Policy Given For Probation

Effective August 10, 1972, the following academic probation and suspension policy replaces that stated in the current catalog:

A student who has attempted 27 or fewer semester hours and whose cumulative quality-point average is less than 1.0 is placed on probation, those who have attempted between 28 and 42 semester hours and whose cumulative quality-point average is less than 1.5 is placed on probation.

Students who have attempted between 43 and 57 semester hours and whose cumulative quality-point average is less than 1.75 is placed on probation, while students who have attempted 58 or more semester hours and whose cumulative quality-point average is less than 2.0 is placed on probation.

While on probation, a student must earn a "C" average the following semester or bring his cumulative quality-point average back up to the cut-off point for the number of hours attempted, or he will be suspended, therefore a student who has been suspended may not apply for readmission until twelve months have lapsed after the suspension. A second suspension from any institution(s) of higher education is final.

The status of any student transferring from another institution of higher education will be determined in accordance with the above policies.

The Glenville State College Housing Corporation has for rent one (1) mobile home space or lot located at College Park. Interested students or faculty should contact Mr. Robert Gainer, room 102 Pioneer Center, for additional information.

Officers To Be Elected To Fill Vacant Positions

New officers of Louis Bennett Hall will be selected to fill positions vacated over the summer.

Officers are: President, Craig See; and Vice-President Doug Mahaney. The offices of Secretary, Treasurer and Sargent-of-Arms are to be filled.

Election of unit-representatives will be this week.

The cause of men being placed in Women's Hall was the large number of students on the waiting list. Dean Pennington said that the large number of men was not expected.

Dean Pennington also said the rooms and the Old Louis Bennett Hall was painted over the summer.

Freshman president Gary Steele is shown with Student Congress president, Paulette Jackson.

Announcements

An invitation is extended to students interested in the Presbyterian Church and to new members of the GSC staff to attend a dessert at the Glenville Presbyterian Church, 5:30 p.m., Sunday, Sept. 10.

The Dean of Student Affairs, Dr. Alfred T. Billips has announced that he will welcome any suggestions regarding freshman orientation week which was held August 27, 1972 through September 1. Each year this week of activities is re-evaluated and new programs added. This school year freshman orientation week saw the addition of two documentary films: "Journey in Time" and "Speed Scene: The Problem of Amphetamine Abuse."

Information Center Provides Service

The campus Information Center is now open and from early indications is providing the service for which it was intended. The Center is open from 10:00 a.m. to 12:00 noon daily, Monday through Friday and from 9:00 a.m. to 12:00 noon on Saturdays.

Information may be obtained by visiting the Center or by calling extension 284 during the hours of operation.

Volunteers are still needed to staff the Center, Monday - Friday. Hopefully each volunteer need give only one hour of time each two or three weeks. Faculty, students and staff members are needed. Those who wish to give of their time, please contact Mr. Robert Gainer, room 102 Pioneer Center, indicating day and hour preferences. A new schedule of Center volunteers and staffing assignments will begin on Monday, Sept. 11. Your help is needed - let's make this a joint faculty, student and staff effort.

Tonight at 8:00 p.m., in the auditorium, the Lyceum Committee will present for your entertainment the film, "Anne of a Thousand Days." This most highly acclaimed film starring Richard Burton as King Henry VIII of England and Genevieve Bujold as Anne Boleyn is the first of a series of free Friday night films sponsored by the Lyceum Committee. Admission by I.D. and restricted to the College community.

An independent double elimination softball tournament will be held this fall at Kanawha Drive Field.

Teams will be limited to fifteen members. Interested persons should contact Mr. Larry Lamb for details. Rosters must be submitted no later than Friday, Sept. 15.

President of Student Congress will be in the student congress office from 10-11 and 1-2 Monday-Friday. Secretary, Robin White will be in the office from 2-4 on Monday-Friday. Any suggestions to the congress can be submitted then or slid under the door at any time.

All nominations for Homecoming Queen must be submitted to Student Congress, in writing, by Wednesday, Sept. 13.

Pictures for the yearbook will be taken in the Multi-purpose room from September 11-15. All students must register for appointments in room 306 in the administration building prior to having their pictures taken.

G.R.E. Tests Slated

The Graduate Record Information tests for undergraduates and others preparing to enter graduate school are:

October 28, 1972
December 9, 1972
January 20, 1973
February 24, 1973
April 28, 1973
June 16, 1973

Full details and registration forms are in the 1972-73 GRE Information Bulletin which may be obtained in Mr. Kinder's office. Testing sites are at West Virginia Wesleyan, Buckhannon, W.Va. and Morris Harvey College in Charleston, W.Va. All dates except February 24 and June 16 are offered.

The Graduate Record Information test are required for entrance into both West Virginia University and Marshall University. The test should be taken before entering graduate school.

The GRE test may be waived for needy students for whom GRE fees constitute an obstacle to graduate study. To be eligible for this waiver a student must be a senior, receiving financial aid through the institute, parental aid for the students senior year must be zero and any student on full financial aid would qualify and forms may be picked up in Mr. Kinder's office.

Arabs Win Gold Medal in Warfare

Mark Spitz, seven races, seven gold medals, seven world records. Yes American Mark Spitz from Carmichael, Calif. became the greatest swimmer of the world at this year's Olympic games after being totally wiped-out four years ago. Spitz became the only athlete to ever win more than five gold medals during one Olympics. The mustached Spitz after gaining world-wide fame announced his retirement from swimming and would not comment on what his future plans would be. Mark Spitz had planned to stay on for one day after he had finished his superstar performance but the famed twenty-two year old woke up the next day and then learned of the horror and tragedy that had taken place the night before. By noon September 5, Mark Spitz was covered from all sides by security guards and was told that he was being sent home. Spitz was of Jewish faith. Because of this, the games had suddenly come to an end for Mark Spitz because during the night Arab guerillists had penetrated the Olympic village and calmly walked into building 31, tore down the door to the Israeli team's room and brutally murdered some members of the Israel team and then kidnapped the rest of the team.

The world was shocked when the horror and tragedy of the events which had taken place were released to the public. Especially since the Olympics had been perhaps the hope for a world-wide peace.

So once again politics became the issue as they had been since the games had started. Time after time the judges had been the major issue of controversy during the events of the games but now politics has introduced murder into the games.

It seems a shame that some people from far parts of the world have not as yet heard that the persecution of the Jewish and World War II is over and has been for a long time.

The question at hand seems to be what did the Arabs think they could prove by their acts of murder and terror? This is a question that probably never will be answered or explained. Speculation can only provide some reasons why the Arabs picked the Olympic games to gain world wide recognition and that they did. Will this put an end to the games which have played such an important part in the hearts of many that thought the Olympics would be the birthplace of international peace? Only time will tell. Also, has this put an end to the games?

So as time goes on, tragedy after tragedy seems to be the main result of all peaceful events and hopes.

As this editorial comes to an end, I ask that each of you will bow your heads in a moment of mourning for these athletes whose lives have been brutally taken from them. As each of us knows by now, those eleven members of the Israeli Olympic team are dead and so the hopes of world-wide peace die with them.

TO AN ATHLETE DYING YOUNG

The time you won your town the race
We chaired you through the market-
place;
Man and boy stood cheering by,
And home we brought you shoulder-
high.

Today, the road all runners come,
Shoulder-high we bring you home,
And set you at your threshold down,
Townsmen of a stiller town.

Smart lad, to slip betimes away
From fields where glory does not stay,
And early though the laurel grows
It withers quicker than the rose.

Eyes the shady night has shut
Cannot see the record cut,
And silence sounds no worse than
cheers
After earth has stopped the ears.

Now you will not swell the rout
Of lads that wore their honors out,
Runners whom renown outran
And the name died before the man.

So set, before its echoes fade,
The fleet foot on the sill of shade,
And hold to the low lintel up
The still-defended challenge-cup.

Student's Art Given Honor

Bruce Brumage, a sophomore art major from Wellsburg, West Virginia, has been honored by the Upper Ohio Valley Art Show which started on Aug. 25th and will continue until Sept. 29th at Oglebay Park in Wheeling, West Virginia. Bruce's ceramic piece, "Covered Ash Jar," has been given an Award of Merit which is accompanied by a fifty dollar monetary prize. The art show is representative of state wide competition between artists and craftsmen who are eighteen years old or over.

The Glenville State College Cheerleading Squad is on its way to Michigan today because of the generosity of the students, faculty and Glenville townspeople. The cheerleaders would like to thank everyone for their donations. We are sincerely grateful to everyone who made this trip possible.

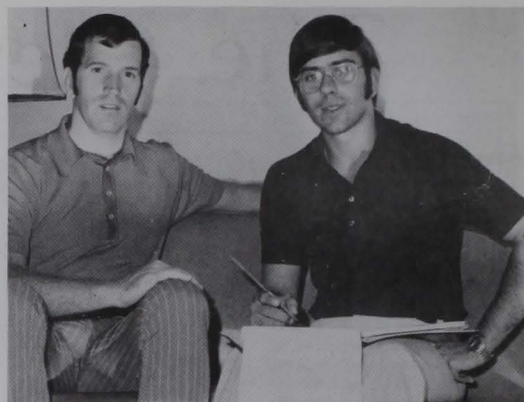

Three Officers Selected

New Verona Maple officers for the 1972-73 school term are President, Robert Maynard; Vice-President, Donnie Wills and Secretary-Treasurer, Ronald Hudson.

Robert Maynard is a sophomore physical education major from Eunice, W. Va.

Donnie Wills is a junior physical education major from Crab Orchard, W. Va.

Ronald Hudson is a sophomore Pharmacy major from Charleston, W. Va.

Lambda Chi conventioners, Dale Cox and Chuck Celejewski.

W.H. Males Are Praised

Far into the night the sacred fog shrouded sanctuary known in the past as Women's Hall now echoes the voices of the other (shudder) sex. A problem arose over the lack of space to accommodate the male members in their own dormitories and the young ladies of Women's Hall are being subjected to a rare treat. I would like to take this opportunity to commend the young men who have moved into Women's Hall.

The men have behaved as prefect gentlemen, have gracefully accepted the hours impressed upon them, and have refrained from most vulgarities such as whistling and leering up at open windows. Perhaps the ladies have not noticed this somewhat tolerant attitude displayed by their new neighbors. At any rate the weather apparently has been unusually warm for this time of year resulting in a number of windows being thrown open by the ladies. As air currents seem to rise during this particular time of the year the ladies are forced to point their noses downward in an effort to breathe more freely.

The C wing elevator is also suffering with an age old ailment that elevators are prone to get; one of stopping on a particular floor on its downward flight. Autumn has always been the weather for hay fever so there are of course numerous coughs among our Women's Hall residents and also an apparent epidemic of giggling.

For whatever it's worth, the new Women's Hall men are certainly getting their share of attention. I will offer a suggestion to the men currently used by members of the administration to prevent thievery: lock your doors.

Dr. and Mrs. Wilburn held a reception in honor of the new faculty members last evening in Pioneer Center. Guests were faculty, administration and staff members.

New R.F.K. Changes

The library has relocated the circulation check-out area. Material is now checked out at the checker's desk beside the door marked out.

A new reserve reading area has been set up by the old semi-circular circulation desk. All reserve material is shelved by faculty last name. This material is not to be removed from the reading area and it is set up on a self-service honor-type system.

The change resulting from the shortage of funds brought about a reduction in student assistants from 19 to 28.

The library continues to operate on the no-fines policy this year. They ask the student's cooperation in returning materials promptly, thus causing less problems in shelving and less time in clearing records. I.D. cards still are used for checking out materials.

Pool hours 3:00-4:00 Mon.-Thur.
No evening swimming.

Lambda Chi Event Is Held In Oregon

The 33rd National General Assembly of Lambda Chi Alpha Fraternity convened Sunday, Aug. 27, 1972. Attending the conference from Beta Chapter at Glenville State College were Mr. Chuck Celejewski (chapter secretary) and Mr. Dale Cox (chapter president). The event was held at the Hilton Hotel in Portland, Oregon. The purpose of these biennial sessions is to revise old, and formulate new legislative policies to aid in fraternity operations, on both the national and local levels. One of the highlights of this year's conference was the passage of a bill to finance a new National Headquarters Building in Indianapolis, Ind. The approximate cost of which is to be \$500,000. The 1972 General Assembly was adjourned Wednesday, Aug. 30.

Due to the fact that the right to vote in absentee ballot was not made aware to the entire class, the Senior class election has been declared invalid by the Student Congress. The election will be rescheduled the week of Sept. 11-15.

Student Education Association will hold its first meeting on Tuesday, Sept. 12, 1972 in 102 Clark Hall. The meeting will be held from 6:00-6:25 p.m. to determine a new monthly meeting time.

Dr. Manley's office hours are from 9:00 a.m. to 11:00 a.m., Monday thru Friday.

Placement Off. Readies For Recruiting Season

The Placement Office is now preparing for the recruiting season to start. All Seniors, whether they are in Education, a four year General Program, Business Administration, or a 2-year program, should come to the Placement Office, if they have not done so, and pick up a set of credentials to be placed on file. It is very important that each Senior fills out these forms.

On October 3, representatives from The Fidelity Union Life Insurance Company will be on campus to interview those interested Seniors. On October 12, representatives from Loudoun County, Virginia, will be here recruiting teachers, representatives from the U.S. Navy will be here on October 18, and The General Accounting Office will be visiting on October 26. If any senior is interested in talking with representatives from any of those mentioned recruiters, should sign up in the Placement Office.

If seniors need help in filling out the credential forms, contact the Placement Office.

G.S.C. Coaches Return To Coach Football Team

Coach Bill Hanlin and his staff begin his sixth season at GSC this fall. Hanlin a graduate of GSC, completed his graduate work at the University of Maryland. He works primarily with the offensive backs.

Earl "Whitey" Adolfson came to Glenville State in 1966. He is a graduate of West Virginia Tech and holds an M.A. from West Virginia University. Coach Adolfson's specialty is in coaching the defensive linemen and linebackers.

Robert Summers joined the staff in 1968. He is a former Glenville graduate and holds an M.S. from West Virginia University. Coach Summers works with the offensive linemen.

Jerry Milliken is the newest addition to the staff, starting his second season. Coach Milliken is a graduate of West Virginia University. He is in charge of working with the defensive halfbacks and safeties.

'Going our way?' might be the cry of the GSC cheerleaders as they prepare to follow the team to Michigan tomorrow. Left to right, they are, Sue Ann Maxwell, Becky VonBuseck, Jo Ann Westfall, Cathy Deem, Sandra Roberts and Head, Wherri Catalano.

Have You Heard?

By Mike Rust

Tomorrow marks the beginning of a new season for the Pioneers of Glenville State. The first opponent is Northwood Institute of Michigan. Northwood will be one of the toughest and biggest teams that Glenville will meet all season.

The starting line up taking the field tomorrow afternoon in Midland, Michigan will probably look like this. The offense will be headed by Chris Anderson at quarterback, halfback Carl Alloway, fullback John Pratt, and Steve Buffington at split end. Richard Richmond will be the flanker and Kenny Morrison will be at tight end. The offense line will be anchored by Vince Butta, Mark Watkins, Tom Harvey, Larry Chapman, and Irvin Braniff.

The defensive team will probably look like this: the defensive line will

have Bobby Hardman, Mark Reger, Marcus Rice, and Neil Christianson. The linebackers will be John Harbour, Ron Hudson, Scotty Hamilton and Brian Taylor. In the secondary it will probably be Howie Hoetzel, Roger Bonnette, and Gerald Matheny.

The WVIAC will have some new looks this season among them being overtime periods to break ties and television to make its debut.

West Liberty has been made the favorite with Glenville, Salem, West Virginia State and Shepherd to make runs for the title. Fairmont figures to be a darkhouse with Tech, Wesleyan, Bluefield and Concord to bring up the rear.

All of the teams figure to be much stronger than last year.

Looking over the teams in the conference this year it looks like the teams

will be stronger defensively than offensively. Many of the players who made All-Conference will be returning in Glenville's own Carl Alloway.

The second Glenville State College tennis tournament will begin Monday, September 18, 1972. The tournament, which is open to all Glenville State College students and faculty, will include singles and doubles play.

Those planning to enter the tournament should submit their names for singles and/or doubles play to either Ken Pritt (Rm. 333 LBH) or Bruce Flack, tennis coach (Office 314 Admin.) by Wednesday, September 13. Trophies will be awarded to winners in the singles and doubles competition. To defray the cost of the trophies a \$1.00 entry fee will be charged.

All matches will be scheduled between 3:30 and 6:30 p.m. Other times can be arranged for those entrants who have any class conflicts during the hours of tourney play.

Final Score . . .

Next Saturday marks the opening home game for our Pioneers at Rohrbough Field. The opponent is the Golden Bears of West Virginia Tech.

The Golden Bears are supposedly in a rebuilding year and the game should shape up to be a very interesting contest. Have a good week and see everyone next Saturday at the field.

Football's Bill Hanlin Hopes For Successful Grid Season

The Pioneers of Glenville State take to the road for their opening game of the season as they travel to Midland, Michigan to play Northwood Institute. Coach Hanlin and his staff are expecting a tough outing in their opening game.

Northwood is supposed to be a rugged and very big team. Coach Hanlin reports that Northwood only lost four regulars from last year's squad.

Coach Hanlin is going with a young team with only three seniors in the starting line up.

Many freshmen are expected to see action during the season. The largest prospect is Bob Dunfee from Warren, Ohio. Dunfee stands 6'1" and weighs 270 pounds.

Jerone Fruit is expected to see some action as safety and on punt returns. Russ Tarrasini is centering on punts and extra points.

There will be fifteen new faces in the line up this season. The newcomers include: first on offense: Chris

Anderson, Vince Butta, Mark Watkins, Irvin Braniff, Tom Harvey, and Steve Buffington.

On the defense the newcomers are: Bob Hardman, Mark Reger, Marcus Rice, Brian Taylor, John Harbour, Ron Hudson, Howie Hoetzel, Roger Bonnette and Gerald Matheny.

The punter will be Paul Ashby. Either Mike Wolfe or Jay Chambers will do the place kicking.

Others expected to see a lot of action are Ed Williams, Jim Carter, Bruce Rhodes, Jim Selbe, Mike Robison, and Rick Trickett.

Coach Hanlin's main concern seems to be in the offensive and defensive lines where graduation took almost everyone.

With the talent returning, however, plus a good corps of depth in the reserves Coach Hanlin should be able to come through with a very respectable season. Also look for some of the freshmen prospects to make some respectable showings in varsity competition.

Dale Miller Attends Explo '72

"Praise the Lord!" "Amen!" "Give me a J-E-S-U-S!" these were the cheers that filled the Cotton Bowl in Dallas, Texas this summer as 80,000 people joined together at Explo '72. Explo '72 was a student congress on evangelism sponsored by the Campus Crusade for Christ International (CCC) held during the week of June 12-17.

Among the 80,000 people was Dale Miller, a sophomore music major from Charleston. "To me Explo '72 was the beginning of a spiritual revolution that will saturate the world with the good news of Jesus Christ in our generation. The goal of Campus Crusade is to fulfill the Great Commission found in Matthew 28: 19-20 by 1980.

Miller left Charleston at 5:30 on Sunday morning, June 11. He arrived

in Dallas at about noon on Monday after an 8-hour layover in Memphis, Tenn. He traveled by chartered bus as part of the Mason-Dixon delegation. A delegation of over 100 buses from east of the Mississippi from West Virginia to Georgia.

During the evenings mass rallies were held in the Cotton Bowl where Bill Bright, founder and president of Campus Crusade, spoke on "The Incomparable Christ" and "The Great Commission." Dr. Billy Graham spoke on "Your Commitment to Christ" which was followed by a candle-light service.

The Jesus Music Festival closed Explo '72 on Saturday, June 17. Over 200,000 people attended the festival which lasted from 7 a.m. until 3 p.m. on the Will Rogers Parkway in downtown Dallas.

Speech Dept. Plans Events

Do you have an interest in acting, production work, or speech activities of any sort? If so, you should be particularly interested in the activities planned by the new speech faculty. Jay Fields, director of theater, has announced the season of plays to be presented. Two productions will be staged during the first semester. The initial production will be Leonard Gershe's *Butterflies are Free*, a play which opened in New York in 1969 with Keir Dullea and Eileen Heckert and is currently running there with Gloria Swanson. The movie version, starring Goldie Hawn, has been distributed to theatres across the nation, making the Glenville production both timely and current.

A new theatrical style, "Readers Theatre," will add a new dimension to the season with several short presentations being combined into an exciting evening as the second show of the first semester. Eugene O'Neill's tragic drama, *Desire Under the Elms*.

will be presented early the second semester, and the season will close with the hit musical comedy, *You're a Good Man, Charlie Brown*, based on the Charles Schultz comic strip characters, "Peanuts." Fields hopes that anyone interested in trying out for a part in the plays or in working behind the scenes will watch for announcements concerning tryout dates.

Katherine Leisering, the second new member of the speech faculty, is planning varied forensic activities for the coming year. Hopefully, after the formation of a forensics club, speech students at Glenville, as well as other interested parties, will have numerous chances to participate in forensics tournaments which will include both individual events as well as debate. Those interested in forensic activities of any kind should contact Miss Leisering as soon as possible in room 316 of the Administration Building. The casts will be announced in later issues.
