Centennial Celebrated

Despite a "raging blizzard" Saturday, approximately 350 people were able to attend the Centennial Ball.

The Ball, which was held in the Pioneer Center, featured 'The Dusty Rhodes' Quartet' in the ballroom and the 'Headstones' in the snack area.

A brief ceremony commemorating the 100th anniversary of Glenville State College was held at 10 p.m. and emceed by Dr. Espy Miller. Centennial Queen Rosanna Corathers cut the birthday cake and then served President and Mrs. Wilburn and Dean and Mrs. Somerville. The entire group then sang the Alma Mater and "Happy Birthday" to GSC.

P. Lotus Awarded Blue Ribbon In Art

Paul Latos, GSC freshman art major, has been awarded a blue ribbon merit prize in the annual Adult Student Art Show at the Oglebay Institute Art Gallery in Wheeling. The show was judged by New Martinsville artist Glenn Barnes.

Latos entered two ceramic pieces in the art show which was open to all Wheeling tri-state artists receiving instruction. Both of Latos' pieces were stoneware lidded jars. The winning selection was glazed dark brown with a leaf design on the front. It was approximately ten inches tall.

The exhibition is now on display at the Gallery located in the mansion museum in Oglebay Park. The show will be open through Feb. 25 and may be viewed from 1-5 p.m. daily free of charge.

Prior to his enrollment at GSC, Latos, son of Mr. and Mrs. Ted Latos of Windsor Heights, received extensive ceramic training at the newly consolidated Brooks County High School under the watchful guidance of the Brooks High ceramic instructor, Sam White, GSC graduate.

The deadline for filing applications for financial aid is March 1, according to Mr. Larry Lamb, Financial Aid Officer.

Deadline for filing for Student Congress election is Mar. 15.

Deadline for filing for the Miss GSC contest is Mar. 20.

Dr. and Mrs. Wilburn and members of the Centennial court enjoy the Centennial Ball and admire the cake.

Gerald Ratliff Announces GSC Drama Performance

Mr. Gerald Ratliff is announcing his farewell dramatic performance at Glenville State College. He is joining the staff of UCLA but will direct the play, *Marat/Sade*, this semester.

The play is by Peter Weiss and Mr. Ratliff has received permission to rewrite sections of it. In 1965 the play won the Drama Critics award and the Tony award.

The play concerns inmates of Charenton Asylum who were confined for political and social reasons. Among the inmates were Marquis De Sade who was condemned for his pornographic writings. While there, he stages various plays with the inmates to pass time.

The GSC performance will combine acting, music, song, dance, and pantomime. It will be representative of total involvement theatre in which members of the cast will talk directly to the audience; enter and exit through the auditorium and directly confront members of the audience by harassing them.

The climax of the tragedy results when the patients turn on their keepers and mutilate them. The lesson is obvious.

Tryouts for *Marat/Sade* will be held this Monday at 6 p.m. in the auditorium. The director is seeking unusual types who can dance, sing, or play a musical instrument and who have periods of insanity they

would like to share with other students and faculty members.

The cast will be announced next week and it will have 15-20 members.

Miss Black Contest Sponsored In April

The winner of the pageant will receive an all expense paid trip to Madison Square Garden in New York to represent West Virginia in the "Miss Black America" beauty pageant. Other prizes will also be awarded.

Contestants must be between the ages of 18 and 25.

GSC Forestry Program Registers 11 With SAF

According to a letter from Donald R. Theol, Director of Professional Programs, Glenville State College now has 11 members of Forest Technology enrolled as members of Society of American Foresters. This is surpassed only by Paul Smith College, New York, with 47 registered with the society.

GSC is the only college in the United States which offers the forestry program directly on campus.

Board Of Regents' Ruling For Dorms Is Announced

All unmarried students (freshmen, sophomores, juniors, and seniors) under 21 years of age who do not commute and who do not reside with their immediate families (parents, legal guardians, grandparents, brothers or sisters) are required to reside on campus in the College's residence halls so long as space is available. (This regulation has been established by the West Virginia Board of Regents in keeping with the bond agreement between the Board and the Federal Government and private bondholders.)

Procedures and circumstances for exceptions include: financial hardship-all students applying for financial exceptions must apply for financial aid to the Financial Aids Office. If the student shows financial need and is unable to obtain aid from the college his request for exception will be considered. Documentation will be required from the Financial Aid Office; medical reasons-students requesting exceptions to the housing policy because of special medical problems must furnish written confirmation from a physician to the effect: (1) a medical problem does exist; (2) how long the condition has existed; (3) last date treated for the condition; and (4) estimated duration of the condition; residing with relatives-requests based on this will have to be substantiated with a written statement from the relative(s). The statement must contain: (1) their relationship to the student; (2) the full address of the relative(s); and (3) their agreement to housing the student for the semester; residence with employer-if a student is required, as a condition of his employment to reside with his employer, a written confirmation of such arrangement from the employer must be attached to the application.

All requests for exceptions to the policy must be presented on an official form provided by the Office of Student Affairs. It is the students' responsibility to attach to this form all substantiating information outlined under procedures. Incomplete requests will not be accepted. Completed forms are to be returned to the Office of Student Affairs.

Exceptions will be granted on semester or summer session basis unless certain circumstances would justify granting an exception for the academic year; therefore, all students who may be granted an exception must request renewal if an exception is desired for the following semester or summer term.

Requests for exceptions must be presented no later than May 1, for

the summer term, August 1, for the fall term, and December 1, for the spring term.

After a decision to approve or deny a request has been made, the decision will be communicated in writing to the student by the Dean of Women or the Dean of Men.

Reed & Barton Offer Valuable Awards

During the months of February and March, Reed & Barton, America's oldest major silversmiths, are conducting a "Silver Opinion Competition" in which valuable scholarships totalling \$2,500 are being offered to duly enrolled women students at a few selected colleges and universities.

Glenville State College has been selected to enter this Competition in which the First Grand Award is \$1,000 scholarship; Second Grand Award is a \$500 scholarship; Third Grand Award is a \$300 scholarship; and Seven Grand Awards of \$100 each scholarships. In addition, there will be 100 other awards consisting of sterling silver, fine china and crystal with a retail value of approximately \$85.00.

In the 1972 "Silver Opinion Competition," an entry form illustrates twelve designs of sterling with eight designs of both china and crystal. The entrants simply list the three best combinations of sterling, china crystal from the patterns illustrated. Scholarships and awards will be made to those entries matching or coming closest to the unanimous selections of Table-Setting editors from three of the nation's leading magazines.

Miss Linda Canterbury is the Student Representative who is conducting the "Silver Opinion Competition" for Reed & Barton at Glenville State College. Those interested in entering the "Silver Opinion Competition" should contact Miss Canterbury at room 111-C Women's Hall for entry blanks and for complete details concerning the Competition rules. She also has samples of 12 of the most popular Reed & Barton designs so that entrants can see how these sterling patterns actually look.

Through the opinions on silver design, expressed by college women competing for these scholarships, Reed & Barton hopes to compile a valuable library of expressions of young American taste.

The Glenville State College bus stood decorated with spirit banners before it left for Charleston and the WVAC tournaments.

The Centennial court, bottom row, enjoys the Centennial basketball game against West Virginia State played last Saturday.

Theta Xi dribblers begin their long trek to Charleston to add spirit to the WVIAC Basketball Tourney.

Tournament Requires Students' Cooperation

It's tournament time again, and the Glenville State College Pioneers have gone South to prove to the world that there is a community in West Virginia by the name of Glenville with a state college and one of the finest basketball teams in the country.

The scene is the Charleston Civic Center and the year is 1970. It's Saturday night and the finals of the WVIAC Tournament. Number three ranked Glenville is playing the conference champion Morris Harvey Golden Eagles. The Eagles are just down the street from their home court and are familiar to the Civic Center surroundings. Glenville's Pioneers are tired after a long trip and four long nights in a hotel room. The Pioneers have played four games, including Fairmont, whom the fans thought would be the only team to stop Morris Harvey.

But Morris Harvey never stood a chance. The crowd from Glenville was insurmountable. Never was such spirit shown by Pioneer fans. Even residents of Charleston joined the GSC Cheerleaders in encouraging a Pioneer victory and then the Pioneers showed everyone what a team with backing from its fans could do. Harvey never stood a chance as Glenville trounced the Eagles.

Spirit such as been described has never since been equalled by Pioneer supporters. Perhaps only the Theta Xi fraternity shows this type of enthusiasm by dribbling a basketball from Glenville to the Civic Center.

Those of us who fared the inclement weather last Saturday at the Centennial game saw a grand example of what Pioneer spirit can do. Floundering behind a "cocky" W.Va. State team it was only when our fans really started paying attention to the game that we surged ahead to stay.

This Wednesday, Glenville entered the tournaments and at this writing, the outcome of the first games is not known. One thing is known, if we are still in the tournament, every Glenville State College student has an obligation to be in the Civic Center tonight to help the Pioneers on to Kansas City.

Swimming Team Rescued

Many of the students are aware by now that GSC's famous (perhaps notorious) Blue Goose gave up its Blue Ghost last Friday night seven miles East of Huntington. Returning home from our victorious swim meet with Berea College in Kentucky, we encountered serious problems which meant that the Blue Goose was going nowhere under its own power. Stranded there, we had no idea how we were going to get home. Fortunately, four of the other swimmers and Mr. Winkler were coming back by other means of transportation. Unfortunately, they weren't anywhere close. So, the Stranded Seven began making phone calls. At this time I would like to take some space in the Mercury to thank those who came out to our rescue.

A big thanks is due Dennis Ridgely's father who crammed the Seven into his Caprice and drove us as far as Nitro (incidentally, Dennis is not on the team). There, Steve Prowse's father graciously drove as many of us as he could squeeze (five) into his Valiant and took us to Ripley, leaving a new group, the Stranded Two.

I would like to give a special thanks to Mr. John White, who not only took my classes for me so that I could make the trip, but who also drove with his son, Bill, in their two Volkswagens to Ripley and picked us up a little after midnight.

I know of no other place that anyone would have been as helpful as these four especially when they had virtually no connection with the swim team.

Gene Bailey
Instructor of Mathematics

P.S. (I might add that the Stranded Two, Steve Prowse, and Gary Mitchell made it back to Glenville under three o'clock Saturday morning thanks to Dave Ridgely, Dennis' brother.)

During the Centennial basketball game against West Virginia State, Glenville starter Ron Jones gets tangled up in a tussle for the ball. Whose arms are whose?

GSC Defeats State In Game Saturday

Star forward Steve Datcher gunned in 22 of his 31 points in the first half and sparked the Glenville Pioneers to a 88-80 over West Virginia State last Saturday.

The Yellow Jackets were in front 22-21 at the 10 minute mark in the first half, but then Datcher began finding the mark tossing in 14 points during the final 10 minutes pushing Glenville in front. The Pioneers held a tight 45-43 lead at the half.

State scored first in the second half and the Jackets led briefly at 47-45 on a goal by Dwight Street.

After that, Glenville steadily pulled away after intermission and was on top 67-57 with 12 minutes left. The Pioneers held their biggest lead of the game 82-62, with about five minutes left.

Coach Lilly began clearing his bench at this point with the reserves finishing the rest of the game.

Datcher led both teams in scoring despite the fact of sitting out the last eight minutes of the game.

Earl Hawkins took up where Datcher left off in the second half coming through with 12 points. Hawkins finished with 23 points, grabbed 12 rebounds and blocked four Yellow Jackets' shots.

Other Pioneers in double figures were Ken Ledbetter with 12 points and Ron Jones with 11.

Four seniors played their final home game for the Pioneers. They are Dale Tawney, Ken Ledbetter, Jim Spicer and Roosevelt Lynch.

Glenville closed its regular season with a 19-5 overall record and a 16-4 mark in the conference. This mark gave the Pioneers a fourth place finish.

Steve Datcher and Dale Tawney close in on a Morris Harvey player en route to our upset victory of the Eagles.

Glenville Defeats Eagles; Loses To Davis and Elkins

Glenville vs Morris Harvey

The Glenville State Pioneers fighting off a strong Morris Harvey rally defeated the Golden Eagles by a score of 57-56.

Morris Harvey led only once in the game at 1-0 on a free throw by Bobby Wesley. From there on the Pioneers took over and jumped out to a nine point lead throughout most of the game.

The Golden Eagles regrouped in final five minutes and began to cut the Glenville lead down. With ten seconds to go the score was 57-54 in favor of the Pioneers. Glenville dropped back as Jim Garnett missed a one-and-one situation; Kevin Merchant made the final Eagle points with only a couple seconds left.

Steve Datcher led the Pioneers in scoring with 20 points. Ron Jones had 12 points and Earl Hawkins added 11. Datcher and Hawkins also took top rebounding honors with 12. The Pioneers had a total of 44 rebounds.

From the floor Glenville shot 38% making 24 of 63 shots. The Pioneers hit only 9 of 20 from the charity stripe.

Glenville vs Wesleyan

Glenville built up a fantastic 50-16 lead at the half and went on to take an easy 94-55 victory over the Bobcats of Wesleyan College.

Balanced scoring was the main feature in the Pioneers' easy triumph. Steve Datcher tallied 20 points for the winners with Earl Hawkins, Dale Tawney, Ron Jones, and Ralph Cook all putting in 12 points.

Glenville hit 38 of 89 shots for a 44% shooting average. The Pioneers made 18 of 24 free throws.

Coach Lilly's cagers pulled down a season high total of 64 rebounds. Steve Datcher led the Pioneers with 11 snatches.

Glenville vs Concord

Glenville's highly touted defense completely shut off the Mountain Lions of Concord as the Pioneers blitzed past out-manned Concord, 86-56.

Steve Datcher pumped in 10 field goals to lead the Pioneers with 20 points. Earl Hawkins netted 16, Ron Jones 14 and Jim Spicer 10 in supporting roles.

Hawkins was the game's leading rebounder with 11.

The Pioneers outgauged the Mountain Lions 39-25 as Glenville hit a hot 60% of their shots.

From the foul line the Pioneers converted on 10 of 18.

Glenville vs Beckley

The mighty Blue Wave of Glenville State showing a high powered scoring attack completely blew the Blue Hawks of Beckley out of the gym by a score of 109-65.

In the first meeting between the two squads at Beckley the Pioneers never let Beckley get closer then six points as Glenville swept to a 97-74 victory. Steve Datcher and Earl Hawkins once again led the Pioneers.

Glenville vs Davis & Elkins

Davis & Elkins pulled one of the major surprises in the WVIAC conference as the Senators upset Glenville 85-76. The game was played in Elkins.

The Senators played one of their best games of the season as they ran up a big lead and forced the Pioneers to play catch-up basketball.

Earl Hawkins highlighted the pioneer attack with 22 points and 21 rebounds. Ken Ledbetter, Steve Datcher, and Ron Jones all added 12 points.

Have You Heard

by Mike Rust

Tourney Time...

This weekend marks the beginning of a new season for the Glenville State basketball team. The regular season is over and the GSC cagers came through with one of its finest records, 18-5, in recent years. The place is the Charleston Civic Center and the goal is another tournament championship for the Pioneers.

The Pioneers won the WVIAC crown in 1970 without a man over 6'4" in the starting line up. Now in 1972 with more height and experience I feel that we are taking a better team to Charleston than the one which won the tournament in 1970.

This year's squad has seen some great moments experienced by the wins over Fairmont and Morris Harvey. We have also seen some disastrous movement though in our defeats to Davis & Elkins and W.Va. State.

Our chances ride greatly on the support shown by everyone here at GSC, starting with President Wilburn right down to the littlest freshman. Fan support has really been great this year with every home game almost filled to the rafters with yelling fans.

Tickets...

Once again as in the past tickets for the tournament will be handled by Dr. Dollgener. The same policy for tickets used last year will be in effect this year too. Dr. Dollgener feels there will be no problem with tickets on Wednesday and Thursday. If Glenville gets into the semi-finals Dr. Dollgener will have 200 tickets to sell for Friday and Saturday night games. It will be on a first come, first serve basis. A student must give his or her name to Dr. Dollgener's secretary who will send the list to his room at the Holiday Inn on the Elk. Be sure to pick up your tickets by 6:30 p.m. on Friday if you want them.

Bowler's Honored...

Dave Grapes and Ron Sams won the doubles championship at the recent tournament that they attended in Washington, D.C. Grapes had a total pin fall of 543 and Sams had a total of 619. This gave the bowlers a combined winning total of 1162.

As a team the men's team finished in eighth place and the women placed a high second.

Ranking...

In the recent NAIA ratings our Pioneers were among those teams receiving votes. Fairmont was ranked fifth with Morris Harvey being ranked number 12.

Warming Up...

It has been reported to me that Gene King is leading the conference in points before the game. Gene is averaging 28 points a warm-up. Ralph Cook is a close second.

Back-Alley Champs?...

Jim Patterson and Dave Barnett are now claiming the Back-Alley championship this year at GSC. Jim and Dave report that they have won a total of 129 to only three games that were lost. If anyone wishes to challenge these two they can either be found at the union or the TKE house.

Spring Sports...

With basketball almost gone the spring sports will start coming into the picture more and more. Baseball, golf, and tennis are the three major spring sports that are played at Glenville. All three of these teams look like they will represent us well in the conference.

Final Score...

Well, I hope the chant being made by the Pioneers Saturday night will be "Kansas City here we come!" Try to go to Charleston and support our Pioneers. Have a good week and Happy Birthday, Brian Taylor.

Bowlers Place 2nd In Northern Region

Fairmont State College Bowling Team won the Northern Regional at Clarksburg on Saturday, Feb. 5 with a total pinfall of 6,578 for seven games. Glenville came in second with 6,509 and W.Va. State with 6,373.

Glenville's Al Malone had the high series of 1357 and was followed by Gary Mahoney with a 1351. Ron Sams and Dave Grapes of Glenville also had a 1300 series. The high game of 255 was rolled by Bruce Wheatley of Concord. Glenville's was rolled by Al Malone; he had a 236.

Going into the Regional, Fairmont, Glenville and State were tied for second place in the Conference. Now Fairmont is in first place with 11-2 record followed by Glenville with a 9-4 record, State with a 8-5 record and Morris Harvey with a 7-6 record.

The 1971-72 Pioneer Basketball team is in the middle of WVIAC tournaments. The members are: (row 1, l-r) Jim Spicer, Gene King, Ken Ledbetter, Roger Hess, Earl Hawkins, Dale Tawney, Steve Datcher, Ralph Cook, Bill Sellards, Roosevelt Lynch, Jim Garnett, Ron Jones, Art Blackmon; (row 2) John Tigret, Dave Ptheal, Jeff Jackson, Roger Caddell, Eric Michael, Tom Lilly, Bob Hardman, Bill Sparkman, Darrell Adkins, Head Coach Jesse Lilly, Assis. Coach Tim Carney.

Senior Art Major Opens Craft Shop

If you've always had the urge to rock a handmade cornhusk doll in a handmade wooden bed, then visit Miss Susan Barnhart in her newly-established craft shop in downtown Glenville.

The Mountain Heritage Craft Shop is a mixture of unusual intricate and handcrafted articles.

It features cornhusk dolls, buck-eye dolls, corncob dolls, glazed ceramics, sand candles, macrame, hand-woven belts, large crepe flowers, stationery, and candles representing campus sororities.

Some of the articles are made by GSC students, faculty members, and their wives.

An African Thumb Piano by Dr. Peter Welcker is on display, along with three prints and hand-carved elephants from Thailand.

Miss Barnhart is a senior art major at GSC. She states that "The purpose of the shop is to create craft awareness."

Upon entering the shop one might encounter Miss Barnhart spinning or making cornhusk dolls. This is also a part of her plan to demonstrate crafts to customers.

The shop also features handcrafted toys by Dick Schnacke of Proctor, W.Va. These toys include the "Whamie Diddle" and "Flipper Dingers."

The shop is located beside the Country Store on Court Street and open Monday and Wednesday from 3-5 p.m., Tuesday, Thursday, and Friday from 12-5, and Saturday from 9-5.

STATE, LOCAL GOVT. VISITS LEGISLATURE

Anyone who would like to attend the session may contact Mr. Smith or Terry Moore, Joe Hinkle, Debra Slack, Richard Black, Doug Mahaney or Bill Saul immediately.

The group will travel together to Charleston Friday afternoon and attend the session on Saturday under the supervision of Mr. Smith.

Here, Susan Barnhart displays one of her sketches that can be found in her craft shop.

NEH Conducts Programs For Support of Humanities

Washington, D.C. - The National Endowment for the Humanities has begun a program of grants for support of humanities projects initiated and conducted by young people. NEH thereby becomes one of the few Federal agencies so involved. Announcement of the new program was made by Dr. Ronald S. Berman, the Endowment's Chairman, who said that NEH is encouraging projects effective immediately.

Created in line with a recommendation made last year by the National Council on the Humanities, the new program-called "Youthgrants in the Humanities"-will consider applications from both students and young persons out of school. In announcing the program, Mr. Berman described it as "an important thrust in the Endowment's continuing efforts to interest and involve all sectors of the population in the humanities." The program will offer young people an opportunity to translate their educational and ethical concerns into concrete projects and to reflect critically on their own beliefs and values as well as those held by the larger society.

March 17th has been set as the first deadline for "Youthgrants" applications for projects scheduled to begin during the summer or fall of 1972. Proposals will be evaluated comparatively by a panel of young people prior to submission to the National Council of the Humanities, which makes final recommendations on all applications for Endowment grants.

Further information about the program, including eligibility, application procedures, and grant requirements is contained in a brochure available at no charge from: Youthgrants in the Humanities, National Endowment for the Humanities, Washington, D.C. 20506.

Art Design Contest Is For All Students

The art department is sponsoring a design contest which is open to all GSC students regardless of major or minor fields.

Students are encouraged to submit designs for the Collegiate Art Exhibition catalog cover to Mr. Puskas before March 17. A prize will be awarded for the best design.

All designs must have a blue motif. No more than two colors plus the color of the paper are to be used to guarantee a quality silk screen reproduction. The design must not exceed 8 1/2 x 11 inches and it must be drawn vertically.

The art department also reserves all rights to modify the winning design. Detailed information on the contest may be obtained in the art department.
