every match. With a little more experience his freshmen and sophomore dominated squad should be able to give anybody in the conference all they can handle. Look for Brian Taylor to win his weight class in the WVIAC championship matches. Also be watching for a few of the other younger Pioneer wrestlers to raise a few eyebrows and win.

Dr. Robert Dollgener's bowling team looks stronger than ever this year. The GSC bowlers are making

their first appearance Jan. 28 in Washington. Will these boys, led by All Conference and Bowler of the Year Al Malone, bring the conference bowling trophy back to Glenville and represent us in the NAIA tournament? How about it, Al, Wally, Dave, and Ron?

Coach Carney's linksters are looking forward to the upcoming season with hopes of a conference title coming their way. Leading returners include All-Conference Neil Christenson, Wayne Mencer, Guy Perry, Dennis Fitzsimmons, and Bobby Wilson. Coach Carney has some fine golfers and they should represent Glenville State very well this year.

Coach Jerry Milliken has already started to work his baseball squad. Milliken has almost his entire team returning and hopes are high for a top place finish.

Coach Hanlin and his staff have already began the busy job of looking over films of high school stars they would like to recruit. The coaches will have several boys up here Feb. 12 to watch a basketball game. Let's throw out the red carpet and really give these prospective football players a fine welcome to GSC. Just Looking Around . . .

Congratulations goes to Gary "Deacon" Jones and Craig "Delbert" Lipscomb for being named to the WVIAC honorable mention team.

Golfer Lee Trevino has been named Athlete of the Year by the Associated Press. Trevino had a great year winning more than \$200,000 in prize money and three world championships.

Glenville continues to lead the conference in defense and also rates high in several other standings.

The NCAA now has passed a rule making freshmen eligible to play in all major university sports. I feel that this was a very bad rule for it put too much pressure on the upcoming high school players. Also I think that this rule will really put a dent in Marshall's football recruiting drive.

Look for West Virginia University's Wil Robinson and Marshall's Russell Lee to be named to at least one All-American squad this year; both are superb athletes. My pick for the Associated Press "Sophomore of the Year" has to go to Bill Watson of UCLA. Some people out in California wonder if not Watson will be the next Lou Alcindor of the college ranks.

Glenville State's freshman team keeps rolling along as they upped their unblemished record to 7-0. Keep up the good work fellows.

Come out and support the Pioneers in their next home appearance against Morris Harvey on Feb. 8. Have a good week and keep that good attitude, Nancy.

Fairmont 'Falcons' Defeat Upset-Minded Pioneers

The upset-minded Pioneers of Glenville put a big scare into nationally ranked Fairmont but finally submerged to defeat by a score of 60-54. The game was played at the Fairmont Armory before a packed house.

Glenville, the league's number 1 ranked defensive team, surged to a 19-12 lead with 13 minutes to play in the half but Fairmont battled back to go up 30-26 with 2 minutes to go. The Pioneers then hit on two straight field goals to even the score at 30-30 at the half.

Coach Lilly's cagers came out firing in the second half reeling off nine straight points to fashion a 39-30 lead with 16 minutes left in the game. The Pioneers had the ball two additional times in this period but failed to convert on baskets. Bill Lindsey and Lerman Battle guided the Falcons comeback as they nailed down their 61st consecutive home triumph.

Bill Lindsey converted a three point play to pull the Falcons even at 52-52. The game was also tied at 54 on a goal by Lerman Battle. Lindsey's basket pushed the Falcons ahead to stay at 56-54.

The Pioneers played a slow deliberate offense weaving the ball in for the good shot as they disallowed the Falcons from establishing their running game. Glenville committed only one turn over throughout the whole game.

Fairmont opened up the game in a pressing man for man defense and continued to use it throughout the game. The Pioneers played their basic two-one-two defense.

The two big differences in the game were Fairmont's ability to hit free throws and the fouling out of Leaping Earl Hawkins. Fairmont hit on five three point plays in the last eight minutes to preserve their West Virginia Conference lead. The major turning point came with 8:13 to play when Earl Hawkins fouled out. He had scored 13 points, hauled down 10 rebounds and held Fairmont ace Bill Lindsey to two points before drawing his fifth personal.

The Pioneers outgained Fairmont 24-23, but the Falcons canned 14 of 19 foul shots to a mere 6 of 14 charity throws for Glenville. Dale Tawney led the Pioneers attack with 14 points. Hawkins had 13 and Steve Datcher added 11 for Glenville.

For the first time this season in conference action Glenville was out rebounded 38-35, by the rugged Falcons.

An organizational meeting will be held Feb. 1 at 6:30 p.m. for those interested in participating in intramurals games. In order to participate in the games, the women must sign rosters located on their individual floors in Women's Hall and attend the organizational meeting.

Glenville now has a 10-4 overall and 8-3 league record. The Falcons now support a 12-1 overall and 9-0 league record.

Fairmont's coach Joe Retton stated after the game that this was the best conference game he has ever seen played in the Fairmont Armory.

Bowlers Travel To Washington

Washington, D.C. will be the scene today as the Glenville State Pioneer bowling team makes its first appearance of the season. The Pioneers will be competing in the Eastern United States regional tournament. At stake is a berth to tryout for the United States Olympia team. The tryouts will be held in San Francisco. Last year the Glenville bowlers came in second in this tournament beating such teams as the University of Indiana, University of Maryland, and George Washington University.

For the upcoming campaign, Dr. Dollgener will greet back four lettermen from last year's team which finished second in the WVIAC conference. Returners from last year's team include All Conference Bowler of the Year Al Malone, Ron Sams, Wally Kesling, and Dave Grapes. New men include Paul Greene, Jim Mattox, and Bill Nicholson.

Dr. Dollgener feels that his four returning men are excellent bowlers. His main concern is for a good fifth and sixth man who can come through with 185 to 190 averages. In the past the Pioneer bowlers as a team have averaged 190 pins a game. Al Malone has had the top pin score averaging 196.6 pins a game for the whole season. This average was the leading average in the conference last year.

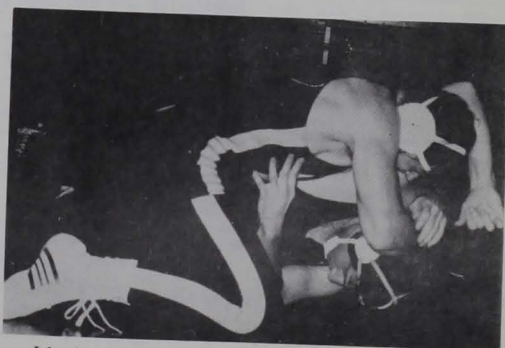

Dr. Dollgener feels that defending conference champion West Virginia State and West Liberty will be the Pioneers toughest competition this season. State finished 4th in the NAIA tournament last season.

The schedule for the bowlers includes 7 postal matches, 2 regional matches, and 1 state tournament. On Feb. 5, the Pioneers will compete in Clarksburg for the Northern Regional championship and on March 11, Glenville will compete in Charleston for the Southern Regional championship.

This year's team will be spiced with a different feature as girls start competing for the first time.

Members of the ladies team include: Margi Jones, Karen Lough, Linda Glass, Barbara Walker, Donna Newberry, Glenna Gainer, and Pam Abbot.

Dr. Dollgener feels that he has some really good women bowlers and thinks that they will have a good chance in Washington.

John Peters is shown struggling against a near pin during the dual wrestling match last weekend.

"The Times They Are A'changin'"

by Susan Barnhart

The first Centennial Convocation of 1972 held Tuesday evening in the college auditorium proved to be a pleasant and enlightening evening for those who attended.

The program quite appropriately began with Bob Dylan's well-known composition "The Times They Are A'changin'" followed by a brief introduction by Mrs. Yvonne King, Director of News Service and Publications and member of the Centennial Historical Committee.

A series of slides from the beginning of Glenville State Normal School to the present GSC campus were shown and narrated by John Spears, education instructor. Spears commented not only on the informative historical background of the college, but interjected humorous incidents: throughout his presentation.

GSC, known as the "lighthouse on the hill," began at the Glenville State Normal School in the Gilmer County Court House in 1873. It then had an enrollment of 120 pupils ranging in age from 12 years to 30 years.

Spears emphasized the point that T. Marcellus Marshall served not only as a principal of the normal school, but also the school custodian. For his janitorial service he was given a meager salary of \$12.50 per month.

Women's Liberation advocates who were present no doubt took note of the fact that only one woman, Verona Mapel, had held the executive position of the school since its beginning. Verona Mapel Hall which now serves as a men's dormitory was named for Miss Mapel.

Early classrooms were given a more "homey" atmosphere than the stark rooms of today. Classrooms during the early 1900's were covered with cheerful wallpaper, paintings, and photographs.

A commencement hall was furnished in the first academic building where candidates for graduation would present their final addresses. It was a custom to present each candidate bouquets of wildflowers at the head of the hall. The student receiving the most flowers was rightfully acknowledged as the most popular student.

Custodian George Firestone, for whom Firestone Lodge was named, was not only the janitor of the school for years, but also was an honorary player on the football team when there was a shortage of players.

Those attending the Centennial Convocation viewed interesting slides of the buildings on campus and noted changes made throughout the years. Students until 1912 who did not commute lived in private homes or boarding houses in Glenville. Until the late 1920's students leaving Glenville for vacation or visits left by river boat and caught the train at Burnsville to further destinations.

The slide presentation was interspersed with fashion modeling of the various historical periods, music, and dances.

David Bush, Richard Butler, Irvin Hoyt, and Dale Miller formed a Barber-shop Quartet and performed "Aura Lee" taking one back to the early 1900 era. Sigma Sigma Sigma sorority did a peppy side step dance to Ed Haley's "Strolling Through the Park." Anna Tassan, Randy Hunt, Stephanie Shimer, and Connie Pecozzi added a contemporary touch by dancing to "Five Foot Two", "Warsaw Concerto" and "Theme from Jesus Christ Superstar."

The Delta Zeta sorority modeled flapper girl outfits of the 1920's and Kay Woody danced. Alpha Sigma Alpha sorority modeled current styles, ranging from hotpants to maxi dresses, to Henry Mancini's "Theme from Romeo and Juliet."

The program ended with the "Alma Mater" sung by the GSC Choir and recognition was given to Mr. Fred Barnett, composer, who was in the audience.

Yes, the times they are a'changin' and it may be assumed that people one hundred years from now will get the same pleasure of reviewing and viewing the outmoded ways of the 1970's.

Mr. Carl Kerr, center, is the first purchaser of a Centennial Dogwood tree. Mr. Beryl Langford, Registrar left, took the order for the tree and Dr. David Smith, right, will deliver it.

Block Teachers Practice

(continued from page one)

Tawney will teach special education, and J.B. Nutter will teach music. Seven students will teach in Jackson County. Those teaching at Ravenswood High will be: Marlene Parsons, home economics; Patricia Carroll, social studies; Michael Dunlap, health and physical education; Darling Dye, secretarial studies; and Larry Thompson, mathematics. At Ripley High, Sally Tucker will teach home economics and Janet Posey will teach business education. Dunlap will also teach at Ravenswood Elementary.

Five students will teach at Wirt County High School. These students are: Susan Pitts, home economics; Terry Boram, business education; Scott Harper and William Lynch, health and physical education; and William White, physical and general science.

Ritchie County will host seven student teachers. Those teachers at Pennsboro High will be: Donna Pratt, home economics; Gregory Dodd, chemistry and general science; and Ruth Snyder, art. Miss Snyder will also teach at Creed Collins Grade School.

Teaching at Harrisville High will be Janet Alkire, home economics; Gilbert Epling, mathematics and physical and general science; Michael Hanlon, social studies; and Richard Oyler, health and physical education. Oyler will also teach at Harrisville Elementary.

Forest Technology Sponsors Project

As a part of the GSC Centennial observances, the Department of Forest Technology is sponsoring a Dogwood Tree project. The project is an attempt to beautify the Glenville community through the planting of at least one hundred flowering dogwood trees.

The dogwood trees, which will be sold at cost, will be available in late March. Purchasers will be notified of their arrival and they may pick up their order at the Forestry Building on Mineral Road. Planting instruction will be furnished with each tree.

Cash must accompany the order, but will be refunded should the trees not be available.

White dogwood, 2'-3', bare-rooted stock, will sell for \$1.75 each.

White dogwood, 3'-4', balled and burlapped, will sell for \$5.00 each.

Pink dogwood, 2'-4', bare-rooted stock, will sell for \$2.25 each.

Pink dogwood, 3'-4', balled and burlapped, will sell for \$5.00 each.

Orders must be submitted to Dr. David W. Smith, Forest Technology Dept. not later than Feb. 19. Questions concerning the project should be directed to Dr. Smith at 462-5185.

Facilities Are Available To Students in Evenings

After a reasonably successful initial experiment last semester, the Division of Business will again make its facilities available to Glenville State College students during the evening hours.

The facilities will be available for use Monday through Thursday from 6 p.m. until 9:30 p.m. Rooms 100 and 101 of the Administration Building house the equipment and work space for student use.

Among the items of equipment to be utilized are: twenty IBM Selectric typewriters, four IBM Executives, twelve Adler electric typewriters, two electronic programmable calculators, seven adding machines, additional calculating equipment, one fluid duplicating machine, one mimeograph, one controlled reader, and cassette tape recorders. An announcement regarding the acquisition of additional equipment will be made soon.

Because students often may be unfamiliar with the operation of this modern equipment, work scholarship students from both the Division of Business and the Data Processing Center are present to provide technical assistance. Supervision of the two rooms is the responsibility of Mariann DeRico on Monday night, Margaret Ball, Tuesday night; Paulette Jackson, Wednesday night, and Jana Jenkins, Thursday night.

Dr. John F. McCreary, Chairman of the Division of Business, noted that an average of forty students utilized the facilities each week last semester. The cost to the College for providing this service is approximately \$1.00 per student user per night. Glenville State College is the only institution in West Virginia which provides this opportunity for its students without additional fees or charges.
