Va. Auto Accident **Claims Frank Taylor**

Frank L. Taylor Jr., a member of the Glenville State College Advi-sory Board was fatally injured Monday, June 26, in a car a U.S. 52, two miles south of Hillsville, Va.

Taylor died of chest injuries caused by impact with the steering column of his car. Friends said the Taylor family was returning to Charleston from a five-day vacation at Myrtle Beach, S.C.

Taylor had been with the law firm of Kay, Casto, and Chaney in Charsince 1960. He specialized in labor law and general corporate prac-tice. Taylor served in the state legislature, representing the 17th district, from 1964 to 1966. He was the son of Kanawha County Circuit Court Judge Frank L. Taylor and Mrs. Taylor

He graduated from Stonewall Jackson High School, the University of Virginia, and the West Virginia University College of Law. He was deacon at the First Presbyterian Church in Charleston. He also was secretary of and member of the Board of Directors of Goodwill Industries of Kanawha Valley, Inc.; a member of the executive board, Bucksin Council, Inc., Boy Scouts of America; and was a member of the board of Kanawha Boys County, Inc.

Daily Meals Prepared By Professional Chef

By Londa Rigney

Have you ever wondered what it would be like to roast 100 lbs. of beef, or to pare 100 lbs. of pota-Preparing regular meals at the toes? cafeteria is in the capable hands of our chef, Mr. Leroy Walters.

In Mr. Walters' youth, he was a coal-miner at Stoystown, Pa.

He was associated with the ARA Food Service of Philadelphia for 20 He has worked at Gannon College in Erie, Pa., Davis and Elkins College and West Liberty College.

During his career as chef, he trained a chef at Alderson-Broaddus College who was 'Chef of the Year' for Slater Food. This is quite an honor to train this man since Slater Foods has more than 600 chefs in their company.

Mr. Walters gives credit to the five others who work in the kitchen with him. He started out as a pot washer and has proven himself to be a capable chef.

He is an ardent reader of the Mercury. He says that he never misses an issue.

Mr. Leroy Walters is carving a roast at a banquet.

L. Taylor, Jr.

Band Camp Is Scheduled

Glenville State College will sponsor its fifth annual high school Summer Band Camp, July 23 - August 3, 1972

The camp is open to students who are active in an ensemble program and who will be in the seventh grade or above in the fall of 1972. Graduating seniors are also eligible. The two-week campers will have access to all music facilities including air-conditioned rehearsal and classrooms, practice rooms and the auditorium and ballroom, private lessons, materials and facilities.

Edward M. Vineyard, Director of Bands, will serve as camp director and coordinate the instrumental and ensemble program. He will also direct the summer camp band. David E. Harry, chairman of the Division of Fine Arts, will direct the stage band and teach applied brass. David Cadle, band director at Gilmer County High School, will teach lower brass applied and direct brass ensemble In addition, several advanced GSC music students will serve as counselors and assistants.

At this time ten bands have planned to attend the camp. Bands. are expected from Gilmer County, Lewis burg, Parkersburg, Sutton, Fayette-ville, Welch, Point Pleasant, Bridgeport, Lumberport, and Baltimore, Md. Participants may enroll as late as July 23

Nichols, The Kanawhacher faculty adviser; Ms. Sharon Y Jak Seymour; Ms. Paulette Jackson, president, student con-gress: Diana Moore, The Mercury editor and Bruce Brumage, The Kan-awhachen editor. Student members are Sharon Catalano and Vickie Ratliff with Patricia Canterbury as alternate.

Dr. A. Taylor Billips, Ms. Jean S. Wright, Mr. Carl F. Pennington, Mr. Billy D. Hanlin and Mr. John R. Spears are members of the Student Life and Welfare Committee. Student members are Deborah Goodwin, and Daniel Williams with Robin White as alternate.

Mercurians Pay Tribute To Mr. Everett Zerbest

By Londa Rigney

The Mercury staff wishes to pay tribute to a man who has shown loyal interest in our work. Mr. Everett Zerbest, a member of the Maintenance Department at GSC, has been with us for 15 years. Mr. Zerbest was born in Comanche

County, Texas, Oct. 22, 1911. He served in the Army for 39 months during World War II. He came to Glenville in 1946. Prior to his em-ployment here, he has worked on pipelines and construction. He helped to build the old Student Union building. He also helped to build the

Medical School at Morgantown. Mr. and Mrs. Zerbest live on Brooklyn Drive in Glenville and their daughter, Margaret, is a sophomore at GSC

Mr. Zerbest is a much-loved, familiar visitor to the Mercury office each Wednesday at almost exactly When asked for a comment, noon. he said, "It's a pretty good paper. I like it.

graph.

Girl Friday Hailed

Page Two

There's a lot of running going on around this office, and most of it is done by a petite, vociferous blonde named Vickie Alberta Ratliff. She's a girl-Friday, without whom this paper simply could not survive. Her official title is "News Editor," but besides holding down that pos-

ition she is also the first one to jump at a left-over story, pick up a cor-rection or a headline, write features, or clean (or mess) the office. She is the office coffee-maker, the office blackboard-writer-and-artist, and our constant source of jovial inspiration.

She is always ready with a put-down or a boost-up for any personality; she is always leady with a puredown of a booscup for any personality, she is the one that messes up most of the ash trays and makes our office look like a newspaper office should, smoke-filled. Vickie is the one that knows where everything is or ought to be, who knows where to go for this story or that and for one errand, like getting the mail or delivering papers to the library. She's the ambitious one that spends more time in rooms three and four Clark Hall than any other student on the staff. This summer, she always puts in at least five hours per day there.

We, the rest of the staff, would like to express our thanks to "Sister Vickie" for all she has done, is doing, and will do for us in the furure. She is truly our "girl-Friday."

Frost Fidelity Award.

Miss Starcher Named **Frost Fidelity Recipient**

Miss Ann Tresham Starcher, a graduate of Glenville State College and an alumnae of Alpha Sigma Alpha sorority has received the Frost Fidelity Award for 1972.

The Frost Fidelity Award is an annual national undergraduate honor established in 1949 by Mr. and Mrs. Donald Frost, in appreciation of their Alpha Sigma Alpha friendships. The award is based on intangible fraternity values including loyalty and 'unsung' service to Alpha Sigma Alpha.

Each college chapter selects as its nominee an upperclass member who has made the most vital contribution to chapter life and whose personality best typifies the ideals of Alpha Sigma Alpha

Miss Starcher stated that she is 'happy about the award for the sake of the sorority."

Golfers Play In Tourneys

The Glenville State College golf team participated in the NAIA golf tournament held June 6-9. The national golf tournament was held in

participate in the national Golf tournament held at Clarksburg during late May

The first day of action saw the Pioneers in 13th place with a score of 299. Rich Sansbury lead the way with a 73 followed by John Taylor with a 74 and Neil Christianson 75.

The second day proved to be the Pioneer downfall as they reported in with a 312 and a total of 611 for the first two days of the tournament. Failing to make the cut of 607 the Pioneers were eliminated from the tournament and finished in 20th place out of 33 teams.

Coach Tim Carney said he felt the golf team played well.

The first movie The Little Murderers, will be shown on July 7, at p.m. in the college auditorium The second movie Panic in Needle Park is scheduled for August 1, at 8 p.m. Both movies are a part of the regular Lyceum Program

New Basketball Prospects Coach Lilly plans to move Chester to Basketball coach Jesse Lilly has guard. announced the signing of four basket-Elder is a 6'3" forward from War-ren, Ohio. He avaraged 18 points

Coach Lilly Signs Four

ball prospects for the upcoming basket-ball season. They are Wes Denham, Harvey Chester, Mark Elder, and Rick Short.

Denham stands 6'6" and is from Fairmont. He attended East Fairmont High School where he averaged 17 points and 14 rebounds a game. Coach Lilly states that Wes is s tough rebounder and a good shooter. He will play both forward and center. Denham was a member of Big Ten All-Conference squad and the All-State football team He is the brother of former Fairmont Falcon great, WayneDenham.

Chester resides in Dunbar where he attended Dunbar High School. The forward averaged 16 points a game for the Bulldogs as he led them to the runner-up position in the class triple-A basketball tournament. Chester was named on both the Kanawha Valley All Conference team and was mentioned on the All-State team.

a game. Coach Lilly stated that Elder a good jumper and a tough rebounder.

Short is a 6'6", 220 pound center who played his high school basket-ball at South Harrison. Coach Lilly reports that Short is very strong un der the boards and should give the eers lots of help up front. Rick was a four year regular Pio

while at South Harrison. He averaged 27 points a game and 14 rebounds.

Among his honors this year were being named to the first team All-State squad and All Big Ten Conference Team.

Short is reported to be a top notch player by scouting coaches. He was considered an outstanding prospect by many of the state conference schools and by some of the big name universities who vied for his services before he chose Glenville.

Effects Of Marijuana Vary With Individual

The Mercury is running a serial in the summer issues on th e current topic of marijuana. The information below comes from the Federal Source Book, published by the National Clearinghouse For Drug Abuse Information.

The length of the effect of marijuana depends upon the dose and the person. A few inhalations of strong marijuana can intoxicate a person for several hours. Weak marijuana will produce minimal effects for a short period of time. When a large amount swallowed, the effects start later but persist longer than when the same quantity is smoked.

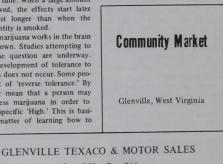

How marijuana works in the brain is not known. Studies attempting to clarify the question are underway.

The development of tolerance to marijuana does not occur. Some people speak of 'reverse tolerance.' By that they mean that a person may require less marijuana in order to reach a specific 'High.' This is basically a matter of learning how to

smoke the drug, and of learning what effects to look for.

Sudden withdrawal may provoke restlessness and anxiety in a few persons who daily smoke large amounts of hashish, but true withdrawal symp toms as seen in the heroin addict do not develop in marijuana users.

The long-term physical effects of extended marijuana use are not precisely known. Extensive scientific research is underway to answer this most important question.

Have You Heard . . . By Mike Rust

John Wooden has done it again. The UCLA super coach has recruited two of the three top recruits in the country. Warren Barker was named one of the top fifty high school basketball players in the country. He is bound for West Virginia University.

The small college division did a good job of recruiting many of the top basketball recruits this season. The Atlantic Coast Conference led all the leagues with seven blue chippers. The Southwest Conference was next with five players, the Big Eight four and the Big Ten three. Sixteen of the top went to independent schools. fifty

Bobby Hull made sporting history last Tuesday by signing a \$2.5 million dollars contract with the Winnipeg Jets of the World Hockey Association. Hull, a 15 year veteran of the National Hockey League capped the deal by being awarded with a certified million dollar check. . Looks like this could set up another bidding war between the two leagues. The officials of the WHA stated that this package was the largest contract ever given a professional athlete.

I would like to congratulate Jim Garnett on being chosen to the first team All-Conference baseball squad. Garnett played left field for the Pioneers last season and batted a big 360. Let's hope he can add first team Allconference in basketball to his credits. Coach Carney recently attended

Sonny Moran's Mountaineer basketball camp as a counselor. Carney reported that the camp was well run and a few of the boys had excellent basketball futures

One of the highlights of summer happened to me a few weekends ago. While in Parkersburg visiting, I went to watch some softball games in the Dupont league. A team named the Penguins caught my eye, they were one of the 'better' teams in the league I viewed in amazement as they lost two games by the scores of 33-1 and 45-8. Both games went stopped at the end of five innings.

Final Score Hope that everyone had a nice holiday weekend. With the All-Star

voting going on be sure and cast your ballots. Look for the Chicago your Cubs to place a large number of players on the team. Also look for a close race in the National League's Eastern division race between the Cubs and he New York Mets. I figure that the

Pirates and ailing Roberto are all washed up. Right Dave P?

Sure amglad to see the sun shining bright again. Last week was really bad for everyone especially Coach Hanlin and his staff. They had one good day to go outside before the rains came The coaches still did a good job of giving the boys helpful tips. The boys started with exercises in the gym watching films and drills on their certain position.

With the weather improving the coaches and the boys have been able to do alot more. The campers are now able to go outside and receive more One thing that the bad attention. weather did not affect was the boy's desire for food. Cafeteria workers report that the boys really put away an

extra large quantity of food. For the most part I feel that the past two weeks have been very suc cessful. Coach Hanlin and his staff did a great job of teaching the campers the finer points of mastering the fundamentals and techniques of football.

The intramural basketball league could not have been more evenly divided by Coach Lilly. Every one of the games have been close with no team winning by more than three points. During the first week of action the scores of the games were 68-65 and 67-66. A big plus has been the way the boys have taken an interest in the games by showing up all the time. Just hope that one more team can be found to play in the intramural softball league

Roswell New Mexico The Pioneers earned the right to
